Association News

From The Board of Directors

Our mission as the SCOV Board is to lead in maintaining and enhancing the quality of life in Sun City Oro Valley as an active adult community.

All Board minutes, agendas and reports are available online and in the SCOV Library. Board meetings are open to residents.

Board Of Directors - Article

What's Right With Sun City Oro Valley

by Lauren Strassburg

In a word (or two) most everything is right.

The ballot issue on our governing documents was overwhelmingly approved. A congratulations for a job well done goes to the Governing Document Review Committee.

The Pro Shop is up and running, and by the time you read this our new Restaurant/Lounge will be close to completion. The installation of solar, with much-appreciated covered parking, is well on its way to completion.

What will be the next projects we undertake? The community, through our committees, will have a say in this. However, the Board is still committed to not doing larger projects unless we have the funds available. Largely, this is our Capital Fund. We have high-quality staff managing each aspect of our day-to-day operation. The Association is financially sound with no debt.

Of course what is really right in SCOV is the fact that our residents are involved. Involvement includes serving on a committee, serving on the Board. Or our involvement means resident attendance at our Board meetings, committee meetings and expressing ideas on how to better run our community.

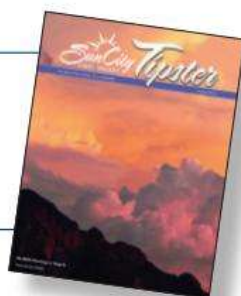

A good example of committee impact is our Properties Committee. A few recent actions of the committee are:

- Installed LED light bulbs which are cheaper to operate and for which we get a credit from TEP.
- Researching and assisting the solar project.
- Researching water usage and the number of meters we currently have which are not in use.
- Researching SCOV ownership in party walls.

For those of us here in Sun City, enjoy the peace and quiet of summer. For those of you in far-flung places, just enjoy.

The Views Restaurant

At a bit of a risk, I'm going to state that by the time you read this article, The Views Restaurant project will be complete or very close to complete. The end product will be, as planned, an updated restaurant area (previously the Café), a beautiful new lounge with a large full-service bar and a large covered terrace all of which will have panoramic views.

The new restaurant, lounge and terrace will more than double the seating capacity of the Restaurant. Not only will the size be substantially increased, but the facility will be much more versatile. All areas can be opened to each other so one large function could accommodate 250 attendees. There will also be the option of separating the areas so that, for example, business as usual can be carried on in the restaurant while a banquet is taking place in the Lounge and Terrace. Although functions will continue to take place in the Activities Center, Desert Oasis and Catalina Vista, the size and versatility of The Views Restaurant will very likely result in considerably more functions taking place in the restaurant area.

In addition to the dramatic increase in seating capacity and versatility, there will be a change in scheduling and offerings. It will make little sense to have a fantastic lounge with an indoor/outdoor bar and not have extended hours. More entertainment (think about warming up your voice for a little Karaoke) is planned to go along with a fun bar menu, more evening dinner specials and a variety of other enjoyable functions to attract and keep you coming to enjoy yourselves.

There's no doubt that The Views Restaurant will be a wonderful addition to the many other fantastic SCOV amenities. We want you to enjoy this new facility and, of course, want it to be financially efficient while providing excellent service and food. That means your patronage and input as to how The Views Restaurant is fulfilling your expectations will be very important on a continual basis.

It's More Than Living... It's A Lifestyle!

It's A Dog's Life at SCOV

by Carolyn Corwin

It's nearly 6 PM, and Mighty Samson (Sam) is wagging his tail in circles at the front door. Phyllis is ready too. It is time for Sam, a twelve year old English lab, and his owner, Phyllis Cutcher, to make their daily trip to the Dog Park. Upon arrival, Sam wags his tail and sniffs his doggy buddies, while Phyllis greets her good friends, the other dog owners at the evening social gathering at the Dog Park. This important ritual in both of their lives has been occurring almost daily since the opening of Fido's Friends Dog Park in late 2006. Dogs large and small, friends new and old, both canine and human, socialize.

Marge Gustafson, president of the Fido's Friends Dog Club, which operates and maintains the Dog Park, credits Bill Abel, retired veterinarian, as "father of the Dog Park". He presented the idea of an off leash dog park to the SCOV Board of Directors in 2004. Due to questions and concerns regarding site location, costs, noise, fights, flies, and smells, no action was taken at that time. Bill and other supporters of the Dog Park/dog club continued their quest. Within three years, the dog club supporters prevailed and the Fido's Friends Dog Park was established on Del Webb Boulevard.

The SCOV Association contributed the use of the land. The agreement between the dog club with the association was that the dog park construction and maintenance be funded 100% by the dog club, with no Association dollars.

The dog club had a successful fund netting campaign, raising the original cost of \$28,000 required for survey, engineering, cleaning, grading, fencing and other physical assets of the park. The club has provided all of the maintenance and repair funds since that date. Donors later contributed a table and bench. Recent improvements include painting the fence to the new approved color, which was funded by a grant from the Sun City Vistoso Foundation, refurbishing the pea gravel, and door maintenance. Fights, noise, flies, and smells have not been issues, as dog club members police the park and keep maintenance standards high.

After entering the park through the initial gate, dogs are un-

leashed and go off-leash through the second gate. Bill Abel explains, "Once dogs are released from the leash they lose their territorial guarding instinct, have a good time and don't guard their owner anymore." An assortment of breeds, large and small "all get along fine", according to Phyllis. The evening gathering varies in time (currently six-seven) depending upon the time of year. There is also a morning gathering, and dog club members can use the park from dawn to dusk for safe play and exercise.

Marge and dog club secretary/treasurer Elaine Deeter organize the club, with Elaine handling keys for members and many other tasks. Marge organizes a variety of dog club meetings during the year. Past topics include end of life issues for dogs and

hazards of the desert, a particularly pertinent topic for residents new to the area. Snake avoidance, Colorado River toad avoidance training and other sessions are held periodically, and are open to any SCOV member.

Ambassador tours stop at the Dog Park, and several recent arrivals in SCOV have credited the dog park/club as an amenity important in their decision to locate here. Bill envisioned the Dog Park as a safe and fun play space for dogs. An unexpected and equally important benefit has been the close community resulting from the Dog Park gatherings. People of varied backgrounds and interests bond at the Dog Park, with new dogs and their people warmly welcomed. Bill says, "Our common interest is the dog but we have become friends in other ways and rely upon each other..." There are birthday parties, social gatherings, and support for life's trials, all without dogs, among a wonderful group of people who have become true good friends.

Emergency Contact Information

There are times when resident-related emergencies arise in SCOV. It could be water running down the sidewalk or even when a member is on campus and in distress. During those times staff responds in several ways. If someone is in distress, 911 is called. Additionally, we pull up your Emergency Contact Form and notify the individual on that form what is happening. The same is true if a neighbor calls us and reports that water is running out from your garage door. We first call you. If you're not available, we call whomever you have listed on the Emergency Contact Form. We do this as a service to our residents, but can only provide this service if your Emergency Contact Form is on file. If you'd like to provide an updated Emergency Contact Form, drop by the Administration Office or go to our website at Member Services/Home/Other/Mailing Status.

Controller - Randy Trenary

rtrenary@suncityorovalley.com 917- 8060

The fiscal year for the Association ended June 30, 2016. As in the past, the financial statement for June is not included in the August *Tipster* due to time constraints for completion of year-end procedures. Financial statements can be found on our website www.scovaz.com and in our SCOV Library.

An audit will be conducted in September and the complete audited financials will be available on the website and in the SCOV Library before October 31 as mandated by the Bylaws. A copy will also be available in the Administration offices.

Money Matters will return with the September issue of the *Tipster*. Questions? Email rtrenary@suncityorovalley.com or call 917-8060.

Programs/Facilities Director - Pam Sarpalius

Always Something to Improve

I sometimes hear residents say, "There is always something being built or fixed." This statement indicates that SCOV is a community that keeps up with the times. Most recent are improvements to the Restaurant and the solar project. The solar will save on energy and keep costs lower for electricity. The Restaurant improvement was asked for by the community. In the future, when you see a sign that a project is taking place be happy knowing that we are keeping SCOV a great place to live.

Community Services - Katy Mosier

Office Hours 9-11 AM, Monday-Friday, Welcome Center
kmosier@suncityorovalley.com 917-8058

All residents are cordially invited to attend any of the following committee meetings:

The Architectural Review Committee meets the second and fourth Tuesday of every month, 2 PM, WC3. Your attendance at these meetings will often clear up any pre-conceived notions one might have about what the committee does. You will see how these volunteers respond to our ARC submittal process and learn how they use our governing documents to come to conclusions for approval or disapproval. There is time allotted at the end of each meeting for resident questions or suggestions.

The Neighborhood Pride Committee meets the third Tues-

day of every month, 2 PM, WC3. Our resident volunteers meet to discuss any questions they might have regarding recognition of violations of the SCOV Development Standards. An informal training session on identification of specific deficiencies is always included. If you are puzzled about the hows or whys of their processes, this is a great opportunity to become enlightened and supportive. You may even want to join these neighbors who help to keep our community looking good.

We look forward to seeing you there.

Common areas will be sprayed with pre-emergence in August. If you see a bluish green dye that is wet please do not let your pets walk in it. The spray, when wet, may be harmful to pets.

I'd like to give a big thanks to the Sun City Vistoso Foundation for a grant that made possible the purchase of an electronic, height-adjustable work table for the library. The flexibility of this table makes it possible to do a wide range of tasks, from unpacking and sorting books, to typing labels, or calling for overdue items. We love it, and we love the Foundation for making our job easier.

What's new on our shelves? In fiction, Daniel Silva's latest release *Black Widow*, and Liane Moriarty's book *Truly Madly Guilty*; in movies, *House of Cards Season 4* with Kevin Spacey, and *Batman v. Superman: Dawn of Justice* with Ben Affleck and Henry Cavill; in large print, *The Revolving Door of Life* by Alexander McCall Smith, and *The Island House* by Nancy Thayer; and in audiobooks, *Valiant Ambition* by Nathaniel Philbrick, and *First Comes Love* by Emily Giffin.

Recreation and Fitness - Lonnie Davis

Benefits of Exercise

Want to feel better, have more energy and perhaps even live longer? Look no further than exercise. The health benefits of regular exercise and physical activity are hard to ignore. And the benefits of exercise are yours for the taking, regardless of your age, sex or physical ability. Exercise can help prevent excess weight gain or help maintain weight loss. When you engage in physical activity, you burn calories. The more intense the activity, the more calories you burn. You don't need to set aside large chunks of time for exercise to reap weight-loss benefits. If you can't do an actual workout, get more active throughout the day in simple ways: by taking the stairs instead of the elevator or revving up your household chores.

Special Note From the AFC

Orientation on how to use the gym equipment will be held every Thursday at 1 PM, so stop in and sign up. Contact Lonnie Davis for questions or problems with the AFC.

Tuesday, August 9, the AFC pool and spa will be closed for cleaning and shock treatment. It will reopen Wednesday.

Wednesday, August 10, the Desert Oasis pool will be closed for cleaning and shock treatment and will reopen Thursday.

Association Committees

Help Needed

This Help Needed section seeks volunteer help for various Association Committees. You must be an owner/resident to serve.

Tipster Editor Must be a year-round owner/resident and have good spelling and grammar skills. Call Lou Phillippi 638-6957.

The Future Housing Committee is looking for new members who have experience as an urban planner, an architect of homes, or a real estate developer. This ad hoc committee's goal is to make recommendations to the Board for additions and/or changes which could be made to ensure that our housing stock will appeal to future homebuyers. Contact Jon Olson jboelo@comcast.net or Sally Evert sallyevert@gmail.com if you are interested.

Active Health

Chair Janyce Lundstedt 503-475-0520 janyce.lundstedt@gmail.com
Oct.-May, Second Tue., 1:30 PM, WC1
suncityorovalley.com/members-login/committees/active-health

If you think active health requires gym equipment, exercise classes or competitive sports, think again. A number of groups offer the benefits of walking while also experiencing the joy of learning and pleasant conversation.

The Birders, for example, average a 3-mile scenic outdoor stroll on their excursions, during which members also become knowledgeable about the birds of Arizona. The Day Trippers club provides educational experiences and some of stair-climbing while touring historic sites or exploring mysterious caverns.

Even volunteerism can lead to an active lifestyle. Once a month, residents are invited to collate *Tipster* inserts in the Activity Center while enjoying light refreshments along with one to two hours of indoor walking. And in Vistoso Helping Hands, members stay active by providing neighbors with temporary assistance in daily chores, including feeding household pets, going grocery shopping and more. Why not join the fun today?

Architectural Review

Janice Strassburg, 520-338-2568, janicestrassburg@gmail.com
Second and Fourth Tue., 2 PM, WC3

Landscaping is under the purview of ARC (Architectural Review Committee). If you plan a major redo of your lot it must be approved by this committee. A recent presentation to ARC by Oro Valley covered set backs, the possibility of combining two lots, obtaining permits, street parking, views and plantings. Your development standards contain a list of plants that are allowed and also a list of those prohibited. One of the messiest trees in SCOV is the African Sumac which is on the prohibited list. Oro Valley has a ruling that non-native trees may only be 25 feet tall. We have nothing in our governing documents to protect the mountain views, so only neighbor thinking of neighbor can maintain them.

Consumer Referral - Vendor List

Chair Claudia Case 279-8950 ccasescov@gmail.com

Here are the directions for looking up the Vendor List on the website (formerly called Consumer Referral List):

Go to www.scovaz.com >Members >Member Services >Consumer Referral Vendor List >Read More.

A printed copy of the Vendor List is located at the Welcome Desk in the Activity Center during Center business hours.

Vendors may call or email Claudia to inquire about applying to be on our Consumer Referral Vendor List.

Finance-Budget

Chair Dick Brammell crbbrammell@gmail.com
Third Mon., 1 PM, WC3

Our next meeting will be October 17.

Food and Beverage

Chair Del Peterson 307-631-3114
October-June, First Tue., 9 AM, WC1

We will have a fabulous lounge and terrace with the longest bar around. There will be a new cocktail menu with lots of great choices.

Top off a great meal with another new feature, homemade sugar-free desserts. Happy Hours continue to be a big hit. There is something for everyone to enjoy. Bring your summer guests or just meet your neighbors and enjoy this happening place.

Friends of the Library

Did you know our library doesn't receive any funding for books, audios, videos or supplies? All of these items are purchased through donations, grants and fund raising.

Your membership in the Friends of the Library provides a good portion of that funding: \$15 pp or \$20/household. Membership runs January-December, but you can join any time. Pick up a form in the Library. Also look forward to our annual Books and Authors Luncheon March 10 and the biennial House Tour February 18.

Thanks for your participation. See you in the Library.

Future Housing Task Force

Sally Evert 520-955-7877 sallyevert@gmail.com

Contact Jon Olson (jboclo@comcast.net) or Sally Evert (sallyevert@gmail.com) if you are interested. We need your help.

General Manager Search

Chair Dick Brummell 701-361-8573

To date, the General Manager Search Committee has reviewed, updated and approved the General Manager's job description and employment agreement to be used in the search. We have completed the search schedule which is a guideline and will be flexible because of the number of qualified candidates that may apply.

Schedule:

- August: Receive applications and select candidates to be interviewed. Conduct initial interviews via Skype.
- September-October: Final candidates to have separate on-site interviews, then have the Board select its choice for the job. Make offer to selected candidate.

Spurge Reminder

Please remove spurge from your yards.

Spurge is a creeping, low-growing weed that is often found in the cracks of driveways and the gaps between the sidewalk and

street. It also grows abundantly in river rock.

Spurge is a summer annual weed that depends on its prolific seed production for survival. A single plant is capable of producing several thousand seeds.

If you pull the spurge out by hand it will drop thousand of seeds. The best way to remove the weed is to first spray the spurge with a weed killer. When it is dead (a couple of days later) pull the spurge out of the ground by hand.

Gift Shop

Gift Shop 917-8051 Shop Hours: Mon.-Sat., 9 AM-12:30 PM
orovalleygiftshop.com

As summer wanes, the Gift Shop remains a cool haven for gift browsing. Stop in during the morning hours to enjoy the beauty of what our fellow residents produce.

Check out pottery and cards by featured artist, Joan Kelley. "I have been a photographer since receiving my first Brownie camera as a pre-teen. Photography means writing with light and I love to find the light and make it show beauty in the most ordinary things. When I turned fifty and wanted more art in my life, I found clay. I am hooked and in the studio whenever possible. My pieces are both hand built and wheel-thrown, ranging from rabbits dressed as people to wheel thrown forms altered into odd-shaped vases, anything to get my hands dirty."

The Gift Shop welcomes new consignors regularly and always looks for volunteers who enjoy serving shoppers in such a nice setting.

The committee is planning three political forums. Mark your calendar: Town of Oro Valley Council candidate forum Tuesday, August 2, 6 PM, Auditorium; the District 11 Arizona State Legislature and Senate candidate forum Saturday, October 1, 2 PM, Auditorium; the Pima County Supervisors forum, Monday, October 10, 2 PM, Auditorium. Following some Government Affairs-prepared questions, there will be time for written audience questions.

Loan Room - Community Assistance

Chair Gay Russell 825-5763
Meeting Third Thu., 3 PM, WC1

The Community Assistance Committee sponsors the Loan Room which is located at the end of the Cart Barn. The Loan Room is open Tuesdays and Thursdays, 8-9 AM for reservations and pickup. It is a great way to have the equipment for a medical need or other items when friends and relatives visit without having to buy and keep extra items around for a short period of time.

The Loan Room is currently beginning to computerize our inventory and will be learning the software for this over the next several weeks. We ask your indulgence while we run duplicate systems to be sure everything works the best way possible. It will be necessary for you to have a current SCOV card for all future loans. We will not have the ability to use the key fob. Thank you for your patience.

In July, we delivered 540 pounds, the first load of aluminum cans to the recycler, for the current fiscal year, and received \$216.

Year to date for last fiscal year was 3,551 pounds, we received \$1,420. Considerably less than previous years.

Perhaps You Can Help

Summer rains and winds are here. Help keep a watchful eye out, and report any damage to Administration. With so many of our neighbors away at this time of the year, we need to be especially aware of our surroundings. Pesky weeds seem to appear overnight with the monsoon season, so remove them from your yard as soon as possible.

Did the wind from the storms cause excessive tree debris in your yard? Keep your driveway and the sidewalk swept so that your home doesn't appear vacant and become an invitation to a burglar.

Is there standing water in your yard? With the rain that we have had, it's important to drain ponds and/or fountains in yards to eliminate standing water where mosquitoes can breed. Check other items outside your home that may collect rain, such as buckets, empty flower pots, and other containers, to be sure they are not holding standing water.

Thanks for your help in our extremely hot summer months.

As somethings slow down due to the hot weather, the Pro Shop staff is gearing up behind the scenes for another fun season. I will be ordering new range balls and scorecards. We will also be changing out the shoe brushes around the Pro Shop. Stop by our fully stocked Pro Shop to check out our closeout specials and our new summer hat supply. Our current golf rate cards can also be picked up in the Pro Shop. So stop by and visit with our friendly staff.

We do have some new staff members in the Pro Shop, so stop by and introduce yourself to them.

Buy your very own range pass (card), so you will not have to keep getting tokens from the Pro Shop. Stop by and ask for our pricing options and more details.

Please remember that monsoon season is upon us and along with the rain comes lightning. Whenever you see lightning, please get indoors as quickly as possible. Lightning is nothing to fool around with (just ask Lee Trevino). Also, drink plenty of fluids and keep your body hydrated. Carrying a wet towel is also a great idea with the triple digit temperatures that we are experiencing.

Superintendent - Michael Kropf

August, following transition, is normally the time of the year when the golf course really gets back into good shape. The increase in humidity and chances of rain really encourage Bermuda grass growth to fill in weak areas. However, this year with the changes in timing of chemical applications to earlier in the season, and having two weeks closed to sprig weak areas in June has resulted in the golf course recovering in July instead of August. This allows for an extra month of good summer conditions.

The extra month of growth will have many benefits for the future. Instead of trying to focus on growing shoots to fill in weak areas, the focus this year will be promoting more root growth. During the early part of August, the fairways are going to be deep-tine aerified. This will reduce compaction and encourage the Bermuda grass to push roots deeper into the soil. The improved root system will allow the golf course to transition better next summer with fewer areas to repair. Another benefit of having a better stand of Bermuda grass is providing a good seed bed for overseeding. The Bermuda grass provides protection for the rye grass seed to germinate so the results of overseeding going into the winter months will be very good.

The benefits of growing a healthy stand of Bermuda grass in summer impacts every golfer. The summer golfers get a great golf course to play, and the winter golfers get a great overseeded golf course to play.

Tubac was established in 1752 as a Spanish presidio. Today, artists are a more likely sight in this town than a military garrison would be. You can go to the internet and look up Tubac, and you will find there is a lot to see and do. Some 80 unique shops and galleries populate the village. There are also wonderful restaurants offering lunch. Why drive when you can enjoy the ride on a luxury bus? The bus will leave from behind the Welcome Center at 9:30 AM and departs Tubac at 3 PM. Get your ticket early.

Oct.-Apr., Wed., 9 AM, WC3

Please take the opportunity to join us and try out the Precept Inductive Bible Study Method. We meet every Wednesday, 9 AM, beginning October 12.

Our first lesson will be an eight-week study of chapters 13-28 of the book of Acts. We will learn, just as the early church, how these lessons are relevant in today's world. We also will learn about the application to our own lives. We suggest that

you consider the many benefits of our Bible study. The more we learn about our Lord, the more completely we can love Him, worship Him and live for Him. We are more likely to be efficient, disciplined and in-depth through studying in a group setting (rather than studying alone). Working, sharing and praying together will result in fellowship and new friendships.

There will be a good representation from the Clay Club in the fall Arts and Crafts sale scheduled for the first part of December, so items are flying in and out of the kilns. suncityilr.com

Summer courses continue into August. Thank you Jim Ford, Jane Myerson and Jim Williams for offering these free courses for summer residents.

Fall course registration resumes Monday-Friday, August 8-19. Check the website to be certain the course you wish to take is still open. There are no refunds if you sign up for a course that is indicated as closed before August. A new course, Sell Your House, has been added to the Fall Course lineup. You will only hear back from the Registrars if you did not make it into a class. Once you register, make certain to add the dates and times of each class for which you registered to your calendar so you do not miss a class. Also, please read the course description carefully to determine if you need a text or other materials. Having the materials as indicated by the moderator will make your course experience more enjoyable.

While you are preparing for classes, do you remember where you put your ILR name tag? It's the one that is on a blue lanyard that goes around your neck and has your first name in big, clear letters. When you find it, put it with your ILR reading materials or in your calendar for that first day of class. Wear it to classes. It is a big help to moderators and classmates in learning names.

Each year the Vistoso Photo Club awards one individual the Sal Ficalora Award for outstanding service as evidenced in participation, assistance and working for the betterment of the club. Laura Hackenbrock is the 2016 recipient of that award, and was recognized at the year-end Annual Awards Party.

Winning photos from the Annual Awards are displayed in our Catalina Vista gallery through September.

When you take a photograph, take the best one you can. Then, in post processing, try cropping to different compositions. Many times there are several smaller photos in a large one. Try one crop and then another. See which composition appeals to you. At our club meetings, you will be able to find out more about cropping.

Our first meeting of the new season will be September 28 for an open competition. Please join us. Guests are always welcome.

Mon., 10 AM-Noon, Desert Oasis

Membership in the Poets Corner has expanded and contracted over the years since its inception more than 16 years ago, but those who remain have been steadfast in their attendance. While some of us leave for all or part of the long, hot summer, we look forward to meeting on Monday whenever we're in town.

"The Poets Group", a recent poem by founding member Bunny Poll, describes the essence of why this is so without mentioning the lasting friendships and strong emotional support that keep us knit together as a group:

"So many years together/writing our poems/giving and getting critiques/why do I now notice deep lines/around cheeks, eyes, mouths.../They don't interfere/with the lines of poems being written.../lines deep from minds/still smooth and clear./ Though themes change/voices are strong/exchanges remain."

Newcomers will find a welcoming home here.

Whoever said that this is the quiet time of the year isn't involved in glass. We have been busy with new members and beginner's classes, microscope slide jewelry taught by our fearless leader, Lei Bammel and Mardi Gras plates from Wye Mace. The past month, our studio manager, Nancy Eckhoff, brought her organizational skills to help with members selection of molds, boards with examples of techniques.

There is always something going on and new folks to meet. Stop and see what you can do and surprise yourself. Thanks to all members who volunteer to wash towels, fire the kilns and bring their knowledge to share with us.

The Wimbledon Tennis Tournament from London, England provided some upsets and outstanding play with many of the matches going five sets. Two words were always mentioned by the announcers: fitness and nutrition. You can work with light weights to help keep your arms, shoulders and wrists flexible. Eating lots of fruits, vegetables and protein will help fuel your body, and hydration is essential.

Tennis Tip: When you play doubles, you need to think strategy. Having two opponents across the net forces you to use the whole court and understand which angles to hit and when to hit them.

Sun City Variety Theatre

Jacquie Katsones, jkatsones@yahoo.com

scovtheatre.com

Welcome to a new year for our Variety Theatre Club. We have many opportunities coming up for member participation in the new season, so now is the time to support your Theatre Group.

We have reluctantly waved goodbye to our board President, Marcy Simpson, as she and her husband Peter have moved on to Maine. We wish them much happiness in their new home. Jacquie Katsones will be taking the responsibilities of president for now. Stephanie Consalvo, with her many years of experience in theatre at SCOV, will take on the Secretary position. Joy Johnson has agreed to consult and has added her vast knowledge of theatre in all aspects of production to the group.

Planning continues for the new season, and we will keep all members advised via our Member Newsletter. Suggestions are welcome and can be submitted to Jacquie's email. Become a member. You will love the experience.

No experience necessary. This is the year to join. The most fun you can have in Sun City this winter. Call or email for more information.

Good news. The SCOV Board approved our application to become an official club. More information will be provided at our September meeting.

Our Auxiliary benefits Emerge! Center Against Domestic Abuse. Emerge! educates the community by providing presentations on domestic abuse as well as counseling to women and child survivors on handling conflict, trauma and abuse. Contact Nancy Williams to make donations.

We will be collecting this summer for our Fall Emerge boutique, so save those gently-used accessories (shoes, purses, scarves, jewelry, hats) until we let you know the donation details. We welcome new members and invite you to our next meeting September 13.

Next meeting Sep. 7, 1:30 PM, Desert Oasis/Saguaro

Many members are seasonal residents who are still away for the summer. With fewer members now using the shop, it is often less crowded, and more workspace and benches are usually available. This makes this the best time to work on large projects like cabinetry, furniture, etc. Normally, the storage of projects and materials in the shop is discouraged due to space restrictions which tends to discourage large projects, because moving them in and out of the shop frequently is difficult. With the possibility of more space being available during summers, short term storage of large projects may be possible. Before leaving these projects in the shop, however, be sure to get approval from the monitor or a club officer, and label the project with a name and phone number. Materials left in the shop without authorization and indication of ownership could be used by other members.
