From the Board of Directors

Our mission as the SCOV Board is to lead in maintaining and enhancing the quality of life in Sun City Oro Valley as an active adult community.

All Board minutes, agendas and reports are available online. Board meetings are open to residents.

Board of Directors - Jane Fairchild

Jane Fairchild, 520-909-5609, janemail11@yahoo.com

It has been both a privilege and a pleasure to serve on our Board of Directors for the past three years and for the last two years as Board President. I sincerely appreciate the confidence you placed in me to help guide our community through current challenges while continuing to plan for the future. Together, we have taken on projects intended to benefit our residents today while helping ensure our community remains attractive and welcoming for generations to come. During this time, the Board has also worked to strengthen long-term planning, improve communication with residents and move forward on several important community initiatives.

The responsibilities of the Board of Directors are to: 1. maintain, preserve and enhance the assets and facilities of the association, 2. listen to residents, set aside personal agendas and represent the interests of the entire community and 3. fulfill our fiduciary responsibility to protect the interests of the corporation. These are significant responsibilities and they are taken very seriously.

A key component supporting these responsibilities is clear and consistent communication. Over the past few years, the Board has worked to expand and strengthen communication with residents through Board Tipster articles, weekly email updates, Board meetings and reports, BOD/GM Chats, the Board webpage and periodic direct Board messages.

Because Board membership changes by two or three members each term, maintaining continuity in key Board processes is important. We have newly established Board Standard Operating Procedures that can evolve as the community's needs change, Board Meeting Guidelines that set expectations for attendees and monthly Board Committee updates highlighting each committee's activities and accomplishments. I remain confident in the strength of our community and the many residents who care deeply about its future. Our willingness to stay engaged, communicate openly and work together will continue to ensure that this remains a place we are all proud to call home.

As we move forward, if you ever have questions or hear concerning rumors, please don't hesitate to contact the appropriate staff member or Board Director for clarification. That is exactly why we are here.

General Manager - Sandy Seddon

sseddon@suncityorovalley.com, 520-917-8080

By the time you read this, our community will have welcomed two new members to the Sun City Oro Valley Board of Directors. I want to extend my heartfelt thanks to all four candidates who stepped forward and offered to serve.

Running for the Board is no small commitment; it requires time, energy and genuine dedication to the community and every candidate deserves recognition for their willingness to contribute. I am excited to begin working with the newly elected Board members as we tackle the priorities and responsibilities that come with guiding Sun City Oro Valley. Their fresh perspectives, combined with the knowledge of our experienced members, will ensure we continue making thoughtful decisions that benefit our entire community. At the same time, I want to offer a sincere thank you to Jane Fairchild and Eileen Buskirk as they conclude their service on the Board. Both have been invaluable contributors, dedicating countless hours and thoughtful input to support the community. Their commitment, insight and active participation in board discussions have left a lasting impact and they will be a tough act to follow. The newly elected Board members will officially take their seats on May 1. In April, they will have a special meeting to elect its officer positions and begin establishing goals and priorities for the coming year. In addition, the Board will participate in a full-day training session with several of our professional experts, providing essential information to guide their decisions and strengthen our governance.

I also want to celebrate another cornerstone of our community: our committee volunteers. Last month, we honored all our volunteers at a wonderful luncheon, highlighting the meaningful work they've been doing across the community. From planning events to maintaining our facilities, their dedication ensures that Sun City Oro Valley remains a vibrant and welcoming place. Simply put, we couldn't do it without all of you. Thank you for your time, energy and enthusiasm.

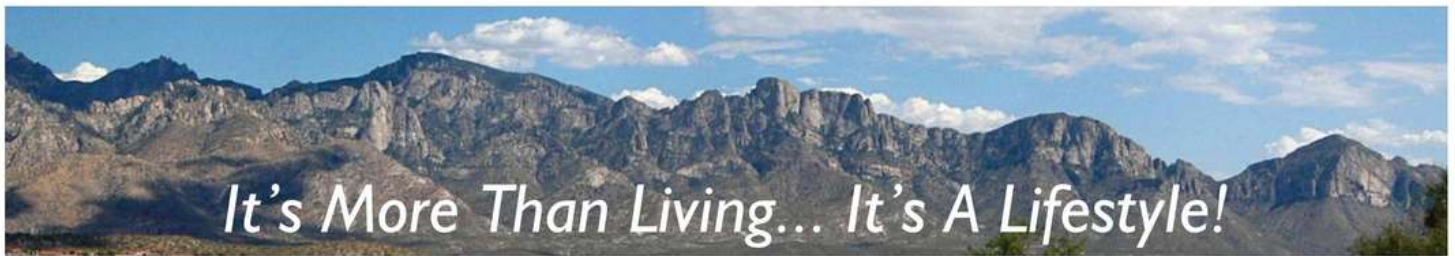

As we pass the torch to our new Board members and continue building on the strong foundation set by those who came before, I am confident that we are heading into another fantastic year at SCOV. Together, with engaged Board members, committed volunteers and an active community, we will continue to make Sun City Oro Valley a place you are all proud to call home.

The Sun City Singers - Why We Sing

By Dale Roskom

"Music builds a bridge, it can tear down a wall" is a great truth. Those are lyrics from "Why We Sing" which the Sun City Singers have performed several times over the past few years, and if you come to the Spring concert on April 7 or April 10 you will hear it again!

Sun City Singers was one of the earliest clubs to organize in Sun City, and has regularly presented three concerts each year. Over the years gifted SCOV residents have invested their talents as singers, pianists, and directors. I recently found a program and score to Handel's "Messiah" which the Singers performed – with an orchestra! – in the late 1990's including gowns for the ladies and tuxedos for the gents. While we will not have an orchestra providing accompaniment (and no gowns or tuxes!), our Spring concert includes some great music.

This year the April concert selections are drawn from the history of America; it is our nation's 250th birthday after all. From songs of the early days of our fight for independence, to ballads from the westward expansion, and somber piec-

es about the price paid for our freedoms, the April program aims to celebrate our country's love of freedom and to honor the ideals of our nation and those who have served.

Our 4th of July concerts are always chock full of patriotic music, with call outs to the branches of service and recognition of veterans along the way. Some of the singers, and more than a couple in the audience, have been known to wear their uniform for this event. And with free ice cream following the singing, it makes for a wonderful afternoon.

The early December concerts reflect on the holiday season and always include a nice mix of sacred and secular songs. Many in SCOV and the surrounding communities consider that concert to be their kickoff to the holidays.

Tickets for the April 7 and April 10 concerts are still available for purchase in the Activity Center from Wednesday, April 1st through Friday, April 3rd between 9.00am and noon.

As the song goes, "Music is a language that can speak to one and all." We would love to see you at our concerts!

Copper Center Update

Theda Ellis, 302-388-9798, thedaellis@me.com

The Copper Center is now fully open. Facility access cards and fobs are active, internet and Wi-Fi are installed, observation systems are in place and construction drawings are underway. Table Tennis members are already using their temporary space, while card and game players are gathering in the Community Room. The Music Club has begun practicing every Tuesday from 4–7 pm. If you enjoy hearing some rock-and-roll practice, stop by, otherwise you may want to plan around that time. Many members toured the Artisan Center and Copper Center during the March open houses and saw firsthand the crowded conditions some clubs faced. The new space will improve safety, accessibility and efficiency while also reducing the need to schedule shared spaces. It will also allow kilns to be relocated within the appropriate clubs and provide room for new technology along with improved electrical, ventilation and HVAC systems. These changes will free up valuable space in the Artisan Center for the Gift Shop, Clay Club and Woodshop. Table Tennis will gain a permanent home, eliminating frequent setup and takedown. The Loan Room and Costume Closet will have better space, better access to heat and air conditioning and become more functional.

The April and May Community Meetings will be postponed until fall. Construction drawings must be completed before we have cost estimates and renovation details to share. In addition, I will be away from SCOV this spring due to a family health need and expect to return in the summer. Updates will continue to be posted in This Week in SCOV and in the *Tipster*.

Tucson Night Sky

Tucson, Arizona has some of the most thoughtful night sky lighting requirements in the country, designed to protect the region's dark skies. These regulations limit the brightness and direction of outdoor lighting, requiring fixtures to be shielded so light is cast downward rather than into the sky. The rules also favor lower-intensity bulbs and warmer color temperatures to reduce glare and skyglow.

These measures are a good thing for several reasons. They preserve Tucson's spectacular night skies, making the area a destination for astronomers, stargazers and tourists. Dark skies support the thriving research institutions in the region, including world-renowned observatories. Environmentally, reduced light pollution benefits nocturnal wildlife and helps maintain natural behavior patterns. Additionally, lower, well-directed lighting saves energy and reduces costs for residents and businesses. Tucson's night sky requirements strike a balance between safety, sustainability and preserving the wonder of the cosmos.

Residents are encouraged to review the HOA Development Standards before installing or modifying exterior lighting to ensure compliance. By working together to follow these guidelines, we help protect our community's views of the stars. Then take a moment to step outside, look up and enjoy Tucson's beautiful night sky.

Paint: How Long Paint Lasts

After new exterior painting, the paint can generally last anywhere from 6 to 12 years. Original painting variables include quality of the preparation work, how many coats were applied, how it was applied and the quality of paint. Other variables include exposure to sun (i.e., how much sun each side of the house receives), severity of temperatures from year to year, whether the paint has been patched over the years causing variations in wear and color and if darker colors are used because they will fade much faster than lighter colors. SCOV guidelines specify Dunn Edwards colors, but not Dunn Edwards paint. Painters can and will use any paint they want, which is why some general contractors will recommend residents doing their due diligence in questioning what kind of paint, etc. Dunn Edwards (and other paint manufacturers) offer several different grades of exterior paint and the better the grade, the longer the paint will last. Using a contractor who is licensed and insured is also recommended. Check with the State of AZ Registrar of Contractors at roc.az.gov. Signs that you need to paint: streaking, mottled look, different colors indicating patch painting, grey or pink cast coming through (which is the original stucco color showing through the paint).

SCOV Library - Bonnie Holmes

www.suncityorovalley.com/amenities-facilities/library

Online catalog: <https://evolveopac.infovisionsoftware.com/suncityorovalley>

Bonnie Holmes bholmes@suncityorovalley.com 520-917-8083

The Library is hosting two author talks this month. The first is Becky Masterman, the award-winning author of the internationally bestselling Brigid Quinn thrillers. Becky is coming back to SCOV, Wednesday, April 8, 10 am-Noon, Auditorium, to share with us her new book *If a Face Could Kill*. In this book, the hunt for a neighbor's killer reveals chilling secrets close to home. This is a must-read page turner and is the fifth book in her Brigid Quinn series. Tickets are available Wednesday, March 25, Library.

Our next author visiting this month is Christopher Valen. He will be joining us Wednesday, April 22, 1-3 pm, Auditorium to present his latest book, *Every Broken Thing* where homicide detective John Santa returns to Colombia, but his vacation turns into a nightmare. Chris is an award-winning author of eleven police procedurals featuring Colombian-born St. Paul Homicide Detective John Santana. His books will largely appeal to fans of crime fiction with plots that are intricately crafted with intriguing characters offering unexpected twists and turns that will keep you entertained and guessing throughout his books. Tickets are available Wednesday, April 8, Library.

Recreation and Fitness- Lonnie Davis

ldavis@suncityorovalley.com, 520-917-8073

Ray Jenkins is retiring March 31. We would like to say thank you to him and for all he had done for the community, everyone he has helped with classes and those he has taught. Have a wonderful retirement.

Walking is a key component of physical activity for all ages and abilities, and a daily walk can be the perfect opportunity to get up from your chair and take in some fresh air. Walking by yourself is certainly relaxing, but sharing a stroll with a companion or friend can make it that much better. A study looking at group fitness showed that physical, mental and emotional quality of life improves when participants exercise together, potentially leading to a significant improvement in mood and well-being. You likely have plenty of options when it comes to securing a walking partner. Start with your immediate family or the people you see on a daily basis. If family members aren't available, look to a colleague who shares a similar schedule as you, just make sure you take the proper precautions to ensure everyone's safety. Pets are also great walking buddies; if you don't have a dog, see if a neighbor or friend will let you borrow theirs.

Association Committees

Active Health

Rita Menet, AHC Chairperson, rita.menet@gmail.com

Next AHC Committee Meeting, April 14, 2026, 3 pm, WC2

The Active Health Committee brings current health-related programs and presentations to our community to promote an active and healthy lifestyle with a focus on what you can do yourself to promote your wellness. This is our last committee meeting of the 2026 winter season. We welcome residents to brainstorm and explore new programming for the 2027 winter season. If you have heard a great speaker or have suggestions on a topic that you would like to hear, we welcome your input. Come to our meeting or contact Rita Menet.

Ambassadors

Interim Chair Larry Webster, lwebsterscov@gmail.com

Ambassador Coordinator Cristy Lowing, clowing@suncityorovalley.com

Ambassadors: Your Friendly First Impression of the Community

As of the first week in March, our Ambassadors conducted approximately 115 scheduled tours, welcoming 204 prospective residents and guests. Each participant experienced a comprehensive introduction to the many outstanding amenities that Sun City Oro Valley has to offer, along with an overview of the vibrant lifestyle that makes our community so special.

Beyond simply showcasing facilities, our Ambassadors are focused on sharing the full SCOV experience: highlighting not only the physical amenities, but also the strong sense of community, active social calendar and wide variety of clubs, classes and interest groups available to residents. Guests toured key areas such as recreational facilities, Fitness Center, The Views Restaurant, arts and crafts studios and gathering areas where neighbors connect and friendships flourish.

Overall, these tours continue to play an important role in helping prospective residents envision themselves as part of the SCOV community. The positive responses reflect not only the quality of our amenities, but also the welcoming spirit and vibrant lifestyle that defines Sun City Oro Valley.

If you have not yet taken a tour, we highly recommend you schedule one with our Ambassadors. You can book online at www.suncityorovalley.com/contactus or call one of our outstanding staff members: (520) 825-3711 or (520) 917-8090.

Save the Date: Our Open House is set for Wednesday, April 29, 12:30-2:30 pm, AFC, Studios 1 & 2. The pool & spa will have AFC Members to share & show you the major changes that were just made, Fitness demonstrations & our three new trainers will be there to offer you their contact information and their services. There will be individuals in the gym to show you the proper way to use the different equipment, weights, stretch areas and the indoor Racquetball Court. Don't miss this event, it only happens once or twice a year.

Architectural Inspection Group

Conveyance Coordinator Lisa Sandrock, 520-917-8072
lsandrock@suncityorovalley.com, Thursday, April 23, 2 pm

There is a group of individuals here in SCOV who quietly do their work without much notice or fanfare. Their work goes on year-round, in the heat of our summers and the cooler days of the winter months. They are meticulous in detail and know every aspect of our current Development Standards and Master Declaration. They stay current with every change in those documents and other legal requirements pertaining to homes in an HOA. Without them, homes cannot legally close escrow and transfer ownership.

The group is the Architectural Inspection Group, better known as the AIG. Each year this group of seven or eight individuals conducts approximately 200 listing and escrow inspections as part of the closing on every home sold here in SCOV. After each inspection, they file a report with the Association for processing. They do courtesy inspections when requested by homeowners as well as over 100 re-inspections each year to confirm that violations found initially are being addressed by our new homeowners in our community.

These individuals volunteer their time and talent to ensure that SCOV remains a truly wonderful place to live. They deserve our thanks for the hours and commitment to that goal. Thank you, AIG members, past and present.

Architectural Review Committee

Board Member and Co-chair Earl Vittitoe
Co-chair Dave Olson, daveoscov@gmail.com
Meetings Second and Fourth Tue, 2 pm

We have many new homeowners in Sun City as well as those who have been here for years. Below is a summary of 2025 exterior home improvements.

- Total ARC & In-House Submittals	751(62.6 per month)
- House Painting	157
- Walls, Fences and Gates	106
- Windows & Doors	111
- Flatwork	81
- Roof (Lift & Relay)	44
- Landscaping	8
- Shades, Screens, Shutters	23
- Driveway Coatings	15
- Patio Covers	12
- Room Additions	8
- Porch/Patio Enclosures	8
- Awnings	5
- Gutters/Downspouts	19
- Spa/Pool	8
- Various Others	146

We may live in an older development, but you almost wouldn't notice it as our community is keeping up with the times. And remember, if you are making any changes to the exterior of your house or yard, some type of ARC approval is required. Don't take the word of a contractor, call the office for what is required.

Common Area Landscaping Task Force

Shorty Parson, 520-275-8114, darrellparson109@gmail.com,
April 9, 2026, 9 am, WC1, Zoom

The Common Area Landscaping Task Force continued to discuss viewing of the property and its size. Discussion centered around obtaining more landscape architects to give the task force resumes for the bidding process. The next meeting is April 9, 2026, 9 am, WC1 and will be available on Zoom.

Election Committee

Pete Coy, Chair

Election Results

Vote results were reported to the community via email on Tuesday, March 24. The newly elected Directors are: Lesley Chace and Dave Olson, for three-year terms. On May 1, the Board will consist of: Lesley Chace, Jim Cherry, Theda Ellis, Tod Milton, Dave Olson, Earl Vittitoe, Larry Webster. We wish to thank the outgoing Directors: Jane Fairchild and Eileen Buskirk.

Emergency Response Committee

Chair Dave Olson, daveobuilds@gmail.com

How can you get notifications of emergency situations including wildfires and flash floods? First, when the National Weather Service issues certain weather warnings, cell towers will broadcast the alert to all connected cell users. Other applications for your phone are available. Weatherbug provides additional weather alerts including flash flood and lightning warnings. Watchduty provides alerts for nearby wildfires. You can also set other locations if you want to keep track of the area near a second home or vacation home. CodeRedMobile is used by the Town of Oro Valley to send notices to town residents. If the affected area is smaller than the town, they can geofence the alerts so they send a notice to only the affected area.

Friends of the Library (FOL) will be acknowledging Library Volunteers April 1 with a dinner to honor their dedicated support and service to our wonderful SCOV Library.

Help wanted: Every year, FOL puts on a presentation of book reviews published in the previous year. Great Reads 2027 will be in February 2027. We need your help reviewing books published this year, 2026. What did you think of a book or a newly published book that you just read? We need reviews from any genre in fiction and any topic in non-fiction. Interested? Contact Andrea Houston 520-825-6919 or text 225-205-8317 and let her know, or write a short review yourself and email it to her: scovfol@gmail.com. You will not have to read your review at the presentation and not all reviews will be used, but we do need your opinion. Please help us to continue to offer this hugely popular event to FOL members.

Finance-Budget

Pati Olson, 206-890-4441, PatiOlson@yahoo.com

Your Finance and Budget Committee has been working with the Board Treasurer, General Manager and the Controller to develop the FY2026-27 budget. The Board will have a special board meeting on April 9, 9 am, Kiva, to discuss the proposed budget.

We have completed the search for a new auditing firm. A subcommittee evaluated and recommended one to the Committee which was referred to the SCOV Board. The scope of work has increased which caused a subsequent cost increase.

In addition to the financial summary in the *Tipster*, you can find the 2025-26 budget, 2024-25 audit, monthly financial reports and the 2025 Asset Reserve details under "Members, Financials" on the SCOV website.

We are beginning our planning for future projects or evaluations. If you have suggestions, please email the chairperson patiolson@yahoo.com. You are welcome to attend the monthly committee meetings. See TWISCOV for precise dates and times.

Jun-Sep, Mon-Sat, 10 am-1 pm

We would like to thank all of you for the support that you have given the Gift Shop over the years. You are the ones that make our shop so successful. We are grateful for our talented consignors as their creativity never ceases to amaze us. From pillows, to vests, wood pens and carved gourds you will find that perfect accent piece or special gift that is guaranteed to be unique. Nightlights, plates and sun catchers in beautiful fused glass can be found throughout the store. We have plant stakes for your potted plants and baskets for anything that needs one. If you're looking for that special greeting card you will find a wide assortment of different designs and styles to choose from. Just recently added are wood tables inlaid with turquoise. These are only a few of the items that can be found in the store. Stop by often as new items are added all the time. Again, thank you for your patronage.

Government Affairs

Chair Earl Vittitoe 309-360-1601 scovga@gmail.com

Second Tue, 1 pm, WC1

www.suncityorovalley.com>committees>government-affairs

Oro Valley's Mayoral Candidates, Melanie Barrett and Mark Napier, have both agreed to an invitation from Government Affairs to debate their qualifications pending scheduling. Melanie has been actively involved with the Oro Valley Planning and Zoning Commission and has been serving as Oro Valley Vice Mayor for seven years. Mark Napier served one term as Pima County Sheriff after winning the 2016 election.

Once the debate date is set, Government affairs will be soliciting SCOV members for debate questions. It's time for each of us to express what are the most important local issues and see where each of the candidates stands. Look forward to further announcements as to date and solicitation of questions from our community.

Loan Room - Community Assistance

Chair Gay Russell, Loan Room Carolyn Carson

Loan Room hours Tue, Thu, 8-9 am

www.suncityorovalley.com>members>services>loan-room

The Loan Room, conveniently located next to the Golf Barn, offers a free service exclusively for SCOV residents and renters. Bring your SCOV card when picking up items. As this is a peak time of year, we strongly encourage reservations up to two months in advance — items go quickly, particularly around the holidays, so plan ahead. Loan periods vary by item type: medical equipment may be borrowed for up to two months, while general items are available for up to two weeks. Please ensure all borrowed items are cleaned prior to return. Browse our full inventory anytime through the online catalog on the SCOV Loan Room website. You can also support our program through the SCOV Community Recycling Initiative. Clean aluminum cans dropped at the large recycling container near the Activity Center entrance help fund new inventory. Thank you for your continued generosity.

Planning for the Future? Your Voice Matters.

Your Long Range Planning Committee is discussing the scope and direction of the next resident survey planned for 2028. Creating questions that guide community decision-making is exciting and challenging.

Our most recent survey, published in April 2023, included 72 questions covering topics like demographics, amenity use, ownership status, how residents learned about SCOV and ideas for future amenities. The survey was completed by 1,859 residents (52%).

These responses represented 1,509 unique household addresses, or 60.7% of SCOV properties. Most respondents completed the survey in about 20 minutes.

Looking ahead to 2028, Artificial Intelligence will likely help us analyze data and craft even more effective questions while input from residents and the SCOV Board will shape the topics we explore.

After all, the future of SCOV belongs to all of us. Come join the conversation and help keep SCOV vibrant, welcoming and fun for years to come.

Spring has arrived, bringing with it the perfect opportunity to fill those empty pots in your front yard with vibrant plants, cacti or colorful flowers. As weeds begin to sprout, it's crucial to tackle them while they're still small for easy removal. In our community, wildflowers can flourish until they bloom, but they must be cleared afterward. Additionally, ensure that any trees obstructing stop signs or shrubs encroaching on sidewalks and streets are trimmed back. Remember, front yards should remain free of any decorative items, no matter how charming they may seem.

For winter residents, maintaining the yard during the summer months is essential to keep the property looking well-cared-for while it's unoccupied. Take pride in your home, ensuring it remains just as inviting upon your return as it was when you left.

Your Posse continues to patrol evenings for approximately 2.5 hours between 8 pm and midnight, protecting your home and security. Lately there has been an increase in evening solicitors. To help prevent this, post a "No Solicitors" sign at your front door.

To make sure the Posse can reach you, add this phone number to your cell contacts: 520-449-0014. You do not need to return Posse calls. When not on patrol, this phone stays in the Posse Shack. See header for Posse contact details.

There has been an increase in dark-colored cars/trucks parked on our streets. Along with trash cans out Sunday nights in some neighborhoods, this presents traffic hazards to the Posse. Park vehicles in your driveway, when possible. Consider using under-vehicle lights to discourage rats from entering your engine.

Support SCOV as a Posse volunteer. Apply at: SCOVwebsite.com/memberservices/committees/posse and scroll down to application.

While the *Tipster* has been around a long time, some submitted articles need repeat correcting every month. New residents aren't familiar with abbreviations like TWISCOV, so our guidelines require the complete name be spelled out: This Week in SCOV. Other often corrected things: removal of exclamation points and complete capitalization of a word, spelling out pp to per person for tickets/fees. When referring to meeting locations, Auditorium stands alone and does not require Activity Center/AC. Format for location of events, spelled out: day, (Thursday) date, (March 5) time, (1 pm) place (DO/Ocotillo). Adhering to these guidelines saves a lot of editorial correction time.

When an editor has questions about your article, we call the submitter. Please try to call back asap, as we are working under a short deadline. Our goal is to help you submit the best article for your organization.

Director of Golf - Rick Price

rprice@theviewsgolfclub.com 520-917-8086

Last month we had our annual Cure for Cancer event, and it was a huge success with 220 golfers. Thank you to all who participated and donated to the cause. We raised over \$50,000 for the University of Arizona Kids for Steele Children's Research Center.

All men's and women's leagues are wrapping up their main tournament schedule in April. The Chip & Putt events remaining are on Thursdays April 2, 16, and 30 concluding at the end of the month. You can play up to six people per group. The entry fee is \$20 per person for golf, prizes and dinner on the terrace. Sign up online through the reservation system or call the Pro Shop at 520-825-3110.

If you want to improve your game, we have many teaching opportunities with our professional staff in group and private settings. We offer golf clinics every Tuesday at 8:00 a.m. throughout April, we also offer a couple more club-fitting days with Cleveland & Srixon, XIO, through the end of the month.

The Grille @ The Turn will be open until April 24-25. As a reminder, the driving range closes every Thursday at 3:30 pm for a clean pick of all the range balls in the wash and desert areas.

We will announce our new rates and membership plans next month for the fiscal year starting July 1, 2026.

Director of Golf Maintenance - Michael Kropf

mkropf@suncityorovalley.com 520-917-8063

April is the time of year when the peak golfing season is slowly ending, the temperatures are steadily rising and big changes begin to happen on the golf course. The golf clubs still have major events in the first couple weeks of April, so it is important to maintain turf conditions at a high level, but with the warmer temperatures and the chances of rain decreasing that becomes a difficult challenge.

The roughs are starting to green up as they come out of winter dormancy. As they begin to grow, the irrigation needs to be turned back on as well. Throughout most of the winter, the non-overseeded areas do not require irrigation but instead rely on the winter rains. This keeps the course drier and also saves on the water budget. Turning the irrigation back on leads to more maintenance to ensure the grass is getting the correct amount of water while trying to keep playing conditions from getting too wet.

April also sees the start of transitioning away from the overseeded winter ryegrass back to the underlying bermudagrass on the tees and fairways. This is a challenge to slowly remove the ryegrass while getting the bermudagrass to grow and maintain good playing conditions for the club events. This process is done slowly by lowering mowing heights, verti-cutting the turf canopy to allow sunlight down to the bermudagrass, aerification to alleviate compaction and allow oxygen to the roots and small applications of herbicides to slowly remove the ryegrass.

Golf Advisory Committee

First Wed, Nov-May, 2 pm, WC3 and Zoom

The following procedures ensure an enjoyable golf experience for all players: A good pace of play on a course that's ready to play, divots filled, bunkers raked, greens repaired, regardless of having an early or late tee time.

Details are in the Golf Handbook. www.theviewsgolfclub.com

Pace of Play:

The standard is two hours for 9 holes and four hours for 18 holes. All players should keep up with the group in front and not delay players behind them. Your group will be alerted by the Player Assistant if you are out of position once, possibly, twice before being asked to skip a hole.

Golf carts:

- No more than two golf carts per group on the course at any time. If there are more than two carts, they must remain on the cart path.
- No carts are permitted behind or within 30 yards of any green. Keep carts on the path around the tee area.
- No handicap-flagged carts permitted within 30 feet of the green around all par 4/par 5's.
- On par 3's, all carts, including handicap-flagged carts, must remain on the path.
- Use 90-degree cart path rule going directly to/from the cart path to your ball or use the blue gates. When using blue gates to enter/exit the fairway, drive directly to the cart path. During play, park the cart in the fairway or cart path, never in the rough.
- Noncompliance will result in a warning, continued non compliance will result in a letter; more noncompliance will result in suspension of golf privileges (days/weeks/permanent,) at the discretion of the Director of Golf.

Etiquette:

- Play ready golf and be prepared when it's your turn. If a player in your group is not ready to play, go ahead and play your shot, if you're not in their way and it's safe to do so.
- Replace fairway divots with the seasonal sand mixture.
- Repair ball marks on greens.
- Rake bunkers. When finished, leave the head of the rake inside and handle outside the bunker, away from line of play.
- Show courtesy to all members of the golf staff.

Our Hero

March was a busy month for the league. We played the Jim Saunders Memorial Championship March 12, 19 and 26, with the best two out of three counting. We will have the final league meeting and awards April 2, where we will present the much coveted "Bag Tag" to the winners of low gross and low net. Regular league play will wind down in May and we will start the summer Skins Game, which has become a fun game for those of us who are full time residents. If you are just arriving in SCOV and want to get playing, it is a great time to join the league. It's easy to do through the website: theviewsgolf-course.com. We have fun and we are not too serious about golf. Well, most of us are not too serious. As we say, "Half the time, Twice the fun."

March was a very active and exciting month for the 18-hole Women's League. The Catalina Cup continues through the end of March. There have been some very impressive matches with full results published next month.

The first of three Solheim matches was played on March 3rd with the following to be completed on March 6 and March 10. The teams chose

the names Hookers and Slicers. Eleven teams competed against each other in two-person, best ball, low net score. Slicers won the round 7 to 4. The next round which will be played as Alternate Shot with the final day played as Individual Match Play. It is a great tournament for all players to participate in with a party to celebrate.

The Member/guest event will be played on March 24th and the Club Championship begins on March 31st. If you're interested in joining this joyous and fun-filled group, contact Joan Mayer, VP and Membership Chair at the email above.

Food & Beverage Management Team

rfrascari@suncityorovalley.com 520-331-8476

As we move into another exciting month at The Views Restaurant, our team continues working hard to enhance the dining experience for all of our residents. Chef Patrick, Sous Chef Max and I have been collaborating on new menu ideas and special events that we hope everyone will enjoy.

One of the highlights in our kitchen each day is the soup of the day, thoughtfully prepared by our Sous Chef, Max. Max

puts a great deal of care and creativity into crafting each batch from scratch, using fresh ingredients and a lot of culinary imagination. Whether it's a comforting classic or a new seasonal creation, his soups have quickly become a favorite among many of our residents.

In April, we will also be featuring a schnitzel special on the second and fourth Saturday of the month. It's a dish many residents enjoy and we are excited to bring it back as one of our featured specials.

Our goal is always to provide a welcoming atmosphere where residents can gather with friends, enjoy great food and feel proud of their restaurant. We truly appreciate the continued support from the community and look forward to seeing everyone in the dining room.

As we look ahead to April, we are also excited to host our Easter celebration at The Views. It is always a wonderful day for residents to gather with family and friends for a special holiday meal. Be sure to make your reservations early as seating will be limited.

Art by Muriel D.
Brown, Acrylic

We will accept new art on April 3, 2026. Noon check-in for glass/gourds, 1 pm check-in for all other art clubs.

April 6, 4-6 pm is the next Art Walk. Come join the fun and meet the artists. Jessiah will be performing and the Bistro will be open.

ADVANCE ALERT: As we prepare for the January 2027 celebration of SCOV 40th anniversary, the theme for art hung during that event will be: Sun

City Oro Valley or Southwest. During this event all SCOV resident artists are invited to submit up to two items (as space allows).

Bark Carving

Tue, 1-4 pm, Thu, 9 am-Noon, ART/Lapidary

Open carving: Tue, 1-4 pm; Thu, 9 am-Noon, Sat, 9 am-Noon, ART/Lapidary

This month's Bark Carving special section will be short. When I inherited this job of writing articles for the Bark Carvers, there were two separate *Tipster* announcements, Bark and Woodcarving. A general description of woodcarving encompasses many different processes on or with wood. Therefore, from this date forward, there will only be one woodcarving entry in the *Tipster*.

Carvers will be carving at the times listed above. The door may be closed but it is unlocked. Feel free to come in to get a close up view of the projects that are in process. If you have any questions, text Dick at the telephone number above.

www.scovclayclub.com, 1st Thursday 1 AC/Kiva

Last month, the Clay Club delivered 185 bowls to the Empty Bowls Project. They were created by 22 club members. Thanks to these talented and generous artists for their efforts to combat

hunger in Tucson. The Empty Bowls event was held March 7 at the Chinese Cultural Center.

We want to encourage both members and non-members to visit the Clay Club website at scovclayclub.com. The site provides club information such as an introduction to the club, how to become a member, club documents, a forum and a blog. Everyone who visits the site will enjoy the Member Art section which shows both hand-built and wheel-thrown artwork created by club members.

Note: The new member orientation class has a waiting list.

Gourd Art

Pres. Lesley Chace 530-640-2295

Mon, 1-4 pm, Fri, 9 am-Noon, ART/Lapidary

The gourd artists are busy working on many new projects. This is the perfect time to come and visit our artists at the Artisan Center. We would be more than happy to show you what we are currently working on and the beautiful, completed projects in our display window. Our members are always willing to help newcomers as well as seasoned artists. We have everything you need to get started. You might be inspired to join us.

Homeless sleeping mat
made by Patsy Etter

If you have a knitting or crochet project and need help or if you just want to chat, come join us. An ongoing project is crocheted sleeping mats made out of plastic shopping bags. We deliver these mats to the Sister Jose Women's Center for Tucson women who are experiencing homelessness. You can partici-

pate in this project by cutting the bags into strips, stringing them into plastic yarn (plam) and/or crocheting them into mats.

You can donate bags from Fry's, Safeway, Walmart, etc., but keep in mind that we cannot use newspaper bags or the thin plastic produce bags for this project. If you would like to donate bags, please make sure the bags are clean, flattened and sorted by color. Drop them on the porch basket anytime at Jane Fairchild's home at 1750 E Crown Ridge Way.

Garden Train Layout

We explored a display from the Tucson Garden Railway Society in March. Each year the Society opens its displays to the public at no charge. Some of our members visited eight locations around the Tucson area. All displays, except the Gadsden Pacific, are outdoors and wonderful and detailed layouts of G scale train tracks. This display was in South Tucson and had several water features. It was a fun

weekend. Join us at our twice monthly meetings. The first meeting is on the second Friday at Catalina Vista and the second meeting, called How Goes It, on the fourth Friday in the modeler's room. Social time starts at 8:15ish for donuts and coffee at both. We share our projects, techniques and some great stories. All visitors are welcome and appreciated.

Open Studio Artists

Pres. Carol Nagel 520-825-3097 carolm93@comcast.net
Tue, Wed, Thu, Sat, 9 am-1 pm, CV/Art Studio

Plans are being made for the 40 and Fabulous Celebration. SCOV artisans will be asked to submit their art for display in the community buildings. The theme for these art pieces will be all things SCOV and Southwest. If you would like to participate you have plenty of time. This event will be open to all SCOV residents, so tell your friends who may not be a member of an art group. More information will be coming via email.

Sculpture

Mon, 9 am-5 pm, CV/Art Studio

The Sculpture Club meets Mondays in Catalina Vista/Art Studio. Anyone interested in becoming a

member or learning more about our club, can stop by on Monday mornings or contact Dale Foster. Our sculpture pieces can be viewed in the window and showcase in Catalina Vista and the Library.

Steve Restemayer used the ChatGPT app to help refine choices on the sculpture project shown in this picture on the right. He began by finding an inspirational image online as a starting place. Steve then gave GPT criteria/input to what he desired such as, "provide an eagle, with long tail extensions, bronze color with gold highlights on the wings, etc.". A rendering from GPT came back within 30 seconds which included a chat dialogue exchange with other considerations and questions. That information helped Steve develop the wire armature and informed him of his finished detailed work as seen in the picture.

The Tapestry Hooking and Fiber Arts group meet on Tuesday mornings in the Sewing Room. If you are interested in our group, stop by the Sewing Room on Tuesday mornings between 9-11 am.

Our group provides materials and instruction to those interested in learning the art of rug hooking. Articles for beginning hookers imply that hooking is easy to learn. Learning to hook can be challenging for some. To begin, a learner holds the hook like a pencil and pushes it through a hole in the foundation materials. Holding the cut wool strips under the material with the other hand, the hooker must catch the strip and pull it up through the foundation material to form a loop. The wool stays in place through the tension of tight packed loops. The proper tension is needed to hold the loop in place which can be tricky for some.

Show & Share

Leader Deb Wehrung 267-377-6760 debwehrung@gmail.com

Every Fri, 9 am-Noon, Catalina Vista

Show & Share is a crafters group whose members work on a variety of portable crafts. We have crafters who create cards, tapestry, jewelry, knit, crochet, embroider, scrapbook and more.

Show & Share has a spinoff group for junk journals that meets the 2nd and 4th Wednesday of every month from 1-3 pm. Contact Deb to check the dates and location. Stop by to see what this fun paper craft is all about. If you create junk journals, bring them along to show us your creations.

Show & Share is designed to encourage creativity. Come show us what you love to do and share your interests, ideas and techniques.

Winter Shop Hours: Mon-Thu, 9 am-4 pm, Fri, 9 am-Noon

Member meetings second Mon, 2 pm, ART/Lapidary

The world famous annual Tucson Gem and Mineral Show has come and gone. Several club members have brought their gem and rock finds to the studio for lapidary. Many of these stones will become centerpieces. Some were purchased ready for mounting or for future silver projects. It's a satisfying feeling to listen to the stories about their finds from the show's many venues. Speaking of venues, the annual club fair was a resounding success this past month. A record six members enrolled for the club's training course. Club silversmiths are available to assist Sun City residents in the art of jewelry making as well as stone cutting, shaping and polishing. If you are interested in joining our Silversmith and Lapidary Club, stop by the studio and speak to the monitor about your interest. Studio hours are 9 am-4 pm except for Friday, 9 am-Noon. Closed weekends.

Open to members 8 am-9 pm www.scovglassclub.weebly.com

If April showers bring May flowers, why not use glass. Whether you're drawn to the play of light through colored glass or the artistic satisfaction that comes with making something by hand, creating stained glass or fused glass pieces as a hobby is rewarding

and accessible. The possible variations for creating objects with glass colors, shapes, sizes and textures has captivated people since the early Egyptians and Romans. Why? Find out by stopping by our studio or visiting our website to see examples of our work. Our introductory classes for both stained and fused glass include instruction, use of equipment and all materials. In addition, a variety of classes, social events and contests are offered at various times throughout the year. The only thing you need is time, imagination and a willingness to learn.

Creative blocks can feel frustrating and stressful. Ironically, that stress often makes the block worse. One strategy is to step away. Alfred Hitchcock would shift conversations to unrelated topics when scripts stalled, easing tension and allowing ideas to surface subconsciously.

Another approach is imposing creative constraints. Dr. Seuss wrote *Green Eggs and Ham* using only 50 words, producing a classic. Limiting your choices by shooting a different lens or subject can force you to notice new things. Creative blocks happen to everyone; the key is to not fight it, just take a break and change your focus.

Our next program is "Infrared; The Light We Cannot See" on April 8. The presenter will be Joe Webster. Our next competition theme is "Flowers" on April 22. Both events are at 6 pm in Catalina Vista; the public are invited to attend.

We are happy to announce that seven newbie woodcarvers were introduced to and successfully completed, our Woodcarving 101 course. Some of these graduates have already purchased tools and equipment to pursue this new hobby.

We offered a second section of the 101 class and did not receive enough interest, so we cancelled the class. We had some "Johnny come latelays" who failed to register before the start date. Had latecomers registered by the deadline, we could have run the class. So, we now have started a new sign up list for our next offering of Woodcarving 101. Let us know if you would like to have your name added to the list. If you have any questions, feel free to text Dick Minch.

14 Inch Wooden Vase

In April, we will highlight the artistic side of woodworking. The photo shows a wooden vase designed and constructed by Mike Middleton. It is made entirely from the wood of various trees and turned on a lathe. The individual patterns are all hand crafted and glued together in sections which, when combined with other sections, form the individual layers that make up the vase. Mike's engineering background, combined with his skills in woodworking and precision design, are key to the art and beauty seen in the finished product. The vase is over 14 inches high and is turned in several stages which are glued together before final cleanup and finish. All colors and shades are natural and created by selecting the proper wood species.

Tucson Meteorite, photo from Smithsonian Open Access

Mrs. Twink Monrad, curator of the Steam Pump Meteorite Collection, will be our speaker Thursday, April 16, 7 pm, Activity Center/Navajo. As a good friend and neighbor of Jim Kriegh, founder of the town of Oro Valley and an avid meteorite hunter, Twink was one of his team of three who spent two years mapping the field for the UA and fortunately took photos, totally unaware it would be a life-changing event for all three.

Dr. Larry Lebofsky, professor and researcher at UA LPL, will assist in answering questions as she describes the challenges and excitement of finding rocks that are older than Earth itself and which offer clues to the formation of our solar system.

Friday, April 17, 10 am, Mrs. Monrad will provide club members an up-close look at The Jim Kriegh Meteorite Collection at Steam Pump Ranch, 10901 N. Oracle Rd, Oro Valley. No fee nor reservations required.

Second Sun, 2:30-4 pm, DO/Ocotillo

Last month, I asked members to share their experience with the Not So Silent Book Club. Here is one member's response: "I am new to the group, but already feel a part of it. I've enjoyed hearing about books and authors that I would never have heard about. Members bring great breadth and scope to reading options. I love this format and would highly recommend those interested in reading to join us." The format is simple. Members informally share about whatever they are reading or have finished reading. The rest get new insights into many genres and authors. Email Tammy Barnett if you have questions. Our next meeting is Sunday, March 8, 2:30 pm, Desert Oasis.

Special activities Jun-Sep, www.scvgs.org
Lab and library in Welcome Center with access year round

Join us for our Tuesday April 14 meeting 1-3 pm, Activity Center/Native American Rooms. Our speaker will be Suzanne Young Brayer. Topic: Solving Genealogical Problems with Timelines Plotting. An individual on a timeline is a valuable tool to help in genealogy research. Because it summarizes a life, the timeline can point out areas of further research, errors and inconsistencies, interconnections between persons and relationships to historical events. This discussion will demonstrate numerous types of timelines,

how they can be created and how they can be used in analysis.

Suzanne is an educator, historical researcher and avid genealogist. She graduated BA and MA in history and education from Arizona State University. Her fascination with history was a natural segue into the field of family history. She and her father worked together gathering the pieces of their ancestry puzzle. From Mayflower ancestors, to Quakers, to Revolutionary War patriots, to 19th century German immigrants and a few criminals along the way, she, like most of us, represents the melting pot of American culture. She has taught genealogy classes and spoken to numerous groups throughout Arizona and the West. She is a lecturer, teacher and genealogist with over 35 years experience. We welcome visitors. Mon, 10 am-Noon, Zoom

Poets Corner member Harvey Gardner displays both his ability to work with words and his unique sense of humor in this wonderful poem that demonstrates how he deals with aging, a problem we can all appreciate:

ENJOY

Enjoy this poem now
since it'll never come again.
And, too, enjoy what's me now.

This moment is the only time
in all of time I'm this way with you.

Are better, brighter times ahead?
I don't, you don't know.

Upcoming times tease us
with their unfulfilled promises

like those in December's paper stockings
hung on a cardboard fireplace.

Please...don't say, "But you wrote."
I'm different now, moved on
with brain struggling to poetize

words and ideas written then
but now are sleeping.

Newcomers are always welcome to join us every other Monday on Zoom. Just request an invitation.

New Book Study Begins May 6

This inner work is supported by mindful movement such as qigong, guided meditation and book study that draws from psychology, sociology, metaphysics, philosophy and meditation. Conscious aging is about accepting who we are now. Our meetings consist of a short period of easy mindful movement, followed by guided meditation and discussion. Please contact Phyllis for information or email the club.

Conscious aging is about the inner work of reorienting ourselves as we turn from our roles we assumed while managing careers and tending families, to turning inward and cultivating a deeper awareness of who we are now. Our goal is to discover how to face the known and unknown challenges of aging. With the help of our community, we are pondering the questions: Who am I? What are my values? What do I believe? What matters most to me?

Very Berry Valentine
 Celebration at Sue Blaize's
 home. Thank you Sue!

Culinary Discussion Plus celebrated St. Patrick's Day in festive style at our March "Make It Irish" potluck. Members shared a wonderful variety of Irish-inspired dishes. The afternoon was filled with delicious food, laughter and great conversation. Thank you to everyone who cooked, helped with setup and cleanup and joined us to make the event such a success. Our gatherings truly shine with member participation.

Club Members, please join us for our April Quarterly Club Meeting April 15, 1-3 pm, AC/Kiva, where we'll discuss upcoming plans and invite your feedback and ideas for future culinary fun. This is a great opportunity to help shape what's next for the club. Coffee and Cookies will be served.

We are welcoming new members and are seeking two additional board members to assist with creative ideas, planning and organization.

Dogs and their people

Fido's Friends Dog Club is a fun and social place for dogs and their owners. Snakes are out so please beware; we sponsored Snake Aversion Training March 11 and 12. We will sponsor Colorado River Toad Aversion Training this summer at the Dog Park,

to make it convenient for members' dogs to get this valuable training.

And guess what? Membership in the club also gives you access to the K9 Korral Dog Park on Del Webb Blvd. It's open 24 hours a day and many of our members meet there daily to relax and let their dogs play off-leash.

To join and get your membership materials, send an email to scovff@gmail. Please be mindful when introducing new dogs to the existing packs at the park. Many of our regulars are very welcoming and their humans can help with the introductions.

Happy Passover to everyone. This holiday begins at sundown Wednesday, April 1 and lasts eight days. It commemorates the exodus of the Jewish people from Egypt under the staff of Moses and we hope for freedom for everyone throughout the world. We had a marvelous luncheon in March, celebrating the involvement of our members and their commitment to our club. A delicious meal was catered by AJs and entertainment by Jessi-

ah was enjoyed by all. Our book club meets Wednesday, April 8, 1 pm. We will be discussing *The Only Woman in the Room*, by Marie Benedict. Be sure to check our website for news and event details.

Investment Discussion Group

Pres. Bruce Goslovich bruce@goslovichfc.com
 VP: Dave Korzendorfer DKorzend27@comcast.net
 Sec. Linda Bold lindabold6@gmail.com
 April and May: First and Third Fri, 10 am-11:30 am; WC3; Jun-Oct on hiatus

Our group reviews and discusses the stock and bond markets, the economy and general investment trends, emphasizing portfolio growth and stability applicable to most investors. We discuss current events and search for market trends, opportunities and pitfalls. Occasionally and sometimes with outside experts, we use more formal presentations to delve deeper into topics of interest to all. We are a low-budget group: we charge no dues, sell no products and provide no refreshments. We occasionally offer a "Basics" session at 9 am and will email members about that.

Mindfulness Meditation Club

Nancy Green nfgreen0247@gmail.com
 Bonnie Grant-Baird BJGRANTB77@GMAIL.COM
 Tue, 3 pm, CV Patio or Art Room

Mindfulness Meditation Club meets Tuesdays, 3 pm, Catalina Vista Patio (or Art room if inclement weather). The format is 15 minutes of mindful readings and reflections, followed by 25 minutes of silent sitting meditation, a 10 minute silent walking meditation and another 25 minute silent sitting meditation. Enter or leave quietly at any time.

We welcome everyone regardless of experience. Come and experience the insights that arise from the practice of silent meditation in a supportive group of other meditators.

Other activities offered are mindfulness book study, half day meditation retreats, mindful poetry readings and occasional social gatherings.

For information/orientation, we suggest arriving 10 minutes early to ask those who regularly attend, or you can email contacts listed above.

Prepare & Share Members enjoy getting to know their SCOV neighbors and friends as well as cooking and eating interesting food. This is done in small grouped-themed dinners during the winter months. During the summer, group events take place at one of the activity centers. This summer will kick off with "Southern Back Porch Suppers," our all-club Spring Fling on Saturday, April 11, Catalina Vista Clubhouse. Check-in at 5 pm. Prepare and Share members only. Barbecues and ice cream socials are also popular during the summer. Check the Prepare & Share website for details of upcoming events.

Bats: Masters of the Night Skies
Date: April 7
Time/Place: 2 pm, Auditorium
Cost: Free for Nature Club Members
\$5 per non-member

Bats are one of the planet's species most misunderstood by people. Bat biologist Debbie Buecher's talk will explain the true natural history of bats contrasted against what people think about bats through Halloween and Hollywood. Halloween is when people think about bats, but often link them with witches, devils and other scary creatures. Hollywood uses bats to initiate fear in the storyline by associating them with danger. Despite bats being feared and misunderstood, they are intelligent, beneficial and gentle mammals. Most bats are major predators of nocturnal pest insects while others pollinate hundreds of fruit plant species that we love to eat. Debbie's talk will dispel myths and promote understanding of these nocturnal creatures. She will also bring her bat friend, Rosie, to meet us in person.

Unique Wheels Car Club is on the road. Recently, 11 members entered cars in the Blues, Cruise and BBQ Car Show at Oro Valley Market Place. Congratulations to Roger Benasutti and Greg Patjens for class wins. Several members drove as a group to a local Cars and Coffee event, followed by

breakfast together. Club members will be appearing in upcoming local car shows, as well as finalizing plans for additional drives and social gatherings. Club meetings usually host a guest speaker on topics of interest. In addition, club members meet the third Monday of the month for an informal breakfast at The Views Restaurant to share information on the car hobby. No matter what motor vehicle you're passionate about, new members are welcome.

Spreading joy, laughter and togetherness through dance, the members of the SCOV Witch Dance Club delight in bringing our neighbors of all abilities into the magic, where fun and friendship are always at the heart of our gatherings. We are an inclusive group and all are welcome.

We don't stop dancing when Halloween is over. We're preparing new routines and having fun with every step. Join us Saturday, April 11 and 25, AFC/Dance Studio, 11:30 am to learn the dance and see how much fun this group can be. Bring a broom/walking stick, a water bottle and a friend.

Exercise

Aquatone

Irmel Wheeler 520-334-0957 irmel5596@gmail.com
Tue, Thu, Sat, 9 am, AFC/pool

Aquatone is a water workout that incorporates a variety of rhythmic body movements. This aquatic exercise class enhances cardiovascular fitness and muscle endurance. It includes warm-up, cool down, various swim strokes and strength exercises. We use buoys, boards, noodles, balls and a fitness band. Most of these items are available at the pool. Participants need to be able to do a basic swim stroke. The class is taught by club member volunteers. There is no fee for Aquatone. Please call Irmel for more detailed information before your first visit.

Arthritis Water

Pres. Norma Waters normawaters1@hotmail.com
Vice Pres. Andrea Houston ahoust2@lsu.edu
Until pool reopens Mon & Fri, 10 am AC/Hohokam
Mon, Wed, Fri, 10 am AFC/Pool

With the pool closed for the first part of April, we will continue holding chair exercise class in the Activity Center until the pool reopens. Once the pool reopens, Arthritis Club will meet three times a week at the AFC pool when the air temperature is 77 degrees or warmer.

Our club performs gentle exercises which target all muscles. They are used by several health organizations to increase strength and balance, mobility and flexibility.

Exercise is helpful in managing arthritis, fibromyalgia and replaced joints. Some new members have expressed surprise at how quickly the first sessions increased their ability to move. Others comment on improved stamina.

New members are always welcome. Our members are fun, accepting and welcoming. We frequently hear, "I came for the exercises and love all the friends I have made."

Your first class is free. Yearly dues are \$5. There is no fee per class. Hope to see you there.

Energetic Exercise

Pres. Peggy Smith 520-400-8659 pdsaz@aol.com
Mon, Wed, Fri, 8-9 am, Auditorium

Get ready for warmer weather.

As the temperature rises, many of us start thinking about whether last year's bathing suit still fits or how those favorite shorts look from behind. Instead of worrying, join an EE class and enjoy a complete body workout. Every session, regardless of whether the focus is aerobics, will target all muscle groups, ensuring you benefit from every step in a solid 50-minute routine. Come to class, have fun and forget about last year's bathing suit worries. You'll feel toned, strong and confident. Besides, fashions change every year.

Class fees and what to wear: EE classes are affordable: \$3/year (cash), or purchase a 12-class card for \$30 (cash). Be sure to wear sturdy sports shoes and comfortable clothing. Most importantly, just have fun.

Pilates

Mary Ayers 520-638-7916 scov.pilates@gmail.com
Mon, 3 pm, Thu, 1:30 pm, AFC 1/2

To get the full benefits of Pilates, a person needs to be patient and, at first, take a little extra time when performing the exercises as they may be different from those you are used to doing. They are fun, interesting and challenging. Pilates can even become addictive. It teaches proper balance, breathing, how to focus on your core (abdomen and back muscles) and movement control. This constant movement from one exercise to another results in developing more strength and stamina. Posture is improved. The spine lengthens and joint flexibility and mobility increase. The club has two experienced instructors who teach the mat classes and, if necessary, modify some of the moves for us. The cost is \$8/class and the annual club dues are \$20 pp. Please stop by and watch a class in the Fitness Center. See header for times. Call Mary.

This is the month we begin using the new 2026 Mah Jongg card. There are always a lot of discussions and comparisons to last year's card. Like it or not, it will be with us for the next 12 months. How long will it take you to become comfortable with it? Congratulations to the February tournament day winners. First place went to Annette Cody with Kathy Anderson taking second place. Doris Ocel filled out the winning roster by coming in third. Check back next month to see who won our final 2026 tournament day in March.

Spring is here and that is the best time to go birding almost anywhere. Birds are singing and are in their breeding plumage. Trees are sometimes not completely leafed out, making the viewing easier and the sunny skies and nice temperatures ensure enjoyable times in the great outdoors. Winter was good for us though; a recent January trip to the Santa Cruz Flats, behind Picacho Peak, netted 45 species. But many of the ducks and other water birds that visit us in the winter have now departed for cooler climes, being replaced by a multitude of passerines (songbirds) that are approaching us from south of the border to breed here. One of our favorites is the Red-faced Warbler pictured here, that we see each year on the top of Mt. Lemmon. Contact Peggy Smith for more information about the informal 170+ member Birding Group.

Mon, Wed, Fri, 2-4 pm Bocce Courts

Bocce is a fun activity that people of all ages and abilities can enjoy. You just need to be able to pick up the ball and roll it. Please arrive 15 minutes before starting time and pick up a wooden stick from the starter. Court space limits each session to the first 32 players, with members given priority. Courts are open to Bocce Club play Monday, Wednesday and Friday, from 2-4 pm. Annual club dues are \$5. A membership form is on the website under club information. Come join us for a fun afternoon in the sun.

When Nathan Hale wrote to his father the following words, "a 'sense of duty' urged me to sacrifice everything for my Country," he echoed the sentiments of thousands of patriotic Americans, a sentiment which would continue through the centuries to influence and guide our United States Military forces.

As Americans celebrate the 250 year anniversary of the Declaration of Independence and the birth of our Country, we need to acknowledge that "sense of duty" and the resulting freedoms which have been provided

Hiker enjoys vista of Catalina and the Tortolita mountains on Catalina Mountain hike

April is an excellent month to enjoy our fabulous hiking trails. The days are getting longer, the weather is warm, but not too hot and the desert comes alive with singing birds, flowering shrubs and (if you're lucky) baby animals. Concerned that our hikes are too much for you? Don't be. We offer hikes for all fitness levels and the majority of our members choose the less strenuous ones. Our goal is to get you

outdoors and walking, not leave you exhausted and sweaty (ok, some of our hikes can be exhausting and sweaty, but that is your choice). All hikes are led by a leader who knows the trails. And our members are some of the friendliest people you'll meet. To find out more, check out our hike offerings at www.scovhiking.org. Then, enroll and complete an orientation hike and pay our \$10 annual dues. Easy-peasy.

Racquetballers in action

If you like playing racquet sports, you'll love playing racquetball. Unlike tennis, pickleball and pop tennis, racquetball is played in a climate-controlled indoor court at the Fitness Center. Because it's indoors, there are no cancellations due to wind, rain, cold or heat. We use small, stringed rackets to hit a rubber ball using all four walls and the ceiling. Games are 11 points and last about 15 minutes. No

experience necessary. We will provide rackets, balls, safety goggles and lots of laughs and camaraderie. Come on out on Monday, Wednesday and Friday mornings and join the fun or contact any of the officers for more information. We'd love to have you join us.

Sun: Club Play: 2-4 pm, Open Play 9 am-2 pm Play is at the Copper Center

We successfully completed our move to the Copper Center and are enjoying more playing times for both Club members as well as for non-members. We are sure that the monitors at Catalina Vista are happy that they don't need to keep setting up and taking down the tables. However, rumors have it that

the monitors miss us and the shouts and laughter that used to permeate Catalina Vista, especially on Saturday mornings. While this initial move to the Copper Center is temporary, we look forward to having all five tables set up after our next move, we currently have three tables. While our Club playing schedule is likely to change frequently as we gain more members, the information in the header is our current one. Joining the Club is easy and dues are only \$5.00/year pp. Contact Peggy or John if you want more information.

Women's Round Robin

There's a lot going on in our Sun City Tennis Club this month. Our end of the season Spring Fling and Celebration is Friday, April 10, 5 pm, Catalina Vista. Check the website for details and signups. It's always a fun time for all. We are also having a women's round robin on Wednesday, April 1. Bring your own lunch

and plan to arrive before 8:45 am as play starts at 9 am. We had a big turn out last month (see the attached picture).

Don't forget Wednesday Nite Lites April 8 and 22. We always have a good time starting at 4 pm and treats are always appreciated.

Events are open to all and an opportunity to meet wonderful people. We hope to see you at any of these events. You can also see all the many opportunities to play on www.scovtennis.com.

Fun Competitive Play

Wallyball is volleyball played on a racquetball court, with three to five players on each side. It is fast, fun and a great workout that tones muscles and improves coordination. Players use the walls to create angles on shots but cannot use the ceiling or back wall of the opposing team. We welcome new members, both men and women. Come see if this game is for you.

"My agent, Brenda O'Brien, and her team were excellent. In my 30-year career in commercial real estate I have worked with many real estate agents and brokers, so I can say with confidence that Brenda and her team were great. They keep you informed, are timely in response, and have a thorough knowledge of the marketplace. It was a pleasure working Brenda and Long Realty."
