From the Board of Directors

Our mission as the SCOV Board is to lead in maintaining and enhancing the quality of life in Sun City Oro Valley as an active adult community.

All Board minutes, agendas and reports are available online. Board meetings are open to residents.

Board of Directors - Theda Ellis

Theda Ellis, 302-388-9798, tellisscov@gmail.com

What Does It Mean to Be a Fiduciary?

It's not uncommon for the Board to receive letters reminding us of our fiduciary responsibilities. The word fiduciary comes from the Latin fiducia, meaning "trust." At its heart, a fiduciary is someone entrusted to act for the benefit of others.

For a Board member, that means making informed decisions in the best interests of the entire community, not for personal gain or any individual group. It means following our governing documents and applicable laws, avoiding conflicts of interest, and balancing today's needs with tomorrow's responsibilities to protect SCOV's facilities, finances, and long-term vitality.

Fiduciary duty does not require unanimous agreement. Reasonable people can review the same information and reach different conclusions. The Board's responsibility is to listen, ask questions, weigh the facts, and make the decision it believes best serves the Association. Whether the issue is maintenance, amenities, finances, or capital improvements, every decision should be guided by one question: What best serves the entire community, both today and for the future?

That is the essence of fiduciary responsibility and the commitment your Board makes to every resident.

General Manager - Sandy Seddon

Sandy Seddon sseddon@suncityorovalley.com 520-917-8080

It Takes All of Us

Living in a community association means more than simply owning a home, it means sharing in the responsibility of preserving something special. The quality of life we enjoy at Sun City Oro Valley is the result of residents, volunteers, elected directors, and staff working together toward a common goal: creating a welcoming, well-governed, and financially sound community that you can be proud to call home.

Volunteerism has always been one of SCOV's greatest strengths. Hundreds of residents generously share their time, talents, and expertise to lead clubs, serve on committees, welcome new neighbors, support community events, and assist in countless ways behind the scenes. Their contributions enrich the lives of everyone in our community. If you have ever considered getting involved, you are encouraged to do so. Whether you volunteer for a single event or make a longer-term commitment, your participation truly makes a difference.

Strong communities also depend on strong governance. While policies, procedures, and governing documents may not always be exciting, they exist for an important reason. They provide consistency, fairness, and accountability while helping preserve the financial health of our association and protect the property values of every homeowner. Good governance is not about creating unnecessary rules, it is about making thoughtful decisions that serve the best interests of the entire community, both today and for years to come.

Of course, no community of nearly 2,500 homes will agree on every issue, and that is perfectly healthy. Different perspectives often lead to better conversations and better decisions. What matters is how we express those differences. Respectful disagreement allows us to exchange ideas, ask questions, and solve problems while maintaining the sense of community that makes SCOV such a special place to live. We may not always share the same opinion, but we do share the same goal, a thriving community you are proud to call home.

As summer comes to a close, we are pleased to welcome back many of our seasonal residents. Your return brings fresh energy to our clubs, committees, events, and neighborhoods, and we look forward to seeing familiar faces again. Whether you spent the summer here or are just arriving home, welcome back. Here's to another wonderful season of friendship, involvement, and continued work together to strengthen the exceptional community we all cherish. Because in the end, it truly takes all of us.

It's More Than Living... It's A Lifestyle!

Say Cheese! By Mariana Corella

With the beautiful scenery and unique flora and fauna, it is hard to resist taking your camera out to take a picture of the views around us. We love our photographers. While there are many hobby photographers around the community, there is also a dedicated photography club. The Vistoso Photo Club welcomes photographers of all levels of expertise. For more information, visit www.VistosoPhotoClub.weebly.com. If you would like to look at their pictures, visit www.flickr.com/photos/vistosophotoclub/albums/. We receive many photos each month from so many different members of the community. For each issue of the Tipster, we try to put some of these resident pictures in our "SCOV Scrapbook" towards the end of the publication. Some are even put on the cover of the Tipster. If you would like to submit pictures for the Tipster, go to the SCOV website then click Members, Member Services, scroll down to SCOV Photo Submission and SCOV Photo Release, and fill those forms out. Please follow the specifications listed and you will receive a confirmation email with a copy of the form to let you know you're ready to go. We can't wait to see your pictures!

Preserving Our Lifestyle. Building Our Future.

Sun City Oro Valley thrives because of the vibrant community we've built together. From our active clubs and diverse recreational programs to our welcoming gathering spaces, SCOV remains a premier destination for people seeking an active lifestyle.

As our community evolves, so do our interests. Today, residents are engaging more than ever in wellness, fitness, the arts, athletics, and lifelong learning. To support these expanding pursuits, our facilities must become more flexible, functional, and adaptable.

The goal is simple: to strengthen, not change, what makes SCOV special. By thoughtfully modernizing our existing spaces, we preserve the lifestyle we cherish while meeting the needs of tomorrow.

We are also committed to responsible stewardship. Investing wisely in our current infrastructure enhances everyday experiences, keeps our community competitive, and ensures long-term success.

Together, we are safeguarding our unique way of life and building a future that will bring us together for generations to come.

Protecting Employees During Arizona's Heat

Arizona's summer heat can create serious risks for employees who work outdoors. New state heat illness prevention requirements are designed to reduce those risks by ensuring workers have access to essential protections while on the job. Employers are expected to provide readily accessible drinking water, shaded or cooled areas for recovery, and encourage preventative cool-down breaks when needed. The proposed standards also emphasize employee training, heat illness prevention plans, and prompt recognition and response to signs of heat-related illness.

At SCOV, the safety of our employees is always a priority. Our Facilities Maintenance, Common Area Maintenance, Golf Maintenance, and other outdoor teams work diligently to keep our community looking its best, even during the hottest months of the year. If you see employees taking a break in the shade or stopping to hydrate, please know these practices help protect their health and ensure they can continue working safely. A few minutes spent cooling down today can prevent a serious medical emergency tomorrow.

Submittal Housekeeping

When writing a check for the \$25 ARC Submittal fee or \$125 Concept Application fee, it is important to note that you must make the check out to Sun City Oro Valley instead of SCOV. The bank has refused to accept any check that does not have the full name of the association in the pay to the order of location on the check.

Remember to pick up a yellow ARC Project Permit sign to hang in your front window during the period you or a vendor is working on an approved exterior home project. Once you have received written approval from the association, the sign will be available to you at the front reception area of the Welcome Center. Any approved project that is being worked on after July 1, needs this yellow sign posted in a front window so that it may be seen from the street.

Please do not trespass on another resident's property to try and see the yellow permit up close. You have no right to walk onto their property. Questions about this new process can be addressed to kmosier@suncityorovalley.com.

Fun Facts about the Sun City Oro Valley Library

It all started in 1988 with a set of cookbooks, 35 paperbacks and a group of dedicated residents with a vision that created today's outstanding Library with approximately 15,000 items in our collection making it the size of a small public library. Thanks to this vision our Library has continued to grow in popularity over the years, making it one of the top five most utilized amenities here at Sun City.

Did you know? The Sun City Library is operated by 45 volunteers and one part-time Librarian. These are the people who make this library what it is today. Whether you are looking for a specific book or interested in discovering a new genre, they are here to help.

Did you know? Your HOA fees do not cover the purchase of library books and all the funds to purchase new books and materials come from the Friends of the Library (FOL), SCOV Community Foundation, and The Institute of Learning in Retirement (ILR). I would also like to thank our patrons for their huge support in supplying us with books, magazines and puzzles as well as their participation in our book sales. Those contributions are very important and help our Library thrive.

The Sun City Oro Valley Library is a friendly, welcoming, and lively place where you can enjoy yourself. Thank you everyone for your support and contributions. You are the ones that make this amenity everyone's "happy place."

Recreation and Fitness- Lonnie Davis

Lonnie Davis ldavis@suncityorovalley.com 520-917-8073

Keep It Simple

Swimming and water aerobics work muscles many of us do not use every day, so it is normal to tire sooner than expected. Start with 10 to 20 minutes, alternating between swimming, water aerobics, walking, and resting as needed. Adults should aim for at least 150 minutes of moderate-intensity activity each week. Whether you walk through the water at the beach, take a water aerobics class, or swim a few easy lengths, each dip in the water supports a healthier routine. Water supports your weight, making it a low-impact way to build strength, improve cardiovascular fitness, and stay active at almost any age.

Special Note from the AFC:

Orientation on how to use the gym equipment is held Thursday, 1 pm, so stop in and sign up. Classes are limited. Contact Lonnie Davis, AFC Coordinator, to discuss questions or problems with the AFC. AFC and Desert Oasis hours of operation on page 2.

Phone: 917-8073 or email: ldavis@suncityorovalley.com

Tue, Sep 8, the AFC pool and spa will be closed for cleaning and shock treatment. It will reopen the following morning at the regular time.

Wed, Sep 9, the Desert Oasis Pool will be closed for cleaning and shock treatment. It will reopen the following morning at the regular time.

Tue, Sep 23, AFC Spa closed for cleaning. It will reopen at 1 pm.

Protecting Our Community's Value Starts at Home

Keeping a home looking its best takes time, effort, and ongoing care. Whether it's repainting your home, replacing landscaping, installing new windows or doors, adding a patio cover, or making other exterior improvements, every project contributes to the overall appearance and value of our neighborhood.

Before beginning any exterior project, please take a few moments to contact the Architectural Review Committee (ARC) to determine whether approval is required. The ARC is here to help ensure that improvements are consistent with our community standards and governing documents, not to make projects more difficult.

Obtaining approval before work begins can also prevent costly surprises down the road. When a home is sold, an architectural inspection is performed to verify that exterior modifications comply with community requirements. Projects completed without the necessary approval may require additional documentation or corrective action before the sale can move forward.

A little planning today can save time, expense, and frustration tomorrow. More importantly, it helps preserve the attractive appearance of our community and protects the property values we all share.

Thank you for continuing to invest in your home and for helping keep SCOV a community we are all proud to call home.

Arizona law now provides homeowners with the right to install qualifying backyard shade structures, and SCOV has updated its policies. Structure definitions can be found in the Development Standards (DS) Article 1, with the approval process and structure guidelines outlined in DS 2.20. Reasonable design standards will continue regarding size, structure, materials, anchors, placement, appearance, safety, drainage and maintenance of the new shade structures. New structures will require a written submittal to and approval from the Architectural Review Committee (ARC) prior to installation; some structures may also require a permit from the Town of Oro Valley (TOV). Please be considerate of neighboring properties and nearby mountain views when designing your new shade structure.

You may contact Katy Mosier or any ARC member with questions – we are happy to help.

40 & Fabulous—we're still planning a fantastic celebration for you...

Gala Committee Members

SCOV turns 40, and it's time to celebrate. Join us Saturday, February 13, 2027 for a full day of festivities, capping six weeks of community-wide events.

The morning begins with a community brunch at The Views Restaurant, with some surprises in store. That evening the celebration culminates with

the Ruby & Hearts Gala, our 40th (Ruby) anniversary finale.

Expect a fun-filled night of delicious food, exciting silent and online auctions, music, dancing, and celebrating with neighbors and friends. Bid on wonderful items and enjoy experiences that support our community.

Whether you've called SCOV home for 40 years or 40 days, this night is for you. Come honor our past, celebrate our present, and toast to our fabulous future.

Ticket and auction details coming soon. We can't wait to see you there.

The government affairs committee had a busy spring sponsoring events for the residents. Fall events continue with Rex Scott (Pima County Supervisor, District 1) Tuesday, September 29, 1:30-3 pm, AC/Hohokam and Hopi. Pima County provides Public Health and community services, County Sheriff, County Courts/jail system, Environmental Health, waste management, elections, property assessment and taxes, animal control, and the regional transportation and trail system. Pima County coordinates efforts with Oro Valley as needed.

We will be asking for your questions as we get closer to the event. The committee is sponsoring Golder Ranch Fire District, Thursday, October 22, for Fire Prevention Month and Coffee with a Cop (Oro Valley Police Department), Tuesday, November 3. We are looking forward to a busy fall with events and the November election. Stay cool and safe this summer.

Loan Room - Community Assistance

Chair Gay Russell, Loan Room Carolyn Carson
 Loan Room hours Tue, Thu, 8-9 am
www.suncityorovalley.com/members/services/loan-room

The Loan Room, located next to the Golf Shop/Barn, is open Tuesdays and Thursdays, 8-9 am.

We will be getting busier in September as our residents return to our community. We encourage all SCOV residents and renters to plan ahead for upcoming family visits and special events. Browse our inventory (online catalog) on the SCOV website. Medical equipment may be borrowed for up to two months; all other items for up to two weeks. Popular items go quickly around the holidays, so reserve up to two

months in advance.

Bring your SCOV card when picking up items, and kindly clean borrowed items before returning them.

Your contributions to the SCOV Community Aluminum Cans Recycling Program help support our inventory and services - donations are always welcome. Drop your cans in the blue recycling containers located in front of the AFC and at other locations throughout SCOV.

We look forward to seeing you.

The arrival of monsoon rains has also brought an influx of weeds, particularly Desert Broom and Spurge, which should be addressed promptly to prevent them from taking over your yard. It is crucial to stay proactive in managing weeds, especially with the new growth on trees resulting from summer rains. Ensure that tree branches are trimmed to at least seven feet above sidewalks to maintain clear pathways for pedestrians and visibility for stop signs at intersections. Additionally, most bean pods have fallen and should be cleared from your yard. Check if any vegetation is obstructing your house number, as it is vital for emergency situations so that your address is easily identifiable. For safety, please trim any plants that may be hiding your home's numbers, ensuring they are visible from the street. We extend our heartfelt gratitude to all residents who consistently put in the effort to maintain their yards throughout the year, particularly during the challenging summer months. Your hard work is greatly appreciated, so keep it up.

The Posse continues to be vigilant in SCOV during the summer months. Although many residents have headed out of our hot weather, the volunteers continue to serve our community faithfully. We have found fewer open garage doors or other more serious crime potential scenes during this time of year. The number of uninvited visitors, however, are more likely to present a morning surprise. These include snakes, scorpions and other summer pests. The risk increases when the garage access is left open. Thank you to the Posse volunteers for helping to keep our community safe. We can always use more volunteers, especially during the summer months when our folks are traveling. Overseeding and Pro Shop schedule

September marks an essential maintenance period for our golf course when winter ryegrass is overseeded in preparation for the upcoming season. Here is a comprehensive schedule to the changes and events that golfers and residents should be aware of.

Golf Course, Shortgame area, Putting Green - Closure Dates: These areas will be closed for over-seeding from Monday, September 21, through Sunday, October 11. It will reopen for play on Monday, October 12. During this period, residents are kindly asked not to drive golf carts or walk on the course to allow the new grass seed to be properly planted and watered. However, during this time there are no time restrictions in accessing the use of the cart paths.

Driving Range Accessibility: During the overseeding process, the driving range tee will be closed Monday, September 21, through Sunday, October 4. The range will open on Monday, October 5. Players will be able to hit balls off the artificial turf tee line.

Pro Shop Hours:

- Regular hours (6 am - 5 pm) will continue through Sunday, September 20.
- The shop and all practice facilities will be closed on September 21-22.
- Limited hours will be in effect from September 23 through October 11, with the shop open 8 am-Noon.

Golf Cart Guidelines: After reopening on Monday, October 12, all golf carts must remain on the cart path for a few weeks. The anticipated date for golf carts to resume driving on the grass is set for Saturday, October 31.

Special Events and Reminders: Keep an eye out for special events planned during the overseeding period, including our annual 5k run/walk scheduled for Saturday, October 10.

Your cooperation during this essential maintenance period ensures a top-quality golfing experience throughout the upcoming season. Thank you for your understanding and support.

Director of Golf Maintenance - Michael Kropf

mkropf@suncityorovalley.com 520-917-8063

September is the time of year when the golf course is overseeded which converts the turf from warm season bermudagrass to cool season ryegrass. Typically, the tees, fairways and starting last year the aprons around the greens, are overseeded to provide a playing surface that remains green and growing during the winter months when the bermudagrass turns brown in dormancy. This year the greens will be overseeded for the first time since they were rebuilt in 2020 with Tifeagle Ultradwarf Bermudagrass.

The greens were not overseeded so the new turf could mature and develop a deep root system over time. The negatives of not overseeding the greens are old plugs from the daily moving of cups not healing which start to impact putting conditions. The non-overseeded turf also stops growing when dormant, so it wears out unevenly causing poor conditions combined with faster putting speeds.

Overseeding the greens will provide a good consistent putting surface during the winter, and the old plugs will not be a problem. However, overseeded greens have to be transitioned back to bermudagrass the following summer which could lead to thin areas that either need repairing or time to heal. Overseeding also leads to disease issues with both the underlying bermudagrass and the overseeded turf which requires the use of fungicides. Overseeding also requires higher inputs of water and fertilizers which tends to cause wetter playing conditions.

This year, the decision was made to provide the best possible playing conditions in the winter by overseeding the greens.

Our golf experience at The Views isn't just created on the fairways, it's created daily by our Pro Shop and maintenance staff. They're the unsung heroes who keep the place running smoother than a well-struck putt. The pro-shop crew greets us with smiles, helpful advice and just enough friendly banter to remind us that golf is supposed to be fun, even on the days our balls mysteriously refuse to go straight. Their knowledge and enthusiasm set the tone before we ever step onto the first tee.

Meanwhile, our maintenance team works tirelessly, often before sunrise, to make sure the course looks incredible. They manicure greens, tame roughs and somehow keep the desert from reclaiming the fairways. Their dedication gives us the pristine conditions we brag about to friends.

Let's acknowledge these teams that make The Views a place we appreciate, enjoy and proudly call our home course.

The few and the proud - Summer

The league has three chances to play this month before the course closes for over-seeding; September 3, 10 and 17. The game on the 3rd will be a regular league game, with the games on the 10th and 17th a Skins game. The official start of the league season is Thursday, October 1, but if you just arrived and want to play those three Thursday games we can give you a special on the cost. The 9 Hole League has over 100 members of just about every skill level imaginable, except really, really good. We have fun and the key to playing nine holes is that it takes only about two and a half hours so you can go do other things that day. As we say, "Half the time, Twice the fun!"

Welcome September at The Views Restaurant

September is one of the most beautiful times of the year in Oro Valley, and we couldn't be more excited to welcome everyone back to The Views Restaurant. As the summer heat begins to fade and our gorgeous Arizona evenings return, there's no better place to enjoy great food, live entertainment, and breathtaking views with friends and neighbors.

We're thrilled to introduce our new Restaurant Manager, Jake Hansen, to our community. Jake joins us from Boise, Idaho, bringing more than 20 years of hospitality experience and a passion for exceptional guest service. He has already begun implementing exciting improvements throughout the restaurant and we can't wait for you to experience the positive changes firsthand.

Every Friday and Saturday evening, enjoy live music featuring some of the area's favorite local musicians. Whether you're stopping in for dinner, drinks, or just to relax with friends, our weekend entertainment is the perfect way to enjoy these beautiful September evenings.

Be sure to check out our weekly and weekend chef specials, thoughtfully created by our culinary team using fresh ingredients and seasonal flavors. With new featured dishes each week, there's always something delicious waiting for you.

As our seasonal residents return, we're excited to welcome you home and invite you to see everything that's new at The Views. From updated menus and exciting events to enhanced service and live entertainment, we're committed to making The Views Restaurant your favorite gathering place once again.

We look forward to seeing you this September for great food, great music, and great memories at The Views Restaurant.

The Clay Club windows are always interesting. The Pottery window displays either theme-based art or art by individual artists. With theme-based art, a central theme, such as berry bowls or Thanksgiving, is selected. Then several artists display their creations showing their unique interpretation of the theme. When an individual artist's work is displayed, visitors can see multiple pieces by that artist on one or more themes. The Pottery window display is changed monthly. The Ceramics window provides samples of glazes or glaze

combinations. Artists can use these samples to plan their glaze choices. Come and visit the Clay Club windows and you may be inspired to join an orientation class.

The larger quilting machine is now up and running in the sewing room.

Interested Casa members are taking their time to learn how to set up and complete the different designs to compliment the patterns in design of the fabrics, or to compliment the theme for a specific quilt. Fortunately, we have experienced members who are accepting and enjoying the challenge. The photo included shows two members at the machine.

Wed, 1-3 pm, ART/Sewing

We are still embroidering faces, sewing bodies, stuffing them with 'love', and filling the shelves for the next set to march out to new families. We took one afternoon off this last month and met with some Seniors For Kids folks to have lunch at Fork and Fire. We laughed a lot and got to know each other. A good time was had by all. Our winter friends are returning shortly. We are thankful that more people joined us this summer to help keep the lines flowing. We hope everyone had an enjoyable summer and are ready to join in the festivities of fall. We look forward to planning for the additional space in the Copper Center. Continuous planning has been occurring this summer. As always, Cheer Bears welcome donations of flannel and polyfil to keep the production of our cuddly cuties marching out to new families. Glad to see all of the new faces coming through our doors. Look out for pictures next month.

Tue, 1-3 pm, ART/Sewing

Can you snip fabric scraps into little pieces with scissors? If so, we can use your help in creating soft comfy pet bed pillows from cotton fabric scraps and polyester fiber fill for our furry friends at the Humane Society of Southern Arizona in Tucson. They all need an extra touch of kindness while patiently waiting for adoption. If you have large pieces of washable cotton fabric that we could use for the outside pillowcases, we encourage you to donate it to us. We invite you to join us for a laid-back afternoon. Hope to see you there. Call Jan 520-825-9725 with any questions.

Meetings: Second and Fourth Tue, 1-3 pm, AC/Kiva, Third Thu, 1-4 pm, ART/Sewing

On September 3, Nancy Speth will teach a class: Jelly Roll Handbag, 1 pm, ART/Sewing Room. Sign up with Nancy if you would like to join the class. We have two meetings in September: the 8th and 22nd. We meet in AC/Kiva, from 1-3 pm. Guests are welcome, as are Show and Tell. At the September 8th meeting, we will learn about making Mini Quilts and introduce the Mini of the Month program. Bring a "Mini" to share if you have made one. At the September 22nd meeting, we will have a guest speaker: Rachel Joines. She is a certified Stripology Ruler representative and will demonstrate how the different rulers can be used in quilting.

Tapestry Hooking and Fiber Arts

The Tapestry Hooking and Fiber Arts group meets on Tuesday mornings between 9-11 am in the Sewing Room. If you are interested in our group, stop by the Sewing Room on Tuesday mornings.

If you are interested in learning the art of rug hooking, we provide materials and instructions.

The picture is a recently completed crocheted project by Coni Arseneau. The cardigan was a free pattern she obtained from the internet. The yarn used is "Coboo" a blend of 51% cotton and 49% rayon from bamboo made by Lion Brand. For those wondering, rayon from bamboo is a semi-synthetic fiber which is made from breaking down the bamboo plant into a pulp which is mixed with chemicals to create a soft, silky material. Since bamboo is mixed with chemicals it is not considered to be a raw natural material thus warranting the label as rayon.

Show & Share

Leader Deb Wehrung 267-377-6760 debwehrung@gmail.com
Every Fri, 9 am-Noon, Catalina Vista

Show & Share is a club for those who enjoy crafts. If your craft is portable, join us on Friday mornings. If you have an unfinished craft project tucked away, bring it to Show & Share and we will provide encouragement to finish it. Show & Share has a spin off group for Junk Journals that meets the 2nd and 4th Wednesday every month, 1-4 pm, AC/Hopi. Stop by to see what this fun paper craft is all about. If you create junk journals, bring them along to show us your creations.

Silversmith & Lapidary

Summer Shop Hours: Mon-Fri, 9 am-12:30 pm
Club meetings will resume in the fall.

July silver casting

If you're looking for a new hobby and one that's very hands on, check out the silversmiths in the Artisan Center. They're available to assist Sun City residents in the art of metalsmithing as well as stone cutting and polishing in the lapidary. Training is conducted during the summer months on an individual basis. Beginner kits are available and include all the necessary materials to create your first sterling silver pendant. Studio tools are available for your use. Your journey learning a new and fascinating advocacy awaits. Register at the studio in the Artisan Center for the next available class.

The studio's window displays provide lots of handcrafted silver and copper jewelry for your special someone. Studio hours of operation are from 9 am-Noon, Monday through Friday. We're closed on weekends.

Stained/Fused Glass

Studio Manager Byron Wolffing 248-722-3383 wolffing@gmail.com
Open to members 8 am-9 pm www.scovglassclub.weebly.com

Is it getting too hot? Cool off in our air conditioned studio to learn how easy it is to create fused glass or stained glass pieces. We're still offering classes in the summer. Visit our club website for details. Stained glass art is the term given to art created by cutting out pieces from stained glass sheets and soldering them together using either lead came or copper foil. Stained glass art can be many sizes and designs, from the smallest suncatchers to large windows.

Fused glass art refers to pieces of glass that are melted or "fused" together in a glass kiln. Glass fusing can create Christmas ornaments, jewelry, dishes and bowls, vases and glass paintings. Visit our studio located in the Artisan Center, the Gift shop or the Activity Center to view some of the wonderful stained and fused glass creations made by our talented members.

Pollination

The Vistoso Photo Club is for anyone that likes to take photographs and enjoys seeing the images that others take. We will meet on the 4th Wednesday of September, 6-8:30 pm. Visitors are welcome. The program will be a critique of the digital images and printed photographs that members have

submitted. The images may be of any genre so there will be an eclectic mix. Members have used everything from cell phones to interchangeable lens cameras to capture their images. The only criterion was that the images must have been taken within the last 24 months. Each submitted image will be critiqued about what the photographer did right and suggestions on how each image could have been improved. Thus each image has the potential to be a learning experience for the photographer and for the audience.

Frog Intarsia

September is now upon us and the woodshop hours will remain open Monday- Friday, 10 am-2 pm. Monitor participation remains good and we appreciate all monitors that have signed up and volunteered for the open slots.

For September, we will introduce a form of woodworking art called Intarsia. In this style of woodworking, pieces of wood are cut and formed individually, then glued together to form a three-dimensional rendering that may be mounted in a frame, hung individually or attached to other objects. The photo shows a frog on a tree branch mounted on a custom frame. This is a creation of Bill Norton, a highly experienced woodworker who swears the process is much easier than it might look. Thank you Bill, for allowing us to highlight your creation.

Hopefully you were able to enjoy the meteor showers and the 93% lunar eclipse of a "blood moon" last month.

Thursday, September 17, 7 pm, AC/Navajo, please join Astronomy Club board member and field trip coordinator, Harold Wood, for

an hour-long deep dive into the mutual synergy between the Star Trek science fiction franchise and real-world space exploration. This presentation is open to the public, no registration required. Harold also serves as coordinator for the NASA Night Sky Network and is an enthusiastic member of Carl Sagan's The Planetary Society, which advocates for space exploration. As Star Trek celebrates 60 years, NASA and numerous scientists, engineers, poets and hobbyists find that it still inspires real-world space exploration, using both space telescopes and robotic explorers.

Members mark your calendars for our annual Pizza and Star Party, to be held on Wednesday, October 14, 5:30 pm. More info will be in the October *Tipster*.

Second Sun, 2:30-4 pm, DO/Ocotillo

September is here, and it's a great time to dive into a great book. Our club is unique in that all members choose what they want to read and decide what they'd like to share at the monthly meeting. It's surprising the diverse range of books that get shared. From fantasy to fiction, memoirs to mysteries. There is never a member dues and zero pressure to finish a book either. Books in progress get talked about as well as finished books. New members are always welcome. Contact Tammy Barnett if you have questions.

Club member Alice Hutchison uses poetry to graphically and metaphorically describe what we can learn from what we see, beginning with looking up and ends with a positive message.

Story in the Sky

This morning,
foreboding clouds move in disarray
covering the sky in confusion.

Some are just blotches
like patterns in fish gills.
Some are narrow streaks
crossing like swords in a dueling match.
Others are billowing up,
like bubbles in a pot coming to a boil.

For me, the heavens resemble our world,
one without direction or meaning.
We can't seem to agree
on how we should live together.

Turning to the North,
I see a small patch of deep blue
and imagine there is still a path for us,
one leading to compassion,
a place where we can choose
to lay down our fears.

Please Zoom with us every other Monday. Newcomers are always welcome.

New Book Study
 for September

Conscious aging is about the inner work of reorienting ourselves as we turn from our roles we assumed while managing careers and tending families, to turning inward and cultivating a deeper awareness of who we are now. Our goal is to discover how to face the known and unknown challenges of aging. With the help of our community, we are pondering the questions: Who am I? What are my values? What do I believe? What matters most to me?

This inner work is supported by mindful movement such as qigong, guided meditation and book study that

draws from psychology, sociology, metaphysics, philosophy and meditation. Conscious aging is about accepting who we are now. Our meetings consist of a short period of easy mindful movement, followed by guided meditation and discussion. Please contact Phyllis for information or email the club.

As September arrives, so does a little relief from Tucson's summer heat and the Fido's Friends Dog Park is ready for it. Cooler mornings mean more members are back to coffee on the benches while pups stretch their legs before the day heats up.

A few reminders as we head into fall: Keep gates closed behind you and clean up promptly after your pup. This helps keep the park welcoming for everyone.

Also, watch for wildlife as the weather cools. Snakes and other critters remain active, so keep an eye on the ground near the fence line.

Here's to longer walks, shorter shadows, and many more happy tails as we ease into fall.

Membership in Fido's Friends gives you access to the K9 Korral Dog Park, open 24/7. Many members meet there daily to relax and let their dogs play off-leash. To join, send an email to scovff@gmail.com.

Chili's Celebration Dinner, July

"GenXish" bridges Generation Jones (late Boomers) and Generation X, having been raised in the 60s to the 80s. We grew up alongside the rise of cable TV, the disappearance of vinyl records and the boom of personal computing. We're the MTV kids. Our club's focus is to provide social opportunities for

our generation to come together and to celebrate GenXish music, movies and memories. Upcoming events include:

- Dinner & Movie: Dinner at Culinary Dropout in Tucson followed by a showing of *The Shining* at The Loft Cinemas on September 30.
- 1980s Halloween Party at Gaslight Music Hall, Oro Valley, on Oct 31. Tickets on sale October 6 & 7 through the club.

See the club webpage (above) for event details or email the club for more information. Please note participants are responsible for their own transportation, attend at their own risk, and agree to any photos that may be taken to promote the club within SCOV.

Mindfulness meditation is not what you think. Everyone is welcome, regardless of experience with mindfulness or meditation. We meet for meditation every Tuesday, 3-4 pm, and begin with shared readings and reflections, followed by 25 minutes of silent sitting meditation.

This is a wonderful opportunity to experience awareness, calmness and insights that can arise during mindful meditation in a supportive environment. We also gather every Wednesday, 3-4 pm, for mindful discussion of a topic that matters to us. We begin with a brief introduction followed by group discussion. Topics are announced at least one week in advance, and no preparation is needed. You are welcome to attend either the sitting meditation or the discussion group, or both. September is the perfect month to get ahead of fall rather than letting it catch us off guard. As temperatures shift, it's a great time to review the habits that help us stay in charge of our health. Maybe it's adjusting our walking schedule to cooler mornings, or checking in on medications and supplements before the busy holiday season begins. Even small steps like updating emergency contacts, reviewing pantry staples or scheduling overdue appointments can make a big difference. Fall often brings a renewed sense of structure. By taking a few actions now, we set ourselves up for a healthier season. Staying in charge isn't about perfection, it's about being proactive. A little preparation in September can help us move confidently into the months ahead.

We are currently working on a fall/winter lineup of potential speakers and programs, so stay tuned and read our *Tipster* articles for our upcoming schedule.

This summer the Variety Theatre Club has been keeping the energy going with a series of informal workshops. Those of us who stayed for the summer, have had a chance to stay connected, stay creative, and have a little fun while stretching our acting muscles. Each session has been relaxing and welcoming, a great opportunity for newcomers to dip their toes in. Whether you are a seasoned performer or have never set foot on a stage, there is a place for you. Our final summer workshop is Thursday, September 17, 10 am, AC/Hopi. Membership is not required, just show up. Also, watch for news about our upcoming season as we head into fall. Our next meeting will be on Thursday, October 22 as we plan for our spring production.

SCOV Witch Dance Club

Sue Reeves 435-258-8004 scovwitchdance@gmail.com
First and third Saturdays, 11:30 am, AFC/Studio 1 and 2

Spreading joy, laughter, and togetherness through dance, the members of the SCOV Witch Dance Club delight in bringing our neighbors of all abilities into the magic-where fun and friendship are always at the heart of our gatherings. We are an inclusive group and

all are welcome.

We're preparing a new dance for Halloween, practicing the original "shake your bacon" dance, and having fun with every step. Join us Saturday, September 12 and 26, 11:30 am, AFC/Dance Studio, to learn the dances and see how much fun this group can be. Bring a broom/walking stick, a water bottle, and a friend. We ask that you attend at least three practice sessions per dance if you would like to perform with us at Halloween, so now is a great time to begin. If you would like us to perform at your Halloween event, please contact Sue.

Exercise

Aquatone

Irmel Wheeler 520-334-0957 irmel5596@gmail.com
Tue, Thu, Sat, 9 am, AFC/pool

Aquatone is a water workout that incorporates a variety of rhythmic body movements. This aquatic exercise class enhances cardiovascular fitness and muscle endurance. It includes warm-up, cool down, various swim strokes and strength exercises. We use buoys, boards, noodles, balls and a fitness band. Most of these items are available at the pool. Participants need to be able to do a basic swim stroke. The class is taught by club member volunteers. There is no fee for Aquatone. Please call Irmel for more detailed information before your first visit.

Arthritis Water

Pres. Norma Waters normawaters1@hotmail.com
VP. Andrea Houston ahoust2@lsu.edu
Summer Meeting Time Mon, Wed, Fri, 10 am AFC/Pool

Come beat the heat while getting healthy exercise. Our meeting time is 10 am. Join us Mondays, Wednesdays and Fridays. The Arthritis Foundation recommends meeting when the air temperature is 77 degrees or warmer.

Our club performs gentle exercises which target all muscles. They are used by several health organizations to increase strength and balance, mobility and flexibility.

Exercise is helpful in managing arthritis, fibromyalgia, replaced joints, etc. Some new members have expressed surprise at how quickly the first session had already increased their abilities to move. Others comment on improved stamina.

New members are always welcome. Our members are fun, accepting and welcoming. We frequently hear, "I came for the exercises and love all the friends I have made."

Your first class is free. Yearly dues are \$5 pp. There is no fee per class. Hope to see you there.

Energetic Exercise

Pres. Peggy Smith 520-400-8659 pdsaz@aol.com
Mon, Wed, Fri, 8-9 am, Auditorium

It has been great to see so many people attending Sally's classes three times a week over the past two months. Even in the heat, Sally brings energy and encouragement while helping everyone build strength, flexibility and confidence. Members range from their early 60s to their 90s, and each class is designed for all ages and ability levels. You can move at your own pace, listen to your body and do what feels right. There is no need to compare yourself with anyone else. Be proud that you are showing up, staying active, stretching and caring for your mind and body. Whether you are new to exercise or have attended for years, you are welcome. Join us, enjoy the friendly atmosphere, and feel good about getting stronger together.

Membership is \$3 per year, and classes are \$30 for a 12-class punch card.

Pilates

Mary Ayers 520-638-7916 scov.pilates@gmail.com
Mon, 3 pm, Thu, 1:30 pm, AFC/Studios 1/2

It's still summer and a great time to commit to a core strengthening exercise routine. Why not try Pilates? Classes are still small, making it a good time to learn. Joseph Pilates mat classes are offered twice per week on Mondays and Thursdays. Benefits from the specific strengthening and stretching exercises tighten the body's core muscles (your abdomen and back). These exercises increase spine mobility and build flexibility. More benefits include better balance and muscle tone plus increased stamina. Our instructors will modify the exercises for you as necessary. The cost is \$8/class and annual club dues are \$20 pp. Please join us or just come by and watch. Call Mary 638-7916.

The Hermit Warbler - Mt. Lemmon

Photo by Debby Bluem

This is what we have been waiting for...our summer hiatus is about over, and we will restart field trips towards the end of this month. September will be followed by a full trip schedule in October. Then, winter will bring water birds retreating from the northern cold and spring will bring migrating species from below the border. We always wonder what a new season will bring. Will it be the usual hunt for Montezuma Quail and Coppery-tailed Trogon near the border or maybe the elusive warblers on top of Mount Lemmon? Perhaps it will bring some lost species that "made a wrong turn in Albuquerque"

(quoting Bugs Bunny). Every year the scavenger hunt is different, but we enjoy the hunts along with the frequent picnics we have with our birding buddies. For questions contact Peggy above.

"Democracy is two wolves and a lamb voting on what to have for lunch. Liberty is a well-armed lamb contesting the vote!"
-Benjamin Franklin

Called the "Father of the American Navy," John Paul Jones stated that, "America has been the Country of my fond election from the age of thirteen when I first saw it." Brian Goff reported that, "I had the honour to hoist with my own hands the Flag of Freedom the first time it was displayed, on the Delaware; and I have attended it with veneration ever since on the ocean."

The Flag of the United States of America has flown over wars both internal and external and has seen the vanquishing of evil beyond description. This "Flag of Freedom" has borne witness to Americans laying down their lives in battle so that others might also exist with freedom and equality.

In this 250th year since the signing of the Declaration of Independence, we all must consider how different our lives would be had we not been born in this great country. Such divine intervention into each of our lives should never be taken for granted. On the contrary, it should be recognized, highly esteemed and widely celebrated. Gun Club meetings will resume on Wednesday, November 11, 2 pm, CV/Mt. Lemmon.

These guys are FUN rock-in' the pajama party!

Pickleball is now firmly woven into our culture as the fastest growing sport in our country. It is no wonder we are the largest sports club at SCOV. Please join your friends and neighbors and enjoy all we have to offer. We are here to serve you in your pickleball journey, regardless of your skill level. This is a highly social club with parties, clinics, tournaments and fellowship around every corner. We would love to have you join in. Contact us on the website. New friends are just a court away.

POP Tennis

Pres. Sharon Kennedy 206-786-4211
VP. Kevin Harney 717-404-4936
Casual Play Tue, Thu, Sat - Desert Oasis 7-9 am
Competitive Play Mon, Wed, Fri - Desert Oasis 7-9 am

Come out and try Pop Tennis. It's very similar to tennis, but the courts are slightly smaller, the ball slightly less inflated, and we use a paddle rather than a racket. Our club always plays doubles to cut down on exertion and to double the fun. Paddles are available. Good court shoes are a must. Come have some fun with us.

Racquetball

Pres. Al Lichaa 520-606-8829
VP. Larry Saeger 715-891-3087
Sec/Treas. Hartmut Wagner 520-780-6148
Mon, Wed, Fri, 7-9:30 am AFC/Racquetball Court

The seasonal residents have flown out of here, but the games continue. It may be hot outside, but the beautiful air conditioned racquetball court is a great respite. So come on out and play. Games are played on Monday, Wednesday and Friday mornings from 7:30-9 am. If you've played in the past and want to pick up the game again or if you'd like to try a new racquet sport, come and join us. Don't worry if you don't have equipment. We will provide a racquet and a ball, but you should provide your own eye protection. We're a small club so there's great camaraderie both on and off the court. We hope you will join us.

Table Tennis

Co-Pres. John Smith john@buteos.net
Co-Pres. Peggy Smith peggy@buteos.net
Tue: Ladies Play: 1:30-2:30 pm, Club Play: 2:30-3:30 pm
Thu, Sat: Club Play: 9-10:30 am & 3-5 pm
Sun: 2-5pm Club Play. All play is at the Copper Center

Doubles in table tennis is the great equalizer. When playing, the ball is hit alternatively by each player so that if a team consists of an experienced player paired with a beginner it still is a lot of fun as each player hits the ball the same number of times. If you pair that way with tennis or pickleball, players will likely hit the weaker player while the stronger player spends a lot of time looking on. So, if you are a beginner or are rusty, don't feel uncomfortable mixing it up with experienced players as it is easy to have fun playing doubles from the "get-go." Also, if you are new to table tennis, monitor This Week in SCOV for beginner sessions. While it is fun all year, climate-controlled table tennis is especially a great summer and winter activity. If you have questions contact John or Peggy above.

Tennis

Pres. Randy Harvey cagtaxman@gmail.com
For a schedule of club play, events and membership go to www.scovtennis.com

The 2025/2026 tennis season was a great success, marked by rousing competition in the men's, ladies' and mixed tournaments as well as several fun weekend beer and pizza socials. Now that many of our seasonal residents have gone home for the summer, tennis remains active at early and late times to counter the midday heat. Improved LED lighting on courts 5 and 6 makes after dinner play a popular option for the summer members. If you're just looking to work on your game, check out our new Playmate Ball Machine. Check out the club website (www.scovtennis.com) for playing dates and times or anything related to our tennis club.

Wallyball

Pres. Jill Rowen 615-417-8557 jk11615@gmail.com
VP. Rich Hoskins 520-222-5339 richscotthoskins@gmail.com
Treas. Janell Raty 530-401-2477 janello66@yahoo.com
Competitive play Tue and Fri, 12:45-3 pm, AFC/Racquetball Court

Fun Play

Wallyball is volleyball played on a racquetball court with 3 - 5 players on each side. It is fast, fun and a great workout that tones muscles and improves coordination. Players use the walls to create angles on shots but cannot use the ceiling or back wall of the opposing team.

We welcome new players, both men and women. Come see if the game is for you.

Water Volleyball

Pres. Derek Goudriaan 253-208-5162 dj671954@gmail.com
VP. Karen Alexander 909-379-8176 karen29alexander@gmail.com
Treas. Tim Murphy 845-519-8881 tmurphy@fallenwoods.com
All play at Desert Oasis Pool
Recreational play - Sun & Thu, 12:45-3 pm
Competitive play - Mon & Wed

We're excited to be back playing water volleyball on our regular schedule again. You too can come join the volleyball smashers, whether you're a beginner, recreational or competitive player. So come beat the summer heat in the Desert Oasis pool. Recreational play, all are welcome, is on Thursday and Sunday, and competitive play, for the most experienced and skilled players is on Monday and Wednesday. Annual dues \$5 pp.

NO POISON PLEASE!

What to do about those pesky rodents who want to gnaw their way into your car wires or air conditioner. Here are some tips for keeping them at bay – none of which involve poison because bait boxes containing rodenticides are killing so very much more than just a rodent! Raptors, coyotes and bob cats see an easy meal in a floundering or dead poisoned rat. The poison in the rat will then poison the predator, leading to death, or in the case of a coyote or bob cat, mangle and then death.

So, what to do? Here are some tips if you have an "infestation" of rodents: Call around to the many pest companies and ask how they deal with the problem. If the company says they put out bait boxes with rodenticide, hang up and go on to the next company on Google. If you don't want to use a company, please don't run down to the local hardware store and buy bait boxes filled with rodenticide. Instead, set traps in the "infected" area. Here in Sun City we have several people who will come empty your traps if you need help. Remember, there is no such thing as a safe poison!

Don't have an infestation, but you're worried it might happen? Here are some tips to keep those guys away:

Plants that pack rats love: Agave, prickly pear, yucca and cholla. So plant these at your own risk.

Plants that pack rats despise: Lavender, rosemary, alliums and daffodils.

Scents that pack rats can't stand: Peppermint, vinegar (so if you do weed control with vinegar you are also controlling the rats), ammonia and citronella. To use these scents, soak cotton balls and place them in strategic locations like under your car or tucked under your air conditioner.

Encourage owls to nest nearby. One family of barn owls will eat 12-40 pack rats in one night.

Also, limb up plants, especially near your house. Clean up bird feeders or just don't have one. Protect your downspouts with stainless steel wire mesh (\$3 at the hardware store), plug up entryways in your air conditioner and roof vents, or go to PACC and bring home a rat terrier.

Pack rats are absolutely vital to a healthy desert ecosystem. They do the following good things for the desert: Aerate the soil, disperse seeds, their poop helps fertilize plants, and they are food for bobcats, coyotes, owls, hawks and even snakes. Therefore, wholesale killing of these guys isn't the answer, but instead learning to live with them is the goal.

"We had such a positive experience working with Brenda. Our house was under contract before hitting MLS, thanks to Brenda's networking. The photos and marketing materials were excellent. In the end, getting the house sold is the most important thing, but selling a house is a stressful process, and Brenda made everything so much easier. Her communication is excellent - she is extremely responsive, but she is also funny, supportive, and encouraging. I recommend Brenda without hesitation."
