Keep In Touch With SCOV

by Don Coleman

Your new 2016-2017 Board of Directors wishes everyone a delightful summer. The Board is taking time off after our Thursday, June 9, Board meeting. We will be back in session on Tuesday, September 27. Join us for our Study Sessions and Board Meetings.

Tell us how we are doing and let us know what you think by using the Board's email address, directors@suncityorovalley.com. Email sent to this address goes to all Board members, the General Manager and Assistant Manager. Individual email addresses for every Director appear on page 2 of every *Tipster*.

You might want to keep in touch with our community this summer. This can easily be done through our website, which includes the online *Tipster*. Here's how to get to three of your website's helpful features. The website address is scovaz.com.

For the *Tipster*: Click News & Info > The *Tipster*. Scroll down to the image of the *Tipster* cover page and click on the cover to read.

For the main calendar: Click News and Info > Calendar. Scroll down and events for the current month with truncated descriptions will display. For complete descriptions click All Events at the top of the display.

To receive news about current events via email: Click News and Info > E-News Sign Up. Complete the form and click Sign Up. Or, click This Week In SCOV to see a list of previous editions of this weekly newsletter from the General Manager. Click on the one you want.

For features in the Members Only section you must be a registered user. If you are not registered you need to: click Members and then click any item on the menu. Scroll down to Don't Yet Have A Login? Click Register Here. Complete all fields and click Register.

Once you are registered you will be able to take advantage of many valuable features, including access to a searchable Community Directory, Board meeting agendas and minutes and meeting packets that contain detailed background information on issues that come before the Board.

We are an active adult community, so keep active both physically and intellectually this summer no matter where you are.

Cast Your Vote for Master Declaration and Bylaws

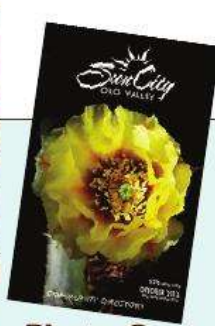

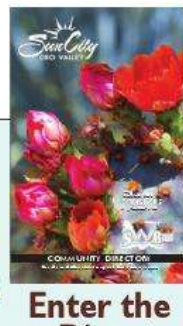

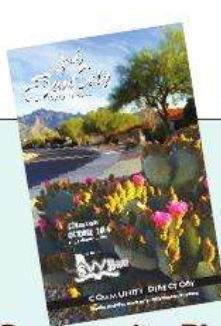

Along with the SCOV dues billing in June, you will receive a ballot for your vote on the amended Master Declaration (CC&Rs) and Bylaws. The Board of Directors and Governing Documents Review Committee urge you to cast your vote and to vote yes.

The most common question I hear about the vote on these documents is, "Why are we voting again?" The answer to that question is that the vote in March was only for five issues that were considered substantive. These issues were put to a separate vote, as it was thought they may be controversial enough to cause the June vote on the overall documents to fail. As it turned out the five proposed amendments were all approved and have been incorporated in the Master Declaration and Bylaws that you will vote on in June.

Subsequent to the June vote two forums were held in April in order to explain the proposed changes to the governing documents. These changes are recommended in order to assure that the documents comply with the current law, are more user friendly, reflect the manner in which the Association operates and reflect that the developer is no longer involved in our self-managed association.

Unlike most forums, these events were poorly attended, which either means that the membership is ambivalent about the issues or already understand and agree with the proposed changes. Hopefully, the latter thought is accurate and there will be overwhelming support for the work that the Governing Documents Review Committee has undertaken for the past three years.

In summary, please be sure to pull the ballot, ballot envelope and return envelope out of the packet of information you receive in June. Complete your ballot with an approve vote, enter your information as requested on your return envelope and mail or drop off your ballot.

We are looking for an award-winning photo to grace the cover of our Community Phone Directory. Submit your favorite photo taken in SCOV community by Saturday, June 25. Submit your photos using our website: login > Members > Members Services > This & That > Read More > SCOV Photo CONTEST form.

One Is Not The Loneliest Number

SCOV Singles Club Focuses On Fun

by Jim Mitchell

If you agree with Three Dog Night's *One Is The Loneliest Number*, checking out the SCOV Singles Club will easily change your mind. The club offers a wide range of fun-filled activities for its current 108 members.

Club president, Karen Curry, explains, "We're a group of singles getting together with other singles who just want to have fun."

From October through April, members meet once a month for lunch at a variety of restaurants throughout Tucson.

On the second Thursday of each month, the club hosts catered dinners that include entertainment such as singers, musicians and dancers. Recent entertainers have been singer Nancy Gilbertson, singer/piano player David Prouty, piano and guitar player Corey Spencer and country singer Dave Reychnr. If you're a regular at The Views Restaurant's Friday evening Happy Hours, you've probably heard the latter two entertain there. For just \$20, members get a full dinner, a variety of beverages, soda and water followed by entertainment. Dinners are held in the Activity Center/Navajo.

On the last Friday of each month, members get together for a Happy Hour featuring appetizers from The Views Restaurant, plus beverages, soda, water and entertainment similar to that for dinners for only \$10.

Other activities include golf the first Sunday afternoon of each month and bowling once a month. Also, the club just added evenings of bocce on the newly built SCOV courts.

Long-time SCOV resident Scotty Schaefer joined the Singles Club in 1995. She says, "It's very good for singles meeting friends. Outside of the club, a group of eight or ten of us have enjoyed cruises together. We've cruised the Mediterranean and have gone to Australia, Ireland and Scotland, my native country." Lavon Spencer moved to SCOV from California in 2007 at the urging of her son who lived in Oro Valley. She remembers, "I immediately jumped into everything. It's what drew me to Sun City. I do a lot for the club: handle membership, collect money and serve as hostess for events. I try to sit with different people at the events to get to know them. I love Sun City."

Four-year resident Bob Henderson grew up in Nebraska but graduated from Northern Arizona University. He explains, "It's nice to get to know other singles. We're not a dating service; we're just singles having fun. We have a lot of activities, but I'd like to see more. Let's go zip lining one time or take a singles day trip."

Karen Curry recalls, "When you lose a spouse, you still hang out with your friends. But they're all married and sometimes you can feel like a fifth wheel. As president, I enjoy reaching out to other people in the community and making everyone feel welcome and included."

Annual dues for the Singles Club are \$20 for the calendar year. To join, contact any of the officers: Pres., Karen Curry, VP, Marge Albright; Treas., Joyce Melchi or Sec., Katy Melcher.

Lavon Spencer urges, "Come join us. We have a great time."

Estate Sales in SCOV

Although the Association does not allow for garage sales, there is a provision for an estate sale in the instance of death or incapacitation. There are guidelines to conduct an estate sale which may be obtained from our website (Members Services, For Your Homes, Other). These guidelines include the process for gaining approval to conduct a sale, deposit requirements, the times the sale may be conducted, safe parking on the street, signage and other responsibilities of the homeowner. Many individuals will use an estate sale company. The guidelines address rules the estate sale company must follow as well. It's important to know that this is an option and how to conduct a sale in the approved manner.

Keeping Hydrated

I would like to remind everyone that with the summer heat upon us, many of our calls to 911 for a person in distress is because of dehydration. The rule is to drink water every half hour or more. Many people think that when they are in the pools for a long time they don't need to drink water. You do. We want everyone in SCOV to have a great summer and not take a ride in an ambulance. Remember if you are thirsty it's too late. Drink water before you are thirsty.

How many people does it take to run a library? It takes over 40 volunteers to help run the SCOV Library. These friendly, knowledgeable volunteers open and operate our library five and a half days a week, generally working two three-hour shifts each month. Behind the scenes additional volunteers maintain the database, sort donations, cover books, call on overdues and complete a myriad of other tasks. Over 350 volunteer hours are put in each month to run our library. Next time you stop by, you might thank a volunteer for keeping this fabulous amenity operating.

New in fiction we have *Beyond the Ice Limit* by Preston and Child, and *All Summer Long* by Dorothea Benton Frank. Audiobook arrivals include *15th Affair* by James Patterson and *The Last Mile* by David Baldacci. In Large Print we have *Dis-honorable Intentions* by Stuart Woods and *Hide Away* by Iris Johansen, and in video we now hold *Truth* (Cate Blanchett) and *Call the Midwife: Season 5*.

How Important Are Fluids in the Summer?

Fluid replacement is probably the most important nutritional concern for exercise. Approximately 60% of your body weight is water. As you exercise, fluid is lost through your skin as sweat and through your lungs when you breathe. If this fluid is not replaced at regular intervals during exercise, you can become dehydrated.

When you are dehydrated, you have a smaller volume of blood circulating through your body. Consequently, the amount of blood your heart pumps with each beat decreases and your exercising muscles do not receive enough oxygen from your blood. Soon exhaustion sets in and your athletic performance suffers.

If you have lost as little as two percent of your body weight due to dehydration, it can adversely affect your athletic performance. For example, if you are a 150-pound athlete and you lose three pounds during a workout, your performance will start to suffer unless you replace the fluid you have lost. Proper fluid replacement is the key to preventing dehydration and reducing the risk of heat injury during training.

Thank you to all of you who have attended our 1 PM Friday presentations this past season. We are in the process of planning next season; your suggestions are appreciated. New members to this enjoyable and rewarding committee are always welcome. If you are interested, contact the chair for more information. Due to the large attendance (over 200) at Dr. Chua's presentation, we ran out of his contact information; we have placed more in the rack of other health related resources outside the Library in the Welcome Center.

We also want to thank the 20-30 people who attended the Balance/Fall Prevention class from March to May; our instructor has seen improved stability in all the participants. We are beginning plans for repeating this class in the fall and winter. Watch for more information in the next few months. Enjoy your summer. Be safe, stay active and hydrated.

Second and Fourth Tuesday, 2 PM, WC3

Your ARC has been very busy working with homeowners as they continue to make changes to the exterior of their homes. We meet twice a month, except only once in December. In 2015, the ARC answered 316 requests (14 per meeting) for approval of room additions, walls and fences, patio covers, awnings, rolling window screens, partial window replacements, solar installations, window/patio screening, patio/porch enclosures, major landscaping projects plus other requests. The residents sought approval through Katy Mosier, the Community Services Coordinator, of 139 house paintings plus 162 other projects including roof replacements, minor landscaping and pavers, etc.

The ACT (Architectural Compliance Team), a subcommittee of the ARC, did 122 listing and escrow inspections plus 17 courtesy inspections from June through December.

As you can see the ARC has been very busy and we are continuing to be at least as busy as last year as we approach the half way point of 2016.

Gift Shop 917-8051 Shop Hours: Monday-Saturday, 9AM-12:30 PM
orovalleygiftshop.com

Summer is here and the monsoons will soon arrive. Stop by the Gift Shop for a cool respite and check out the lovely items offered by our talented residents. June's featured artist is Elaine Woods, who says, "I sculpture gourds, then use long pine needles to weave them on the sculptured gourd. There are many steps to make the gourd ready: cleaning and scrubbing after they dry, emptying out the seeds and membranes inside. After carving the gourd, I dye the outside, drill holes around the gourd, then prepare the pine needles, softening them to a cer-

tain pliability to be able to work with them."

Elaine also makes silver pendants from the prickly inside of the cleaned gourd, using the lost wax casting method. They look very detailed, lacy and delicate. In another vein, she makes pendants from Mata Ortiz pottery shards which come directly from the village.

Governing Documents Review Committee

The Governing Documents Review Committee has completed the task to improve our CC&Rs (Master Declaration) and Bylaws. In March, you approved five changes to the documents that the Board of Directors and the committee considered important enough to be voted on separately before final editing. Those changes have been incorporated into the documents. The documents are now ready for your vote and may be reviewed on the SCOV website at scovaz.com: Member >Member Services >Vote> You may also ask any questions you may have on the website. Documents are also available at the Welcome Center and in the library. The ballot will be mailed to you in June along with the Annual Homeowner Dues invoice. Your SCOV Board recommends approval of these new, improved documents.

Loan Room - Community Assistance Committee

Chair Gay Russell 825-5763

Tuesday and Thursday reservations and pickup 8-9 AM
Meeting Third Thursday, 3 PM, WC1

The CAC has been in existence since before 1992. While it is a SCOV Board of Directors-appointed committee, it does not (and never has) received any monetary support from the Association. The Association does provide us with room space and helps with transporting the aluminum cans.

The CAC raises money three ways: by donations from those using the Loan Room, through the Annual Pancake Breakfast in January and the aluminum can collection program.

All functions of the committee are staffed by volunteers from the community.

Currently the funds accumulated by the CAC are being used to computerize the Loan Room services.

In May, we delivered 480 pounds of aluminum cans and received \$192. Year to date, we have delivered 3,551 pounds, and received \$1,420.40.

Time to Remember

Whether you are here or away for the summer, it's time to remember:

- Weeds in cracks of driveways, sidewalks and where the cement meets the asphalt of the street are the responsibility of the homeowner to remove.
- Cactus and/or bushes in your yard should not extend over the sidewalk causing danger to walkers.
- Trees must be kept trimmed up at least seven feet high over the sidewalk so as not to injure walkers or block visibility of a stop sign.
- Exposed soil, or bare dirt, on your property needs to be covered by rock.
- On a corner lot, check the street-facing side part of your yard for weeds and/or other possible infractions of the governing documents.
- Artifacts, including empty pots, are not allowed in front yards. Pots should be planted with live plants, as artificial ones are not allowed.

- For safety reasons, trim any vegetation blocking numbers on your house and be sure the numbers are lit and visible from the street, day and night.

Neighborhood Pride thanks you for taking care of the above reminders. Have a wonderful summer.

There will be no Posse Committee meetings in June, July and August. There are still Posse patrols every night in our neighborhoods. Since we are short handed during the summer months, please volunteer. We need you.

Properties

Chair Ed Zwierling 631-741-9934 EZwierling@yahoo.com
Third Thursday, 9 AM, WCI

Solar panels are now sprouting up at Catalina Vista, Desert Oasis and the Golf Maintenance Shop. Soon we will be seeing shade structures with solar panels at the Activity Center, The Views Restaurant and behind the Welcome Center. Much of the roof underlayment under the panels was scheduled for replacement in the near future. That work was accelerated to be done in conjunction with the solar installation. This will minimize future costly repairs.

The Properties Committee is now working with staff to investigate methods to reduce our water bills. Comments and suggestions are welcome from all residents.

We are always looking for committee members. We are also looking for residents who have been in the building trades who can advise us on various facility issues. No need to attend meetings, we'll just call on you as needed.

The Tipster Editorial Committee is taking steps to address legitimate complaints from readers who have asserted over the years that it is very difficult to find specific articles.

The committee is considering whether the order of clubs should be the same as the newly-revised website. We will be proposing changes which should be made to make our communications consistent. You will hear more about this in the coming months.

Next Tipster Editorial Committee meeting is Monday, June 13, 9 AM, WCI.

Head Golf Professional - Kim Griggs

The new fiscal year is upon us and we will begin selling passes this month. Stop by the Welcome Center and see Lisa or Karen. There are several different options available this season, drop by the Pro Shop to pick up yours. This information is also available on our website. theviewsgolfclub.com >golf course >rates.

For those of you who enjoy walking and riding the course, please check the times on the signs as we begin earlier throughout the summer, and we certainly do not want any

conflicts with the golfing traffic.

Superintendent - Michael Kropf

scvgolf@suncityorovalley.com 917-8063

June is historically the hottest and driest month of the year. It is also the ugliest for overseeded golf courses in the desert Southwest. This is because many golf courses transition from winter rye grass to summer Bermuda grass. Anytime a grass dies there are a lot of brown and thin areas until the underlying Bermuda grass makes a full recovery.

Our transition program, developed over many years, has helped minimize these thin areas and decreased areas needing repair. All the mechanical methods of transition including aerification, topdressing, verticutting and fertilizing are performed during the month of May to provide a good environment for the Bermuda grass to recover in June.

As far back as March the rye grass was chemically treated to thin it out. This allows the Bermuda grass to see more sunlight earlier in the year to help with a quicker recovery. The final chemical application is made in mid-May to completely remove the rye and poa still left in the fairways and tees. The big weak areas begin to show up in June. During the middle of June, each of the nine holes will be closed for a week to allow a much quicker time frame to repair these bare areas. This will allow the golf course to heal much faster and be back to great condition by the end of July or August.

Golf Advisory

Chair Tim Kelley 734-645-8199
First Wednesday, 2 PM, WC3

It is a time of transition. Club members who served as representatives to Golf Advisory are finished and new representatives are beginning. I want to thank those who served. It was a productive and positive year. Welcome to the new committee representatives. I look forward to working with them as we continue to improve the golf experience at The Views.

The women's and men's club representatives provide an important communications pathway to the committee. For those who are not club members, please feel free to contact any committee representative with your concerns, solutions, and suggestions.

It is also a transition for many of us as we head north for the summer. Tee times are easier to get for those who stay. Have a great summer and play well.

Summertime at The Views

The new summer menu at The Views, includes Asian Crispy Chicken Salad with Prickly Pear Dressing and The Views new signature dessert: Bread & Butter Pudding with Salted Caramel Whiskey Butter Sauce.

Guests have been asking daily for our recipe. Caution: the Whiskey Butter Sauce is addictive.

Ingredients

- 2/3 cup raisins
- 1/2 cup Irish whiskey
- 5 eggs
- 2 cups whipping cream
- 1 cup sugar
- 1/2 teaspoon ground cinnamon
- 1/4 teaspoon ground nutmeg
- 1 teaspoon vanilla
- 8 1-inch slices firm white bread
(about 10 ounces) (with crusts)
- 3/4 cup unsalted butter, at room temperature

Salted Caramel Whiskey Butter Sauce

- 1/4 cup unsalted butter, cubed
- 1/2 cup sugar
- 1/2 teaspoon sea salt
- 1-1/4 cups whipping cream

Directions

1. In a medium mixing bowl, combine the raisins and whiskey; let soak for one hour. Butter a two-quart rectangular baking dish; set aside.

2. In a large bowl whisk together the eggs, cream, sugar, cinnamon, nutmeg, and vanilla. Generously spread one side of each slice of bread with the 3/4 cup butter. Cut the slices in half diagonally and arrange the bread in the bottom of the prepared baking dish, overlapping the slices. Drain the raisins, reserving the whiskey. Sprinkle raisins over the bread, tucking some between the bread slices. Pour the custard over the bread; cover and let it soak in the refrigerator 30 minutes.

3. Preheat the oven to 375°. Place the baking dish in a large roasting pan. Add enough hot water to come halfway up the sides of the dish. Bake for 45 minutes or until the pudding is set and the top is golden (there will be a layer of melted butter over the pudding). Carefully remove the baking dish from the water bath and let cool slightly on a wire rack (butter will soak into the bread as it cools).

4. Meanwhile, for sauce, melt the butter in a two-quart saucepan over medium heat. Whisk in the sugar, salt, cream, and three tablespoons of the reserved whiskey. Bring to boiling; reduce the heat, and simmer, uncovered, for 10 to 15 minutes or until the sauce thickens slightly, stirring frequently. Serve pudding warm with the sauce spooned over the top.

Win a Free Meal

The Views Restaurant is offering you a chance to win a free breakfast or lunch if you turn in a comment card. Monthly comment cards are drawn randomly. The April winners were Jan Gore, Dick Stup, Carolyn Murray, Ann Oyama and Mike Stanton. Congratulations and bon appétit.

Heartfelt thanks for the calls, cards and loving hugs received after Jerry suddenly left us. He loved his years in Sun City and lived them to the fullest. It gives me great joy to know the esteem in which he was held by all.

Lovingly, Madeleine Laughlin Diamond

Many thanks to everyone for the cards, hugs, prayers and food following the passing of my beloved father, George Arkoosh. I am blessed to have so many caring friends here in our community.

Joy Huxtable

Thank you so much, for the kind words of sympathy, after the death of our grandson, Ben Wires. Even though we have moved away from the area, we are still reminded of how caring you all are. It has been a great comfort to receive so many cards and notes.

Bocce

Pres. Karl Dalla Rosa 825-1982
Monday, Wednesday, Friday, Bocce Courts
May-October, 7 PM, evening play November-April, 2 PM, afternoon play

It seems that since we have our new courts, everyone wants to play Bocce. We have been getting many calls from other clubs wanting to reserve the courts. This we cannot do. The Bocce courts belong to the whole community, and except for the days that the Bocce Club uses them, Monday, Wednesday, and Friday, 7 PM, they are open for everyone. It is a first come, first serve situation. We want everyone to be able to enjoy the new courts and hope there will be time enough for all.

Our Bocce Club has enjoyed a couple of social events and our new summer hours.

The book is a collection of modern and ancient literature by Dostoevsky, Homer, Lenin, Oscar Wilde, Augustine, Aristotle and 16 other noteworthy thinkers. It is available from Great Books Foundation. The collection considers ideas about structuring and governing communities for the welfare of their citizens. It reveals some of the best and worst aspects of utopian and dystopian visions.

September-May, First Thursday, 1 PM, Artisan Center/Pottery

It's quieter during the summer months as year-round potters continue working on their projects in the cool of the studio. Winter residents are missed as our friends in mud go their separate ways for the season.

Perplexed Owl by Mo Zabel

The new orientation system has begun in order to provide more comprehensive preparation for new members. A three-day orientation is now mandatory for all who wish to join the group. This affords a stronger start in the clay process and thorough training to give new potters a fresh beginning. Experienced potters will benefit by learning our unique studio practices. Sessions will be held the third Monday and the third and fourth Thursday of each month from 1-3 PM. Ask anyone

present in the studio where the sign up sheet is posted. Dues are \$15/yr., payable at orientation, which includes classes, firing and dipping glazes. It's a great deal.

Pilates

Mary Ayers 638-7916 scov.pilates@gmail.com
Monday, 3 PM, Thursday, 1:30 PM, AFC/Studio

Forty years after his death, the Joseph Pilates system of exercises is still in high demand. Fortunately, SCOV offers his mat Pilates classes twice a week, Mondays and Thursdays. Summer is here, and classes are smaller and more personal. First, specific stretching exercises are done using the dance bar and then mat routines are performed which may be modified for those of us with limitations. People ask, "Can the benefits of the Pilates method, which come from the strengthening and stretching exercises we do, really develop the body's core (abdomen and back muscles), increase spine mobility and build flexibility?" The answer is, "Yes," and the benefits achieved in our classes can't be beat. Don't forget about improved balance, muscle tone, stamina and well being. The cost is only \$8/class, and annual club dues are \$20 pp. Join us or just stop by and watch. Call Mary.

Poets Corner

Sharyn Rafieyan 825-6762 srrafieyan@icloud.com
Monday, 9:30-11:30 AM, Desert Oasis

While it's difficult to distinguish the difference between a piece of prose and a prose poem, what really seems to matter is how well the piece itself works, its language, its message, its appeal. The following excerpt from a submission by Poets Corner member Bonnie Lamm, works well whatever it's category. Called *Chocolate, Coffee and Cigarettes* its about a young woman's determination to acquire a new habit. "The cellophane crackles as I open the package. A few grains of tobacco fall on my tongue. I put my pinkie up and lightly lift them off, feeling quite sophisticated. I scratch the match across the sandpapery strip of the matchbook and hold the flame to the tip of the white cylinder. I draw in a deep breath. My eyes fly open and start to water. I feel dizzy. Quickly, I put the cigarette out and lie down until my head stops spinning, vowing to never smoke again."

Toy Woodworking, various

Even though we are into warm weather, Seniors for Kids members are already thinking about Christmas and children who might not get gifts. Sewers are sewing and woodworkers are sanding. These activities go on all year long in our SCOV homes or in some of our summer retreat locations. The Wood Shop and Sewing Room are places to work with friends on projects all year round. If you would like to work in the Wood Shop on wooden toys, contact Larry Miller 825-1784. Also, diapers and hand-made baby items are provided all year long to local charitable organizations such as Three Points Clinic and Family First in Oracle. Diapers are purchased with some of the funds earned at the Courtyard Sale.

Penny Burroughs 530-545-2642

When cleaning out your closets, please keep this in mind: we do not accept non-washable fabrics, zippers, embroidery hoops, large knitting needles or crochet hooks or patterns. Please help us by removing these items before donating.

Maybe you will be one of those who can't resist being involved in several groups. When you join Thimblelenas, you can be active in as many of the seven groups as you wish: Casa Amigas, Sun City Vistoso Quilters, Machine Embroidery, Tapestry Rug Hooking, Cheer Bears, Pet Beds and Seniors for Kids. During the summer, we do not have a regular training schedule. Call Patty 520-591-6599 with questions.

Love to sew? Our group makes dresses, pants, shorts, tops, drawstring bags, bibs, smocks, quilts, etc. from our patterns for children who need a little more love. Not into sewing? How about cutting the patterns or pinning the quilts? Sew what interests you. Pick and choose. It's all about the kids.

Cheer Bears

September-May, Wednesday, 1-3 PM, Artisan Center/Sewing

Cheer Bears would like to thank the SCOV Tennis Club and individuals who donated a generous gift to our group. It will go a long way in purchasing fabric and stuffing for these little bears that bring such joy to children.

Although the club will not have official meetings on Thursdays, the Sewing Room will still be reserved for anyone wanting to use the machine. Contact any of the above listed people if you would like assistance. Summers will be a bit slower, so perhaps you'd like to learn how to use the six-needle machine. To all you leaving us for the summer, have a great time. We look forward to seeing you in the fall.

Pet Beds

Jan Bohe 825-9725
Tuesday, 1-3 PM, Artisan Center/Sewing

We will always need your polyfill donations, but, at this time, we do not need your fabric scraps. If you are looking for a worthy volunteer job that doesn't require a lot of time, the Pet Beds group is the one to join. We will continue to meet over the summer months because the needs of the Humane Society continue throughout the year.

As the days begin to heat up and the possibility of monsoon rain approaches, we find ourselves seeking the cool of the glass studio. We would love to have you join us if this interests you. We have created a much needed new position of studio manager which has been filled by Nancy Eckhoff. Just watching her efforts says it was a good choice.

On May 1, we began experimenting with selling stained and fused glass items from one of the windows in the studio. This is open to all members and anyone wanting to do so may contact Juliet Williams. The regulations are posted on the door of that window inside the studio. Please stop and check out the works of your friends and neighbors.

Special thanks to those who have been teaching, monitor-

ing, firing the kilns, serving on the board, being committee members, washing towels, etc.

Thursday, 10-11:30 AM, AFC/Studio I

Tai Chi can improve your balance, flexibility and strength. Most of us think of Tai Chi as a way to prevent falls, improve breathing and reduce stress, but it is so much more. The Harvard Medical School Health publication stated that Tai Chi is medication in motion, and research by Tufts University School of Medicine credits Tai Chi with decreased pain, improved sleep and mood and better quality of life.

Our instructors, Jose Hernandez-Rivera and Donna Drzenovich, stress the use of Tai Chi in daily life.

Newcomers, contact Peggy Lombard for class details.

The general meeting and spring social, catered by The Views Restaurant, was very well received. The budget/audit is in order; the tournaments were reviewed and donations given to the various charities were acknowledged. The new board nominees were introduced and will be voted into office at the fall meeting. Thanks to the creative design efforts of Karen Lee and Duane Eddy, the club tournament winners received a picture of the final four in each flight overlaid with text giving names, dates and relevant information.

As the temperatures rise, be sure to keep yourself hydrated with water or sports drinks.

Tennis Note: Doubles tennis can be eye-opening and a wonderful teacher. Not everyone sees the court, the sport or the world the way you do. You can learn from all those different perspectives.

Next meeting September 21, 1:30 PM, Desert Oasis/Saguaro

For several months, we have been developing an online-based system that our monitors will use to sign up for monitor duty. The goal is to replace paper signup calendars in the shop. The advantages of the online system over paper are monitors don't have to go to the shop to sign up or make changes, and anyone can go online to learn if the shop will be staffed by a monitor at a time they plan to work there. Presently, both paper and online systems are used, but on July 1, the paper system will go away. To learn how to use the online system, go to the tutorial under the monitors tab on the Woodworking Club's website. Our next club meeting will include a training session. Also, you can direct questions to our lead monitor Don Jovag 818-1078.

Thanks monitors for keeping the shop safe and open.

Vistoso Helpful Hands (VHH) is an all-volunteer organization helping SCOV residents who find themselves temporarily in a crisis or needy situation.

We can run errands for you: If you want to order a "Heat & Eat" entree from The Views Restaurant, call them at 825-3277, order and give them your credit card data. Then call the VHH pager, 410-9498, touch in your area code and phone number after the tones and hang up. We will call you back, usually within 20 minutes and arrange for pick up. Please give us some lead time to find a volunteer.

YOTO/Northwest Auxiliary

Kris Cohen 818-2582 krisandearl@msn.com

Are you downsizing? Changing decor? Not entertaining as often?

Donate your gently loved home goods to the YOTO (Youth On Their Own) Home Store, located at 1642 N. Alvernon Way. The store specializes in the resale of home goods (kitchen, bed, bath, decor) with proceeds benefiting YOTO programs. Your donation will help youth caught in poverty, abuse and abandonment stay in school and graduate and donations are tax deductible.

YOTO supports the high school graduation and continued success of local homeless youth, who are homeless through no fault of their own, by providing financial assistance, basic human needs and guidance.

Put your empty aluminum cans to work for SCOV

Deposit only **empty, rinsed aluminum cans** in plastic bags into the box outside the Activity Center kitchen door. The

Community Assistance Committee uses the funds from recycling to purchase items for the Loan Room.
