Association News

From the Board of Directors

Our mission as the SCOV Board is to lead in maintaining and enhancing the quality of life in Sun City Oro Valley as an active adult community.

All Board minutes, agendas and reports are available online. Board meetings are open to residents.

Board of Directors- Jim Cherry

jimcherryscov@gmail.com

Over the past year, the board focused on understanding the association's finances. Following the Asset Reserve Study, Annual Budget and the Capital Spending votes, here is a review of how SCOV is managed financially.

Operations: From the \$2,630 in dues we paid this year, \$2,125 funds daily operations like electrical, plumbing, maintenance and resident services. This amounts to \$5.82 per day per lot for access to various activities.

Asset Reserve: The remaining \$505 goes into the Asset Reserve Fund. These funds cover repairs and replacements of over 700 assets, such as roofs and AC units. Future pool upgrades will also be funded here. Dues contributions and interest maintain this fund.

Capital Fund: This fund supports major construction and new amenities. Examples include our Activity Center, Fitness Center, pickleball/bocce courts and Dog Park. The Capital Contribution Fees (CCF) from new residents are the primary source, along with revenue from leasing cell tower space to AT&T and the Comcast Premier Provider contract.

We have three finance sets focused on different areas, each independently managed. Have an enjoyable summer.

General Manager - Sandy Seddon

sseddon@suncityorovalley.com 520-917-8080

I want to take a moment to discuss several large projects currently underway that are funded through our Asset Reserves. While some of these have been planned for some time, one unexpected issue arose recently, a large underground void discovered in the landscaped area in front of the AFC building during the solar project construction. We are working closely with engineers to assess and safely address this concern.

The solar project, which is a capital expense, remains on track for completion around the end of July. Once finished, it will reduce electric costs for the community and provide additional covered parking—benefits that make this investment worthwhile.

The Green Side Bunker project continues to progress steadily, with a targeted completion date of August 1st.

In addition, two other major projects are moving forward: asphalt and pools. An asphalt engineer is currently developing the scope of work so we can send it out for bid. Once bids are reviewed, the Board will authorize work based on available funds and community priorities.

The pools are being thoroughly evaluated, and we are formulating a plan to address critical needs, including heaters, ventilation, chemical feed lines, plaster, railings etc. These necessary repairs represent a significant financial investment, so careful planning and prioritization are essential.

We understand these projects may impact daily operations and appreciate your patience as we move through construction and repairs. The Board will continue to meet throughout the summer to review progress and provide updates. We will keep the community informed via Board meetings, Board/GM chats, the weekly TWISCOV, monthly newsletter, the website and standalone eblasts as needed.

Thank you for your continued support as we work to maintain and improve our community.

It's More Than Living... It's A Lifestyle!

Southern Arizona is Hummingbird Paradise

Southern Arizona is one of the best places in the U.S. to see a wide variety of hummingbirds. Throughout the year, particularly during spring and summer, as many as 15 to 17 species may be seen fluttering through gardens, canyons and desert blooms, delighting birders and nature lovers alike.

One of the most familiar hummingbirds in Southern Arizona is Anna's Hummingbird. A year-round resident, Anna's is recognized by its iridescent emerald-green feathers and the brilliant magenta crown and throat of the males. They're often seen in backyards, especially in Tucson and surrounding cities, where they visit feeders and flowering plants.

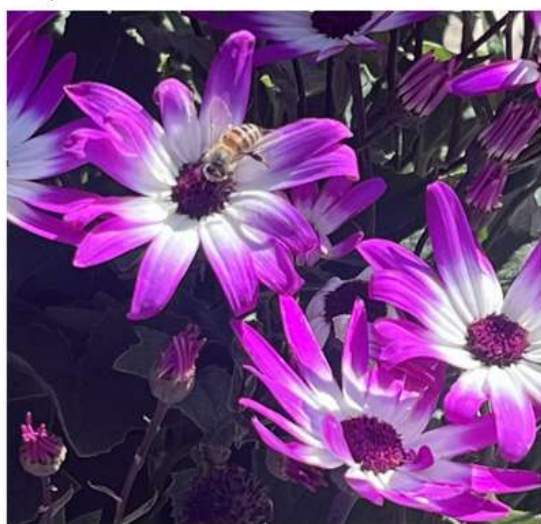

The Black-chinned Hummingbird is a common summer visitor. Males sport a shimmering purple-black throat that may appear black until caught in the light. These birds are widespread in canyons, riparian corridors, and suburban areas. Another regular seasonal guest is the Broad-billed Hummingbird, a vibrant species with a glittering green body and a vivid red bill tipped in black. These birds migrate from Mexico in the spring and are frequently spotted in southeastern Arizona from March through September.

Arizona is a critical stopover for Rufous Hummingbirds, fiery-orange migrants that pass through in spring and fall. These birds are known for their fierce territorial behavior and amazing migration routes, which can stretch from Mexico to Alaska.

Similar in appearance but even more elusive is the Allen's Hummingbird, which migrates through Arizona in smaller numbers. The tiny Calliope Hummingbird, North America's smallest bird, also passes through during migration, its males flashing a spiky magenta throat.

If you want to see nature's tiny jewels up close around your house at Sun City, here are some native and well-adapted plants for these dry conditions. Desert Honeysuckle blooms from spring through fall with bright orange-red tubular flowers. Chuparosa is native to the Sonoran Desert and is great for xeriscaping. Penstemon attracts hummingbirds and bees and thrives in the full sun. The desert museum has a hummingbird exhibit where you can sit in a shady spot and wait for hummingbirds to buzz by you. Remember to stay still and quiet.

Whether you're a seasoned birder or a casual nature enthusiast, Southern Arizona offers unparalleled opportunities to witness hummingbirds in all their glittering variety. With feeders, native plants, and a little patience, anyone can enjoy the hummingbird show, right in your backyard or along the scenic trails of Arizona's sky islands.

Understanding the Violation and Enforcement Process in SCOV

When homeowners observe community standards violations, swift action is a common expectation. However, enforcement follows a legal and transparent process designed to protect the rights of both the reporting party and the homeowner involved.

Here's an overview of the enforcement process adopted by the Board of Directors in compliance with Arizona law and our governing documents.

Step 1: Identifying the Violation. Violations may be identified through Neighborhood Pride inspections, Architectural Review Committee (ARC) evaluations, escrow or listing inspections, resident complaints verified by the Covenants Coordinator or staff observations. All reports are confirmed before action is taken.

Step 2: Notification to Homeowner. Confirmed violations prompt a Courtesy Notice—a request for correction by a stated deadline. It is not a fine. For escrow-related violations, the correction deadline is closing or 30 days after closing. If the issue isn't resolved, a Violation Notice is issued. This outlines the rule violated, the potential for fines and the homeowner's right to a hearing.

Step 3: Appeal Process. Homeowners may appeal violation notices. ARC hearings address property-related matters, and board hearings cover conduct violations, denied ARC appeals or common area issues. In both cases, homeowners must request a hearing via certified mail within 21 calendar days. A hearing is scheduled within 10 business days. Homeowners may present information or witnesses. Decisions are mailed within three business days, with 30 days allowed for compliance. Board decisions are final.

Step 4: Fines and Enforcement. Fines are not automatic. They are imposed only after due process and may be waived if the homeowner shows good faith. Before fines are issued, homeowners receive details about the violation, observer(s), appeal rights, required corrective action and the deadline. Unpaid fines may result in legal action, but paying a fine does not eliminate the requirement to correct the issue.

Transparency and Accountability. This structured process ensures fairness and consistency while supporting property values and community standards. If you've submitted a complaint and seen no visible response, know that action may be underway. Contact the Covenants Coordinator with questions—we're here to support a respectful community.

New Revised Development Standards

The newly revised Development Standards which were approved by the Board on the recommendation of the Architectural Review Committee (ARC) May 22, 2025 are available on our website or in paper form at the Welcome Center. We encourage each of you to review the Standards at your convenience.

Highlights include a clarification of setbacks and an added limited exception for golf garage additions, new requirement for a 3' wide x 7' high access way to the rear yard on at least one side of the house for emergency purposes Town of Oro Valley Code (TOV Code), required solid screening for new mechanical equipment installations (TOV Code), prohibiting of water use for ornamental purposes in front yard landscaping (TOV Code), an updated policy regarding exterior lighting consistent with TOV policy and prohibition of new slatted patio covers in front yards. There are several other changes for you to review.

If you have questions about these changes, please contact Katy after your review.

This July it's raining books once again. This month the library will be hosting its Monsoon Madness Book Sale July 10 to 31. These sales make it possible to add to the library collection. Thank you in advance for supporting the library.

Did you know that International Self Care Day is observed on July 24? It emphasizes the importance of prioritizing one's own well-being and health. Self-care is so important on many levels as it helps individuals manage stress, improve their mental and physical health and build resilience. Reading can provide a great escape. Reading is known for reducing stress, improving sleep and keeping minds sharp. Try out a new author or genre. You never know what you may discover. So don't be shy, come on down to the library and keep your mind active through the scorching summer months.

10 Minutes of Exercise

Daily exercise is ideal whether you are doing some yoga, push ups, jogging or really any type of challenging physical activity. Given how much the average person sits each day, daily exercise becomes even more important. Consider creating a simple 10-minute morning routine of exercises like push ups, bodyweight squats and dynamic stretches. It can be a game changer for you even if you only workout a couple times per week.

Orientation on how to use the gym equipment is held Thursday, 1 pm so stop in and sign up. Classes are limited. Contact Lonnie Davis, AFC Coordinator, to discuss questions or problems with the AFC.

Tue., July 8, the AFC pool and spa will be closed for cleaning and shock treatment. It will reopen the following morning at the regular time.

Tue., June 24, AFC Spa closed for cleaning and will reopen at 1 pm.

Wed., July 9, the Desert Oasis pool will be closed for cleaning and shock treatment and reopen the following morning at the regular time.

Next Meeting Nov. 11, 3 pm, WC-2

The Active Health Committee is taking a break from monthly presentations but we want to encourage you to keep active and healthy. There are many opportunities to keep walking when it is hot outside. Walk with friends in the Auditorium from 6:30-7:30 am. If that is too early, walk indoors Mondays and Fridays, 1-2 pm, AFC. Or, if you just like to walk outside, join SCOV Walks Monday through Friday, 7 am from Catalina Vista or Desert Oasis. Maps are available. Make a date and bring a friend so you will always have someone to walk with who will motivate you and make it fun. Ask others to join you and have the movement snowball.

Seeing a couple dozen submittals each month in SCOV we can safely say that home improvements are still happening. As a reminder, most everything you do outside is likely to require some level of review. Changing a light bulb, replacing a dead plant with a similar plant, or doing some touchup painting on the outside are simple exceptions to review requirements. Beyond those very basic examples, you will likely need either the Architectural Coordinator or the ARC to be involved. Actions like replacing an outdoor light fixture, putting up a new garage door, or even wanting to plant a bush/tree you just found on sale will need ARC involvement. They all have a Development Standard surrounding your plans. So, be sure to do your research and if you are unsure, give us a call.

Help is needed. Every year, Friends of the Library (FOL) puts on a presentation of book reviews published in the previous year. Great Reads 2026 will be in January 2026. We need your help reviewing books published in 2025. What did you think of this book or a newly published book (must be from 2025) that you just read? We need reviews from any genre in fiction and any topic in non-fiction. Interested? Contact Andrea Houston 520-825-6919 or text 225-205-8317 and let her know, or write a short review yourself and email it to her: scovfol@gmail.com. You will not have to read your review at the presentation and not all reviews will be used, but we do need your opinion. Please help us to continue to offer this hugely popular event to FOL members. First Wed., Noon, WC

Why do we choose to live in Sun City? Is it the friendly neighbors? Is it the well-maintained yards? We are proud to live here and can't imagine living anywhere else. Part of the reason this community is friendly and well-maintained has to do with the work done by the Neighborhood Pride Committee. Any day now, our monsoon will arrive in full force to bring much-needed rain and cause our plants to take off. Weeds may pop up in the cracks of sidewalks and at the street. It is the homeowner's responsibility to remove those weeds. Strong winds come with the monsoon and can cause damage. Be a good neighbor and let others know if you see roof damage. With so many of our residents away, let's keep an eye out for each other. Please take pride not only in your property, but also those of your neighbors and friends.

Co-Chair Mary Beth Livingston 937-657-3724 mbcaudill@gmail.com

The mission of the *Tipster* Editorial Committee per our charter is to review and edit all article submissions from SCOV and outside sources that "promote the general welfare and are of interest to the residents of Sun City Oro Valley." The bulk of submissions come from three sources - professional staff who provide department updates, a Board of Directors member who reports on board news and submitters from official SCOV clubs who report on club news. The remainder of submissions are from outside charitable and community-based organizations.

The Tipster Committee also has a set of Process Standards which state that submissions are to be free from political bias, personal agenda and opinions. We take our mission seriously. That said, our standards also require us to avoid making significant changes to the general manager or board member articles. We bring any concerns in that regard to the attention of the Communications Coordinator Carla Green and the proposed changes are reviewed and decided upon internally.

If anyone has further questions about this process, contact Carla Green or one of the co-chairs above.

- Members receive a complimentary guest pass for a guest round of golf on their account.
- Annual 9 or 18-hole memberships may split their payment and pay half on July 1 and the balance by October 31.
- Receive an additional 3% off on membership pricing when purchasing with a check or cash.

As a reminder, this time of the year, hydration is extremely important during the summer heat. Let's be prepared for thunderstorms, possible flash floods, and lightning. It's official "Monsoon Season" in Southern Arizona, so we must be careful.

Follow the following suggestions to keep yourself safe while heading out on the course during the monsoon season. Check the forecast and check it often. Download a reliable radar app and seek shelter immediately if you cannot get off the golf course quickly. Don't worry if you can't finish your round, we will give you a rain check "credit" to complete your round another time. The important thing is to be safe and use your best judgment when the weather is questionable.

Golf Clinics continue every Tuesday, 8-9 am, \$20/session.

Sign up in the pro shop to reserve your spot.

We appreciate our members, residents and guests playing golf and thank you for your support.

Director of Golf Maintenance - Michael Kropf

mkropf@suncityorovalley.com 520-917-8063

July is the traditional beginning of the monsoon season in Southern Arizona. When it comes to golf course maintenance the start of monsoons is bittersweet. The good news is the course will start to green up due to the increased humidity combined with hot temperatures. However, the monsoons also bring the chance of heavy rain that has the potential of causing serious damage to holes located near washes.

Please remember, when these washes are running, they are as powerful as raging rivers. Don't drive around the course and attempt to cross these washes when the cart path is either covered with water or sand. At the minimum, the golf cart will be stranded until the staff are able to rescue the cart. Be aware that during the monsoons the washes can flow whether it is raining nearby or in the distance since we are at the bottom of the hill.

The bunker renovation project continues in July. The completion date is set for August 1. Historically, the monsoons don't get really active until after August 1, but the chances of storms increase after July 1. The concern is if there is a heavy monsoon storm, it will wash dirt in construction areas. The goal is to finish the front nine bunkers by the end of June, so they should be protected from erosion damage with the new sod. However, the back nine will be vulnerable until the new sod is laid.

The 18-hole Men's League board has decided how to handle scoring on a temporary green while the Views Golf Course is under construction this summer. This adjustment is being made because these temporary greens significantly alter the hole's putting surface, proximity to the tee and the overall length of the hole.

Under the rules of golf, you must post a net par score. The gross score that you post will be determined by your course handicap for that individual hole. Following the above example: if you play a par 4 hole with a temporary green and the course handicap allowance is 1 stroke, the gross score you would post is a 5. If the player would normally receive 2 strokes the gross score posted would be a 6. Again, this adjustment will only apply when there are temporary greens in play during the men's league event.

The league is in the heart of the summer, playing the Skins format and we are having fun, at least most of the time. The chance to win a Skin is always out there even if one is not having such a great round.

The bunker project continues and there are also quite a number of additional maintenance projects in progress, but the course in general is in great shape. The Bermuda grass has filled in and the fairways and greens are looking outstanding. This is a course the folks that leave in the summer always miss but for those of us here, it is great.

If you are new to Sun City and want to either start playing golf or re-start after not being able to play, come join us. The league tees off early on Thursday mornings and the nice part about playing 9 holes is that we are done in two hours.

Solheim Cup Captains Nancy Klucking and Kelli Mannon

The Solheim Cup in April was the last team competition this season.

The Solheim Cup has three different rounds, best ball, alternate shot and individual match play. Best ball is played by two-player teams against the another team. With all four balls in play, the twosome with low score wins the hole. Alternate shot, is played with two players per team alternating shots from tee to hole. Low net score wins the hole and is awarded one point. The final day is very strategic for the captains as they work to arrange pairings for the best possible win. The Hookers were the winners this year.

A celebratory lunch followed this great event. If you are interested in friendly competition and honing your golf skills, contact Joan Mayer, membership chair above.

Sizzling Summer Fun and What's Still to Come

Summer is in full swing, and we've been having a blast with our packed calendar of events and seasonal offerings. From laughs to live tunes, June brought some memorable moments and July promises to keep the good times going.

So far this summer, we've kicked things off with a hilarious Hypnotist/Comedy Show that had everyone in stitches, followed by a crowd-favorite Open Mic Night where local talent truly shined. We've also introduced live music on select Thursdays, adding a perfect soundtrack to warm summer evenings and our popular Wine Try & Buy continues twice a month, giving guests a chance to sip, sample, and stock up on their new favorites.

Father's Day was a heartfelt hit, as we honored dads with more than just BBQ; we served up great food and thoughtful extras that made the day one to remember.

Looking ahead, July is bringing even more fun your way. We're starting the month with a Paint & Sip event where you can unleash your creativity with a brush in one hand and your favorite beverage in the other. And that's just the beginning. Keep your eyes out for more summer happenings soon to be announced.

While you're here, make sure to check out some fresh updates to both the summer menu and the Happy Hour menu, featuring seasonal flavors, returning favorites, and something new for every palate.

Happy Hour is the perfect time to unwind:

- Sunday–Thursday: 12 pm to close
- Friday & Saturday: 6–8 pm

Whether you're stopping by for a drink, a bite, or to join the fun, we can't wait to see you this summer.

The Sun City Community Foundation (SCCF) enhances the quality of life for residents and the surrounding community. Thanks to the generosity of our residents the foundation has awarded more than \$1 million to over 120 Sun City clubs and activities. In addition, SCCF has sponsored paper shredding day, the electronic device recycle project and Dispose-A-Med. Donations of cash, checks, credit cards, securities or estate gifts are appreciated. All donations are tax deductible as SCCF is a 501(3)(c) non-profit organization composed of nine Sun City volunteers. The foundation is separate from the Sun City Homeowners Association.

Recently, the Board approved grants to the Tennis Club and the Nature Club.

Bob Arms

The Clay Club has many generous members who offer their time and talent. This month we introduce Bob Arms, one of those individuals. Bob, a full-time resident, has created wheel projects since 2011. One outreach Bob offers is to create a funeral urn at no cost to anyone who requests one. Additionally, Bob does one-on-one training sessions for individuals who want to learn to use the potter's wheel. Individual training works best, as Bob can work with nuances that are unique to each person's development. As throwing on the wheel differs from hand building, a learner need not start with hand building. Bob emphasizes that learning to trim and being persistent are essential to success. He recommends scheduling two hours for the first session. Contact Bob at 907-230-0287.

The Sculpture Club meets on Mondays in CV/Art Studio. Anyone interested in becoming a member or learning more about our club should stop by Monday morning or contact Dale Foster. Our sculpture pieces are in the glass case and art room window inside Catalina

Vista, a showcase outside of the library and inside the library.

The picture is "The Royals" a project recently completed by Christine Takerian. These fantasy animals are the "Cat-ess", "Raven-knight" and "Frog Prince". You can see in the picture, the Cat-ess is bringing a fresh caught fish and Raven-knight is bringing a bejeweled heart pendant as a token of their loyalty to the Prince. Christine used artificial intelligence as an inspiration for creating these characters. She is known in the Sculpture Club for using mixed media in creating her sculptures. If you are interested in creating whimsical characters, come into the Sculpture Club and talk with Christine.

Veterans Quilts Going to Veterans Home Tucson

Take a look at the patriotic quilts hanging in the AFC this month. Lesley Monroe, a quilter and Casa member, started a project that got the ball rolling. Read what she has to share.

It all started with Lesley making one patriotic quilt out of pieces in the Casa cabinet. "I took it down to the Veteran's hospital and the man I gave it to was so happy, he really appreciated it. Then I started piecing together fabric to create quilts for Veterans. Casa supported the project, which encouraged other members to get involved. SCOV Veteran's club

supported it and decided to hang patriotic quilts for 4th of July in the Activity Center. For Veteran's Day the quilts are hung in Catalina Vista."

We continue to make the quilts from donated and purchased materials, giving them to Veterans living in Tucson.

The photo depicts a recently completed project by Sue Joyce. Sue designed this wall hanging and selected wool colors to give the special effects. Sue started with drawing the picture on paper then transferred the image to base material "rug warp". Sue used cut wool strips to hook the wall hanging. If you notice in the high mountains the colors have some variations. This is because she used wool that had color variations in the pattern. In the cactus, the color difference is due to her using different colors of wool to obtain the desired result.

A patriotic quilt by Sherie Jones

We continue to meet informally at Desert Oasis through August; coordinate with Linda George to provide a demonstration, otherwise bring your own project. No summer classes are scheduled in the Sewing Room.

A pattern and fabric were selected for next year's Opportunity Quilt. Several members are hard at work cutting and piecing the blocks. We hope to finish it later this fall so it can be viewed

by all. Tickets will be available for an opportunity to win the quilt at our Annual Quilt Show in March.

Now is the time to design and make a quilt of any size to enter in our "Seasons" quilt challenge. Seasons could be seasons of the year, seasons of our life, sports seasons, growing seasons, and so on. Challenge yourselves. They will be displayed and voted on in November.

Enjoy our quilts that are on display this month in the Activity Center.

Silversmith and Lapidary

Pres. Ric Raynor 520-528-1060 Raynorrr@gmail.com
Summer shop hours: Mon.-Fri., 9 am-Noon

The Silversmith and Lapidary Club is keeping busy this summer. This group of casting enthusiasts just finished creating some unique silver pieces. Casting silver is the art of taking bits and pieces of scrap silver from other projects, melting the silver, and pouring it into molds to create a beautiful new object. That was the short story, there are many more steps to achieve the end product.

Stop by the Silversmith studio on weekday mornings during the summer (front row) Kathy Fosmoe, Garymer to check out the display window Jones, (back row) Joe Harris, Ric Jones. If you see something you're interested in, just come in and ask one of our members about it.

Come in, cool off, and see what we're about. Our talented members make glass pieces that are on display in our Artisan Center windows, in the Activity Center and in our Gift Shop. The hobby of stained and fused glass making offers a creative outlet and a sense of accomplishment as artists see their designs come to life. It can also be a way to unwind and relax as the process requires focus and attention to detail. Whether creating

pieces for personal enjoyment or to give as gifts, stained and fused glass making is a hobby that can bring joy and satisfaction to those who pursue it. Visit our website for more details. (The photo was taken at one of our summer classes.)

With members away for the summer, the time is right for some routine machine maintenance. During this time the shop will remain open and we will strive to ensure access to the machines by limiting down times. For members, use the shop as you would normally and for non-members, please feel free to take a tour or join our club.

In July, we will highlight the art of furniture making. This month's offering is from our club treasurer, John McCoy. I have been watching John create beautiful furniture since I joined the shop four years ago. John designs and creates furniture for his home and the homes of his extended family. Furniture making is a rewarding skill and there are many detailed plans available in books for purchasing online or from your local wood supply store. Or, like John, design it yourself.

Due to its dark skies, desert air and high mountain peaks, Arizona has been a center for astronomy and space exploration for decades. It is here that 10% of the world's largest telescopes are concentrated; here where gigantic telescope mirrors are made at the University of Arizona's Mirror Lab. We are a state with a large, astronomy-interested tourist market and a destination of choice for national and international travelers. Northern Arizona hosts the famous Lowell Observatory and Meteor Crater, and Southern Arizona has many special destinations as well, all of which offer scheduled tours for visitors. Check them out.

Second Sun., 2:30-4 pm, DO/Ocotillo

We are folks who like to read year round, so we meet year round as well. Our club has no dues, and we are always open to new members. Our model is pretty simple. Every member gets about five minutes to review a book. It might be one they recently finished, or are perhaps still reading. Occasionally, we might share a book that we read long ago, but still feel compelled to talk about. We read all genres, and you are guaranteed to be inspired to add to your "books to read" list. Come join us. We meet on the second Sunday of every month. Email Tammy Barnett with any questions.

Poets Corner

Sharyn Rafieyan, 520-825-6762, srafieyan@comcast.net, 1281 E. Clearwind Pl., Monday, 10 am - 12 noon, zoom, no website

Club member Alice Hutchison shares her growing awareness of changes due to aging with specific and descriptive examples in "Drying Out."

I reach for my cane
to launch myself out of the chair

I count carbs and grams of sugar
in my decadent nightly cookies

I dread the frenzy of a drive
into the big confusing city

I wear greys and browns
In place of reds and oranges

I identify with the desert's desiccated plants
shriveling up under their tight skin

their hope is for a precious rain
mine
is for precious time

The poem also reminds us how the sun affects desert plants as well as human skin. Should we pity the plants without hats and gobs of sunscreen? Mind the heat and stay cool without leaving home to join us.

We'll be meeting every other Monday for the next few months via Zoom.

Conscious Aging

Pres. Phyllis Burks 520-245-2785
SCOVConsciousAging@gmail.com
 Wed., 9-10:30 am, AC/Navajo

Conscious aging is about the inner work of reorienting ourselves as we turn from our roles we assumed while managing careers and tending families, to turning inward and cultivating a deeper awareness of who we are now. Our goal is to discover how to face the known and unknown challenges of aging. With the help of our community, we are pondering the questions: Who am I? What are my values? What do I believe? What matters most to me?

This inner work is supported by mindful movement such as qigong, guided meditation and book study that draws from psychology, sociology, metaphysics, philosophy and meditation. Conscious aging is about accepting who we are now. Our meetings consist of a short period of easy mindful movement, followed by guided meditation and discussion. Please contact Phyllis for information or email the club.

Members of the Prepare and Share Club enjoy getting to know some of their SCOV neighbors and friends who enjoy cooking and eating interesting food. Themed dinners take place in small groups in members' homes from December through March. Since everyone brings part of the meal, it is not a huge effort for the hosts. April through November, several events for summer residents take place. So far this summer, the club has hosted a mid-morning brunch and an ice cream social. Our club is also hosting a "Burger Bash" this month. If you want more information about our club or how to join, check out the club's website or contact our president, Debbie Winger.

Kactus Kickers will take a pause and not hold a country western dance this July.

Dancers can continue to practice their two-step moves using the online demonstrations and refer to the YouTube videos at Kactus Kickers SCOV for review of partner patterns.

If you are interested in learning this fun and easy style of partner dance, watch for posted information or get your name on our contact list at kkscoov@gmail.com. Low cost, small group beginner and intermediate lessons are offered at various times throughout the year. Dances are held nearly monthly in the Auditorium with live bands on stage.

Exercise

Aqua Tone

Irmel Wheeler 520-334-0957 irmel5596@gmail.com
Tue., Thu., Sat., 9 am, AFC/Pool

Aqua Tone is a toning water workout that incorporates a variety of rhythmic body movements. This aquatic exercise class enhances cardiovascular fitness and muscular endurance.

There is no fee to join this club or the class. The teachers are club member volunteers. Participants should be able to do a basic swim stroke. Items used in the class are buoys, boards, noodles and a fitness band. Most of these items are available at the pool. We assign an experienced member to a newcomer to help learn the various movements. We enjoy a great workout in a fun class.

Arthritis Water

Pres. Norma Waters normawaters1@hotmail.com
Vice Pres. Andrea Houston ahoust2@lsu.edu
Mon., Wed., Fri., 10 am AFC/Pool

Beat the heat while getting healthy exercise. Our meeting time is 10 am. Join us Mondays, Wednesdays and Fridays. The Arthritis Foundation recommends meeting when the air temperature is 77 degrees or warmer.

Our club performs gentle exercises which target all mus-

cles. They are used by several health organizations to increase strength and balance, mobility and flexibility. Exercise is helpful in managing arthritis, fibromyalgia, replaced joints, etc. Some new members have expressed surprise at how quickly the first sessions had already increased their abilities to move. Others comment on improved stamina.

New members are always welcome. Our members are fun, accepting and welcoming. We frequently hear "I came for the exercises and love all the friends I have made."

Your first class is free. Yearly dues are \$5 pp. There is no fee per class. Hope to see you there.

Energetic Exercise

Pres. Peggy Smith 520-400-8659 pdsaz@aol.com
Mon., Wed., Fri., 8-9 am, Auditorium

Shake it up Baby

Would you like to attend an exercise class that is not only geared to strengthen muscles and bones, but one that keeps your heart pumping to fun music led by a really energetic Instructor? If so, come join us. Experience a super friendly group of men and women and start on the

road to more energy and a healthy cardio system. Sally, our amazing instructor, finds many fun and interesting ways to make the class work for each person. We have a 90-year-old woman that looks and acts 20 years younger, in part thanks to Sally.

Grab your sneakers, dress comfortably and prepare to move your feet, build muscle and get your heart pumping all that good blood through your body. Cost \$3/year. Members need a 12-class punch card for \$30.

Pilates

Mary Ayers 520-638-7916 scov.pilates@gmail.com
Mon., 3 pm, Thu., 1:30 pm, AFC 1/2

Summer is here and both the Monday and Thursday classes are smaller and more personal, making it a great time to try out Pilates. First, we do stretching exercises to warm up, and then perform the Pilates mat routine, modifying some of the moves for those with limitations. People ask "can the benefits of Pilates, which come from strengthening and stretching exercises, really develop the body's core (your abdomen and back muscles), make you stronger overall, increase spine mobility and build flexibility?" The answer is a firm "yes." Additional benefits include improved balance, muscle tone, stamina and a feeling of well-being. The cost is \$8/class and annual club dues are \$20 pp. Please join us or just stop by and watch. Call Mary.

Birders

Peggy Smith 520-400-8659 pdsaz@aol.com
www.scovbirding.wixsite.com/birdersgroup

Steve Homes photo of the Elegant Trogon

For most songbirds (passerines), birding is best in the spring during the early morning hours. The main reason for this is that most birds are very vocal as they start looking for mates and preparing to nest. Also, in many areas, the trees have not fully matured, making birds easier to spot. As the weather warms, our club goes birding at higher elevations, and in the winter, we concentrate on waterbirds as many species migrate south to escape the colder weather (like snowbirds here in SCOV). Summer is not a great time

to bird here because of the heat and many species tend to be quiet and harder to find.

The Birders Group is an informal club of 140+ mainly focused on field trips through the cooler months. We are now in our summer hiatus but will resume our trips in the fall. For more information, contact Peggy Smith.

Mon., Wed., Fri., 7-9:30 am, AFC/Racquetball Court

The snowbirds are gone, but the games go on. We welcome experienced and novice players, men and women. If you have ever played in the past and want to get reacquainted with the sport, or if it's something you'd like to try, come join us. Court times are Monday, Wednesday, Friday, 7-9:30 am. It's a great way to get good exercise and stay out of the heat.

Spare rackets are in the storage room; we supply the balls. Just be sure to bring safety goggles. Want to just practice to see if it's for you? Come around 9 am; one of us will be glad to stick around. If interested in joining, contact any of our officers. Because our membership is relatively small, we enjoy great camaraderie.

Thu., Play 4:30-8 pm
Sat., Club members 9-10:30 am; All play 10:30-noon
Sun., All play 1-3 pm. All play is at Catalina Vista

We are often asked how does Table Tennis differ from Ping-Pong? The short answer is that there is almost no difference although Table

Tennis has more formal rules and the scoring is a bit different. So, if you played as a youth or are shy, come and renew your skills at Catalina Vista. While there are many benefits to being a member (\$5 a year), it is not necessary to join if you have someone to play with. Just come over after the first hour and a half of the times listed and be sure to wear proper footwear (tennis shoes are best).

"Brenda sold a rental for us a few years back so when it came time for us to sell our home Ms. O'Brien was our obvious choice. As our agent she provided above and beyond professional advice and service. She kept us informed on all actions providing recommendations and common sense throughout the process. We were so confident in her ability we recommended Brenda to our son during nearly the same time period. She sold his as well in record time. Brenda is a seasoned professional and we highly recommend her as your agent."
