Association News

From The Board of Directors

Our MISSION as the SCOV Board is to lead in maintaining and enhancing the quality of life in Sun City Oro Valley as an active adult community.

All Board minutes, agendas and reports are available online and in the SCOV Library. Board meetings are open to residents.

What's Stopping You

by Richard Babin

Day to day operations in Sun City Oro Valley are run by a talented and dedicated staff, but staff work alone is not enough to sustain the community and maintain the high quality of life we have come to expect. Volunteers are essential for the operation of the community. At present about 185 people serve on the Board, a committee, or a special purpose task force. A comparable number volunteer on an as needed basis, e.g., Ambassadors, community directory delivery, Posse, Consumer Referral, and audio/visual operators to name just a few.

Even with these numbers there is agreement that we could do a better job of recruiting volunteers. It turns out that many homeowner associations experience a large degree of apathy when it comes to volunteering. While this is understandable at some level, there are certainly many interested and talented members here in SCOV who could and would participate if circumstances were right. The challenge is to create conditions which make it easy to volunteer.

It is incumbent on the Board to take the lead in cultivating volunteers. It is clear to me that more could be done in this regard. Board and current committee members must encourage anyone who expresses an interest in serving. We must demystify what is required to serve. While having special training, talent, or experience can be a bonus, it isn't always required. We should encourage those who simply want to serve because they have the time and interest.

We need to recognize that recruiting volunteers is an ongoing activity, not limited to a small portion of the year. In particular, a special effort should be made to invite new residents to participate soon after they arrive. Personal contact with new residents is essential. The mechanism for making this type of contact could certainly be enhanced.

New approaches to volunteer recruitment are needed. One way to begin is to ask the question, what's stopping you from volunteering? If you have thought about volunteering but not done so, I'd like to hear from you. Please email or call. richard.babin@gmail.com or 989-3321.

Governing Document Amendments

A huge effort to review, organize and amend the Association's governing documents so that they comply with State law, do not conflict with each other and are more easily understood is underway by the Governing Documents Review committee. This process began approximately a year ago and will likely continue for another year.

The first step the committee took in this process was to determine which document should be reviewed first. Logically, the committee decided that the best course of action would be to begin with the document that is at the top of the hierarchy which is the Articles of Incorporation. This document has been fully vetted with the assistance of the Association's attorney.

The end result is that the committee is recommending two amendments. If approved by the membership in March 2015, one of these amendments will change the corporate name to Sun City Oro Valley so that the corporate name and the DBA (doing business as) name that the Board established a couple of years ago will be the same. The purpose of the other amendment is to establish a minimum number of Board members (5) that will serve on the Board of Directors.

Both of these proposed amendments will be explained, and additional information will be provided at a membership forum that will be held on Tuesday, February 3, 1 PM. in the Auditorium. This is a very important meeting that you are urged to attend.

At this time, the committee is working on the CC&Rs and Bylaws which will take several months. The committee plans to present the proposed changes to these documents to the membership early in 2016 for a vote in March 2016.

Heroes Among Us Nominations Sought

The Board of Directors is requesting residents to submit candidates for the "Heroes Among Us" award. This award is designed to honor residents who make remarkable contributions to our community. Nominations should be submitted by January 16 by filling out a hard copy of the form available in the Administration Office, or by completing the form sent out via email in early January. The Board will review the nominees and select the recipient(s). The award will be presented at the Sun City Oro Valley Annual Meeting in March.

It's More Than Living... It's A Lifestyle... in Sun City Oro Valley

Saddle Up and Join The Posse!

by Barbara Ross

Have you ever wondered why Sun City Oro Valley is one of the safest places to live in Arizona? Our Posse is a major reason, and you could be, too, by volunteering just ten hours a year.

The Posse is a volunteer Neighborhood Patrol dedicated to the safety and security of SCOV residents and their property. It is composed of five teams or squads, each squad responsible for one week of nightly patrols every five weeks. The goal is to have two Posse members patrol SCOV every night from 9 PM until midnight throughout the year in each of the Posse's sedan and truck. Posse chair Bob Hefner reports that there are currently about 430 Posse members, but there have been 700 members in the past. The Posse is looking for additional volunteers, both full-time and seasonal residents, to cover all the shifts.

Hefner describes the purpose of the Posse as "providing preventative action against crime." He outlines the tasks of the Posse while on patrol as:

1. Cruise the community in clearly marked vehicles as a crime deterring presence in SCOV.
2. Alert residents to garage doors left open which can attract wildlife and criminals.
3. Record license plate numbers of vehicles parked on SCOV streets at night.
4. Try to determine why a flashing light is on at an individual residence.
5. Be alert for anything suspicious, curious or dangerous.
6. Do not leave the vehicle, but request assistance from the Oro Valley Police Department as needed.

Marian and Ralph Horsley joined the Posse 18 years ago when they were new to Sun City. Marian said "We wanted to get acquainted, give back and serve their new community. We've met many great people through the Posse. It's been rewarding."

Today, Marian Horsley is co-leader of Squad A. She explains that it is not difficult to serve on the Posse. Each volunteer is asked to commit to at least three patrols per year, which equals about nine to ten hours, but there are "frequent flyers" who go out five or more times per year. Some members have gone out ten times in the past year.

A night's patrol involves touring the entire community twice in a random drive of approximately 32 miles. Horsley suggests that you can play the radio or CDs to stay alert. Each of the five squads sets its own schedule using emails and phone calls to its team. Team members indicate the nights that they are available to patrol and seasonal residents indicate when they are in town. Confirmations are sent out

and the squad's seven-night schedule is posted the Monday morning of their designated week.

After buying their Sun City home in December 2005, George and Mildred Puffett's insurance agent told them there would be a break in their cost of fire insurance because of the Posse. A new neighbor was an aggressive recruiter, so the Puffetts volunteered three months after moving here.

Today George Puffett is co-leader of Squad D. Puffett said, "The Posse is mainly a surveillance and prevention unit. You keep your eyes open for anything suspicious. Emergencies do happen and we can be there to help. It may not be the most exciting three hours, but it is a good and safe way to give back and serve the community."

Hefner reports that the SCOV Posse and Oro Valley Police Department have a very strong partnership, a partnership in prevention. SCOV has the lowest crime rate in the Town of Oro Valley, which has one of the lowest crime rates in the state of Arizona. OVPD Chief Daniel Sharp supports community policing, has reportedly described the Posse as a "neighborhood watch on steroids" and credits our Posse with a significant contribution in reducing the crime rate in SCOV. Representatives of the OVPD attend each Posse board meeting and provide valuable updates and suggestions for better patrols.

If you are willing to commit at least ten hours of service per year toward crime prevention in SCOV, consider volunteering to become a member of the Posse. You won't need a horse because you will be in one of the Posse's two marked vehicles. You won't even need to wear your cowboy hat because all Posse members receive an official Posse baseball cap or visor and badge. Call Bob Hefner at 825-4825 for more information about volunteering to serve.

Architectural Review

Chair Sandy Lawyer 847-826-2640 selawyer@gmail.com
Second and Fourth Tuesday, 1 PM, WCI

As per the ARC Charter we review our house paint colors every five years and make recommendations for change to keep our community current. This past fall, a Paint Sub-Committee was organized to do just that. The sub-committee will be presenting its recommendations for Board approval in February. The question being asked is once the color selections have been approved, do houses have to be painted these colors? These will be the colors that homeowners will choose from when their house needs to be painted or when they choose to repaint their house. Homeowners are NOT required to paint their house because new colors have been selected. The only paint color requirements that have an implementation date is wrought iron fencing being painted Weathered Brown by January 1, 2016. If you haven't voted on your favorites, please do so, time is running out.

Rose Young

Juliet Williams

Rose works with copper, brass and German silver as her starting point. She makes earrings, bracelets and necklaces incorporating metal, glass, found treasures, rustic beads, gems, stones and disassembled vintage pieces. Metal finishes may be etched or weathered before being riveted, hammered and soldered into statement jewelry that is fun and funky.

Juliet has been creating stained glass for over 13 years. A small piece can take up to eight hours to complete. First, the glass pieces have to fit a pattern exactly. The pieces are foiled and lead solder is melted along the seams to hold the glass together. More recently, Juliet has been learning the art of fusing glass. She feels that she can be more creative with this medium.

Government Affairs

Chair Debra Arrett 825-5703 debra@myfastmail.com

Second Wednesday, 3:30 PM, WCI

Pima County Administrator Chuck Huckleberry will be the featured speaker at our forum on Friday, January 30, 2 PM, Auditorium. We have asked Mr. Huckleberry to explain how our property taxes are used, the Bicycle Loop, county roads, Interstate 11 and any other issues in the news at that time. There should be time to take questions from the audience.

Governing Documents Review Committee

The committee will present a forum about the proposed changes to our Articles of Incorporation. Approval by community vote will be required February 3, 1 PM, Auditorium.

The presentation will explain the proposed changes and the rationale for them:

- Why the Articles of Incorporation need to be amended?
- What process was used by the Committee to review the Articles of Incorporation?

There will be ample time for questions. The committee asks you to vote in favor of the amendment in the next voting cycle, March 2015.

Reservation line Monday, Wednesday and Friday only, 8-9 AM, 917-8052

Meetings Third Thursday, 3 PM, WCI

The Loan Room is operated by the Community Assistance Committee and is a free service to SCOV residents. It is funded by recycling of aluminum cans throughout our community and the annual pancake breakfast held in January.

The Loan Room provides rollaways beds, cots for children, tables and chairs, car seats and some children's toys. We also loan medical equipment such as walkers, wheelchairs, toilet risers, shower seats, etc. We are open 8-9 AM, Tuesdays and Thursdays throughout the year. Reservations can be made at the Loan Room, November-April, or by telephone on Monday, Wednesday and Friday, 8-9 AM only.

Note: You must be able to transport your borrowed items from the Loan Room to your vehicle. If you need additional help, you should make arrangements for that help. The Loan Room personnel/volunteers cannot assist you. You are responsible for transporting the borrowed items.

Aluminum can donations: deposit empty, rinsed aluminum cans in the box outside the Activity Center kitchen. For safety reasons, do not deposit unrinsed cans which can attract bees. We need to make sure all new residents are aware of our recycling program, which provides cash for purchasing new equipment. Please, if you have new neighbors, let them know about this program.

On December 2, a 600-pound load of aluminum cans was delivered to the recycle center. We received \$354, making our fiscal YTD total for three trips, 1,800 pounds, and \$1,062 has been raised so far.

We Begin Anew

As we begin this new year living in our beautiful community, and you have not already made a New Year's Resolution, it is not too late to do so. How about making a resolution to take pride and care of ourselves, our homes, and our property where we live. Most of us have already done that, but just think how wonderful our community would look if we all did it.

Our committee members have certainly enjoyed seeing the beautiful holiday decorations throughout the community over the past few weeks. As a friendly reminder though, seasonal decorations should be removed by January 15. We appreciate all residents who continually take pride in the appearance of their property, and we are most pleased with how beautiful our community is looking to usher in the new year. As we begin 2015, we wish each and every one of you a happy, healthy and prosperous year.

Nominating Committee

The Nominating Committee presents the slate for the 2015 March election for the Board of Directors to fill three open seats as follows: Ric Raynor, Lauren Strassburg, Steve Taillie and George Williams.

Any member in good standing may still become a nominee, provided that prior to Sunday, January 11, the following items are submitted to the SCVCAI Administration Office: a petition, on a form provided by SCOV, to the Chairman of the Nominating Committee with signatures of 50 voting members in good standing (one signature per lot owned), written certification of eligibility from General Manager, Bob Mariani and a résumé on a form available at the Administration Office.

Administration Department Update

At the end of January our long-time secretary, receptionist and go-to-girl, Norma Meyers, will be retiring. Working for Sun City Oro Valley for over 28 years she has served our community through many changes. As she embarks on this

next change, into retirement, we celebrate the opportunity for her to enjoy the many amenities in SCOV.

In the Administration department, located in the Welcome Center, we offer you many services, one of which is new. You may now pay for many of the items sold from the front office with your credit card. We hope this new method of payment provides an additional convenience to you.

Want to watch the latest DVD or read a new release? Come visit the library. It's one of SCOV's most used amenities. While you're at it, please consider following the library's blog. You'll find out about the new releases and other insider news. Did you know the library hosted famed Tucson artist Diana Madaras? People reading the blog knew and you can too.

Please consider taking a tour if you are fairly new to SCOV. There is so much that you will learn about this community. It's a resident-lead tour; you're not sold anything other than how great it is to live in SCOV. This is a valuable service for renters as well. If you are a renter or rent your home, please consider taking a tour. The Administration Office is where your renters may pick up their activity cards. Also, there is a renter's packet available. If you haven't stopped by the office to pick one up, please do so.

If you want to do some work on the outside of your home, please check the Development Standards and file the appropriate applications with the Community Services Coordinator (CSC). The CSC works closely with the Architectural Review Committee to assist you with your projects. They can answer questions about the governing documents that will help your project move smoothly through the submittal process.

The *Tipster* continues to be an excellent source of information and communication in SCOV. Not only does it provide information for our residents, but it's also a fabulous marketing tool for our potential residents. They ooh and ahh over the beautiful covers and all those activities!

The SCOV website is being refreshed. A team of residents and staff are working with a company to create a new website. It will offer more information on the Members Only section of the website and will be easier to navigate. A launch is anticipated in the first quarter of 2015.

Our goal is to provide great service to you. We want to be actively engaged in serving and listening to you, making your day as we assist you, have fun and make your interaction with our staff a positive experience. SCOV is a fantastic community in which to live and work.

Why We Do What We Do

After the first show using the new chairs in the Auditorium I received many compliments about how comfortable the chairs are. You have to remember our Auditorium is not a theater it is a multi-purpose facility. Monitors are always putting chairs up and down for events, dances, exercise classes and presentations. The old chairs were stained and hard to keep clean and they were scheduled for replacement on asset reserve. I did research

from many communities in Arizona and out of state. The chairs we purchased were highly used in other communities with great satisfaction.

The new patio furniture for the Kiva and Tennis Patios was selected for high use, residents lifting them, moving them and withstanding direct sunlight and heat. The Kiva Patio feels like an oven in the summer due to two brick walls radiating more heat than in other areas. The furniture selected is the same furniture at the AFC pool. The chairs do not have slats but are woven for comfort. Having the same type of furniture allows us to move the furniture to other areas in the community if needed and all the furniture will match.

When making any purchases for the community, sometimes committees help make decisions, such as the AFC committee picking the color of the furniture at the pool. All purchase decisions are not made without proper research and study and must be able to be replaced only when the item comes up on asset reserve and is needed.

Recreation and Fitness - Lonnie Davis

Tips for Staying Active for Life

The more you exercise, the more you will reap the benefits, so it's important to stay motivated when life's challenges get in the way.

- Keep a log. Writing down your activities in an exercise journal not only holds you accountable, but also is a reminder of your accomplishments.
- Stay inspired. Reading health magazines or watching sports shows can help remind you how great it feels to take care of your body.
- Get support. It's easier to keep going with support. Consider taking a class or exercising with your spouse or a buddy.
- Exercise safely. Nothing derails an exercise plan like an injury. Use common sense and don't exercise if you are ill. Wear brightly colored clothing to be visible on the roads. When the weather brings slippery conditions, walk at a mall indoors to prevent falling.

Happy New Year. I hope everyone had a Merry Christmas and enjoyed spending time with their family and friends.

For those of you who haven't stopped by the Pro Shop, we have a wide variety of merchandise, and if we do not have your size or color, we will be more than happy to special order the merchandise for you. We have a variety of items to choose from: towels, golf shoes and sandals, golf bags, clothing and clubs and much more. Just a reminder that annual golf pass holders will receive 30% off in the Pro Shop and residents will receive 15% off. This excludes balls, clubs and sale items.

Time change: on Wednesday the morning shotguns will start at 8:30 AM unless there is a frost delay. The afternoon shotguns are now scheduled to go out at 1 PM. This is being done so that we can possibly get the afternoon shotgun in before dark.

Remember golfers that the frost delay hotline number is 825-0322.

Walkers and riders please remain on the paths at all times. Should frost be present, you may damage or kill the underlying grass if you walk on it. Thank you.

As everyone knows, we are now open to the public which makes us a semi-private golf course. Please be aware that as new people play our course they may be a little slow as it may be their first time here. Our rangers are aware of this and will help move them along. We advise everyone of our rules, and hand out playing tips to them in the Pro Shop. So, please be patient and courteous to these guests. We try and fill in empty times with these guests as a way to increase our revenue.

Doug and Helen Garren (on right) took first place, Howard and Yvette Schulz (on left) took second place at the Pass Holder's Derby in December.

Superintendent - Michael Kropf

January is usually the month when the cold temperatures have caused the Bermuda grass roughs to reach dormancy and finally turn brown. This brown color really frames the overseeded fairways and greens and emphasizes the dark green color. Also, when the roughs turn brown, they stop hiding many blemishes, like divots that have been filled with mix containing seed, and also stops hiding weeds that grow during the winter months. A whole program has been developed over the years to combat these blemishes and provide a uniform brown to the roughs.

The weed control program begins before overseeding in the middle of September. A pre-emergent chemical is applied to all areas that aren't going to be overseeded. This chemical barrier provides the crisp edges to the fairways and greens and prevents the rogue clumps of grass that would grow in the roughs if untreated. This barrier also helps prevent winter annual broadleaves that germinate during the fall and grow during the winter.

This year a new product is going to be tried to prevent weeds from growing in the roughs. It is supposed to have a longer period of control that lasts up to a year instead of the three months of the old product. This new formula also has some control on weeds that are already growing that were unaffected with the old formula. The biggest benefit of the new formula is that it is supposed to attach tightly to the soil to prevent runoff into the rye grass which is in several areas of the golf course.

The next Hit & Giggles event is scheduled for January 18, 1 PM. This event is held every month until the end of May. So sign up and bring your visiting family and friends to this fun event.

A special thanks goes out to Hugh Madson and his crew of volunteers who donate their time each Tuesday morning to help repair divots in the fairways and on the greens. Please watch for marked areas on the golf course that have either a white circle around them or green stacks. These areas are either wet or the grass has been damaged from too much golf-cart traffic.

On league day, if you see new golf members attempting to locate their playing partners, ask them if you can assist in anyway. Remember we've been in their shoes at one time ourselves.

Norma Meyers at the front desk. Photo by Chris Richard

She starts a half hour early every day so to be ready for residents and suppliers when the doors officially open at 7:30 AM. Norma Meyers, Secretary, Sun City Oro Valley, at your service.

Norma has worked at Sun City since 1986 with Del Webb. Our Sun City was much smaller then, with only three people working in the office. Tammy Howell was a co-worker at the office and decided a publication was needed to keep everyone informed of what was going on here. The name "Tipster" was chosen, because it would be full of tips for the residents. It was originally a single 11" x 17" sheet of paper, printed in the office and folded in half. Norma and others did the pasteup for printing. The day came when the General Manager told Norma "It is yours," meaning ad sales for the new publication. It is a job she still performs. Even in those early days, inserts were placed in the Tipster, and those early issues were delivered by neighborhood representatives.

Did you know there is a legend amongst the staff that the floor in the Welcome Center tilts to the right when you enter and visitors just gravitate to Norma's desk? Like the fellow who came in and asked "Where do I want to go?" Or another who came in and said "I lost my swimming suit." Norma replied, "Well, how did you get home?"

About a year ago, Norma fell and injured her leg. She was off work for a few months, and she found what a well-known and beloved part of the community she was when she counted the number of get-well cards she received: 189!

Now in her eighties, she is looking forward to retiring. She envisions her days filled with exercise classes, playing cards and joining "Emerge!", a center for domestic abuse victims. Norma will be honored for her years of service on January 20, 2-4 PM, Auditorium. Won't you plan on attending and celebrating with her? Because, as she often says, "When the mountains turn pink, it's time for a drink." Hopefully, the mountains will be pink that afternoon.

SCOV Legend Retires: Norma Meyers Retirement Party

Yes, it is true. After 28 years serving our community Norma Meyers is planning on retiring the end of January.

She started with Del Webb in 1986 even before Rancho Vistoso Blvd. existed. Norma has helped literally thousands of residents by answering questions, issuing our community cards and selling tickets to events. She always has a friendly greeting, dry wit and tries to convince people there is the outline of an Indian in a canoe on top of the Catalina Mountains.

Won't you join us as we honor Norma for her years of service and celebrate her pending retirement?

Be thinking of "Norma Memories" that you can share as you wish Norma good luck in her retirement. Special note cards will be provided for you to write your memories down. We will be binding these together as a keepsake for Norma.

IRS Scams

Recently our community has seen a tremendous increase in IRS Scams. Fraudsters are calling people claiming to be the IRS, demanding immediate payment for tax debt and threatening jail time if payment is not received immediately. This is not how the IRS operates. They will first send official mail prior to any phone calls being made.

These calls sound very sophisticated. Do not send money. The more they threaten, the more likely it's a scam. If you have questions about your tax debt, contact the IRS directly. Information provided by Elijah Woodward, Oro Valley Police Department, 229-5085, ewoodward@orovalleyaz.gov.

Would you like to be a part of a support group?

Most sincerely, Julie Balogh and Family

Great Books

Pres. Barbara Gates 825-7645

VP Jeff Amthor 825-4571 scov.great.books@gmail.com

October-May, First and Third Wednesday, 2 PM, Catalina Vista/Mt. Lemmon

All residents are invited to join us as we continue our discussion of *Immigrant Voices: 21st Century Stories*, an anthology of 18 contemporary short stories written by recent immigrants to the United States (ISBN 978-1-939014-65-9). We are now reading the *Being Here* section of the book.

On January 7, Ann Fall will lead a discussion of the story *Wal-Mart Has Plantains* by Sefi Atta. The author was born in 1964 and raised in Lagos, Nigeria and moved to the UK when she was 14 years old. Sixteen years later she moved to the United States, received an MFA degree from Antioch University in Los Angeles, and now lives in Mississippi. She is a successful novelist and playwright and has received international prizes for her published work.

Mary Marks will then lead discussion of *Fischer vs. Spassky*, by Lara Vapnyar on January 21. Vapnyar emigrated from Russia to Brooklyn in 1994 with her first husband when she was 23 years old (and three months pregnant), with little knowledge of English. She first published a short story in 2002 (in English), and has published many stories and two

novels since then. The story *Fischer vs. Spassky* appeared in *The New Yorker* two years ago. She lives on Staten Island, received a Master's degree from CUNY (City University New York), and teaches creative writing.

No dues during 2014-2015.

SCOV Book Club

Jane Fairchild 520-909-5069 janemail1@yahoo.com

First Monday, 1:30 PM, Catalina Vista/Pusch Ridge

At our January meeting we will discuss *Wild*, by Cheryl Strayed. At 22, Cheryl Strayed thought she had lost everything including her mother and her husband. With no experience or training, driven only by blind will, she would hike more than a thousand miles of the Pacific Crest Trail from the Mojave Desert through California and Oregon to Washington State, and she would do it alone. Told with suspense and style, *Wild* powerfully captures the terrors and pleasures of one young woman forging ahead against all odds on a journey that maddened, strengthened and ultimately healed her.

At our February meeting we will discuss *Orphan Train* by Christina Baker Kline. Penobscot Indian Molly Ayer, is close to aging out of the foster care system. A community service position helping an elderly woman clean out her home is the only thing keeping Molly out of juvie and worse. As she helps Vivian sort through her possessions and memories, Molly learns that she and Vivian aren't as different as they seem to be. A young Irish immigrant orphaned in New York City, Vivian was put on a train to the Midwest with hundreds of other children whose destinies would be determined by luck and chance.

New members and guests are always welcome.

Be ready to play at 1:30 PM for our opening rumble.

This club provides a community drum circle for any woman wanting to connect with others through hand drumming using African Djembe drums, hand-held Native American frame drums and other small percussion. Drums and instruments are provided for guests.

Join us to drum, laugh and meet new friends. People worldwide for centuries have used group drumming to energize minds and bodies, strengthen community bonds, release stress and celebrate life.

Saturday, January 17, we will host

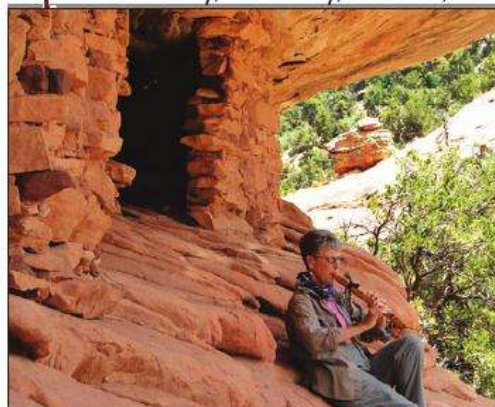

a BYOB Social at the end of our session to welcome in the New Year. The club will provide light snacks and paper goods. Looking forward to seeing old and new friends.

Vistoso Native American Flute Circle

Patty Whitley 971-0860

October-May, First Sunday, 2-3:30 PM, Catalina Vista/Mt. Lemmon

Playing a musical instrument is one way to keep your mind alert. Our club offers the opportunity to learn and play the Native American Flute. There are five basic notes and you do not need to know how to read music.

Flutes are an outlet for creative expression. They are simplistic in construction and easy to learn. Imagine yourself in a slot canyon or ancient ruin allowing your creative energy to magically transform the moment.

Monitor Training Joan Allen 825-4464
October-May, Second Tuesday, 1 PM, Activity Center/Navajo
www.scvgs.org

Now that the Holidays are over, some other issues can come to the top of my to-do list. Maybe you're like me and have been remiss with your searches for the past number of weeks. After all, the research and library rooms are very inviting. Large tables for spreading out my notes (I must sign up with Evernote) and those new books that have shown up in the library, I must take some time to look through them. The best way to accomplish these tasks is to volunteer as a room monitor. It's so easy now with the Sign-Up Genius link in the calendar on our website. Oh, you're not a monitor? Call Joan Allen and she'll tell you about the monitor requirements. You're not there to assist others, everyone will do their own research. You are there to open the room.

The January speaker is Steve Packer from the Mesa Family Library. He will be speaking on *Economics and Immigration; why did our ancestors have to immigrate?*

Gin Rummy

George Riley 818-0877
Monday, 6:30 PM, Desert Oasis/Saguaro
Thursday and Saturday, 9 AM, Desert Oasis/Saguaro

Key Fobs

If you would like a key fob for use with the secure access system, they are available at the Welcome Center Office for \$10. It's not a substitute for your card. The fob will provide you access to the Catalina Vista, Desert Oasis and the AFC. It will not work at the library.

Monday, 3 PM, Thursday, 1:30 PM, AFC/Studio 2

It's a new year and time to commit to a new exercise routine. Why not try out Pilates? Forty years after his death, the system of exercises developed by Joseph Pilates has never been in such high demand. Fortunately, SCOV offers Pilates classes here twice per week. People ask "can the benefits of the Pilates method, which come from the strengthening and stretching exercises we do, really develop the body's core (abdomen and back muscles), increase spine mobility and build flexibility?" The answer is "yes" and additional benefits you'll see from taking our group mat classes will also be better balance, more muscle tone and increased stamina. Not only do we have experienced instructors, the cost is only \$8/class and annual club dues are \$20 pp. Please join us or just stop by and watch. Call Mary.

www.suncityorovalley.com/dubs/woodworkers/index.html

Twelve month locker rental is staying at \$5. Contact Lauren Strassberg 338-2568 to rent one.

Leslie's Movie Review: "Saint Vincent"

I had not heard of the movie and one of my friends had seen it and recommended it to me. I went to see the film with a group of lady friends and we laughed, groaned, felt appalled and teary at various points in the film. Basic story is about a single Mom and her son who move to Brooklyn after her husband has been unfaithful. She is working as a radiation tech in the hospital and frequently has to work long hours. She asks the neighbor, Vincent, a crotchety old man, to babysit her son when he comes home from school until she gets home. The meat of the movie is the relationship that develops between the boy (Oliver) and Vincent; of which the Mom is completely unawares. Bill Murray is wonderful as usual. Melissa McCarthy plays the Mom, a role where she uses her fine dramatic skills. Lastly, the boy, Oliver is played by Jaeden Lieberher, a young actor who is able to hold his own against Bill Murray. He is never too cute and you just like him. He is truly sweet. I would go see this again and recommend it for all.
