From the Board of Directors

Our mission as the SCOV Board is to lead in maintaining and enhancing the quality of life in Sun City Oro Valley as an active adult community.

All Board minutes, agendas and reports are available online and in the SCOV Library. Board meetings are open to residents.

Board of Directors - Larry Webster

lwebsterscov@gmail.com

Community Leadership

I want to thank all of the candidates who ran for the SCOV Board of Directors positions. Your willingness to volunteer for the benefit and betterment of our community is admirable and appreciated. Congratulations to Jim Cherry and Tod Milton and welcome to the board. I, for one, look forward to a future of continued responsible management and oversight of this wonderful community in which we choose to live.

My bucket list included visiting all 50 states by my 50th birthday. My military career assisted in reaching this goal. Starting out in Hawaii, many people's, "hard to check off your list" state. Thus, I have seen portions of every state. Ironically, my long-planned retirement in 2020 and relocation ended up coinciding with the beginning of COVID. I have had time over these past few years to reflect on why we chose Arizona and specifically SCOV. The culture here is dynamic to say the least. Folks chose to live here over other active adult communities for various reasons including the amenities, location, and climate.

Community leaders of the past had a vision of progress and modernization while maintaining fiscal responsibility. They began with the maintenance of the current facilities and looked forward to community needs and desires for the future.

We may not see eye to eye on some issues, but in the end, we are neighbors, friends and family. Coming together and contributing as volunteers, committee members or voicing your opinions make this community continue to be one of the most desirable places to live in this state. Finally, I want to wrap this up with a few comments.

Just close your eyes, here one can walk outside and feel the warmth of the sun, hear the bees buzzing, smell the citrus trees blossoming and enjoy the wildflowers, now that's what I'm talking about.

For those who identify as "Aged Explorers," safe travels during your routine migration to your summer sanctuaries, and we will see you when you return.

General Manager - Mark Wade

Summer Wanderlust: A Friendly Reminder for a Blooming Community

As temperatures rise and the days grow longer, we bid farewell to those who are departing for the summer season. While we'll miss your presence in our community, we understand the allure of summer adventures and seasonal escapes.

Before you embark on your summer journeys, we want to ensure that your homes are adequately prepared for the hot months ahead, and that you remain mindful of the unique considerations that come with the changing season:

1.Home Maintenance: Prior to your departure, conduct a thorough inspection of your home. Check for any potential issues such as leaks, malfunctioning appliances, or hazards that may require attention. Addressing these concerns now can help prevent any unexpected surprises upon your return.

2.Temperature Control: With the scorching summer heat looming, it's crucial to regulate the temperature inside your home. Set your thermostat to a moderate level to prevent excessive heat buildup, which can cause damage to furniture, electronics, and perishable items.

3.Security Measures: Ensure the security of your home while you're away by securing all entry points, including windows, doors, and garage doors. Consider using timers for lights or installing smart home technology to create the illusion of occupancy and deter potential intruders.

4.Wildlife Awareness: As our community transitions into the summer months, wildlife may become more active in residential areas. Exercise caution when walking or spending time outdoors, especially during the evening or early morning hours, and be aware of your surroundings to minimize encounters with wildlife.

5.Community Connection: Stay connected with your neighbors and HOA resources even while you're away. Keep informed about any community updates or events and report any concerns or issues to the appropriate channels to ensure the continued safety and well-being of our neighborhood.

By taking these proactive steps, you can enjoy peace of mind knowing that your home is prepared for your absence and that you've taken precautions to safeguard your property and our community.

Safe travels and best wishes for a memorable summer filled with adventure and relaxation.

It's More Than Living... It's A Lifestyle!

Distinguished Service Award Recipients 2024

by Mike LaBarbera, Board President

Sharon Kennedy

Sharon Kennedy was born in Michigan and moved to Washington State with her parents and five siblings, in a station wagon full of goods. It was there she developed skills in managing, refereeing, developing options and compromise. She resided in West Seattle for 54 years and eventually married her high school sweetheart in 1982. Sharon found her calling working for 45 years in property development and the general construction industry where she spent 30 years as owner, estimator, and project manager of a 13-person pre-construction services firm before finally retiring. Sharon moved to SCOV in 2018 as a full-time resident and began volunteering within Sun City.

Sharon was the previous chair of Long-Range Planning Committee where she utilized a Capital Improvement Project rating matrix system to evaluate the ranking and importance of projects for the long-range projects 10-year plan. She led her committee of five to develop priorities for future projects weighted by cost, funds available, and importance to the community.

Sharon was also chair of the Activity Center Renovation Task Force where she coordinated with the architect and construction teams, meeting weekly to review the progress of ongoing work and schedule future items to be ordered and delivered.

Currently, she continues as chair of the Copper Center Renovation Task Force getting feedback from many community stakeholders to make the move to a bigger and updated facility. The Task Force developed a proposed floor plan to provide larger studio space for all artisans for safety, storage, and work areas, due to increased club membership. The increased space will affect all artisan studios at the Copper Center and the Artisan Center. Proposed dedicated space at the Copper Center will also include the Loan Room, Costume Closet, Table Tennis, Genealogy, and the Technology Club. She also developed a proposed floor plan for stakeholders at the Welcome Center enlarging the Library and administration offices.

Sharon is active in and currently president of the POP Tennis Club.

Linda Bretz

Linda Bretz moved from Nashua, New Hampshire to SCOV in September 2016 and was surprised to find there were few holiday lights around the SCOV buildings during the holidays. So, she decided to lobby the Board of Directors and Administration

to support her efforts in bringing the joy of the season through some additional holiday lighting around the SCOV property. She put together a charter and formed the SCOV Holiday Lights Committee, receiving approval from the SCOV Board and Administration.

Linda recruited volunteers to create the flowers in two-hour workshop sessions. In these sessions, she provided detailed written instructions and guidance on how to create the flowers. Creating the flowers requires a bit of hand dexterity, strength, and ability to complete a tedious task. Each flower takes at least four to eight hours to complete.

Along the way, Linda requested donations to support some of her costs, and for the first two years, Administration matched donations up to \$2,000. She then solicited donations from residents. In year three of the committee, she organized a Holiday Home Decorations Tour with the sale of tickets for the event to raise money for the committee's expenses. She recruited seven homeowners willing to open their homes for one day in early December to show off their holiday decorations.

The Holiday Lights Committee has created more than 500 flowers over the past five years for displays at The Views Restaurant, Avenue to the Views, Activity Center, Kiva Patio, Mountain Vista sign corner, Welcome Center sign entry and Sun City Oro Valley sign corner at Rancho Vistoso Blvd. and Del Webb Blvd. The Committee is now sunsetted but will provide guidance to assist SCOV Maintenance in installing and uninstalling the holiday lights.

Linda has led the SCOV Holiday Lights Committee for the past five years in assembly of the lights throughout the year, installation around the SCOV buildings mid-November and uninstalling all immediately after New Year's Day. The Committee has received many accolades from our community about the displays of these beautiful, unique holiday lights. Please join us in thanking Linda for her ingenuity and persistence in bringing this wonderful display to our community.

Guardians of Community: The SCOV Posse

In the heart of Sun City Oro Valley (SCOV), a dedicated force works tirelessly to ensure the safety and security of our neighborhood. Among SCOV's 23 committees, the Posse shines as a beacon of service. Comprising 104 volunteers, the Posse operates as a vital neighborhood patrol, executing essential tasks for the community's welfare.

However, challenges persist. Twenty-nine volunteers fell short of the minimum requirement of two patrols per year, leaving the burden on the remaining 75 to cover multiple shifts. Yet, within this group, 42 volunteers emerged as "Frequent Flyers," demonstrating exceptional commitment by conducting five or more patrols annually.

The Posse's guiding team leads by example, with all Squad Leaders and the coordinator completing a minimum of 10 patrols each year. This dedication sets the tone for the entire group and underscores their unwavering commitment to service.

The impact of the Posse's efforts is palpable. In 2023, patrols ventured out 214 times, marking a significant increase from the previous year and covering an impressive 65% of designated patrol days. Notably, patrols cease operation on major holidays, allowing volunteers to enjoy these special moments with their families.

The Posse's vigilance is evident in their statistics: 5,785 miles driven, 590 open garage doors noted, and 376 instances of RVs, trailers, or miscellaneous vehicles parked on the streets. Additionally, the Posse maintained a close partnership with the Oro Valley Police Department (OVPD), alerting them on eight occasions, including one involving suspicious activity near the pond by the Views Restaurant, which was promptly and professionally handled by law enforcement.

Beyond patrols, the SCOV Posse and Wheels for Kids collaborate with, their vehicle utilized 91 times, covering 1,209 miles to support the Posse's work and charitable endeavors.

In conclusion, the SCOV Posse epitomizes the power of community spirit and volunteerism. Despite challenges, their unwavering dedication to neighborhood safety is evident. Through collaboration with law enforcement and charitable organizations, the Posse continues to play a crucial role in fostering a secure and vibrant community within Sun City Oro Valley.

Drainage

It only makes sense that you would not want the water accumulated during a rainstorm or from your system to drain onto a neighbor's property. Our governing documents are clear about this. Development Standards Section 2.1.F addresses drainage as follows:

1. Drainage must remain on the Lot at all times until it reaches the street. Rear yard drainage should flow to the side yard(s), then to the front yard, and then on to the street. For street-facing side yards, drainage may flow from the rear yard to the side yard and then to the street. Drainage should flow about ten feet (10') away from the front and rear of the house at least five feet (5') from the sides of the house. No modifications to existing drainage to the golf course and to the common areas should be made without approval of the ARC and the Common Area Maintenance Supervisor.

2. Side yard drainage swales shall be maintained within

the Lot or along the common side Lot lines. Drainage swales shall be maintained in an open and unobstructed manner and must be capable of handling the Lot drainage runoff without overflowing onto adjacent property.

3. When any additions, alterations or renovations are performed to an existing home, the established Lot drainage may be altered, but must be maintained within the Lot. All new or altered roofs shall drain to the ground solely within the deeded Lot area. Roofs may not drain directly onto a neighboring property.

Greetings to all bibliophiles.

I am grateful for the opportunity to work with all the wonderful library volunteers and others who support the library. I will work to continue the traditions that everyone has come to love. Through-

out my life, I have had a strong connection with books and feel very at home in a library. I am originally from the East Coast and have lived in Tucson for the past 35 years raising my two kids. I love to read, cook and exercise.

A huge thank you to presenter Garry Buck for the Great Views event last month.

To all of you who have given me such a warm welcome and offered strong support as I learn my new role as the new SCOV librarian, thank you so much.

How much sunscreen should I use, and how often should I apply it?

Use enough sunscreen to generously coat all skin that will not be covered by clothing. Ask yourself, "Will my face, ears, arms or hands be covered by clothing?" If not, apply sunscreen. Most people only apply 25-50 percent of the recommended amount of sunscreen. Follow the guideline of "one ounce, enough to fill a shot glass," which dermatologists consider the amount needed to cover the exposed areas of the body. Adjust the amount of sunscreen applied depending on your body size. Apply sunscreen to dry skin 15 minutes BEFORE going outdoors. Skin cancer also can form on the lips. To protect your lips, apply lip balm or lipstick that contains sunscreen with an SPF of 30 or higher. Re/apply sunscreen approximately every two hours, or after swimming or sweating, according to the directions on the bottle.

Special Note from the AFC:

Orientation on how to use the gym equipment is held Thursday, 1 pm, so stop in and sign up. Classes are limited. Contact Lonnie Davis, AFC Coordinator, to discuss questions or problems with the AFC.

Association Committees

Active Health

Chair Rita Menet rita.menet@gmail.com

The Active Health Committee is taking a break from monthly presentations for the summer, but we want to encourage you to keep active and healthy. There are many opportunities to keep walking when it is hot outside. Walk with friends in the Auditorium from 6:30-7:30 am. If that is too early, walk indoors in the AFC on Mondays and Fridays from 1-2 pm. Or, if you just like to walk outside, join SCOV Walks Monday through Friday, 7 am from Catalina Vista or Desert Oasis, maps are available. Make a date and bring a friend so you will always have someone to walk with who will motivate you and make it fun. Ask others to join you and have the movement snowball.

First Wed., 11 am, WC1

The Aquatics and Fitness Advisory Committee will finish our work in May and begin meeting again in September. We have had a busy and productive year with the addition of new flooring in the fitness center, additional heaters for the pool, updates on the pool including ladders and decking and the Open House in January. We look forward to having updated pool furniture for both pools and updated cardio equipment in the fitness center soon. These items have been ordered and will be installed when they arrive. The fitness center will be down one day for the switch over of the equipment and Lonnie will post the date.

We have the Pool Usage Taskforce working on ways to improve use of the pool. One reminder to everyone is that Lane 3 is now divided into a and b for sign up. If you sign up for a or b, it is limited to one individual on each side for a total of two individuals for each time slot. If you have questions, please check with Lonnie.

Architectural Inspection Group

Conveyance Coordinator Lisa Orach 520-917-8072, scoroval@ciaramail.com

Meet fourth Wed., 2 pm

Thinking about selling your home? Don't forget about the SCOV required inspection.

There are three types of inspections available, you may choose the one that fits your needs. All SCOV inspections look at only the exterior of the home and property for any violations of our governing covenants. To request any of our inspections, please go to the SCOV Member web page, select Member Services, and then select the Sell Your Home icon and complete and submit the short form.

The listing inspection is requested by either the realtor or the seller at or near the time of listing and is good for 90 days. Once completed, a report of violations is sent to the realtor/seller. You may still have time to correct violations before entering escrow. When an offer is accepted, the violations are forwarded to the title company in a mandatory inspection compliance report. Remember that you must have either a listing or escrow inspection completed before the close of escrow. For further details, please contact the Conveyance Coordinator at the Welcome Center or by calling 520-917-8072.

Architectural Review

Dennis Bell 408-476-8291 ARC@suncityorovalley.com

Gutters and Downspout projects. For this type of work, be sure to keep three components for the submittal in mind.

1. The color of the gutters must closely match the trim, and the downspouts must also closely match the home base color. If the manufacturer finishes are not closely matching, make plans to have the material painted once installed.

2. The downspouts need to direct water away from the home and towards the established water flows of the yard. For many, it will be those dry riverbeds usually lined with river rock.

3. Water should flow to the sides of the property and then forward to the streets (or down the driveway). It is important to ensure the water stays in your yard, not your neighbors.

It is amazing that we spend so much time in the desert focused on water drainage. See Development Standards Section 2.15 for more details.

Code of Conduct Review Board

Chair Marlene Branz 618-670-1063 conduct@suncityorovalley.com

The Code of Conduct Review Board (CCRB) was established in 2023, and membership is five resident volunteers. The primary purpose of the Board is to investigate complaints submitted by residents. You can find the SCOV Code of Conduct in The Owner and Resident Handbook page 5. To file a complaint, look in the Members Section of the SCOV website.

Issues not covered by the Code of Conduct complaint process include law enforcement issues, SCOV Facebook posts, ARC issues and any conduct outside the SCOV boundaries.

Co-Pres. Carol Tombre mctombre@yahoo.com
Treas. and Membership Claire Wendt claire.wendt@gmail.com

We celebrated the Library's wonderful team of volunteers, said farewell to Michelle (Librarian) and welcomed new Librarian, Bonnie at an appreciation party in April. Moving forward, we see we need help from our Friends of the Library (FOL) members. If there are any "cinophiles," (movie enthusiasts) out there, we are looking to create a new program for FOL members, like Garry's Great Views. We are also looking for ideas and help for new fund raisers and free programs for FOL members. We have established a new program co-managed by FOL and the Library. Home Bound Books will deliver Library items to you if you are stuck at home due to health or physical issues. You must be a SCOV resident in good standing to use this service. Sign-up forms will be available in the Library or call Mary Moberg 701-367-6442.

As always, please join us every month for Book Bingo. See Coming Events for more details.

Mary Murck

Featured artists for May are Don Jovag and Mary Murck.

Don is well-known for his food-safe wooden bowls and platters that feature intricate designs he creates with different colors and varieties of wood. When you feel one of these bowls, you get an appreciation for the quality of his work, and his meticulous attention to finish and detail. Don also makes beautiful and durable segmented wooden bracelets and exotic wood earrings.

Mary loved art as a kid and always enjoyed handwork and creative projects. "While busy establishing my career, art was on hold for me until in my 40s when I discovered clay. The pieces I made by hand became my favorites. I could make any shape and create objects using my imagination." Her designs are mostly utilitarian such as bowls, plates, mugs and vases, but you can also find her whimsical birds and animal representatives throughout the shop.

Second Wed., 1 pm, WC1

www.suncityorovalley.com/committees/government-affairs/

On March 27 the Government Affairs hosted a forum on Oro Valley development and water.

The presenters were Oro Valley Mayor Winfield and staff, including the director for development and water. Approximately 90 residents attended. The presentation was well-received, and residents came forward with questions concerning the future of Oro Valley. One key takeaway was from Peter Abraham, Director of Water, who told us we are not running out of water, but we are running out of cheap water.

 Director of Golf Rick Price

The greens aeration begins May 20, with the back nine being closed for the day but allowing play on the front nine. The following day, we will aerate the front nine and open the back nine. When booking starting times, please indicate whether you will play nine holes only or play the same nine twice.

Thank you for a great season, and we look forward to continuing to serve you.

May is the time of year when the golf course maintenance department really starts to get busy. The transition from winter ryegrass to summer Bermuda grass is in full effect. The ryegrass has been chemically treated and is being slowly removed from the fairways and Bermuda grass is coming out of dormancy. As temperatures start heating up, the steps to transition Bermuda grass accelerate.

In the middle of May, the greens are going to be aerified and top-dressed similar to the fairways. However, the greens will be aerified with smaller tines so the playing surface can heal quicker. Since the greens are starting to develop more organic matter as they mature, a third aerification will be performed in June. Another spot aerification will occur throughout the summer in weak areas to continue incorporating soil amendments. In between aerifications, the greens are going to be verticut, groomed, and lightly top-dressed to maintain a smooth playing surface.

Our 2024 President's Cup winners, left to right: Pattie Shock, Pam, LaBrie, Nancy Klucking, and Cathy Morrow

Congratulations to Pattie Shock, our 2024 President's Cup victor. The title did not come easily. She had to win five matches. The last she won against Pamela LaBrie, winning on the 18th hole. Congratulations

to Pam for her success in reaching second place.

Congratulations to Nancy Klucking, winning third place, and Cathy Morrow, fourth place. Our match play competition began in January, with 32 contestants, and concluded

in April.

Our 3-day Solheim competition concluded in April with the Slicers winning over the Hookers. Barbara Hall led the Slicers and Debbie Huffman the Hookers. The Hookers won very big on the first day in best ball. The second day in alternate shot, the Slicers began a comeback, but were still behind. The last day, in individual match play, the Slicers took the tournament by one point.

The Casa Amigas sewing group created the "Quilts of Honor" to thank those who have served in harm's way to protect and defend our lives and freedom. The quilts were displayed last fall at Catalina Vista and the Activity Center and then sold with the proceeds going to the Veteran's Club for donations to veteran charities. Some quilts were given to veterans within

SCOV and patients at the Tucson VA Hospital.

The Foundation gave support to purchase material.

Cancer Support

Sandie Roberts 847-525-9239 sjrbrokeress@aol.com
Third Tue., 4 pm, WC2

Our Cancer Support Group encourages and welcomes all SCOV members who have been affected by cancer. This group includes everyone from those newly diagnosed, currently in treatment, cancer survivors or those who are caring for someone with cancer. Our meetings include a valuable exchange of information and discussion with those who have had cancer and undergone chemotherapy, surgery or radiation treatment. We learn from each other. Sandie Roberts, SCOV resident who has a family member dealing with cancer, facilitates the group. The focus of this group is to share feelings and experiences with cancer risk, current cancer and post-cancer. We discuss all aspects of the disease.

Caregivers of Loved Ones with Cognitive Loss

Eldon Ward with his art "Mission Bell"

Meet the artist Eldon Ward

Eldon Ward's art can often be seen in SCOV facilities, and two of his pieces are now hanging in the Activity Center, right outside the Bistro. Eldon's preferred medium is acrylic painting on

large wood panels. He often reuses old hollow doors and salvage and scrap lumber which he strips, refinishes, sands, cuts, patches, and then treats the panels like canvas. His beautiful art is large, heavy and creative. Eldon likes bright colors. Get up close to his work to enjoy the details and intricacies.

Eldon is a multi-award-winning artist with a fine arts degree, and his background ranges from interior/graphic design and urban design professional to architecture and civil engineering. He and his wife, Judy are Colorado transplants, having moved to SCOV six years ago.

Thank you, Eldon, for sharing your art with SCOV.

Kathy Mashburn creating her hand-built pitcher in a recent class.

The Clay Club Education Team is responsible for encouraging ongoing skills classes for our members. This winter and spring season, Clay Club members generously gave of their time and talents to present both beginner and intermediate classes. Classes have included pressed plates, the application of transfers and decals, sprigs (small molds), and handle design for mugs and other vessels.

Karen Kane and Mary Murck led an intermediate level class focused on hand-building pitchers. Nine participants and two observers learned to use a pattern and texture to create the pitcher. In addition, a very helpful lesson on pulled handles was presented by Mimi Werner. After the successful completion of this class, Karen commented that "everyone learned something. We all learn from each other."

Our next general membership meeting is Thursday, May 2, 1 pm, Activity Center/Kiva. This will be the last meeting until meetings resume in September.

Colored Pencil Plus

Co-leader Bette McGrath 815-347-4282
Co-leader Cathy Harrison 303-968-5545
Fri., 9 am-noon, Catalina Vista/Art Studio

Colored Pencil art is enjoyable, easy to learn and very portable. If you are an experienced Colored Pencil artist or just wish to learn, our members are supportive and always happy to advise or critique.

Please join us Friday mornings. Though our room is open year-round, many of our members return to their summer homes. This year in particular, full-time resident-members have travel plans. Summer attendance will be less than normal. Regular attendance starts up in October.

If you have any questions, please contact a co-leader.

Gourd Art

Susan Potter 253-722-4295
Mon., 1-4 pm, Fri., 9 am-noon, Lapidary Room

Members of the Gourd Club had a special opportunity to take a class with Bonnie Gibson. Bonnie is a nationally recognized and award-winning gourd artist.

We traveled to Bonnie's home in the Catalina foothills and spent a wonderful and informative day learning new techniques from the master gourd artist. Our newly acquired skills can be shared with new members and those who were not able to attend, so we all can grow in our craft. Please feel free to visit us in the Lapidary Room at the Artisan Center to see our SCOV artisans at work. Our members are always willing to help newcomers and seasoned artists as well. We have everything you need to get started.

Aviation from different eras

Modeler's club has many members interested in aviation. And our interest covers all eras. Shown is a model of Leonardo da Vinci's flying machine frame and the more modern F-15 Eagle. One is assembled from small sticks of wood and string and the other from molded plastic parts. Both require attention to detail and patience. The flying machine really moves and works as designed.

Our Easter open house was a fun success with 85 visitors attending to see the train layout with new sounds and lights. You could come anytime to see the room filled with models of all types. Consider attending our meetings the second Friday, 8:30 am, Catalina Vista, and the modeler's room the fourth Friday – same time. We have coffee, donuts, show and tell, and lots of history.

You don't have to model to attend or be a member.

The Sculpture Club meets on Mondays in Catalina Vista/Art Studio. If you are interested in becoming a member or learning more about our club, stop in on Monday morning or contact Dale Foster. Our sculpture pieces are in the glass case and art room window inside Catalina Vista, a showcase outside the library and inside the library.

The Sculpture Club uses polymer clay made by Sculpey which has several different polymers available for purchase. Our club provides, for purchase, the original and super Sculpey.

Most club members use the super Sculpey to make their sculptures. There are numerous companies that make polymer clays. They all have different properties and react differently to paint, varnish, glues, etc. It is important to research how the clay you choose reacts to various finishes. Alleda

Haug located a website called Blue Bottle Tree that has a wealth of information on the various clays and their interactions with other products.

Prepping for the fund raiser of the year!! Was a success? Yes sir.

Spring is finally here. At our final meeting of this season, the club determined to subsidize our charitable organizations for their summer needs and, therefore, will send additional funding for food, hygiene items, clothing, and other needs they may not receive during the long summer. The charitable organizations who will be receiving these funds are Family First Pregnancy Center (Oracle), Three Points United Community Health Center, Tri-Community Food Bank (Mammoth), Sunrise House (Sells), Tu Nidito (Tucson), Ronald McDonald House (Tucson) and Wheels for Kids (SCOV partnered organization). Explanations of these charitable organizations will follow in future issues of SFK Tipster articles.

We will also sponsor "School Socks for Kids" drive during the month of July. Watch for more news about this in the June issue and TWISCOV.

Sewing machine orientation Lesley Monroe 509-947-5669,
Mary Jo Miller 701-641-3141
Mon. and Thu., 9 am-noon, Artisan Center/Sewing Room

After a pretty busy winter, the Sewing Room is beginning to empty out as several of our members leave for the summer. Since the beginning of the year, Casa Amigas has completed 150 Christmas place mats for seniors. We have started on 400 Christmas stockings for foster children. This is in addition to the sleep sacks, pajama sets, crib sheets and single sheets that we are always working on.

We love what we do, and we receive such satisfaction from sewing for others. We always welcome new members and are willing to help orient others to serging, quilting and using the embroidery machine. Summer is a good time to join us when it isn't so busy.

Cheer Bears

Pat Norton 480-993-8762 panpan9803@yahoo.com
Wed., 1-3 pm, Artisan Center/Sewing

Cheer Bears is a group of sewing people who care about putting happiness into the lives of children in distress. We donate our bears to groups of first responders, child advocates and anyone who can get our bears into the hands of those who need to be uplifted.

Sewing is not all this group does though. We spend time getting to know each other, what is important in each of our lives, where is the best place for a haircut or pedicure, and the best dining places. We have at least a quarterly lunch together. Could you enjoy sharing with a group like that? Then come join us and sit at our table in the sewing room on Wednesdays 1-3 pm and share time while creating love.

Thank you to the Tennis Club for your generous donation. We always put donations to good use.

The Tapestry Hooking and Fiber Arts group meets on Tuesday mornings in the Sewing Room. If you are interested in our group, stop by the Sewing Room on Tuesday mornings between 9 am - 11 am. The group provides materials and instruction for those interested in learning hooking.

In the picture, Jane Honeywell is displaying her most recently completed project to be used as a bench cushion. It took Jane about a year to complete this project so, needless to say, hooking requires some patience. Jane used a #6 (3/16 inch) cut for the background and #4 (1/8 inch) cut for the feathers. As you can see in the picture, using a small cut wool for the feathers allowed Jane to add more detail with the various colors. Hooking with a wider strip for the background made the project go much faster. Most rug hookers find filling in the background boring.

Pet Beds

Jan Bohe 520-825-9725

Tue., 1-3 pm, Artisan Center/Sewing

Can you snip fabric into tiny pieces? Our little furry friends at the Humane Society need an extra touch of kindness while waiting for adoption, so we create soft, comfy beds from fabric sewing scraps and poly-fill. I was told they will accept towels and wash rags also. What we need at the sewing center are large pieces of cotton fabric to make the pillowcases. So clean out your linen closet. We invite you to join us for a laid-back afternoon (two hours). If you are interested, join us Tuesday, 1 pm. Call me if you have questions.

Every Fri., 9 am-noon, Catalina Vista

If you have a craft that you started and need to finish, bring it to Show 'N Share. You will be amazed how the opportunity to put aside up to three hours each week can get that project finished. Our group will inspire, encourage and help you to accomplish your goal. Come as a visitor, join as a new friend.

Silversmith and Lapidary

Pres. Ric Raynor 520-528-1060 raynorrr@gmail.com
Summer shop hours: May-Sep., Mon.-Fri., 9 am-12:30 PM
Next club member meeting is Oct. 7

Last month we completed unfinished projects. Our Overlay projects are nearing an end as many of our members head to their summer homes. We wish them well. This is a nice time to be in the silvershop. It's not as chaotic but is slower paced. Members are prioritizing their projects for the hot summer ahead.

John Hursh's nautilus fossil and stained glass project.

We have some very creative members in our club. John Hursh is one of them and says he likes to combine various elements in his glass projects often using both fused and stained glass together in many of his pieces. The picture shown is just one such project.

It starts with using a nautilus fossil that had been sawn in half and then selecting glass that seemed a perfect match to enhance the fossil. According to John, "it created itself." For John, our community glass club has enriched his

life both artistically and socially. Take a beginner's class in either fused or stained glass and unleash your hidden creativity.

Four turners at work.

It wasn't long ago when the woodshop had only one lathe capable of turning large bowls and similar projects. Bowl turning has become an increasingly popular hobby, so the number of

lathes has grown to four. If we had more room, we would keep more lathes busy as well. Not all turning activity occurs on lathes. Our table saws, band saws and sanding machines are kept busy preparing pieces to be worked on lathes and applying finishing touches. So, most days, the shop is humming with activity, much of it supporting lathe projects. Lathe projects can begin as precisely cut-and glued-together segments of various wood species and sizes for segmented turnings, or as a portion of a log to become whatever the turner has in mind. You can see what some members produce by visiting the Gift Shop and by viewing items in Artisan Center display windows.

"An artist's impression of the Wolfe Disk (similar to ours) in the early, dusty universe. It is the most distant rotating disk galaxy ever observed, located in the constellation Cancer. (Credit: NRAO/AUI/NSF, S. Dagnello)"

On Thursday, May 16, 7 pm, Activity Center, Navajo Room, Lily Whitler will speak about New Eyes on the Sky: JWST View of the Early Universe. Ms. Whitler, a graduate student in astronomy and astrophysics at the University of Arizona, will describe recent breakthroughs in the study

of the early universe and what comes next in understanding galaxy formation and evolution. Her research focuses on how galaxies formed within the first few hundred million years after the Big Bang and how they influenced the overall evolution of the universe. Residents are welcome. No tickets or reservations required.

On Thursday, May 16, pm, Activity Center, Janet Wood will be our guest speaker, presenting "The Life Cycle of Stars." She will discuss the dynamic processes of stars being born, living, and dying in a never-ending cycle of creation

and destruction. How and when did the true nature of stars come to be discovered? What is the potential for the James Webb Space Telescope to help unravel the mysteries surrounding the formation of the very first stars in the universe?

She has been a NASA/JPL Solar System Ambassador volunteer for 22 years and gives programs on astronomy and space science to communicate the excitement of NASA's space exploration missions and discoveries with a wide variety of audiences in communities across the nation. She holds a master of science degree in geoscience education with an emphasis in planetary science. This free event is open to everyone.

Japanese haiku contain 17 syllables in three lines of 5, 7 and 13 and often "evoke images of the natural world". Club member Alice Hutchison has taken the form a step further allowing reflection and emotion and even a sense of spirituality into the following selection of pithy poetry.

Be with the mountains
Not with the troubling world news
Enjoy your own space
Beauty midst the ruins
Weeds are peeking through the rubble
Surging life prevails
Staring into space
Wondering what lies beyond
Unfathomable
Church is on the trail
Everywhere something lives
True divinity

A poetic form may provide a framework, but this poet fills it in with profundity.

We encourage resident poets to join us in the travels we take with words. Please request a Zoom invitation to attend.

Meetings second Tue., 1 pm, Auditorium, Oct.-Apr.

Thanks to all the volunteers, and everyone who opened their yards for the Garden Walk. It was a beautiful day to spend touring gardens. This year, we had an information garage with displays about rainwater harvesting, water conservation, and plant selection for our desert environment. It was wonderful to take a break during the tour and deepen our knowledge of desert gardening. The tour funds our beautification project in the common areas in Sun City.

A gentle reminder: The potted plants in the entry to the gym and pool are checked daily by a Garden Club member with a moisture meter. Please do not add any water to the pots—over watering causes root rot, and the loss of the plant. Thank you, and thanks to our beautification committee for their work.

Fourth Sun., 2 pm, Activity Center/Hopi

Throughout the summer we are offering free field trips to various senior residences such as Fairwinds, Country Club, Desert Springs, The Fountains and others. Transportation, a typical lunch served to residents, a tour of the premises and an opportunity to ask in-depth questions of the marketing staff are included. These trips are for researching the differences between senior residences so you can make an appropriate and timely choice for yourself and/or loved ones before a crisis strikes. Roni Landsberg, our speaker on Sunday, May 26 at 2 pm, the Hopi room, has a lifetime of experience working in the industry. She will introduce you to major variations between senior residences. Learn what questions you should ask about costs, extra fees, licensing, levels of care, pet policies, waiting lists, laundry services, dining options and so much more.

Well now, did you stay or did you go? Whatever you did, wherever you are, "just keep on dancing." For those of you who stayed, Sun City Kactus Kickers has a roundup of country western dancers and lovers of live band music. On Friday, May 10th, 6-8:30 pm, in the Auditorium, the popular local band, Clear Country, will play the tunes you love to step and move to. It will be a great night of social entertainment. Members \$10 pp at the door/non-members \$15 pp. You may BYO drinks and snacks. We welcome beginner and seasoned dancers and just the curious.

Those who wish to consider learning basic country partner dancing, contact kksco@gmail.com. We will send you information for lessons that begin in January. However, registration starts in November and class size may be limited.

A summer dance in SCOV is planned for Friday, June 21 featuring Wild Ride band.

Tue., Thu., Sat., 8 am, AFC/Pool

Arthritis Water

Pres. Norma Waters normawaters1@hotmail.com
VP Paul Mercer pawmerc@gmail.com
Mon., Wed., Fri., 1 pm, AFC/Pool

Come join us Mondays, Wednesdays and Fridays. We meet when the air temperature is 77 degrees or warmer, as recommended by the Arthritis Foundation.

Our club performs gentle water exercises which target all muscles and are used by several health organizations to increase strength and balance, and to increase mobility/flexibility.

Water exercise is especially helpful for arthritis, fibromyalgia, replaced joints, etc. Some new members have expressed their surprise at how quickly the first couple of sessions have already increased their abilities to move, still others are commenting on improved stamina.

New members are always welcome. Our members are fun, accepting and welcoming. We frequently hear "I came for the exercises and love all of the friends I have made."

The yearly dues are \$5, and your first class is free.

Energetic Exercise

Pres. Anne Palmer 520-289-9140 palmersaz03@gmail.com
Mon., Wed., Fri., 8-9 am, Activity Center/Auditorium

Recent Valentine Luncheon at Olive Garden

The goal of Energetic Exercise is to develop and maintain strength, balance and heart health. Members receive a monthly calendar that tells the focus on the day, such as aerobics, cardio-tone or interval training. Equipment such as hand weights, resistance

bands or balls adds variety and is always optional. Everybody moves at their own pace and adjusts to individual needs. Dress is exercise casual with sport shoes required. Membership in the Energetic Exercise Club costs only \$3/ year, and then members purchase a 12-class punch card for \$30. Newcomers can try a first class for \$3 and are welcome to stay for the coffee social at the Bistro every Wednesday. There is no online registration: just show up and say hi to the people at the entry desk.

Pilates

Mary Ayers 520-638-7916 scov.pilates@gmail.com
Mon., 3 pm, Thu., 1:30 pm, AFC/Studio

To get the full benefits of Pilates a person needs to be patient and, at first, take a little time performing the exercises. They may be different from those you are used to doing but they are fun, interesting, and challenging. Pilates can become addictive. It teaches proper balance, breathing, how to focus on your core (abdomen and back muscles) and movement control. The constant movement from one exercise to another results in developing more strength and stamina. Even posture is improved. The spine lengthens and joint flexibility and mobility increase. SCOV has two experienced instructors who teach the mat Pilates classes and they modify some of the moves for us. The cost is \$8/class and the annual club dues are \$20 pp. Please stop by and watch a class. Call Mary if interested.

Tai Chi

Gail Barr 303-995-7485
SCOVTaiChi@gmail.com
Thu., 10-11:30 am, AFC/Studio 1

The Spring Tai Chi session is currently underway. Classes are taught in 10-week sessions and are offered three times per year in the fall, winter, and spring. The next course will begin the first Thursday in October. Plan to join us in the fall to learn this meditation in motion. No prior experience necessary.

Practice sessions are available year-round for club members. Contact Phyllis Burks for information or questions.

Yoga

Come for a friendly game of bridge. Renew those old friendships and meet new friends.

Marathon Bridge

David Kuker david.kuker@gmail.com, 405-204-8921

Find a partner and join our club. We will play once a month (your choice of date) through April 2025, in your residence or your opponents' home. There is a one time entry/prize fee of \$15 pp. Contact David Kuker for further information.

Mixed Social Bridge

Pres. Don Wheeler 520-334-7578 don8359@gmail.com
Mon., Wed., Fri., 8:30 am, Desert Oasis/Ocotillo

The Mixed Social Bridge Club plays contract bridge in an informal, relaxed environment. Do you love to play bridge, but haven't found a group? Join us, new players are always welcome. Everyone who comes will sit at a table and play. If needed, we will make adjustments for uneven numbers. We arrive a few minutes early to find a partner and socialize. We have coffee, and members often bring goodies. It's a lovely, fun atmosphere with friendly people. You don't have to commit to play all three mornings (but you'll probably want to). For more information, contact Don Wheeler.

Partners Tuesday Night Bridge

Pres. Larry Parks, VP Janelle Parks
Sec. Louise Fraser 520-825-9592
Tue., 5:45 pm, Activity Center/Navajo Rooms

Please join us for a friendly game of bridge on Tuesday evenings. Our group is pleasant and helpful. Bring a partner and \$1 each to put into the pot. There are winners every time we play. Arrive before 5:45 pm and we promise you an enjoyable evening. We finish at 8:30 pm. Please congratulate Leo Kelly (L) and Terry Hauger (R) for their bid and making a Grand Slam in March.

Mah Jongg

Casual Mah Jongg

Judee Wickersham, 520-989-3254
 1st, 2nd, 3rd and 5th Tue., 1-4 pm, Desert Oasis

Come and play on Tuesdays for a casual, fun game.

Thursday Mah Jongg

Cathy Morrow 360-739-0376
 Thu., 1-4 pm, Desert Oasis

We started using the new 2024 Maj card last month. How do you like it?

Kudos to the winners of our March tournament day. Carol Wyatt took first place followed by Myrna Ramsey and Nancy Montgomery took third. A special shout out goes to Annette Cody, our innovative tournament coordinator. Great job Annette. This ends our annual tournament season for 2024. Start practicing for next year.

Another trivia question: Can your hand be called dead if you exchange a tile for an exposed joker before you pick a tile from the wall? Yes. I didn't know you could be called dead for that, did you?

Women's Pan (Panguingue)

Claudia Case 206-579-6500
 Mon., Fri., 12:30-4 pm, Wed., 9 am-12:30 pm, Desert Oasis/Saguaro

Pan (Panguingue) is a very exciting game and different from any other card game you have ever played. If you like poker-type games, you'll love Pan. There is a winner in every hand. If interested, please come and observe. We can teach you to play.

Pinochle

Dave Flatness 425-443-3708
 Wed., 5:30-8:30 pm, Desert Oasis/Ocotillo

We play single deck and rotate partners every four hands. Bring \$1 for your tally. If your skills are a little rusty, we can get you up to speed quickly. Annual dues are \$5 pp.

Poker

Dealer's Choice Poker

Friday Night Poker

David Dellinger 480-620-5519 davidjdeljan@aol.com
 Fri., 5:45-8:45 pm, Desert Oasis/Saguaro

We play easygoing poker with low stakes. Games are high only, five-card draw, five-card stud, seven-card stud, Texas hold'em, Omaha and criss cross. No dues. Bring your own refreshments. Cards are provided. Dealer antes 5¢ per player and chooses the game. Absolute requirements are to leave politics and religion at the door and enjoy three hours of no-hassle, understandable poker. We welcome new players. Bring nickels, dimes and quarters.

Call David if you would like to review rules of play before your first game. Show up at 5:30 pm so we can start playing by 5:45 pm.

Super High Rollers Poker

Steven Dirks 520-429-3303 stevenkdirks@gmail.com
 Mon., 6-9:30 pm, Desert Oasis

We play four high-only games: Texas hold'em, Omaha, pineapple and seven-card stud. We use chips; bets are \$1-\$3. We also want to find out how much interest there is in having an occasional higher limit or no-limit game with possibly a single buy-in. That way, we can avoid the drive to the casino and the casino rake. Contact Steve Dirks.

Scrabble

Jan Fischer 520-825-2401 fischer_janice@comcast.net
 Fri., 1-3 pm, Desert Oasis

Throughout the world, no matter what ethnic background or location, in the scheme of things, words are important. Words express happiness, sorrow or dismay. Scrabble is a word game that can build a larger vocabulary. Many of our residents had important high-powered careers, but since retiring have let aging slow our pace, and memory is not as sharp as it once was. The game of Scrabble is used to help stroke or traumatic brain injury patients regain speech and memory ability; it also keeps our minds sharp and increases cognitive ability. Join the club and build your vocabulary.

The Gambel's quail is one of three quail species in south-east Arizona. Noted for laying eggs in strange places and producing cute offspring, they are ubiquitous here in SCOV. But if you want to see the other two species, you need to join our group on field trips to Willcox for the scaled quail and hope to get lucky in Patagonia for the Montezuma quail.

We are a 110-plus member, activity-oriented group and all SCOV residents are invited to join us on our field trips to learn more about the birds here in Arizona (we carpool). Since we enter our summer hiatus in May, we only have one trip scheduled, but may do one or two ad hoc trips if we get some cool days. If you are interested in joining us, ask Peggy (above) to be added to our mailing list.

Gun Club

Pres. Joe Noll 229-894-0412 janoll41@aol.com
Next meeting will be in October

The SCOV Gun Club stresses safety and education on proper handling of all firearms; pistols, rifles and shotguns. Discussions this year include cleaning and lubrication of pistols; basic function and operation; target and defense shooting; position and sight picture; ballistics, muzzle energy and basic reloading procedures. Speakers include certified firearms trainers, veterans and those with legal backgrounds.

All interested persons are encouraged to attend, regardless of experience.

Sun City Gun Club will not have any formal meetings over the summer. Our next meeting will be Wednesday, October 9th. In the meantime, contact Joe Noll with questions.

May may be the best month for POP Tennis at Desert Oasis courts. Paddles are available for beginners, who are always welcome. Fast-moving doubles play and lots of laughs guaranteed. For more information, stop by DO courts on above times/days or call Kevin Harney.

Racquetball

Pres. Kim West 520-343-0662
VP James Hansen 520-490-0547
Sec./Treas. Gary Henson 262-573-6605
Mon., Wed., Fri., 7:30-9:30 am, AFC/Racquetball Court

Our Spring BBQ was well attended.

Our Spring BBQ was held March 28 at Desert Oasis. Master Chefs Jerry Moss and Mike Harrison grilled the burgers to perfection.

Anyone who's ever played the game or would like to give it a go, come join us. We have players at all levels. Spare rackets are in the storage room, we supply the balls; just be sure to bring safety goggles. We play 7:30 – 9 am, Monday, Wednesday and Friday. Want to practice to see if it's for you? Come at 9: am and one of us will be glad to stick around to help you.

Our club has great camaraderie. In addition to racquetball, we've gotten together to play pickleball, bocce ball and table tennis, plus enjoy social get-togethers.

If interested in joining the fun, contact our Treasurer, Gary Henson. Dues are only \$5 annually.

Table Tennis

Co-Pres. Pat Norkooli pattynork@gmail.com
Co-Pres./Treas. Ursula Jarvis ukjarvis@comcast.net
Tue., women 1:30 pm; all play 3-5 pm
Thu., all play 4:30-8 pm;
Sat., Two sessions, all play 9-10:30 am, 10:30-noon
Sun., all play 1-3 pm. All play is at Catalina Vista

Spring Get Together Fun Had by All

Tennis

Pres. Mark Lankes mjlankes@yahoo.com
For a schedule of club play and membership, go to www.scovtennis.com

As we say goodbye to our seasonal friends, tennis keeps on going. Look for earlier starting times as the heat rises. We had a great season with some new additions such as our website at www.SCOVTennis.com, and Wednesday Nite Lites. We had new tournament winners and made new friends. Our women's team was competitive and fun to watch. We had a great outing at the University of Arizona, watching the Arizona Men's Tennis Match and dinner after. Before you know it, we will be starting up again in the fall. Keep an eye on the scheduled activities, look for pictures in the gallery, and read the weekly news at www.SCOVTennis.com.

Wallyball

Co-Pres. Don Kahl, 605-310-3270 kahl.don@gmail.com
Co-Pres. Gene Ostrowski 571-246-2171 gene.ostrowski74@gmail.com
VP Chris Baird 520-344-9170 cbaird@gmail.com
Treas. Deb Ostrowski 571-246-2117 mizdj11@aol.com
Competitive play Tues. and Fri., 12:45-3 pm Wallyball/Racquetball Court

Wallyball is volleyball played on a racquetball court. With three to five players on each side, it is fast, fun and a great workout that tones muscles and improves coordination. Players use the walls to create angles on shots but cannot use the ceiling or back wall of the opposing team.

We welcome new members, both men and women. Come see if the game is for you.

Water Volleyball

Pres. Dick (Paco) Munson 520-225-9080 DMunson47@gmail.com
VP Barb Satterly 520-825-8965 Craftylady838@aol.com
VP Pete Coy 360-739-4100 Petecoy@gmail.com
Treas. Tim Murphy 845-519-8881 TMurphy@fallenwoods.com
Recreational play Sun. and Thu., 10 am-Noon, Desert Oasis pool
Competitive play Mon. and Wed., 10 am-Noon, Desert Oasis pool

Now that Spring is here and the days are getting warmer, we are seeing more folks show up to play both recreational and competitive water volleyball. If you are curious or just wonder what all of the laughter and cheering is about, stop by the Desert Oasis pool but bring your suit because you may be compelled to join in the fun. Nearly anyone can play recreational because the play is casual. Competitive is for the most athletic players. Hope to see you soon.

TAKE ADVANTAGE OF STUDIO LIVING!

Have you considered the many benefits that come with community living?

MORE SOCIAL ENGAGEMENT

Research indicates that residents spend more time engaging with their neighbors when they live in a studio apartment.

EASY TO FURNISH AND MAINTAIN

Less is truly more. Bring just what you need to simplify your life.

LOWER COSTS OVERALL

Our amenities and services are the same no matter what size apartment you live in. Lower monthly rent means more to spend on what matters most to you!

SAFETY BENEFITS

Less furniture and clutter mean fewer obstacles to navigate, which is known to help prevent falls.

"Trying to decide what Realtor to use to sell your home is a taxing decision. However, once we met Brenda the worry was over. She is so knowledgeable and informative about the real estate market in Oro Valley. What impressed me initially from our first conversation on the phone, was Brenda's confident attitude and pleasant personality. You know you have someone who has your best interests at heart and will represent you completely."
