

December 2019

From The Pro Shop – Tom MacKinney

The Views Golf Club staff wishes all our residents and guests a very merry holiday season and a happy and healthy New Year. We are grateful for your support throughout 2019 and look forward to an exciting and challenging 2020.

December brings with it the beginning of colder temperatures and the possibility of frost delays. As a reminder, our “frost line” is 520-825-0322. This line will provide you with any weather-related delays to your tee times. For live updates, go to our website at TheViewsGolfClub.com. Your initially delayed tee time may be adjusted to an earlier time as we have cancellations that will affect your time.

As a reminder, we are using the gate system for entering and exiting the fairways. Please drive your cart on the fairway and drive in the rough only when entering and exiting. We will remain cart path only on all par 3's. Thank you for your cooperation and support. Let's also remember to fix our divots in the fairways and to fix our ball marks and one other on every green.

From the Mats

In an effort to improve the condition of the driving range and to allow new growth, the driving range will be **mats only** from December 9 – 31. Your cooperation during this time is greatly appreciated. Thank you.

Tip from the Pro

This is the last Divots for 2019. It has been a great 2019, and I look forward to the coming new year. Feel free to offer suggestions regarding anything about the course or golf related. We want to hear from you.

My tip this month is about reflecting on your successes and failures in 2019. Start planning for 2020. Set some goals and make sure to write them down and put them where you can see them often. The entire staff here is committed to making 2020 more enjoyable and memorable for you and your guests. Have a safe and healthy holiday season.
