Sun City Oro Valley would like to welcome you to the community. You'll soon discover that living here is more than a lifestyle.

SCOV is a comfortable community of ideal size. There are 2,488 homes. More than 60% of our residents live here year round. Most people cite the community's well-kept appearance, strong financial position and the large number of activities available as their reasons for moving here.

Sun City Oro Valley is located in the town of Oro Valley and sits on a 1,000-acre site with 36% of the space allocated to common area. A 6,715 yard par 72 golf course with nearby Catalina mountains are the focal points. This handbook was created to help you become more familiar with SCOV. We will cover a wide range of topics within the pages of this handbook.

Should you have any questions or concerns, please ask our friendly staff. The Administration Office is located at the Welcome Center and is open Monday-Friday, 7:30 AM – 4:30 PM. Please stop by and say "Hi" or call 520-825-3711.
