What a Difference a Day Makes —And Even More, a Year

by Jim Mitchell

I'm dating myself by thinking of Dinah Washington's "What a Difference a Day Makes," but if "24 little hours" can make such a difference, think of what 365 days of 2021 made for our community. This time last year, we had facilities shut down, masks required, restaurant take-out only and no vaccines available to us.

As we enter 2022, not only are our facilities open (with guidelines), but most of our clubs are meeting again, committees are resuming their work on enhancing our amenities, and neighbors are having block parties after a long hiatus. In other words, we're focusing on building a bright future together as the active adult SCOV community we enjoy.

The upcoming election gives each household an opportunity to participate in shaping that future. This year, three members of the Board will have served their three-year terms (Chris Ludwig, Howard Schulz and me). At our December meeting, the Nominating Committee presented the slate of six candidates running for the three available positions.

Now the Election Committee takes over the process. They will record a video interview with each candidate and post them on our website, Monday, January 31. Then on Monday, February 7, at 9 AM, and again at 6 PM, the committee will host two forums via Zoom with candidates answering questions residents submitted. The video of those forums will be posted on our website by February 15.

In the meantime, candidates will submit flyers and answer a separate set of questions for the February *Tipster*. Individual campaigning will begin when that *Tipster* is available the afternoon of January 31. Traditionally, friends of candidates have hosted coffees for those running, so friends and neighbors can ask specific questions.

Ballots go out via email or USPS on Tuesday, February 15, with a ballot deadline of Monday, March 21. Election results will be announced at the Board meeting on Tuesday, March 22.

During the process, candidates will be asked many questions. But to me, it comes down to one basic question. What difference have you made (or would as a Board member)

while living here each day to make SCOV a friendlier, more financially stable, forward-looking place for all of us to enjoy our active retirement life?

As the last line of the song says, "What a difference a day makes. And the difference is you."

General Manager - Mark Wade

Looking Back; Looking Ahead

I hope your holidays have been merry and bright.

As Sun City Oro Valley looks out the windshield of our community bus to the future with so many possibilities, we always glance in the rearview mirror at our past. We see the past couple of years have presented their fair share of trials, and we have also been able to use many opportunities to our advantage.

This past year seems to be much better than the previous year. We've been able to reopen all of our facilities, and in large part, we are back to operations very similar to pre-pandemic. In the process, despite having to purchase personal protective equipment and supplies, we were able to tighten our belt in other areas and came in under budget financially. The excess funds were largely allocated by the Board of Directors to the Capital fund for future capital projects. As we glance in the rear view mirror, overall we saw many successes.

So looking ahead to this next year, you can expect more of the same. In the distance, we will see the Activity Center renovation project moving forward and hopefully completed during this year. There are the possibilities of bumps in the road, and we may experience delays due to construction supply chain problems and labor shortages, but if all goes well, we will see this project culminating around the end of October.

As we look down the road as far as we can see, no one can see when the pandemic will be brought under control, but as we have done in the past, we will navigate the curves in the road and adapt as best we can.

Just as we look at a road map for guidance, we will look to those who have expertise in guiding us into the future. Our Board of Directors has done an excellent job in getting us through the fog that blocks our view from time to time. They give direction, and as the driver of this community bus, I drive us through. My staff all do their best to make sure all the parts of our bus work at their maximum efficiency. Together we do our best to keep us on the road and safely moving forward.

As passengers on our bus, you all have a part to play. I am truly thankful for the many words of encouragement that so many of you have given to me, my staff, the Board of Directors and to each other. Your support has been amazing and very much appreciated. I express a very heartfelt "Thank you!"

It's More Than Living... It's A Lifestyle!

Why We Love Dark Skies

by Eric Wiley

Ever wonder why there are so few street lamps in SCOV? Sure it saves money; however, the true driver is reduced light pollution. Light pollution hinders the ability of astronomers using ground-based telescopes to study the night skies. Our community participates along with Tucson in the Southern Arizona Chapter of the International Dark Sky Association, whose goal is to minimize light pollution for the benefit of astronomy. Tucson is known as the "Astronomy Capital of the World." The annual value of astronomy to the area's economy is over \$250 million dollars.

On the mountaintops in the Tucson area, there are three major observatories: Mount Lemmon (SkyCenter), Kitt Peak, and Mount Graham. All are open to the public through reservations.

The Mount Lemmon facility (SkyCenter) has nine telescopes, one of which is dedicated to identifying asteroids that might pose a threat of striking the earth. The University of Arizona's SkyCenter program, a public astronomy outreach program, uses two others. Reservations for its five-hour program can be made online.

Kitt Peak National Observatory is one of the largest gatherings of astronomical instruments in the northern hemisphere with 27 telescopes on site. It is located 55 miles southwest of Tucson and normally open to the public, though currently closed due to Covid.

Mount Graham binocular telescope

The world's largest binocular telescope, Large Binocular Telescope (LBT) Observatory, is located on Mount Graham near Safford, AZ. The binocular design of the LBT consists of two identical 8.4m mirrors mounted side-by-side functioning as an 11.8m telescope. In telescopes, the bigger the mirror area the better the telescope. Mount Graham is also home to the Vatican Advanced Technology Telescope. Yes, even the Pope is interested in astronomy.

The larger a telescope's mirror, the more light it is capable of gathering. More gathered light yields better images for the astronomers to study. These very large mirrors, over 27 feet (8.4m) in diameter, are manufactured right here in Tucson at the Richard F. Caris Mirror Lab on the UArizona campus. The Mirror Lab's 90-minute tour (currently suspended due to Covid) provides a unique opportunity to learn how innovative engineering and optical technology melds with manufacturing techniques to produce the largest and most advanced giant

telescope mirrors in the world.

With all the astronomy professionals in the Tucson area, the SCOV Astronomy Club has fantastic up-to-date learning opportunities at our disposal. These local professionals give exciting presentations on their areas of expertise at our monthly lectures. For instance, the membership has heard first hand from the recent discoverers of a black hole.

The Astronomy Club hosts star parties on a regular basis on the golf cart parking lot behind The Views Restaurant. Members do star, galaxy and planet viewing with either binoculars or five-to-seven telescopes supplied by members willing to share. For some parties, the club invites Chuck Dugan, owner of Astronomy Adventures Arizona and a professional astronomer. Chuck provides an entertaining time focusing on astronomical events of the evening.

SCOV Astronomy Club is also a service organization. Twelve years ago, the club decided every fifth grade student at the Coronado K-8 School in

Catalina should be introduced to astronomy by gifting each student with a telescope. Club members provide instruction in the telescope's use and host star parties for the students. Since its inception, over 1,000 telescopes have been distributed. The funding for this program comes from members' contributions through the Public School Tax Credit, a dollar-for-dollar reduction in an individual's Arizona State income tax. Anyone in SCOV can participate in supporting this worthwhile venture.

Annually, five students from the Coronado School are also eligible for club-sponsored scholarships to UArizona's prestigious Astronomy Camp held each summer at SkyCenter. The one-week camp provides a genuinely unique educational experience in astronomy.

Our Dark Skies provide jobs for the Tucson area, entertainment viewing the universe, and educational opportunities for local students and us. That is why we love Dark Skies.

Walking The Views Golf Course

Did you know you can walk or drive your golf cart on our beautiful golf course pathways outside of golf play hours? Signs, with posted walking times, are at the entrance of each cart crossing. When walking, all consideration must be provided to the paying golfers. These considerations support the option of sharing the course to the benefit of both golfers and walkers. Bicycles, rollerblades and skateboards are not permitted on the golf course at any time.

You can take your dog on the course too. Dogs may be in a golf cart or walk on the golf course during the posted hours. Keep your dogs on a leash that is no more than six (6) feet long and under the control of a responsible adult. No retractable leashes please. Keep dogs off the golf course greens, fairways, tee boxes, bunkers, or construction areas. As always, pick up after the dogs and properly dispose of any dog waste. If your pup is causing a disturbance, such as frequently barking or being aggressive toward other animals and/or people, please exit the golf course.

Remember, we share this area with many wild animals, so be aware of your surroundings. You are walking at your own risk. But be sure to take in the views, soak in our special relationship with the wildlife and enjoy this beautiful amenity.

Happy New Year

Many people start the year with resolutions. Some of these resolutions are kept and yet others soon pass. Always keep in mind that any time of the year is a time to make changes in your life. So many changes have been made that I am sure our winter residents are a bit confused as to where clubs are meeting. Always check the SCOV calendar, *Tipster* and "This Week In SCOV." May 2022 bring you health and happiness.

Time for a New Roof?

Currently, there are three ways to replace your roof in SCOV. Each of them requires approval by our HOA prior to installation.

One way that has been used by a large number of residents is called "lift and re-lay" where the majority of existing tiles are lifted, new underlayment is installed, and the existing tiles are replaced with some closely matching ones if there has been breakage. Traditionally, there is a 10-15% breakage rate and any tiles used in lieu of the broken ones have come from a stockpile that Eagle Roofing Products has provided. The bad news is that Eagle Roofing is no longer producing these slurry tiles (grey tiles with painted backs). The roof tiles originally used in the construction of SCOV thirty-plus years ago have become outdated in terms of the manufacturing process to produce them. At that time, the concrete tiles had their color applied by a surface bonding process that can break down over time. There is little or no supply of these old tiles unless a roofer has been saving tiles from previous jobs. As the matching tiles are no longer produced and inventories dwindle, it will become difficult to do lift and re-lay on homes with original roofs and will require a more costly full new tile replacement of the roof. Secondly,

over time, finding replacement tiles to replace weather-damaged tiles will become an increased challenge leading to a need to replace the full roof. In addition, new additions to our homes that change or increase the roof profile and/or size may require replacing all roof tiles with new ones in order to match aesthetically.

The second way to replace your roof is with all new ARC pre-approved new Eagle tiles. Current technology uses a "color through" process in which the color becomes part of the concrete. The ARC has studied what is available, and in addition to currently pre-approved tiles, they have added eight new choices. Samples of these tiles are available for check-out at the Welcome Center.

The third way to choose your tiles is to go up to the Eagle Roofing showroom in Phoenix and choose something that is not pre-approved by the ARC. You would then submit your choice to the ARC for consideration. The showroom is available by appointment only through Mariah Salazar, Design Center Coordinator. She may be contacted at 602-346-7149.

The Library welcomes back Alan Day along with his fellow podcaster, Russell True, on Wednesday, January 19. Both men will talk about their many adventures in the great southwest. See Coming Events on page 12 for more information.

Exclusively for Friends of the Library members, Kate Cusumano will return for Great Reads, highlighting authors and new books in conjunction with the Tucson Festival of Books on Wednesday, January 12, 10 AM, Catalina Vista. Be sure to renew your membership now. Tickets are available in the Library. Please plan to join us for both events.

Each week we are adding new books, DVDs and audio books to the Library. You can see these new items by logging into our Webopac online catalog system and clicking "browse new items." You are welcome to reserve these items online, and our wonderful volunteers will put them on the hold shelf for you. We appreciate our Library volunteers, more than 40, who keep our Library running smoothly and provide a friendly and enjoyable service to our community.

The Library will be closed for the following holidays in January: Saturday, January 1; Monday, January 3 and Monday, January 17. There are never any overdue fines, so please plan to enjoy your books a little longer on those weekends, as the book drop will be closed.

New Year, New Exercise

It's a new year, and maybe you've resolved to start an exercise program. If so, good for you. Getting regular physical activity is one of the most important things you can do, and it's one of the most common New Year's resolutions of Americans each year. Just make sure you start off on the right foot with these helpful tips: Take it slow. Set small goals. After all, you're in this for a lifetime. Talk to your doctor before getting started, especially if it's been 8-12 months or longer since you've last exercised, you've had a large weight gain, or you've had a noticeable change in health. Evaluate your personality. Do you like to exercise alone, in a large group or with a partner? The answer to this question will help you decide what type of exercise will keep you motivated to stick with your new routine. Be safe. If you're exercising outside, make safety a priority. Dress for the weather, wear reflectors and light colors if you'll be out when it's dark, and carry a cell phone with you.

Special Note From the Aquatic and Fitness Center (AFC)

Contact Lonnie Davis, AFC Coordinator, to discuss questions or concerns with the AFC. Hours of operation for the AFC and Desert Oasis are on page 2 and holiday hours are noted on page 5.

Tuesday, January 11, the AFC pool and spa will be closed for cleaning and shock treatment and will reopen the following morning at the regular time.

Wednesday, January 12, the Desert Oasis pool will be closed for cleaning and shock treatment and reopen the following morning at the regular time.

Republic Services

scov@republicservices.com
www.suncityorovalley.com/members/services/trash

In December, all SCOV trash and recycle pickups changed to Monday. Don't forget: Republic Services picks up between 6 AM and 6 PM on Mondays. You must have your trash and recycle bins out at 6 AM or you risk a missed pickup.

SCOV has a dedicated customer service representative with Republic Services. Many of you are aware of the labor challenges the country is currently experiencing, and Republic Services highly encourages residents to email any service issues, rather than telephone, in order to receive the best service. Our representative can be reached at scov@republicservices.com. This email is listed on the Republic magnet you received in your annual dues mailing.

Visit our web page where you can find the following information:

- 1) Recycling: View a video and web page on what Republic takes in their recycling bins. Glass is accepted for recycling.
- 2) Holiday schedule: Check if you need to shift setting your bins out due to a holiday.
- 3) Report a problem: Missed pickup? Bin damaged? Click the Report Missed Pickup tab, fill out our form and Republic will receive a copy.

The Architectural Review Committee is evaluating an addition to the approved colors for front entry doors in SCOV. A palette of Southwest (Talavera) colors has been available for homeowners to view and comment on. The results of the online survey on the suggested colors showed 61.83% in favor, 33.2% not in favor and 4.98% indifferent. The voting at the Welcome Center where colors were on display was 43 yes and 12 no. Swatches of these colors are now available at the Ace Hardware store on 1st and Tangerine. They are located at the paint counter in a file of HOA colors.

The proposed new Talavera colors would be allowed only on the front entry door. They would not be allowed on the security/screen door, garage/golf cart door or side entry door into the garage. The Board will be voting on these optional colors at its January meeting along with proposed changes to the Development Standards.

Artisan Center Renovation Task Force

Chair Tim Kelley tkelleyscov@gmail.com
See SCOV calendar for meeting dates, time and location

The Artisan Center Renovation Task Force (ACRTF) may meet the first and third Tuesdays of the month as needed. The SCOV website will have current meeting notices. The current ACRTF practice is for vaccinated members to attend in person. Non-vaccinated committee members and all others may attend via Zoom.

An updated version of "A Discussion of the Existing and Future Facility Requirements for the Artisan Clubs of SCOV" is now available on the SCOV website.

The SCOV website (go to Members > Committees > ACRTF) provides the ACRTF Charter and other information for the task force.

Community Directory

Chair Lisa Collins 812-344-4773 scov.community.directory@gmail.com
www.scovaz.com/members/services/directory

I use the monthly SCOV Resale Report to remove those who have sold their homes. However, the new owners are not added. You must ask to be included. This includes those who move within SCOV.

In your listing, we allow one hometown and one occupation per person. These items are included just for affinity purposes, so use whatever suits you. Hometown can be where you were born, grew up, lived longest, lived last, where your other home is or where you were happiest. Occupation is similar: your main occupation, your last occupation, your favorite occupation. This category isn't meant to track whether you're currently working or retired.

To update your listing in the directory, the preferred method is to complete the online form "Change your directory listing." Otherwise, you can fill out an orange card at the Welcome Center.

Consumer Referral - Vendor List

Susanna Moran scovconsumerservices@gmail.com

The Vendor List is on the SCOV website. After logging in, go to Members > Member Services > Consumer Referral Vendor List.

The Vendor List may also be viewed at the monitor's desk at Catalina Vista during business hours (during Activity Center renovation). Please check the Vendor List often, as

changes are made frequently.

Vendors should email Susanna Moran to inquire about applying to be on the Vendor List.

Election

Election 2022

The Election Committee is preparing for another election cycle. Ballots will be sent in mid-February. There are three Director positions to be filled. Also, expect at least two initiatives for your consideration. The vote will be electronic unless you have opted out of all electronic communications from the Association. If you vote by hard copy, the ballot must be mailed to Florida (the Association is no longer accepting ballots in the Administration office).

The "Meet the Candidate" video interview will provide the opportunity to view and listen to the candidate. There will be a web page listed under Member Services > Vote March 2022 with information.

February plans are to have at least two forums where questions will be asked of the candidates, so you can get a feel for their understanding of and passion for SCOV. These forums will also be available online. If you would like to submit candidate questions for consideration by the Election Committee, please bring them to the Welcome Center.

More details on the candidates and initiatives will be provided as we get closer to the election.

Finance-Budget

Chair Tim Kelley tkelleyscov@gmail.com
Quarterly Zoom meetings on Mondays. Check SCOV calendar for dates and times.

The Finance Budget Committee (FBC) meetings are typically held quarterly. The current FBC practice is for vaccinated members to attend in person. Non-vaccinated committee members and all others may attend via Zoom.

When necessary, the FBC will meet more frequently (e.g., budget preparation, audit results and when information is requested by the Board of Directors). Find meeting dates, times, location and other information on the SCOV website. Current financial information is also available there.

The FBC will be meeting on Monday, January 24, 2 PM, to review the second quarter financial results. The FBC will meet on Monday, February 28, 2 PM, for the first review of the proposed 2022-2023 SCOV budget.

Food and Beverage

A new year begins with wishes for good health and happy days. Your Gift Shop welcomes you to browse new products with the artists who provide a beautiful spot to visit

with family and friends. Featured artists are Joyce Simmons and Pam Dage.

Joyce scours the world looking for special components: Tibetan turquoise discovered in Vienna, jasper, opals and raku from Mexico, observing the "soul color" of her treasures and creating a unique design that will call to the woman who wears it. Designed with love and attention, no two pieces are exactly the same.

While looking for a new hobby, Pam discovered pour acrylic painting. She says, "I made many paintings, but I was missing my jewelry making, since I could not get into the silver club, and decided to try combining jewelry making and painting. The jewelry reminds me of my painting, and the painting reminds me of the jewelry."

Holiday Lights

Chair Linda Bretz 603-459-4219 nashuachristmas@comcast.net

www.SCOVLites.com

Some of the many home owners and angels who volunteered their talents to make this year's tour and future displays a resounding success

Our first year's Holiday House Tour was a fantastic success. Seven homeowners displayed their artistic talents by opening their homes to SCOV residents in search of lifting their holiday spirits, getting new ideas for their own home decoration and helping with the fundraising for future holiday lights displays. Our talented volunteers helped hammer the flower lights into the grounds around the restaurant, near the front of the Artisan Center and around the Del Webb road sign. They placed some gorgeous lights in the clock tower for the delight of SCOV residents. If you haven't yet ventured out between 6 and 10 PM, it is well worth the visit.

We are very grateful for everyone's help to make this a success in 2021 and years to come. We hope your holidays were wonderful and that this coming year brings great health, happiness and generosity of spirit for family, friends and neighbors.

Loan Room - Community Assistance

Chair Gay Russell

Third Thu., 3 PM, WC1 (currently not meeting)

Loan Room hours: Tue., Thu., 8-9 AM

www.suncityorovalley.com/members/services/loan-room/

The Loan Room, located at the end of the Cart Barn, is open Tuesdays and Thursdays, 8-9 AM. This is a free service to all SCOV residents. Walk-ins are welcome to make reservations or for an immediate loan. Please bring your SCOV card with you when you come in. Requests for reservations can also be made on the SCOV website. Reservations are recommended for most children's items through the winter and spring, as these items can be limited in number. Most medical items are always available. Please feel free to come in and look at the things we have available or check the pictures on the website. Thank you for your support of this program.

Long Range Planning

Chair Sharon Kennedy kennesk@comcast.net

Second and Fourth Wed., 10 AM, on Zoom

The purpose of our Committee is to develop and recommend to the Board a rolling 5-to-10-year plan to maintain and further enhance the quality of life for current residents, while ensuring SCOV remains competitive in attracting additional active, involved people to our community. Committee documents, past agendas, minutes and our Request Project Consideration form are available on the SCOV website. Our meetings are open to all residents.

Neighborhood Pride

Chair Tempe Johnson 520-825-6994
Third Tue., 2 PM, WC3

Let's Begin Anew

As we begin a new year in our beautiful community, if you have not already made a New Year's resolution, it is not too late to do so. How about making a resolution to take pride and care of ourselves, our homes and our property? Most of us have already done that, but just think how wonderful our community would look if we all did it.

Our committee members have really enjoyed seeing the beautiful holiday decorations throughout the community over the past few weeks. As a friendly reminder, seasonal decorations should be removed by January 15. We appreciate all residents who continually take pride in the appearance of their property, and we are very pleased with how beautiful our community is looking to usher in the New Year. As we begin 2022, we wish each and every one of you a happy, healthy and prosperous year.

Posse

Chair Linda Simón 520-789-7169 posse@SLP.com
First Tue., 3 PM, Desert Oasis
www.scovaz.com/committees/posse/ (must be logged in first)

Happy New Year. Your Posse board will meet this month to decide when to restart Posse patrols. We are excited to resume serving our community but need your help. Covid brought changes to our volunteer base. Some longtime members decided to move to be closer to family. Others decided it was time for them to retire. Obviously, we thank them all for their service and wish them well. Now it's time for others to join our ranks and volunteer. We ask you to consider the Posse and volunteer to go on two patrols a year. Each patrol is three hours long. For information, please call Linda Simón 520-789-7169. We look forward to welcoming you to the Posse.

Properties

Chair Rich Oaks richoaks114@gmail.com
Third Thu., 9 AM, WC1 and via Zoom

The Properties Committee had another active year in 2021. We conducted a facilities inspection that included building grounds and interiors in addition to the golf course pump station and cart paths. The Chalk Creek Wash was inspected after the monsoon and, surprisingly, very little change was observed. We continued to monitor the performance of the eight solar electric systems at HOA buildings and were pleased the Association purchased the systems in November. At the request of the Long Range Planning Committee, Properties Committee members conducted a study and prepared a report on securing and monitoring access to various sports courts and community buildings. In addition, long-time committee member, Dale Foster, was recognized with the annual SCOV Distinguished Service Award for his outstanding work on the solar installation project oversight. The committee looks forward to continuing these and other efforts in 2022. Our recent meetings have been in person and via Zoom. Please see the calendar on the SCOV website for scheduled meeting dates, times and meeting format.

Director of Golf - Rick Price

rprice@theviewsgolfclub.com 520-917-8086

It's going to be another exciting season this year, and we look forward to serving your golfing needs. We hope you had a wonderful holiday season and a happy new year.

This month, we host the Oro Valley Senior Championship on January 8-9. The event will draw some of the finest players around the southwest. There are two divisions in the tournament with the championship division playing gross only and the regular division playing gross and net with a maximum of a 15 handicap.

On Saturday, January 22, from 10 AM - 3 PM, we conduct our annual Helicopter Ball Drop along with a Demo Club Fitting Day. We provide a great barbeque with music and fun. The following golf club companies will be in attendance for you to try out their new equipment: Titleist, Cobra, Srixon, Cleveland, and XXIO.

The Helicopter Ball Drop is a 50/50 fundraiser for the men's and women's golf associations. To participate, you purchase a golf ball(s). The cost is \$10/ball, \$25/3 balls, \$50/7 balls or \$100/15 balls. The golf balls will be dropped from the helicopter at approximately 1 PM during the event on Saturday, January 22, on The Views Golf Club Driving Range.

You can purchase a golf ball(s) any time until 5 PM, Friday, January 21, in the Pro Shop or online. The three balls closest to the hole win. After distribution of the 50/50 split, first place receives 50% of the prize fund, second place, 30% and third place, 20%. The total number of balls sold will determine the prize fund distribution.

If we can assist you with any of your golfing needs, please do not hesitate to ask. Thank you for enjoying all the activities at the club, and we look forward to seeing you soon.

Superintendent - Michael Kropf

scvgolf@suncityorovalley.com 520-917-8063

Happy New Year from golf course maintenance. When the decision was made not to oversee the fairways, several projects were planned during the winter months to replace the normal mowing, fertilizing, and watering tasks that would not be needed.

Many of those projects have already been completed. The large tree and brush on the left side of #5 were removed to open a view of the fairway from the back tees. The cactus forest on the left side of the tees on #13 was lowered and thinned out to open a view of the fairway. The trees on the right side of #11 tees were removed to open a view of the fairway and encourage tee shots away from the homes left

of the cart path. Trees and brush were removed in front of the tees on both #1 and #12 to open views of those holes.

Drainage projects have also been completed. The large puddle that forms from irrigation water on the cart path in front of #14 tees was drained. A large puddle on the cart path between #6 fairways was drained and sodded as well.

The next projects are more tree and desert trimming around tee boxes, including thinning of cactus and trees left of #14 tees, and left of the tees on #15. #18 will be trimmed at both the tees and behind the green to open views.

Golf Advisory

Chair Eileen Buskirk 206-450-6146 SCOVgolfadvisory@gmail.com
Sep.-May, first Wed., 2 PM, WC3

The course is presenting golfers with challenges. While there's nothing to be done about the soggy areas around the greens until the weather cools, the dying crabgrass (should be named grabgrass), or the divots or the dirt, there are some things we can do.

There have been many requests from the superintendent to follow the cart signage regarding when to exit the fairways. There also have been many requests to keep all cart tires on the path when parking by the greens. He shouldn't have to ask us not to drive on the fairway within 20 yards of the green, and he certainly shouldn't have to ask us not to drive on the fringe, but it's happening every day. If you see something, say something. Fix your divots, rake the bunkers and help keep the course as playable as possible through the winter, knowing that come spring, we'll have the best course in Oro Valley.

As the photo shows, the previous player dug in his feet, hit his ball and walked out of the bunker, forgetting to rake. Please do your part to keep the course as playable as possible.

Recording the minutes of our club's meetings is the main function of our secretaries. This may sound simple, but it can be very challenging to accurately record our discussions, reports and actions. The position of secretary for women's golf clubs dates back to 1873. The position was held by a

gentleman. It was not until 1886 that the first female secretary was elected at the Carnoustie Ladies Golf Club in Ireland. We are very fortunate to have two members that share this role in our club, Deborah DeCuir and Kelli Mannon. We all can appreciate the detail and focus required to accurately record any meeting. We have two sets of meetings that require taking notes: the monthly general meetings and the monthly board meetings. Deborah DeCuir and Kelli Mannon handle this responsibility very well. Thank you, Deborah and Kelli; you make a great team.

As we make our way through this new year, I like to look back at all the trials and accomplishments we experienced and take stock and find the things we are most grateful for.

2021 offered a lot to be thankful for, starting with our front of the house team. Our servers did an amazing job keeping up with all the changes in CDC regulations and procedures. These wonderful people kept us safe and moving forward as we navigated through these trying times.

With Marti leading our serving staff, we have been able to provide great service to our guests. Even when times got rough, she was cool and calm, setting the example for all of us. Also, a special shout-out to Luann Detloff for our festive aprons.

As a true leader, Azura, our wonderful sous chef, not only kept the back of the house running smoothly, she also set the example, proving that a positive attitude and hard work will always win the day. Azura is our constant. She is the cornerstone that the rest of her crew can depend on.

This year has also given me an opportunity to prove myself to you. I had the pleasure of working under Chef Paul Blackwell. I was able to learn so much in the little time we spent together and I am truly grateful that he saw value in me. Chef Paul and I shared a kitchen philosophy: preparedness, kindness, and a positive attitude will always win. I have been your chef for only three months; however, I have been organizing, training and promoting a culture of kindness and teamwork for the last three years. My goal is to continue to provide great food and to help build The Views into something we all are proud of.

Thank you for taking the time to read this article. I hope to see you soon.

Didn't you just love the past holiday season? The extra warm feelings, kindness, smiles, friendliness, the festive lights. Our homes looked so cheery with the displays and colored decorations. And weren't we all buoyed up by the many lights around the common

areas and entrance signs? They are all the brainchild of Linda Bretz, who recruited a committee to raise money through donations from individuals, the HOA and your Foundation. Then they worked countless hours making the lights and installing them. They did it to help brighten all of our lives.

The Foundation says a big thank you to Linda and all who helped in any way to enhance our Sun City experience. How about you giving them a thank you, too?

Come to the Artisan Center Lapidary Room on Tuesday afternoon and/or Thursday morning and see what the cottonwood bark carvers are up to. We have plenty of bark and more than plenty of help and advice on how to get started. Maybe Bill Stovall can help you get started on a bark carving like the one pictured here. If you think you might want to try cottonwood bark carving, the club has bark and tools to get you started. If you are already doing bark carving, come by, carve with us and join the conversation.

We welcome our 2022 officers: Pres., John Grandner; VP, Barb Peterson; Sec., Joan Kelley; Treas., Renee Ford; Advisor, Jill Varley. We thank Barb Peterson, Bill Snead, Julie-Anne Anthony and Marti Friday for their leadership this

past year.

Our new year promises to be inspiring. The Education Team has set detailed guidelines and instructions for our members who volunteer to teach classes. This should result in a satisfying experience for both teachers and students. Our December focus included beginner education on pressed plates and making bowls from slabs. Both of these classes emphasized basic skills needed to produce quality pieces.

If you would like to join the Clay Club, please stop by the Clay Studio to sign up. When a mandatory orientation class can be arranged, you will be contacted. For detailed information on all Clay Club activities and events, check out the club website.

Japanese Flower Arranging

Donald Marier 520-825-4878 dolmar21@gmail.com
Nov.-May, Second and Fourth Mon., 2-4 PM, Catalina Vista/Pusch Ridge

Japanese flower arranging, *Ikebana*, is the art of arranging flowers, branch materials, grasses and leaves. At its core is the beauty resulting from a combination of color, shapes and graceful lines. More than simple floral decoration, it is a form of sculpture with plant materials. Learn from certified instructors at your own pace, and make creative arrangements for your home.

Knit and Crochet

Jane Fairchild 520-909-5069 janemail11@yahoo.com
Tue., 2:30-4:30 PM, Catalina Vista/Pusch Ridge

If you have a knit or crochet project, or would like to learn to crochet plastic bags into sleeping mats, come and join us.

An ongoing group project is making crocheted sleeping mats out of plastic shopping bags. We deliver these mats to the Gospel Rescue Mission for Tucson people who are experiencing homelessness. You can participate in this project by cutting the bags into strips, stringing them into plastic yarn (plarn) and/or crocheting them into mats.

Modelers

This diorama, built by modeler Larry Trumble, depicts a scene where two wounded soldiers in World War 1 are being assisted by their fellows and medical personnel alongside a damaged building. Courage under fire by nurses, doctors, corpsmen and ambulance drivers saved thousands of lives of combatants and civilians who, in previous wars, would have perished. The ambulance is a model of one of the 4,400 specially built Ford Model T vehicles designed for this purpose and used by our allies during the war and for years thereafter.

Consider joining our club and explore the construction of models like this as a way of telling stories you find personally compelling. We meet on the second Friday of the month, 9 AM, Catalina Vista. Stop in whenever the light is on in our room in the Artisan Center.

Sculpture

Pres. Laurie Lichaa 520-991-9953
Mon., 9 AM-5 PM, Catalina Vista/Art Studio

The Sculpture Club meets Mondays in Catalina Vista/Art Studio. If you are interested in becoming a member of our club or learning more about what we do, please stop in on Monday mornings or contact Laurie Lichaa. If you would like to see some of our work, we have sculptures in the display cases in Catalina Vista and the SCOV Library.

The picture illustrates the beginning phases of developing a relief sculpture. As you can see, Coni Arseneau started this project sketching the proposed design. All sculptures need an armature/foundation. In this case, Coni uses hardboard as the foundation to cut out the design. She then covered the board with metal mesh to which the polymer will adhere. Aluminum

foil is used as the foundation for the earth/rocks, where the cactus and plants will go. The end goal for this sculpture is to be used as a clock.

SFK is a 501(c)(3) tax exempt organization

As we joyfully begin our journey through another year, Seniors for Kids (SFK) has a lot on its plate. Please attend our meeting Thursday, January 6, 8 AM, Catalina Vista. We will discuss our finances, plan for the year's activities and look for more members to share in the fun of giving. It will be a very important meeting.

If you didn't make it to SFK's toy distribution, here is a small peek at what was displayed. It was a powerful year

After all the items that were made by the SFK were displayed to the public on December 2, they were boxed and loaded in cars to go to TMC, Banner Children's Hospital, Aviva Children's Services, Tri-Community Food Bank, Three Points Clinic and Family First. Thank you to the whole community for supporting Kuddles for Kids with such generosity.

If helping children in need would get your creative juices flowing, stop by the Artisan rooms and see where your skills might help SFK provide cheer to children in need.

Thimblelenas held their annual meeting December 1, with over 50 members attending. Officers elected were Pres., Suzanne Lane; VP, Susan Karstad; Sec., Carol Myers; Co-Treas., Pat Norton and Phyllis Austin; Membership Chair, Debra Dirks; Member-at-Large, Suzanne Stiles and Monitor Chair, Carrie Wiley. All the machines were serviced this year, so things should be humming along. With more seasonal residents here, the Sewing Room is getting busy. Currently, we are limiting capacity to 18 members per sewing session. Please use SignUpGenius before coming into the Sewing Room; see URL above.

Casa Amigas

Sigrid Flatness 425-213-6689
Mon. and Thu., 9 AM-Noon, Artisan Center/Sewing

During 2021, Casa Amigas provided clothing, crib sheets, tote bags, quilts, afghans and other items to several community organizations. All items are either sewn, serged, knitted, crocheted or quilted by members of our group. Many hours are spent in the Sewing Room or at home by these members who consider it a labor of love to give their time and skills. The total number of items for this year was 2,545. It's a wonderful thing to be able to give back and assist those in need. We're always looking for members who love to sew and create using fabric and fiber.

Cheer Bears

Pat Norton 480-993-8762 panpan9803@yahoo.com
Wed., 1-3 PM, Artisan Center/Sewing

Here are the marching Cheer Bears going to cheer up children.

Nothing has really stopped us this year. Over 400 bears were embroidered, stitched, stuffed and packaged to move on to new owners during 2021. They were distributed to various children's homes (Aviva, Three Points, More

Than A Bed, First Family), Golder Ranch Fire Department and a number of hospitals in the Oro Valley/Tucson area.

Our thanks to the Tennis Club for a significant donation that assists in providing materials for sewing and creating. We have approximately 25 members in our group, but never more than 12 in the room. We spread out and have a great time creating and chitchatting. It is a good time and builds friendships.

If, in your sorting and cleaning out, you find you have some polyester fiberfill, we need it to plump up the tummies of the bears. Donations are always accepted. Thank you for your support.

It is a new year. Please remember that kindness is good for all. Happy 2022 and may you be blessed.

Pet Beds

Jan Bohe 520-825-9725
Tue., 1-3 PM, Artisan Center/Sewing

Can you snip fabric into little pieces? Our furry little friends need an extra touch of kindness while waiting for adoption at the Humane Society, so we create soft comfy pet beds from fabric sewing scraps and polyester filling. We invite you to join us for a laid-back afternoon. In 2021, we made and donated 285 pet beds, plus dog food, clothes, treats, toys, towels and a dog dish.

Quilters

Carol Guibert 520-404-1462
Second and Fourth Tue., 1 PM, Desert Oasis/Ocotillo

We will begin quilt show registrations this month. Our quilt show is Sunday, February 27, 9 AM-4 PM, Catalina Vista. We have to limit our entries this year because of limited space, but it will still be a wonderful show. At the Tuesday, January 11, meeting, we will take signups for Linda George's class sample, "Something Scrappy," Thursday, January 20, 1-4 PM, Sewing Room. At the Tuesday, January 25, meeting Peg Bushong will give a lecture on quilting sites, etc. on the Internet. This will also be the last day to register your quilts for the show.

The Tapestry Hooking and Fiber Arts group meets Tuesday mornings in the Sewing Room. If you are interested in being part of our group, stop by the Sewing Room on Tuesday mornings or contact Coni Arseneau or Carrie Wiley.

During December our group honored the work of John Shaw which is on display in the Sewing Room window. John is well-known in the SCOV arts community; he has been active in Carving, Gourds and Rug Hooking clubs. The picture

shows some of John's work. In 1992, Robert Taylor introduced hooking to our community, at which time John joined. Today, John is so generous in sharing his knowledge and expertise with those interested in learning the art. As you can see in the artistic pieces in the picture, John has an interest and appreciation for southwest art. Another interesting fact about John's art is that he dyes the wool to get the color gradation that makes his pieces so spectacular.

Beginner fused glass class

Our general meeting and holiday party was December 18, at which time a new club president and secretary were elected.

We provide equipment and training for both stained and fused glass. A variety of classes, social events and contests are offered at various times through-

out the year. The only thing you need is imagination and a willingness to learn. Beginner fused glass classes, stained glass classes and safety classes continue to be scheduled.

Stop by Tuesday, Wednesday and Thursday mornings, when you will find a monitor is on duty, or any time a member is working on a project. The monitor on duty will be happy to give you a tour of the studio and help you sign up for a class, or sign-up online. Check our window display outside the studio. It changes monthly.

The program for the SCOV Genealogy Society Monday, January 17, 1 PM, Catalina Vista, will be "German Genealogy," presented by Laurie Castillo. Laurie will be making her presentation via Zoom; you are welcome to join us either in-person or virtually. And remember, just because you don't currently have any German ancestors in your family tree, this program may help you with future ancestral lines.

The Genealogy Society is pleased to announce that the genealogy lab was open for 22 time slots during the month of November, with a total of 50 individual visits. Please note that club dues of \$20 for individual, or \$30 for family, are due to our treasurer by January 17. You may bring your dues to

the January meeting or drop your check in the treasurer's box in the lab.

Mon., 10 AM-Noon, WC1, Zoom meetings first Mon. of the month

Extracts from "Javelina Monologue" by Sharyn Rafieyan might be read as a resolution about how to get along:

"I admire your self-image and the confidence it breeds,... but a part of me is sorry this is all you'll ever be—just a scrounger, snitching droppings from my tempting olive trees....

I can't imagine combing out your salt and pepper coat, coarser than a doormat meant for scraping muddy shoes,... And the sounds I've heard you utter...just a mutter, snort and grunt. You are not a regal lion, just a lowly peccary...

Yet I can't dismiss your right to have existence in this place that we humans have usurped for our own purpose. Go ahead and eat the grass seed on our golf course and the

flowers in the pot by my front door. I'll stop fussing when you bump and nudge my bench and kick my stones—let's all be respectful since we're neighbors!"

SCOV Charity Works benefits Emerge! Center Against Domestic Abuse, which helps victims of domestic abuse. Emerge! provides support and transitional housing to women and children in crisis. They help educate the community by providing presentations on domestic abuse, as well as counseling to child survivors. Donations can be brought to our monthly meetings. A partial list of our Wish List of Most Needed Items: new baby items, new pajamas (adults and children), new flip flops and tennis shoes (all sizes), hair brushes and styling products, new clothing and underwear (all sizes and genders). And much more. Go to www.emergecenter.org.

Charity Works also supports IMPACT of Southern AZ by collecting a specific food product each month. January's donations: non-creamy type soups, i.e., chicken noodle, tomato or vegetable.

We always welcome new members. Our next meeting is Tuesday, January 11, 9 SM, WC3.

Next meeting, Sat., Nov. 13, 1 PM, Zoom

Regrettably, due to concerns over Covid-19, we have canceled our in-person social gathering at Catalina Vista on January 9.

But this month, on Saturday, January 15, 1 PM, we will have our monthly Zoom meeting open to all. We'll hear about the good, bad and ugly issues we can expect to see in this session of the Arizona Legislature, which begins that week and we'll consider how we might want to respond. Also at this meeting, we'll have election of officers for 2022. And of course, we're welcoming new members. Just give us a call.

SCOV is a fantastic place to walk your dog. Every day as I walk mine, I run into multiple other dog walkers. The sidewalks, benches, trash bins and layout of SCOV allow for multiple routes to explore. If you

are more adventurous, there are nearby trails that you can access directly from SCOV or a very short drive away. The Views Golf Course is open to walk your dog during certain hours (check signs at each access point). To keep this privilege be sure to stay on the golf cart path, keep dogs leashed and clean up after your dog.

For the January and March meetings, we have reserved the Pusch Ridge Room at Catalina Vista that can accommodate 60 people. Our guest speaker this month is Joanne Mead who will present "First Aid for Dogs."

This club provides an enjoyable social evening getting to know some of your SCOV neighbors who enjoy cooking (and eating) interesting food. Our monthly (December - March) themed dinners in individual members' homes provide relaxing fun as we explore various cuisines (e.g., French) or get creative with more ambiguous themes (e.g., food in songs). Since everyone brings part of the meal, it's not a huge effort for the hosts. We also have several catered/restaurant events each year. Our December dinner theme was "Soups and Homemade Breads." Please visit our website to see photos and details. Contact a club officer for more information if you'd like to join the club. Note: Proof of Covid vaccination is required to attend club activities.

Pres. Marilyn Rego 520-575-4022 mmrego@centurylink.net
 Second Mon., 3 PM, Catalina Vista Scovrepublicanclub@gmail.com

Thanks to each person who attended our December meeting. We had eight new members, two new Precinct Committeemen. Our meeting this month is on Monday, January 10. Our guest speaker will be Paola Tulliani Z, candidate for governor. Her website is: zforarizona.com. She is an entrepreneur businesswoman from Scottsdale.

Another guest speaker is Abe Hamadeh, candidate for attorney general. He is a young military vet, who says he's not done fighting for this country. Website: abeforag.com.

Everyone is welcome, please come and bring a friend.

Marjorie Gerdes gerdesm14@gmail.com

Do you have a geographic or sentimental attachment to one or more of the six New England states? Congratulations, you qualify as a proud member of the SCOV New England Club. Mark your calendars for April 8, when we will be holding our annual pizza party, 5-7 PM, Desert Oasis.

New Jersey/Pennsylvania Club

Co-pres. Peggy Smith 520-344-0991 and Mary Lee Fitzgerald 973-202-4276

The annual meeting and potluck dinner will be held Friday, January 21, 5-8 PM, Desert Oasis. We welcome all residents with previous homes in either New Jersey or Pennsylvania to come and meet the few of us who are here from the east coast. Suggested contribution to the buffet table: a local favorite from back home. Because of the room's limited capacity, we need RSVPs if you plan to attend. Please contact Mary Lee Fitzgerald fitzgerald.marylee@gmail.com.

Wisconsin Club

Anne Rusch 920-202-0008 annerusch@yahoo.com

We invite all Wisconsinites to join us at our annual party on Sunday, April 3, 1-4 PM, Catalina Vista. A luncheon is planned with entertainment by an SCOV favorite, Chuck Moses. Due to space limitations, guests will be limited to the first 100. Watch for details about signing up in future *Tipsters*.

Unit Party

Unit 7

Our annual party returns in 2022. It will be held April 16 from 4:30-6:30 PM, Catalina Vista. This year we will switch from a potluck dinner to potluck appetizers to accompany our beverages. Mark your calendars now. If you have any questions or you would like to help, contact Laurie Jarrett at scovunit7party@gmail.com.

Unit 11

Mary Lee Fitzgerald, fitzgerald.marylee@gmail.com

The Unit 11 potluck dinner is back. Mark your calendar for Saturday, March 5, Catalina Vista. This will be the 25th year of this unit gathering which was first organized by Kay Jacobs in 1995. More details in the February *Tipster*.

First Mon., 1 PM, Catalina Vista www.vbscov.weebly.com

The next club meeting will be Monday, January 3, 1 PM, Catalina Vista. Jon Helminiak will give a PowerPoint presentation on the aviation reenactment of the Berlin Airlift. Join us for a Meet & Greet, Friday, January 7, 3:30 PM, The Views Restaurant.

Guest speakers

cover a range of topics to inform club members of veteran organizations, VA compensation and entitlements and relevant issues. Our current membership is over 260 veterans. Please come to a meeting or contact Mike LaBarbera any time.

In November, club members delivered six vehicles full of clothing donated by SCOV residents to the Veterans Rescue Mission.

If you have an unserviceable U.S. flag, leave it by Mike LaBarbera's front door wrapped inconspicuously.

Over \$18,000 was generated from brick sales from the Legacy Walkway to share between SCOV clubs, Veterans and the SCOV Association. Orders for Phase 2 of the Legacy Walkway are currently being accepted at the Welcome Center. Email Mike LaBarbera at mclabarb@aol.com for a Legacy Brick order form.

Dance

Ballroom - SC Starlight

Beth Allen 248-763-6266 scovstarlightdance@gmail.com
www.scstarlightdanceclub.wixsite.com/scstarlightdance

Welcome in the new year by trying something new, ballroom dancing.

We are happy to announce an "Intro to Ballroom" event will be held Saturday, January 22, 4-7 PM, Catalina Vista. Join us for dance demonstrations, participate in some free lessons in the easy basics of ballroom dance and enjoy trying out this great way to get exercise with a fun social group. Light refreshments will be served. Watch for information in "This Week In SCOV" for registration for this event. All residents are welcome to come try us out to see if this would be a fun activity for you.

Open dance time continues in the AFC Studios from 5-7 PM on Wednesdays (6-7 PM if there is a class earlier). Watch your email for information and sign-ups for a new three-week class for Nightclub Two Step on Wednesdays, January 12, 19 and 26.

Folk Dance

Pres. Siva Raven 505-469-7505 sivaraven@gmail.com
Fri., 10-11:30 AM, AFC/Studios 1 & 2 www.scovFD.club

Our club danced for the Havurah Club's December meeting

Folk dancing is a wonderful way to exercise both your body and mind while socializing in the company of a warm and welcoming group. We encourage everyone who

is fully vaccinated to join us, no experience, no partners required. We review each dance prior to dancing. Keep in mind that the only mistake you can make is to not have fun. Bonus: no meetings, no minutes, no dues—just dance, dance, dance. There is even a club website which lists each week's dances along with a video link to each dance for those who like to watch or review dances at home.

Please give it a try. Questions? Come and see; check out the website or call Raven.

We had a wonderful dance at the Hilton's Last Territory in November with Clear Country, as well as a dance at Westward Look in December with Wild Ride band.

We have dances scheduled for Friday, January 7, and Thursday, February 10, at Catalina Vista. These are pay-at-the-door dances. If you are interested in attending, please contact us at KKSCOV@gmail.com, so we can add you to the attendance list.

We are planning another season of Country-Western dance classes from January through early March. The class-

Dancing to the Clear Country Band at the Hilton's Last Territory

es will be held in the AFC Studio 1 and 2 (on the right as you go into the pool/fitness area). The Level 2/intermediate class will be Mondays, 4:30-5:30 PM, then 30 minutes of pattern dancing for both Level 1 and 2 followed by the Level 1 class from 6-7 PM. Cost of a class is \$25/cpl. You can still register on Thursday, January 6, 9-11 AM, Aquatic & Fitness Center (AFC).

Look for updates from and send any questions to Nancy. Klucking@gmail.com or KKSCOV@gmail.com.

Exercise

Aqua Tone

Irmel Wheeler 520-334-0957 irmel5596@gmail.com

Marcia Polley 520-818-9073

Tue., Thu., Sat., 9 AM, AFC/Pool

Aqua Tone is a toning water workout that incorporates a variety of rhythmic body movements performed in the water. This aquatic exercise class enhances cardiovascular fitness and muscular endurance.

We meet Tuesday, Thursday and Saturday, 9 AM in the winter, 8 AM in the summer, at the AFC pool. There is no fee to join the club or the class. The teachers are club member volunteers. Being able to do a basic swim stroke is very helpful. Items used in the class are buoys, boards, noodles, balls and a fitness band (you'll need to bring your own). A band can be purchased from Marcia for \$5. We assign an experienced member to a newcomer to help with learning the various movements. You will get a good workout in a fun class.

Arthritis Water

Pres. Sherry Olivier sherryoliver55@gmail.com

Sec. Melanie Livingston meljean178@yahoo.com

Mon., Wed., Fri. 1 PM Oct.-Apr.; 10:10 AM May-Sep.; AFC/Pool

Cooler temperatures are hard on many older people and for those with muscular and nerve problems. But, as long as the air temperature is 77 degrees or higher, and it is not too windy, we are still meeting. Come to the pool and join us in our regular one-hour gentle workout designed to use every muscle and to improve balance and stamina. Since exercise is crucial, it is important to keep moving. Most of our exercises can be modified to fit individuals' physical limitations. You may wear your hat, sunglasses, and shirt for protection from the sun or breeze.

We currently have 60 resident members (male and female), and new ones are warmly welcomed. Annual dues are \$5, with no additional costs.

Energetic Exercise

Donna Clark 970-946-1048

Mon. and Wed. 8-9 AM, AFC Studio

Fri., Jan. 7, 21 and 28, 7:45-8:45 AM, Catalina Vista

Give yourself a new year treat of fitness, fun and friendship at Energetic Exercise (EE). Sally Martinez, our professional instructor, has been leading these classes at SCOV for over 25 years. She's expert at keeping us seniors strong and flexible with a great variety of aerobic and weight exercises plus wonderful balance and stretch moves. You'll be amazed at how good you'll feel.

During the remodeling of the Activity Center, we meet at two different locations: Monday and Wednesday at the AFC Studio, and Fridays as available, at Catalina Vista. (Continued on page 26)

The Fitness Swim Club provides a vehicle for swimmers to participate in a group swim workout. We generally go 2,400 to 3,000 yards per workout, mostly freestyle. Some do more, a few do less.

Workouts are suitable for master swimmers, triathletes and those who would just like to participate in swim workouts. Please ensure you have medical clearance to participate in vigorous physical activity prior to joining. We welcome new members.

Pilates

Mary Ayers 520-638-7916 scov.pilates@gmail.com
Mon., 3 PM, Thu., 1:30 PM, AFC/Studio

Happy New Year. It's a brand new year and time to commit to a new exercise routine. Why not try mat Pilates? The exercises will strengthen your core muscles (abdomen and back muscles). You will also notice that you have better balance, more muscle tone and increased stamina. People ask, "Can the benefits from the strengthening and stretching exercises we do really develop the body's core, increase spine mobility and build flexibility?" The answer is yes. We have two experienced instructors, and the cost is only \$8/class, with annual club dues of \$20 pp. Please join us or stop by and watch. Questions, call Mary.

Cynthia Chaffee 520-342-6437 cynthiachaffee@mac.com
Thu., 10-11:30 AM, AFC/Studio 1

A new 10-week tai chi class for all students will begin on Thursday, January 6, 10-11:30 AM, AFC/Studio, and will continue through March 10. The classes are led by tai chi masters, Jose Hernandez Rivera and Donna Drazenovich. All first-time students need to call Alice Hutchison for further information.

Tai chi is an ancient Chinese tradition that involves slow, focused movements. Because of the benefits for balance, strength, and improved breathing, it is an exercise especially suitable for seniors.

Mon., Wed., Fri., 8:30 AM, Desert Oasis/Ocotillo

The Mixed Social Bridge Club has resumed playing contract bridge in an informal, relaxed and fun environment. We want everyone who comes to sit at a table and play bridge. So, if needed, we will make a table of three or have a player float from table to table. We start promptly at 8:30 AM; come a few minutes early to socialize and partner up. We have coffee, and members often bring goodies to go with it. We also have online games using Trickstercards.com. Please join us. We welcome new players.

Chess

Mary Lee Fitzgerald fitzgerald.marylee@gmail.com
Mon., 4:30 PM, Catalina Vista/Mt. Lemmon

The Chess Club completed its first club tournament in December, directed by John Bechard with two levels of play: advanced players and beginning players. Trophies were awarded to first place winner (advanced) Gerald Schiraldi and (beginner) Mary Lee Fitzgerald. The club's annual meeting is scheduled for Monday, January 10, 4:30 PM, Catalina Vista, with the election of officers, a financial report and plans for the coming year. Membership is open to all SCOV residents. If you are a new or previous player, stop by any Monday at 4:30 PM; mentors are eager to help you become a regular player and to introduce you to club members. If you are an experienced player but not yet a club member, we would love to sign you up.

Sat., 4:30 and 5:30 PM, Desert Oasis/Ocotillo www.scov5crowns.weebly.com

Five Crowns is a fun and easy game to play (see website for short video). Players usually play 1-3 games, depending on what time they arrive. Players are randomly assigned to tables, and each game normally takes one hour. For each game you play, you need to bring 12 dimes and 1 quarter. So if you plan to play 3 games, bring 36 dimes and 3 quarters. New players are always welcome.

Men's Friday Poker

David Dellinger 480-620-5519 davidjdeljan@aol.com
Fri., 5:45-8:45 PM, Desert Oasis/Saguaro

Friday Poker is back playing every Friday evening at Desert Oasis. We play easygoing poker with low stakes. Games are high only, five-card draw, five-card stud, seven-card stud, Texas hold'em, Omaha and criss cross. No dues. Bring your own refreshments. Cards provided. Dealer antes 5¢ per player and chooses the game. Absolute requirements are to leave politics and religion at the door and enjoy three hours of no-hassle, understandable poker. We welcome new players. Bring nickels, dimes and quarters.

Call David if you would like to review rules of play before your first game. Please show up at 5:30 PM, so we can start playing by 5:45 PM.

Scrabble

Jan Fischer 520-825-2401 fischer_janice@comcast.net
Fri., 1-3 PM, Desert Oasis

Having traversed through one of the worst years in recent history, SCOV has finally come out on the other side. The year 2021 has passed at the speed of light, and once again the holidays have come and gone.

The Scrabble Club has survived another year and is looking forward to the new year with old members returning and hoping new residents and potential new members will check us out. Our club is open to all who are looking for a different and challenging afternoon. Humans use visual-spatial skills every day, driving cars, grocery shopping and learning to use new tools. According to a recent study of people ages 60 to 93, those who did puzzles, either word puzzles like Scrabble, Sudoku or number games had scored higher on cognitive tests and suffer less from depression and dementia.

The Scrabble Club wishes all our residents best wishes for a great new year. During this happy season be thankful for every day in our awesome community.

Music

Barbershop VLQ (Very Large Quartet) Kactus Krooners

Mike Moyer 520-308-8881 mmoyerpp@gmail.com
Mon., 10:30 AM-Noon, Desert Oasis/Saguaro

Love those barbershop harmonies? Got a song in your heart? Want to hear, feel and learn what it's like to blend your voice with others, barbershop style? Come join this fun, mixed (men and women) a cappella chorus in song for just 1½ hours every Monday morning. It's a great way to start each week. Music provided. SCOV visitors are welcome. There is strength in numbers; the more, the merrier.

Different Drummers Women's Circle

Zona Boss 520-638-6644, Colleen Cottrell 520-825-8393
Tues 1:30-3 PM 2338 E. Montrose Canyon Dr.

Happy 2022. We are looking forward to starting our weekly classes on Wednesday, January 12, at Colleen's home, 2338 E. Montrose Canyon Dr.

We invite SCOV men to join our group for the January through April sessions. Come beat the drums and have some laughs.

The Different Drummers Women's Circle provides a community drum circle for any person wanting to connect with others through hand drumming using African Djembe drums, hand-held Native American frame drums and other small percussion. Drums and instruments are provided for guests.

Join us to drum, laugh and meet new friends. For centuries, people worldwide have used group drumming to energize minds and bodies, strengthen community bonds, release stress and celebrate life.

Early Music Recorder Ensemble

Membership Fred Finney 520-297-2485 fvfinney@comcast.net
www.vistosocyclists.wildapricot.org

Vistoso Cyclists membership is only \$15/year, hard to believe, given we are one of the best cycling clubs for seniors in the nation. Aside from the rides, our members enjoy our very useful website, including a searchable member directory, club classifieds, online ride schedule, cycling resources and more.

We offer several hundred scheduled rides year-round, among four different ride subgroups, from 20-60+ miles, to cafe destinations within Tucson and nearby towns, utilizing both pathways and roadways. Occasional away rides are offered as well. Our cafe stops offer coffee and conversation, greatly enjoyed by our members.

The club has e-bike, mountain biking, and Women on Wheels subgroups. There's also our monthly club newsletter email.

All schedules can be found within the excellent member area of our website. We also host social events, and support both the Interfaith Community Services Food Bank and Wheels for Kids. For more information or to join, visit our website.

Miles, smiles and tailwinds.

Billiards

Pres. Michael Rittmann 720-427-7235 mrittmann@yahoo.com
Mon.-Fri., Noon-4 PM, Catalina Vista/Billiards

As we enter the fall/winter season, we look forward to seeing our current and former members and welcoming new members. We are planning a series of activities and events to help us get back to our pre-Covid spirit, so stay tuned for further details. These will include billiards training clinics with a professional player, billiards trick shot demonstrations, weekly round-robin tournaments, our club championship and our annual friendly tournament with the SaddleBrooke club. Look for upcoming emails as well as announcements and sign-up sheets on the club bulletin board. See you soon.

The acorn woodpecker is a surprise resident here in SCOV and, while there are lots of acorns for them to tuck away, in Arizona they usually prefer higher elevations. Yet, for years a pair has enjoyed the palm trees between the pool and pickleball courts. Males and females look alike, and their clownish faces and raucous calls make them easy to identify.

We are a 90+ member, activity-oriented group and all SCOV residents are invited to join us on our field trips to learn more about the

birds here in Arizona. Below is a list of upcoming bird outings. If you are interested in going on any of these, be sure to contact the trip coordinator for details at least three days in advance and ask to be added to our mailing list.

Enjoy a fun afternoon in the sun with friends on the bocce courts. Newcomers are welcome and may play once without joining the club. Annual dues are just \$5. Please arrive at least 15 minutes before the starting time. Space limits us each session to the first 32 players, with members given priority.

Gun Club

Bill Snead 425-246-8100 wgsnead@gmail.com
Meetings suspended until further notice

Dear Gun Club friends: We look forward to reviving our club from Covid-imposed down time and scarcity of officers.

We have new people who have expressed interest in the club, and we have new developments from Supreme Court cases to consider.

We have an existing list of members, but it needs to be updated so we can send a notice of a January meeting. If you are new to SCOV, or newly interested in the club, please email Bill Snead to be added to the list.

Hiking

Pres. Georgene Porter gvporter@live.com
Scheduled hikes are posted on the website
www.scovhiking.org

Does your New Year's resolution include more exercise, more friendships, more breathtaking scenery, more challenge, or more time outdoors? Well, we have a solution for your New Year's resolution. Renew or join now. See the Hiking Club website for the variety of hikes we offer, and see if you can spot the hikes offered by our six new hiking guides.

Our annual membership remains \$7 per year, due by the end of January.

Hello fun. Welcome men and women. No experience necessary. Bring your own equipment. Easy to learn. The more you play, the better you get. Did you know seniors 70 and older pitch from a shorter distance with less effort and more accuracy? The shorter distance also makes the game more fun for women. YouTube has several videos of everything related to horseshoes. Check it out.

Good exercise, good people and friendly competition.

Pickleball

Pres. Tony Masterjohn tmasterjohn15@gmail.com
VP Training Doug Brown wizisland@comcast.net
Sun.-Sat., 8 AM-9 PM www.scovpb.org

The annual elections for the Pickleball Club were conducted in November. There were three openings, president, VP of committees, and treasurer. There were three candidates who agreed to step up and accept the responsibility.

The newly-elected members are Linda Dolsberry, Dennis Fisher and Carol Murray. In the middle of December, all five officers met with the outgoing officers to decide who will accept the open positions.

We would like to thank outgoing officers, Pres., Tony Masterjohn; VP, John McConnaughey and Treas., Sigrid Flatness, for their hard work during the years they served.

The newly-elected officers and their positions will be revealed during our Saturday, January 8, general meeting.

POP Tennis under the lights

The weather is definitely starting to turn cooler as winter approaches. There's nothing like a fast-paced game of Pop Tennis to heat you up and burn unwanted calories. If you can't cover the full tennis court any longer, think about trying Pop Tennis. Your tennis background will make you a natural for this fun and refreshing sport. Stop over at the Desert Oasis courts Tuesday, Thursday or Saturday mornings at 8:30 AM and we'll show you how it's played.

Racquetball

Pres. Jerry Moss 360-772-0780

Attendance has increased for table tennis while room availability has decreased. Many other clubs are now using rooms that were originally designated for table tennis. As a result, our schedule for play fluctuates considerably and we recommend that players call Catalina Vista 520-825-8613 to make sure rooms are available the day they want to play.

There is no table tennis on the first Tuesday of every month. Please note that Tuesdays from 1:30-3:30 PM are now reserved for women. All other days are for both men and women. Thanks for your understanding.

January Schedule

Tue., Jan. 11, 18, 25	1:30-3:30 PM	women club play
	3:30-5:30 PM	all club play
Thu.	5:30-8:30 PM	all club play

Club members enjoying holiday party on December 5

After not being able to get together for so long due to Covid, the club had a wonderful holiday party on December 5.

The annual mixed doubles tournament for club members will be conducted January 17-30.

Two events in January are open to all SCOV residents:

- Mariachi concert on Sunday, January 16, 2 PM (see Coming Events on page 12 for more details).
- Tennis lessons. The club will conduct a series of eight lessons, beginning on January 5 and 19 from 1 to 2:30 PM at the Mountain Vista courts. The lesson series is free for members and \$10 for nonmembers. To register, email Jim Benshoof.

Game days, Tue., Fri., setup 12:45 PM, play 1-3 PM, AFC/Racquetball Ct.
www.wallyball.us

Wallyball is volleyball that you play in a racquetball court. We use the side walls during play. You can never hit the ceiling or back walls. We can have anywhere from three to five players on a side.

One of the many benefits of playing wallyball is that it helps to burn off calories, builds and tones muscles, improves mental health, builds coordination, balance and speed and increases aerobic activity.

Come out to the AFC/Gym and see if this game is for you. Men and women are welcome to play, and tryouts are encouraged to see if this is the right game for you. We set up and socialize at 12:45 PM, games start at 1 PM. Questions, call or email one of our officers. Play safe and play smart.

Water Volleyball

Pres. Pete Coy 360-739-4100 Petecoy@gmail.com
 VP Rich Winter 520-900-7542 Richwinmaui@gmail.com
 Treas. John Lesko 248-231-0546 Azil1946@gmail.com
 Casual play Sun., Thu., 1-3 PM; Advanced play Mon., 1-3 PM, Desert Oasis pool

Yes, we play water volleyball in the winter and the pool is well-heated. We use the Desert Oasis pool three days per week and have loads of fun. Our club charter says it best. "The purpose of the club is to meet neighbors, have fun and get exercise." Recreational water volleyball is Sunday and Thursday each week and includes players of all skill levels. Everyone is welcome regardless of their ability. For most players, the more they play, the better they get. Advanced play on Mondays is for the more competitive players but still comes with loads of laughs. Please feel free to put your suit on and come by to play or just watch. You will always be welcome.

Wheels for Kids

Tom Terfehr 520-789-7243 www.azwfk.org

Wheels for Kids (WFK) is pleased to announce that the WFK Board of Directors presented a Distinguished Service Award to founding member and SCOV resident, Dick Swain. In 2007 Dick Swain had an idea: collect, refurbish and donate used bicycles to put a smile on the face of kids who didn't think they would ever get to experience the joy of riding their own bike. He recruited a few cycling friends to help, and Wheels For Kids was born. From a modest beginning of a few kindred spirits, it has grown to 30+ volunteers today and has donated over 4,000 bikes to kids, adults and families in greater Tucson. Work continues, and each year over 350 bikes are collected, refurbished and delivered to those who could use a little help.

Dick Swain with his award

Wheels for Kids is a 501(c)(3) nonprofit organization dedicated to providing rehabbed bicycles to children and families in need in the Tucson area. Wheels for Kids is an all-volunteer effort, and we are always happy to welcome new people to our team. If you are interested in learning more, please visit our website or call Tom Terfehr. Help kids experience the same joy you had when you got your first bike.

"SHE GAVE ME MY LIFE BACK"

Local clinic has a modern, medical solution to treat your Peripheral Neuropathy and is seeing incredible results!

"It started out as a normal outing. My wife and I had to run to the grocery store. We were driving down the road casually going over our shopping list when the car ahead of me started to slow down anticipating the yellow light. I started to move my foot from the gas to the brake as any normal person would do when they see brake lights in front of them, but I couldn't. I couldn't feel my foot! The car kept moving forward and I just couldn't get my foot on the brake. And CRUNCH! I finally came to a stop when I hit the car in front of me."

This tragic story was shared with us by Dan S., an Oro Valley resident who has peripheral neuropathy. And while thankfully no one was hurt in the accident, Dan had suffered daily with tingling and burning in his feet until numbness set in.

"The first stage is pain," shares Acupuncturist Kari Hahn of Oro Valley Acupuncture. "You feel burning, tingling, sharp pains, or you may feel like you're walking on tacks or marbles. This pain eventually subsides and that's when the numbness begins. While it may seem like a good thing to be out of pain, it's actually a further progression of this degenerative disease. Unfortunately the numbness brings with it a whole new set of

issues as was the case with Dan. "I said I wasn't going to drive again, what if that had been a pedestrian?"

It is all too common that peripheral neuropathy and its debilitating symptoms interfere with a person's ability to live their life. Dan was now reliant on his wife to drive him around. Even simple pleasures like driving to the golf range or taking his wife out to dinner was out of his capabilities. And even more common, Dan's general practitioner and several specialists told him there was nothing they could do besides prescribe pills to hopefully ease his pain.

That's where Acupuncturist Kari and her staff at Oro Valley Acupuncture come in. "About 75% of our current patients come to us suffering from the same condition as Dan," tells Kari Hahn, L.Ac..

"They are in constant pain from peripheral neuropathy and it prevents them from not only living their lives, but more importantly from enjoying them. Depending on the severity of their nerve damage, we typically see tremendous progress in 3-4 months of treatment. I like to say we're in the business of making your golden years golden."

"I can't lie" confides Dan. "I was skeptical at first. When I was told by specialists that nothing could be done and then there's an Acupuncturist here in town who tells me she can help. It turns out she was right! About 3 months after treatment started I was able to confidently drive myself to my appointments! My wife and I even celebrated by buying a new car! It's hard to put into words how incredible this is, quite frankly Kari Hahn gave me my life back!"

While Oro Valley Acupuncture specializes in acupuncture, and it's definitely part of the protocol in treating neuropathy, we also use modern adjunct therapies which play a powerful role. One of our most effective tools is ATP Resonance Biotherapy. This technology was originally developed by NASA to expedite healing and recovery. It not only helps with pain, but also aids in the regeneration of both large and small nerve fibers.

I have bought and sold many properties over the years, and Brenda is by far the most knowledgeable person, in every aspect of real estate I have worked with. I look back at service I received from successful real estate agents in the past and they don't compare. With Brenda, I knew the transaction from start to finish would have her full attention and she was always on top of everything. She had my best interest in mind when it came time for handling any issues or negotiations. She is the best in Tucson!
