A Good Time to Take Stock

by Terry McFadden

In the blink of an eye it seems another year is nearly gone. With the issues involving Covid, social distancing and masking, time has flown and we are all one year older. December is always a good time to take stock of where we are in life and all that we have to be thankful for. With all of the problems and unrest going on in so much of the world and also on a national scale, we are so lucky to be living here in our nice peaceful community where we have no problems of any substance. There is virtually no crime in our community, we have no vandalism to worry about, and we don't even have any serious traffic problems to work around. Our Southern Arizona climate has to be just about the best that can be expected this time of the year and hey, we even have the lowest HOA dues of any community with our amenities in this part of Arizona. What more could we ask for? Perhaps we should use this time to give thanks for all of our blessings and especially for our good luck to find such a great place as SCOV to live.

Many of us will be going away during the holiday season and that gives reason to pause and to be careful to keep ourselves safe during our travels. Holiday traffic is notoriously problematic and needs extra caution to ensure that we arrive back safe and sound. So drive carefully, celebrate responsibly and come home safe. As we celebrate the holiday season, whether it be a religious holiday or a secular one, the Board of Directors wishes you and yours a very merry Christmas, a happy Hanukkah, a joyous Kwanza and a happy and prosperous New Year.

Continue Safe Practices

Throughout the holiday season we are blessed with visitors from all around the world. Many of those guests include resident's children and grandchildren. It is always nice to welcome our guests who really enjoy our temperate weather, our facilities and visiting with friends and family.

May I take just a moment to encourage all to keep safe during this continued pandemic? We recognize as people come from around the world, or from next door, we are not familiar with their preferences, customs or thoughts as it relates to the pandemic and safety. I recommend following the CDC guidelines of wearing a mask when indoors, where you can't maintain a six-foot social distance as you attend functions and, of course, when supporting The Views Restaurant as you enter and exit.

Like many of you, I would like to think we are all safe in Sun City Oro Valley. However, we now see times when even those who have been vaccinated are sometimes getting this terrible virus. I plead with you to take every precaution you can to keep yourselves, your family, your friends and neighbors and even our staff safe. Our sacrifices for safety's sake today will yield a bright and healthy future.

I thank you for all you do to make this community so wonderful. It is a delight to work for you. Your staff and I express our gratitude.

How to Enjoy the Holidays When It's 80 Degrees

by Marsha Dean

The Holiday Lights Committee has created exhibits throughout SCOV. Photo is from last year.

As much as we all love Tucson's mild weather, it can be challenging to get in the holiday spirit when it's 80 degrees out and snow is but a midwest memory. Take heart, as there are many ways to enjoy the weather and still find joy in the season.

Start by peeking inside some SCOV homes that are decorated for the holidays. Take in the Holiday Lights Committee's home tour on Saturday, December 4. Tickets may still be available by contacting nashuachristmas@comcast.net.

See page 9 for infor-

mation. In the evening hours, be sure and enjoy the light displays that the committee has installed at SCOV facilities.

Enjoy *White Christmas*, December 3-19, Park Place Mall, 5870 E. Broadway, a live musical performance based on the classic film. www.arts-express.org

Near to home is the Oro Valley Festival of the Arts & Holiday Tree Lighting on December 4 and 5 at the Oro Valley Marketplace. Tree lighting is at 6 PM on December 5. The event features live performances, arts, crafts and food vendors. Participating artists and more information at www.saaca.org/holidayfestival.html.

Tucson Regional Ballet presents the traditional holiday ballet with a Sonoran Desert twist. *A Southwest Nutcracker* is presented December 4 and 5 at Tucson Music Hall, a Tucson tradition since 1984. Tickets and information, www.tucsonregionalballet.org.

If you have visiting family, take in ZooLights: Holiday Magic at Tucson's Reid Park Zoo, December 5-23 and 26-30, 6-8 PM. You'll enjoy lighted animal displays, live musical entertainment and sweet

treats. Admission discount with food or toy donations. www.reidparkzoo.org

The Town of Oro Valley is hosting SnOV: An Oro Valley Holiday Event on Friday, December 10, 5-8 PM, at the Community & Recreation Center, 10555 N. La Canada Dr. Event features games, crafts, photo booth, food and drinks, snow and a visit from Santa. www.orovalleyaz.gov/Government/Departments/Parks-and-Recreation/Events

Tohono Chul Park is a favorite of many SCOV residents. They promise a million lights at their annual Holiday Lights, December 10, 11, 17 and 18, 5:30-8:30 PM. Musical performances, sing-along and star gazing are offered along with hot chocolate and tasty treats. Visit the Museum Shops for unique gifts. www.tohonochul.org/holiday-nights/

Winterhaven Festival of Lights, December 11-26, 6-10 PM, is a long-time Tucson tradition in a mid-Tucson neighborhood. Many of the homes feature elaborate outdoor holiday displays. Only December 26 is open to cars, so plan to walk or reserve a hayride or trolley. Event is free, but donations for the Community Food Bank are welcome. Plan to pay to park outside Winterhaven. www.winterhavenfestival.org

Your best chance for a white Christmas is probably an hour's drive to Mt. Lemmon in the Catalina Mountains. Call ahead to learn if they have received snow and be aware that

snow tires, chains or four-wheel drive may be required if the snowfall is recent. Mt. Lemmon Ski Valley offers chairlifts and skiing. www.fs.usda.gov/attmain/coronado/specialplaces

If you find yourself needing a winter experience for a few hours, try Tucson's Downtown ice rink. An outdoor ice rink is open through January 9 at 260 S. Church Ave. Ticket purchase includes skate

rental. www.tucsonaz.gov/tucsonholidayice

Enjoy the unique Southern Arizona holiday experience, where the only thing you have to shovel is sunshine!

The Downtown ice rink is open until January 9

TWISCOV (This Week in SCOV)

The exact pronunciation of this acronym is debatable, "twizkav, This Week in SCOV, etc.," but it is clear that TWISCOV is a valuable source of communication. This is evidenced by the avid following and announcement submissions. If you're not on this list, it's easy to sign up. Go to our website www.suncityorovalley.com. Select NEWS & INFO > This Week in SCOV and then click to subscribe to the email. Fill out the form and select the lists from which you would like to receive information. The Big List is the list that receives the weekly TWISCOV emails. There are other lists of interest to select as well. Once the form is submitted, you are signed up and ready to receive the weekly newsletter, TWISCOV. We'll leave it up to you to decide how to pronounce it.

Happy Holidays

The holidays bring more family and friends visiting the community. We are happy that the usual guest rules are back in place. Looking for things to do with guests? There are two sets of "corn hole" at Desert Oasis—you can set them up on the half basketball court. In addition to mini-golf, consider introducing your visitors to pickleball or POP tennis. Most visitors enjoy our pools and work on their tans to go home and show off our mild winters.

I truly want to wish everyone a wonderful holiday season with hope that 2022 will be a safe and healthy year for all.

Remodeling Your Property?

The process of renovation, whether inside or outside, often brings temporary distress to neighbors who experience such things as the daily traffic of delivery trucks, parking on the sidewalks by contractors, improperly stored building materials and discarded debris that blows into adjacent yards. The nuisance factor is amplified by lengthy timelines that stretch into months. What is expected of residents and their contractors?

- 1) Residents shall be responsible for the actions of their contractors.
- 2) A clean work site is important. See Development Standards Section 2.1.e
- 3) Contractors are encouraged to be respectful of the neighbors. Monitor parking of trucks, etc., to have the least effect on neighboring properties.
- 4) Noise: Refer to Town of Oro Valley Town Code 10-1-4, 6 for construction start/stop times.
- 5) Master Declaration 4.5 Nuisances; Construction Activities, Hazardous Activities, Lighting, provides the authority for enforcement of these policies.

Before you hire a contractor, please refer to www.azroc.gov for information on hiring Arizona licensed and non-licensed contractors.

You may also refer to the Consumer Referral Vendor List on our SCOV website under Members/Member Services.

Footwear in the Gym

What to wear: Any sort of athletic shoe (excluding soccer cleats, golf shoes, etc.) will do—whatever you find comfortable. If playing racquetball, you can get special court shoes, but otherwise a good all-around running or crosstrainer shoe will suffice for most activities in the gym.

What not to wear: Sandals, flip-flops or street shoes. When using cardio equipment or in an area with lots of heavy objects being tossed about, you want your feet covered and at least somewhat protected. Please inform your guests about our footwear policies.

Special Note From the Aquatic and Fitness Center (AFC)

Contact Lonnie Davis, AFC Coordinator, to discuss questions or concerns with the AFC. Hours of operation for the AFC and Desert Oasis are on page 2.

Tuesday, December 14, the AFC pool and spa will be closed for cleaning and shock treatment and will reopen the following morning at the regular time.

Wednesday, December 15, the Desert Oasis pool will be closed for cleaning and shock treatment and reopen the following morning at the regular time.

Important reminder: Republic Services picks up between 6 AM and 6 PM on your designated trash day. You must

have your trash and recycle bins out at 6 AM or you risk a missed pickup.

SCOV has a dedicated customer service representative with Republic Services. Many of you are aware of the labor challenges the country is currently experiencing, and Republic Services highly encourages residents to email any service issues, rather than telephone, in order to receive the best service. Our representative can be reached at scov@republicservices.com. This email is listed on the Republic magnet you received in your annual dues mailing.

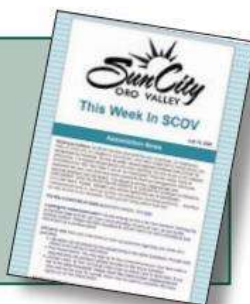

Visit our web page where you can find the following information:

- 1) Recycling: View a video and web page on what Republic takes in their recycling bins. Glass is accepted for recycling.
- 2) Holiday schedule: Check if you need to shift setting your bins out due to a holiday.
- 3) Report a problem: Missed pickup? Bin damaged? Click the REPORT A PROBLEM tab, fill out our form and Republic will receive a copy.

Architectural Review

Kris Ahlstrand 510-693-5502 ARC@suncityorovalley.com

Zoom meetings Second and Fourth Tue., 2 PM

A lot has happened over the past year. The Architectural Review Committee (ARC) has been busy reviewing home improvement submittals weekly, and based on homeowner submittal feedback, we have been updating SCOV's Development Standards to make them current with the times and easier to understand.

Possible changes, pending Board of Directors approval, pertain to adding colors to roll-down shade screens that complement your home and adding a couple of window colors that are now available from window manufacturers to accommodate your design needs. Approved privacy screening is planned to be expanded, with continued respect to your neighbors' view loss. Resin storage bins in your back patio areas may be allowed for storing patio pillows and cushions. These containers must still be hidden from street view and your neighbor. No extra-large bins to store overflow goods from your home or garage are allowed. An Approved Tree List has been added, which gives a great variety of trees that will not grow over 25 feet. And we are exploring one of the most-asked questions, "Can I paint my front door a color not included with our current paint schemes?"

These are just some of the changes we worked on in 2021 that the Board will review in the next month or two.

The ARC is listening and wants to make changes pertinent to our changing times while maintaining architectural consistency as a priority.

Artisan Center Renovation Task Force

Chair Tim Kelley tkelleyscov@gmail.com

See SCOV calendar for meeting dates, time and location

The Artisan Center Renovation Task Force (ACRTF) may meet the first and third Tuesdays of the month, as needed. The SCOV website will have current meeting notices. The current practice is for vaccinated members to attend in person. Non-vaccinated members and all others may attend via Zoom.

The SCOV website, (go to Members > Committees > ACRTF) provides the charter for the task force. The website also provides "A Discussion of the Existing and Future Facility Requirements for the Artisan Clubs of SCOV." An informal working group comprised of representatives from each of the artisan clubs met over the winter of 2021 to research and write this discussion paper.

The ACRTF is now building on the previous work and will identify and work with an architect to develop a comprehensive recommendation for the renovation of this 34-year-old Artisan Center facility.

The paper phone book is still with the printer, and the publisher does not know when they will be shipped. Watch "This Week in SCOV" for updates.

Even though the paper phone book is updated just once per year, you can update your listing in our online directory at any time. The online version is updated monthly, thus always has the most current information.

Do you need someone's email address or unit number? Those are included only in the online directory, not in the book.

To update your listing in the directory, the preferred method is to complete the online form "Change your directory listing." Otherwise, you can fill out an orange card at the Welcome Center.

Vendors should email Susanna Moran to inquire about applying to be on the Vendor List.

Election

Election 2022

The Election Committee is preparing for another election cycle. Ballots will be sent mid-February. There are three director positions to be filled. At the time of submission of this article, there were no initiatives on the ballot, but there is still time for those to be added. The vote will be electronic unless you have opted out of all electronic communications from the Association. If you vote by hard copy, the ballot must be mailed to Florida. The Association is no longer accepting ballots in the Administration office.

"Meet the Candidate" video interviews will provide the opportunity to view and listen to the candidates. There will be a web page with information listed under Member Services > Vote March 2022.

February plans are to have at least two forums where questions will be asked of the candidates so you can get a feel for their understanding of and passion for SCOV. Recordings of these forums will also be available on our website. If you would like to submit candidate questions for consideration by the Election Committee, please bring them to the Administration office.

More details on the candidates and initiatives will be provided as we get closer to the election.

Gift Shop

Co-Chairs Melanie Stinson 971-506-8655, Maxine Yunker 970-691-7990
Gift Shop 520-917-8051
Shop hours: Mon.-Fri., 10 AM-4 PM, Sat., 10 AM-1 PM
www.suncityorovalley.com/gift-shop

Welcome to the holidays. Our tree is full of ornaments in addition to a second display at the entrance to the shop. Artists of the month are Jo Wickberg and Joan Kelley.

Jo Wickberg, left, and Joan Kelley

Jo loves art. After taking classes in various media, she decided to get back into making cards for sale. Jo says, "I'm now concentrating on pop-up cards. They're fun to make. On opening the card, flowers may pop up, or maybe a big birthday cake or a large 'Thanks.'" Another choice is making smaller cards with coordinating subject matter and putting three together to make one packet for sale.

Photographer and potter, Joan Kelley, makes decorative and functional clay items as well as photographic greeting and note cards. Although photography has been second nature nearly her whole life, a love of pottery has taken over for the past 20 years, balancing mud play with clean digital imaging.

Holiday Lights

Chair Linda Bretz 603-459-4219 nashuachristmas@comcast.net
www.SCOVLites.com

The Holiday Lights Committee has been busy all year gearing up for this season's expanded light exhibit. Thanks to the Sun City Vistoso Community Foundation, the Association and private donors for helping make this year's display an even more robust show.

However, the project is not inexpensive. We rely on donations and volunteer hours to coordinate and make the decorations. This year there is a new fundraising effort to tour seven SCOV homes decorated beautifully for the holiday season.

Homes will be open Saturday, December 4, with two touring opportunities: 9 AM-Noon or 1-4 PM. Tickets are \$25 pp. Masks are required for the tour. For ticket availability, call Linda Bretz 603-459-4219 and check our new website for further details at www.SCOVLites.com. Come be inspired and enjoy getting into the holiday spirit.

Loan Room - Community Assistance

Chair Gay Russell
Third Thu., 3 PM, WC1 (currently not meeting)
Loan Room hours: Tue., Thu., 8-9 AM
www.suncityorovalley.com/members/services/loan-room/

The Loan Room, located at the end of the Cart Barn, is open Tuesdays and Thursdays, 8-9 AM. The Loan Room is a free service to all SCOV residents. Walk-ins are always welcome to borrow equipment or make reservations for a future date on the website. We have many medical items, usually for a two-month loan, including wheelchairs, walkers, shower seats, commodes, toilet risers and miscellaneous items. We also have tables, chairs, rollaway beds, mattresses, etc., for two-week loans. Our children's items include car seats, strollers, Pack 'n Plays, cots and some toys. Please come and look around or visit our website to view what we have available. Please make reservations for any non-emergency item needed around holidays as these can be limited in number.

Thank you to all who answered our call for volunteers. You are greatly appreciated.

Special Note from the Community Assistance Committee (CAC)

Some good things never change. The CAC Loan Room has been assisting residents with their medical equipment needs and equipment for visits from grandchildren, family and friends for over 30 years. Other changes may cause some disruption and yet those changes end up enhancing our lives. The renovation of the Activity Center comes to mind. While the Loan Room will continue to serve residents, this renovation will result in the cancellation of the 2022 Annual CAC Pancake Breakfast and also, temporarily, the closing of the aluminum can collection program. There is just no other facility in the area that can handle the needs of the pancake breakfast and the can collections.

The Loan Room financially depends on the annual pancake breakfast proceeds, the revenue from the can collection program and individual donations. Cancelling these events, even temporarily, is not desirable; however, it is necessary. We look forward to resuming both activities. We will, however, continue to make the Loan Room and its equipment available. Anyone wishing to make a cash or check donation is welcome to drop it off at the Loan Room during normal hours on Tuesday or Thursday between 8 and 9 AM.

Neighborhood Pride

Chair Tempe Johnson 520-825-6994
Third Tue., 2 PM, WC3

'Tis the Season

As the end of 2021 approaches, the Neighborhood Pride Committee wishes you a most happy holiday season. Seventeen years have passed since our committee was formed, and our community looks absolutely beautiful, so take time to look around. As a community, we should feel proud of the way we look, not only to neighbors and ourselves, but also to those who visit with the thought of purchasing and moving here. We sincerely thank you for your cooperation in helping to make SCOV such a wonderful place to live.

Enjoy the holidays, your families, your friends and neighbors, and especially our beautiful community. 'Tis the season, and the Neighborhood Pride Committee hopes you have a joyous one and a happy New Year.

First Tue., 3 PM, Desert Oasis (no meetings until further notice)
www.scovaz.com/committees/posse/ (must be logged in first)

December is the month we spread good cheer. We celebrate Hanukkah and Christmas with our families. I know many of us are looking forward to being with family this year, especially after missing our time together last year. The joy of the holidays can be infectious, but don't forget to share it with your friends and neighbors as well. So many volunteers serve our community. Think of them this holiday season and spread good cheer by giving an extra smile, a hug when possible, or just do something extra special for them. I'm thinking of the many Posse volunteers who have served, continue to serve, and will join us in the future. Thank you to all. Happy Hanukkah and Merry Christmas. Stay safe and be well.

We are thinking of you during this coming holiday season and would like to tell you how much we appreciate your support. Before the year is over, we do not want you to miss the sales in the Pro Shop. Our special Christmas sale will be Friday, December 3. You can pick up that perfect gift or a gift card for holiday giving.

Also, our Annual Christmas Toy Drive is from Friday, December 3 through Friday, December 10. We are collecting toys for local kids and families in need. If you bring a guest during this week with a toy(s) valued over \$30, your guest plays for free. Any toy(s) and food donations are welcome, whether you are playing golf or not. We appreciate your kind and generous contributions and support over the years.

As a reminder, the Pro Shop closes at 2 PM on Friday, December 24, and will be closed Saturday, December 25, for Christmas to allow our team to spend time with their families. However, if you have a private cart and would like to play golf on Christmas Day, you are more than welcome. There will be no scheduled starting times. Also, the driving range is available to hit practice balls if you have a prepaid range card. On New Year's Eve, the Pro Shop will also close at 2 PM.

I wish you a wonderful holiday season and a happy New Year.

Superintendent - Michael Kropf

scvgolf@suncityorovalley.com 520-917-8063

December is typically the time of year the temperature falls low enough to get frost on the grass. When the atmospheric temperatures get that low, the soil temperatures begin to drop, which is the trigger for Bermuda grass to go into dormancy and turn brown. Mid-December is historically the time when the golf course roughs and perimeters finally lose their green color. People often confuse the brown grass as being dead, but it is actually in a dormant state. That means the turf is basically sleeping and still requires adequate moisture throughout the winter months.

This year, with the fairways not overseeded, they will go dormant with the roughs. To prevent the entire golf course from being brown, the fairways and greens are already being painted green with a turf specific pigment. This pigment needs to be applied while the turf is still green, so the color can be built up over time and look more natural as the other areas of the golf course turn brown. This pigment also includes soil additives and fertilizers to supply the turf with necessary nutrients while being dormant.

This year, frost will not be as big of a problem. The driving range tee and tees that were overseeded are the only areas that will be impacted by frost. Golf carts and foot traffic will not harm dormant turf like they do overseeded turf. The tees are usually the first areas where frost melts, so the delays should be shorter this winter.

Golf Advisory

Bermuda grass is now dormant. Painting is underway on both fairways and greens. Please use the email above to inform the advisory committee of your thoughts about course conditions. Remember, golfers need to follow the signage in place to control cart traffic and minimize wear and tear. Mike and his crew are working to cut

Please keep all four tires on the cart path when by the tees and greens

back vegetation that has been blocking views of the fairway from the tees. Hopefully, this is cutting down on errant golf shots and improving experiences. There's also been more time dedicated to the bunkers. While sand is in short supply (they're not making as much now) the crew is grooming them more often and working to make the sand more playable. Since the temperatures have dropped, the greens are being treated with the surfactants and hand watering. This will decrease the wet areas on the green surrounds.

Now is a good time to appreciate the beauty of our golf course. Please remember to drive golf carts in designated areas. Divots in the fairways should be filled with sand and divots in the tee boxes should be filled with seed mixture. A good habit is to repair your divot and another close by if needed. The Views Golf Course etiquette stipulates that players use only designated restrooms located on the course.

The Catalina Cup is a match play competition involving several nearby women's golf clubs. Established in 1991, five clubs played in the first competition: Ventana, La Paloma, El Conquistador, SaddleBrooke and Vistoso (now known as The Views). Current club members, Barbara Hall, Margie Wischer and Rita Quinn are charter members of the Catalina Cup.

The Cup has now grown to ten local clubs. Six team members are divided into three flights and travel to each of the ten participating clubs to play one another. The Catalina season is November to May.

Each club designates team captains, who create the player roster each month. Our current Catalina Cup captains are Darlene Lamb and Patti Thompson. If you are a club member with a handicap of 26 or below, and are interested in participating in the Catalina Cup, please contact our captains: Darlene dslamb48@gmail.com or Patti pattithompson914@gmail.

Holiday open houses are back by popular acclaim. The Modelers Club will once again host open houses Friday, December 24, and Friday, December 31, 10 AM - 2 PM, Artisan Center/Modelers Room. As always, one of the featured attractions will be the club's model railroad seen below. Front and center is the town of Nagelville, named for master modeler Bill Nagel who designed it and, along with numerous other club members, built many of the interesting structures and vignettes that bring it to life. See how many you can spot when you come, as well as new areas under development. Also on display will be models of aircraft and vehicles of many different eras that highlight our members' skills and are sure to trigger visitor memories.

Thank you all who donated stuffed animals and soft toys to the "Kuddles for Kids" collection that was sponsored by Seniors for Kids last month. We know that the donations will comfort and support children who are in difficult situations. Just being able to hug is a comfort when feeling alone.

Seniors for Kids would like to invite all of SCOV to come to WC3 Thursday, December 2, 9 AM, to view the toys, quilts, pillowcases, hats, scarves and so many things that have been created and collected to distribute to the children we serve. At 10 AM, all the items will be boxed, and the sleighs will start on their journeys to Banner Children's Hospital, AVIVA, Tri-Community Food Bank, Three Points Clinic and Family First.

If helping children in need would get your creative juices flowing, stop by the Artisan Rooms and see where your skills might help Seniors for Kids provide cheer to children.

Casa Amigas

Sigrid Flatness 425-213-6689

Mon. and Thu., 9 AM-Noon, Artisan Center/Sewing

Can you imagine not being able to provide your children with pajamas or unable to afford crib sheets for your baby's crib? How about sending your child out on cold mornings without something to cover their heads? We work hard in Casa Amigas to help provide these needed items to several community organizations in the Tucson area. We can always use more help with sewing and serging but also with donations of fabric and yarn. We sew pajama bottoms, make crib sheets out of donated used sheets, and knit/crochet hats and headbands. In addition, our quilters donate beautiful quilts for all ages. If you want to know more about what we do and if you can help, come by the Sewing Room in the Artisan Center on Monday and Thursday mornings.

Cheer Bears

Pat Norton 480-993-8762 panpan9803@yahoo.com
Wed., 1-3 PM, Artisan Center/Sewing

We are still embroidering faces, sewing bodies, stuffing them with love and filling the shelves for the next set to march out to new families. Nothing has really stopped us this year. Life is good and spirits are up. We are looking forward to joy with excitement.

We are sending our bears to their new homes this month with toy distributions in full swing. Many children need extra comfort in these trying times, so we will continue adding new bears to be sent out in the year to come. Please come and join our cheery group. Merry Christmas and Happy New Year to you all.

If, in your sorting and cleaning out, you find you have some polyester fiberfill, we are in need of it to plump up the tummies of the bears. Donations are always accepted.

Welcome back to those who have been gone during the summer months. I have a feel-good project for you. Why not join us Tuesday afternoons for cutting up fabric to make those cute beds for animals at the Humane Society? The time goes by faster when there are more of you working together. Some fabrics are wild, but I say the dogs won't know the difference. If you have some larger pieces of fabric to make the actual pillow cases, please contact me.

Our final meeting of the year will be Tuesday, December 14, 1 PM, Desert Oasis. There will be a quilters' white elephant exchange (something we had to buy but still haven't used), followed by cookie and tea refreshments.

Our greatest achievement this past month has been the purchase of a new quilt machine, Simply Sixteen Coronet model, for the Sewing Room. Training will be held to familiarize everyone with the machine, and sign-ups for this will be posted.

The Tapestry Hooking and Fiber Arts group meets Tuesday mornings in the Sewing Room. If you are interested in being part of our group, stop into the Sewing Room on Tuesday mornings or contact Coni Arseneau or Carrie Wiley.

Carrie recently finished the project in the photo. As you can see, she used a picture as an inspiration for her hooking project, that she is giving as a gift.

Our group started as Tapestry/Rug Hooking; we can provide education/training and materials for those interested in learning to hook. At the beginning of the year, our group expanded to include all fiber arts. We welcome anyone with other fiber art interests and expertise. Recently, Fiber Arts Tucson held their annual show featuring numerous illustrations and demonstrations on the various forms of art using fiber. One piece of art that piqued my interest was crocheted using fiber and paper as the yarn.

Mon., 10 AM-Noon, WC1, Zoom meetings first Mon. of the month

Although Alfred Lord Tennyson published this seasonal poem in 1850, much of it is relevant still today. His poetry inspires even as it chides with lessons we can surely take to heart.

Selected excerpts from "Ring Out, Wild Bells":

"Ring out the old, ring in the new, / Ring, happy bells, across the snow: / The year is going, let him go; / Ring out the false, ring in the true..."

Ring out the grief that saps the mind / For those that here we see no more; / Ring out the feud of rich and poor, / Ring in redress to all mankind.

Ring out a slowly dying cause, / And ancient forms of party strife; / Ring in the nobler modes of life, / With sweeter manners, purer laws...

Ring out false pride in place and blood, / The civic slander and the spite; / Ring in the love of truth and right, / Ring in the common love of good..."

Our monthly (December-March) themed dinners in individual members' homes provide relaxing fun as we explore various cuisines (e.g., French) or get creative with more ambiguous themes (e.g., food in songs). Since everyone brings part of the meal, it's not a huge effort for the hosts. We also have several catered/restaurant events each year. Our "Giving Thanks" kickoff dinner on November 5 featured scrumptious food catered by The Views Restaurant (see photo). Please visit our website to see photos and details. Happy holidays. Holidays can be a joyful and stressful time for not only us, but for your pets. If you travel to visit friends and family, be sure to make proper accommodations for your pet, whether it be having a pet sitter while you are gone or making proper arrangements when traveling with your dog. If you are hosting family and friends, the additional company and change of routines could create anxiety for pets. Try to stay as close to your regular schedule as possible. Provide your pet with extra playtime or walks to help burn off some energy before guests arrive.

December will be fun-packed for the Garden Club. Wear your holiday attire and be prepared to be entertained by the SCOV Kactus Krooners. Our

meeting this month is the first Saturday, so mark your calendars for Saturday, December 4, 2-4 PM, Catalina Vista. Bring a wrapped gift to exchange, garden related items such as cuttings, tools, handmade objects, not to exceed \$10. Be creative.

The Pima County Extension Office has the following recommendations for all you who have poinsettias. Keep poinsettias healthy by locating them away from drafts and direct sunlight. They prefer bright, indirect light during the day and a cool location at night. Keep the soil evenly moist, as over- or under-watering will cause the leaves to yellow and drop off. Fertilize monthly with a water-soluble houseplant fertilizer. After all danger of frost is over, poinsettias can be planted outside in a shady location.

Aloha, dancers. Since the Dance Studio will be used by the SCOV Variety Theatre Club for their *Big Guns* show rehearsals beginning December 7 through March, our regular class will not be meeting.

When I first arrived here in SCOV, before I had a class to teach or a dance partner to dance with, I joined the Sunliners Dance Club, and it was great fun. I hope you look into it. The teachers are professional, and the music is super. You will be taught all the basic dance steps like the grapevine,

shuffle, etc., and it's wonderful exercise. So, at this time, I think you'd benefit by checking it out.

Have great holidays, and I'm happy to meet up anytime for feedback or further info, brunch or lunch at The Views. Also, for a bit more info and involvement, consider joining the SCOV Variety Theatre Club. Remember, "There's no business like show business!"

Dancing to the music of Southern Reins band

The Level 1/Beginner class will be from 4:30-5:30 PM on Mondays, the Level 2 class will be from 5:30-6:30 PM on Mondays. Cost of a class is \$25/cpl.

 Tue., Thu., Sat., 9 AM, AFC/Pool

Aqua Tone is a toning water workout that incorporates a variety of rhythmic body movements performed in the water. This aquatic exercise class enhances cardiovascular fitness and muscular endurance.

We meet Tuesday, Thursday and Saturday, 9 AM in the winter, 8 AM in the summer, at the AFC pool. There is no fee to join the club or the class. The teachers are club member volunteers. Being able to do a basic swim stroke is very helpful. Items used in the class are buoys, boards, noodles, balls and a fitness band (you'll need to bring your own). A band can be purchased from Marcia for \$5. We assign an experienced member to a newcomer to help with learning the various movements. You will get a good workout in a fun class.

Come join us for a workout at your own pace

Cooler temperatures are hard on many older people, or for those with muscular and nerve problems. But, as long as the air temperature is 77 degrees or higher, and it is not too windy, we are still meeting. Come to the pool and join us in our regular one-hour gentle workout designed to use every muscle and to improve balance and stamina. Since exercise is crucial, and it is important to keep moving, most of our exercises can be modified to fit individuals' physical limitations. You may wear your hat, sunglasses, and shirt for protection from the sun or breeze.

We currently have 60 resident members (male and female), and new ones are warmly welcomed. Annual dues are \$5, with no additional costs.

Fri., Dec. 3 and 17, 7:45-8:45 AM, Catalina Vista

Give yourself a gift of fun and fitness. We have classes that will prepare your muscles and joints to help you do all those activities you enjoy—with greater strength, balance and flexibility.

Professional instructor, Sally Martinez, has been our leader for over 25 years and is expert at working with seniors. She's both inspiring and encouraging. You'll be amazed at how good you'll feel.

During the remodeling of the Activity Center, we meet at two different locations: Monday and Wednesday at the AFC Studio and Fridays, as available, at Catalina Vista. The club calendar and SignUpGenius both provide information on the locations and times for each class.

New members are warmly welcomed—men and women—as long as there is room. We are currently limited to 34 participants in these locations.

Annual dues are \$3. Punch card for 12 classes is \$30.

Fitness Swim

Contact: Dave Goodman goodman@sfcu.ca

Tue., Thu., Sat., 6:45-8 AM, AFC pool

The Fitness Swim Club provides a vehicle for swimmers to participate in a group swim workout. We generally go 2,400

to 3,000 yards per workout, mostly freestyle. Some do more, a few do less.

Workouts are suitable for master swimmers, triathletes and those who would just like to participate in swim workouts. Please ensure you have medical clearance to participate in vigorous physical activity prior to joining. We welcome new members.

Pilates

Mary Ayers 520-638-7916 scov.pilates@gmail.com

Mon., 3 PM, Thu., 1:30 PM, AFC/Studio

Happy holidays. The SCOV Pilates Club offers group mat classes at the AFC Mondays, 3-4 PM, and Thursdays, 1:30-2:30 PM. Each class participant is striving to increase their core strength. Core muscles are the deep abdominal and back muscles that help you stabilize your pelvis and spine. The Pilates exercises are simple, and each class begins with warm-up exercises, stretching and deep breathing. The instructors oversee us at all times. They modify the most strenuous exercises for anyone with limitations. These classes result in benefits that can't be beat: better balance (fewer falls), more flexibility (joints move again), increased muscle tone (you're stronger) and more energy and well-being. The cost is \$8 cash per class, and 2022 annual club dues in January will be \$20 pp. Call Mary with any questions.

A new 10-week tai chi class for all students will begin on Thursday, January 6, 10-11:30 AM, AFC/Studio, and will continue through March 10. The classes are led by tai chi masters, Jose Hernandez Rivera and Donna Drazenovich. All first-time students need to call Alice Hutchison for further information.

Tai chi is an ancient Chinese tradition that involves slow, focused movements. Because of the benefits for balance, strength, and improved breathing, it is an exercise especially suitable for seniors.

The brain is an amazing thing and well protected in the skull. There are three parts: the paired cerebral hemisphere, the cerebellum, and the brain stem. The cerebral hemisphere is responsible for controlling higher functions such as memory and intelligence. Some people can do the *New York Times* Sunday crossword puzzle and others not so much. Researchers have discovered that puzzles and word games can keep minds sharp and aid in recovery after a brain injury or stroke, or delay the onset of dementia. The power of words is amazing. Some words are happy words, some convey ideas and some words can be informative. Words can convey happiness, sadness, melancholy or love. Scrabble is a game of words. Anyone can play; in Scrabble you do not need a large vocabulary or to be super smart. The Scrabble Club has the latest editions of the *Official Scrabble Dictionary* (and they are used a lot).

The Scrabble Club welcomes everyone who wants to socialize with new people and/or just enjoy exercising your mind to stay sharp.

Vistoso Cyclists membership is only \$15/year, hard to believe, given we are one of the best cycling clubs for seniors in the nation. Aside from the rides, our members enjoy our very useful website, including a searchable member directory, club classifieds, online ride schedule, cycling resources and more.

We offer several hundred scheduled rides year-round, among four different ride subgroups, from 20-60+ miles, to cafe destinations within Tucson and nearby towns, utilizing both pathways and roadways. Occasional away rides are offered as well. Our cafe stops offer coffee and conversation, greatly enjoyed by our members.

The club has e-bike, mountain biking, and Women on Wheels subgroups. There's also our monthly club newsletter email.

All schedules can be found within the excellent member area of our website. We also host social events, and support both the Interfaith Community Services Food Bank and Wheels for Kids. For more information or to join, visit our website.

As we enter the fall/winter season, we look forward to seeing our current and former members and welcoming new members. We are planning a series of activities and events to help us get back to our pre-Covid spirit, so stay tuned for further details. These will include billiards training clinics with a professional player, billiards trick shot demonstrations, weekly round-robin tournaments, our club championship and our annual friendly tournament with the SaddleBrooke club. Look for upcoming emails as well as announcements and sign-up sheets on the club bulletin board. See you soon.

Birders Group

Peggy Smith 520-344-0991 pdsaz@aol.com
www.scovbirding.wix.com/birdersgroup

The Cooper's hawk is probably the most common of the three hawks most often seen in SCOV. It is in a family of medium-sized hawks with long tails. Its size and long tail make it very maneuverable and adept at grabbing smaller birds and mammals. Fairly common in most of the states, it is quite often seen stalking bird feeders looking for a snack.

Steve Holmes photo

We are a 90+ member, activity-oriented group and all SCOV residents are invited to join us on our field trips to learn more about the birds here in Arizona. Below is a list of upcoming bird outings. If you are interested in going on any of these, be sure to contact the trip coordinator for details at least three days in advance and ask to be added to our mailing list.

Dear Gun Club friends: We look forward to reviving our club from Covid-imposed down time and scarcity of officers.

We have new people who have expressed interest in the club, and we have new developments from Supreme Court cases to consider.

We have an existing list of members, but it needs to be updated so we can send a notice of a January meeting. If you are new to SCOV, or newly interested in the club, please send Bill Snead an email at wgsnead@gmail.com to be added to the list.

Our annual fall picnic was held November 2 at Catalina State Park. We went on our choice of hikes, reconnected with old friends, met new friends, shared laughs, ate Baggins sandwiches and applauded as 31 people were awarded patches for miles walked with our club. The highest award went to Jack Evert with 4,500 miles or the distance equivalent of Tucson to Prudhoe Bay, Alaska.

Join us for our annual New Year's Eve celebration. On December 31, we'll be of good cheer as we go on one of several offered hikes, drink something hot to ring in 2022 and eat goodies to replace those calories lost hiking, all while solving a puzzle. See our website at www.scovhiking.org/menu for more information about this event, the variety of hikes we offer throughout the month and how to join our club.

Did you know seniors 70 and older pitch from a shorter distance with less effort and more accuracy? The shorter distance also makes the game more fun for women. YouTube has several videos of everything related to horseshoes. Check it out.

The Pickleball Club enjoyed an Oktoberfest and welcome back party at Catalina Vista on October 22. Because of the construction of the Activity Center, the event was held here. Three different kinds of bratwurst were served with sauerkraut, potato salad and soft pretzels. Desserts were German chocolate brownies and apple pie. There was even live music with an accordion player. Everyone had a good time, and it was good to see members again after 1½ years of absence. There were 109 members

and spouses who signed up to attend the event. Couples even dressed up for the occasion. We are looking forward to our yearly meeting in January and spring party in April.

Vistoso Helpful Hands

Dispatcher 520-447-0077

Barb McNeill bjmac68@gmail.com

Vistoso Helpful Hands (VHH) is an all-volunteer organization, providing year-round short-term assistance to SCOV residents.

We began 25 years ago, following a Sun City resident emergency home visit by Golder Ranch Fire Department (GRFD). Sun City Vistoso leaders and the HOA activity director started hearing of other resident's needs. Vistoso Helpful Hands was born. GRFD provided a pager to receive calls. In 2001, VHH sought advisory committee status with the Sun City Vistoso Board and were turned down, citing potential liability issues. We have successfully operated as a partnered organization with SCOV ever since. The SCVC Foundation provides a small grant to pay for our newer technology cell phone.

"SHE SAVED MY LIFE"

Oro Valley resident Dawn R. had been experiencing the painful side effects of Peripheral Neuropathy, "my feet and legs were extremely painful and my doctor told me there was nothing they could do. That I would have to take Gabapentin for the rest of my life." Then she met Oro Valley's very own Kari Hahn, L.Ac.

Peripheral Neuropathy is the pain, discomfort and numbness caused by nerve damage of the peripheral nervous system.

Dawn explained that daily tasks like opening doors and using the bathroom were overwhelmingly painful. "How can you live for the next 30 years when you don't even want to get out of bed to do simple things?"

She was experiencing the burning, numbness, tingling and sharp pains that those suffering with neuropathy often describe. "The way that I would describe it, it's equivalent to walking on glass." Dawn hadn't worn socks in five years and was wearing shoes two sizes too big so that nothing would 'touch' her feet.

Unfortunately Dawn's story is all too familiar for the over 3 million people in the U.S. suffering from Peripheral Neuropathy.

If you're unfortunate enough to be facing the same disheartening prognosis you're not sleeping at night because of the burning in your feet. You have difficulty walking, shopping or doing any activity for more than 30 minutes because of the pain. You're struggling with balance and living in fear that you might fall. Your doctor told you to 'just live with the pain' and you're taking medications that aren't working or have uncomfortable side effects.

Fortunately, four months ago Dawn read an article about Kari Hahn and the work she was

doing to treat those suffering from Peripheral Neuropathy, without invasive surgeries or medications.

Kari Hahn, founder of Oro Valley Acupuncture, is using the time tested science of Acupuncture and a technology originally developed by NASA that assists in increasing blood flow and expediting recovery and healing to treat this debilitating disease.

"Now when I go to bed at night I don't have those shooting pains. I don't have that burning sensation. I don't have pain coming up my legs," Dawn enthusiastically describes life after receiving Kari's treatments. "I can wear socks and shoes!"

Dawn and her sister now operate a successful dog walking business, sometimes covering up to 5 miles a day.

"It's life altering. As far as I'm concerned Kari saved my life!"

Kari Hahn has been helping the senior community for over 17 years using the most cutting edge and innovative integrative medicine. Specializing in chronic pain cases, specifically those that have been deemed 'hopeless' or 'untreatable', she consistently generates unparalleled results.

What was once a missing link in senior healthcare is now easily accessible to the residents of Oro Valley.

If you've missed too many tee times because of pain or you've passed on activities with the grandkids because you're afraid of falling, it's time to call Kari and the staff at Oro Valley Acupuncture.

**It's time you let your golden years
BE GOLDEN!**

Oro Valley Acupuncture is now accepting new patients but only for a limited time. In an effort to protect her patients, both current and future, she has made the difficult decision to limit the number of patients seen in her clinic. Only 20 new neuropathy patients will be accepted before the end of the year so **call (520) 532-2012** now to schedule a consultation.

Brenda and her team made the process of listing and selling my house a smooth, angst-free transaction. Brenda was extremely helpful and professional throughout. Her recommendations for vendors to assist with items that needed to be repaired were terrific. Phone calls and concerns were consistently addressed immediately, and Brenda always kept me up to date regarding what to expect as the closing date approached. I highly recommend Brenda for any real estate transaction.
