

OCTOBER 2020

Message from the Director of Golf

Rick Price, PGA

We are so excited to open the course on October 12 with our new greens and over-seeded tees and fairways. As a reminder, there was no over-seeding on all the newly sodded areas around the greens, approach areas, and driving range tee.

The new driving range tee will remain open during the time we have the course closed through October 11. We expect the putting green will open before October 12. However, we do not have a scheduled date.

The first tee time on October 12 is 6:56 am and will change weekly every eight minutes until we reach 8:00 am. The Pro Shop will open an hour before the first tee time and close at 5:00 pm daily starting October 12. From now through Sunday, October 11 we are open from 9:00 am -12:00 pm.

On Monday, October 12, we will have a grand re-opening for Members and Residents only. You will make your starting times as normal. There will be some special hole contests on the course for closest to the pin, a prize for low gross score for the day and a few other surprises. To kick off the day, we have some Greens re-construction project committee members and our Golf Design Architect Mike Gogel set to test the course as a thank you for all the hard work they put into the project over the past five months.

Once we reopen on October 12, golf carts must remain on the cart path only for two weeks. The projected date for golf carts to drive on the grass will be Monday, October 26. As a reminder, our golf cart policy is two golf carts per group. Unless you have a private golf cart, you may continue to ride as a single if you wish. Once we allow cart traffic on the course only two carts will be allowed in the fairway or rough at a time. Any additional carts in the group will need to remain on the cart path.

The Views Golf Club cannot provide individual golf carts for each player. If you do not know the person you are riding with in the cart, we would recommend you wear a mask, consider walking, or do not book a tee time if you are uncomfortable riding with someone you do not know. Thank you for your understanding in this matter as we do not have enough golf carts in our fleet to accommodate a single rider request. We will have some single rider golf scooters available in November.

We would ask your help when driving your golf cart around the tees and greens to keep the cart on the path at all times.

In these uncertain times, we continue to promise to provide professional, friendly service,

including a positive, memorable golf experience. It is our goal to add as much value to your experience while offering you a safe atmosphere to enjoy the game.

There has never been a better time to join our membership! We are excited about the latest changes to the golf course and look forward to the 2020-21 season.

PRO SHOP STATUS

When entering the Pro Shop we are requiring masks to ensure the safety of all our members, residents, guests and staff. The check-in process will continue as follows, a tee host/concierge will be stationed outside of the pro shop that will assist with check in. The player assistant will be on the tee to get everyone started.

SHOE SALE

Select styles and sizes of men's and women's Puma golf shoes are now 40% off. All FootJoy and Skechers are currently 30% off. All sales are in stock items only.

TEE TIME RESERVATIONS

Thank you for showing up and being ready to tee off a minimum of 10 minutes before your scheduled tee time. The early arrival to your starting time helps to keep us on schedule throughout the day, which leads to a good pace of play and an enjoyable day on the course.

PRACTICE FACILITIES & DRIVING RANGE TEE

DRIVING RANGE - The tee is open for practice. The artificial tee line has been installed on the back of range to be used during the winter months.

PRACTICE PUTTING GREEN - We anticipate the putting green will open before October 12. We do not have a scheduled date at this time.

SHORT GAME PITCHING AREA - The new short game area features two practice chipping greens and practice bunker is located between the 1st tee and 9th green at the bottom of the hill. We will keep you updated on the progress as the plan is to open first of November. As a reminder the short game practice area will not be overseeded this year.

LOOK WHAT'S COMING SOON!

We will have four Finn Scooters available to rent starting in November. Easy to ride with low-center of gravity and lightweight aluminum frame makes it a well balanced ride. If you can ride a bike, you can ride a Finn. Renting a scooter is easy through a downloadable app. The cost is \$25 for 18 holes and \$14 for 9 holes, and the fee is additional to the golf rate.

HOLE IN ONES

9/1 - David Hablewitz - Hole #3, 75 yards - Gap Wedge

9/7 - **Zan Wicks** - Hole #15, 178 yards - 4 Hybrid

9/14 - **Ed Enyedy** - Hole #17, 77 yards - Sandwedge

TUCSONAN STILL HAS GAME

Knych shoots round of 69 on 90th birthday

Over the last 15 years, I had the privilege of being a golf partner several times with **Walt Knych**, a retired dentist living in Oro Valley. A modest man with remarkable golf ability, Knych always seemed to change the subject when I asked him how he developed into such a skilled golfer.

He would, however, admit that he had shot his age "several times."

Last week, on his 90th birthday, Knych shot a 69 at The Views Golf Club in Oro Valley. If that isn't close to a world record, what is?

CONGRATULATIONS to Walt Knych a Sun City Oro Valley resident and member at The Views Golf Club!

Lesson Tee

SHORT GAME AND PUTTING

I know we are all looking forward to playing on our newly constructed greens and surrounds. After playing on our temporary greens for the last 5 months we've probably changed our putting stroke to account for the slower greens. With the shorter course we've also become used to hitting short irons into the greens.

Here are two tips and some encouragement to help you on the new course. First keep

practicing those short irons. You have been hitting them a lot lately because of the shorter holes, you may need them to save par on the longer par 4's now. Your short game (from 100 yards and in) will become much more important now. Use the same swing but use different clubs from 100 yards and in. Notice how differently the ball reacts based on the club used.

Our new short game area should help you sharpen up the chipping and pitching. As with chipping and pitching, your putting game will face new challenges with the new greens. Focus on distance for both the chipping and putting. Distance control is #1 when putting. If you get the distance right you'll almost never three putt. To help with distance control put a ball in your hand and pick a target hole on the green that is 30+ feet away. Toss the ball underhand, like bowling, and see how close you can get. Do this a few times until you get that ball in a 3-foot circle around the hole. Now take your putter and use that same tempo/force you did with your golf bowling ball. Put a smooth full stroke on it and watch it get close or who knows, maybe go in!

I can't wait to see all of you experience the new greens and surrounds and enjoy The Views like never before. Fairways and greens to you all.

Tom MacKinney, PGA
Assistant Golf Professional

NOTE: Look for golf weekly golf clinics to start towards the end of October.

Good Read

Scientists who study the human brain say that the stream of consciousness can absorb and apply only one thought at a time. This is certainly applicable in the Golf swing. Most of us would agree it is easy to have multiple thoughts or ideas attempting to work themselves out in a single swing. If all of this is true then as a Golfer it would seem focusing on one area of improvement would be the only efficient way to improve. For those seeking to improve this season focus on one thing to improve upon in each practice session. We promise if you bring this intention to every swing you will look back at this season as your best ever!

Most importantly, If you don't purchase new golf grips..none of this is possible.
See you on the range!

Todd Crain, PGA
Assistant Golf Professional

Upcoming Events

Course opens Monday, October 12

All shotgun events currently through the month of December have been canceled due to COVID-19. However, the 9 and 18 hole men's and women's associations will have starting times blocked for their league events. Please check your email and our the website for further updates.

Golf and COVID-19: Latest news on course operations

Playing guidelines to golf safely during the COVID-19 pandemic. Many medical experts believe that golf is one of the safest activities you can participate in during these current times as long as you take proper precautions. These include social distancing with other golfers at the course. Wear a mask when sharing a golf cart with someone you do not know. Walking is available in certain circumstances approved by the Pro Shop.
