Future and Character of SCOV

by Lauren Strassburg

Our annual election is over and you, the residents have selected two new directors. Congratulations to both. A resident was appointed to fill the remaining term of a resigning director.

The budget for the 2017-2018 year has been approved. The 6% increase still keeps us competitive or on the low side when compared to similar HOA's.

The residents of SCOV are from many areas of the country and many different backgrounds. One thing we all have in common is our desire to live a carefree, active life. Therefore we all need to be concerned what the future of SCOV should, will and can be.

SCOV is continually updating our facilities. Examples are the AFC, Restaurant, Pro Shop and Solar. All these changes or additions keep SCOV in the 21st Century. Future updates are likely to be Desert Oasis, Activity Center and our AFC pool. Once again, resident input and opinions are always a benefit. All residents need to be concerned and involved on how SCOV spends your limited resources (money). Consider becoming involved in future committees to be established for any new project.

An area of concern is use of our facilities. Should we limit use of our amenities by nonresidents and/or guests? Many thoughts have been expressed on this issue. They range from it's not a problem to not allowing outside use. We need to establish a policy to satisfy the middle ground. It's a fact that nonresident and guest use of our facilities is increasing. 2016 saw in excess of 4,800 guests signing in at the AFC. The first three months of 2017 saw 1,931 guests use the AFC. This is a problem that needs thought and solution. We have a guest policy but it is not enforced.

The character of our community could be changing by the increase of rental property. Recent actions have been taken to control the number of rental properties and the duration of time for each stay. Current rentals may only be the entire home and for a period of at least 28 days.

My expectation is the foregoing narrative will give some food for thought for the future of Sun City Oro Valley. May the future years be active and beneficial for our community.

Memorial Day Holiday Hours Monday, May 29

Keep Your Beautiful All Year Round

I want to take a moment and thank all of you for taking such good care of your property. In talking with many people who come to SCOV for a visit, I hear them rave about how beautiful it is here. They drive around the community and marvel that everyone takes such good care and the yards look so immaculate. Your hard work makes a lasting impression.

When I was interviewing for the position of General Manager here, I was driven around the community as well. I paid attention to the landscaping too. I know that if the residents take care of their landscaping, they care about the community. The Residents will take pride in not only the way the community looks but the way it functions and the service they provide to each other.

I know that many of you have left or will be leaving soon for the summer months. While you are away we continue to have visitors throughout the summer. They will continue to drive around our community. The image of our community will continue to make a lasting impression. I give my thanks in advance for your efforts in keeping your yards looking nice during your absence. I know it takes added expense to hire someone to keep the weeds out or trim the bushes and trees while you are away. Your efforts are appreciated by not only the staff but by the residents who remain here year around. I don't suppose there will be any that fail to maintain their yards but if you are one of those people who fail, please reconsider. Make the choice to take pride in your property all year long.

This will be my first summer in Sun City Oro Valley. I expect it will be wonderfully warm, and I will be surrounded by homes that are well cared for and beautiful.

The Elephants in the Courtyard

by Joan Kelley

Elephant detail from Noah's ark.

much to take in at once, nearby benches provide a spot to sit and examine the combination of whimsy and imagination. The temptation is to get close, nose to nose with an owl, mice climbing to the top of its hat or to count how many birds are coming out of the King's pie. Grandmas, who have more than once told little ones to "look, don't touch", send pointy fingers toward a glass dangle, unable to resist setting it swinging. From our windows in the clubs we smile and laugh at the response and often go out to meet and greet admirers of our work, to tell them how it all began. We get to know each other and make new friends in the process.

This project is a joint effort by the Clay and Glass Clubs begun in the fall of last year. Several people in the Clay Club have created personal totem poles for their yards over the years, but Barbara Peterson began to make one after another in her distinctive style for herself, neighbors, friends back home and her daughter in California. "I just can't stop! I keep thinking of more things to make," she reports. As in many artistic settings, she began to share her construction methods and other potters began their own individual projects.

The Clay Club has a reputation for socialization and one day, over a glass of wine after the monthly studio cleaning, a conversation began between Barbara and then Clay Club President, Joan Kelley. Dare we ask if we could create a set of totem poles for the courtyard? Residents usually bring their families through on casual tours. Ambassadors bring prospective buyers by to peek into windows and club members often invite those visiting guests in for short

Walking through the Artisan Courtyard in the Mountain Vista complex, wandering visitors are greeted by something new and exciting. After months of planning, teaching and creating, the totem pole project is assembled and ready for the enjoyment of all who enter into the area. With the sun glinting off the shiny glass and glazes of each piece, the installation, dedicated on March 29, is a delight to behold. Too

introductions to the facilities. Why not give them something to investigate and talk about? Why not show off the talents of the experienced or late blooming artists living among us? Barbara headed up the planning committee and Joan wrote the proposal to present to Association management. Grounds maintenance personnel cemented the poles in buckets and buried them in the ground for us. Classes began, ideas flew about and the kilns fired away.

Not wanting to restrict participation to our own club, we asked the Glass Club to join us. Both mediums are suitable to outdoor installation and are relatively sturdy and certainly complement each other. Many of our contributors are members of both clubs. Resa Lankes created her first glass project to make windows for a clay fairy house, complete with Rapunzel's hanging braid. Karen Kane segued into clay after years of glass work to create her princely frog. Even our woodworker-potters Gary Brown and Bill Snead collaborated to build Bill's complex jig to make a pentagonal structure yet to be completed for the project. We had no idea it would be so popular with members or such a collaboration of ideas and cooperation. Some individual pieces are made entirely of clay or glass, but often they are a combination of both. Water made of glass is in waves

made of clay. Dangles or beads of fused glass are attached to holes made in clay to accommodate them, thanks to the firing abilities of crossover member Nancy Eckhoff, who tells us, "Whatever you need me to fire for you just let me know."

Who knows what will happen next? Imagine a home tour of backyard totem poles in the future, wandering in, noses close to special pieces and pointy fingers reaching out to set a glass shard in motion. We have much work and play in our future and many smiles to go before we are on to the next discovery. What a delight it is.

Distinguished Service Award

by Don Coleman, President SCOV Board of Directors

The Board of Directors is pleased to announce the introduction of a new award for outstanding volunteerism within our community. This is the first year for the Board to award a resident with the "Distinguished Service Award." This award replaces the "Heroes Among Us" award of past years.

A unanimous Board selected Lawrence (Larry) Miller as this year's recipient and presented the award to him at this year's formal Hail & Farewell Dinner.

Larry is a 16-year resident of Sun City, a daily fixture in the Woodworking Shop, a consistent volunteer who assists other clubs or residents or other woodworkers and charities.

Larry is a highly skilled pattern maker (the ultimate woodworker). He has created three ukuleles and ukulele stands for use in the Ukulele Club, he has built hundreds of small exquisite jewelry boxes to give away to children in hospitals. He is currently building miniature autos to donate to the Seniors for Kids charitable projects. He has built beautiful violins and guitars just to prove what can be done in our woodworking shop. All of this

Larry Miller with just a few of the toys he makes for Seniors for Kids to give to children in need.

was accomplished from "scratch." His work starts with an idea and well-selected woods. He then creates the designs and plans before executing the final product.

He never charges for his time, or knowledge or skill. Less experienced woodworkers can gain valuable information and technique when learning from him.

Some of his contributions are in the Loan Room (shelving and cabinetry), numerous Library projects, the large Kachina Cabinet in the Lounge by the TV, the new walnut sliding doors rails that separate the Lounge from the Restaurant and the oak wainscot in The Views, and new solid oak benches in the AFC gym.

He, like others in the woodworking shop, fixes numerous broken legs, arms, parts and renovates old and tired wood pieces that are treasured by other residents. He also created the caricature signs for the Pickleball Courts.

He has been instrumental in creating and maintaining a world class woodworking shop within SCOV, and he shows it off almost daily to people on our Ambassador Tours.

He is a quiet, charitable, creative and dependable asset within SCOV. Larry, thank you for all your efforts and contributions.

After Hours Emergencies

Water is running from an Association building...what do you do? There are times when the residents may spot something that needs to be brought to management's attention immediately and the Administration Office is closed. What is the process? On page 2 of every *Tipster*, bottom right corner the procedure is listed. It states: "If you encounter something in the common areas or golf course needing immediate attention (e.g., a broken irrigation head) and the Administration Office is closed, please report the issue to a building monitor. However, if a situation like this occurs after all the buildings are closed and no monitor is available, please contact the After-Hours Emergency Line." Tell a monitor first. If they are not available, call 825-1161. There is a manager on duty that has access to vendors to address emergencies. Please remember this is for emergencies, if your concern is not an emergency then please leave a message on the appropriate manager's office number which is listed in the *Tipster*, page 2, on the left column.

Programs/Facilities Director - Pam Sarpalius

psarpalius@suncityorovalley.com 917-8077

I would like to start by giving a big thank you to Barb Satterly for helping make our annual courtyard sale a success. Barb took care of table sales, numbering the tables and more for the sale.

I have always been very proud of our monitor team. This team is made of people with a variety of backgrounds. They range from a school principal, CEO, nurse and the list goes on. Keep in mind that they are not housekeeping but they are hired to do chores and watch over all our facilities. At every

monitor meeting, I always read emails and notes that I receive from residents thanking a monitor. If you ever want to thank one for going out of their way, please contact me. The monitor position is a job that goes unnoticed by many. Keep in mind that SCOV is the only community that has monitors. Other communities have clubs set up tables, chairs, make coffee, put out water, etc. for meetings. I want to thank the monitors publicly for all you do for the residents of SCOV.

Did you know that the Library always has used books, videos, audiobooks, and music CDs on sale for great prices? Thanks to your support, we raised over \$600 on sales in March, a record since I've been here. This money will be used to purchase new books and movies.

Our Library continues to be a well-used resource. There were 3,064 items checked out in March, which was 450 more than average. With more patrons learning how to put items on reserve with the click of a mouse from home, the number of reserves completed was 374, up 106 from the previous month.

The last of the Academy Award nominated films have arrived. Two copies each of the movies *Hidden Figures*, *Lion*, and *La La Land* are now in our collection, but you'll have to

put them on reserve if you want to see them anytime soon. Visit our online database or stop by in person to see what's new in books.

Recreation and Fitness - Lonnie Davis

ldavis@suncityorovalley.com 917-8073

Improving Physical Fitness

When we think about training the body, we want to mimic how the body moves. Movements like the classic push-up or pull-up do just that by asking the body to perform pushing and pulling actions with its own weight. As fitness training has evolved we've gained more knowledge about the human body, more of an emphasis is placed on functional training, which includes putting the body in dynamic positions that recreate activities of daily living. This focuses more on engaging core and stabilizer muscles, such as the abdominal muscles and those found in the lower back. Classic exercises build underlying strength and improve functional movement. There are definite benefits to incorporating them into your workout.

Special Note From the AFC:

Orientation on how to use the gym equipment will be held every Thursday at 1 PM, so stop in and sign up. Contact Lonnie Davis, AFC Coordinator, to discuss questions or problems with the AFC.

AFC and Desert Oasis: See Hours of Operation on page 2.

Tuesday, May 9, the AFC pool and spa will be closed for cleaning and shock treatment. It will reopen the following morning at the regular time.

Wednesday, May 10, the Desert Oasis pool will be closed for cleaning and shock treatment and reopen the following morning at the regular time.

If you are one of those people who would prefer to walk indoors out of the heat, indoor walking is available at the AFC on Mondays and Fridays from 1-2 PM. Two years ago, the Active Health Committee arranged summer indoor walking, and Lonnie Davis graciously extended it to the full year. The advantage of dedicated times is you find others with whom you can walk and talk. Again, thanks to Lonnie, walkers are also welcome in AFC rooms 1 and 2 when there are no classes setting up or taking place. All levels are welcome. Come and walk and bring your neighbor.

The Aquatic Fitness Center Advisory Committee will resume our meetings in September.

As a reminder when working out, please stay hydrated. Water is still the recommended hydrator for our population. Whether you are swimming or walking at the AFC pool, you need to sign in for your lane. This will avoid any misunderstandings on lane usage.

Have a most enjoyable, safe and healthful summer.

Our mountain views and how to protect them are a hot button issue. The recent "views survey" made that very clear. How we do that has varied thoughts. As I toured the community I saw that the response to driveway shrubs being trimmed was well received and instituted. Thanks to the residents for this safety issue.

The current approved plant list does address which trees, if planted, will grow to a height that will protect views. That doesn't manage current trees that have grown much taller than many would like them to be. As for house additions obstructing a neighbor's view, ARC can only follow the guidelines that are currently in place. As long as a resident builds within lot setbacks there are no restrictions on size. SCOV does not allow two-story units.

The largest number of submittals to ARC are in regards to walls and fences to restrict javelinas from destroying plants. Oak trees are a big draw for those ravenous creatures. Before you plant anything, please check the approved plant list. Trees that have been removed are mesquites, palo verdes and oak trees. African sumacs are restricted by Oro Valley. Check your Development Standards before making changes on the exterior of your residence or grounds.

The main cost of operating food service in the restaurant business is labor costs. Staff levels always need to be adjusted to meet the expected level of service at The Views. Sometimes it can be difficult finding enough staff to keep the doors open. If someone calls in ill then another staff member needs to cover for that person or someone may be requested to come in on their day off. The wait staff will work the extra tables but there could even be tables open that won't be available for seating. If you arrive and the hostess can't seat you right away it might be due to a staffing issue, and the hostess does not want to seat you until someone can take your order.

When a large group of golfers, bikers or a club comes in at once, it can be a challenge to take all their orders in a timely manner. Any advance notice for a large group would

be greatly appreciated.

Staffing in the hospitality industry is always a challenge, but our wait staff is wonderful and they are trying every day to give you the best service.

Friends of the Library

What a wonderful Arizona winter we've had!

At the Library we're steaming along on all cylinders. Each week on our computer system we're learning new things that help our volunteers and residents. New books and videos are hitting our shelves almost daily. All these good things are happening because we have such a generous, supportive community, a dedicated, involved volunteer staff and a knowledgeable cheerleader in our librarian, Kate Cusumano.

Our most ambitious fundraiser this year was the Home Tour. We want to thank again the homeowners who opened their homes to us. In appreciation, we are honoring them by dedicating a new book to each couple with a bookplate in the front. This will be a lasting memento and thank you for their generosity. Look for these special books on the Library shelves.

Come and visit.

No meetings May-Sep.

We have completed our series of seven focus groups, and we thank all of you (approximately 50 individuals) who participated. We have also conducted a survey, which reinforced some of our earlier assumptions and added some new information. At this completion of the information-gathering phase, we will begin analyzing the information during the fall, formulating recommendations which will be presented to the Board of Directors in December of 2017.

In mid May, the Gift Shop begins summer hours of half days Monday through Saturday, 9 AM-12:30 PM.

Featured artists this month are Mary Murck (above left) and Jane Fairchild (above right).

Mary's clay designs are mostly utilitarian, but she makes decorative items as well. "I really love angels and birds and draw my own designs and patterns. I am obsessed with hand

building and constantly think of the next project. Doing what I love to do in this beautiful place has been just wonderful!"

Jane makes necklaces of novelty yarns and beads. "While knitting long scarves for the cold winters of New York, I ended up with leftover pieces of yarn too short to make more scarves. I made a short necklace, added a few beads, and the Fiber Fling was born." She also offers colorful pottery wind chimes and clay scroll dinner accessories for use as name tags or food labels.

Meeting Third Thu., 3 PM, WC1

The Loan Room personnel would like to thank you for being patient with us throughout our busy spring. We know there have been times when we could not accommodate your requests due to not having enough equipment, and we appreciate your understanding of our space limitations in providing more. Please remember, especially during holidays, that you may make reservations up to two months in advance. The web site has been working well but if you have problems with it, come to see us in the Loan Room on Tuesdays and Thursdays, 8-9 AM.

Fourth Thu., 3 PM, WC1

The Marketing Committee has had a very busy and productive year. We launched the new website for The Views Golf Club, and sent letters to new homeowners in SCOV and parts of Oro Valley inviting them to try The Views Golf Club. A new tag-line is used for the Views Golf Club, "See the views...Play The Views". A new logo was developed to be used for both The Views Restaurant and The Views Golf Club. The second bi-annual "Conversation with SCOV Realtors" was held in November. The dedication ceremony for the extensive Solar Project, Cut the Cord, was held in December. We developed and implemented a month long celebration of "We Heart SCOV." We hosted a high tea celebrating Sun City's 30th Anniversary where special recognition was given to 27 of the original "Trailblazers." We developed and produced four new ads to be used on our website and television.

What Is Fast Approaching?

Summer is fast approaching, and we bid farewell to those who leave our community for the upcoming hot months

ahead. Remember to have someone look after your home and yard while you are away, even if you are only gone for part of the time. A messy yard is an indication that you are gone, and puts your home and belongings in a possibly unsafe situation. During our monsoon season, weeds grow in abundance and need to be removed as quickly as possible. With the upcoming storms, there are times when it's necessary to reach homeowners due to roof tile damage and/or trees down. Don't forget to leave your summer address and phone number with Administration should someone need to contact you.

Have a great summer knowing that your community and home here will look just as nice when you return as when you left.

Do you have this red pouch on your refrigerator? Eighteen million Americans

have these and they have saved many lives. If you have a medical emergency in your home, and you cannot

communicate with the medics, they will go to your refrigerator and look for this FILE OF LIFE. In the pouch, the medic finds a card that you have previously filled out with a brief summary of your medical history, medication list, doctor's name and phone number, emergency contacts and more. The medics now have vital information that can be used in making decisions about your treatment.

Through the cooperative efforts of the Golder Ranch Fire District, Oro Valley Police Department and your SCOV Posse, FILE OF LIFE pouches and cards are available to SCOV residents. Get yours at the Golder Ranch Fire Station or from any Posse Squad Leader.

Third Thu., 9 AM, WC1

Please join us on the third Thursday of the month in the Welcome Center and participate in the many discussions about our facilities. We will be supporting other committees and clubs on many projects over the coming months.

As the days grow longer the amount of power produced by the solar arrays continues to increase. For the first five months of the Solar Services Agreement (SSA), November-March we have generated over 260,000 kilowatt-hours (kWh) for SCOV. Our cost savings through March under the SSA was \$2,060. Each and every kWh the solar system produces saves SCOV 8/10th of a penny. That may not seem like a big number, but the first-year net savings to SCOV from the project is expected to be greater than \$5,500. This does not include additional cost savings due to the TEP rate increase expected this summer.

There have been several snake sightings on the golf course. Be aware of your surroundings, and if your golf ball goes in the desert, remember it is only a golf ball.

In May our schedule changes for tee times. Please adjust your walking and riding schedules accordingly. The changes are:

Friday-Tuesday – Tee Time Days. Tee times will run from 6:30 AM–5 PM.

Wednesday – Men's Club Reverse Shotgun, 7:30 AM, Tee Times starting 9:30 AM–5:00 PM (beginning May 3).

Thursday – 9 Hole Clubs (same 9), 7:30 AM Shotgun, Tee Times starting 8:45 AM–5 PM (beginning May 4).

Stop by the Pro Shop and pick up a *Divot* newsletter to keep you advised of any possible changes. Residents receive 15% off merchandise in the Pro Shop (all items except golf balls and sale items).

Superintendent - Michael Kropf
scvgolf@suncityorovalley.com 917-8063

May is the time of the year when the golf course maintenance department really starts to get busy. The transition from winter ryegrass to the summer Bermuda grass is in full effect. The ryegrass has been chemically treated and is being slowly removed from the fairways and tees as the Bermuda grass is starting to green back up. However, there is a lot more that is going to be happening on the golf course this summer.

The pond project of dredging out debris is going to start in early June. The pond on the right of #10 cart path was dredged a couple years ago to remove the large amounts of silt running through the pumps and the irrigation system. However, this debris was moved to the pond on the left of the cart path so that pond still needs to have this material removed.

Another project will be regrassing the restaurant lawn. Following the terrace construction there is very little Bermuda grass remaining. During the winter a large amount of rye seed was used to cover the dirt and look pretty. The lawn will now need to be repaired correctly so it will look good year round.

Number 4 grass traps will be finished this summer. The two remaining grass traps will be converted to one large trap and the bottoms will be lifted to make for an easier approach shot to the green. Combined with the removal of the left trap last summer, this will hopefully make the hole more player friendly.

Golf Advisory

Chair Yvette Schulz 520-825-0797

First Wed., 2 PM, WC3

It is hard to believe that our season has come to a close. Thank you to Tim Kelley for the great job he has done as the chair for the Golf Advisory for the last two years. A special thank you to the representatives of our leagues who served this year: 18-Hole Men's Club: Gary Lokkesmoe and John Rowe. 18-Hole Women's Club: Debbie Huffman and Susan-

na Moran. 9-Hole Men's Club: Bert Gustafson and Bob Henderson. 9-Hole Women's Club: Jan Dunbar and Beth Allen.

As our season winds down, a busy time begins for our maintenance department. Mike Kropf and his crew will be busy with various projects over the summer. Fairways will be aerified and/or spregged if needed. The work on the pond on the left side of number 10 will be resumed. There are plans to work on the traps on number 18 and the grass traps on number 4. Please support Mike and his crew as they work to keep our course in fantastic shape.

We will still be playing May-September so come join us.

The Views Restaurant

Food & Beverage Director - Aalt Brouwer
abrouwer@suncityorovalley.com 917-8074

Greetings from The Views Restaurant. Although many of our residents have left us for cooler weather, we look forward to continuing the positive momentum in the restaurant with fun and exciting new additions.

First, I would like to congratulate Errick Owens, former lead server and bartender, on his promotion to Restaurant Manager. He has truly impacted this restaurant in many ways over the last year, and we look forward to seeing him succeed in a management role.

In May, we've added some fun items to our beverage selection. We have several new wines on the menu, including one seasonal wine which will change every season. This wine is selected to exemplify the perfect wine for the season, while allowing our residents to explore a varietal that they may not have ever had in the past. Our first seasonal wine is a Vino Verde Rose from the southern part of Portugal. It is light, effervescent, vegetal and mineral forward, with a nice balance of acid. I hope you enjoy it as much as I do.

In addition, we are introducing The Views' very first craft cocktail menu. Over the last few months we have slowly acquired some boutique liquors; most are distilled here in Arizona. We have created a cocktail menu to showcase these additions using creative blends and house-made ingredients.

On May 14 the restaurant will celebrate all the mothers in the community with a Mother's Day brunch with omelet and carving stations and a full spread of breakfast and lunch items. We hope you will join us from 11 AM-4 PM. We will be closed for dinner.

Thank you again for all your support, and we look forward to an outstanding summer.

One of the benefits of working in the clay studio is watching passersby stop to enjoy the new totem installation in the courtyard. Some sit on the benches to find new pieces while others cannot resist touching the bright glass dangles. Others are bold enough to remove the toppers covering the safety locks. From our windowed studio enclosures we say, "Don't tap on the glass, it scares the fish." Now we say, as my mother said, "Look, don't touch!" We love seeing your smiles and knowing you are enjoying the results of our love of clay and glass. Thanks to all the potters and glass people for working so hard to produce this piece of art. We worked together to meld the media, and it brings us great pleasure to give back to the community in this way.

Have you ever visited the Pima Air and Space Museum? If so, you have probably walked around the Boeing 787 Dreamliner.

This airplane is unique in that it is built with a composite shell instead of using aluminum. When members of the Modelers Club recently visited the museum they had this picture taken in front of the massive jet engine which produces more than 78,000 pounds of thrust.

All SCOV residents are welcome at our monthly meetings and the use of the Modelers Room. On any day, if the lights are on and someone is in the room, stop in. At our meetings, you will see what we are about, and you may enjoy a cup of coffee and a sweet roll. From time to time we schedule field trips of interest to modelers.

The head/torso students are completing their sculptures before leaving for the summer and the first-time pieces show great promise. Our studio is a cool, comfortable place to work on summer projects. Third Thu., 1:30 PM, Artisan Center/Sewing

Anyone interested in machine embroidery is welcome at our monthly meetings. In addition to showing our latest projects, we also have an educational topic at each meeting. Many members are having fun trying new projects on their own home embroidery machines. Shared at one of our recent meetings was machine embroidery made to look like counted cross-stitch. It looks as good as the real thing, but is a lot faster to make. If you are a

Thimblelena member, and interested in learning to use the 6-needle embroidery machine, contact Karin Frohlich (825-5278) for lessons. Come check us out at our next meeting.

Pet Beds

Jan Bohe 825-9725

Tue., 1-3 PM, Artisan Center/Sewing

We're cut-ups! That's right. We sit around the table cutting washable scrap fabric into itsy bitsy pieces perfect for stuffing pillows for the Humane Society. Stop by. We would love to have you join us.

Sun City Vistoso Quilters

Carol Guibert 520-404-1462 carolguibert1@gmail.com
Second and Fourth Tue., 1 PM, Desert Oasis/Saguaro

Summer months are ahead as our formal quilt meetings come to an end until fall. Keep busy with all of those projects that you didn't have time to make during our busy winter schedules. We resume our meetings in September.

Shop Hours: Mon.-Thu., 9 AM-Noon, 1-4 PM. Fri., 9 AM-Noon

First Mon., 3:30 PM, Artisan Center, Silversmith Studio

Instructor Michael Knott and the March 2017 student class.

The club holds beginner classes in early fall and late winter. For two days, the students create sterling silver pendants. The pendant project is designed to teach the basics: shop safety, jewelry design; making the silver components and soldering them together; buffing and polishing the silver; and setting the stone cabochon. On the third morning, the students receive a 3-hour orientation on lapidary work and the different steps needed to make a cabochon. Cabochons can be formed in many sizes and shapes, suitable for earrings, bracelets and bola ties, as well as pendants. The class sign-up sheet is in the silver shop; just let the monitor know that you would like to participate. Congratulations to our March 2017 student class on successfully completing the introductory course of instruction, and for making some beautiful pendants: Barb Armes, JoAnne Bowman, Kristi Coy, David Lundstedt, Peg Rocklin, and Bob Watson.

Stained/Fused Glass

Open Studio, any time Tue.-Sun., Artisan Center/Stained Glass

Welcome to all new members. If you are new and not receiving the club emails, please be sure that we have your correct email address.

This is the time of year that we say good-bye to our seasonal friends and wish them happy journeys and safe trips. We hope they return with new ideas.

Thank you to all the members that volunteer and help with the chores that keep the club running. We are so lucky to have a studio that has so many talented folks willing to share or teach a class.

This is the time of the year that the place to escape the heat is in the studio.

Water Media

Co-Presidents: Marlene Peradotto 716-390-2982

Darlene Charbonneau 763-442-2092

Tue., 9 AM-4 PM, Catalina Vista/Art Studio

The Water Media group is watching a video by the artist Tony Van Hasselt. He is demonstrating technique of capturing sunlight and shadow on a cliff in

Georgia O'Keefe's country in New Mexico. Join the group at 1 PM to perfect techniques of painting in water media as well as the fellowship of painters.

A special thanks to all the community who supported the Woodworkers Club at the Courtyard Sale. We are continuing to update and organize our shop. Our annual cleaning was completed the first week of April. Many of the woodworkers are busy being Santa helpers building toys for Seniors for Kids. Many more are working on their own projects. Stop by, join us. We look forward to welcoming you there.

As the weather warms, more woodworkers head to the cooler climates. We wish all the part timers a safe and happy summer and look forward to your return.

Astronomy

Pres. Ron Collins 812-344-4772 scovastronomy@gmail.com
Oct.-May, Third Thu., 7 PM, Activity Center/Navajo
scovastronomy.com

The Star Party on March 30 was spectacular. 30-40 club members were directed to planets, stars and a variety of constellations. The session was led by Chuck Dugan, a professional astronomer, and was done with binoculars and five telescopes. The next Star Party is Tuesday, May 2, 7:30 PM, on the 7th tee box.

Our speaker for Thursday, May 18, is Molly Simon, a graduate Ph.D. candidate from the U of A Lunar and Planetary Lab. She will speak on planetary formation and methods of determining habitation. Molly received the Outstanding Graduate Teaching Award from the Astronomy Department at the U of A.

This will be the last of this year's Astronomy Club's speaker series, and we will break for the summer. A new series will commence on October 19. Don't forget the star party (see above) on May 2.

Pres. Barbara Gates 825-7645
V.P. Connie Armstrong 544-7723 scov.great.books@gmail.com
Oct.-May, First and Third Wed., 2 PM, Catalina Vista/Mt. Lemmon

We read and discuss brief selections of thought-provoking works of literature presented in anthologies by the Great Books Foundation. We offer meaningful conversations about great ideas. We will be reading short story selections from *The Seven Deadly Sins, Even Deadlier*. The deadly sin we will consider in May is greed. On May 3 the selection is "A Woman of Fifty" by Somerset Maugham, and on May

17 the selection is "My Wife is a White Russian" by Rose Tremain. The book can be purchased from Amazon or the Great Books Foundation. Please join us. We welcome all SCOV residents. After the May meetings we will not meet again until October.

Co-Pres. Cynthia Kartman 414-732-3063
Glenda Tonkin 520-207-4802 gt99673@gmail.com
First Mon., 1:30 PM, Catalina Vista/Pusch Ridge

At our May meeting we will discuss *The Wave* by Sonali Deraniyagala. Ms. Deraniyagala tells the story of how her life was impacted when her husband, sons and parents were all swept away in the 2004 tsunami at a beach resort in Sri Lanka. This book was a winner of the *NY Times* "10 Best Books of the Year," and other literary awards.

At our June meeting we will discuss *The House at the Edge of the Night* by Catherine Banner, a novel that spans four generations in the life of an Italian family living on the fictional island of Castelmare off the coast of Sicily, as they struggle with two wars, the rise of fascism and the Great Depression.

Membership David Johnson 825-6994
Pres. Leo Belardinelli 520-989-9314
General Meetings, Nov.-Mar., 1 PM, Auditorium
scovcomputer.com

There are no general meetings or instructional computer classes for May. Membership is required for help sessions, classes, assistance from other computer club members and the right to join the ListServ (online bulletin board). See the club's website homepage.

The Town of Oro Valley's Youth Advisory Council (YAC) is comprised of students from five area high schools. The YACs are bridging the generation gap by teaching seniors. In collaboration with the SCOV Computer Club these students have been presenting iPad and iPhone classes Saturday mornings once a month (pictured above). The club's membership is alerted through its Listserv, bulletin board, posted class schedules and the club website.

Have you ever thought about becoming a better genealogist? What steps are needed to accomplish this? Our member, Holly Gibson, is achieving her goal as a professional genealogist. She will explain how in her presentation Tuesday, May 9. We are so fortunate to have her in our society.

Are you becoming more serious about researching your family and finding the Genealogy Room is closed when you want to research? We have the answer. Get the ten-minute training from Joan Allen to become a monitor. It is that simple. Now you can be sure the room is open when you have the time.

ILR - Institute of Learning in Retirement

Pres. Jane Myerson jmyerson@gmail.com
 Curriculum Randy Myerson rcmyerson@gmail.com
 Registration Karen/Sherwin Koopmans skkoop@gmail.com
 Samplers Sally Evert sallyevert@gmail.com Hal Schroeder halschroed@aol.com
suncityilr.com

Three free summer classes begin in July. Check the ILR website for information. Summer registration is handled by Randy Myerson.

Registration for fall courses will resume August 15. Do not send anything before that as it will not be processed over the summer. You will only hear back from the Registrars if you did not make it into a class. If you have registered, put it on your calendar so that come fall you will remember the courses you will be attending, and when and where that course meets. Please notify the registrars if your plans change. This will allow other members to enroll in your place.

The Curriculum Committee is always looking for future course moderators. A course can be as short as two weeks or as long as ten weeks. Have an idea? Contact Curriculum Chairman Randy Myerson.

Thank you to this year's moderators, committee members and all of those who contribute their volunteer efforts to allow the ILR to provide a valuable service to SCOV residents. Their continued efforts to bring a wide variety of excellent courses and Samplers into our community is greatly appreciated.

Christopher Cessac's "Elegy for a Bayou," written for his grandfather, contains strong yet poetic language and many messages: "Those who can love a concrete sewage ditch/ have plans to pave the swamp that taught you right/ from wrong, water snake from cottonmouth. /What our grandmothers found in Hail Mary/ after Hail Mary whatever good comes/ from transcendental meditation, what Byron/ or

Bierce was looking for when each found death, /you found with ease—johnboat, duck-call, fly-rod. /What remains for now of your bayou is clogged/ with hulking cypress, trunks draped in burdens/ of Spanish moss, worn like gray beards on men/ who have outlived their wives and aspirations/... history's only plot: men escaping/ from cities, men who abhor their neighbors, set sail, /go west with selfish reasons to abolish hell/ or taxes—forgetful men who always die/ with hopes their children build a town with roads, /potable water, police, convenience and art."

Alan Bancroft 520-907-4121 alanroxieb@msn.com
 Colin Kaltenbach, kltmbch@yahoo.com

Our Farewell Dinner was held April 7 and attended by 30 members. Checkered tablecloths adorned the tables. We enjoyed a dinner of barbecued chicken, brats, watermelon, potato salad and ended with brownies. Bruce Ellwein played classical guitar while we chatted before dinner.

We have adjourned until this fall. Our Kick-Off Dinner is scheduled for Friday, November 10, with a harvest theme. Mark your calendars.

If you would like to join and be contacted this fall please give Alan a call at 520-912-3242 or email him. We would love to have you join us for our fun-themed dinners.

Have a wonderful summer. See you this fall.

Dog Club - Fido's Friends

Pres. Marge Gustafson margustafson@gmail.com

Membership/Sec. Elaine Deeter 825-5388

Nov., Jan. and Mar., Third Thu., 2 PM, Activity Center/Hopi

Fido's Friends is the club responsible for our Dog Park in SCOV. The park is a roomy, safe environment for dogs to enjoy off-leash activities with their owners. The big dogs love to chase balls and frisbees around the park, and the little dogs like to chase each other and interact with their canine pals. Dogs really look forward to their time at the park and often remind their owners when it is time to go to the park. If you have a dog who could benefit from some free-running fun, join Fido's Friends and give your best friend a place to romp and play.

Kozachok—Russian Folk Dance.

Folk dancing is more fun than a treadmill and excellent exercise for balance, mindfulness, muscle and mood. For most dances we hold hands in a circle performing non-gymnastic steps to the sometimes strange but fascinating music and rhythms of diverse cultures. No partner or prior experience needed. A typical dance session consists of 12-15 mostly easy folk dances always preceded by instructions. Drop by to see if this internationally popular dance form is right for you or see videos of us in action by doing a Google search on "Folk Dance SCOV YouTube."

Pilates

Mary Ayers 638-7916 scov.pilates@gmail.com

Mon., 3 PM, Thu., 1:30 PM, AFC/Studio

Joseph Pilates wrote that "physical fitness is the first requisite of happiness." To enjoy and get the full benefits of Pilates, a person needs to understand and apply the basic principles, which takes time and patience. Pilates is different from other forms of exercise but is always enjoyable, interesting, challenging and can even be addictive. Our classes teach proper balance, breathing, focusing on your core (abdomen and back muscles) and controlling your movements. There is constant movement from one exercise to the next. As a result, strength and stamina are developed. Your posture gets better, your spine is lengthened and flexibility and mobility of the joints improves. We have two experienced instructors who teach the Joseph Pilates system to seniors. The cost is \$8/class and the annual club dues are \$20 pp. Please feel free to stop by and watch a class. For more information, call Mary.

Fitness Swim

David Goodman goodman@sfu.ca

Greg Patjens gpatjens@comcast.net

Tue., Thu., Sat., 7-8 AM, AFC Pool

The Fitness Swim Club provides an opportunity for swimmers of various abilities to train together. Workouts are generally between 2,400 and 3,000 yards, though some do more, others less. New swimmers welcome. Please ensure you have been cleared by a physician to participate in vigorous exercise before attending.

Tai Chi

Co-Chairs Gail Barr gailbarr@gmail.com 303-995-7485

Karen Reich ktrfam@msn.com 520-403-2764

Thu., 10-11:30 AM, AFC/Studio 1

Most of us think of Tai Chi as a way to prevent falls, improve breathing and reduce stress, but it is so much more. Many medical professionals now credit Tai Chi with decreased pain, improved sleep and mood and better quality of life.

In our classes we not only enjoy learning Tai Chi form, we also improve our balance, flexibility and strength. Our instructors, Jose Hernandez-Rivera and Donna Drazenovich, stress the use of Tai Chi in daily life.

Our current class session has already begun, but those with previous Tai Chi experience may still be able to join. Another class session will begin in the fall. Please contact Gail Barr or Karen Reich for details.

Yoga

Pres. Ursula Jarvis 825-8461

Thu., Chair Yoga, 10:15-11:30 AM, Dance Studio

Our yoga season is winding down. Following are end dates for classes this spring and start dates for next fall. Torrey will cover summer class by extending her classes through June and starting again in August, and Leah Hood will teach chair yoga over the summer, June 1-August 31, 10:30-11:45 AM (note slight time change), AC/Dance Studio.

- Maria's Monday class: ends May 22 and starts September 11
- Torrey's Tuesday class: ends June 27 and starts August 1 (no class May 30)
- Kathy's chair class: ends May 25 and starts September 14
- Kathy's Thursday class: ends May 25 and starts September 14

Yearly club membership of \$5 payable by check required to take all classes; registration forms available in classes. Classes are \$7 each and instructors prefer payment in cash. For Monday classes only, payment is \$7 cash/\$10 if paying by check; ten class tickets \$70 cash/\$80 if paying by check. Tickets never expire. Beginners welcome; classes structured for all levels. Bring mats and props you require. Yoga promotes balance, flexibility and inner peace.

Bike - Vistoso Cyclists

Pres. Jim Elkan 913-744-1686
Membership Tom and Bonnie Bethea 773-653-4580
Mon., Wed., Fri., 1200 E. Rancho Vistoso Blvd.
vistosocyclists.wildapricot.org

We meet year-round starting from the Vistoso Community Church parking lot, 1200 E. Rancho Vistoso Blvd., behind the fire station, to enjoy an unparalleled combination of amazing desert vistas and ever improving infrastructure of bike lanes and dedicated paths. New riders are always welcome.

A monthly schedule of our 20-60 mile rides is available on our website. Our well-tested loop routes support a wide variety of abilities and usually include a mid-ride coffee stop. We also offer a mountain bike option on Wednesdays, which most often heads out into the Tortolita rangelands.

Tuesday morning, our Women on Wheels (WOW) group takes somewhat shorter rides nearer to SCOV. In addition, we hold a number of social events each season.

You can donate your seldom-used, tax-deductible bicycle to our partner organization, Wheels for Kids, which refurbishes the bikes and distributes them to kids and teens, giving youth in need the freedom, fun, and fitness that results from cycling. See azwfk.org to arrange for a drop-off or pickup. Your cash donations are also tax deductible.

Billiards

Pres. Jim Baker 520-495-9611 oro55jim@gmail.com
Mon.-Fri., Noon-4 PM, Catalina Vista/Billiards

In February, the Billiard Club hosted a tournament with SaddleBrooke, which they won 29 to 19.

In March, the club board met to approve the implementation of a handicapping system for internal club tournaments to put players of all levels on a more equal footing. A tournament was held in April using this system. We will award prizes based on the level of participation to the three finalists. Club members interested in establishing their handicap level should contact Jim Baker.

Any resident interested in playing should stop by the Billiard Room in Catalina Vista during club hours, ladies welcome. Free private lessons will be made available on request for beginners to advanced players. Contact Jim Baker.

Pickleball

Pres. Steve Alverdes salverdes@gmail.com
Treas. Renee Steinmetz steinwhit@att.net
scovpickleballclub.wix.com/scov-pickleball-club

With the advent of warmer weather, we said goodbye to our seasonal residents and switched to our summer schedule on May 1, which means mixed play, both competitive and casual players, in the early morning and evening hours. This gives members a good opportunity to play with others of their own skill level or challenge themselves by mixing with better players. SCOV homeowners and renters are welcome to join the club, email Renee Steinmetz.

Racquetball

Pres. Jim Hansen 490-0547 jghansen@gci.net
Sec./Treas. Mike Steinmetz 955-7833
Open Doubles Mon., Wed., Fri., 8-10 AM

Our annual barbecue/potluck was its usual wonderful affair. The weather cooperated, and we had some wonderful food and camaraderie on the Kachina patio. To those members leaving for the summer, we bid a fair *hasta la vista*. Have a safe trip north, and we'll see you in the fall. For those of us who stay, it's racquetball as usual. We've gained a few new members, all good players, but we seek beginners who wish to learn this fast, energetic sport. Contact Jim Hansen.

Our annual meeting was a splendid affair. Three board positions were filled with new, incoming officers/directors, and a fine dinner was enjoyed by all. The ladies tournament had large galleries, and spectators were treated to some solid tennis. The winners are:

Flight A: Ruby Fuhrmann/Dianna Rigamonte
Flight B: Judy Hood/Sandy Wilson

Congratulations to all the finalists, and thanks to all the participants in this important intraclub function. Net proceeds from entry fees and private donations were presented to Cheer Bears and Impact of Arizona. Many of our seasonal members will be making their way back to cooler climes this month, and we wish them a safe trip and a fun, healthy summer season. The May board meeting will be the last for the 2017 season, and the next meeting is scheduled for October. Organized tennis is ongoing with start times shifted to the earlier hours beginning May 1. Summer players will have the edge on the seasonal ones when we return in the fall. Keep playing. Tennis rules.

Survivors of a Loved One Who Died By Suicide

Contact Ester Leutenberg 818-0016 ester36@gmail.com

Survivors of a loved one who died by suicide have unique grief issues and struggles. It is extremely helpful to speak with other people who completely get it. This is a safe atmosphere. What's said in this room, stays in this room.

Vistoso Helpful Hands

Barb McNeill 825-0677 bjmac68@gmail.com

Vistoso Helpful Hands (VHH) is an all-volunteer organization helping SCOV residents who find themselves temporarily in a crisis or needy situation. We provide caregiver relief, transportation, animal care, handyman services, light housekeeping and yard care, paperwork organization and we will run errands. We also have referrals for longer-term paid help.

For help call 410-9498. After the tones, touch in your area code and phone number and hang up. We will call you back, usually within 30 minutes.

Wheels for Kids

Wheels for Kids is a 501(c)(3) charity dedicated to providing rehabbed bicycles for kids in need in the Tucson area. To date, we've provided over 2,100 bikes to various other 501(c)(3) charities who then distribute the bikes to their clients. Some of our partner organizations are Youth on Their Own, El Grupo, Refugee Focus and Tucson Boys and Girls Club. Wheels for Kids is a total volunteer effort, and we need mechanics. If you are interested, we'll train you. Call Dick Swain 920-217-2610 or Tom Terfehr 520-789-7423. Check out our website, azwfk.org. Help kids experience the same joy you had when you got your first bike.

YOTO/Northwest Auxiliary

Kris Cohen 818-2582 krisandearl@msn.com

The Youth On Their Own (YOTO)/Northwest Auxiliary is on track to meet our 2016-2017 school year fundraising goal of \$30,000 for YOTO programs. Thanks to all who have supported our efforts.

This quote is from a YOTO student expressing his thanks for

your generosity: "If I could meet with the donors of Youth On Their Own, I would give them a huge hug. I want them to know how much their efforts have changed my life—and the lives of all YOTO students—for the better."

Watch for details of our "Back to School" campaign.

Extended Community

The Adult Loss of Hearing Association (ALPHA)

Oro Valley Support Group monthly meeting will be held Thursday, May 11, 2 PM in the Cholla and Ocotillo meeting rooms at Santa Catalina Catholic Church, 14380 N. Oracle Rd.

Michelle Michaels, Hard of Hearing Specialist for the Arizona Commission for the Deaf and the Hard of Hearing, will be our speaker followed by discussion. All are welcome.

Contact Joan Eddy at eddyjoan@comcast.net, 825-8630.

National Active & Retired Federal Employees (NARFE)

The National Active and Retired Federal Employees (NARFE) has been safeguarding and improving the earned rights and benefits of America's active and retired federal employees since 1921.

Current and retired federal employees, spouses, guests and visitors are invited to join NARFE Chapter 1874 at the Golden Corral Restaurant, 6865 N. Thornydale Dr. The May meeting will be Monday, May 15, 11:30 AM (Senior menu \$8.49). The program this month is Ben's Bells. Contact Rosie King 520-400-3456.
