From the Board of Directors

Our mission as the SCOV Board is to lead in maintaining and enhancing the quality of life in Sun City Oro Valley as an active adult community.

All Board minutes, agendas and reports are available online and in the SCOV Library. Board meetings are open to residents.

Many Ways to Serve

by Mike LaBarbera

I want to congratulate Jane Fairchild and Eileen Buskirk on being the two newly elected Board members who take office on May 1. They will serve and support our community on the Board of Directors (BOD) for the next three years. I am also honored to serve as the BOD president for the next year.

With the never-ending winter weather gone, we welcome our Arizona summer. Seasonal residents are migrating to their summer homes to be near family and cooler weather. For the rest of us full-timers, the pace of SCOV slows down, and we can enjoy our amenities with some breathing room. Club meetings, artisan studios, and lap lanes are easier to reserve, and getting a table at The Views Restaurant is not an issue. I moved to SCOV during the month of May and found it satisfying to be able to go to club events without overcrowding while getting to meet and know more residents.

Memorial Day is a time to remember our fallen Veteran heroes. Their military sacrifices were borne to serve our country domestically and abroad. The first national celebration of the holiday, called Decoration Day, took place at Arlington National Cemetery in 1868, where both Confederate and Union soldiers were buried. The name Memorial Day was officially adopted in 1968. Please don't wish anyone a "Happy Memorial Day" as it was established to honor troops who gave their lives in service to America. If you are able, attend the Monday, May 29, Memorial Day ceremony at the Marana Veterans Cemetery, 8 AM, 15950 N. Luckett Rd., Marana, AZ.

SCOV is an amazing place to live and play. Consider donating your time to our community. Volunteers are needed in a myriad of capacities around SCOV. Look to volunteer at the Library, at your favorite club as an officer, by collating the *Tipster* or as a member of one of the many Association committees or the Board of Directors. Volunteers are the backbone of our community. Giving back to SCOV is a rewarding, immeasurable, way to meet new friends and socialize, which promotes good health.

Be Involved in Copper Center Decisions

May I take a minute to remind those of you owners who are leaving for the summer to update your summer address online: Members > Member Services > This & That or in the Administration office at the Welcome Center?

When I first came to Arizona about 14 years ago, I remember dreading the summer heat, and I'd walk around with a terry cloth hand towel draped around my neck to wipe the sweat from my brow. Now I welcome the hot days and am cold when I go back up north. I've become accustomed to working in the heat or staying inside in the air-conditioning when it becomes brutally hot. I can even golf at 105 degrees pretty comfortably as long as I have plenty of water to drink. It took a few years, but I became acclimated to the heat and now quite enjoy it.

When SCOV, then Vistoso, first purchased the Welcome Center building, there were some who did not like it and thought it was a waste of money. Now we praise the foresight of the Board who made that purchase and wonder what we would ever do without it. When the idea to renovate the Fitness Center first came up about a decade ago, I imagine there were some who thought it would not get that much use, and that spending that amount of money on the project was not wise. Now we can see what a great addition the Fitness Center facility has been for SCOV.

Once again, we have an opportunity to expand and create something in the Copper Center that future generations will be able to appreciate. As we move forward in determining what should be done with that building, I encourage you to share your opinion by attending meetings and expressing your thoughts. You may or may not see your thoughts match with most residents, but your voice will have been heard and your ideas considered. And who knows, once your thoughts are shared, others who may not have thought about your idea may embrace it and may change their minds. Your idea may be the one that future generations look at and say, "What would we ever do without that?" If on the other hand, you don't like something that is put in the Copper Center, hang on a few years and maybe you too, will come to like it.

Please have a safe summer wherever you go and whatever you do.

It's More Than Living... It's A Lifestyle!

Resident Ambassadors Share the SCOV Lifestyle with Prospective Residents

by Robin Coulter

Sun City Oro Valley was built by developer Del Webb. He brought the concept of active adult living to the undeveloped northern portion of Oro Valley. Sun City Vistoso was the first residential development

in Rancho Vistoso, and the adventure began. As the area was built out, Del Webb turned over the HOA to be self-managed, taking the sales team along with him. So the new Association began its own marketing program with resident Ambassadors providing tours to potential residents. The tour wasn't to sell the homes, but to sell the lifestyle of active living.

The first Ambassador tours began as walking tours in the mid-2000s by resident Marge Roetzel. She would walk the main campus including the Artisan Center and gym. Nancy Sweeney enhanced the tours by taking prospective residents in her four-seat golf cart so they could go out on the golf course, to the Desert Oasis and to Catalina Vista. A six-seat cart was purchased around 2014 when Lou Gard took the helm of the program. Lou has served in this position for the past nine years and will pass the torch of leadership to Chris Ludwig this month. We are fortunate with the longevity of our leadership. It has provided stability and development opportunities for the program. There are more than 30 residents participating in the Ambassador program today.

The Ambassador cart now has fun branding; it's a sleek e-cart, and the twice daily tours are scheduled online for showing prospective residents the SCOV lifestyle. A potential resident receives information about SCOV, a *Tipster*, and they walk through the Library, the genealogy lab, the technology lab, Fitness Center, pickleball courts, Artisan Center and Activity Center. The cart takes visitors outside to

see the AFC pool and the gorgeous views from that location, then drives down to tee #1 to see the vast mountain views from that spot. Next, they walk through the bustling restaurant and onto the terrace.

Volunteer Ambassadors showcase the SCOV community to visitors, many of them prospective residents

will stop the cart or comment during a walk to inform the visitors just how much they like living in SCOV and the friendliness of this community. Often residents who have purchased a home without having first taken a tour will request one after relocating.

The Ambassadors serve the community in other ways as well. During the Arts & Crafts Festival, they transport visitors from lower parking lots and act as greeters.

In 2022, the Ambassadors gave 305 tours and 26% of visitors who took tours purchased homes in SCOV. Ninety-eight visitors wrote reviews scoring 4.9 average out of 5.

The goal of the Ambassador program is to make visitors feel welcome, emphasize the abundance of amenities, point out activities and clubs that are

available in SCOV and present as much information as possible. The next person you see on an Ambassador tour could be your new neighbor.

SCOV - An Age-Restricted Community

What does that really mean...an age-restricted community? For SCOV it means a few things. First, the Fair Housing Act and Housing for Older Persons Act 1995 (HOPA) must be adhered to. The Fair Housing Act specifically exempts three types of housing for older persons from liability for familial status discrimination. Such exempt housing communities can lawfully refuse to sell or rent dwellings to families with minor children only if they qualify for the exemption. In order to qualify for the HOPA exemption, a facility or community must comply with exemption requirements. There are three types of exemptions; ours is intended and operated for occupancy by persons 55 years of age or older, which is the most common use of the exemption.

A community must have at least 80% of the units with at least one occupant 55 years of age or older, and they must publish and adhere to policies and procedures that demonstrate the intent to operate as "55 or older" housing, and the community must comply with HUD's regulatory requirement for age verification of residents. The HOPA exemption does not protect such housing communities from housing discrimination liability because of race, color, religion, sex, disability or national origin.

The SCOV governing documents further address age restrictions in the Master Declaration, Section 4.25 where the Association required at least one person who is 45 years of age and at least 85% of the Lots occupied by those 55 and older. In other words, 15% can be 45 years of age and older.

So, how are ages tracked? The law requires a census to be taken every two years. SCOV does this on odd years, so this is the year of the census. In June, an Age Verification Form will be in your annual mailing with your dues invoice. This is to be filled out and returned to SCOV in the envelope provided. By your completing this form, SCOV can demonstrate it meets the requirements for age-restricted communities. Also, after the forms are received and entered in a database, there will be a good demographic picture of our community. So, thank you in advance for filling out this form and watch "This Week in SCOV" for information on the results from the census.

There are two fun activities for May. Get your tickets now for the Rob Resetar Quintet with Sheryl Ann McKinley on Wednesday, May 24, 6 PM, Auditorium. Sheryl brings to life hits by Ray Charles, Petula Clark and Burt Bacharach and is backed up by five of Tucson's most talented musicians. Members of the band have composed and played on major television shows and for orchestras around the country. Tickets, \$15 pp, are available on the website under Member Services > Tickets.

The second event SCOV is hosting is a free car show for our community on Sunday, May 7, Noon-3 PM, in the parking lot between Rancho Vistoso Blvd. and the tennis courts. There will be music, and don't forget to try your luck at the raffle table. To participate, please email Brenda, the Lifestyle Coordinator at bpuzzele-stoltz@suncityorovalley.com and reserve your spot today. Willy's Philly's Cheesesteak Sandwiches will be here. The food is delicious, and seating will be provided. The menu options include Willy's Philly steak sandwich, fries, coleslaw, potato salad and drinks. Come on by for lunch or a quick snack.

Revised SCOV Development Standards

On March 28, 2023, the SCOV Board voted to approve the Architectural Review Committee (ARC) suggested changes to our Development Standards.

Please destroy any old copies of the Development Standards that you might have, and go to our website to read the revised Standards. After you sign into the website go to Members > Documents > Development Standards. You may also pick up a paper copy at our Welcome Center.

One of the changes is a new palette of 21 exterior paint schemes and the addition of several optional southwest front entry door and security door colors. Security doors adjacent to front entry doors may now be painted the same southwest color as the front entry door. Most of the body colors have been held over with new trim colors. Only one house trim color is now allowed in addition to an optional southwest front entry door color. Ornamental iron fencing Specifications are now included in Appendix B.

It is important for residents to be up-to-date regarding the governing documents, especially if they are contemplating making any changes or additions to the exterior of their property. A good rule-of-thumb is that anytime you want to change the exterior of the property, it usually takes some kind of HOA approval—even in the backyards. If after your review of the revised Development Standards you have any questions, please feel free to contact Katy Mosier, Architectural Coordinator.

Keeping Your Resident File Up-to-Date

Remember to fill out an In-House Submittal Form online if you are going to have new underlayment installed on your roof and are using the same tiles.

Author Tom Zoellner signing books

The Tom Zoellner author event was intriguing. Tom shared his extraordinary journey through our state exploring its history and amazing geographic features.

A huge thank you to the Friends of the Library and presenter Garry Buck for the Great Views event last month. The Library added the 21 new foreign films that Garry reviewed to our DVD collection. In April, we recognized our amazing volunteers who help keep our community library running. Not only are they the friendly, helpful people checking books in

and out, but they go above and beyond in assisting in the Library. Volunteers help with collection development, preparing books for circulation, finding lost books, processing book donations, updating the puzzle wall, maintaining the magazine rack and helping patrons find those great books to read. A heartfelt thank you to our awesome team of Library volunteers.

What is Dehydration?

Dehydration is when our body loses more fluid than we take in. It can happen quickly and it can be fatal. Generally, the Institute of Medicine recommends a daily total water intake of 15 cups (or 3.5 liters) for men, and 11 cups (2.5 liters) for women. Other factors such as age, weight, lifestyle and physical condition also play a large part. Healthy hydration is drinking enough water for your personal health and lifestyle profiles. We live in a warm climate, so drink up. Water is portable. Carry small bottles with you wherever you go.

Special Note From the Aquatic and Fitness Center (AFC)

Orientation on how to use the gym equipment is held Thursday, 1 PM, so stop in and sign-up. Classes are limited. Contact Lonnie Davis, AFC Coordinator, to discuss questions or concerns with the AFC. Hours of operation for the AFC and Desert Oasis are on page 2.

Tuesday, May 9, the AFC pool and spa will be closed for cleaning and shock treatment and will reopen the following morning at the regular time.

Wednesday, May 10, the Desert Oasis pool will be closed for cleaning and shock treatment and will reopen the following morning at the regular time.

Tuesday, May 23, the AFC spa will be closed for cleaning until 1 PM.

Active Health

Chair Rita Menet 920-659-1428 rita.menet@gmail.com

Next meeting Nov. 7, 3 PM, WC1

The Active Health Committee would like to spotlight the Diabetes Support Group.

Diabetes is a metabolic disease that is at epidemic levels. According to the National Institutes of Health (NIH), it is the nation's fourth leading cause of death and an underlying cause in Alzheimer's disease, blindness, heart and kidney disease. The latest NIH statistics show that 50% of adults 65+ are pre-diabetic and 30% are Type 2 diabetic. Numerous studies have shown that prediabetics and Type 2's can control or reverse the effects of the disease with lifestyle choices. Some members of our group have done just that. They have shared their stories at the meetings.

The group discussions include all things diabetic: latest news, terminology, medications, individual successes and failures, and important lifestyle changes (diet, exercise, sleep and stress management). We provide a place to ask your questions about living with diabetes. See Community Support Groups on page 14 for meeting information.

Aquatic and Fitness Center Advisory

First Wed., 11 AM, WC1

The committee had a very busy and productive year with a successful open house, recommendation of additional heaters for the pool, updated pool decking, backstroke flags and additional improvements. We will meet in May for our last meeting until September. We have added two additional meetings for this year. As chair, I will follow-up on our recommendations and communicate to the committee through the summer as needed.

Next year we will address the asset reserve list and look at replacement needs in the Fitness Center. Continue to fill out comment cards, and please fill out the agenda form which is on our website for specific requests. Have a wonderful spring and summer.

Architectural Inspection Group

Conveyance Coordinator, Jack Mooney, 520-917-8087, scoroval@ciramail.com

We sometimes get asked about removing epoxy driveway coatings that have become cracked, chipped, or beyond cleaning. Even the best coatings may not look good after 8-to-10 years. Removing that coating is labor intensive and requires professional equipment. One company here in Tucson recently quoted a SCOV resident a price of about \$4 per square foot to diamond grind the old coating off. This cost will likely continue to increase, and it is important to remember that the concrete underneath may not look new once the coating is removed. If you are considering having your driveway coated, remember that ongoing maintenance and occasional recoating will be necessary. If, later, you decide to remove it, that will be a significant cost as well. Be sure to consider all the details before having any driveway work done.

Zoom meetings Second and Fourth Tue., 2 PM

The focus of recent changes made to the Development Standards involve adding clarity and adapting to a changing community. Key improvements include more clearly defining fence materials and how close one wall can be to another wall/fence. Window frame width requirements were tweaked to align with manufacturing advancements. A new set of house paint schemes are available. The southwest colors introduced last year for front entry doors are now extended to security doors. More basic updates such as pathway lighting, UV screens, and garage doors can now all be approved directly by the Architectural Coordinator. In addition, clarity was provided to define a courtyard, specify how many artifacts/pots can be in the front yard, and to establish that artificial grass must not be visible from the street. Before making changes to your property's exterior, be sure to get the latest version by going to the SCOV website Members > Documents > Development Standards.

Code of Conduct Review Board

Chair Marlene Branz, 618-670-1063 cconduct@suncityorovalley.com

The SCOV Code of Conduct (COC) defines civil behavior for residents and their guests. The COC shall be followed when using SCOV facilities, common areas, digital and written interactions. When buying a home in SCOV, every homeowner is presented with a copy of SCOV's governing documents including the Owner & Resident Handbook in which you can find the COC on page 5: Members > Documents > Owner & Resident Handbook.

By adhering to the COC, we maintain mutual respect, honesty and courtesy with our fellow residents and others who enjoy SCOV public spaces. Let's all do our best to make SCOV the best place to live.

Community Directory

Chair Blythe Campbell 907-717-7546 scov.community.directory@gmail.com
www.scovaz.com/members/services/directory

Last month, community directory volunteer Blythe Campbell had "office hours" at the Activity Center to help residents with their directory listings. Several residents stopped by to make changes. One area of confusion, particularly for new residents, is the website/online directory.

The online directory is updated monthly. You can access the directory on your computer, tablet or smartphone.

When residents fill out a directory change form online or on paper, there's a box to check to have name, address, phone number(s) and/or email address(es) "unlisted on the website." People often check that box thinking, "Of course I don't want my information on a website." However, the SCOV directory is in the nonpublic area of our website, so residents need to log in to access it.

Having an online listing helps your friends and neighbors

Community Directory volunteer Blythe Campbell greets residents at the Activity Center

get in touch—not a bad thing in a community full of friendly people and fun activities. Email addresses are not included in the paper directory, but you can choose to list your email address in the online directory.

Consumer Referral - Vendor List

Susanna Moran scovconsumerservices@gmail.com

The Vendor List is on the SCOV website. After logging in, go to Members > Member Services > Consumer Referral Vendor List.

The Vendor List is currently available for viewing at the monitor's desk at Catalina Vista. Check the Vendor List often, as changes are made frequently.

Vendors should email Susanna Moran to inquire about applying to be on the Vendor List.

Election

Vote results for the Board of Directors: The results of the vote were published Tuesday, March 28, for the Board of Directors. The top two vote getters are elected to serve a three-year term beginning May 1, 2023. There were 2,476 eligible voters with a quorum requirement of 10% of the Lots in the Association (249). There were 1,247 votes cast, meeting the quorum requirement. The count of votes cast was Jane Fairchild (974), Eileen Buskirk (973), John McConnaughey (451). The top two vote getters, Jane Fairchild and Eileen Buskirk, were elected to serve from May 2023 through April 2026.

Volunteers put down their books briefly at the appreciation party

It doesn't take a village to run our Library, just 50 wonderful volunteers, one wonderful librarian and 11 Friends of the Library (FOL) board members. FOL showed their appreciation to the Library volunteers in March with a well-attended wine and pizza shindig. Not only is the SCOV Library one of the best assets in our community, but it's also one of the most fun places to volunteer.

SCOV Library does not get funds from your HOA dues to purchase all the items that fill the Library shelves. Your membership and kind donations go towards those purchases. Recommendations on those purchases come from scouring best seller lists and suggestions from you. We try to have the hottest titles in our collection, and often you can have one in

your hands from our Library well before you reach the top of the reserve list at Pima County Public Library.

Please pick up a review form in the Library to tell us about your favorite new book. More about that next month and of course, come to our monthly fun, Book Bingo on Wednesday, May 17. See Coming Events on page 13 for more details.

Linda Wilkes was encouraged into jewelry making by her mother-in-law. In 2017, Linda purchased jewelry at an estate sale, including a beautiful necklace that was handmade. That particular necklace led her to

retrieve her jewelry tools and revisit a joy of creating. "I like to create with different themes in mind and have created a design I call Dimensionz which appears to be dimensional."

Alice Shabel grew up in Queens, NY, attending the School of Art and Design and Fine Arts at Queens College. After attending a cat show and seeing costume jewelry caricatures of cats, she started making more realistic cat jewelry. She took classes learning how to carve wax, cast and work with silver. After moving to Arizona, she started using glass and crystal beads for herself and for gifts. "My favorite designs are peyote slide necklaces and earrings, interchangeable, so you can make several different color-coordinated looks."

Government Affairs

Chair Earl Vittitoe scovga@gmail.com

Second Wed., 1 PM, WC1

www.suncityorovalley.com/committees/government-affairs/

On Tuesday, April 4, the Government Affairs Committee hosted Oro Valley Police Chief Kara Riley and Lt. Zachary Young in the Auditorium. Chief Riley shared crime statistics, explained department training, staffing and certification processes. Lt. Young addressed the traffic situation and plans for improving the focus on traffic on Ranch Vistoso Blvd. Chief Riley and Lt. Young also answered questions from the community.

Our next community forum will be with the Golder Ranch Fire Department on Thursday, May 4, 1-3 PM, Catalina Vista. Do you know how the Fire Department reacts to an emergency at your home, or what services and training they provide? They will address all of this, plus take questions from the community.

Due to capacity limits at Catalina Vista, there will be free tickets for this event available at the Welcome Center.

Just what is an artifact? Our Development Standards define an artifact to be "such as statues, depictions, artificial flowers, decorative yard ornaments or other manufactured artificial decorations, whether lighted or unlighted, shall not be placed in front yards or street-facing side yards." Artifacts maybe placed on top of front or street-facing courtyard walls and window sills. But there is a limit as to the number of artifacts on these two locations. The length of the courtyard wall or window sill limits the "number of artifacts" to one per four linear feet. Placement is at homeowners' discretion. Artifacts can be placed on the ground only under covered porches.

Golfing experience that provides professional and friendly service, mountain views and excellent conditions.

Director of Golf - Rick Price

rprice@theviewsgolfclub.com 520-917-8086

Thank you for another busy and successful season this year. However, let's hope next year we have a little better weather. Our new rates and membership information for the 2023-2024 season are now available on the website.

Please be aware of some important dates regarding golf course maintenance. The driving range will be closed from the end of April through the first few days of May for our pump station replacement project. We will also be aerating tee boxes throughout the summer, as needed.

During the first week of May, we will aerate the roughs. On May 11, the practice green will be aerated starting at 9 AM and will be closed until the project is complete.

The greens aeration begins May 15, with the back nine closed for the day but play allowed on the front nine. The following day, we will aerate the front nine and open the back nine. Please indicate when booking starting times whether you will play nine holes only or play the same nine twice.

Starting on May 30, the fairways will be top-dressed, and solid-time aeration begins on the back nine, which will be closed through June 1. The following week, June 5-7, the front nine will be closed for aeration.

Thank you for a great season, and we look forward to continuing to serve you.

Director of Golf Maintenance - Michael Kropf

scvgolf@suncityorovalley.com 520-917-8063

One of the toughest challenges on maintaining a golf course is accomplishing many tasks with only a small number of employees. The maintenance crew is not only responsible for maintaining the grass, but also traps, sprinkler systems, pump station, ponds, desert and numerous other items. Most golfers are unaware of the amount of work that goes into golf course maintenance, but volunteers from all the clubs have been donating their services to help the maintenance department for many years.

Originally, the Men's Nine-Hole Golf Club wanted to help on the golf course, so they organized volunteers to fill divots on the tees and fairways during the time the course was closed for maintenance. Eventually, they created a system where volunteers from all the clubs adopted their own hole to maintain. These people not only repair the divots, but also fix the ball marks on the greens. The work that these volunteers accomplish throughout the week has freed up at least two maintenance employees to concentrate on other aspects of the golf course. This directly leads to even better maintained golf course without added expense.

The golf course maintenance department also gets volunteers who help with painting the yardages on cart paths at overseed and help with the weeds around the desert edges. The maintenance department would like to take this opportunity to express our gratitude to all who donated their time and energy to help make this one of the best courses in Tucson.

The Posse is a valuable asset to the residents of SCOV. Volunteers work with the Oro Valley Police Department in patrolling our area to help keep our neighbors safe. We are always looking for new volunteers to patrol and/or serve on our board. (Posse board members do not have to patrol, however, it is helpful if you've served on Posse patrols in the past.) If you have any suggestions on how we can recruit new volunteers, or if you're interested in helping us, please contact Linda Simón, our Posse chair. We welcome all suggestions.

Properties

Chair Rich Oaks richoaks114@gmail.com
Third Thu., 9 AM, WC1 and via Zoom

The Properties Committee conducts a number of facility inspections throughout the year. During the inspections, participants make notes and take photos of their observations relating to safety, function and appearance issues. Those notes and photos are assimilated into a draft report which is reviewed and edited by all committee members. The final report is then forwarded to Association management for resolution by staff. The committee is pleased to report that most recent observations have been appearance issues. The number of safety and functional issues have decreased during the past several years. Our recent meetings have been in person and via Zoom. Please see the calendar on the SCOV website for scheduled meeting dates, times and meeting format.

In April, the 18-Hole Men's Golf Club held The Views Invitational with more than 70 participants playing in two-person teams for two days in best ball and scramble formats. Now that it is May, the golf course is really shaping up, and it is looking and playing great. Many thanks to The Views staff and grounds crew.

This time of year the seasonal residents leave us during the spring migration. Thanks to you all for a terrific winter season. We wish everyone safe travels, and we'll welcome you back in the autumn.

The 18-Hole Men's Golf Club will carry on with events every Wednesday throughout the summer. Both team and individual formats will help keep it fun and challenging. If you are interested in joining or just learning more about our club, get in touch with John or Cliff whose contact information is above.

Flight 3: 1st Monty Hughes, 2nd John Cook

Flight 4: 1st Frank Hines, 2nd John Bailey

We are happy for those who played well and chagrined for those who didn't, but there is always next year.

Neither snow nor rain stays golfers from completion of their rounds.

The last league game was on April 27. The league now moves to the summer schedule with league play on the first Thursday of the month and a skins game on the next three Thursdays of each month. The skins game is \$5 and the league game on the first Thursday is the usual \$4. A skins game actually favors a golfer whose game is a roller coaster over the Steady Eddy.

Unofficially, it looks like the 2023-2024 league season should begin Thursday, October 12. We look forward to seeing you all back, healthy and ready to play. "Half the time, twice the fun."

The Lady Niners hosted our invitational tournament, the Ladies Master's, in March. It was a huge success, with ladies from our club and surrounding nine-hole ladies clubs participating. Our awards luncheon happened in late April when we presented awards to some and our appreciation to others including The Views Pro Shop and maintenance staff. We elected new officers to the board.

The Lady Niners celebrate all our golfers, those of us who excel, and others who are improv-

Community Foundation

Pres. Carol Johnson 425-343-7138 FoundationSCOV@gmail.com
Fourth Thu., 1 PM, Desert Oasis www.foundationscov.org

SCOV is fortunate to have The Views Golf Course, and this month the Foundation reports on two spring projects connected to our golfing community.

Golfers Don Jorgenson, Carol Wyatt and Larry Petersen check out the new electronic display bulletin board at The Views Pro Shop.

First, we recently helped fund a new electronic bulletin board at The Views Pro Shop, replacing an old physical bulletin board where announcements had to be manually displayed. The new display system makes it easier and

more timely for information to be shared without paper.

Second, the Foundation also provided financial support for the annual Cure for Cancer Golf Tournament. Held in March, the tournament raised nearly \$48,000 for cancer research at the University of Arizona Cancer Center. The tournament had 220 golfers participating (the course maximum) and almost as many volunteers assisting. The Foundation was proud to support this cause, which touches the lives of so many residents in our community.

Golf-related projects are among the many supported by the Foundation. Future articles will report on grant funding for projects with the Astronomy Club, the Photography Club, the Table Tennis Club and Vistoso Helpful Hands.

Third Tue., 4 PM, WC2

Our Cancer Support Group encourages and welcomes all SCOV members who have been affected by cancer. This group includes everyone from those newly diagnosed, currently in treatment, cancer survivors or those who are caring for someone with cancer. Our meetings include a valuable exchange of information and discussion with those who have had cancer and undergone chemotherapy and radiation treatment. We learn from each other. Sandie Roberts, SCOV resident who has a family member dealing with cancer, facilitates the group. The focus of this group is to share feelings and experiences with cancer risk, current cancer and post-cancer. You may be an individual with cancer or a loved one of a person with cancer. We hold this safe space to be able to discuss all aspects of cancer.

Thank you for helping us to raise funds and awareness to benefit the fight against cancer. Your participation and donations contribute to making meaningful, life-saving advances in the prevention, detection, and treatment of cancer.

With the support of our partners, donors, and community, our Cancer Center is at an opportune time to take bold steps and pursue promising paths of discovery. We are leveraging our institutional strengths to advance collaborative, novel, and rigorous research to prevent, diagnose and treat cancer. I shared with you just a few examples of the groundbreaking work being done. Opportunities abound to improve our efforts to understand and combat this devastating disease.

With your partnership, I look forward to our Cancer Center making a greater impact in our unceasing, lifesaving work of ending cancer.

Warmest regards,
Joann B. Sweasy, Ph.D.

Art League

Pres. Lee Sopwith 208-447-8282 leesoppy@gmail.com

Stop by and see the refreshed art exhibit in the Activity Center with new work from SCOV art clubs. The Art League changes artwork in the Activity Center and Library regularly. More than 75 new works were hung in April. This is a substantial effort and we need volunteers to assist. We also need new members for vacant positions on the board. Please consider volunteering if you are interested in the Arts. Contact Lee Sopwith for information.

Bark Carving

John Johnston 520-274-9888 Johnjohnston@xplornet.com
Tue., 1-4 PM, Thu., 9 AM-Noon Artisan Center/Lapidary

Bark carvers use cottonwood bark as their medium. The bark is soft and easy to carve, lending itself to carving whimsical gnome houses, interesting faces or almost anything you can imagine. We have carvers who are willing to teach you how it is done. We can provide some carving tools to get you started. Join us Tuesday afternoons or Thursday mornings.

Karen Kane displays her beautiful handbuilt planter

Karen Kane, who volunteers for our kiln team, has been a Clay Club member for seven years. Karen says she enjoys pottery because "I have the freedom to create whatever project I want. I can do that on the wheel or by handbuilding. And in our club, you get the help you need to accomplish your goal." Handbuilding is her favorite because she can integrate two of her other interests, woodworking and glass, into her projects.

Reminders for May include a general meeting

Thursday, May 4, 1 PM, in the Clay Studio, and our monthly cleaning on the third Wednesday of the month at 1 PM. Please consider attending these events.

Many beautiful pieces are displayed in the Clay and Glaze Studio windows. Stop by on your walk to see what our potters have been up to. And it's okay to smile at the whimsical totems you admire in the courtyard.

Colored Pencil Plus

Bette McGrath 815-347-4282, Cathy Harrison 303-968-5545
Fri., 9 AM-1 PM, Catalina Vista/Art Studio

During the summer months, we SCOV artists spend a little more time inside working on our art. If you're looking for a place to not only create but meet other artists and perhaps get some coaching in colored pencil or scratchboard, join us any Friday morning and check us out.

Club president Bette McGrath, who keeps our club on track, works on a colored pencil piece called "Mike's Cactus"

Gourd Art

Susan Potter 253-722-4295
Mon., 1-4 PM, Fri., 9 AM-Noon, Lapidary Room

The next time you stop by The Views Restaurant, take a minute to look at the wonderful gourd art created by our own SCOV gourd artists. Feel free to visit us at the Artisan Center to see our artisans at work. We would be more than happy to show you our projects. You might even be inspired to join us. Our members are always willing to help newcomers, and we have everything you need to get started.

Japanese Flower Arranging

Donald Marier 612-757-8373 dolmar21@gmail.com
Jan.-May, Second and Fourth Mon., 2-4 PM, Catalina Vista/Pusch Ridge

Japanese flower arranging, ikebana, is the art of arranging flowers, branch materials, grasses and leaves. At its core is the beauty resulting from a combination of color, shapes and graceful lines. More than simple floral decoration, it is a form of sculpture with plant materials. Learn from certified instructors at your own pace and make creative arrangements for your home.

Knit and Crochet

Jane Fairchild 520-909-5069 janemail11@yahoo.com
Mon., 2:30-4:30 PM, Activity Center/Hohokam

If you have a knit or crochet project, or would like to learn, come join us. An ongoing group project is making crocheted mats out of plastic shopping bags. You can participate in this project by cutting the bags into strips, stringing the strips into plastic yarn (plarn) and/or crocheting them into mats.

If you wish to donate bags, flatten clean Fry's, Safeway or Walmart bags and stack them by color. You can then fold all the stacks over into one; no need to fasten them together. This effort on your part greatly streamlines the cutting and crochet process. Do not include newspaper bags as they do not work for this project. Bags can be dropped into a basket on Jane Fairchild's front porch any time at 1750 E. Crown Ridge Way.

Photo by Tom Prall

This is a model of the Lockheed Martin F-16CJ fighter plane built by club president Fred Faust. One can admire the way the model captures the look of the prototype, the level of craftsmanship in its construction and the fit and finish of its appearance. But it didn't come alive for many modelers until club member and former U.S. Air Force and American Airlines pilot Ken Rosberg told members and visitors at our April meeting the story of the plane's development in 1965 as the original Wild Weasel aircraft. The story of the cat and mouse tactics between combat aircraft and enemy air defense systems is a fascinating one, too long for this venue. Suffice it to say that with this model, as with so many, it is the story behind the miniature that brings life to it and gives interest to our model building. Come join us.

Open Studio Artists

Sculpture

Pres. Dale Foster 520-825-0707 fosterdale1248@gmail.com
Mon., 9 AM-5 PM, Catalina Vista/Art Studio

The Sculpture Club meets on Mondays in Catalina Vista/Art Studio. If you are interested in becoming a member or learning more about what we do, stop in on Monday mornings or contact Dale Foster. Our sculpture pieces

Laurie Lichaa's hummingbird sculpture

are in the glass case and window inside Catalina Vista, a showcase outside of the Library and inside the Library.

The Sculpture Club mainly uses polymer clay compared to the wet clay that the Clay Club uses. So, what is the difference? Pottery clay is made from ingredients from the soil. Polymer clay is a flexible vinyl which is based on the polymer polyvinyl chloride (PVC). PVC is mixed with plasticizer, stabilizer, lubricant and pigments, which allow it to be shaped and, when heated, becomes a hard material or a solid vinyl. Polymer clay is non-toxic and safe when it is used for crafting, modeling or as an artistic medium.

Room Orientation and Pfaff Training Lesley Monroe 509-947-5669

There are lots of changes underway for Thimblelenas. New Pfaff sewing machines are gradually replacing the old and require training before use. For room orientation and Pfaff training, contact Lesley Monroe 509-947-5669. If you have had serger training on the old machines, additional training is not required since the new sergers are so similar. For those who have not been serger trained, contact Sue Lane 520-971-8755. Please remember that a monitor must be present when using the Sewing Room. Check online at www.signup.com before visiting the Sewing Room to confirm a monitor is on duty and that it's not an active club time. For sign-up help, contact Carol Meyers 715-754-2824, or you can plan ahead by viewing the Sewing Room door for the posted schedule. Just take a picture and keep the information on your phone.

It's getting to be that time of year when our seasonal residents leave for cooler climates for the summer. We'll miss you and look forward to your return in the fall. However, that doesn't mean that those of us who are still here stop what we're doing. Summer cotton pajamas need to be serged and sewn, crib sheets made from donated used sheets are always needed and other items such as bags for foster children's clothing and personal items are appreciated. We'll be working in the cool temps of the Sewing Room and enjoying our time together. If you would like to know more about what we do, come by on a Monday or Thursday morning from 9 AM-Noon and we'd love to show you any of our projects.

Cheer Bears

Pat Norton 480-993-8762 panpan9803@yahoo.com
Wed., 1-3 PM, Artisan Center/Sewing

Cheer Bears have been busy this winter and we have filled our shelves. We really enjoy spending time together and are now distributing bears to their new homes. We continue to meet every Wednesday from 1-3 PM in the Sewing Room.

We have placed our Cheer Bears in the Gift Shop to be sold. All proceeds will go to replenishing our supplies and keeping the little bears marching. Stop by the Gift Shop to browse and maybe purchase a smiling face for that grandchild you want to thrill.

Thank you to the Tennis Club for the generous donation from their tournament. We always put donations to good use, and we really appreciate the Tennis Club and their hard work. We always look forward to seeing your smiling faces.

Oh look: It's elf Mary Jo sewing bears on one of our new sewing machines

Pet Beds

Jan Bohe 520-825-9725
Tue., 1-3 PM, Artisan Center/Sewing

Can you snip and stuff? Are you a pet lover? So many of us are. We have a simple and easy project you can help us with on Tuesday afternoons. Sewing is definitely not a requirement. We just snip away at washable fabric and stuff pillows for our furry little friends at the Humane Society. The beds come in many different colors and sizes that any animal would love. We sure could use your help.

Silversmith and Lapidary

Pres. Rich Rozehnal 520-638-6368 rozehnal@comcast.net
 Shop hours: Mon.-Thu., 9 AM-4 PM, Fri., 9 AM-Noon
 Meetings first Mon., 3:30 PM, Artisan Center/Lapidary Room

This month we feature the work of our lost-wax casting team recreating a technique of ancient civilizations. The Egyptians excelled in metalworking and employed wax casting, a technique that entailed crafting a wax model, covering it in clay, then heating it to let the wax flow out, leaving a cavity in the mold. Molten metal was poured into this cavity, taking the shape of the original wax model.

Once the metal cooled, the clay mold was broken to unveil the finished metal object. This process enabled the creation of intricate objects like figurines, jewelry and statues. Our members recreate this process with some modifications.

SCOV residents interested in joining should visit the shop and speak to the monitor about scheduling training. New member training is held monthly on the second Tuesday and Wednesday

 Studio Manager Byron Wolffong 520-284-7889 wolffong5@gmail.com
 Open to members 8 AM-9 PM
 www.scovglassclub.weebly.com

Although Doug Switzer never previously worked with the medium of glass, he always had the desire to experiment with stained glass. Two years ago, he decided to join the glass club and sign up for a stained glass class. A year later he made the decision to move on to fused glass. He states that there are unique challenges in working with both.

Doug has taken advantage of the wide variety of member classes. He enjoys working in the studio, appreciates his many mentors and finds this to be one of the friendliest clubs in SCOV.

Doug is a very busy man in our community. He enjoys participating in various water sports, is a member of the Woodworkers, plays poker on a weekly basis and is a member of the Theatre Club, where he graciously constructed the props for several plays.

Please visit us soon. You will definitely enjoy what you find.

Wood Carving

Mike Engle, 317-979-1434, scottengcanyon@comcast.net
Sat., 9:30-Noon, Artisan Center/Lapidary SCOVcarvers@gmail.com

Wood Carvers are meeting at the Artisan Center/Lapidary Room on Saturday mornings. We encourage you to come and join the group. The wood carvers use carving knives, carving gouges and rotary tools.

Feathers carved by Reagan Bell

Club member Reagan Bell has been carving for many years, starting in the 1970s. If you think you might be interested in wood carving, we can help you get started with some basswood, tools and basic instruction. If you are already a wood carver, bring your tools and a project and join the conversation.

Woodworking

Pres. Gary Casner 303-880-4120 gcasner1@comcast.net
VP Karen Curry 708-822-3057 kindheart77@att.net
Next meeting Thu., May 18, 9 AM, Wood Shop
www.scovwoodworkingclub.com

The Wood Shop is quieter as many of our seasonal members leave for the summer. This month's featured woodworker is Lynn Lamb, who was a part-timer for a few years before he became an SCOV full-timer in 2016.

Lynn is definitely one of the more unusual woodworkers in the shop. A commercial general contractor for 27 years in Lenexa, Kansas, he's been making exceptionally beautiful guitars since 2017. Although a casual guitarist, his handmade guitars rival the most expensive and beautiful guitars commercially available. Lynn says that the SCOV Wood Shop is not only safe, well organized and equipped, but that the shop is filled with friendly and helpful woodworkers.

New member orientation is the first Wednesday of each month at 4 PM. Call Bill Norton 480-980-5493 for additional information. Please visit the website. A \$30 membership fee is required to take the class.

We have concluded our season and will return to the pleasure of stimulating discussions in October. Social science research has shown that those who engage in substantial conversations report relatively high levels of satisfaction with life. We find that, even if we come to no definitive conclusions about the material we've read, we leave each meeting feeling that we have grown through the experience of thinking hard and sharing our ideas.

When we resume in the fall, we will be basing our discussions on selections from "Great Conversations 4." This anthology can be purchased from various online sources. Contact Barbara or Maryfaith for more information.

Poets Corner

Sharyn Rafieyan 520-331-1092 srafieyan@comcast.net
Mon., 10 AM-Noon, Zoom

Limericks are generally short humorous poems with a specific meter and rhyme scheme. Departing from this tradition, Poets Corner member James Pavlakis has written several serious limericks that don't exactly follow the pattern. They are meant to provoke, not smiles, but serious consideration.

The people face devastation. Science needs to step up and say.

Fires, floods, evacuation. We're sorry for the long delay.

Concern is criticized. Different human faces. Urgency pushed aside. Are not different races.

Mired in political stagnation. So lift the lie and throw it away.

Forget heaven; be fulfilled right here.

Embrace life with joy and see it clear.

Think freely. Love dearly.

Do not succumb to baseless fear.

Writing poetry is a form of exploration and discovery that may include challenging old forms and norms and encouraging experimentation. Newcomers are always welcome.

Apple help 520-329-7661
www.scovcomputer.com

Have you looked into the Technology Lab lately? If you do, you will see numerous tables with almost no monitors or computers. Is the Technology Club folding? The simple answer is that we are very much active, and hundreds have attended our classes in the preceding months. The difference is that the 10+ year old monitors and computers have been removed and donated to the local AZ Veterans Home in Tucson.

As computers age, they are harder to update and meet the demands of today's uses. In addition, most desktop tower computers are rapidly being replaced by laptops, phones or tablets. During our classes, it was clear that the older desktop computers were just not being used. In addition, they actually were a line of sight obstacle and took up desk space needed by those bringing their laptops and tablets to class. So, the old timers were retired.

If you're interested in, or recently inundated with technology, feel free to attend one of our classes. Priority is always given to club members, but hey, 10 bucks a year is as close to free as you can get nowadays.

We voted in and welcomed board members: VP, Kris Sigford; Treas., Reed Goldsmith, and Sec., Meg Taylor at our last Fido's Friends meeting in March.

Brian Wacik, known as the Tucson dog whisperer, spoke about helpful tips and advice for our dogs. He teaches communication with our dogs, dog manners and obedience. He and his dog, Pedro, demonstrated how training using cues can make a huge difference. Brian emphasized the most important aspect of training is having patience.

The parking lot and other projects at the K9 Korral are valuable in maintaining a place for the dogs to romp. Please read email announcements and observe closures when we send out a notice.

Sun City Gleaners

Joan Partridge 505-920-7005 joanpartridge@gmail.com (text or email preferred)

Do you have something edible growing in your yard that you just don't have the time or the inclination to pick or pluck? We will pick and distribute your excess bounty to others in SCOV and also to the food pantry in Catalina. This spring the Gleaners picked and distributed boxes and boxes of citrus. Perhaps you picked up a few of these lemons or grapefruit at the Aquatic and Fitness Center or Catalina Vista. Later this year we are looking forward to picking figs, pomegranates and maybe even mesquite and herbs. Text or email us if you have something in your yard you would like to share or if you would like to join our jolly band of pickers.

Havurah

David/Marilyn Smoler 520-818-7880
www.havurahscov.org

Havurah extends a fond farewell to members of our SCOV community who will be leaving us to enjoy cooler temperatures elsewhere. We're Looking forward to seeing you again in the fall. The new Havurah board is busily working to provide members with exciting programming for the coming year. Our book club participants are currently submitting suggestions for the next season, beginning in October. The next Havurah event is our annual summer movie night, Saturday, August 5. Mark your calendar for a fun evening of cinema and treats, and don't forget to check our website for event updates. Come meet our friendly group. You don't have to be Jewish to participate or join.

Mindfulness Meditation Club

Bonnie Grant Baird BJGrant877@gmail.com
Tues., 3 PM, Catalina Vista/Art Studio or Patio

Loving Kindness Meditation (Mindfulness) meets every Tuesday at 3 PM. Meditation connects the mind and the body. Scientific research has demonstrated that meditation may reduce stress, lower the risk of heart attack, improve concentration, memory and increase empathy.

Our meditation supports no creed or dogma. It is not affiliated with any religious doctrine. People from all religious traditions are welcomed. We encourage anyone regardless of meditation experience to join us.

Our summer schedule consists of 10-15 minutes of introduction and/or a reading, then one 30-minute sitting meditation. If you have questions, please contact Bonnie Grant Baird.

Dance

Ballroom - SC Starlight

Sara Harney 717-977-1963 scovstarlightdance@gmail.com

www.scstarlightdanceclub.wixsite.com/scstarlightdance

The Starlight Dance Club hosted "Dancing with the Stars" in the Activity Center April 21. The community got a first-hand look at why we are so excited when professional and award winning dancers entertain the crowd with their beautiful dances and costumes. The April dance then followed.

Our May dance is scheduled for Friday, May 19, with tickets on sale for \$10/cpl. Our dances typically include a short lesson and a brief session of line dancing and snacks. Intermediate waltz lessons are Wednesdays, May 3, 10 and 17, as well as beginner waltz or swing. Keep an eye on the website for updates about the dance classes and practice sessions, or email president Sara Harney for more information. Practice sessions are May 24 and 31, and all Wednesday lessons and practice sessions are followed up by social time at The Views Restaurant.

Pres. Siva Raven 505-469-7505 sivaraven@gmail.com

Fri., 10-11:30 AM, AFC/Studios 1 & 2 www.scovFD.club

No membership fees, no partners, no meetings, no patterns to memorize, just dance, dance, dance. All dances are taught prior to dancing for low-stress fun. Our website also has video clips of all dances. Dancing in community lifts our hearts and souls. It's also good for the brain and cardiovascular systems. New dancers are always welcomed and encouraged. Join us as we dance our way around the world. See you soon.

We will hold our last dance of the season Friday, May 12. This will be a pay-at-the-door dance; ticket price has not yet been set. We are searching for a band. We plan to have a shorter dance, from 6-8 PM in the Auditorium. Doors open at 5:30 PM.

For those who are interested in dance lessons and joining Kactus Kickers for next season, our dances begin in October. Dance lessons run for eight weeks from mid-January to early March. Please send an email to KKSCOV@gmail.com if you would like to be added to our email distribution list.

One of our favorite bands, Clear Country, is playing every Tuesday night at the Outlaw Saloon, 6-10 PM. It's a good chance to go and practice your two-step dancing. Also, they are now booking country-western bands at Whiskey Roads Sundays, 5-8:30 PM, for another chance to get out and dance.

For Kactus Kickers members, continue to check your email for information about fall refresher classes and the upcoming 2023-2024 dance schedule. Look for updates and send any questions to kkskov@gmail.com

Exercise

Aqua Tone

Irmel Wheeler 520-334-0957 irmel5596@gmail.com

Marcia Polley 520-818-9073

Tue., Thu., Sat., 8 AM, AFC/Pool

Aqua Tone is a toning water workout that incorporates a variety of rhythmic body movements. This aquatic exercise class enhances cardiovascular fitness and muscular endurance.

There is no fee to join the club or the class. The teachers are club member volunteers. Participants should be able to do a basic swim stroke. Items used in the class are buoys, boards, noodles, balls and a fitness band. Most items are available at the pool. We assign an experienced member to a newcomer to help learn the various movements. We enjoy a great workout in a fun class.

Arthritis Water

Pres. Norma Waters normawaters1@hotmail.com

VP Paul Mercer pawmerc@gmail.com

Mon., Wed., Fri., 10 AM, AFC/Pool

We meet Mondays, Wednesdays and Fridays at 10 AM when the air temperature is 77 degrees or higher, as recommended by the Arthritis Foundation.

Our club performs gentle water exercises approved by the Arthritis Foundation to help with range of motion. Water exercise is especially helpful for arthritis, fibromyalgia, replaced joints, etc. Our members are fun, accepting, welcoming. We frequently hear "I came for the exercise and love all of the friends I have found."

New members are always welcome, please consider joining us. The yearly dues are \$5, and your first class is free. Your body will thank you. See you at the pool.

Energetic Exercise

Pres. Anne Palmer 520-289-9140 palmersaz03@gmail.com

Mon., Wed., Fri., 8-9 AM, Activity Center/Auditorium

Energetic Exercisers meet in the new, spacious Activity Center/Auditorium, where reservations are no longer needed. Each month, exercisers receive a calendar that announces the focus for the day, such as aerobics, cardio tone, or interval training. Equipment such as weights, band, fitness circle, or body bar adds variety

and is always optional. Overall, the goal for experienced instructor, Sally Martinez, is to help exercisers develop and maintain strength, balance, and heart health. Everybody moves at their own pace and can always receive suggestions for their individual needs. Dress is exercise casual with sport shoes required. SCOV residents join the club for

\$3/year, and then purchase a 12-class punch card for \$30. Newcomers can try out a first class for \$2.50. You'll want a cool indoor activity for the coming hot weather, so come join us.

Fitness Swim

Contact: Dave Goodman 520-812-1056 goodman@sfu.ca
Workouts suspended May through Oct.

While most members are motivated recreational swimmers, we also include nationally-ranked master swimmers, triathletes and former club and university swimmers. The group generally swims about 2,400 yards, though some do more and some do less.

New members are welcome. Please ensure you have medical clearance to participate in a vigorous workout. Swimmers are reminded to socialize quietly after a workout so as not to disrupt the next group of pool users.

Pilates

Mary Ayers 520-638-7916 scov.pilates@gmail.com
Mon., 3 PM, Thu., 1:30 PM, AFC/Studio

To get the full benefits of Pilates, a person needs to understand the basic principles. It takes a little time and patience as the exercises performed may be different from those you are familiar with, but they are fun, interesting and challenging. Pilates can even become addictive. It teaches proper balance, breathing, how to focus on your core (abdomen and back muscles) and movement control. The constant movement from one exercise to another results in developing more strength and stamina. Even posture is improved. The spine lengthens and joint flexibility and mobility increase. SCOV has two experienced instructors who teach the mat Pilates classes. They modify many of the moves for us, if necessary. The cost is \$8/class and the annual club dues are \$20 pp. Please stop by and watch a class. Call Mary.

Sunrisers Exercise

Joyce Wisbey 520-825-5425 bwisbey90@msn.com
Shirley Dubansky 520-975-4100
Mon., Wed., Fri., 7-8 AM, AFC/Studios 1 & 2

Are you awake early and want to improve your stamina and strength? Join us for an hour of aerobic and weight exercise, all while standing. There is no fee to join the club or the class. Bring your weights and drinking water. We hope to see you there.

Tai Chi

Jill Frederiksen 650-274-7224 jfredx@yahoo.com
Thu., 10-11:30 AM, AFC/Studio 1

Tai chi is a gentle, low impact exercise with many health benefits for people of all ages and fitness levels. Classes are taught in 10-week sessions and are offered three times per year in the fall, winter and spring. The next course will begin in October. Practice sessions are available year-round for club members who have completed at least one 10-week course. Plan to join us in the fall to learn this meditation in motion. Beginners are always welcome. Contact Alice Hutchison for further information or questions.

Yoga

Pres. Jan Wholey 520-638-7088 suncityyoga2018@gmail.com

Five Crowns

Pat Hansen or Fern Strandskov ferndean@aol.com
Sat., 4:30 and 5:30 PM, Desert Oasis/Ocotillo www.scov5crowns.weebly.com

Five Crowns is a fun and easy game to play. See our website for a short video. Players usually play one-to-three games, depending on what time they arrive. Players are randomly assigned to tables, and each game normally takes one hour. For each game you play, you need to bring 12 dimes and one quarter. So if you plan to play three games, bring 36 dimes and three quarters. New players are always welcome.

Come and play on Tuesdays for a casual, fun game.

Thursday Mah Jongg

Cathy Morrow 360-739-0376
Thu., 1-4 PM, Desert Oasis

We've had a month of playing with the new 2023 card. How do you like it? We have a basket where you can drop your comments, suggestions and complaints. They will be picked up each night and filed in the appropriate trash container (joking). One suggestion: If you don't like the card, just wait for the new one next spring.

Congratulations to Nadine Bowlby, the winner of our third 2023 tournament day, played March 9. Start practicing for our next series of three monthly tournament days beginning in January.

As the temperature rises there is a cool seat at a Maj table waiting for you. New players are always welcome.

Bike - Vistoso Cyclists

Treas. Roger Paluska 970-368-0124 rcpalu@gmail.com
Sec.-Sherri Rutman 763-443-9379 srutman100@aol.com
www.vistosacyclists.org

Cycling renews us. Getting outside in the clean air, taking in the incredible mountain views and biking with friends are some of the reasons we choose to live here. Oro Valley is one of the greatest biking destinations in the country. Wide streets, gorgeous bike paths, clean air and desert beauty draw cyclists from all over the country.

Cycling here is a dream come true for members of the Sun City Vistoso Cycling Club (VCC). With over 250 members and organized group rides four days per week, there's a ride for everyone. We support three local charitable organizations: Wheels for Kids, El Grupo and the Interfaith Community Food Bank. VCC volunteers build or repair and deliver over 400 bikes to kids in the Tucson area every year through their Wheels for Kids (WFK) program. WFK's 40 volunteers have delivered over 4,600 bikes to charities such as Boys and Girls Club, Casa de los Niños and More Than a Bed. New volunteers are welcome.

For more information or to join, please visit our website. Ride. Have fun. Be safe.

Billiards

Pres. Robert Dufur 503-312-0809 robertdufur@outlook.com
Mon.-Fri., Noon-4 PM, Catalina Vista/Billiards

New members are always welcome. The club dues are \$5. Our weekly activities are round robins on Mondays (straight 8 ball), 2-4 PM; Tuesdays ("One-Fifteen" 8 ball), 1:15-4 PM; and Thursdays (straight 8 ball), 10 AM-Noon. All members at all levels are welcome. These round robins are for fun only (not for money). Based on the number of players that show up, we will have a rotation set up, so everyone plays every round. Wednesdays from 10 AM-Noon are reserved for the women's division. The Billiards Room is reserved for club members only, Monday-Friday, Noon-4 PM.

The Projection Pro Billiards system donated by the Sun City Vistoso Community Foundation is now available. This projector system on table 3 allows you to follow patterns to practice your skills. To schedule an introduction, email robertdufur@outlook.com.

Birders Group

Peggy Smith 520-344-0991 pdsaz@aol.com

Steve Holmes photo

The white-winged dove is not the most popular bird in SCOV, but this warm weather visitor is one of the principal pollinators of saguaro blossoms. One of six species of doves in Arizona, this large dove and the mourning dove are the only ones to be found in SCOV.

We are a 110+ member, activity-oriented group and all SCOV residents are invited to join us on our field trips (we carpool) to learn more about the birds here in Arizona. If you are interested in joining us, be sure to ask Peggy (above) to add you to our mailing list so that we can keep you up to date on the trips, which tend to be more variable as the warmer weather approaches.

Bocce

Pres. Gail Parson gailscov@comcast.net
VP Ginny Howes, kandghowes@comcast.net
www.scovbocce.weebly.com
Mon., Wed., Fri., 7-9 PM, Bocce Courts

Bocce is a fun activity that people of all ages and abilities enjoy. You just need to be able to pick up the ball and roll it. Annual dues are \$5 and new members can join any time. A membership form is on the club website under Club Info. Please arrive 15 minutes before the starting time and pick up a wooden stick from the starter. Space limits each session to the first 32 players, with members given priority. Courts are open to Bocce Club League play only Monday, Wednesday and Fridays, 7-9 PM. To see what times are open for general play and reserve a court, please check the court reservation system on SCOV's website www.suncityorovalley.com/book-court-lap-lane/

Gun Club

Bill Sneed 425-246-8100 wgsneed@gmail.com
On hiatus until fall

The Gun Club stresses safety and education in handling/storage of firearms and careful/considerate communication with others, which must never be threatening or abrasive.

Hiking

Pres. Jacob O'Neill jakemponeill@gmail.com
Scheduled hikes are posted on the website
www.scovhiking.org

What a beautiful time of the year in the Sonoran Desert. Join us on a hike to see the desert flowers, enjoy gorgeous views, and marvel at unique geography. Our experienced volunteer guides offer hikes at all levels and distances in some of the most scenic mountain and desert landscapes of Arizona. Whether you want to hike for a couple of hours or enjoy an all-day experience, the Hiking Club has a hike for you. See the SCOV Hiking Club website for listed hikes or to schedule an orientation hike if you are interested in joining the club. More hikes are scheduled during the winter season, with fewer summer hikes offered. Summer hikes will start earlier due to the heat, but we are still hiking. Remember to bring sunscreen, water and electrolytes.

2023 spring social

Our spring cookout was a success, a good time for socializing, and seeing old (not just age) faces. Thanks to Mike P. and Gary H. for shopping and cooking. May our bodies recover as we take some time off for travel. Please stay safe and come back healthy for more court action.

Table Tennis

Co-Pres. Dorothy Filip dotfilip520@gmail.com and
John Smith jdsaz@aol.com
Tue., women 1:30 PM; men, 3 PM
Thu., all play 4:30-8 PM; Sat., all play 9 AM-Noon, Catalina Vista

Table Tennis (aka ping pong) can offer gentle exercise or highly vigorous competition. Some club members enjoy a long volley without even keeping score, while other members aim for a determined show of skill. Either way, players exercise eye-hand coordination, motor speed and concentration in an atmosphere of fun and friendship. All are welcome, whether you have never played or happen to be super skilled. Just come on in. Club paddles and balls are available. Sport shoes are recommended. Please join us in this cool indoor sport that will carry on no matter how hot it gets outside.

Tennis tournament participants take a break for photo opportunity

As we say goodbye to seasonal friends, tennis rolls on. Look for earlier morning times for club open play as the heat rises. What a great season for the Tennis Club. With an increase in membership, there are more opportunities to play with our friends.

According to a recent AARP article titled "5 Amazing Facts About The Human Heart," the article states "A great sport for your heart? Grab a tennis racket! A study that tracked over 80,000 adults for nine years found that tennis and badminton cut risk for cardiovascular disease by a whopping 59 percent!" Shy of having a badminton court, we certainly have USTA quality tennis courts available to us in SCOV. So grab a tennis racket and join the fun. Interested? Contact Jim Benshoof.

Wallyball

Pres. Rich Hoskins 520-222-5339 Richscotthoskins@gmail.com
VP Tom Cooksey 503-753-5737 tcooksey@msn.com
Treas. Janell Raty 530-401-2477 janell066@yahoo.com
Game days, Tue., Fri., setup 12:45 PM, play 1-3 PM, AFC/Racquetball Ct.

Wallyball is volleyball played on a racquetball court with three to five players on each side. It is fast, fun, and a great workout that tones muscles and improves coordination. Players use the walls to create angles on shots but cannot use the ceiling or back wall of the opposing team.

We welcome new members, both men and women. Come see if the game is for you.

Water Volleyball

Pres. Pete Coy 360-739-4100 petecoy@gmail.com

Recreational play Sun., Thu., 1-3 PM
Advanced play Mon., Wed., 1-3 PM, Desert Oasis pool

The laughter, cheering and fun have returned to the Desert Oasis pool now that water volleyball is back. During the cooler winter months, it was difficult to get players out, but now that the warm weather has returned, the play has resumed. Neighbors of the Desert Oasis know when water volleyball is being played because of the laughter and cheering. Adults having fun and laughing is contagious, so stop by to watch the fun. You may be compelled to join us.
