From The Board of Directors

Our mission as the SCOV Board is to lead in maintaining and enhancing the quality of life in Sun City Oro Valley as an active adult community.

All Board minutes, agendas and reports are available online and in the SCOV Library. Board meetings are open to residents.

What Will Be Our New Normal?

by Joy Huxtable

In the past few months, we all heard the expression "our new normal." With our SCOV facilities closed and many business and activities in the greater Tucson area shutdown, we were forced to adapt to a new lifestyle of social distancing and, for many people, sheltering in place. Zoom meetings became the new norm for Board and committee meetings.

Many of us were disappointed when long-planned social events or trips were cancelled. We missed going out to our favorite restaurants, sporting events and the movie theater. Soon we started focusing on our quest to find a store that had TP, Clorox wipes and hand sanitizer. How many of you watched YouTube videos on how to make your own face mask? We developed very dry hands from numerous washings. You may have ended up with an interesting hairstyle after attempting to cut your own hair.

While there were many outdoor activities we could still participate in, e.g., golf, tennis, pickleball, walking/hiking and biking, we really missed meeting our friends for happy hours or karaoke night at The Views Restaurant, playing cards with friends, working out at the AFC, or spending time creating works of art in the Artisan Center.

If you were like me, you used some of your at-home time cleaning out closets and drawers, purging paperwork and organizing family photos and memorabilia that had languished in boxes for years.

The closure of our facilities, approved by your Board of Directors and implemented by management, was based upon an abundance of caution given our more vulnerable community. Some people were not happy with the decision. They felt it was too restrictive, while others didn't think we had done enough. However, I think we can all agree that this worldwide pandemic has been a battle with a new, invisible enemy. There is no cure nor viable vaccine against this virus yet.

Like many other states, our Governor authorized a gradual reopening of Arizona businesses beginning in early May. As I write this to meet the publishing deadline, the SCOV Board of Directors is scheduled to meet in late May to discuss the

timing and safety measures needed to reopen our facilities. Whatever is decided, it won't be "business as usual." We will need to adapt to new procedures when gathering for club and committee meetings, or when using SCOV facilities like the gym or pool. To help protect the health of our residents and staff, we all need to cooperate and be flexible. Maintaining safe social distancing and wearing masks and gloves may be part of our new normal.

Nobody knows what to expect in the coming months. We are all hopeful that we can eventually return to our usual activities and lifestyle. One thing I know for sure, our community is resilient and we will get through this together.

General Manager - Mark Wade

Being Cooped Up: Very Good or Very Bad?

We've seen so much good service being performed by the residents of SCOV. Many have worked long and hard hours to sew face masks not only for the frontline health care workers at our local hospitals, but also for our residents. I know that staff have handed out over 750 of these masks to residents.

Some residents have donated to help staff who have lost hours due to the shutdown.

Volunteers have assisted residents in other ways as well. Reports from the Community Assistance Committee (CAC) Loan Room seem to indicate that many of those staying at home have decided to spend their time trying out new forms of exercise. As a result, more than 20 calls have come in because of unexpected injuries. All requests for medical items have been handled by appointment. Gay Russell, CAC Chair, ventured an opinion that it's counterproductive to take up extreme sports just because you're bored, and that maybe we should stick with walking, chair exercises or something benign until medical equipment is easier to obtain. So far, all requests for medical items have been met by appointment with either Gay Russell or Carolyn Carson. SCOV is fortunate to have this service available and volunteers willing to meet demands for items in these unusual times.

At the time of this writing, our conditions are very fluid. The Governor just announced that pools and gyms are able to reopen, but at the same time said that those who are vulnerable should stay home. Nearly all of our residents fall into that category. I'm sure by the time this is published in a couple of weeks, there will be more changes.

I received an email from a resident who noted that they liked the comment of our Board President, Joy Huxtable, when Joy said, "This too shall pass." This resident said that is better than, "You too shall pass." Stay safe, well and make good choices my friends.

Phasing-in Reopening

At a special Board of Directors meeting held by video conference on May 21, the Board voted on a phased-in plan for reopening SCOV facilities and activities. Following is information from that meeting summarized by Board President, Joy Huxtable.

SCOV management is tracking CDC, State and County guidelines and advising the Board on procedures we need to have in place before we can safely reopen. So far as we know, COVID-19 has not been reported in our community yet. To keep it that way, the Board and management believe we need to move forward with reopening our facilities in a thoughtful, safe, conservative manner.

To that end, your Board of Directors discussed and voted to approve the following policies and guidelines for reopening our community.

Phase 1-Effective June 1st

- Reopen the Library with online reserving of materials and outside pick-up & return. Management and staff will work out the specific details which will be announced on the Website, via TWISCOV and other official means.
- Reopen The Views Restaurant to patio and terrace dining only with reservations required. Take-out service will continue.
- Reopen the Desert Oasis pool, limiting the number of people and their time in the pool. Again management and staff will work out the specific details which will be announced through normal communication channels.
- The Bocce Club can resume play when their submitted safety guidelines are approved by management. The Bocce Club leadership agreed to notify its members and help ensure compliance with safety procedures.

Phase 2-Effective approximately June 15th

- Reopen The Views Restaurant for inside dining further reducing the number of tables and ensuring other safety guidelines are in place.
- Reopen some clubs who have provided reasonable safety guidelines to management; guidelines may be modified by staff, as needed. Management will notify the clubs in writing as to when they may reopen. Club leadership must help ensure compliance with the

safety procedures.

- Approximately June 16-20 reopen the AFC pool once repairs are completed. Safety restrictions will be in place. Again management and staff will work out the specific details which will be announced through normal communication channels.
- The spa will remain closed until guidelines and safety procedures can be determined.

Librarian Kate Cusumano (left) and Program Director Pam Sarpalus (right) coordinated the distribution of facemasks to community members. Masks were sewn by volunteers from the community who also donated large numbers of masks to local healthcare providers

Phase 3-Effective July 1st

- Evaluate how well Phase 1 and 2 openings have worked. Make modification as needed to comply with the latest guidelines from the CDC, the State and the County.
- Reopen additional clubs once their proposed safety guidelines have been reviewed, modified, as needed and approved by management. Club leadership must help ensure compliance with the safety procedures.
- Reopen the Fitness Center/Gym with safety procedures in place.

Note: Until further notice, guests and non-residents may not use SCOV facilities.

Committees who are scheduled to meet during the summer will continue to do so via video conferencing to comply with open meeting requirements.

Dance clubs and exercise groups who wish to organize outdoor dances or exercise classes should send their proposals to the General Manager for approval. Safe social distancing is required.

The Board understands that not everyone will be happy with the decisions made regarding reopening SCOV facilities. When we shut down our facilities back in March, we all agreed we were in uncharted waters and would learn to navigate the best we could. Now that we have a plan to slowly reopen our facilities, we would appreciate your patience, understanding and cooperation. This is all about getting us active again; however, doing so in a manner that also considers staff safety and the needs of those in the community who are most vulnerable.

The annual dues of \$2,075 includes the annual fee of \$134.40 for waste and recycling services. The list of governing document changes is new this year and covers issues on which the community voted, changes in the Development Standards recommended by the Architectural Review Committee and approved by the Board, and Board policies. All the governing documents are available on our website under Members/Documents.

If by June 8 you have not received your invoice, please contact the Administration Office 520-825-3711.

Not Much News

At the time of this writing, little is known as to when SCOV facilities will reopen. What I do know is that I am seeing a community coming together. As of early May, we have handed out over 800 face masks that were sewn by caring residents who put in hours of work to not only have masks for SCOV, but thousands were made and given to local hospitals. I see sidewalks filled with chalk drawings and messages of hope. I see residents having driveway happy hours, allowing them to get out and see neighbors and also check on them. Our restaurant has had great reviews for having take-out food to give us a break from cooking. The golf course has allowed many to be active. All in all, while SCOV has curbed activities, it remains a great place to live.

Making Changes to the Exterior of Your Home

During this period of social distancing and closure, you can repaint your house, replace your roof with approved tiles, have your roof lifted and re-laid, install flatwork such as pavers, replace your garage door, make changes to exterior lighting, have your driveway coated, install solar tubes and window bug screens. These are all in-house approvals which can be granted by filling out an In-House Submittal Form from our website and emailing it to kmosier@suncityorovalley.com. Be sure to describe the project as fully as you can and attach pictures of materials, colors, drawings, etc. There is no fee for any of these items.

As a measure of safety during this pandemic, the Architectural Review Committee will not go to residents' homes for project review. However, the ARC will grant approval for most projects if they do not require a Town of Oro Valley permit, do not change the footprint of the house (a room addition or a covered patio), are not retractable awnings or any project that requires a variance from the governing documents. Usually solar energy installations require a Town permit and ARC approval, however, they can temporarily be

submitted with the Town permit as an In-House Submittal.

It is the responsibility of the homeowner to adhere to the governing documents which can be found on our website. To begin the process, go to: [www.suncityorovalley.com/Members/Member Services/For Your Home/Making Changes to Your House](http://www.suncityorovalley.com/Members/Member%20Services/For%20Your%20Home/Making%20Changes%20to%20Your%20House). Click on Initial ARC Submittal.

Last month was spent preparing for the Library's reopening. The task I most enjoyed was shopping for items to update our collection. Many happy hours were spent gleaning information from websites, emails and social media on the on the best releases of the last couple of months, which were then ordered from Amazon. Standing orders for large print books were renewed for the next twelve months, thanks to the generosity of the Friends of the Library and the Institute of Learning in Retirement (ILR). The ILR also generously funded the purchase of twenty-five new audiobooks to reinvigorate that collection. Funding from these two sources is much appreciated, as I estimate the Library lost as much as \$1,800 in revenue during the time we were closed, money that would have come in from video check outs, sale items and donations. I visited RottenTomatoes.com and IMDB.com, checking ratings of new videos by viewers in our age demographic. I wonder how many of you learned how to stream movies and television shows during the crisis and will no longer check them out from us?

To help you easily view newly added items, Library volunteer Garry Buck created a short video on how to sign into our database and "Browse New Items." From there it's easy to click on the green button to put a desired item on hold. This video is available now on the SCOV website by clicking on "Library" and scrolling down.

Staying Hydrated Tidbits

Don't get thirsty: drink at least eight 8 oz. glasses of water a day. On hot days or heavy exertion days, increase water intake. Listen to your body; if you feel you need more, drink more. Eat your water; many fruits are a great source of both electrolytes and fluids. Cucumbers, oranges and watermelon make for great options. Beware of alcohol; alcoholic beverages can lead to additional fluid losses; for every alcoholic drink have one non-alcohol. Coconut water is very low in calories and has a host of vitamins and minerals. It contains many essential electrolytes to help replenish your body.

Special Note From the Aquatic and Fitness Center (AFC)

Once we have reopened, orientation on how to use the gym equipment will be held every Thursday, 1 PM, so stop in and sign up. Contact Lonnie Davis, AFC Coordinator, to discuss questions or problems with the AFC.

AFC and Desert Oasis: See Hours of Operation on page 2.

Tuesday, June 9, the AFC spa will be closed for cleaning and shock treatment (pool is closed for resurfacing). It will reopen the following morning at the regular time.

Wednesday, June 10, the Desert Oasis pool will be closed for cleaning and shock treatment and reopen the following morning at the regular time.

The Views Restaurant continues with take-out services as we move slowly into the new normal for inside dining. Management is adjusting the menu and pricing to provide the best quality food available at affordable prices. Some items may be unavailable temporarily until our supplier can provide them at an appropriate cost. Special offerings of cinnamon rolls, blueberry muffins and lemon bars have been well received. Other items will be introduced to provide menu variety. Every effort is being made to resume staffing levels to provide us the quality of service we attained prior to the pandemic.

Our sympathy goes out to Janet Blackwell with the passing of her husband, Chef Paul. His leadership and outgoing friendship had been missed during his lengthy illness. With all kitchen staff and management pulling together, our restaurant continued the success he helped formulate.

During inside dining shutdown, residents continued to help TVR non-salaried wait staff with generous gratuities and cash gifts. Thank you. Staff has expressed much appreciation for this outpouring of support. The Views Restaurant family of customers and staff demonstrates that we are all in this together. We will survive to join our friends in our favorite gathering place.

A Really Strange Spring

What a strange spring we have had this year. Some folks who normally leave for cooler climes are still here and may be for awhile. Whether you are here or away, please remember the following:

- Weeds in cracks of driveways, sidewalks, and where the cement meets the asphalt of the street are the responsibility of the homeowner to remove.
- Cactus and/or bushes should not extend over the sidewalk causing danger to walkers.
- Trees need to be kept trimmed up at least seven feet high over the sidewalk so as not to injure walkers or block visibility of a stop sign.
- Exposed soil, or bare dirt, needs to be covered by rock.
- Artifacts, including empty pots, are not allowed in front yards. Pots should be planted with live plants, as artificial ones are not allowed.
- Shrubs near the entrance to your driveway need to be cut down to a height of less than 42" so as not to block visibility of a vehicle exiting the driveway.

Thank you for remembering the above. Take care this summer, wherever you are.

While we've been staying at home, many have been doing chores they've put off for weeks or even months. We've been challenged to find ways to keep in contact with others and have made many calls to loved ones. We know things have changed, and we may be doing things differently for months to come. I've been asked if I think the Posse will be back once the stay-at-home restrictions have been lifted. I know our Posse volunteers are dedicated to our community, and are eager to begin patrols again. I, for one, enjoy patrols as I get to spend time with a volunteer I might not normally see. Finding out about why a volunteer moved to SCOV, more about their family, and the benefits they see in our community is a big part of why I'm a Posse volunteer. Every Posse volunteer has a story, interesting and inspiring. One change you can make is to join the Posse. We need your help to continue to serve SCOV, and we would like to hear your story. I would like to meet you and even go on patrol with you. Six hours a year is all we ask, two 3-hour patrols. Please join us.

Superintendent - Michael Kropf

scvgolf@suncityorovalley.com 520-917-8063

This summer, the golf course is going through big changes with the greens renovation. The maintenance department is extremely busy with projects related to the greens renovation like irrigation adjustments, pipe locating and sprinkler head removal, vegetation

removal and helping the construction company with various items. However, June is still the busiest time of the year for maintaining the golf course with the transition from the winter overseed grass back to the underlying Bermuda grass.

The Bermuda grass loves growing in the high heat of June. This heat provides the best time to aerify the tees and fairways, because the Bermuda grass can recover sooner. Aerification is necessary to provide oxygen, water and nutrients to the roots, remove thatch and relieve compaction developed over a long season of daily mowing, watering and golfing. This process also provides a healthier and more playable turf in the long run.

Despite the greens renovation occurring this summer, the golf course still needs to go through the transition process on tees and fairways. Starting the last week of May and into the first part of June, the fairways are going to be aerified and heavily topdressed as they are every year. Weak areas are still going to be repaired with sprigs or sod.

Based on the construction schedule, grass will begin to be installed in June on the green areas. The timing will work well with the repairs needed on the tees and fairways, since all these areas will require similar irrigation cycles. Be prepared for irrigation running throughout the day starting in June.

Food & Beverage Director - Aalt Brouwer

abrouwer@suncityorovalley.com 520-917-8074

Greetings. As many of you know, our Executive Chef, Paul Blackwell, passed away in late April. Paul was a passionate, educated, exceptional chef. He was instrumental in the success and transformation of The Views Restaurant. He led the kitchen staff, trained them to lead and take pride in their work and taught them to be scratch kitchen cooks and chefs. They have applied his teachings and continued them during the recent difficult times. It was truly a pleasure for me to work side by side with Chef Paul. I considered him

a friend as well as a partner in this endeavor. He will truly be missed by our staff and many of you.

I would also like to thank all of you who have gone out of your way to support the restaurant and its staff during these troubled times. Many of you have been more than generous to the staff, and I cannot tell you how much that means to me. Thank you all. We look forward to reopening as soon as it is safe for all.

It is June. Three months ago all of us found ourselves in a pandemic crisis. Hopefully, as you read this, we will have passed through the toughest times and are now out and about. Thinking of the future, you may be wondering what to do with the government checks you received recently. If you don't need the money, consider becoming a philanthropist, and donate to the Sun City Vistoso Community Foundation. To donate by credit card, go to the Foundation's website and look for the Pay Pal option, click and follow the directions. You will receive a thank-you letter from Pay Pal to use for a possible tax deduction. If you wish to write a check to the Foundation, pick up a pledge card at the Welcome Center, complete the card and return it to the staff.

Stay safe. Your donations go a long way toward helping others and our community.

Thank You Corner

Youth On Their Own (YOTO) students thank you for your generous Emergency Fund donations and the masks made by SCOV Thimblelenas. We are fortunate to live in such a caring, giving community with neighbors who are positively impacting the future of Pima County by supporting YOTO.

We want to take the time to thank everyone for your kind thoughts received during Howard's passing. We can never thank you all enough for all we have been given. You went above and beyond, and we are touched and grateful for this caring community. Blessings,

Gail Goforth and family

On April 14, while walking my dog, I had a nasty fall to the sidewalk, sustaining several injuries. Fortunately, two neighbors were close by and saw my predicament. They quickly came to my aid and immediately summoned help. An ambulance transported me to Oro Valley Hospital where I received excellent care. I had sustained a fractured nose, facial lacerations and rotator cuff damage. I am now recuperating and doing well.

My wife and I are so thankful for our wonderful and caring Sun City neighbors. We shall be eternally grateful for their gracious kindness. Thank you and God bless you.

Christopher and Priscilla Powell

As I move on with my life, I reflect on the 26 years Hal and I had in this awesome community. Thank you all who sent cards, called, brought food and offered help, comfort and love. Remembering Hal (12/12/19) as I remember the wonderful life we have had here.

Sharon Hufford

Many thanks to ILR for granting funds to the library to be used to purchase large-print nonfiction books and audio-books. Reading reduces stress and we could use all the stress relief we can get during these times. Books purchased with your gift will be warmly welcomed by the community.

We are all eagerly awaiting the reopening of the Clay Studio. Once again, we can get our hands on a cool piece of clay to shape into something wonderful. Our club will not be meeting until the fall since most of our members have fled to cooler climates. We are scattered across the nation from Seattle to Martha's Vineyard, but we'll still be creating and eager to share upon our return. Both colored pencil and scratchboard are relatively easy mediums to learn, but good drawing skills are the starting point. We hope you see the Summer Art Sale in the Activity Center, which highlights work by all members of the Art Guild.

Wed., 9 AM-2 PM, Catalina Vista/Art Studio

At this time, artists are making art in our homes. We hope to be able to work in the studio when conditions permit a safe return. Many of our members have departed for their summer homes, so, in the next four months, we have only a few people coming to meetings. Time will tell who shows up and who chooses to wait until a later date.

In the meantime, if any in our group would email a photograph of a completed work or one in progress, please send the photo to adrianajel@yahoo.com with some information she may be able to share in future articles.

The painting featured in the photo is on the easel of Jane Leonard. Her method is squeezing oil directly from the tube and manipulating the paint with a palette knife. She enjoys the carefree approach, the spontaneity and not having to clean brushes. The end result is a very thick impasto surface that takes a long time to dry and causes light to bounce all over the ridges of the thick paint. It's great fun. Try it. Call her with questions if you like, because it can be done with acrylics, too.

Japanese flower arranging, *Ikebana*, is the art of arranging flowers, branch materials, grasses and leaves. At its core is the beauty resulting from a combination of color, shapes and graceful lines. More than simple floral decoration, it is a form of sculpture with plant materials. Learn from certified instructors at your own pace and make creative arrangements for your home.

Even though we are not meeting at this time, you can still save your plastic grocery bags for the homeless sleeping mat group headed by Jane Fairchild. You can bring your plastic bags (not the colored newspaper bags) to Jane Fairchild's home, 1750 E. Crown Ridge Way. She has a box on her front porch. You can also call Jane 520-909-5069 to assist with this project. You don't need to know how to crochet. You can help by cutting bags into strips and creating plarn (plastic yarn) for those who crochet the mats. All can be done at home.

Hopefully, our lockdown will end sooner than later and we can be together once again.

Mon. and Thu., 9 AM-Noon, Artisan Center/Sewing

The Thimblelenas board members will be determining how and when we will return to the use of Sewing facilities. If we receive approval from SCOV management and Board, we can come together to continue our mission of providing for children at risk. Certainly, there will be restrictions in place to keep us all safe. For those of us who want to be back in the Sewing Room, it will be important that we diligently observe these new procedures. We all look forward to being with one another again and catching up while working toward our goal of providing for those less fortunate.

Cheer Bears

Pat Norton 480-993-8762 panpan9803@yahoo.com
Wed., 1-3 PM, Artisan Center/Sewing

It's summer already, and our Cheer Bear group has seen its many winter workers head back to the cooler parts of the country. That doesn't mean that all work will cease, but it will greatly decrease. If the Artisan Center opens, we will be starting in June and meet twice monthly to keep the bears marching. We will be in the Sewing Room, if possible, June 3 and 17, July 1, 15 and 29, August 5 and 19, and September 2, 16 and 30. Time will be 1-3 PM as always.

If anyone would like to join us again in October, mark your calendars for Wednesdays, 1-3 PM, Artisan Center/Sewing Room. We can always use more hands to bring the love from our donated materials.

With the hot weather, as well as COVID-19, we are all staying indoors much more than usual. But, what better time to work on those unfinished projects? Sure, you can always work on them tomorrow, but now might be the excellent time

Unfinished projects waiting to see the light of day

to finish them. Our lives might be chaotic right now, so try writing down each of your unfinished projects that you'd like to finish, along with why you started the project in the first place. You might even want to tell friends or family about the project and give them an update on how your project is going. Once you've finished that project, you'll have that feeling of satisfaction and be ready to start on the next project. If it's a machine embroidery project, we'd love to see it on our Facebook page. So Pick a Project - Finish a Project - Show us your Project.

Keep watching for notices regarding the rooms opening again. As of now, I would anticipate we would meet in June. I'm looking forward to seeing all of you again.

The Tapestry Rug Hooking group meets on Tuesday morning in the Sewing Room. If you are interested in learning the art of hooking, our club provides instruction and practice materials. Learn more about our group by visiting our website or come talk with us on Tuesday mornings.

Latch hook (left); tapestry rug hooking (right)

In a previous article published in the *Tipster*, it was noted that our group does traditional rug hooking rather than latch hooking. These techniques differ in many ways such as the backing material, tool used to hook and material used to pull through the backing. Latch hooking with yarn was popular in the 1970s and 1980s, whereas rug hooking dates to the 1800s. In latch hooking, the yarn is cut in 2.5-inch length. The picture compares the difference in textures between what our group does (tapestry rug hooking) vs. latch hooking.

Astronomy

Pres. Allan Mashburn 435-219-0042 scovastronomy@gmail.com
Oct.-May, Third Thu., 7 PM, Activity Center/Navajo
www.scovastronomy.com

Sadly, all of us in the Astronomy Club and visitors have missed several world-class speakers this spring, along with our monthly star parties. Mother Nature has taunted us a little by providing some of the clearest skies we have seen in recent years, in part due to clearer air being experienced all over the world. Unfortunately, it is not possible to practice social distancing while gathered around telescopes, so that will have to wait for a few months. In the meantime, take advantage of clear nights, and look to the South for the 2nd brightest star in the sky, Arcturus, in the kite-shaped constellation Bootes. Just below Arcturus, you will see the 11th brightest star, Spica, in the constellation Virgo. Low in the Northeast you will see Vega, the 3rd brightest star in the sky in the constellation Lyra. Of course, not to be missed is the super-bright planet Venus, which graces our western sky every evening.

Enjoy the beautiful evenings here in Southern Arizona, and let the splendor of the night sky calm you in these turbulent times. Stay well.

Oct.-May, Tue., 7:15 AM, Catalina Vista/Mt. Kimball

Depending on how we organize our club activities, we'll tentatively plan on meeting October 6, for our first Bible study of the season. The focus of the fall study will be the book of Revelation. This may prove to be a very insightful and timely study, considering all that is going on in the world right now. In the meantime, stay safe, love your family and have a positive attitude.

Oct.-Apr., Wed., 8:45 AM, WC3

Prayer works. When SCOV had to shut down, prayer did not. A Sun City married couple, from the Men's SCOV Bible Study, and the Women's SCOV Bible Study, called, texted and emailed many residents in Sun City to set three specific times during each day to be praying protection over our community from the coronavirus. There are still many persons in prayer at 7 AM, 1 PM and 7 PM. There are also local community residents, who attend the Vistoso Community Church on Rancho Vistoso Blvd., who are walking through the streets of Sun City praying over each home and the residents within, for protection from the coronavirus and peace during this time of isolation.

We will meet again for SCOV Women's Bible Study on Wednesday, October 14.

The Great Books Club provides an opportunity to engage in thoughtful and lively discussions on a wide range of topics. We use the anthologies published by the Great Books Foundation, which offer an eclectic array of essays, poetry and fiction from a variety of contemporary and classic texts.

Our meeting schedule was disrupted by the coronavirus. We plan to resume in October with a novel by Saul Bellow and then readings from *Great Conversations 2*. This anthology is available from the Great Books Foundation and other booksellers. SCOV Library has a copy on hand, as well. Newcomers are always welcome; call Barbara or Maryfaith for more information.

Although the Genealogy library may be closed, you can continue to work on leaves of your family tree at free websites. The Library of Congress maintains a newspaper site, *Chronicling America* at <https://chroniclingamerica.loc.gov>. Did your family buy land from the Federal government? Check out the General Land Office Records at the Bureau of Land Management, www.glorecords.blm.gov/default.aspx for Land Patents, including Cash Entry, Homestead and Military Warrant patents. And don't forget to research the National Archives (www.archives.gov) for military service records, immigration records, naturalization records and more. Finally, run a Google (or your favorite search engine) search for cities, counties and countries where your ancestors lived. You never know what you may find.

Watch for information about the reopening of the library and plans for new programs for next fall. Keep in touch through the club website.

Poets Corner

Sharyn Rafieyan 520-825-6762 srafieyan@comcast.net
Mon., 9:30-11:30 AM, WC1

In late April we began holding weekly meetings using Zoom, which has given us a chance to see and hear each other, in addition to exchanging email critiques. We expect to continue in this vein until the social distancing requirement is lifted.

I suspect you can all relate to the following excerpt from Poets Corner member John Padgett's "That Was Then..."

"At 18 you met the call, / 50 missions in a B-17 / to bomb war machines / of the axis oppressors.

At 94, widowed, / in assisted living facility, / your memory fades away, / but you welcome my call.

You went to see the elephant / with other young marines / in the mud and frozen hills / of armed conflict in Korea.

At 91 you cocoon and accept / help three times each week. / You read, watch the world / pass and discuss it with me..."

Sharing poetry is a great way to stay connected.

SUV filled with donations for Literacy Connects

"Sheltering in" has not stopped us from staying involved. Sincere thanks to everyone who in only three days answered the call for school supplies on behalf of Literacy Connects. The collection resulted in 25 bags of donations and \$850. You all are amazing.

In May many members participated in a letter mailing project to Democrats in LD 11 with information regarding the Permanent Early Voting List

(PEVL).

Our members will be receiving information via email about Democratic candidates running in the upcoming primary election which is August 4. Early ballots will be mailed July 8.

Keep watching the *Tipster*, "This Week in SCOV" and your SCOV Dems email for information on other upcoming projects, candidates, election issues and information regarding future monthly meetings. If you would like to receive our emails, email mosalz@outlook.com with "Dems" in the subject line. Stay hopeful. Stay healthy.

This club is for people who like to cook and socialize over a meal prepared by their fellow club members. Every month brings a new theme and a different group of diners, each of whom prepares a dish for the meal. Last year our themes varied from ones that implied specific culinary traditions (e.g., Mardi Gras) to some that were wide-open to interpretation by the dining group (e.g., colors). By fall, we expect to be holding our usual kickoff dinner (catered) and fun dinners in members' homes. In the meantime, take a look at our website for details and photos. New members are always welcome.

Meetings second Tue., 12:30 PM, Auditorium

The Garden Club has voted to change its fiscal year to match the calendar year. Current members will remain as members through 2020. The membership also voted overwhelmingly to increase the dues to \$10 per person or \$15 per couple beginning in January 2021. This increase reflects the need to cover the \$2,000+ cost of operating the club for a year. We are grateful for the many members who donated the cost of their Garden Walk tickets to the club. That will allow us to fund the final three months of 2020 meetings this fall. For membership, contact Annette Munoz at queenanne9@yahoo.com or 253-905-7747.

Pres. Barbara Hamm 520-989-0062

As we navigate these challenging times, Havurah continues to wish our SCOV community best wishes and good health.

The next scheduled event is our annual movie night on Saturday, August 1. Hopefully in the July *Tipster* we will be able to tell you if this will be taking place.

Meanwhile, the Havurah board is busy planning programming for the new season, so that when all of this is over there will be plenty for everyone to enjoy.

Continue to take good care of yourselves and loved ones as we all hope for a speedy return to normalcy.

Republican Club

Merritt McGlothlin 520-572-7853 merrittm@nationwide.net
Third Tue., 3 PM, Activity Center

The Republican Club is unable at this time in early May to determine if there will be an open meeting that would normally be scheduled on Tuesday, June 16, 3 PM. As we are aware, SCOV is abiding by the guidelines promulgated by the State of Arizona and also locally by Pima County and Oro Valley.

If we are still unable to hold a meeting in June we will resort to other means to forward and process information regarding the upcoming elections. The first scheduled election is the primary election on August 4. That August date is also the election date for the Town of Oro Valley.

Please continue to monitor the *Tipster* and for even more current information check the Thursday weekly email, "This Week in SCOV," for further Republican Club information. Once we return to holding meetings, everyone is always welcome to attend the third Tuesday of each month.

Ballroom - SC Starlight

Jim Kasierski 520-954-4041 scstarlight.pres2020@gmail.com
www.scstarlightdanceclub.wixsite.com/scstarlightdance

Summer is here. Although ballroom dance activities are temporarily on hold, SC Starlight continues to plan and adjust to the changing landscape of the new normal. (Who says seniors can't adapt to change and be creative?)

First on the agenda is the upcoming annual election. Voting this year will be done electronically, so watch your inbox for more information.

Until we can join together, enjoy another health benefit of ballroom dance; help reduce your risk of falls by improving your strength and balance just by dancing. Even in a small space you can rumba, cha cha, and swing. So get creative, enjoy some music and just dance.

Folk Dance

Harvey Gardner 520-308-5616 savear@gmail.com
Fri., 9:45-11:45 AM, AFC/Studios 1 & 2

Folk dancing is more fun than a treadmill and healthful exercise for balance, muscle, mind and mood. For most dances we hold hands in a circle to perform non-gymnastic steps to the enchanting music and rhythms of diverse cultures (including our own). Neither prior experience nor a partner is needed. Typical dance sessions consist of 15 folk dances, most with instructions. Folks may always sit out a dance to rest. Drop in to see if this internationally popular dance form is your cup of tea. Also, search FDCSCOV on www.YouTube.com to see us in action online.

We've added pizzazz to our dance outreach program for the SCOV community. That means our dance repertoire will be varietal and aimed at providing entertainment and pizzazz to the fun functions for SCOV clubs.

To participate, join us by submitting your name for our on-call list, and see how great it feels to have pizzazz.

During the COVID-19 shutdown some of our members have been practicing club dances in their homes and some have joined online dance classes, all in an effort to keep line dancing part of our lives.

But nothing takes the place of dancing together and seeing our friends. Our board of directors is staying in touch with SCOV leaders to plan for the future. We are in touch with our members by email and encourage them to visit our website for updates.

As soon as is possible and safe, we will all be able to say again, "Count me in 5-6-7-8."

Rock 'N Roll

Pres. Renee Steinmetz scovrandclub@gmail.com
Membership Chair Jon Russell scovrandclub@gmail.com

Hi all you Rock 'N Rollers. Despite the social distancing orders that have prevented us from holding the March and May dances (we're still holding out hope for July), we still have a club to keep running in hopes of better and healthier days. So, it's time to renew our memberships for the 2020-2021 dance season. Renewal forms have been recently emailed and are due by July 31, 2020 at the very latest. See the email for additional details. Important note: Please be aware that if we do not receive your renewal by July 31, your membership will be deactivated. We have a very long waiting list of people wanting to join the club and, starting August 1, we will begin filling any vacancies from that list. Thanks.

A band can be purchased from Marcia for \$5. We assign an experienced member to a newcomer to help with learning the various movements. You will get a good workout in a fun class.

Summer is here and both classes will be smaller and more personal. First, the stretching exercises are done to warm up and then the Pilates mat routine is performed with modified moves for those with limitations. People ask, "Can the benefits of Pilates, which come from strengthening and stretching exercises, really develop the body's core (your abdomen and back muscles), increase spine mobility and build flexibility?" The answer is a firm yes. More benefits include improved balance, muscle tone, stamina and a feeling of well-being. The cost is \$8/class and annual club dues are \$20 pp. Please join us or just stop by and watch. Call Mary with any questions.

Pickleball

Pres. L. Nelson Brown lnelsonb@gmail.com
VP Membership Dave Burnham dburnhampton@gmail.com
Sun.-Sat., 8 AM-9 PM www.scovpb.org

COVID-19 procedures were the name of the game last month. At one point we suspended our regular schedule and instituted social distancing and ball disinfecting procedures. A bleach solution was installed in a bucket on each court to sanitize the balls between games and player changes. Chairs were moved six feet apart; half of the chairs were moved to the south side of the courts. With the longer days and early summer heat, some games began shortly after sunrise. Others decided to play under the lights. Small groups were encouraged with less than 10 players per group. Many of our seasonal members were delayed in returning home this year. All club-sponsored socials, training and tournaments have been suspended until normal procedures are back in effect. Our website has many useful training videos and information that you can use while staying at home. For more information, contact Dave Burnham.

Participants in tennis lesson

Some club members have been grateful for this opportunity for outdoor exercise and have continued to play. The courts are readily available for these participants, because other members have temporarily suspended play for health precautions and because some seasonal players have departed.

Consistent with SCOV and State regulations, no club social events are planned for the next several months.

A club highlight during this winter season was a series of tennis lessons offered to club members and other SCOV residents. About 20 persons, including several new club members, participated in each of six lessons that were conducted before COVID-19 limitations began. This was a rewarding experience both for the participants and instructors.

Casual play Sun., Thu., 1-3 PM; Advanced play Mon., 1-3 PM, Desert Oasis

Remember that song that goes, "You don't know what you got till it's gone"? Now we know and what an understatement. Our hope is that we will soon be back enjoying our water volleyball games in the Desert Oasis pool. Whatever it takes is what we must do to get back in the water. Whenever that happens our new team guidelines should allow club members to participate safely. The summer temps are climbing and we need this outlet. There will be a better appreciation for the opportunity to participate in group activities. Let us all look forward to resuming normalcy.

Next meeting Oct. 12, 9 AM, Catalina Vista

It's that time of year when many Sundowners head north for cooler temperatures. Hopefully, campgrounds and parks will be open; as of this writing many are closed due to the corona pandemic. Be sure to stock up on your masks and gloves. We have several great trips planned; check the website for sign up information. Be careful to log on as you won't see many of the website's features without clicking that "log on" button. We are in need of WagonMasters to help organize the 2021 trips; please volunteer.

Grief Recovery and Support

Pari Foster 520-248-3658 parifoster@gmail.com
Tuesdays, 1-2 PM, Catalina Vista, Art Room

This is not a counseling group but a loving, caring and, most importantly, a safe environment to share your grief from any loss. It is important to note that grief from any loss comes in many forms: loss of loved one or friend, a pet, home or job, loss of independence, etc. It is not to be taken lightly and is a journey that takes time and is vital to healing and growth. By sharing our grief with others on the same journey the burden is, therefore, lightened.

YOTO/Northwest Auxiliary

Kris Cohen 520-818-2582 krisandearl@msn.com

YOTO will be providing a special Summer Stipend to further support youth experiencing homelessness in our community.

Your support has already been crucial to helping YOTO youth stay stable and safe.

Thank you for keeping YOTO students in your thoughts during this time.
