From the Board of Directors

Our mission as the SCOV Board is to lead in maintaining and enhancing the quality of life in Sun City Oro Valley as an active adult community.

All Board minutes, agendas and reports are available online. Board meetings are open to residents.

Board of Directors - Larry Webster

Larry Webster, 520-437-5210, lwebsterscov@gmail.com

The Property Committee and Its Role in the Association

As a member of the Board of Directors who serves as the Board liaison to the Property Committee, I would like to take a few moments to highlight the important work this committee performs on behalf of the Association.

The Property Committee is one of the Association's standing committees and is composed of highly qualified volunteers dedicated to preserving and enhancing the community's physical assets. The committee's primary responsibility is overseeing the condition, maintenance and improvement of the Association's buildings, facilities and common areas.

A key function of the Property Committee is conducting regular inspections of Association property. These inspections help identify deterioration, wear and tear, safety concerns and other issues that could affect the integrity, functionality or appearance of common areas and facilities. By proactively identifying concerns, the committee supports a safe, attractive and well-maintained community while helping preserve long-term property values.

Although much of the committee's work occurs behind the scenes, it plays a vital advisory role to Association staff and the Board of Directors. Committee members provide informed opinions, expert recommendations and practical guidance that support sound decision-making related to maintenance priorities, capital improvements, budgeting and long-term planning.

Recent and ongoing initiatives supported or led by the Property Committee include:

- Asphalt paving project
- Solar enhancement project
- Chalk Creek Wash oversight
- Pool modernization
- Upgrading lighting for the solar array parking structure
- Semi-annual property inspections
- Cataloging the Association's technical drawings
- Catalina Vista internal lighting upgrade to LED
- Recommendation to replace Catalina Vista back patio concrete with pavers to reduce future maintenance costs
- Leadership of the Common Area Landscape Task

Force, which is developing recommendations for the upcoming Common Area Landscape Master Plan

Through its continued dedication and expertise, the Property Committee helps ensure that the Association's physical assets are maintained to the highest standards. The Board of Directors and community members extend their sincere appreciation to the committee for its ongoing commitment to preserving and enhancing the quality of our shared environment.

Distinguished Service Award

SCOV Distinguished Service Award

The Board of Directors is accepting nominations for residents you feel should be considered for the SCOV Distinguished Service Award. This award is designed to honor residents who make remarkable contributions to our community. Nominations should be submitted by noon on Saturday, February 28. The Board will review the nominees and select the recipient(s). The award will be presented at the Sun City Oro Valley Annual Meeting in March. You can find the form on the website under Trending>Distinguished Service Award Nomination

General Manager - Sandy Seddon

sseddon@suncityorovalley.com, 520-917-8080

As we approach our upcoming Board of Directors election, it's important to remember that this process reflects the values of our community. Elections can generate strong opinions and lively discussion, but they should always be grounded in civility and mutual respect. Thoughtful dialogue strengthens our organization, tearing down candidates does not. Every individual who chooses to put their name forward deserves to be treated with professionalism and courtesy. Anyone willing to "throw their hat into the ring" to serve should be congratulated. Running for the board requires time, effort, and a genuine desire to contribute, and that commitment alone merits appreciation. While it's natural to have preferences, we can support the election process without disparaging others who are also stepping up to serve. We should also remember that comments shared on social media extend well beyond our immediate community. What we write can be seen, shared, and remembered by a much wider audience. With that in mind, why would we ever want to post something that reflects poorly on our community or on a neighbor who is willing to serve? Respectful communication protects not only the individuals involved, but the reputation and integrity of our organization. Voters are encouraged to take the time to learn about each candidate. Attend the candidate forum, read their flyers, and watch their videos. These opportunities allow you to understand their-

Sun City Cares

By Mariana Corella

SCOV residents love giving back to the community. Southern Arizona is our home, and it is important to make it a better place, not just for the residents of SCOV, but for those that need it most.

Foundation SCOV is a non-profit organization based right here that provides aid for SCOV as well as the surrounding Oro Valley and Tucson areas. They have well over 100 funded projects under their belt, such as grants for your favorite clubs, new exercise machines for the AFC, furniture for the restaurant, landscaping, as well as donations to local organizations like Casa De Los Ninos, Boys and Girls Clubs of Tucson and the Oro Valley Hospital.

Many clubs in SCOV are dedicated to community support. Casa amigas, Cheer Bears, Pet Beds, SCOV Charity Works, Thimblelennas and Wheels for Kids all dedicate their time and energy to make a difference in Oro Valley/Tucson, Arizona and the world.

SCOV Senior for Kids (SFK) is a group of SCOV residents that want to make southern Arizona a better place for children. This nonprofit organization focuses on children and families in the community that are in need. They use their hard work and creativity to create and provide handmade items, like blankets, hats, pillows, quilts, toys and much more for those in need.

Photo from Seniors For Kids' Annual Toy Drive

Every December, SFK organizes a program called "Adopt A Family" where volunteers buy necessities and gifts for a family they are assigned to. A drive is organized in the Welcome Center to pick up anything SFK can provide, such as handmade toys, wooden race cars, handsewn teddy bears, fleece blankets, bicycles, children's books, and dozens of plush toys collected through the November "Kuddles for Kids" toy drive and more.

SCOV doesn't just give back during the holiday season. Our love is year round. There are events constantly happening with the goal of making Southern Arizona a better place. These events are even held by clubs that, while not primarily a charity-based club, use their love of their craft to give back.

The Sun City Quilters Club creates a quilt every year for local charities. This year's Opportunity Quilt (pictured below) is one of the prizes that will be given away during the 24th Annual Quilt Show and will be on display at various SCOV events where tickets will be sold (More information in the Clubs section of the *Tipster*). Last year, they participated in multiple other charitable events, such as donating sewing machines and supplies to Sunrise House, which is part of the Tohono O'odham Indian Reservation, donating quilts made for Veterans who have served our country, and donating to the Sister Joses Women's Shelter.

Want to get involved? Go to FoundationSCOV.org to learn more about how you can make donations or request grants. If you would like to join a volunteering club, keep an eye out for their articles in the *Tipster* and This Week in SCOV. These articles will update you on when and where you can attend meetings, and who you can contact if you have any questions.

Copper Center Update

Theda Ellis, 302-388-9798, tellisscov@gmail.com

Why Do We Need Construction Drawings?

Many of you know the Copper Center Work Team is requesting \$100,000 for full construction drawings. Some have asked, "Don't we already have drawings?" and "Why do we need more?"

We currently have schematic design drawings. These show the basic remodel concept: room sizes and locations, general layouts and major systems. While helpful, they represent only about 35% of what a contractor needs to prepare an accurate bid. Think of it like choosing a house plan from a book—you can picture the home, but you don't have enough detail to actually build it.

Construction drawings answer the question: "Exactly how do we build this building?"

They typically provide:

- Exact dimensions and locations of walls, windows, doors and built-ins
- Materials and finishes, including how floors, walls and ceilings are constructed
- Detailed assembly information for building components
- Code compliance, including fire safety, accessibility and egress
- Design and coordination of all systems (structural, electrical, plumbing, mechanical, fire protection)
- Schedules and notes that explain construction requirements
- Contract documents that define scope, quality and legal obligations

These drawings are used by:

- Contractors to build
- Subcontractors to coordinate trades
- Inspectors to verify compliance
- Owners to understand exactly what is being built
- At this stage, we need construction drawings to:
- Accurately estimate the cost of the CC remodel
- Determine whether reducing the project scope would actually save money
- Decide if the project is done in phases, what should the order be

The Work Team believes completing the project as a whole is a better approach because it will be more cost-effective, allow SCOV to move forward with other projects and better meet the needs of our artisans and clubs sooner rather than later with additional space. Our amenities make SCOV unique and support our advantage as a leading HOA in Arizona. We need final drawings to proceed.

Pools and Spa Improvements Underway

SCOV is moving forward with a comprehensive renovation of its pools and spa, designed to improve safety, reliability, appearance and the overall

member experience. This multi-location project includes the Aquatic & Fitness Center pool and spa as well as the Desert Oasis Activity Center pool, ensuring these popular amenities remain enjoyable and dependable for years to come.

At the Aquatic & Fitness Center, the project will refresh the pool's interior finish, waterline tile, deck surface and lighting while upgrading accessibility features to current ADA standards. New, high-efficiency heaters will improve temperature consistency and energy performance, and updated filtration and circulation systems will enhance water quality. Chemical systems will also be modernized to improve safety for staff and provide more consistent sanitation for swimmers. Deck repairs and repainting will restore a clean, uniform appearance to the surrounding area.

The spa will receive similar attention, including new finishes, updated lighting, improved slip resistance on the deck, and upgraded water chemistry systems for improved comfort and reliability.

At the Desert Oasis pool, improvements focus on equipment upgrades, electrical safety, resurfaced decking, refreshed lighting and enhanced water treatment systems. Accessibility features and interior finishes will also be refreshed to extend the life of the pool.

Together, these improvements reflect SCOV's commitment to maintaining high-quality amenities, prioritizing safety and accessibility and preserving the long-term value of community assets, all while delivering a better experience for residents and guests.

Submittals for Exterior Changes Have Increased

The 2025 statistics for submittals taken by the ARC and in-house show increased activity in comparison to 2024. There were 380 ARC requests for approval and 214 requests for approval in-house. There are 157 residences that have a new paint job.

The majority of projects (approved at 106) were for any combination of walls, fencing, courtyards and gates. All windows were replaced in 39 homes and another 73 homeowners replaced some of their windows. Our records show 339 homes have made the investment in solar energy over the years.

Remember this rule of thumb: Almost any change to the exterior of your home or property requires some sort of approval. Call Katy Mosier at 520-917-8058 if you have any questions about which projects need prior approvals.

USA Today Bestselling author Kaira Rouda is starting her Book Tour for her new psychological suspense novel titled, *We Were Never Friends*, here with us on Monday, February 2nd from 1 pm to 3 pm in the Auditorium. How exciting it is for us to host this author before the release date of her book. We have arranged for Stacks Book Club to bring copies here, so we are able to pre-buy her book and have them autographed. This is a story about the dangerous line between sisterhood and sabotage. Prepare to be pulled into a world where old wounds never heal, where smiles mask betrayal and where the past is never truly past. Tickets are required and can be obtained at the library.

Erika Hamden, local author of *Weird Universe: Everything We Don't Know About Space (and Why It's Important)* will be here on Wednesday, February 25 from 1–3 pm in the Catalina Vista Complex. The library has partnered with the Astronomy Club to offer this author talk that Astronomy lovers will not want to miss. Learn how space exploration shapes our everyday world and understand more about the cosmos and its connection to life here on Earth. Tickets are required and will be available at the library on Wednesday, February 11.

Recreation and Fitness- Lonnie Davis

ldavis@suncityorovalley.com, 520-917-8073

What is the core? Your core includes the muscles around your midsection that support your spine and trunk. This includes the abdominal muscles, muscles along the sides of the torso, and muscles in the lower back and hips. These muscles work together to keep your body steady as you move, shift your weight, or change positions. Strengthening your core can improve posture, reduce back pain and lower the risk of injury. Many core exercises are valuable for any skill level; here are four core exercises to try: glute bridges, bird dog, toe taps and planks. You can adjust repetitions, pace, or range of motion based on what feels right for your body. Listen to your body; if any movement causes sharp or unusual pain, stop.

Orientation on how to use the gym equipment is held on Thursday, 1 pm, so stop in. Sign-up classes are limited.

The AFC pool and spa will be closed Tuesday, February 10 for cleaning and shock treatment. It will reopen the following morning at the regular time.

The AFC Spa will be closed for cleaning Tuesday, February 24. It will reopen at 1 pm.

The Desert Oasis Pool will be closed Wednesday, February 11 for cleaning and shock treatment, and reopen the following morning at the regular time.

Hours of operation for AFC and Desert Oasis are on page 2.

Contact Lonnie Davis, AFC Coordinator, to discuss questions or problems with the AFC. The DO Pool will be closed from Monday, February 2 through Saturday, February 14. The AFC Pool & Spa will be closed on Friday, February 13 and onwards until further notice. Please review upcoming This Week in SCOV and emails for more information.

Ambassadors: Your Friendly First Impression of the Community

February, though one of the colder months, provides an excellent opportunity to celebrate the warmth and camaraderie that define our HOA community. This month reminds us that a strong and thriving neighborhood is built on kindness, engagement and mutual support. As ambassadors for our community, we have the privilege and responsibility of fostering these values in our daily interactions.

Simple actions such as a friendly wave, checking in on a neighbor or joining HOA events help strengthen our sense of belonging. Residents who maintain shared spaces, follow community guidelines and volunteer make our community thrive.

As ambassadors, we lead by example, showing care, respect and pride in our shared community. This February, let's continue supporting one another and celebrating the vibrant, welcoming community we create together. Our HOA is more than a place to live, it's a home.

If you have not yet taken a tour, we highly recommend you schedule one with our ambassadors. You can book online at www.suncityorovalley.com/contact us or contact one of our outstanding staff members at 520-825-3711 or 520-917-8090.

First Wed, WC1 October 2025 through June 2026

Please note that all SCOV residents are welcome to attend any of our meetings. If you have suggestions on how we can improve our Aquatic and Fitness Center, please go to the SCOV website and fill out an AFC Agenda Submission Form. Once this form is submitted it will be sent to me and it will be included in the next available meeting agenda. We will let you know when your request will be discussed and you can attend the meeting.

Architectural Inspection Group

Conveyance Coordinator Lisa Sandrock, 520-917-8072

Obtaining a courtesy letter or listing inspection from the HOA gives homeowners a clear advantage by helping them avoid last-minute surprises. If issues are discovered during escrow, they can cause delays, trigger renegotiations, or even result in a canceled transaction. Identifying potential problems early allows the seller to stay in control of the process and address concerns on their own timeline.

Architectural Review Committee

Board Member and Co-chair Earl Vittitoe

Co-chair Dave Olson, daveoscov@gmail.com

Meetings Second and Fourth Tue, 2 pm

We begin a new year and for many, a new set of property maintenance and upgrades are in the works. Hopefully, materials and workers will be more accessible than we have seen recently.

As a reminder, most everything you do outside is likely to require some level of review. Changing a light bulb, replacing a dead plant with a similar plant, or doing some touch-up painting on the outside are simple exceptions to review requirements.

Beyond those very basic examples, you will likely need either the Architectural Coordinator or the ARC to be involved. Actions like replacing an outdoor light fixture, putting up a new garage door, adding gutters and downspouts, or even wanting to plant a bush/tree you just found on sale. They all have development standards surrounding your plans. So, be sure to do your research and if you are unsure, then give us a call.

Meet Your Candidates

A "Meet the Candidate" video Interview link will be emailed to the This Week in SCOV list and posted on the website on Wednesday, February 18. This is an informal interview with each of the candidates to get to know them better and begin gathering information about each one of them.

Board Candidate Forums are planned for Monday, March 2, 9 am-6 pm, Auditorium and Zoom. Video recordings will be posted on the website following the forums. You will receive an email with a link for easy access. Mark your calendar now. You will be voting to fill three three-year positions on the Board of Directors.

Ballot Initiative Forums. If any ballot initiatives are added, forums will be held on Tuesday, March 3, 9 am and 6 pm, Auditorium and via Zoom. Videos of the forums will be posted on the website, and you'll receive an email with a link for easy access. Note: At the time of this article's submission, no initiatives were scheduled. If no initiatives are added, these meetings will not occur.

For the latest details, check out the Vote 2026 webpage, conveniently located under the Trending section. Stay updated and make your voice count.

Emergency Response Committee

Chair Dave Olson, daveobuilds@gmail.com

How can I get notifications of emergency situations including wildfires and flash floods? First, when the National Weather Service issues certain weather warnings, cell towers will broadcast the alert to all connected cell users. Other applications for your phone are available. Weatherbug provides additional weather alerts including flash flood and lightning warnings. Watchduty provides alerts for nearby wildfires. You can also set other locations if you want to keep track of the area near a second home or vacation home. CodeRedMobile is used by the Town of Oro Valley to send notices to town residents. If the affected area is smaller than the town, they can geofence the alerts so they send a notice to only the affected area.

Food and Beverage Committee

John Balaco Chairman, 309-696-9686, balaco@sbcglobal.net

Wed, Feb 25, 1:30 pm WC3

Welcome Owners and guests. I hope you're all enjoying a wonderful winter in beautiful Sun City Oro Valley. The new Views menu has been well received, especially the new pizza offerings. If you haven't tried one, they're available every day after 11 am. The Views has a great February live music lineup, listings are on the Views website and included in the weekly This Week in SCOV. Also watch for the upcoming Valentine Day celebration. The staff is going all out to make this an extra special event. The Food and Beverage Committee will meet February 25, 1:30 pm, WC3. All residents are welcome. The committee is keenly interested in residents' input. Please forward your experiences, suggestions, or comments to my email. I'll respond to each one. On a similar note, if you have a concern regarding your Views experience, please bring it to your server or a manager's attention. The staff is dedicated to creating a wonderful experience for every customer visit. Bringing your issues to staff allows them to immediately address them. We'll be starting to develop a new Spring/Summer menu including new Happy Hour specials. Again, the Committee welcomes resident input. Best Regards John Balaco Chairman Food and Beverage Committee Balaco@sbcglobal.net.

Muriel Brown and Leslie Chace

Muriel DeLaVergne-Brown is a nurse and retired Public Health Official from Bend Oregon and also an Oregon Duck Alumni and avid fan. Muriel always loved art and painting, but her career kept her from her hobby. Retirement in Sun City has been the catalyst for painting again. Muriel is self-taught and loves abstract and bright colors

in her work made up of acrylic paintings and water color journals.

Leslie Chace has been working with gourds for about five years. All of her projects are unique and one of a kind. Painting flowers, birds and Southwest designs are some of Leslie's choices for decoration. Leslie finds gourds not only fun and enjoyable but also very relaxing.

Stop by the Gift Shop and see what Muriel and Leslie have created. They are just two of our many talented consignors.

Government Affairs

When analyzing FBI crime statistics, Oro Valley consistently ranks as one of Arizona's safest cities, often number one. Governmental Affairs presents two popular and entertaining encore speakers who help keep us safe: Chief Kara Riley and Judge James Hazel. Come and meet two of the dedicated leaders responsible for making our community one of the safest in the country. The presentation will be Monday, February 2, 10:30 am-Noon, Auditorium. Bring your questions.

Loan Room - Community Assistance

Chair Gay Russell
Loan Room Carolyn Carson
Loan Room hours Tue, Thu, 8-9 am
www.suncityorovalley.com/members/services/loan-room

The Loan Room is a free service for SCOV residents and renters. All you need is your SCOV card when you come in to pick up items. Since this is a busy time of year, it is helpful if you make a reservation at least two months in advance for any items you need. We run out of items around the holidays, so make your reservations early. Medical items have a two-month loan period, and other items are available for up to two weeks. Please remember to clean all borrowed items before returning them. We have an online catalog on our SCOV Loan Room website. Remember, we have a SCOV Community Recycling program, and proceeds from recycled cans support our Loan Room inventory. We welcome your donations on-site or at the recycle container near the Activity Center.

Long Range Planning

Chair Bruce Hackel 708-846-8686 brucehackel@gmail.com
Second & fourth Wed, Oct-May, 9 am, CV/Mt. Kimball & Zoom
<https://suncityorovalley.com/group/pages/long-range-planning>

Your Long Range Planning Committee (LRPC) has been hard at work and we're pleased to share our latest progress. We completed a comprehensive benchmarking study comparing Sun City Oro Valley to seven other active adult communities across Arizona. The results were impressive: SCOV consistently ranks among the top for location, amenities, clubs, activities, facilities and overall lifestyle, affirming what many of us already know about this exceptional community.

With the study complete, we're refocusing on the 10-year plan, refining timelines and priorities to ensure SCOV continues to thrive. All new project applications begin with the LRPC, where they're evaluated for cost, quality of life, sense of community, funding and long term value.

We're also developing a new resident survey to better understand what attracts newcomers to SCOV, helping us strengthen the features that make our community so appealing.

Guests are always welcome at our meetings. Your ideas help shape SCOV's future.

Take Time To Look

When the red flag on the mailbox goes down, we have reason to go outside to get our mail. Next time you are out there, take a moment to look. Does it need a new coat of paint? With the cooler weather upon us, it might be the perfect opportunity to refresh the pole, box and flag. Take a moment to look around. Are there rocks on the sidewalk that need to be swept back into the yard? Is there bare soil in the yard? It not only makes your yard look well-kept, but it also states in the Development Standards that the front, side and rear yard ground plane of each lot shall be covered with a combination of inert and living materials. Inert materials shall include crushed native rock, river run rock and rip rap rock unless otherwise approved by the ARC. The crushed native rock shall be any of the various shades of tan, brown, pink, etc., as found in the local desert, and must be consistent within delineated areas. White rock and pea gravel are not permitted, nor is a cover of more than 20% of river run rock/rip rap rock in the front or street-facing side yard. No artificially colored rock shall be permitted as ground cover. Neighborhood Pride thanks you for taking pride in your community.

We will participate in the annual Club Fair, Tuesday, February 17, 10 am-1 pm, Auditorium. Stop by to pick up a brochure and inquire about volunteering to patrol a minimum of twice a year. We will help you find a riding/driving partner, if needed and answer any questions.

The Posse works diligently with OVPD to ensure that SCOV remains a very safe part of Oro Valley, one of the safest cities in the nation. The Posse patrols our streets each night after dark usually between 8 pm and midnight. We inspect all of our streets, all SCOV property and have our eyes open for any unusual or suspicious activity. Please consider joining as a volunteer. Check the website: see header. Current volunteers: we need more committee leadership. Inquire with David Ilse (see header) about becoming a Squad leader or co-leader to assist with shift scheduling and training new volunteers.

The *Tipster* Editorial Rules and Standards that govern Coming Events state, "Items in this section must be open to all residents, be sponsored by the Association or be an annual club event of interest to the entire community. The event can be no more than two months in the future. Exceptions may be made for events that require advance ticket purchase. Entries should direct readers to the club article for more detailed information other than the day, date, time, place and cost."

Following is some additional clarification to the general rules. The Coming Events entries are to be used specifically to announce a coming SCOV event. Other information about the sponsoring club does not belong in Coming Events. The clubs' articles in the *Tipster* are where other club information and details are presented. A reader should be able to go to Coming Events and easily locate the event with date, time, place and cost. Events from the two political clubs or from political events from the Government Affairs Committee must include. "Sponsored by the Democratic/Republican Club/Government Affairs Committee."

Director of Golf - Rick Price

rprice@theviewsgolfclub.com 520-917-8086

As we embark on the month of February, we want to express our heartfelt gratitude to each of you for your continued support of The Views Golf Club. Your passion for playing golf and your commitment to supporting our community have been behind our success, and we are truly grateful.

We are delighted to present an exciting schedule of events and activities for February, designed to cater to golfers of all levels and interests.

Chip & Putt starts back up on Thursday, February 5 at 4 pm. Register with the pro shop to reserve a spot. Our weekly golf clinics are every Tuesday at 9:00 AM. These clinics offer valuable insights and hands-on instruction to help you refine your golfing techniques and enjoy the game even more. Our OP 36 golf program has kicked off and is a great teaching program to improve your game starting at the green and moving back to the tee.

Explore the latest in golf club technology with upcoming club fitting opportunities throughout the months to come with manufacturers like Callaway, Cleveland, Cobra, PING, PXG, TaylorMade, Titleist, and XXIO.

It's time to clean out your garage or maybe add to it. On February 7th from 12 pm-3 pm, we will hold our Rummage Sale on the driving range to support our Cure for Cancer event for the Kids of Steele. Rent a table or purchase items. Limited spots are available. Contact Katelyn in the Pro Shop for more information.

Our annual Cure for Cancer event is Sunday, March 15, 2026. If you haven't already registered, you will want to sign up today as it fills up every year. We appreciate you playing and any donation in our efforts in raising the need funds for the University of Arizona's Kids of Steele Research Center.

We look forward to welcoming you to our upcoming events and sharing the joy of golf in February. Thank you for being part of The Views Golf Club family.

Director of Golf Maintenance - Michael Kropf

mkropf@suncityorovalley.com 520-917-8063

Many years ago, our golf course transitioned very poorly from winter ryegrass to summer bermudagrass. Acres of bare fairways required re-grassing with sprigs/sod that negatively impacted playing conditions for a big part of each summer. Since the fairways were overseeded every year, the same bare areas returned every summer. To break the cycle, something needed to change. A plan was implemented to protect the bermudagrass which would then improve the overseed.

The first part of the plan was a rotation of not overseeding certain holes for a season and allowing the bermudagrass a whole year to establish a better root system. After years of skipping holes, many being repeated frequently, led to not overseeding all the fairways in winter 2021. The second part of the plan was starting a fairway topdressing program to build up a bermudagrass friendly root zone and provide a better playing surface than the native soils. The third part of the plan was deep tine aerification of the fairways monthly to reduce compaction from heavy golf cart traffic and improve air/water infiltration into the root zone.

When the plan first started many of our golfers were very unhappy with the process. They felt the sand topdressing was inconvenient, and not overseeding was a horrible idea. Many called other courses and discovered nobody else was performing these practices. After seeing our results, most golf courses are now following our plan as standard practices. The fairways are now transitioning much better and require little repair each summer.

Golf Advisory Committee

Chair Candis Cook

golfadvisoryscov@gmail.com

First Wed, Nov-May, 2 pm, WC3 and Zoom

The Golf Advisory Committee in cooperation with Golf Operations, Golf Course Maintenance and the Golf Course Architect is reviewing the upcoming reconstruction of the 80+ tee boxes on our course. Most tee boxes are almost 40 years old and need to be updated, repaired and improved access as part of normal maintenance. This will be done in 2027.

A reminder: The players assistants, bar cart servers, pro-shop staff and maintenance workers on the course are employees of SCOV. Any concerns regarding their requests that you follow Golf Course Policies or their job performance are to be directed to management and not to the individual employee per SCOV policy.

A note about the care of the course.

- Rake bunkers after play. Leave the rake head in the bunker, handle outside.
- Repair divots. (Divots root within 3 days, and are grassy after 5 days.)
- Enter and exit the course either through the blue gates, or at a 90 degree angle to the cart path. Do not drive or park in the rough.
- No more than two carts per group on the course at any time.
- Handicap carts: No nearer than 30 feet from the green at any time.
- Par 3's: All carts on the cart path, no exceptions.

Crushing it!

This is a big month for our league. We have our league meeting on Thursday, February 12, and there will be some surprise raffle prizes that are sure to improve your game. There will also be some golf rules questions that will improve your knowledge of the "rules that matter," and the winners with correct answers get special prizes. The Saddlebrook league comes to The Views on Tuesday, February 24 and we will go to Saddlebrook HOA1 the next day on

Wednesday, February 25. As a reminder both of those events are limited to the first 35 to sign up. Also, when you are practicing putting this month, practice putting the short ones. We must sink ALL of our putts for the end-of-year tournament beginning on March 12. Come and join us. We have 113 members. Half the time, twice the fun.

The Catalina Cup team enjoyed hosting a full field of 72 players at The Views in December.

The President's Cup, our annual match play tournament, began in January and wraps up around the first week of March.

Every Tuesday we have a game. Most of us meet up in The Views for lunch afterwards. The first Tuesday of every month we have a luncheon and every other month on the first Tuesday of the month, a club meeting during lunch in the Activity Center.

Please let me know if you are interested in joining and we will keep you informed of the results of our upcoming tournaments: Joan Mayer, VP and Membership Chair, 520-904-8313, tvwgcvicpresident@gmail.com.

The Nine-Hole Women's Golf Club is well into our 2025-2026 season. We play every Thursday, 8:30 am. We have a wonderful time playing our beautiful course, and on occasion we get into a sticky situation. Several weeks ago, our past president found herself adorned with a piece of cholla after looking for her ball in the desert next to the fairway. Don't fret, the cholla was safely removed after the photos were taken. If you want to join in the fun, our league runs through the end of April. You can join by asking at the Pro Shop or contacting Katie Kucza, 513-509-0016 or kukuczaj@hotmail.com.

Food & Beverage Management Team

rfrascari@suncityorovalley.com 520-331-8476

Hello from me, Ricardo Frascari

February brings great food, special celebrations and lively entertainment to the restaurant, and we're excited to share what's coming up this month with the Oro Valley community. We would also like to take a moment to thank you for your continued support, it truly means so much to us and plays a big part in making our restaurant a welcoming place for everyone.

As we move into the new year, we have also been making some exciting improvements within the restaurant. Our servers are becoming more comfortable and efficient with our new handheld ordering system, which helps us provide quicker and more accurate service. Behind the scenes, our team continues to focus on teamwork, communication and hospitality, ensuring that every guest feels valued, cared for, and welcomed when they dine with us.

Valentine's Day is right around the corner, and we'll be celebrating with special offerings designed to make the occasion memorable. Whether you're planning a romantic evening, a gathering with friends, or a relaxed dinner with family, the restaurant is a wonderful place to enjoy good food and a comfortable atmosphere.

Live music continues every weekend, adding to the experience and making weekends a perfect time to dine, relax and enjoy time together. We are proud to feature a variety of talented local musicians who bring great energy to the restaurant. To find out who is playing each weekend, please call the restaurant or visit our website for the most up-to-date music schedule.

Thank you again for being such a supportive and engaged community. We look forward to welcoming you throughout February and hope to see you soon for great food, live music and good times

Thimblelenas club members on the computer

The Foundation SCOV (formerly known as Vistoso Community Foundation) appreciates the charitable donations received in response to the year-end mailing. Thank You. Your generous contributions allow the Foundation to continue providing grants to SCOV clubs and community events. You can donate at the Foundation's website: <https://www.FoundationSCOV.org/donate>.

The foundation recently provided a grant to the SCOV Thimblelenas sewing group for a new computer, printer and smart TV. The computer will be used to download designs. The TV will allow training in a classroom setting. The Foundation also provided a grant to the Views Women's and Men's Golf Clubs to augment fundraising efforts in supporting cancer research at the UofA Steele Children's Research Center. About 400 SCOV residents participate in supporting this fundraising.

The Foundation is sponsoring the annual Dispose-a-Med on Saturday, February 28 8-9:30 am at the Vistoso Community Church parking lot, 1200 E. Rancho Vistoso Blvd.

SCOV clubs are welcome to submit grant requests to the Foundation. Application instructions are on the website FoundationSCOV.org.

A cancer diagnosis is a life-altering event. Beyond the medical charts lies a journey that affects your spirit, your relationships and your daily joy. Whether you are navigating a new diagnosis, celebrating survivorship or caring for a loved one, community is stronger than cancer. Find your community in a confidential space where every voice matters and every story offers a new possibility for healing. While every diagnosis is different, the need for support is universal. You are never alone. Come connect with those who truly understand.

If you have a knitting or crochet project and need help or if you just want to chat, come join us. An ongoing project is crocheted sleeping mats made out of plastic shopping bags. We deliver these mats to the Sister Jose Women's Center for Tucson women who are experiencing homelessness. You can participate in this project by cutting the bags into strips, stringing them into plastic yarn (plam) and/or crocheting them into mats.

You can donate bags from Fry's, Safeway, Walmart, etc., but keep in mind that we cannot use newspaper bags or the thin plastic produce bags for this project. If you would like to

donate bags, please make sure the bags are clean, flattened and sorted by color. Drop them on the porch basket anytime at Jane Fairchild's home at 1750 E Crown Ridge Way.

The Sculpture Club meets on Mondays, CV/Art Studio. Anyone interested in becoming a member or learning more about our club, stop by on Monday mornings or contact Dale Foster. Our sculpture pieces

can be viewed in the window and showcase in Catalina Vista and the Library.

Jan McMirakian recently completed the sculpture in the picture on the left. She used "Hedwig" from the Harry Potter stories as her inspiration. Jan used foil as the armature for the owl and the log that Hedwig is sitting upon. After applying polymer clay and sculpting the piece, the item was baked. Jan reported some breakage on her piece but was able to use an adhesive to reattach the pieces. She then used two coats of acrylic paint. It is not unusual for a sculpture to break or crack, but they can be repaired which are unnoticeable once painted.

The New Year brings meaningful changes to Seniors For Kids. We're gearing up for the March Courtyard Yard Sale, organizing volunteers to handle donations and serve hot dogs. In April, we'll mark a leadership transition as longtime President Pat Norton steps down, with deep gratitude for her years of service. Our shoe donation drive, which began January 1, is off to a wonderful start. Sunrise House of the Tohono O'Odham Nation, 3 Points and Mammoth would be truly grateful for your donation. Drop off new shoes, sizes children to adults, at the sewing room. Cleaning out closets? Fabric and yarn donations are lovingly transformed into blankets, stuffed animals, clothing, toys and more. With the new year, the seven Thimblelenas groups are back at work creating clothing, quilts, pet beds, tapestries and more to share with those in need in the Tucson area.

At the December annual meeting, members voted to increase annual dues to \$10 for new members as well as renewals starting February 1. Rising repair and replacement costs for equipment prompted the increase, though dues remain among the lowest in SCOV.

In addition to clothing and household items donated to Sunrise House of the Tohono O'Odham Nation, arts and crafts supplies and small household items are also welcome. Casa Amigas and Seniors For Kids regularly deliver donations to Sunrise House, Mammoth and 3 Points but limited sewing room space prevents on-site storage. Susan Radka will coordinate donation pickup prior to deliveries. We appreciate your continued generosity and support of our fellow Arizonans.

The Tapestry Hooking and Fiber Arts group meet on Tuesday mornings in the Sewing Room. If you are interested in our

group, stop by the Sewing Room on Tuesday mornings, 9-11 am. Our group provides materials and instruction for those interested in learning to hook. Our group welcomes people interested in any fiber-related artwork.

This picture shows two pillows that John Shaw completed years ago. John tends to hook with a southwestern influence getting inspiration from Navajo rugs/images. These two pillows were chosen due to the bright colors that he used. John used variegated colors in the pillow on the left which is seen in the sun, frame, cactus and blanket. John used to dye his wool to obtain the colors that he desired. Therefore, he has a large array of wool colors from which to choose. In contrast, the pillow on the right shows bright solid colors.

New Year = new hobby? Whether you're drawn to the play of light through colored glass or the artistic satisfaction that comes with making something by hand, creating stained glass or fused glass pieces as a hobby is rewarding and accessible. The possible variations for creating objects with glass colors, shapes, sizes and textures has captivated people since the early Egyptians and Romans. Why? Find out by stopping by our studio or visiting our website to see examples of our work. Our introductory

classes for both stained and fused glass include instruction, use of equipment and all materials. In addition, a variety of classes, social events and contests are offered at various times throughout the year. The only thing you need is time, imagination and a willingness to learn.

2026 is the 200th anniversary of the first successful photograph. In that time the camera has reshaped how we see the world. In art it shattered the monopoly of painting and drawing. In journalism, cameras turned distant wars, protests and disasters into undeniable visual evidence, holding power to account and letting the public witness current events. For everyday people, the camera preserved family histories, fleeting moments and ordinary lives once forgotten. From Polaroids to smartphone selfies, it turned everyone into a potential storyteller. As we enter the third century of photography, that transformation is still accelerating worldwide today.

Note: Our next program is February 11. It will be a presentation by Paul Livingston, a SCOV photographer. Our next competition will be on February 25, the subject is Close-up. Both events are at 6 pm, Catalina Vista, the public is invited to attend.

Poets Corner

Sharyn Rafieyan, 520-825-6762, srafieyan@comcast.net, 1281 E. Clearwind Pl., Monday, 10 am-noon, Zoom

February in grade school meant exchanging Valentine's cards with everyone in the class and no one left out. What a wonderful memory. Poets Corner member, James Pavlakis, shares what appears to be a special memory about two people who connect and then lose contact. The poem cleverly alternates a simple recitation of what happened with beautiful descriptions of the setting so we not only see it but feel it, glad as well as sad and even hopeful that this girl remembers too,

Mountains Between

Ushi,
is that you I sense
but can't see?

sunlight climbs
the back side
of the mountains

We met at a party.

the sun mounts the top
full light grows and approaches

We woke on a hidden white-sand beach
steps from friendly sun-sparkled waves.

Ushi.
Tell me you remember.

Happy Valentine's Day. We welcome new poets.

We also support the IMPACT of Southern Arizona food bank and collect non-perishable food donations at the meetings. New members are always welcome. Our next meeting is Tuesday, February 10, 9 am, WC 3.

Democratic Club

Chair Kevin Harney scovdems@gmail.com
Treas. Evelyn Lathram scovdems@gmail.com
www.scovdems.com
Second Sat, 1-2:30 pm, AC/Hopi Hohokam

There will be no guest speaker at our February meeting. Instead, we will have a discussion entitled, "Our Club Roadmap for 2026." What are our overarching policy principles? What projects shall we do? What events shall we sponsor? What actions shall we engage in to support Democratic candidates in this crucial state election year? Join us and bring your ideas to the meeting Saturday, February 14, 1 pm, AC/Hopi & Hohokam.

We are pleased to announce that Pat Brown is joining our board, replacing Mary Beth Livingston. As you may recall, Pat has been on the board in the past and served as our secretary several years ago. She brings a wealth of knowledge to our board, and we look forward to her future contributions. We thank Chair Kevin Harney, Secretary Lynn Chinnis and Treasurer Evelyn Lathram for agreeing to serve another year as well as board members Paul Mercer, Gordy Rutman, Alan Bachman and Gary Meneley. We are still looking for a club Vice Chair to replace Maureen Salz whose leadership will be missed. If interested in serving the club in this capacity, contact Kevin Harney.

Remember to bring a food or monetary donation for Impact of Southern Arizona Food Bank. Also, remember to bring your \$20 dues for 2026 if you have not already renewed your membership.

He has grown roses in the Old Pueblo for over 40 years. Our meeting is Thursday, February 19, 1 pm, AC/Navajo. Bring your questions and learn from the best.

Conscious Aging

Pres. Phyllis Burks 520-245-2785
SCOVConsciousAging@gmail.com
Wed, 9-10:30 am, AC/Navajo

Conscious aging is about the inner work of reorienting ourselves as we turn from our roles we assumed while managing careers and tending families, to turning inward and cultivating a deeper awareness of who we are now. Our goal is to discover how to face the known and unknown challenges of aging. With the help of our community, we are pondering the questions: Who am I? What are my values? What do I believe? What matters most to me?

This inner work is supported by mindful movement such as qigong, guided meditation and book study that draws from psychology, sociology, metaphysics, philosophy and meditation. Conscious aging is about accepting who we are now. Our meetings consist of a short period of easy mindful movement, followed by guided meditation and discussion. Please contact Phyllis for information or email the club.

The Culinary Club kicked off the year in delicious style with our January Chili & Dessert Cook-Off. From bold, spicy chilis to over-the-top sweet treats, the competition was full of laughs, friendly rivalry and incredible flavors, proof that good food tastes even better when shared.

Next up, we're looking forward to our Berry Treats Valentine Special, celebrating all things sweet and fruity in February. Sue Blaize is graciously hosting this event at her home over three days, February 11, 12 and 13. Club members will receive more details soon.

We are looking for an additional club officer. It's a great opportunity to get involved and help support the club's activities.

As spring approaches, the calendar is filled with hands-on cooking demos, seasonal potlucks and plenty of opportunities to learn, taste and connect.

If you love cooking, baking, or simply enjoying great food with great people, we'd love to have you come join the fun.

Dog Club - Fido's Friends

Pres. Kris Sigford, scovff@gmail.com
Membership Jen Bleth, jableth@yahoo.com
Club email scovff@gmail.com
www.scovff.weebly.com

Fido's Friends Dog Club is a fun and social place where dogs and their owners can connect and have a great time. We also sponsor Snake Aversion (Spring) and Colorado River Toad Aversion (Summer) training in the Dog Park to make it convenient for our member's dogs to get this valuable training. And guess

what? Membership in the club also gives you access to the K9 Korral Dog Park right here at SCOV. It's open 24 hours a day, and many of our members meet there daily to relax and let their dogs play off-leash. To join and get your membership materials, send an email to scovff@gmail.com. Remember to be mindful when introducing new dogs to the existing packs at the park. Many of our regulars are very welcoming and their humans can help with introductions.

VP. Dave Korzendorfer dkorzend27@comcast.net
Sec. Linda Bold lindabold6@gmail.com
First and Third Fri, 10-11:30 am, WC3

Our group reviews and discusses the stock and bond markets, the economy and general investment trends, emphasizing portfolio growth and stability applicable to most investors. We discuss current events and search for market trends, opportunities and pitfalls. Occasionally, and sometimes with outside experts, we use more formal presentations to delve deeper into topics of interest to all. We are a low-budget group. We charge no dues, sell no products and

provide no refreshments. We occasionally offer a basic session at 9 am and will email members about that.

Mindfulness Meditation Club

Pres. Terry Miller tmillerscu@aol.com
Sec. Sue Harrington sueelharrington@gmail.com
Tue, 3 pm, CV Patio or Art Room

Mindfulness Meditation Club meets Tuesdays, 3 pm, Catalina Vista patio or ART if inclement weather. The format is 15 minutes of mindful readings and reflections, followed by 25 minutes silent sitting meditation, a 10 minute silent walking meditation and another 25 minute silent sitting meditation. Enter or leave quietly at any time. We welcome everyone regardless of experience or background. Come and experience the insights that arise from the practice of silent meditation in a supportive group of other meditators.

Other activities offered occasionally are half-day mindfulness meditation retreats, mindful poetry readings, occasional social gatherings.

For information/orientation we suggest arriving 10 minutes early to ask those who regularly attend or email Terry (see header).

Kactus Kickers, SCOV's country western dance club, will present the Clear Country Band Friday, February 13, Auditorium. This is a special Valentine's fiesta dinner dance. Doors open at 5 pm with dinner served at 5:30 pm, followed by dancing from 6-8:30 pm. Tickets will be sold in the Activity Center hallway on Tuesday, February 3, from 1-3 pm (members only), and Thursday, February 5, 9-11 am for anyone. All are welcome. Costs are \$15 pp for members, \$20 pp non-members. Plan to bring your own beverage.

For those who are unfamiliar with Kactus Kickers, dances are held monthly in the auditorium with live bands on stage. Socializing while seated at tables and dancing two-step, country waltz, patterns and swing to lively upbeat music is the order of the evening. Country dance lessons for beginners and experienced are offered fall and winter, with lessons currently underway.

SCOV Witch Dance Club

Sue Reeves 435-258-8004 scovwitchdance@gmail.com
First and third Saturdays, 11:30 am, AFC/Studio 1 and 2

Spreading joy, laughter and togetherness through dance, the members of the SCOV Witch Dance Club delight in bringing our neighbors of all abilities into the magic, where fun and friendship are always at the heart of our gatherings. We are an inclusive group and all are welcome.

We don't stop dancing when Halloween is over. We're preparing to "shake our bacon" for an event in April. Join us Saturday, February 14 and 28, AFC/Dance Studio, 11:30 am to learn the dance steps and see how much fun this group can be. Bring a broom/walking stick and a friend.

Aquatone

Irmel Wheeler 520-334-0957 irmel5596@gmail.com
Tue, Thu, Sat, 9 am, AFC/pool

Aquatone is a water workout that incorporates a variety of rhythmic body movements. This aquatic exercise class enhances cardiovascular fitness and muscle endurance. It includes warm-up, cool down, various swim strokes and strength exercises. We use buoys, boards, noodles, balls and a fitness band. Most of these items are available at the pool. Participants need to be able to do a basic swim stroke. The class is taught by club member volunteers. There is no fee for Aquatone. Please call Irmel for more detailed information before your first visit.

As another New Year rolls around, resolutions are made and unfortunately forgotten by March. This year make a promise to yourself to make it the year that you are going to get to an exercise class, take a walk each day, look up into our gorgeous mountains and breathe in the clear fresh air. What a way to greet the day. Why not join an exercise class that works all the muscles, tones the arms, builds strength in the legs plus gives you a good aerobic workout? Energetic Exercise has it all.

Class dues for the year are \$3 pp, cash only, in an envelope with a name. Classes are 12 for \$30 pp, cash only. Sorry, no checks.

Guess what? It's already the second month of 2026 and time to consider a new exercise routine. Why not try the SCOV Pilates Club mat classes? They are held Mondays and Thursdays in the Aquatic & Fitness Center. The exercises strengthen your core (abdomen and back muscles). You will eventually have better balance, more muscle tone and increased stamina. People always ask whether the benefits from the stretching and strengthening exercises really develop the body's core, increase spine mobility and build flexibility. The answer is a definite yes. We have two experienced instructors and the cost is only \$8 pp/class, with annual club dues of \$20 pp. Please feel free to stop by and watch. Call Mary, 520-638-7916.

Peggy Smith 520-400-8659 pdsaz@aol.com

Birders on a recent field trip to Canoa Ranch near Green Valley.

The growing sport of birding isn't always just about finding birds; it also has a social aspect. Our 170+ birding group gets together yearly for a potluck and each time we go on a field trip there is always a lot of chatting (probably too much) both in the carpools and on site. We often have picnic lunches on the longer trips where stories are shared. As birding in general has grown quite a bit worldwide, so has our membership. We need to limit participation on many of our trips, we have changed modes a bit. To offset this blossoming membership, we have recently increased the number of beginner trips and encouraged our experienced members to act as leaders. For more information contact Peggy Smith above.

Hikers rest at Hole in the Rock, Catalina State Park

The cooler days of January will give way to gradual warming in February. Some flowers may be blooming later in the month so it's an excellent time to get out and enjoy our area's magnificent mountains. Whether you want to hike up the mountains, around the mountains or enjoy them at ground level, we have a hike for

you. All hikes are led by an experienced guide who knows the trail well.

Upcoming hikes are listed on our website at www.SCOVhiking.org. Each hike includes a short description, suggested skill level and the length and elevation gain involved.

To find out more about us, sign up for an orientation hike. Then, if you want to be a member, simply pay the \$10 pp annual dues and that's it.

Also note that the club is hosting its spring picnic, Tuesday, February 24, Catalina State Park. We hope you can join us.

Action on the court

We welcome experienced and novice players, men and women. If you have ever played and want to get reacquainted with the sport, or if it's something you'd like to try, come join us. Many members hadn't played in decades, now they're regulars on the court. It's a great way to get good, fun exercise and improve co-

ordination. Our main game is doubles, though some like to play cut-throat (3 players) or singles prior to the designated court time. Spare rackets, balls and safety goggles are in the storage room. If interested in joining, contact any of our officers. Dues are only \$5 pp annually.

Our catered dinner/business meeting was held on January 13. New officers will be announced in the March issue. Our Spring BBQ will be March 19, 5 pm, Desert Oasis.

Give us a try; we enjoy great camaraderie both on and off the court.

Sun, All play 1-3 pm. Play is at Catalina Vista

Due to limited availability of suitable meeting rooms, the Table Tennis Club has faced challenges in scheduling playing times and the number of tables we are able to set up. A few of our current time slots are less convenient and therefore not as well attended. Saturday mornings are very popular; however, space constraints allow us to set up only three tables, so we often play doubles to reduce waiting times. We look forward to the move to the Copper Center when we can arrange a more consistent schedule and tables can remain up permanently. We feel that the move will greatly increase participation and membership. No matter what your ability is, we welcome new members. Our dues are \$5/year. Chair Barb McNeill bjmac68@gmail.com

In 2025, Vistoso Helpful Hands received 150 calls for help from SCOV residents who received assistance from a group of 80 volunteers. We provide clients with help in the following categories: transportation, call check, caregiver relief/shut-in visiting, animal care, handyman, housekeeping, yardwork, paperwork organization, errands, computer/bill pay set up and meal pick-up from The Views Restaurant. The majority of calls were for transportation and handyman work. Our guidelines provide for short term assistance, approximately 3 weeks or 12 visits in a calendar year.

For help call: 520-447-0077. If we are not able to answer, leave a message with your name/phone number. A dispatcher will call you back.

Wheels for Kids Gives Away Their 6000th Bike

Wheels for Kids is celebrating their 19th year working to provide bikes for kids and families, bikes for transportation and recreation. Wheels for Kids has over 35 volunteers who have donated over 600 bikes in 2025.

Last year, Wheels for Kids gave away its 6,000th bike. The organization has expanded to give bikes not only to kids, but to teens and adults. We work with over 30 non-profits in Tucson who receive the bikes and distribute them to their clients. Gently used bikes are donated to Wheels for Kids. Volunteer mechanics refurbish as necessary so when they are delivered the bikes work well and look good as new. Each bike is delivered with a new helmet and lock. Recipients can be confident that their bike has been fully restored and is ready for the road.

Do you have an old bike taking up space? Wheels for Kids will pick up your bike, refurbish and deliver it to someone who needs it. Wheels for Kids also accepts financial donations which provide funding for the purchase of bike parts to refurbish used bikes and provide helmets and locks.

If you would like to learn more about Wheels for Kids, please visit our website – www.azwfk.org.

Inventory continues to rise, giving buyers more options, while price growth remains stable. For sellers, strategic pricing and strong presentation are essential to capture attention early in the year.

"Brenda is the best! Her work ethic is amazing! She carefully walked us thru the sale process. Remarkably she sold our house a month before it officially went on the market. A buyer asked to see it during the chaos of our downsizing. Three and a half weeks after that day we closed. Without Brenda, this couldn't have happened! She has my highest recommendation!"
