From the Board of Directors

Our mission as the SCOV Board is to lead in maintaining and enhancing the quality of life in Sun City Oro Valley as an active adult community.

All Board minutes, agendas and reports are available online. Board meetings are open to residents.

Board of Directors - Jane Fairchild President

jfairchildscov@yahoo.com

In the 1970s, a British rock band wrote the lyrics: "communication is the problem to the answer," meaning that when there is a problem, the root cause often lies in a lack of effective communication. According to Google, "by improving communications you can usually find a solution or answer to the issue." The current Board of Directors is committed to increasing the clarity and transparency of our communications. Occasionally, we are somewhat restricted in legal situations; thankfully those are rare.

Two recent examples of this objective are 1) starting an on-line posting of published community messages from the Board for member reference (Members>Board>Communications) and 2) the publication of a detailed SCOV organization chart, which has long been a request from this community. You can find the organization chart on our website (Members>Staff). Included is a brief description of each department and a break out of the number of employees. The job description links will be added by the end of February.

We have undertaken an additional project to strengthen the visibility of the standing committees that report to the Board: Architectural Review, Aquatic & Fitness, Finance & Budget, Golf Advisory, Long Range Planning and Properties. We interviewed the chairpersons of these committees to get their feedback on the level of the current communication and support and asked them for improvement recommendations. The results and planned actions from this study were discussed at the January Board meeting. The considerable contribution of the dedicated volunteers who serve on these committees is critical to the operation of SCOV. We could not operate without them. The Board believes they deserve greater visibility from a better-informed community, and we plan to deliver just that.

General Manager - Sandy Seddon

sseddon@suncityorovalley.com 520-917-8080

As the budget process gets underway, SCOV department heads are diligently assembling their financial plans for the upcoming fiscal year. Each leader is tasked with creating a first-round draft that reflects their department's operational needs, strategic initiatives and projected goals.

In preparation, they review past performance data, analyze current expenditures and evaluate upcoming projects that may require additional funding. Collaboration is vital; department heads often meet with their teams to input and ensure that every area of their operations is represented.

They also consider external factors, such as market trends and organizational priorities, aligning their budgets with the broader goals of SCOV. With a clear understanding of their needs and the overall vision for the organization, each department head works to strike a balance between essential expenditures and cost savings.

After compiling their proposals, they will present them to me and SCOV's Controller Randy Trenary in individual meetings, to discuss resource allocation and strategic priorities. This collaborative effort is crucial for developing a comprehensive budget that supports the organization's objectives while staying financially responsible.

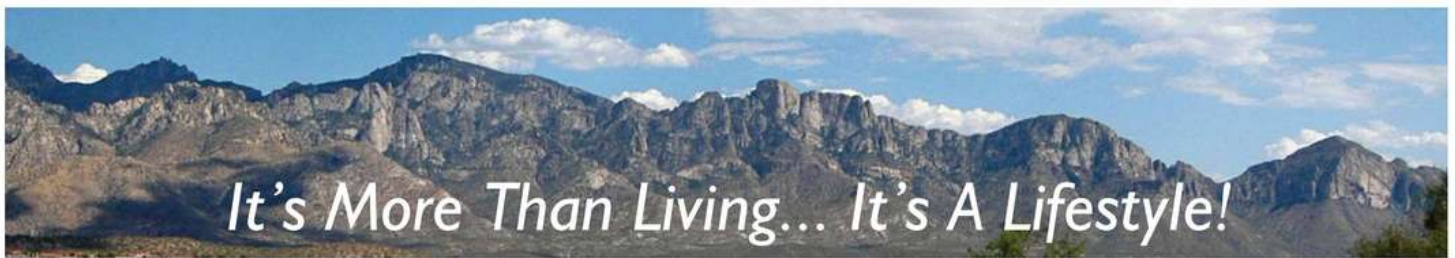

We look forward to presenting a draft budget to the Finance - Budget Committee and Board Treasurer in February. Upon review and discussion with the Committee, they may make changes or recommendations. The budget draft recommended by the Finance- Budget Committee then moves to the Board of Directors for their study and contemplation. Formal approval of the 2025/2026 Budget by the Board of Directors will be no later than the April Board meeting.

Experience the Best of HOA Living in Oro Valley, Arizona

Nestled in the scenic landscape of southern Arizona, Oro Valley is a place of stunning desert vistas, tranquil surroundings, and vibrant community life. For many residents, one of the best aspects of living here is the sense of community fostered by homeowners' associations (HOAs). While opinions about HOAs vary, those in Oro Valley provide unique benefits that enhance the quality of life for their members.

A Community Designed for Comfort and Aesthetics

HOAs in Oro Valley are dedicated to maintaining the beauty and harmony of their neighborhoods. From well-maintained streetscapes to consistent architectural designs, these associations ensure that every home contributes to a cohesive aesthetic. This not only enhances the neighborhood's visual appeal but also helps preserve property values, making it a wise investment for homeowners.

For instance, many HOAs enforce landscaping standards that align with the region's desert environment, encouraging sustainable practices like xeriscaping. These efforts create an environment that's not only beautiful but also environmentally responsible, blending seamlessly with Oro Valley's natural charm.

Shared Amenities for Enhanced Living

One of the standout features of living in an HOA community is access to shared amenities. Oro Valley HOAs often offer amenities like swimming pools, fitness centers, tennis courts, and community centers. These facilities foster a sense of connection among neighbors, providing spaces for recreation, fitness, and social events. Rather than having to maintain such facilities individually, residents share the costs and benefits, making them more affordable and accessible.

Beyond recreation, many HOAs also manage community parks and walking trails that take full advantage of Oro Valley's breathtaking surroundings. Residents can enjoy the outdoors, engage in physical activities, or simply soak in the stunning views of the Catalina Mountains without leaving their neighborhoods.

A Strong Sense of Community

Living in an HOA fosters a sense of community that is difficult to replicate elsewhere. Many associations host regular events, such as holiday gatherings, movie nights, and fitness classes, which allow residents to connect with

one another. These opportunities for interaction build friendships, promote neighborly goodwill, and strengthen the social fabric of the community.

HOA communities also tend to prioritize safety and security. Many neighborhoods have measures like gated entries, neighborhood watch programs, and well-lit common areas, ensuring that residents feel safe and secure.

Professional Management and Conflict Resolution

HOAs in Oro Valley often employ professional management teams to handle the day-to-day operations of the community. This means residents don't have to worry about managing common areas or addressing maintenance issues on their own. Additionally, HOAs provide a structured process for resolving disputes, whether they involve property boundaries, noise complaints, or other neighborhood concerns. This system helps maintain harmony within the community.

A Lifestyle of Convenience

Living in an HOA in Oro Valley is about more than rules and regulations; it's about enjoying a lifestyle of convenience and quality. The guidelines set by HOAs are designed to protect investments, enhance daily living, and create a neighborhood environment where residents can thrive. From the picturesque landscapes to the vibrant social life, HOA communities in Oro Valley offer an exceptional living experience.

In summary, choosing to live in an HOA in Oro Valley is choosing to be part of a community that values aesthetics, amenities, and a shared sense of purpose. It's about embracing a lifestyle that balances the serenity of desert living with the conveniences of modern amenities, all while fostering connections with neighbors who share similar values. For those seeking a high-quality life in one of Arizona's most beautiful locales, an HOA in Oro Valley is undoubtedly a wonderful choice.

SCOV Residents Benefit from Single-Vendor Trash Service

In SCOV, our community thrives on efficiency and shared benefits. One such enhancement is our single-vendor trash and recycling service, a system that has been in place since 2020. This program was made possible by a vote from the membership, demonstrating the power of collective decision-making to improve our neighborhood.

Through our contract with Republic Services, SCOV residents enjoy a remarkably low monthly fee of \$13.99 for trash and recycling services. This competitive rate is an outstanding benefit for all homeowners in our community, saving time, money and resources compared to individual arrangements.

An important feature of this service is that the Association acts as the mediator for all service-related issues. Residents should note that contacting Republic's general customer service line will not yield assistance. Instead, the best way to address any concerns is by completing the dedicated form on our SCOV website under Member Services. This form goes directly to the dedicated team handling the SCOV account at Republic.

While Republic Services strives for reliable and timely pickups, occasional delays may occur due to unforeseen circumstances, such as mechanical failures or personnel shortages. Nevertheless, the company maintains a high level of efficiency and commitment to serving our community.

By adopting the single-vendor trash service, SCOV continues to demonstrate its dedication to providing outstanding services and fostering a well-organized, cost-effective environment for all residents. If you have any questions or concerns about trash and recycling services, please visit our website for further assistance.

How to Prevent Future Stress

Over the time you have lived here, many of you have made upgrades to your homes. In most cases these changes have been approved by the Architectural Review Committee (ARC) or in-house staff in advance of construction. However, for one reason or another there have been times when some have failed to go through the process either because they didn't know it was necessary or didn't feel it was necessary.

Regardless of the reasons, our governing documents (to which we all agreed when signing at escrow) clearly define what exterior projects need the approval of the ARC in advance of work. Those upgrades such as roof lift and relays, replacement windows, room additions, roll-down patio shade screens, roll-down window shade screens, walls, fences, gates, house paint, and awnings all need prior approval. Most exterior changes to your lot or dwelling require some sort of HOA approval.

Please remember that the Architectural Inspection Group is required to perform an inspection prior to closing a sale on your home, and non-compliant changes must be addressed prior to closing.

If you have remembered after the fact that you installed a new roof, etc. without the approval, it is important to update your resident file by going through the process. Your resident file will be up-to-date when it is time to sell your home and you will avoid the hassle of trying to bring your property into compliance at that time. There is enough pressure during that period; so don't delay. Contact Katy Mosier, Architectural Coordinator to bring your property into compliance now to avoid any additional stress when you decide to sell your home. If you need help with the process, she will be happy to help you through it. Email: project@suncityorovalley.com or call 520-917-8058.

This month we will be hosting author, Rosemary Simpson, a local historical mystery writer. Her *Gilded Age Mystery Series* includes nine books, the most recent is *Death Takes the Lead*. Her books are packed with suspense and are richly plotted. With vivid recreations of the world of nineteenth-century New York City as well as an intriguing investigative duo, mystery readers who appreciate period detail and enjoy well-written and well-researched historical mysteries will be hooked. In addition to the *Gilded Age Mystery Series* she has two stand-alone historical novels, *The Seven Hills of Paradise* and *Dreams and Shadows*. Rosemary is here Wednesday, February 19, 10 am-Noon, Catalina Vista. Tickets are available Monday, February 3, in the Library. If you would like to pre-order a book for her to sign, we will have a flyer with a link for Stacks Book Club.

As you can see, we have decided to change the format of the monthly financial summary. Above is a financial snapshot for first 6 months of the 2024-25 fiscal year. We thought it would be helpful to show a breakdown of our Assets & Liabilities as well as an overview of our Operational and Restricted Funds. If you prefer the prior format, or wish to see the report in greater detail, go to Members/Financials/Monthly Financial Statements on our website, suncityorovalley.com.

The next Finance - Budget meeting will be on Monday, February 24th at 1:30 p.m. in the Welcome Center Conference Room 3 and by Zoom. Please note the time change from 1-1:30 pm.

If you have any questions, please feel free to call me at 917-8060, or email me at rtrenary@suncityorovalley.com.

Recreation and Fitness - Lonnie Davis

ldavis@suncityorovalley.com 520-917-8073

Why is balance training important?

When we walk, lift weights or perform any daily movement (from standing up from a chair to bending down to pick something up), our body recruits stabilizing muscles for balance. These include smaller muscles in your feet and around your ankles, muscles in the front and sides of your hips and muscles of the core that help with posture and trunk stability. Strengthening these muscles helps to improve our overall body mechanics, allowing us to move more efficiently and reducing the risk of pain and injury.

Not to mention that our balance is a reflection of our overall health, especially as we age. A bonus is that balance training fires up the core. By incorporating balance training into your routine, you won't only be stronger and more stable in your daily movements, but you may also feel tighter and more toned in the midsection.

Orientation on how to use the gym equipment is held Thursday, 1 pm, so stop in and sign up as classes are limited. Alice Shabel and Muriel DeLaVergne-Brown

Alice Shabel started making stretch rings at the Gift Shop because they can easily expand and contract, allowing a comfortable fit without causing pain or discomfort when fingers fluctuate in size throughout the day.

In addition to the stretch rings, Alice makes earrings, bracelets, and necklaces using tiny glass seed beads. Glass seed beads are incredibly versatile, come in a vast array of colors and finishes, and are consistent in size and shape, making them perfect for intricate beading projects.

Since retiring and moving to SCOV Muriel now has the opportunity to pursue her love for art, specifically painting and fused glass. You can find her work in the Gift Shop and at the Roche Diagnostics Ventana Gallery, where two of her paintings were accepted for the January 28 show.

Stop by the Gift Shop to see these and other unique items made by SCOV residents.

Long Range Planning

Second and Fourth Wed., 9 am CV/Mt. Kimball and Zoom

The Long Range Planning Committee (LRPC) continues working on its Benchmarking Project. The Wednesday, February 12 meeting will have a few local realtors joining us to discuss what future buyers are looking for in an active 55+ adult community. This information will assist the Board in planning for and prioritizing community needs and future amenities.

Any resident interested in learning more about the work of our committee and/or providing input is welcome to attend.

Loan Room - Community Assistance

Loan Room hours: Tue., Thu., 8-9 am

www.suncityorovalley.com>members>services>loan-room

The Loan Room is a free service to SCOV residents and renters. All you need is your SCOV card when you come in to pick up items. This is a busy time of year, so it is helpful if you make a reservation up to two months in advance for any items that you need. We run out of items around the holidays, so make your reservations early. Medical items have a two-month loan period, and other items are available for up to two weeks. Please remember to always clean the items you have borrowed before returning them. We have an online catalog on our SCOV Loan Room website. We welcome visits to the Loan Room to explore our inventory, which is shown in our catalogs available at the Loan Room Counter. Remember, we have a SCOV Community Recycling Program, and proceeds from recycled cans support our Loan Room inventory. We welcome your donations.

Take Time to Look

Next time you check your mailbox, take a moment to assess its condition. Does it need a new coat of paint? With the cooler weather upon us, it might be the perfect opportunity to refresh the pole, box and flag. If you prefer not to tackle the painting yourself, you can find names of local professionals in the Consumer Referral Vendor List who can help at a reasonable price.

Also, please remember once your trash bins have been emptied, make sure to store them away so they're not visible from the street or your neighbors' properties.

Another important detail to consider is the lighting over your house numbers. Ensure they are all functioning properly, as this is crucial for your safety in case an emergency vehicle needs to locate your address quickly.

A big thank you to all Sun City residents who take pride in maintaining the beauty of their homes and yards. You truly enhance our community.

Do you want to help the Posse but are unable to go out on nighttime patrols? Consider becoming a Posse Board member. There are six meetings a year (November-April). How about becoming our Secretary/Recorder. As Secretary, you take notes during our meetings and post them on our website. The Recorder maintains our list of members and the number of patrols they each do during the year.

In the past month, we have added a few new Posse members but still need 50 to reach our goal of 200. Thank you and welcome to our new members. For more information on becoming a Posse Board member or to join the Posse, please call Linda above.

Director of Golf - Rick Price

rprice@theviewsgolfclub.com 520-917-8086

We want to thank you for supporting The Views Golf Club. Your passion for golf and unwavering commitment to our community have driven our success, and we are truly grateful.

Last month's Golf Advisory meeting discussed the pros and cons of overseeding. The committee wanted to create a community forum to discuss it further. Monday, February 10, 10 am, we will hold a community meeting to discuss the future oversight of our golf course. This meeting will provide an open forum to examine the pros and cons of continuing our current operational structure versus exploring alternative options. Together, we will evaluate factors such as playability, financial impact, community benefits, operational opportunities and long-term vision for the golf course. This discussion is vital in shaping the path forward, and your insights, questions and feedback are essential to ensure that the decision reflects the best interests of our community. We encourage all members and residents to attend and participate in this important conversation.

We are pleased to present exciting events and activities for February.

Explore the latest in golf club technology with club fitting opportunities with the following manufacturers: Callaway, Cleveland, Cobra, PING, PXG, TaylorMade and XXIO.

It's time to clean out your garage or maybe add to it. Our Rummage Sale to support our Cure for Cancer event for the Kids of Steele is Friday, February 7, 1-3 pm, driving range.

Rent a table or purchase items. Limited spots are available. Contact the Pro Shop for more information.

In addition to these exciting events, Chip & Putt starts back up Thursday, February 6. Our weekly golf clinics are every Tuesday at 9 am. These clinics offer valuable insights and hands-on instruction to help you refine your golfing techniques and enjoy the game even more.

We look forward to welcoming you to our upcoming events and sharing the joy of golf in February. Thank you for being part of The Views Golf Club family.

Director of Golf Maintenance - Michael Kropf

mkropf@suncityorovalley.com 520-917-8063

The golf course continues to be in good condition. The fairways and tees are green and beautiful. Now that the roughs are completely dormant, the brown outlines and enhances these green colors. However, the better the overall condition of the course the more the little blemishes stand out like traps not being raked, divots not being filled correctly, ball marks on greens and golf cart damage near cart paths.

A problem that looks bad is green divots in dormant brown areas. When the roughs were still green during the fall, golfers could get confused about where to use sand/seed divot mix versus straight sand. Now that the roughs are dormant and have turned brown it is much easier to determine the difference between overseeded grass and non-overseeded grass. Please use the sand/seed mix in overseeded areas and straight sand or no mix in non-overseeded areas. Chemically removing seed/sand mix takes extra time and expense that can be avoided.

Temporary bunker sand was placed in the greenside bunkers to improve playability this golfing season. The bunkers are raked on a daily basis to maintain good conditions with the new sand, but it looks like golfers aren't raking the sand during the day. Please rake footprints when playing shots out of the sand, so the next player has good conditions.

Another issue continues to be golf carts hanging one tire off the edge of the path creating bare areas of dirt. Keep all cart tires on the path to preserve the health of the turf.

Golf Advisory Committee

Chair Mel McIntyre

golfadvisoryscov@gmail.com

First Wed., Nov-May 2 pm WC3 and Zoom

As a member of the Greenside Bunker Task Force, I would like to explain how the process works. Main objective is to improve the playability of the course by eliminating unnecessary bunkers. Most people would agree that our bunkers are the worst aspect of our beautiful golf course. They are poorly constructed, have no drainage, and are a nightmare to maintain. The goal was by eliminating unnecessary bunkers Mike's crew would be better able to maintain the bunkers that remained.

Many people have said that we were making the course too easy. A few interesting facts: The average age of SCOV golfers is 75. The average men's handicap at SCOV is 17, average ladies' handicap is 27.

Match Play champions

Our 2025 season is underway with a variety of tournament formats to keep it interesting. Near the end of last season, we held the President's Cup, our match play event held over three days. Bob Kornkven (not pictured) won the first flight. The photographs of champions from flights

2-6 are in order from left to right: Steve Latusick, Bob Gannon, Denny Fisher, Sam Phillips and John Olson.

Our next major event the Club Championship, is Wednesday, March 5, Saturday, March 8 and Wednesday, March 12. We have elected a new Board of Directors:

President: Bob Gannon

Vice President: Denny Fisher

Secretary: Mike Meyers

Treasurer: Ron Mitzel

Member at Large: Stephen Thompson

We want to recognize and thank the outgoing president, Kevin Devaney, for all his leadership and contributions to our club over the past few years.

Here we are in the heart of the high season, and we are 93 strong and growing. February is a busy month with our second league meeting on Wednesday, February 5 followed by Saddlebrook Home and Away on Wednesday, February 26 and Thursday, February 27. Remember if you want to play at Saddlebrook the field is limited to 35.

As of this writing the league has not had a Hole-in-One and the pot continues to grow. I need you guys to focus and get one. This month's picture is Peter and Pete in search of a 1. Demo day at The Views was January 31; I hope you all bought new drivers. Remember, a driver is not an accuracy tool, it is a distance tool, so swing hard.

If you are thinking of joining the league now is the time. You will have a guaranteed tee time on Thursday morning, and you will meet a great bunch of guys.

And as we say, "Half the time, Twice the fun".

Our new member orientation includes local rules instruction. In December, Marty Blakely, our Rules Chair, conducted a class on the course rules training. New members attending were Cyndi Brooks, Donna Tetreault, Connie Nielsen and Debbi Holden.

Last month, we were delighted to welcome new member Laura McCambridge. She is from Washington and now lives in Sun City. The heart of our competitive season is now underway. Our President's Cup started in January and will conclude in March. It is our net matchplay championship.

Our Club Championship will be in March and is a three-day event. Our member guest is here Tuesday, March 25. The chairs are Betty Bittle, Patti Thompson and Mary Ellen Tovatt.

The ever popular Solheim Cup begins Tuesday, April 8 and concludes Tuesday, April 15. The team captains are Kelli Mannon and Nancy Klucking.

There was an amazing two holes-in-one in the same week and on the same hole. This new year is off to a rousing start for the 9-hole Women's Golf Club. Members Jan Lohrentz and Nancy Kunes both aced hole #3 in the first week of the new year. This is especially fun since no one had a hole-in-one last year, doubling our prize pot at the end of the season. Jan and Nancy will divide the money unless there are more lucky ball strikers. It could be you. We'd be happy to have you join us for great golf, fun game day events, luncheons and fellowship. See Carol Johnson (info above) to sign up.

Club members with Bob Underland

Former club member, Bob Underland (in the middle) was surrounded by some of his many friends during his recent visit to the Modeler's Club Christmas open house. Bob contributed many structures to the model railroad, notably the farm buildings on the layout, reminiscent of his childhood in South Dakota. Model building can be another form of

storytelling.

We had a wonderful Christmas open house with 80 plus visitors and some model kits given to young and future model builders.

Join us at our twice monthly meetings. The first meeting is the second Friday, 9 am Catalina Vista and the second one the fourth Friday, 9 am Modeler's room. We have donuts and coffee at both, and we share our projects, techniques and some great stories.

Open Studio Artists

Pres. Carol Nagel 520-825-3097 carolm93@comcast.net
Tues., Wed., Thu. and Sat. 9 am-1 pm, CV/Art Studio

If you are a new resident or are thinking about starting a new hobby, you should visit the Art Studio. Visit on Tuesday and you will find many watercolor artists. Wednesdays and Thursdays, mostly oil and acrylic painters are working. If you are a beginner, there are usually several artists in the room to offer help.

case outside of the library and inside the library.

The picture is "Me? Move? Seriously?", the name of a recently completed sculpture created by Trace Getz. You can view this well-read cat in the Sun City Library. For the armature/structure of this sculpture, Trace began with a piece of wood in the middle for stability and added bulk with aluminum foil. After shaping the foil into a cat form, Trace added an outside layer of polymer clay. He then purchased beaded eyes which really give this cat an intriguing look. Trace chose a metallic finish which adds to the elegance of this cat.

The Sculpture Club meets on Mondays in CV/Art Studio. Anyone interested in becoming a member or learning more about our club, stop in on Monday morning or contact Dale Foster. Our sculpture pieces are in the glass case and art room window inside Catalina Vista, a show-

SFK is a 501(c)(3) tax-exempt organization

Calling all crafters, quilters, woodworkers, toymakers and multi talented adults that just love to have children enjoy their lives. We are planning two car woodshop work days in March and in April. Watch next month's Tipster for more details.

Seniors for Kids is a 501(c)(3) organization that works to supply the needs of children and to keep smiles on their faces. We believe that "Living is Giving and Giving is Living." For all the joy that we are able to give to the children we serve, in return, we receive the 'busy..ness' that keeps us moving no matter how tired we feel at times. This chance to give, gets us out of our beds and houses daily and gives us the meaning we all need in our lives. If you are looking for such a place, come join. We definitely have a use for your talents and friendship, and we welcome you to come and get involved.

Pres. Carol Myers 715-754-2824

At our annual meeting in December, Sue Lane was recognized for her eight years on the Board of Thimblelenas. Her contributions to our club go way beyond the titles she's held. Please congratulate her on all she has done and continues to do for Thimblelenas. This past year our club has contributed over 2,000 items to charities in our area. Please stop by during any of the scheduled club sessions to learn more about what we have to offer. Sewing, tapestry, fiber arts, machine embroidery, making pet beds, quilting and above all, friendship.

Cheer Bears

Wed., 1-3 pm, ART/Sewing

We are embroidering faces, sewing bodies, stuffing them with love and filling the shelves for the next set of bears to march out to new families.

If you find you have some polyester fiberfill or flannel pieces, we are in need of the fill to plump up the tummies and flannel to make the bodies of the bears. Donations are always accepted. Thank you all for your support.

We are proud that our group sent over 500 bears to deserving children in 2024. We still were able to take time off once in a while for team building at a restaurant or ice cream shop.

Casa Amigas would like to thank everyone for donating used sheets to the sewing room. One of our community organizations, More Than A Bed, is always in need of crib sheets and twin sheets. Our group sorts through king and queen sheets, separating those with permanent stains or being too threadbare. Then we cut to a crib sheet size and serge new elastic to convert to a usable crib sheet. New crib sheets, as well as other items we make, are expensive to purchase for foster parents. We can provide a little relief for this organization by providing crib sheets, fleece sleep sacks for babies and beautiful infant and children quilts. Thank you SCOV residents. Keep those used sheets coming.

The Tapestry Hooking and Fiber Arts group meets on Tuesday mornings in the Sewing Room. If you are interested in our group, stop by the Sewing Room on Tuesday mornings between 9-11 am. The group provides materials and instructions for those interested in learning hooking.

Most of our members are working on hooking projects while others are working on knitting projects. During the holiday season, Coni Arseneau took a break from rug hooking and crocheted some holiday projects. The angel in the picture was one of her completed items. Coni used Elmer's glue to stiffen and shape the angel. Coni also enjoys crocheting doilies. She used one of her doilies in a hooking project which is in the middle picture. The crocheted doily on the right, has not been blocked and she will be using it in another hooking creation.

If you have a dog or cat, you probably already have a comfy bed for them. It's getting cold outside, and we want to provide comfy beds for the Humane Society animals waiting for adoption. We create all sizes of colorful pet beds using washable fabric scraps and polyester fiber fill. We can always use more large pieces of cotton fabric and more volunteers. We have a good time with plenty of conversation while we work, so why not join us some Tuesday afternoon in the Sewing Room?

Chuck Dugan will conduct a Star Party, Monday, February 3, 5:30 pm, the Views Golf Course parking lot. Attendees will be treated to viewings of Saturn, Jupiter and its Galilean moons, Mars and the Orion Nebula.

Our February meeting speaker is Dr. Joseph Schools who will discuss the different heat release processes of our solar system's rocky planetary bodies and how they relate to the potential for life beyond us. Dr.

Schools was a NASA Postdoctoral Program Fellow at the Jet Propulsion Laboratory and is now a researcher studying the magma ocean of Io Jupiter's moon and features on Venus. Venus presents a mystery because it does not appear to have tectonic plates or massive volcanic eruptions as do other rocky bodies. Dr. Schools is researching other clues and he may have made a breakthrough.

Mon., 10 am-Noon, call for location or invitation to Zoom

February always brings back memories of sharing those first hand-made valentines with everyone in the class. Growing up we get more selective, but nobody likes to feel neglected. Spread the love around. Here's a versified valentine from long time club member Sharyn Rafieyan:

My Hero

Fanfare for the man
defining kindness
by his deeds
whose deep blue eyes
see clearly
others' needs
selflessness
may blind him
to the price
gallantry
will override
advice
a warrior
whose mission
makes him fight
incensed
by all the wrongs
he'd like to right
an unassuming hero
with a small
but vocal choir
staunchly loyal
to this man
they all admire.
He's not perfect
only human
but he clearly stands apart.
He's the knight
I always dreamed of
and I've offered him my heart.

As always, we welcome new poets to the group. Come, zoom with us.

Conscious Aging

Pres. Phyllis Burks 520-245-2785
SCOVConsciousAging@gmail.com
Wed., 9-10:30 am, AC/Navajo

Conscious aging is about the inner work of reorienting ourselves as we turn from our roles we assumed while managing careers and tending families, to turning inward and cultivating a deeper awareness of who we are now. Our goal is to discover how to face the known and unknown challenges of aging. With the help of our community, we are pondering the questions: Who am I? What are my values? What do I believe? What matters most to me? This inner work is supported by mindful movement such as qigong, guided meditation and book study, which draws from psychology, sociology, metaphysics, philosophy and meditation. Conscious aging is about accepting who we are now. Our meetings consist of a short period of easy mindful movement, followed by guided meditation and discussion. Please contact Phyllis for information, or email the club.

Second Mon., 3 pm, Catalina Vista

Our February meeting will feature Pima County GOP Chair Kathleen Winn. Kathleen has been active as an advocate for trafficked victims and vulnerable children in the foster care program. She worked to create the Task Force Against Senior Abuse, and she served as the Community Outreach and Education Director for the AZ Attorney General's Office. She focused on veterans' issues and helped establish the Veterans Courts. As a candidate for AZ Congressional District 6, her platform focused on border security and controlling excessive spending. Currently, Kathleen hosts a conservative talk show called "Winn Tucson" at 1 pm on KVOI-AM 1030.

All are welcome to come hear Kathleen speak Monday, February 10, 3 pm, Catalina Vista.

Kactus Kickers currently has beginner and level 2 country western dance classes underway in SCOV. Dances covered are two-step, patterns, country waltz and some swing.

The music is lively and upbeat and dancing is a great way to exercise both mind and body.

Dances are held monthly in the Auditorium with live bands on stage and offer a great night of social gathering and entertainment.

Our February dance is Friday, February 14, Valentine's Day. What a great activity to spend with your special someone. Tickets will be sold within the next few days. Watch for special notices regarding those sale dates and times or contact kkscof@gmail.com for more information. The band Clear Country will play from 6-8:30 pm. Doors open earlier. Seating may be limited.

Looking ahead, also mark your calendars for the Kactus Kickers March dance to be held Friday, March 14 with Wild Ride.

Aqua Tone

Irmel Wheeler 520-334-0957 irmel5596@gmail.com
Tue., Thu., Sat., 10 am, AFC/Pool

Aquatone is a toning water workout that incorporates a variety of rhythmic body movements. This aquatic exercise class enhances cardiovascular fitness and muscular endurance.

There is no fee to join this club or the class. The teachers are club member volunteers. Participants should be able to do a basic swim stroke. Items used in the class are buoys, boards, noodles and a fitness band. Most of these items are available at the pool. We assign an experienced member to a newcomer to help learn the various movements. We enjoy a great workout in a fun class.

Arthritis Water

Pres. Norma Waters normawaters1@hotmail.com
Vice Pres. Andrea Houston ahoust2@lsu.edu
Fall and Winter Hours - Mon., Wed., Fri., 1 pm AFC/Pool

In February we are offering indoor arthritis chair exercise classes most Mondays and Fridays, 10 am.

Our Monday, Wednesday and Friday water classes will be 1 pm, AFC/Pool when it's warm enough. The Arthritis Foundation recommends meeting when the air temperature is 77 degrees or warmer.

Our club performs gentle exercises that target all muscles. They are used by several health organizations to increase strength and balance, mobility and flexibility. Exercise helps manage arthritis, fibromyalgia, replaced joints, etc. Some new members have expressed surprise at how quickly the first sessions had already increased their abilities to move. Others comment on improved stamina.

New members are always welcome. Our members are fun, accepting and welcoming. We frequently hear "I came for the exercises and love all the friends I have made." Yearly dues are \$5 and your first class is free. There is no fee per class.

Energetic Exercise

Pres. Peggy Smith 520-400-8659 pdsaz@aol.com
Mon., Wed., Fri., 8-9 am, Auditorium

Our much loved teacher Sally Martinez celebrates her 30-year anniversary of teaching aerobics in Sun City with a host of class members.

The goal of Energetic Exercise is to develop and maintain strength, balance and heart health. Members receive a monthly calendar with the focus of the day, such as aerobics, cardio-tone and interval training. Equipment such as hand weights, resistance bands or balls add variety and are always optional. Everybody moves at their

own pace and adjusts to individual needs. Dress is casual with sport shoes required. Membership in the Energetic Exercise Club costs only \$3/year. For classes, members purchase a 12-class punch card for \$30. Newcomers can try a first class for \$3.

Pilates

Mary Ayers 520-638-7916 scov.pilates@gmail.com
Mon., 3 pm, Thu., 1:30 pm, AFC Studio 1/2

Guess what? It's already the second month of 2025 and time to consider a new exercise routine. Why not try the SCOV Pilates Club mat classes? They are held in the AFC Mondays and Thursdays. The exercises strengthen your core (abdomen and back muscles). You will also notice that you have better balance, more muscle tone and increased stamina. People always ask "can the benefits from the stretching and strengthening exercises really develop the body's core, increase spine mobility and build flexibility?" The answer is a definite yes. We have two experienced instructors and the cost is only \$8/class, with annual club dues of \$20 pp. Please feel free to stop by and watch.

Sunrisers Exercise

Joyce Wisbey 520-825-5425 bwisbey90@msn.com
Shirley Dubansky 520-975-4100
Mon., Wed., Fri., 7-8 am, AFC Studios 1/2

Sunrisers Exercise Club offers a one hour class that will get your day going. Mondays, Wednesdays and Fridays we meet at 7 am, AFC/Studios. Mondays and Fridays we incorporate weights into the program and on Wednesdays we add a balance program. We have all levels of participants, this is your exercise program. There is no charge for the class or to join the club. Come give us a try.

Tai Chi

Gail Barr 303-995-7485 SCOVTaiChi@gmail.com
Thu., 10-11:30 am, AFC Studio 1

The Winter Tai Chi session is currently underway. Classes are taught in 10-week sessions and are offered three times per year in the fall, winter and spring. The next course will begin in March. Join us in the spring to learn meditation in motion. No prior experience necessary.

Practice sessions are available year-round for club members. SCOVTaiChi@gmail.com or contact Gail for further information or questions.

Birders

Peggy Smith 520-344-0991 pdsaz@aol.com
www.scovbirding.wixsite.com/birdersgroup

Credit to Steve Holmes

The greater roadrunner, a member of the cuckoo family, is sometimes called the All American Bird because of the red, white and blue plumage in the back of the eye. It eats mostly lizards and snakes but will snag a bird if it gets a chance, including hummingbirds because, with eyes aimed upwards, the hummers may fail to see the danger below. By the way, roadrunners don't go beep, beep.

We are a 130+ member, activity-oriented group and all residents are invited to join us on our field trips to learn more about the birds in Arizona. Below is a list of upcoming outings. If you are interested in knowing more, contact Peggy (above). Also, ask to be added to our mailing list.

 VP Ginny Howes, kandghowes@comcast.net
www.scovbocce.weebly.com
 Mon., Wed., Fri., 2-4 pm Bocce Courts

Bocce is a fun, easy-to-learn activity that people of all ages and abilities can enjoy. Newcomers are always welcome and may play once without joining the club. Dues are \$5/year. Please arrive 15 minutes before the starting time. For more information and to learn the rules of the game, go to our website (above). To reserve a court during non-club times, check the Court Reservation System on SCOV's website.

Gun Club

Pres. Joe Noll 229-894-0412 janoll41@aol.com
 Second Wed., Oct.-May, 2 pm, CV/Mt. Lemmon

The SCOV Gun Club stresses safety and education on the proper handling of all firearms; pistols, rifles and shotguns. Discussions this year include cleaning and lubrication of firearms, function and operation, shooting positions, ballistics and basic reloading procedures. Speakers include certified firearms trainers, veterans, law enforcement and legal professionals. All interested persons are encouraged to attend, regardless of experience.

Hiking

Pres. Jacob O'Neill jakemponeill@gmail.com
 Scheduled hikes are posted on the website
www.scovhiking.org

February is a great month for hiking. Though the weather may start out a little chilly, it usually warms up by mid day and doesn't get too hot. By late February there are usually poppies and early wildflowers blooming. Our hiking leaders have been busy planning a full month of hiking opportunities to suit everyone. Each of our hikes is led by an experienced guide and groups are usually small so everyone can get to know each other. Although most hikes are close to SCOV, we have had hikes ranging from the Organ Pipe cactus monument, the Superstitions, the Dragoons and the Chiricahua's. To join in the fun, sign up for an orientation hike, officially join the club (\$10 dues) and you're all set. Orientation hike dates and signups are located at www.scovhiking.org. Also available at this website are descriptions of scheduled hikes. Join soon and you can come to our spring picnic on February 25.

Pickleball

Pres. Phil Rose rosegp@msn.com
 First VP Ralph Perillo reperillo@hotmail.com
 Registration is on the website: www.scovpb.org

Connie Wheeler and Beth Nuveen partner in the first league match of 2025.

We are in full swing into the winter schedule, and all seven of the pickleball courts are buzzing with play much of the time. Players of all levels have opportunities to play throughout the day. Levels include Beginner, Recreational, Casual, Competitive and League. There are mixed and women-only opportunities, as well as open times to schedule the play and people you enjoy.

You must be a member of the Pickleball Club to participate in club activities. The court schedule

and registration are on the SCOV PB website. Game On.

Tres. Mike Labarbera
Tue., Thu., Sat., 9-11 am; Advanced Play Fri., 9-11 am
Ladies Group Mon and Wed. 10 am-Noon Desert Oasis Courts

Motley Crew of SCOV Pop Tennis

Casual play utilizes blue base and sidelines (smaller court) and lower velocity balls. Regular play uses blue base-line and white sidelines (tennis single court). Balls have slightly less velocity than regular tennis balls. Serves are under-hand. The rest of standard tennis rules apply. New players are welcome to play in either group. It is great fun, exercise

and camaraderie. We have equipment available for you to use. Annual dues are \$5.

Racquetball

Pres. Kim West 520-343-0662
VP James Hansen 520-490-0547
Sec./Treas. Gary Henson 262-573-6605
Mon., Wed., Fri., 7:30-9:30 am, AFC/Racquetball Court

Socializing after the games.

Racquetball is great exercise, and we welcome new members, experienced or novice. We have players at all levels, men and women. If you have ever played in the past and want to get reacquainted with the sport, or if it's something you'd like to try, come join us. Spare rackets are in the storage room, and we supply the balls; just be sure to bring safety goggles. Want to just practice to see if it's for you? Stop by around 8:45 am, and one of us will be glad to stick around and work with you. Our Spring BBQ will be on Thursday, March 27. Details will be in next month's *Tipster*.

Club members have great camaraderie, and we often enjoy socializing off the court. Annual dues are only \$5. If interested in joining the fun, contact James above.

Thu., all play 4:30-8 pm
Sat., Two sessions, all play 9-10:30 am, 10:30-Noon
Sun., all play 1-3 pm. All play is at Catalina Vista

Fun Times...

Welcome to all table tennis players. Whether you are a current member or have not played table tennis since you were a kid, come on over to Catalina Vista and join us. We have times available for you to test your skills with our current members or you can bring your own partner. It is fun and

you'll get great exercise no matter your age or ability. We are a welcoming group who are ready to help you get back into the game. Our annual club dues are \$5. If you are not a club member, or already have a partner, come an hour after the club intervals. Club members play at the beginning of the intervals and rotate and play with all who show up regardless of skill level. We play mostly singles but doubles is becoming more popular.

Tennis

Pres. Mark Lankes mjlanckes@yahoo.com
For a schedule of club play and membership, go to www.scovtennis.com

SCOV Tennis Club is pleased to sponsor the 2025 Mariachi Concert on Sunday, February 16, 2 pm Activity Center. Tickets to club members will be available during club play on Wednesday, February 5 and Saturday, February 8, A/C. Public sales will be available Monday, February 10, 9-10:30 am, A/C, Tuesday, February 11, 1-2:30 pm, A/C and Friday, February 14, 2-3 pm, Acti. Tickets are \$15. Do you remember your first bike? Wheels for Kids is a 501(c)(3) nonprofit organization dedicated to providing rehabbed bicycles to children and families in need in the Tucson area. To date, we have donated 5,200 bikes to local nonprofit, who then distribute the bikes to their clients. Some of our partner organizations include Refugee Focus, Boys and Girls Club of Tucson, Children's Advocacy Center, Casa de los Niños, Ronald McDonald House and Youth On Their Own. Wheels for Kids is an all-volunteer effort, and we are always happy to welcome new people to our team. If you are interested in learning more, please visit our website. "Brenda was a joy to work with and gave sound and realistic advice on the sale of my home. The pre marketing campaign she started before my house listed was instrumental in getting the right buyers in the door. She handled various obstacles that popped up throughout the process with timeliness and professionalism. Highly recommend Brenda to anyone buying or selling a home in the Oro Valley market."
