ASSOCIATION NEWS

From The Board of Directors

Our MISSION as the SCOV Board is to lead in maintaining and enhancing the quality of life in Sun City Oro Valley as an active adult community.

All Board minutes, agendas and reports are available online and in the SCOV Library. Board meetings are open to residents.

Yearly Board Of Director Goals

by Bob Hefner

One of the first tasks of the 2012-2013 Board was to establish goals for the coming year. There were seven goals officially approved at the May 2012 Board Meeting. So how did the Board do with regard to those goals? Of the seven, some were successfully completed while others not so much. The following is my assessment as to how well these goals were accomplished.

The Board successfully appointed a Fitness Center Committee that developed a plan that was approved by the community for the expansion and renovation of the Fitness Center. A Marketing Committee was appointed that researched and recommended a new logo, signage design and locations, and common-area building and meeting room name changes that were approved by the Board in March. While these recommendations are yet to be implemented, the cost to implement the recommendations is well within the allocated budget, and negotiations are underway with contractors to implement them. The Board did establish a Board Member Code of Conduct that was signed by all members. There was a goal to analyze the active membership in clubs and activities to determine space and financial needs. While the FCC did analyze the needs of exercise clubs and fitness facilities, membership and needs of other clubs was not undertaken. The Board did not assign a task to the Strategic Projects Committee to recommend ways to foster new committee chairs and Board members. Perhaps not meeting this goal contributed to only three candidates running for three positions on the Board.

In addition to the task-oriented goals listed above there were ongoing or process goals established. The Communications Committee has recommended several ideas that have been implemented to achieve the goal of improved communication among all residents. The most significant of these is the General Manager's weekly report to the community. While there have certainly been improvements in this area, it is an ongoing process that will never be perfect. The Board and staff do respond to rumors with factual information whenever they hear of them, but unsubstantiated rumors will always be a challenge.

In May, the new 2013 Board will be establishing its goals for the coming year.

A Tipster can be mailed to you while you are away for \$3 per issue. Stop by the Vistoso Center to arrange for this.

General Manager - Bob Mariani

SCOV 2013-2014 Budget

After a process that takes place over approximately four months, the Association Budget is complete, and the new annual dues have been established. This process includes department managers developing detailed budgets; review of department budgets by the Controller and General Manager; three review meetings with the Finance and Budget Committee and at least two meetings with the Board of Directors before final approval.

As a result of several cost savings measures, the dues will only increase 1.9% to \$1,600, with the increase resulting from projects that will be completed in the next fiscal year and not day-to-day operating expenses. A few of the cost-saving measures that have been or will be implemented are: renegotiation of the janitorial contract, saving approximately \$22,000; reduction in staff hours which reduced costs by about \$8,000; change in the manner in which chemicals are applied to the AFC pool, saving \$6,000; installation of different paper towel and toilet paper dispensers, lowering costs by \$4,000 to \$5,000; offering Medicare-eligible employees the opportunity to switch to Medicare which saved about \$5,000 and, according to the insurance agent, reduced future increases in the medical group plan costs by as much as \$36,000.

Of course, there were several other changes in operations that resulted in small savings in a number of areas. All of these cost reductions were necessary in order to offset increased costs to some degree that were caused by issues such as annual employee pay increases to offset the rise in cost of living and especially to offset increases in natural gas, gasoline, electricity and water. As you are well aware, utilities rates are going nowhere but up which is a challenging factor for the Association Budget.

A continual watch will be kept on the Association's expenditures, and every effort will be made during the next fiscal year to increase non-dues revenue from the golf operation, Café and other sources. This watchful eye and efforts to generate revenue, will greatly assist in maintaining minimal dues increases while continuing to retain a high level of service and maintenance.

ASSOCIATION COMMITTEES

Committee meetings are open and all residents are welcome to attend.

Active Health

Chair Judy Bjorling 818-1296
<http://scovaz.com/committees/activehealth/>

It's spring in Oro Valley! Are you walking more outside? Are you in the pool more? We need to be more conscious of our skin in the warmer months and we all have questions. "What do I need to do to prevent sun damage?" "How can I catch skin cancer problems early?" "How can I prevent more wrinkles?" "How can my skin look younger?" "What exactly are those little white things around my eyes?"

Popular dermatologist Scott Sheftel, M.D. can help you answer your skin questions on Thursday, May 23, 1 PM, Social Hall/Papago. There is no charge, but you must get your tickets in the Vistoso Center due to limited seating.

If you want to walk indoors this summer, come *Walk with Lonnie* on Friday, June 7, 1 PM, Auditorium.

Architectural Review

Second and Fourth Tuesdays, 1 PM, Vistoso Center/Yaqui

This month starts a new year for the ARC (Architectural Review Committee).

The community should thank the out going members, Don Bender, Ed Kennedy and John Joers for their outstanding service to our Association.

Spring is the time to finish cleaning dead vegetation around our homes and preparing for the summer.

A change to the Development Standards now allows one sign, attached to a courtyard gate, a security door or a front door stating, "No Solicitors".

If you wish to attach one of these signs, please contact the Association office for size and color requirements.

Aluminum Can Donations: Put those aluminum cans to work for SCOV. Deposit only empty, clean aluminum cans in the box outside the Social Hall kitchen. For safety reasons, do not deposit unrinsed cans which attract bees and may become a hazard. Profits fund the equipment for the Loan Room. Please help us by recycling your aluminum cans, but place your trash in your trash containers.

CAC (Community Assistance Committee) volunteers delivered their eighth can load for the year to the recycling center. Those 740 pounds netted \$458.80, bringing the year-to-date total poundage to 4,140 pounds and the year-to-date revenue to \$2,546.40.

The Loan Room remains open during the summer at the regular times, but there is no telephone reservation system May through November. Please come to the Loan Room to make reservations and pick up equipment. As you can see in the Header above, we have a new chairperson. After several years of volunteer work, George Holthus has resigned as chairman. He has agreed to stay involved in coordinating the annual Pancake Breakfast so you will see him around. Join us in saying "thanks and goodbye" to George and "welcome" to Gay. She has been involved with CAC for many years. On April 2, a breakfast was held at the Café to thank the many other volunteers for CAC. This included the can collectors and deliverers, the telephone reservation committee and the Loan Room volunteers. Many thanks to all those who helped make CAC successful this past year.

We continue to look for events and occasions which will put you in contact with your elected officials. A good example was the recent program, *A Day in the Life of a Firefighter*, with our own Golder Ranch firefighters. If you have ideas of government-related programs that would interest you, please let us know by contacting any member.

Our mission is to organize events to facilitate communication and interaction between our residents and town, county, state or federal political candidates, elected officials, government officials as well as groups within SCOV with differing opinions. We are strictly non-partisan and do not take positions on issues or candidates when serving as members of this committee.

Marketing and Publicity

Chair Barbara Ross 818-0701
Fourth Thursday, 3 PM, Vistoso Center/Yaqui

Assuming that the Town of Oro Valley approves and issues permits for new signs for Sun City Oro Valley, you will see construction of the signs during the month of May. On Rancho Vistoso Blvd. there will be two new gateway signs to welcome people to our community. There will be lower directional signs to The Views Golf Club and Café, and to the Vistoso Center, and Tours. The new signs will be built on the existing structure with dark bronze metal background and raised aluminum letters and a copper sun. We will use the colors: silver, copper and bronze.

There will also be new signs going in at the corner of Silverton and Rancho Vistoso Blvd., the two parking lot driveways off of Rancho Vistoso Blvd., and in front of Catalina Vista and Desert Oasis. We will use the new logo for Sun City Oro Valley, and raised aluminum letters in a consistent type set to provide more consistency and clear identity for our community.

Hope you will find the signage a positive change that gives our community a fresh, clear, identity.

Neighborhood Pride

Chair Tempe Johnson 825-6994

It's Just Around The Corner

Summer is coming, it's getting hotter, and things in our yards are growing by leaps and bounds. As we look around, we can remember that Mother Nature has not been kind to our community this past winter. We can still see what the hard frosts did to some of

our yards, and it is way past time to get frost-damaged plants trimmed or replaced and empty pots filled with live plants or flowers.

We bid farewell to those who leave for the upcoming hot months ahead. Your home and yard need care while you are away. But don't forget a messy yard is an indication that you are gone and puts your home and belongings in an unsafe situation. With our summer monsoons, weeds grow in abundance and need to be removed as quickly as possible.

Have a great summer, knowing that your community and home here will look just as nice when you return as when you left.

Posse

Chair Del Balston 825-9681
Vice-Chair John Njaa 825-5486
Meeting First Tuesday, 3 PM, Social Hall/Hopi
www.scovaz.com/committees/posse/

Want to go out on a Posse patrol, but you don't have a partner? Contact your squad leaders. They will help you find one.

Bothered by solicitors? You can place a No Solicitors sign on your front door if its color, size and shape conform to our Development Standards. If a solicitor appears at your door, ask to see the required solicitor's permit issued by the Town of Oro Valley. If they can't show you one, call 911. See the Safety Page in the Posse's website for more information about the sign and solicitor's permit.

Our largest active project is the audio-visual upgrade. To stay within the budget, we recommended upgrading only the Social Hall Indian Rooms and moving activities that require audiovisual equipment to the Indian Rooms. The higher level of acoustic separation in those rooms will permit more effective space utilization.

Another AV upgrade involves the Auditorium equipment. Having met with users to better understand their needs, we are preparing a bid spec. We expect to upgrade the screens, replace the two existing projectors and add a third in the center. When this is complete, we should have top quality, high definition video equipment.

We have been asked to reevaluate the possible addition of two Pickleball courts. This study is underway, and we have met with leaders of both Pickleball and Bocce to fully understand their needs and issues.

Because of the large number of projects coming before us, the SCOV Board has asked us to develop a prioritized list for them to consider. This is currently under development.

This is one of the mock-ups from the sign company showing our new entryway signage for Desert Oasis. Each center would have a consistent look.

If you are a regular Tipster submitter and are also a seasonal resident, please ask your summer replacement, if any, to download and apply the Tipster Standards from the SCOV website.

Take a little time to compare the article header you submit with the header that appears in the most-recently-published copy. If you discover differences, even small ones, strive to make your next header submission follow the format you find in the published edition. As you may be aware, the SCOV Board recently voted to change the names of some SCOV buildings and rooms. If the room or area your organization uses has changed with new signage and name, please use the new name in both header and article.

This month's Tipster Editorial Committee meeting will be Monday, May 13, 9 AM, Vistoso Center/Yaqui.

Annual Mailing

It's that time of year when the Association conducts its mailing of the Annual Budget Summary, Annual Homeowner Dues Invoice and other materials. This year, the Association is conducting a consumer satisfaction survey of the community. Please complete the survey and return it to the administration office at your earliest convenience. The Strategic Projects Committee is overseeing the survey and will prepare a report once it has compiled the responses. The last survey, conducted in 2008, was helpful in setting the groundwork for the 2009 Long-Range Plan, resulting in over 20 initiatives that to date are nearly all complete. Your responses to this survey will be helpful in preparing our next long-range plan.

The mailing will include a letter from the General Manager and a document outlining options for your dues payment. There are several credit card payment options, including Visa, which is new this year. The Association uses a payment collection service to receive and post payments. When payments are received, this service sends a file to the Association which is digitally inputted into the Association software and applies the payment to your account. This is an accurate and time-saving feature, so please consider mailing your payment along with the payment coupon to the Phoenix P.O. Box.

Since SCOV is a HUD age-restricted community, we are responsible for conducting an age verification process, thus an age compliance form will be included. This form, along with the survey, can be brought or mailed to the administration office.

Last, but certainly not least, is the golf rate card. We encourage you to take advantage of the many great opportunities to get out and enjoy The Views Golf Club. If you haven't played before, come see the pro shop staff, and they'll get you started with a lesson.

Programs/Facilities Director - Pam Sarpalius

Facts or Opinions

A resident recently pointed out to me a blog that was directed at me. I have always thought that most blogs are just the opinion of the blogger, one person. After reading this blog I found my thoughts to be very true.

I do believe that monitors are needed and appreciated. Discussions have been ongoing with the monitors, and they agree that many times there is no activity in a facility. Some communities use the swipe card method to enter a facility. They have found it to be safe and cost effective.

Discussions are ongoing at this point about swipe cards and monitors. So I recommend that the best source of information is always the BOD newsletter and attendance at meetings.

Wondering If It's Time to Paint Your Home?

A general rule of thumb is that exterior surfaces should be repainted every 7 to 8 years to best maintain the integrity of the underlying substrate. It's helpful to know the most common and important clues that signal that it's time to repaint your home's exterior.

1. **Paint Failure:** Flaking or peeling paint, like failing caulk, exposes surfaces to humidity and the elements.
2. **Chalking:** Chalking is the formation of a visible chalk-like residue on exterior surfaces. This behavior is attributed to the loosening of unbound pigment on the surface of paint as it weathers. Chalking is an indication that the paint is losing its integrity. This coating failure can cause "chalk run-down" wherein the whitish residue can run down onto other surfaces which is unsightly and difficult to remove.
3. **Wood Rot:** This is perhaps one of the most visible signs of surface failure. Often wood rot will be visible in one or two places around a home's exterior. Wood rot is almost always accompanied by some damage to other, less visible, parts of the exterior.

Repainting a dwelling may be done after obtaining approval from the Community Services Coordinator. All homes must use the approved SCOV colors; at the Administration building there are samples of the paint schemes with a list of SCOV homes that have been painted.

Fence

Any new painting of the side and rear yard perimeter fencing around your lot must be done using Weathered Brown. All fencing must be painted Weathered Brown by January 1, 2016.

The new Coben, *Six Years*, as well as Cussler's *The Striker*, and Rankin's *Standing in Another Man's Grave* are now available. Elizabeth Strout's novel, *The Burgess Boys*, is being reviewed, and if you liked *The Paris Wife*, you might enjoy *Z: a novel of Zelda Fitzgerald*, by Therese Anne Fowler. Norman Maclean's 1976 classic, *A River Runs Through It*, is a beautifully-written story about Montana, fly fishing, life and sorrow.

New nonfiction includes Matthew Parker's *Monte Cassino: the Hardest-Fought Battle of World War II* and *Falling Leaves*, the true story of an unwanted Chinese daughter by Adeline Yen Mah. Caregivers may find *Passages in Caregiving: Turning Chaos into Confidence*, by Gail Sheehy helpful.

Attention Large Print readers! Last month the library received a donation of many new hardback LP novels. If you haven't looked in a while, you may be pleasantly surprised.

Friends of the Library

The Friends of the Library board thanks those residents who so generously opened their wonderful houses for our fund-raising tour. We recognize the work and stress that goes into letting hundreds of residents flow through your homes. The tour gave participants an opportunity to gain insight and information about remodeling as well as to enjoy the different decors. The funds raised will be used to purchase books and videos for all our residents to enjoy. Also, thank you to all who bought tickets for the Books and Authors Luncheon and the Home Tour, thus making them so successful.

Recreation and Fitness - Lonnie Davis

Wearing Old Sneakers

It's been two years since you replaced your exercise shoes. The first thing that goes with old, but comfy, shoes is shock absorption which helps protect your feet and joints as you exercise, says AAPSM's (American Academy of Podiatric Sports Medicine) Dr. Stephen Pribut, chairman of the shoe evaluation committee. This can put extra pressure on bones, leading to soreness and possibly a stress fracture.

To prevent injury, stick to this shoe-replacement schedule: buy new running shoes every 350 to 500 miles; don't forget to add the mileage you put on shoes if you wear them to do things such as walking the dog; purchase new walking shoes every 6 to 9 months if you walk up to four miles a day; replace aerobic shoes every six to nine months if you do three hours of aerobics each week.

Association-Sponsored Fitness: Purchase a punch card from the receptionist in the Vistoso Center, \$13/10 classes. You may use this card for all SCOV-sponsored fitness classes. It can also be used for your guests. There is a drop-in charge if you do not have a punch card.

Superintendent - Michael Kropf

Warmer temperatures have caused the roughs to really start greening up around the golf course. When the temperatures are forecasted to remain above freezing, and the roughs really start to grow, indicating it is time to start irrigating and fertilizing, instead of watering once or twice

a week, which is a normal frequency during the winter, it is increased to every other night. The increase in water is not only necessary for a growing plant, but it helps leach the salts that accumulated during the winter months. Without proper leaching, the roots will start pulling sodium out of the soil which is toxic, so the grass goes from a nice shade of green to brown splotches.

The increase in irrigation will also start getting the sand traps wet. The sand was nice and fluffy during the winter without all the irrigation, but they will soon start getting wetter and more compact. After troubleshooting the problems with the traps becoming very wet, it was narrowed down to the water coming out of the lakes. Pond water contains high levels of organic matter and silt. Which clog the trap drainage.

This summer, the pond by the pump station will be drained to evaluate the problem and best determine a solution. Hopefully, by August, there will be a plan to drain the pond and install a retaining wall around the intake to prevent the silt and organic matter from being pumped onto the golf course.

Golf Advisory

Chair Preston Sheriff 825-3101

First Wednesday, 2 PM, Vistoso Center/Apache

With warmer weather, everyone needs to be on the lookout for snakes as there have been sightings. Mike Kropf advised that with the transition from rye grass to Bermuda this summer, the course will be undergoing major repairs again.

We will see more aeration work on the golf course to address increasing salt levels in the soil and improve root growth. Impact to play should be minimal. Schedules for 2014 are underway, including mid-March aeration of the greens and fairways.

Pin location guidance for the maintenance crews is being improved and will be ready later in the summer.

Our golf course will be as good as we are with it. Remember to play at a reasonable pace, minimize carts running on grass, repair ball marks and rake bunkers. Leave it better for someone else.

Town of Oro Valley Solicitor Permits

What does a solicitor permit look like?

- Solicitors must have a permit and visibly display it at all times.
- Charitable/Religious/Educational Groups are not required to obtain a permit but they are encouraged to do so.
- Solicitors must obey visible posted signs (eg. "No Soliciting", "No Trespassing") including Charitable/Religious/Educational Groups. This includes leaving business cards, fliers, door hangers, etc.
- Business cards, fliers, door hangers etc. are allowed, if the items are secured and do not fly away.
- Neighborhood signs indicating "No Solicitors", "No Trespassing" etc. are not sufficient. Individual residents must post their own signs.

What are the Oro Valley Town Codes?

There are two types of solicitor permits:

1. Solicitor's License for Businesses
2. Charitable/Religious/Educational License

Both will have the Oro Valley Town seal, description, name of registered person and business name, date and signature of Oro Valley Town Clerk certifying the person/business is registered with the Town.

Businesses' Solicitor's License, are approximately the size of a credit card/ID card and will have a picture of the individual. The license will be attached to a Town

provided red cord lanyard. Charitable/Religious/Educational License will have a Town-provided clip. See the following Town codes:

8-1-8 License Required; Prohibited Activities

8-1-11 Charitable, Religious and Educational Organizations; Exemptions

For complete Town Codes:

You may find this is a good venue for starting the memoir you have always wanted to write, or the next great american novel may start right here in SC. You may find being with others who love to write will give you the energy and skills to put the ink on paper. Call Paul Mercer 520-333-3490 if interested.

CELEBRATIONS & LIFE EVENTS

The Ladies of Upper Trade Winds Way

Five years ago, Pat Yuhas, along with her neighbors, Joan Ryan and Mattie Landrum invited the ladies of upper Trade Winds Way for a coffee and for them to bring donations of non-perishable food items and/or money to donate to the Catalina Community Services. This has become a yearly affair every holiday season. Hundreds of pounds of food have been donated along with over \$2000 cash. It is a great way to meet with our new and old neighbors and have a fabulous feeling of satisfaction helping others who are less fortunate. We encourage other neighborhoods to do the same. Since most of us have new neighbors now, it is a good opportunity to get acquainted with each other.

THANK YOU CORNER

This section allows residents to express thanks to the community. Articles should not exceed 50 words and should not contain thanks to specific persons.

Congratulations to Don Weed who placed first in the April 7 tournament. Second place was a four-way tie between Tony Kulpa, Raymond Buxton, Ray Hicks and Clyde Cottrell. The potluck after the games was enjoyed by all, and it was obvious that those in attendance were reluctant to leave.

The annual club championship is still underway with a showdown scheduled between George Jelten and Ray Hicks.

Ray Hicks, and his wife Marge are moving back to Michigan. Ray has been a very key member of our club and one of the finest players. Marge's contributions to our potlucks have always been appreciated. They will be missed.

Nominations for Billiards Club officers for the next year are due in May with the election to follow in June.

Thinking about playing? Dues are only \$10. Drop in between noon and four and meet some of the members.

Club does not meet June-September

The Gun Club is for people who have an interest in learning about guns, shooting, personal protection and firearm safety. In fact, you do not need to own a gun or have any experience with firearms to come to Gun Club meetings. We especially invite women who are interest-

ed in learning about firearms safety and self-protection, with or without a gun, to attend. People are frequently interested in learning the laws and regulations about carrying a gun and what is required to obtain an Arizona concealed-weapons permit. Club members are encouraged to bring any new or interesting guns/accessories to the meeting for people to see, or any guns they want to sell/trade. At some meetings, we have guest speakers from law enforcement or other gun-related organizations. You are invited to come to a meeting to see if our club activities would interest you.

Geology field trip to the Chiricahua Mountains with instructor "Woody" Elwood Brooks. Photos by Jane Lutz and Ann Owen.

After a successful conclusion to the tenth year of enjoying stimulating classes and presentations, ILR members are in the midst of the summer hiatus. The Curriculum Committee has arranged an excellent lineup for Fall 2013, beginning October 14. Course descriptions are available at Catalina Vista in the ILR Library, the Sun City Library lounge (next to the magazine rack), or on the website noted above.

Early registration is complete, but a second registration period for Fall classes will be held August 19-24. Please register only for classes you can reasonably expect to attend; occasionally an overly zealous participant blocks another participant from a space which may then be left vacant.

Remember, the success of the ILR is possible because of the dedication of volunteers who teach, manage the finances, schedule the use of rooms, provide refreshments, oversee audio-visual equipment, seek out and contact presenters and, in general, handle all the gritty, unglamorous details necessary to maintain a program its size.

Third Wednesdays, 3-4:30 PM, Catalina Vista/Pima

Our club is trying something new this summer (May-October). Each month we'll show a DVD on a natural health topic and, when possible, have a short discussion. Come join us for our first movie on May 15, *Healthy Aging*, by Dr. Andrew Weil, 85 minutes (2006). No RSVP needed; no dues nor money required.

Dispensing practical advice, Dr. Andrew Weil, one of America's most admired physicians, guides viewers through tips for healthy aging while providing easy-to-understand examples. In this informative PBS special, maturity never seemed so bright, as Weil shares diet, exercise and sleep secrets that contribute to overall mental, emotional and physical well-being. His trusted methods and honest advice offer a favorable outlook on growing older. His information is still very relative today, and even if you have seen this show before, we are sure you will be able to pick up some new ideas.

Any questions, email summer movie coordinator Deena Harris at godeena@aol.com.

Seniors for Kids

Jean Sax 818-2410

September-May, first Thursday, 8 AM, Desert Oasis

There will be no May meeting and regular monthly meetings will resume on September 5.

There were 58 volunteers who worked at the Courtyard Sale, which is a SFK (Seniors for Kids) major fundraiser. Among those 58 people, 11 were new volunteers who are now, by virtue of their work at the Courtyard Sale, members of SFK. That is how easy it is to become a member. We don't have a lot of bureaucracy, but of course we need some leadership and organization to get the work done. We need two kinds of members: those who are willing to step forward to organize an event or a project, and those who can sew a baby quilt, knit a baby cap, sell doughnuts at the Courtyard Sale or handcraft a child's toy.

When you start working on your fall calendar, please consider joining us in making the world a better place for children.

Senior Olympics Swim Team

Gordon Gillin 825-8261 swimgordon2@gmail.com

Great news from our last swim meet in the Green Valley championships. Our very small team of five won the small team championship on March 16. Because of circumstances, only the five shown in the photo could participate.

The results are: Joe Bolze, three golds, one silver; Gordon Gillin, two golds, two silvers; Corinna Goodman, four golds; Dave Goodman, one gold, three silvers and Manny Zimmerman, four golds.

Great swims and times, congratulations!

Our season has been completed. All swimmers should keep training, if possible. Watch the Tipster for further announcements regarding next season. The remodeling of the entire sports fitness center may compromise our plans.

Our team would appreciate new swimmers. Men and women 50 years old and above should contact Gordon Gillin for information and to sign up for our team.

Poets Corner

Elise Asch 818-1345

Mondays, 9:30-11:30 AM, Vistoso Center/Yaqui

The language of poetry employs morsels of words that delight our sense of taste as well as sound. Taken as a meal, they convey the poet's message. These few lines from a poem aptly titled *Aria* by David Barber exhibit his skill at using sound to embellish the meaning, adding a sense of playfulness to a serious subject: "What if you gave yourself leave to ravish/All these ravages with famished relish?/What if this were your way to flourish?/What if the self you love to punish--/Knave-ish, peevish, wolfish, sheepish--/Were all slicked up in something lavish?/Why so squeamish? Why make a fetish/Out of everything you must relinquish?/Why not embellish what you can't abolish?"

Words are the building blocks of poets but they are only the basic materials. The poet is not just builder, but architect and interior designer, fashioning a signature work with each effort. Resident poets are welcome to join us in this exciting process.

EXTENDED COMMUNITY

The Catalina-Oro Valley Lions Club

If you are a former active member of Lions, Rotary, Kiwanis or one of the many other fine service organizations and have backed away from involvement since retirement, be aware that community and individual needs have not retired. In fact, resources required to address community and individual needs have diminished greatly in the past few years while demands continue to increase.

The men and women of the Catalina-Oro Valley Lions Club strive to serve our local communities, ranging from assisting the visually and hearing impaired, working with local schools, Special Olympics and the

victims of natural disasters, to name just a few. If you would like to regain that feeling of satisfaction from knowing that you have helped those in need, contact Club President, Mimi Wittenborn 520-825-9340 or Lou and Nancy Phillippi 520-638-6957.

Welcome Club Northwest

Welcome Club Northwest will hold its monthly luncheon for women new to Northwest Tucson within the last five years on Thursday, May 2, 11 AM, Omni Tucson National Resort, cost \$25 pp. Program will be the installation of new officers.

Leslie's Theatre Review:

Performance of: "Arizona Smith and the Skull of Doom"

I have been in Tucson now for a little over one year and had never attended a performance at the "Gaslight Theatre". Many people have told me I would enjoy the experience, using the term "good old fashioned fun" to describe the performances. Well, I had the opportunity this past month to see the live stage performance of "Arizona Smith". The audience participates by booing at the bad guys, cheering for the good guys, assisting with the dialogue and all in all, having a good time. The theatre is set up with small tables and service from the attached diner. The experience was delightful and I would recommend it for a special evening and it is a great venue for the grandchildren.
