From The Board of Directors

Our mission as the SCOV Board is to lead in maintaining and enhancing the quality of life in Sun City Oro Valley as an active adult community.

All Board minutes, agendas and reports are available online and in the SCOV Library. Board meetings are open to residents.

Board of Directors

Quality Leadership

by Meade Davis

Honesty, integrity and transparency are all important virtues of effective leadership of our community which includes the Board of Directors, the Administration as well as committees.

Honesty is a virtue implying truthfulness, accuracy and straightforwardness.

Integrity implies a personal choice to hold oneself to truthful, accurate and consistent standards. Integrity demands knowledge and compliance with both the letter and the spirit of the written and unwritten rules.

Transparency implies operating in such a manner that it is easy for others to see what actions are performed and their impact. Transparency implies openness, communication and accountability.

We, as residents of SCOV, can help promote these virtues of leadership. We all should make an extra effort to be informed on community issues. Attending Board and committee meetings and forums is a good start but should be augmented by freely asking questions. We need to voice our opinions at meetings, or by email or by writing letters to the leadership whether it is the Board of Directors, the General Manager or committee chairpersons. We should all fact check and point out any inconsistent statements.

Our ultimate goals should be: 1. to maintain our wonderful amenities in a fiscally responsible manner; 2. to improve our amenities to remain a competitive adult community; and 3. to maintain and improve a smoothly operating community.

Decisions, Decisions, Decisions

In the HOA industry, it is interesting that management's days are filled with decisions. Some small with little consequence and some large with major consequences. Like each of you, with years of experience, some decisions are made easily. And like many of you, although we may have the years of experience, some decisions are more difficult and require study and research.

Managing the Sun City Oro Valley Community is no small task. When I consider resident requests, I also consider the magnitude of making a mistake when deciding one way or another. I always look at what is the worse thing that can happen, how many will be affected, is the benefit worth the risk/cost? Many times I've been told, "Everyone wants this" only to find out that once the decision was made, others that didn't want the same thing were up in arms.

When the Board of Directors considers issues, they are only looking for what is best for SCOV. Those issues also have residents on both sides, and there is no shortage of opinions. The Board of Directors do their best not to bring bias into their decisions but to act in good faith for the benefit of you, the residents.

Sometimes we consult with experts in a particular field or with others who have dealt with the same issues. Other times it may require a legal opinion. Sometimes there is not a right or wrong, and we go directly to the residents and tap into what they say to help with the decision. There are many tools in the handbag of decision-making. We use all of them that we can think of, but at the end of the day, whether a decision is made that you agree with or disagree with, you can know that we are trying our level best to do what is right and what is best for this wonderful community.

My pledge to you is that this year and for the many years to come, I will utilize all the tools in the bag to help SCOV continue to get better and better.

Gardening in the Desert

By Wendy Hughes and Barbara Marshall

An example of an SCOV garden that brings vivid color to the desert environment.

Soon after newcomers arrive in Sun City, they often realize that they know next to nothing about the plants and trees around them, whether in the washes, along the roadsides, or even in their own yards. The desert beauty that was part of the attraction of moving to our community becomes a much bigger part of their lives as they want to learn how to take care of their landscaping or what they can add to enhance it. These are the types of people who join the Sun City Oro Valley Garden Club.

Our members are singles and couples, new residents and even some of the original Sun City "pioneers." The focus of our club is to provide members with information about gardening techniques they can use in the Southwest. Our monthly speakers have expertise on many topics which our members have indicated are of interest to them. So far this year we have learned about how to successfully plant a vegetable garden in our yards, and we've had a speaker who discussed Sun City's approved list of trees, covering which varieties grow best, how big they can get and how much maintenance they will need.

The February meeting will feature a program on euphorbias, beautiful and easy to grow perennial plants that are tough and simple to maintain. In March, the manager of Pima County's Native Plant Nursery is our speaker, and

returning in April is a speaker from the Tucson Cactus and Succulent Society who will update us on their ongoing efforts to save native and endangered plants as developers continue to make room for more housing.

Our meetings are not only educational and informative, but social as well. Many friendships have been made during the social time at the beginning of our meetings or during one of our planned outings to area nurseries. For our December potluck social meeting, members brought their tastiest dishes, as well as canned goods and other donations for the Tri-City Food Bank.

In alternating years, we present a Garden Walk of several homes in Sun City. Our next tour will be in April, 2020. The Garden Walk provides our club with additional funds, giving us the opportunity to donate something to beautify our community. In 2017, we purchased several planters and plants that you can enjoy at The View's Restaurant patio. Ideas for our 2019 contribution are being considered.

The Garden Club meets on the second Tuesday of the month from October through April and our regular updates in the monthly *Tipster* explain what we're up to and provide information about joining us. We welcome you to attend a meeting before you join, to learn from our guest speakers and maybe to make a new friend.

TWISCOV

The exact pronunciation of this acronym is debatable, "twizcov, This Week in SCOV, etc.," but it is clear that TWISCOV (This Week in SCOV) is a valuable source of communication. This is evidenced by the increased readership and announcement submissions, and, as with all things in SCOV, process improvement will enhance this weekly newsletter. For this reason, the website has been updated to include a submission form for TWISCOV announcements. This form may be found at NEWS & INFO > This Week in SCOV > Submit Announcement. The form is set up to consistently deliver the announcements to us in a manner that is clearly recognizable and organized to avoid being lost within the many emails received in our offices. Please start using the new submission process, and don't be surprised if requested to use the new form. Thank you for reading TWISCOV and providing announcements for our community.

Programs/Facilities Director - Pam Sarpalius

Monitors

What if we had no monitors? No other community has monitors. Residents would have to set up their own rooms for clubs, parties, etc. You would make your own coffee/ice water. Nonresidents would have easier access to SCOV facilities—facilities that you pay HOA dues for. No one would clean up around the pools and other areas or dues could be increased to pay for the cleaning company and more maintenance workers to do all the cleaning jobs that the monitors do. In short, SCOV residents would be doing most of the work. I tell you this so that the next time you walk into a room for a club meeting or event, you know that the chairs and tables aren't in place by magic; they are there because a monitor set them up.

What Neighborhood Pride Sees

Have you ever wondered why we have a Neighborhood Pride Committee? How did it come about? What do volunteer members look for? How do they decide when to tour? What is desert broom? Why do I get a notice instead of a more personalized alert about my property, etc., etc.

The Neighborhood Pride Committee was formed many years ago in order to help promote compliance with the governing documents by homeowners and to maintain property and aesthetic values in our community. The committee meets on a monthly basis for training and discussion, and members conduct tours throughout our community in teams of two at the beginning of every month.

Please join us on Thursday, February 20, at 1:30 PM, Auditorium, for a presentation by the Neighborhood Pride Committee.

If you are new to our community or just interested in how you can contribute to the overall beauty and value of our neighborhood, this is an excellent opportunity to familiarize yourself with tried and true tips on keeping your landscaping in tip-top shape. Learn what committee members look for when they tour and how this committee helps to set our

community apart from many others of the same age.

Come listen and learn so that you may better understand the scope of their work.

Our library endcaps this month feature books written by authors who will be presenting at the Tucson Festival of Books March 2-3 on the U of A campus. We have, or will have on the upcoming release date, the latest titles from all the top authors appearing at the festival, including *The Friend* by National Book Award winner Sigrid Nunez, *The Huntress* by Kate Quinn, *Heirs of the Founders* by H. W. Brands, *Desolation Mountain* by William Kent Krueger, *When the Lights Go Out*, by Mary Kubica, *Black Klansman* by Ron Stallworth, *The Line Becomes a River* by local author Francisco Cantu, and so many more. The Friends of the Library is sponsoring a bus trip to the festival on Saturday, March 2. See their article for details.

Many thanks to Charlie Tomlinson of the Woodworking Club, who built spacer/display stands for the audio shelves in the SCOV Library. This has improved the appearance of our audio display and made it easier on the eye when browsing for audio books. Thank you for your hard work. We couldn't be happier.

Balance Exercises You Can Do Anywhere, Anytime

These "anytime, anywhere" exercises will help you improve your balance, and you can do them as often as you like, as long as you have something sturdy nearby to hold on to if you become unsteady. Walk heel-to-toe. Position your heel just in front of the toes of the opposite foot each time you take a step. Your heel and toes should touch or almost touch. Practice standing up and sitting down without using your hands. Stand on one foot. You can do this while waiting in line at the grocery store or while brushing your teeth using the timer on your toothbrush as reminder when to alternate feet.

Special Note From the Aquatic and Fitness Center (AFC)

Orientation on how to use the gym equipment is held every Thursday, 1 PM, so stop in and sign up. Contact Lonnie Davis, AFC Coordinator, to discuss questions or problems with the AFC.

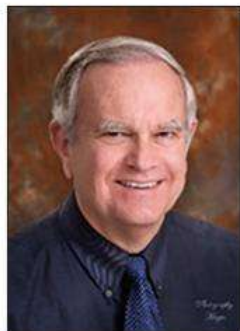

AFC and Desert Oasis: See Hours of Operation on page 2.

Tuesday, February 12, the AFC pool and spa will be closed for cleaning and shock treatment. They will reopen the following morning at the regular time.

Wednesday, February 13, the Desert Oasis pool will be closed for cleaning and shock treatment and reopen the following morning at the regular time.

Board Candidates Answer Questions

See Election Committee article on page 10 for voting information. Information about Candidate Forums on February 11 and 12 can be found in Coming Events on page 14.

Pete Coy

Why do you want to serve as a board member, and what knowledge, skills, and abilities do you have that will contribute to the Board's responsibilities?

1. Giving Back. My wife and I visited friends at SCOV about ten years ago and fell in love with it. We bought here soon after. I find it refreshing that folks are so friendly and welcoming. Now I want to give back by using my experience and education to make SCOV even better.

2. Education & Experience. Over the last 40 years I have served on 8 other non-profit boards of directors, usually as president. I am currently chair of the Marketing Committee and on the Views Task Force. I have multiple college degrees in different subjects and an MBA.

3. Big picture. I have the vision to take SCOV from where we are to where we want to be in the future. There will be no learning curve for me. I know how things work and who the players are.

4. High Energy. My many friends here know that I have loads of energy and enthusiasm that I am ready to apply.

What important goals and issues would you like to help the board achieve?

1. Fiscal Conservancy. I want to keep our dues as low as possible. That means being very efficient with spending and not collecting more money that we absolutely need.

2. Website improvements. I think every club should have their own website right on the SCOV site. I think the website should be more intuitive and easier to use. Our website should also be more market oriented to lure new buyers.

3. Issues. I have attended the forums & GM coffees, listened to the residents and know the current issues. Greens restoration, garbage service, view preservation and HOA dues are hot buttons. My questions are always what it will cost, can we afford it and how will SCOV residents benefit.

4. Fiduciary Responsibility. We need to maintain and/or improve our aging facilities. Each home owner owns about \$10,000 in SCOV assets. The board needs to maintain those assets to retain that value for each owner.

5. Safety. I want to see crossing-signals so folks can safely cross Rancho Vistoso and slow down the thru traffic which often exceeds 35 mph plus add the mile of sidewalks that should have been installed by the developer.

Chris Ludwig

Why do you want to serve as a board member, and what knowledge, skills, and abilities do you have that will contribute to the Board's responsibilities?

I appreciate all the volunteering I have observed on SCOV committees and clubs. A Board position would offer me another way to contribute to our community. I would like to become more involved with all residents

through listening and responding to their questions, ideas, and requests.

I was President of our HOA in Colorado as well as Chair and Secretary of the Architectural Review Committee. Both positions gave me experience working with people of diverse backgrounds, opinions, and objectives. This experience in reaching compromise, when dealing with issues and personalities that don't always agree, would be important in my responsibilities as a Board member. I am actively involved in the SCOV Yoga Club, Computer Club, Seniors for Kids, and Colorado Club. Past experience in business, teaching, and volunteering have helped me become resourceful, practical, and decisive, traits that I feel are important to be a member of the SCOV Board of Directors.

What important goals and issues would you like to help the board achieve?

I would come to this position without an agenda but with a strong desire to learn about issues facing all SCOV residents and to enhance our sense of community through communication between the Board and residents. I would like to see the amenities and environment we have here maintained and to explore opportunities to attract future residents to SCOV.

Jim Mitchell

Why do you want to serve as a board member, and what knowledge, skills, and abilities do you have that will contribute to the Board's responsibilities?

I want to serve on the Board because I want to continue the progress and fiscal responsibility accomplished by recent SCOV Boards and to give back to a community that's been an important part of my life in retirement.

Twila and I bought our first home in SCOV in 2001. After retiring in 2005 and spending seven years as seasonal residents, we moved here full-time in 2012. We considered moving out of SCOV, but quickly recognized the value of friends and amenities here. That's reinforced every time I give an Ambassador tour. Guests typically comment on the friendliness of residents, the variety of clubs and activities and the eye-appeal of our facilities and homes. As a Board member, I'll support those attributes and look for ways to improve them.

I'm currently on the Activity Center Renovation Committee, which has interviewed more than 50 clubs for their input. We have visited similar active adult communities in Phoenix and locally to better understand their facilities, operations and challenges. That experience has given me insights into how we can remain competitive as a premier community.

I served on the Marketing Committee for over three years, the last as chairman. During that time, we created the new SCOV logo and signage, identity manual, renamed building complexes and rooms to be more intuitive and modernized our website.

I served three years on the Golf Rate Committee. I served two years as vice – president and two as president of the Men's 9-Hole Golf Club.

What important goals and issues would you like to help the board achieve?

I'd like to help the Board continue to improve our facilities and maintain financial stability. Important issues coming up include Greens Reconstruction, Activity Center Renovation, how to accommodate growing clubs and support the vision of the Long-Range Planning committee while growing Capital Contributions and Asset Reserves to avoid special assessments. Similar challenges have been met in the recent past with only the AFC requiring an assessment. But when I compare the old "gym" with the new AFC, I know the cost was worth it. Staying responsive to the needs of residents is an on-going challenge that I'm confident I can help meet.

Dan Radke

Why do you want to serve as a board member, and what knowledge, skills, and abilities do you have that will contribute to the Board's responsibilities?

My wife and I have been permanent Sun City residents for nearly 2 years and we love it. My wife still works and is the medical director of La Cholla Country Club Assisted Living. I am a Vietnam veteran, retired lawyer, and

professor; therefore I have the time, background, skills, and interest in becoming a Sun City board member.

In applying these experiences as a potential board member, I pledge to do the following if elected:

1. Establish a system of communication among residents, board members and Sun City staff so that complaints, recommendations, and concerns are openly expressed and appropriately dealt with. This will result in more residents being able to express themselves about these matters.

2. More oversight relating to the potential of increased annual fees, capital contribution fees, and assessments taxed against our residents. Many of our residents are retired and/or on fixed incomes whether from retirement, savings, investments, or government benefits. If elected to the board, I will scrutinize any proposed annual fee increase so that our community residents can continue to affordably live here.

A potential capital contribution fee increase is being con-

templated. If elected to the board, I will endeavor to make sure that any increase in the capital contribution fee of our residents is decided by vote of community wide eligible voters and not simply by a super majority of Sun City's board of directors.

Currently, many community improvements are made by staff members without bids. If elected to the board, I propose that all needed improvements over \$1000 be subjected to a required bid system so that the best bid can be chosen from potential contractors.

What important goals and issues would you like to help the board achieve?

My dealing with SCOV goals and issues relating to them are:

1. Preserve the integrity, beauty, and life style of our community.
2. A strict review of all expenditures and proposed increases in annual fees and capital contribution fees.
3. Full transparency regarding SCOV related affairs and issues, including a more open system of communication among residents, staff, and board members.

Howard Schulz

Why do you want to serve as a board member, and what knowledge, skills and abilities do you have that will contribute to the Board's responsibilities?

Living in SCOV is a blessing to my wife and me. We are full time residents and have lived in SCOV for 10 years. We enjoy the active lifestyle and all the amenities and choices we have. My decision to run for the board is not one

I take lightly. While a board position requires time and commitment, I am ready to give back to a community that has given so much to me.

By way of education, I have a Bachelor Degree in Mineral Engineering and a Masters in Business Administration. I was an engineer for five years before assuming operational and management positions for a large international company. My responsibilities resulted in improved efficiencies and cost savings in many business areas.

I will bring this same cost control mentality to a position on the board. I will investigate and ask the right questions. Moreover, I will listen, be available, and be a voice that represents SCOV homeowners.

What important goals and issues would you like to help the board achieve?

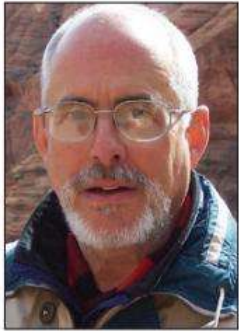

Our board has done a good job. We must continue to execute the guidance contained in the governing documents.

We have a number of important committees working on projects that can support our competitive advantage and keep SCOV evolving. There are also ongoing costs from existing operations. We must be prudent and transparent with our decisions in all these areas. I want to ensure that we examine our results and decisions to learn how we can improve the next time around. In this way, we can offer the best options to our SCOV residents.

If you decide to support me for the board, I will openly listen, communicate and use my skills to keep home-owners dues as low as possible.

Donald Teiser

Why do you want to serve as a board member, and what knowledge, skills and abilities do you have that will contribute to the Board's responsibilities?

My wife and I plan on living here for a very long time. We love SCOV's beauty, friendliness, activities and amenities. I want to help protect and enhance this great community.

I have broad organizational and project management experience, an aptitude for getting things done, a recognition of how much we need each other's help and how much there is to learn.

What important goals and issues would you like to help the board achieve?

I'd like us to:

- find additional sources of income for SCOV without increasing the financial burden on our members;
- continue to refine the process by which we plan, estimate, approve and manage major construction projects;
- add more nature and access to nature in our community in a way that will not cause a financial burden for the members;
- work with Major, new, real estate developments adjacent to or near SCOV, including the Arroyo Grande Projects; and
- aggressively lobby the Town, County and State in order to keep as much undeveloped land as possible adjacent to our community.

Judy Greenberg, 631-974-4375, gfam5@yahoo.com

Nov.-May, Second Tue., 1:30 PM, WC1

www.suncityorovalley.com/members-login/committees/active-health

On Friday, February 15, 1 PM, Auditorium, the Active Health Committee (AHC) is hosting, "How Age and Sleep Affect our Brains and our Memories," presented by Stephen Cowen, Ph.D., assistant professor in the Department of Psychology at the U of A. Dr. Cowen will share how aging impacts the quality of our sleep and the fidelity of our memories. He will describe the hippocampus region of the brain which is very active during sleep, essential for the amazing longevity of our recollections, and changes as we age.

The AHC will be participating in the SCOV Health Fair on Friday, February 22.

Activity Center Renovation

Chair Ed Zwerling ACRC@suncityorovalley.com

First and Third Tue., 10 AM, AC/Hohokam Room

We are in the process of finalizing our first community presentation. As soon as a time and place are established we will notify everyone. This presentation will focus on what the ACRC has done and what conclusions we have come to. We will also discuss the process for moving forward. It is unlikely we will be able to provide any information on cost or what our final design recommendations will be. The ACRC will continue to solicit comments and suggestions at this meeting and at our regularly scheduled meetings on the first and third Tuesday of each month. Please check the SCOV online

calendar for time and place. Our email address is ACRC@SunCityOroValley.com

Aquatic Fitness Center Advisory

Chair Stan Shopa

First Wed., 11:30 AM, WC1

afc@suncityorovalley.com

At our January meeting the committee reviewed a number of customer comment cards including one which stated that half of the jets in the spa are not working. Staff advised that because the jets are linked to a leak under the shower area, they have been shut off. The repair of this leak will require extensive and invasive repairs planned for late spring or early summer.

A report was presented to the committee on current trends and possibilities for future modifications and improvements focused on water resources and their utilization. Options might include a shade over a portion of the AFC pool to increase the number of usable hours, a pool devoted to classes and a water facility designed as a social gathering place.

Finally, it was noted AFC annual usage compared to 2012 increased by more than 40% with 129,759 visits for 2018. The committee commends Lonnie Davis and Ken Sandrock for their good work in managing and maintaining the fitness programs and physical properties of SCOV.

Architectural Review

Lorie Puffett 415-902-1133 lpuffett@gmail.com

Second and Fourth Tue., 2 PM, WC3

If you are planning an exterior home improvement project, please be sure to consult the latest version of the Development Standards (October 23, 2018) for any guidelines that may affect your project. There are many exterior projects that require prior written Architectural Review Committee (ARC) approval to ensure compliance with the SCOV governing documents. These projects include, but are not limited to, room additions, patio covers, window and door replacements, shade screens, walls, fences, gates, landscaping (including any plants that are not on the approved plant list), lighting, shutters, gutters, downspouts, spas and swimming pools. All design, style, color, dimension and material decisions should be made before submitting your project for ARC approval.

Community Directory

Chair Lisa Collins 812-344-4773 scov.community.directory@gmail.com

www.scovaz.com/members/services/directory/

Did you know that the SCOV Community Directory is completely separate from the Administration's HOA database? Here is how the SCOV Community Directory is used.

- Phone book: Includes names, addresses, phones, occupations and hometowns. Omits emails, units and lots. Residents are listed by name, street and hometown. Updated annually.

- Online directory: Located in the nonpublic area of the SCOV website. Includes emails, units, and lots, plus incremental search. Updated monthly.

- Posse: Gets an updated phone list each month. You can be unlisted in the directory but still provide your phone number for just the Posse.

- Party planners: Can request contact information for all listed residents in their unit, state, etc.

New owners are unlisted by default. To be listed, you must complete the online form "To change your directory listing..." or fill out an orange card at the Welcome Center.

Consumer Referral - Vendor List

Susanna Moran vendor@suncityorovalley.com

Here are directions for looking up the Vendor List on the website: Go to scovaz.com > Members > Member Services > Consumer Referral Vendor List > Read More. The Vendor List was formerly the Consumer Referral List.

The Vendor List may be viewed at the monitor desk in the Activity Center during business hours.

Vendors should email Susanna Moran to inquire about applying to be on our Vendor List.

Election

Ballots, Initiatives and Forums

On Tuesday, February 19, a ballot will be either emailed or USPS mailed to homeowners. For emailed ballots, make sure you create a contact for Vote-Now using the email address (elections@vote-now.com) so that when the online ballot is sent, your email provider will recognize the sender and you will receive the email. If you do not receive the email by February 25 call the Administration Office 917-8082 for assistance. If you lose your email or want a paper ballot, the Administration Office can help with that as well.

You will be voting to fill three three-year positions on the Board of Directors. At the time this article was submitted, there were no initiatives approved to send to the membership, but it is anticipated that there will be after the Board meets.

Biographical flyers are inserted into this *Tipster* for each candidate. This is a good tool to get to know the candidates a little better. Bring them to the forums (or use them as you watch the forum videos) as you gather information on the candidates.

Board Candidate Forums will be Monday, February 11, 6 PM, Auditorium, and Tuesday, February 12, 9 AM, Auditorium. These videos will be posted on the website, and you will receive an email with a link for easy access. Mark your calendar now.

Finance-Budget

Chair Sharon Miller muggins48@comcast.net

Fourth Mon., 1:30 PM, WC3

The 2019-2020 SCOV Association budgeting process began in January. The process started with Department managers developing forecasts for operations and capital expenditures. This work is being reviewed by the General Manager and Controller to develop a draft budget. The first draft budget will be presented at the Finance-Budget Committee's meeting Monday, February 25, 1:30 PM. Additions/changes recommended during this meeting are used to develop a second draft, which will be presented and discussed at the committee's special meeting Monday, March 4, 1:30 PM. If a third draft is needed, it will be presented and reviewed at the committee's regularly scheduled meeting, March 25, 1:30 PM. The budget recommended by the committee will be presented to the Board of Directors at its study session, Thursday, April 11. The budget, with any Board changes, will be placed on the Board's agenda for approval during its April 23 meeting.

Committee agendas, minutes and financial reports are posted on the SCOV Members Only website. Please contact Sharon Miller for more information.

Oct.-May, First Fri., 2-3 PM, The Views Terrace

You told us we "knocked it out of the ballpark" during the Grand Re-Opening of The Views Restaurant and the first successful New Year's Eve dinner. The committee is brainstorming ideas to recommend to management for your 2019 enjoyment, like a bingo night in the off-season.

Other items from our agenda have been successfully completed or are close to being done. The permanent bistro lights on the Terrace will be added to the Patio, which, along with more heaters, will increase our seating capacity during winters. Nutritional information sheets will soon be available for those who want to keep track of carbs, calories, fats and sodium contained in our healthy menu items. Wobbly tables/chairs are being refitted with adjustable feet. Help with noise abatement is also being researched. Bandstand amenities like an awning and lights will also be proposed. A process to solicit resident works of art quarterly is being developed.

Left-right: Joyce Simmons, Pat Norton and Bill Norton

Featured artists for the sweetheart month are Joyce Simmons and Pat and Bill Norton. Joyce scours the world looking for special components: Tibetan turquoise discovered in Vienna, jasper, opals, and raku from Mexico as examples. Joyce said, "I observe the 'soul color' of my treasure and create a unique design that will call to the woman who wears it. My jewelry is designed with love and attention. No two pieces are exactly the same."

Bill enjoys woodturning and free-form carving, working with

the wood until he is satisfied he has brought out the beauty of the piece. His goal is to never make the same thing twice.

Pat offers loom-knitted baby cocoons, hats, booty sets and ruffle scarves. Selling her items is new for her, because she has always been a donator. For every cocoon set she sells, she donates a set to Seniors for Kids.

Government Affairs

Chair Laura Dore 520-338-1016 lucylb53@comcast.net
Second Wed., 1 PM, WC1

The Government Affairs Committee is planning to invite politicians or subject matter experts to provide educational forums for SCOV residents. Topics may include water and land usage, utilities, taxes, safety, or other issues impacting the quality of life in our community. Residents who have topics of interest may submit ideas to Laura Dore.

Greens Reconstruction

Chair Howard Schulz schulz2008@outlook.com
See online Board and Committee meetings calendar for dates/times

Thank you to all the residents who participated in the focus groups held in November. We have been answering greens-related questions in Mark Wade's weekly email, and continue in this *Tipster* column.

Q: If nothing is done, how long before the course will no longer attract players?

A: This is difficult to answer with a specific date. Core data indicates that roots do not exist from 4 to 12 inches. Healthy courses typically see feeder roots at these depths. With the salt build-up in this same area, grasses are at risk sooner than later. Some greens are already exhibiting loss of Bermuda grasses. Players are attracted by greens. With continued deterioration, player attraction can be expected to diminish, too.

Q: Can we start by amending the soil or less expensive alternatives?

A: Mike Kropf is using soil amendments available to him, with minimal success. The compacted soils do not allow amendments to adequately work and flush/neutralize contaminants.

Q: How will reduced income during reconstruction be handled?

A: Rick Price is working on a plan to minimize impact, and more will be communicated. The greens construction can start in late April 2020 and be completed in 4-6 weeks allowing time for the grasses/roots to grow and establish prior to monsoon activity.

Q: During reconstruction, could some greens be reshaped to eliminate downslope at the front?

A: Yes, excavated dirt will be placed in some of these areas.

Chair Gay Russell 520-825-5763
Third Thu., 3 PM, WC1; Loan Room hours: Tue., Thu., 8-9 AM
www.suncityorovalley.com/members/services/loan-room/

The Loan Room is located at the end of the Cart Barn and loans items to SCOV residents free of charge. We carry most medical items, some children's items and toys and tables and chairs. We do not carry tools or small kitchen appliances. You may make reservations up to two months in advance of your need, either at the Loan Room or on the website. Please be sure to bring your SCOV card with you when you pick up your items. We cannot use fobs.

Thank you to our many volunteers who worked so hard to make the annual Pancake Breakfast a success and thanks to all who came out to support this fundraiser. The profits

from this annual breakfast support the Loan Room and some other local needs.

The committee is also discussing new marketing ideas to make SCOV more attractive to new buyers. The committee meets Wednesday, February 6, 2 PM, and all residents are welcome.

Neighborhood Pride

Rain Makes it Happen

Our rains in January are mainly the cause of all the unwanted growth in our yards this past month. Putting pre-emergent down in your yard will save you from having so many weeds appear later, and it is well worth the cost and time spent. If you choose not to use pre-emergent, you need your yard maintained monthly during the summer growing season. Even with pre-emergent, yards need to be cared for at least every other month. If you leave our community for cooler climates for a few months each year, it's not too soon to line up a landscaper to take care of your yard while you're away. Yes, we live in the desert, but grass, weeds, bushes and trees grow profusely during our summer monsoon season and do need attention. Rain brings growth in both summer and winter.

Director of Golf - Rick Price

rprice@theviewsgolfclub.com 520-917-8086

As of January 1, 2019, the USGA and R&A, along with the PGA of America, put into effect the new modernized rules of golf in the effort to make the game faster and easier to play. Here are just a few of the new rule changes.

Prompt Pace of Play in the new Rule 5.6 says that players should recognize that their pace of play affects others, and they should play promptly throughout the round. Also, searching for your ball has been reduced from five minutes to three minutes.

A player should make a stroke in 40 seconds or less once the player can play without interference or distraction. Rule 6.4 encourages playing out of turn safely to save time. Playing "Ready Golf" has been an unwritten rule for years and is now in the rule book.

The new procedure for dropping a ball has changed as detailed in Rule 14.3. Golfers will now drop from knee height instead of shoulder height.

For those of you that would like to avoid bunkers, you now are allowed relief outside the bunker using the back-on-a-line procedure, for two penalty strokes under Rule 19.3b.

A player's score for each hole may now have a maximum number of strokes set per hole. You can putt with the flagstick in the hole on the green. Repair all damage to the green.

If you have any questions about the rules, please contact me in the Pro Shop or go to www.usga.org for more information.

Superintendent - Michael Kropf

scvgolf@suncityorovalley.com 520-917-8063

The greens on The Views Golf Club are built with an old style of construction that was common over 40 years ago. Native dirt was pushed into mounds that were then shaped to be a green surface. It was an inexpensive way to build greens since nothing other than earth moving equipment was used in the process. However, these greens contain many problems, from being very small with lots of undulation, being hard since the subsoil is made of compacted dirt, to always being wet with no drainage.

The greens at The Views did well with this type of construction for the first 10 years. They were irrigated with potable water and had bentgrass as the type of surface. In the mid-1980s to 1990s the greens weren't mowed as low and the green speed expectations were slower. However, after about 10 years the condition of the bentgrass declined, and in 1998 the turf type was changed to Tifdwarf Bermuda grass. Nothing was done to the subsurface of the greens at that time.

In 2005, reclaimed water was introduced. Bermuda grass has a good tolerance of salts, so it could initially survive with this water. However, over time the salts in the water began to accumulate in the soil without drainage to provide a way to leach them out.

A lot of work is necessary to overcome these obstacles. The greens are aerated over a dozen times a year; many different soil amendments are added weekly, topdressed regularly and much more to just to keep them alive.

The lady golfers of SCOV are once again spearheading a charity event to raise money for the Arizona Cancer Center. This year's theme is "Change the Course of Cancer," "change" being the operative word. In addition to the annual golf tournament, one of our ancillary fundraisers is collecting change throughout January and February.

You've seen the water bottles labeled "Change the Course of Cancer" in many places throughout SCOV. They were strategically placed to help you get rid of all that pesky loose change in your pockets. If you wish one for your own kitchen counter let us know through the email below. A bottle of change is a painless way to make a huge difference.

All golfers are invited to take part in the tournament Tuesday, February 19. Applications are available in the Pro Shop.

Last year, thanks to community support and the Sun City Foundation, we were able to raise around \$20,000. With your help we plan to eclipse that number this year.

Education Continues

In addition to training and teaching my staff, for the last six months I have been continuing my education in the hospitality business. I am now in my last class at Cornell University to update my knowledge of the restaurant world and achieve a certificate in Food and Beverage Management. Although many of the classes have been a refresher from my years at Northern Arizona University, I have learned about new developments over the past 15 years. Here are some of my insights.

The "Big Three" in creating loyal guests are product, behavior and attitude of staff, and environment. In the past customers were considered gullible, and companies could buy loyalty with point programs and passive rewards. Now the public is more informed and understands quality of price.

The new way to judge the success of most restaurants is through REVPASH (revenue per seat per hour). This takes into account that every chair not being utilized at any given point is lost revenue.

Detailed ordering and receiving practices are crucial to the success of the restaurant. Staying current on foodborne illness news is critical to the health of our guests.

Every restaurant needs an identity, and the menu should reflect that identity. Menu costing has moved toward including labor into the formula. This is a direct result of wage increases in the industry. A segmented income statement is critical in finding opportunities to reduce costs.

I look forward to utilizing the information I have learned to better serve the SCOV Community.

The Board will review the nominees and select the recipient(s). The award will be presented at the Sun City Oro Valley Annual Meeting in March.

Celebrations & Life Events

Amphi School District photo

Harland Goertz (above) and Bob Catty are retiring from ten years of dedicated work at the Coronado K-8 School where they taught astronomy and science to 5th and 7th graders. They have become a fixture at the school and are appreciated and admired by students and staff alike. In this picture, members of the Astronomy Club are helping 5th grade students to assemble and learn how to use their new telescopes. The Astronomy Club has bought every 5th grader a telescope for 11 years (900 of them). Harland and Bob will be honored at the February 21 Astronomy Club meeting.

Thank You Corner

Thank you so much to all who came out for the Annual Pancake Breakfast to support this fundraiser which provides funds for the Loan Room and some other local needs. We also thank the many volunteers: pancake flippers, kitchen, dining room and ticket sales staff and especially the building monitors for all the work involved to make this breakfast a success.

Art League

Co-Pres. Caryl Thornton 520-638-7024, Carol Nagel 520-825-3097

What is the Art League? We are art enthusiasts from various SCOV art-related clubs. We coordinate, plan and oversee the displays in the Activity Center and the Desert Oasis. Our goal is threefold: to display the talents of our residents, encourage the arts in SCOV and make these facilities pleasant, inviting and interesting.

This month we will feature the Colored Pencil and Etchings/Print-Makers clubs in the Activity Center. The Clay Club is hosting a reception, Friday, February 22, to celebrate the club's joining the Art League. See Clay Club article at right.

A video entitled "Angelfishes and Their Coral World" by Lian Quan Zhen focusing on composition and color technique will be shown on Thursday, February 14, 9-10:15 AM, in the Arts Studio at Catalina Vista. Lian Quan Zhen is a renowned watercolor and Chinese paints artist.

Bark Carving

Bob Ash chra25@gmail.com 520-282-3688

Tue., 1-4 PM, Thu., 9 AM-Noon Artisan Center/Lapidary

If you are a bark carver or are interested in getting started with cottonwood carving, please join us on Tuesday afternoon and/or Thursday mornings for carving and conversation. We have bark available for members and beginners. For beginners there is always someone to help and make suggestions for first projects. Come by and view some of our work in our display window next to the Wood Shop in the Artisan Center, including the two pieces by Alan Mashburn pictured here. Members please remember to pay your \$10 dues for 2019.

We need your aluminum cans!

Put your empty aluminum cans to work for SCOV. Deposit only empty, rinsed aluminum cans in the box outside the Activity Center kitchen door. The Community Assistance Committee uses the funds from recycling to purchase items for the Loan Room.

Orientation as needed

Clay Club members gathered January 2 at the Desert Oasis to offer a variety of art pieces for display in the Ocotillo and Saguaro rooms. This exhibit will run through May 30. We are pleased to host a reception celebrating our admittance into the SCOV Art League, on Friday, February 22, 4:30-5:30 PM, Desert Oasis. All are welcome to attend and meet the artists. Refreshments will be served. Please join us.

Janis Moll and Barb Peterson hang art at the Desert Oasis

New residents, if you have been wondering what it would be like to muddy your hands with clay and create works of art while making new friends, then stop by the studio to sign up for orientation. After orientation, our Clay Club mentors help both beginning and advanced members gain confidence and skill. Their guidance and support are much appreciated. Our large club functions smoothly due to strong leadership and member cooperation.

Colored Pencil

Jan Thomas 520-591-1275, Sue Parkes 520-825-7307

Fri., 9 AM-Noon, Catalina Vista/Art Studio

Are you fascinated with changes in colors and patterns? Do you like details? Colored Pencil may be just the club for you. It is an easy, forgiving medium but does require patience. Basic drawing skills are helpful, especially if you want to venture into scratchboard, which some in our group enjoy. We have many resources to help get you started and helpful advice for beginners. Come join us.

Fine Arts Studio

Pres. April Hoffman 520-329-8443, lazybird4@gmail.com

Wed., 9 AM, Catalina Vista/Art Studio

Salvador Hernandez joined the fine arts group about a year ago. Lee Sopwith has been a member for about three years.

Salvador hails from Houston where he worked as a computer analyst. He enjoys working with acrylics and paints whatever subjects his family requests. His other pastimes include tennis, sculpture, cribbage and more. He is impressed with all the talent here in SCOV.

Lee comes here from Boise in the winter. He retired from IBM and went on to receive a BFA from Boise State University. Lee's pastimes include golf, genealogy and hiking. He likes being outside, so one can understand why he paints landscapes. He thinks the group is very helpful in advancing ideas on canvas.

When you visit the Fine Arts Studio, you'll likely see Salvador and Lee working. At 11 AM you may listen to critiques where these two artists often offer a canvas for feedback.

We welcome you. Bring your materials and enjoy a few hours of painting with others.

Gourd Art

Kaaren Drent 520-818-2343 Kaarendrent@yahoo.com
Mon., 1-4 PM, and Fri., 9 AM-Noon, Lapidary Room

Come and join us to create some unique gourd art. We have everything you need to give it a try.

Japanese Flower Arranging

Donald Marier 520-825-4878 dolmar21@gmail.com
Nov.-May, Second and Fourth Mon., 2-4 PM, Catalina Vista/Pusch Ridge

Japanese flower arranging, *Ikebana*, is the art of arranging flowers, branch materials, grasses and leaves. At its core is the beauty resulting from a combination of color, shapes and graceful lines. More than simple floral decoration, it is a form of sculpture with plant materials.

Learn from certified instructors at your own pace and make creative arrangements for your home.

Knit and Crochet

Sigrid Flatness 425-213-6689 sigridkf@gmail.com
Tue., 2:30-4:30 PM, Catalina Vista/Pusch Ridge

If you knit or crochet, Tuesday afternoons might be a way to learn new techniques or find a new pattern to try. Several of us are working on a variety of projects, and we love to share with others what we've been doing. You'd be amazed at some of the things that knitters make these days. It's back in vogue. If you want to brush up on your skill level or try a new technique, you'll find help in our group. Come and enjoy a relaxing time with us.

Modelers

It seems as if drones are appearing everywhere. The picture shows club member, Ron Sanford (left), demonstrating how a drone operates. He flew the drone around the room and explained its many features.

Photo by Tom Prall

His drone can take photos that he can view and record on his cell phone. Creative model builder, Don Holbrook, expresses his interest in the flight. You can see some of Don's unique models in our display cases.

During the holiday open houses, over 200 guests enjoyed the operation of model trains and other models on display. We thank the community for its support.

All SCOV residents are welcome at our monthly meetings where you will see what we are about, and you may enjoy a cup of coffee and a sweet roll. During any day, if the lights are on and someone is in the Modelers Room, stop in. From time to time we schedule field trips of interest to modelers.

Open Studio Artists

Pres. Carol Nagel 520-825-3097

Tue., 9 AM-4 PM and Thu., 9 AM-2 PM, Catalina Vista/Art Studio

Open Studio Artists now have two days per week to work on their art. If your usual day does not work, you can now take advantage of the second day. Two theme shows are scheduled. April's show will be "Up Close" and the May show will be "Adobe Structures." The theme shows are intended to stretch the artist's imagination and creativity. New artists are always welcome.

Vistoso Photo

Pres. Gerda Timm 520-825-6864 gerdatimm@hotmail.com
Sep.-May, Second and Fourth Wed., 6 PM, Catalina Vista

Sculpture

Pres. Laurie Lichaa 520-812-0198
Mon., 9 AM-5 PM, Catalina Vista/Art Studio

If you are interested to see some of the clay sculptures in progress, please come by the clay sculpture studio in Catalina Vista on Monday mornings. Last month we shared how a member gets inspiration for ideas to begin the sculpture process. The next step is to prepare the foundation or framework for the sculpture, which we refer to as an armature. The picture shows Laurie and Gene working on the armature for Laurie's next project. In this example, Laurie has chosen a heavy grade wire that has been bent and brazed as the foundation for her sculpture. The

club provides the armature materials and the tools and supplies needed for the brazing process. Come by the studio, and we will show you how this process is done.

Sigrid Flatness 425-213-6689

Mon. and Thu., 9 AM-Noon, Artisan Center/Sewing

If one of your New Year's resolutions was to clean out that closet full of unused fabric or yarn, we have a solution for you. Bring that fabric and yarn up to the Sewing Room and we will put it to good use and if we can't we know who can.

We can use cotton, flannel, fleece, quilting fabric or any fabric suitable for girls' jumpers or skirts.

In addition, we can use yarn to knit baby hats, sweaters, booties and afgans. We also use yarn to knit or crochet childrens hats and scarves or lap robes for seniors.

Thanks to all of you who have donated in the past. We appreciate any donations and so do the children.

Cheer Bears

Pat Norton 480-993-8762 panpan9803@yahoo.com
Wed., 1-3 PM, Artisan Center/Sewing

Cheer Bears took a short break in December due for travel and year-end activities, but we started up again in January and have many requests for our cheery friends to be filled this year. If you stopped by the Sewing Room on Wednesday afternoon and found it empty, we apologize, but we are back and need your help to fulfill our new orders. If you are up to the task of stuffing, cutting, sewing or whatever makes the bears look cheery, join us and share in the fun. Last year a grand total of almost 250 completed bears were donated. This brought smiles to faces throughout Arizona.

If you are interested in joining us please stop in the Sewing Room at the Artisan Center, Wednesday, 1 PM. You will find a joyful group ready to greet you and include you in the fun.

Pet Beds

Jan Bohe 520-825-9725

Tue., 1-3 PM, Artisan Center/Sewing

Our club started in 2009. We have a group of dedicated women who volunteer their time to make pet beds for the Humane Society of Southern Arizona. We take donated washable and dryable fabric to make cases that hold cut up pieces of fabric and poly-fill. The beds range in size from 16" square to as big as 22" x 26". In 2018 we made 247 beds and donated 11 bags of towels and 2 blankets. Since 2009, we have donated 2,535 pet beds plus many towels, tennis balls, blankets, vests that say "Adopt Me," bandanas and pet food. We love pets.

Quilters

Carol Guibert 520-404-1462

Second and Fourth Tue., 1 PM, Desert Oasis/Ocotillo

Quilt registration for the annual quilt show will be held Monday, February 4, and Friday, February 8, 9 AM-Noon, Activity Center/Lobby. Everyone is invited to enter quilts in our show. Our February 12 meeting will feature a crazy quilt stitchery demo by Peg Bushong. Tuesday, February 26, 9 AM, Sewing Room, we will have a class on pineapple quilt blocks using our Accuquilt cutter. Sign-up for this class at the February 12 meeting. At our regular meeting we will plan final preparations for our quilt show.

Meetings: First Thu., 8 AM, Catalina Vista/Pusch Ridge

Do you love kids? So do we. That's why we make wooden and fabric toys for needy kids in our area. Stop by the Sewing Room or Wood Shop any time during open hours and you'll find someone making gifts for kids. Sewers/knitters make

baby hats, blankets, Cheer Bears, bibs and more. We partner with other local charitable organizations to locate and distribute to kids who need the most help. These families are often unable to buy essential items like food, diapers, laundry soap and toilet paper, etc. We also received over \$9,000 in donations last year to purchase such items.

Tue., 9 AM-Noon, except last Tue. of the month; last Thu., 1-3 PM, Artisan Center/Sewing Room
www.scovhookers.weebly.com

If you are interested in the Tapestry Rug Hooking group, please come to the Sewing Room on Tuesday mornings, except for the last week of the month when we meet in the Sewing Room on Thursday afternoon.

A project begins with a design. Members might look for design ideas on the Internet, in books or magazines or from a personal creative idea. In the photo, Saniya Otis shares her design inspiration (left) which she sketched onto paper (far right) and then finished the project (center). Next month we will share how we transfer the design onto the material to begin hooking. Members of the club love to share pictures of their finished projects. To learn more about our group, please stop in to visit with us or you can read more about us on our website. We welcome new members and provide individual instruction for anyone who is interested.

Fri., 9 AM-Noon, Catalina Vista/Mt. Lemmon

This photo is a "Project Share" by Sue Koch. Members used supplies to make a love note card for Valentine's Day.

We celebrate February birthdays for Loretta Albers, Barbara Fox and Anna Sanow. Loretta has been a seasonal resident since 1994 and joined Show 'n Share (SnS) in 2014. She knits and makes greeting cards. Loretta enjoys learning new ideas and being with SnS members. Barbara came to SCOV in 1993 and joined SnS in 2016. She knits and is learning a new technique from a fellow member to knit a pillow cover. Barbara enjoys the camaraderie. Anna came to SCOV in 2007 and joined SnS in 2017. Her crafts are knitting and crocheting. She enjoys meeting new people and learning new projects.

Members work on portable crafts and we love to show our creations and share our ideas. We meet year-round and welcome new members. No dues.

Shop winter hours: Mon.-Thu., 9 AM-Noon & 1 PM-4 PM; Fri. 9 AM-Noon

First Mon., 3:30 PM, Artisan Center/Silversmith Studio

We hope everyone had a great holiday season. There is plenty of room in the shop, so come in, make some jewelry and work off some of those holiday calories. If you need help

with a piece of equipment or in remembering that next critical step in the metal-smithing process, just ask one of the monitors; they'll be glad to assist. For convenience, we have mounted the new ring bender on the bench next to the drill press. The bender's ring dies are kept in the vault.

Open Studio, any time Tue.-Sun., Artisan Center/Stained Glass

We have had a brisk start to this new year in projects and weather. As most of you know, Tucson Gem & Mineral Show is coming to town. Dichroic, Inc. will be at the Casino Del Sol Gem Show February 2-9. Monty and Carol look forward to seeing all of us again. For a complete schedule go to www.tucsongemshows.net/coming.html.

Calling all residents: please come and visit us during our upcoming Stained and Fused Glass contest. Come and vote for your favorite pieces. The contest will run February 15 through March 5. Our creations will be on display in the Artisan Center windows. Look for details and information on the Stained and Fused Glass door.

Thank you to all who volunteer to keep the studio clean and neat. Without all of you, the club could not function. Also, we

Christmas party and meeting

appreciate the firers for keeping the kilns hot and moving the glass through. A special thanks to Kaaren, for her enthusiasm and to Jo Anne for keeping everyone on point. Finally, thanks to all our teachers and monitors.

Wood Carving

Bob Ash 520-282-3688 chra25@gmail.com

Sat., 9-Noon, Artisan Center/Lapidary

If you are a wood carver or are interested in getting started with wood carving join us on Saturday mornings for carving and conversation. For beginners there is always help with projects and suggestions about tools, safety gear and carving woods. The club owns power (rotary) tools and bits for use by members and has carving magazines and books to provide project ideas. Please come by and view our display window next to the Wood Shop in the Artisan Center and drop in on Saturday mornings. Members, remember to pay your \$10 annual dues.

Astronomy

Pres. Allan Mashburn 435-219-0042 scovastronomy@gmail.com
Oct.-May, Third Thu., 7 PM, Activity Center/Navajo
www.scovastronomy.com

Dr. Craig Kulesa will be our speaker on February 21. He is just back from the top of the Antarctic Plateau (space-like conditions, 15,000 feet, minus 140 degrees) where he installed a sub-millimeter telescope. Because of their dusty content, visible content light can't penetrate a molecular cloud. Thus, infrared and submillimeter observations are needed to "see" the star-forming process. His development of these telescopes and his research on star formation would answer a variety of astrophysical phenomena. All stars are born in molecular clouds including our Sun. Molecular clouds are the "stuff" we're made of. Star gazing party on Thursday, February 7, dusk, Driving Range.

Learn about our annual telescope project for 5th graders in Celebrations & Life Events on page 16.

Men's Bible Study

Jerry Anderson 520-638-6586, Rick Thomas 520-591-0475
Oct.-May, Tue., 7:30 AM, Catalina Vista/Mt. Kimball

Spring is here. Join us in our study of 2nd John and 3rd John as well as the Book of Jude. As men of faith, we feel it an honor to study God's Word and grow in discipleship together. We welcome you to bring your own experiences and biblical insights into the discussions we enjoy so much. Many of our members take the opportunity to have breakfast at The Views Restaurant directly after the study. What's not to like?

Precept Women's Bible Study

Pres. Linda Miller 520-818-2716
Sec. Faith Heitmann 208-750-5886
Oct.-Apr., Wed., 9 AM, WC3

We continue to meet on Wednesday, 9 AM, WC3. In this new study of "Precepts-Romans Part 1," we will be discussing Paul's gospel of salvation for all mankind. Shirley Brown is our facilitator. Come and join us. We welcome new members.

Great Books

Pres. Barbara Gates 520-825-7645
V.P. Connie Armstrong 520-544-7723 connieeachuckg@aol.com
Oct.-May, First and Third Wed., 2 PM, Catalina Vista/Mt. Lemmon

In our club we read and discuss selections of thought-provoking works of literature presented in anthologies by the Great Books Foundation. We offer great conversations about great ideas. We are reading selections from *Great Conversations 1*, the first in a series of anthologies intended for those who value the lively pleasure of discussing ideas. Hopefully the readings will challenge your assumptions and spark debate. The book can be purchased from Amazon or The Great Books Foundation. Wednesday, February 6, we will read *The Epic of Gilgamesh*. Wednesday, February 20, we will read *Prometheus Bound* by Aeschylus. We welcome all SCOV residents.

SCOV Book Club

Pres. Sandie Roberts 847-525-9239
VP Glenda Tonkin 520-207-4802
Communications: Cynthia Kartman 414-732-3063 kartmania1@me.com
First Mon., 1:30 PM, Catalina Vista/Mt. Kimball

Our February selection is *Educated* by Tara Westover. Her memoir tells the remarkable story of her journey from childhood in an isolated religiously fanatic family in rural Idaho to a Ph.D. student at Cambridge University. *Educated* was a 2018 best book of the year selection by the *New York Times*, the *Wall Street Journal* and many other publications.

Our March selection, a top 10 book of the year by the *New York Times* and a National Book Award finalist, is *Pachinko* by Min Jin Lee. Lee creates a fascinating epic of four generations of a poor immigrant Korean family working to establish their foothold in 20th century Japan.

www.scovcomputer.com

Today, desktop computing is rapidly shifting to the iOS of Apple phones and iPads, or the Android OS on Android devices. Through these personal devices, the world is getting quickly connected. Now, lights, security systems, music, lectures and TV are being accessed through these personal devices with more being added daily. This phenomenon is being called the Internet of Things (IoT) where everything is connected and your phone or tablet provide that interface.

In January, we dove further into the IoT world by looking at the world of Alexa, Google Home, Cortana and Siri. This month we will look at home automation and the issues surrounding its latest incarnations.

Membership is required for help sessions, classes and the right to join the ListServ (online bulletin board). See the club's website homepage.

Dues for 2019 are \$10/household. Send checks, not cash, to Dave Johnson, 2427 Nasturtium, with the application form, available outside the CLC (Computer Learning Center) in the Welcome Center. You may download it from the club's website. Renewing members do not need to fill out an application form if your personal information has not changed.

Please note: computer help is available to members by calling the help desk number. We provide this option, so we can match a Help Desk Assistant to your specific problem. This information can also be found on the VCS website shown above.

 Curriculum Randy Myerson rcmyerson@gmail.com
 Registration Karen/Sherwin Koopmans skkoop@gmail.com
 Samplers Sally Evert sallyevert@gmail.com
www.suncityilr.com

Be sure to check dates, start times and locations for the courses you signed up to attend. If you now find you cannot attend a course, contact registrars Karen/Sherwin Koopmans. One course, "Have Your Morals Changed?" led by Gene Bammel will begin in March.

Are you receiving club-related emails? If not, contact the registrars with your new or updated information.

The curriculum committee has done an excellent job of bringing us a wide variety of interesting courses, but they cannot do it without you. Future course moderators are always being sought. Do you have an idea for a course topic? A course can be as short as two weeks or as long as ten weeks. Email your course idea to curriculum chair, Randy Myerson.

For upcoming Sampler topics, see page 16. The Samplers Committee is also interested in your ideas. Email Sally Evert.

Have you taken the time to check out the recently released ILR website? What about the ILR Facebook page? Search for SCOV ILR to keep up to date.

 First Wed., Potluck, 5:30 PM, Catalina Vista
 Third Wed. 3-4:30 PM, Catalina Vista, Mt. Kimball/Pusch Ridge

Our February speaker is Lynda Witt who receives rave reviews. Her topic is, "Digital Infrared Thermal Imaging: Appropriate Uses in Breast Health and Other Regions." In this visually vibrant presentation, discover how the proper use of

thermographic imaging can aid in determining breast health, along with other regions of the body such as cardiac and pulmonary function, thyroid, dental, carotid arteries, vital and reproductive organ health. This non-invasive technology is FDA registered, painless and does not use any radiation.

Lynda Witt is a certified clinical thermographer and owner of Proactive Health Solutions, LLC, in Tucson. She has 12 years of experience as a thermographer and is passionate about sharing the benefits of this cutting edge technology.

Payment of annual dues (cash preferred) is required to attend the club meetings or potlucks, \$3 pp, November to October.

Potluck: Monthly plant-based/vegan potluck, Wednesday, February 6, 5:30 PM, Catalina Vista. Members bring a dish to share, place setting and drink. Dues will be collected from all not paid to date. First time attendees bring only your place setting, drink and \$3.

Poetry, like other art forms, continues to evolve and modernize without completely letting go of its origins. Not surprisingly, many of the changes are initiated by the young. Nonetheless, some seniors are willing to experiment with new or old forms in refreshing ways. Take the Japanese haiku, which has been adopted and adapted by Americans who still value its brevity and beauty or its pithiness and cleverness, depending on how strictly it adheres to its roots. Haiku are composed of three lines with syllable counts of 5, 7 and 5 and they are not titled. The example below on the left is from the Japanese master, Matsuo Basho; the one on the right is by our own Harvey Gardner.

In the twilight rain these brilliant-hued hibiscus— a lovely sunset.	I'll live a long life by following my breathing. Yikes! Where did it go?

Popcorn? Soda? Candy? What did the Prepare and Share groups cook up this month? Our theme for January was "Food from the Movies." Each group was challenged to create a menu which could feature each course of the dinner from one movie or choose four movies, each one representing an appetizer, soup or salad, entree or dessert. What movies would you choose? So far I've heard from two groups. One of them enjoyed a James Bond evening. Did they have martinis—shaken, not stirred? Another group celebrated the *Titanic's* last dinner. The original menu consisted of 10 courses but it was pared down to four. Two guests appeared in life vests.

Prepare and Share members enjoy an evening of good food and conversation.

Popular speaker Zann Wilson is back for our general meeting Tuesday, February 12, with her program on "Euphorbias: The Good and Not So Good." These common accent plants are attractive and easy to grow, and Zann will make certain you know exactly what you're in for if you want to add some to your landscape. We will also have a special treat for Valentine's Day. We plan to tour Mission Gardens Saturday, February 23. Sign up at the general meeting. Our general meeting, March 12, features Jessie Byrd who will present a program on "Diversifying the Urban Desert." Jessie is the manager of Pima County's Native Plant Nursery and is leading the efforts to reintroduce native species into the urban fabric of Tucson. A vibrant speaker, Jessie has designed and constructed landscapes where the public can enjoy our native plants. Membership is \$5 pp and \$8/cpl, contact Florence Duckett at 520-825-1994 or delflojs@q.com.

Dance

Ballroom - SC Starlight Dance Club

Marsha Scoles 520-825-2085 dave.marsha.az@gmail.com

Nancy Sopwith 208-724-5881 nanandleebus@cablone.net

The club ended 2018 on a positive note. Now it's time to look forward to 2019 events. We were really surprised at the response to our first offering of the year, a beginners dance class, led by a professional ballroom dance instructor that started January 9 for six sessions.

The dance class prepared dancers to get out on the dance floor on Friday evening, February 15, for our Valentine's Ball in the Auditorium. Come join us as we waltz, tango, foxtrot, rumba, cha cha and swing to music provided by SixFeetUp. Doors open at 6 PM, dance 6:30-9:30 PM. Bring a hot or cold appetizer for eight and BYOB. All are welcome to attend.

Join our club: annual club membership is \$5 pp for SCOV residents. Currently there is a nonresident wait list.

Valentine's Ball tickets, \$15 pp, on sale Fri., Feb. 1, 9-11 AM, Activity Center Lobby

Folk Dance Club of SCOV

Harvey Gardner, 520-308-5616, savear@gmail.com

Fri., 10-11:30 AM, AFC/Studio 2

Folk dancing is more fun than a treadmill and healthful exercise for balance, muscle, mind, and mood. For most dances we hold hands in a circle to perform non-gymnastic steps to the enchantingly fascinating music and rhythms of diverse cultures (including our own). Neither partner

Our dancers doing Baanopstekker (Netherlands)

nor prior experience needed. Typical dance sessions consist of 15 folk dances with instructions. Sitting out dances to rest is always acceptable. Drop by and come in to watch and see if this internationally-popular dance form is right for you. To see us in action online, do a Google search on FDCSCOV YouTube.

Jazz & More!

Artistic Dir. Glory Lamb 805-698-3887 dancingextra@gmail.com

Thu., 2-3 PM, Activity Center/Dance Studio

Wanna be a hula girl? A jazz dancer? Shine with a soft-shoe? Join our merry troupe for some synchronized fun and exercise.

In January, we started a 12-week session of Fosse-style jazz on "Steam Heat," along with balance and posture con-

ditioning at the barre. If you like to dance, you will love this session. Join us on Thursdays for the rest of February and March. We love to welcome new dancers. The \$35 fee will be pro-rated, with \$5 going to our sponsoring club, the Sun City Variety Theatre, unless you are already a member.

Totally Tapping for Fun

Instructor Stephanie Consalvo 520-825-1932 stephaniec42.sc@gmail.com

Fri., 9-10 AM, Activity Center/Dance Studio

If you like to dance to fun music and tap your feet to the beat, come try our "Totally Tapping for Fun" beginner class.

This 12-week session that began on January 4 focuses on the basics, rhythm and form. Come join us on Fridays dur-

ing the remainder of the session in February and March. All are welcome whether you've tapped before or have always wanted to try. First class is free. See you soon.

Western - Kactus Kickers

Pres. (acting) David Isle
Membership chair (interim) Preston Sheriff
email: kksco@gmail.com

It's hard to believe it's already February. Our Valentine's celebration, "Rodeo Romancing," is on Friday, February 8. Music will be provided by Clear Country and the dinner is being catered by Olive Garden. Doors open at 5:30 PM, music 6:30-9:30 PM.

Dance classes are in full swing and the prevailing comments are "it is as fun as it looks" and "I should have packed a right foot, I seem to only have two left ones..."

The March dance, "It's Spring: Time to Kick a Little Kactus" is on Friday, March 8. This dance is usually a sellout, so mark your calendar to buy tickets on Thursday, February 28, for members and Friday, March 7, for nonmembers.

With the change in board officers it's helpful if everyone would address their comments, questions, and concerns to the KKSCOV@gmail.com email. If you put the topic in the subject line it will get to the right person.

Exercise

Aqua Tone

Marcia Polley 520-818-9073 t.polley@comcast.net
Irmel Wheeler 520-334-0957 irmel5596@gmail.com
Tue., Thu., Sat., 9 AM, AFC/Pool

Aqua Tone is a toning water workout that incorporates a variety of rhythmic body movements performed in the water. This aquatic exercise class enhances cardiovascular fitness and muscular endurance.

We meet Tuesday, Thursday and Saturday, 9 AM in the winter, 8 AM in the summer at the AFC pool. There is no fee to join the club or the class. The teachers are club member volunteers. Being able to do a basic swim stroke is very helpful. Items used in the class are buoys, board, noodle, ball and fitness band. Most are available at the pool. A band can be purchased from Marcia for \$5. We assign an experienced member to a newcomer to help with learning the various movements. You will get a good workout in a fun class.

Arthritis Water

Pres. Susan Landwer 520-834-9667
Sec. Jane Myerson jmyerson@gmail.com
Instructor: Dawn Simske, Arthritis Foundation trained
Mon., Wed., Fri., 10:15 AM, Apr.-Oct.; 1:30 PM, Nov.-Mar., AFC/Pool

Come join us for gentle water exercises specifically designed by the Arthritis Foundation to help with range of motion and to relieve stiffness and pain. These exercises are great for arthritis, fibromyalgia, replaced hips and knees, etc.

Classes are led by Dawn or students trained by her.

Energetic Exercise

Marty Siracusa 520-825-6961
Mon., Wed., Fri., 8-9 AM, Auditorium

Have a heart – happy and healthy. Join with SCOV friends, new and old, as we enjoy a wonderful workout with instructor Sally Martinez. She really knows how to get us seniors

moving.

You'll enjoy the fun variety of aerobic and weight exercise plus lots of balance and stretch moves to help our bodies be strong and flexible. Whether you are a golfer, play tennis, dance or just appreciate being able to get around comfortably to the many activities you enjoy, Energetic Exercise will help you be in better shape for them all.

Come join us. New members are always welcome, men and women. Your get-acquainted class is free. Annual dues are \$3. Tickets are only \$30 for 12 classes.

Fitness Swim

Contact: Dave Goodman goodman@sfu.ca
Tue., Thu., Sat., 7:45-9 AM, AFC pool

The Fitness Swim Club provides a vehicle for swimmers to participate in a group swim workout. We generally go 2,400 to 3,000 yards, mostly freestyle, per workout. Some do more, a few do less.

Workouts are suitable for master swimmers, triathletes and those who would just like to participate in swim workouts. Please ensure you have medical clearance to participate in vigorous physical activity prior to joining. We welcome new members.

Pilates

Mary Ayers 520-638-7916 scov.pilates@gmail.com
Mon., 3 PM, Thu., 1:30 PM, AFC/Studio

Guess what? It's already the second month of 2019 and it's time to commit to a new exercise routine. Forty years after his death, the system of exercises developed by Joseph Pilates has never been in such high demand. SCOV offers his Pilates classes twice a week. The exercises strengthen your core muscles (abdomen and back muscles). Additionally you will notice you have better balance, more muscle tone and increased stamina. People ask, "Can the benefits which come from the stretching and strengthening exercises we do, really develop the body's core, increase spine mobility and build flexibility?" The answer is a definite yes. We have two very experienced instructors and the cost is only \$8/class, with annual club dues of \$20 pp. Please join us or stop by and just watch. Call Mary with questions.

Tai Chi

Co-Chairs Kathy Patterson 616-350-6443 1969kal@comcast.net
Pat Howard 541-621-4404 pathoward45@gmail.com
Thu., 10-11:40 AM, AFC/Studio 1

Many medical professionals recommend Tai Chi to help their patients improve their balance and prevent falls. In our classes we enjoy learning Tai Chi form. We also increase flexibility, strength and learn to reduce stress. Our instructors, Jose Hernandez-Rivera and Donna Drazenovich, teach us to apply Tai Chi principles to our daily lives.

Our current class began January 10. If you have had previous Tai Chi experience, you may be able to join the class session already in progress. Contact one of our co-chairs for class details. Another session will begin in April.

Jose will offer a Tai Chi for Men class starting Saturday, February 16, 10 AM, Dance Studio. This class requires at least ten students and will emphasize self-defense applications using Tai Chi and other martial arts principles. To register call Jose at 520-297-5362.

The Gun Club is for people who are interested in learning and sharing information about the safe handling and responsible use of firearms. The club has speakers from various agencies like police, firearm instructors and other topics. Our members also share information about shooting ranges, federal and state laws, selling firearms and other interesting topics.

We welcome guests at our meetings. Annual dues are \$5/ household. Our next meeting is Wednesday, February 13. Contact David Ilse with any questions.

Hiking

Orientation hike guide Meg Gerken 520-638-7204
Pres. Byron Woffling 520-284-7889
www.scovhiking.org to see all scheduled hikes

Hiking at this time of the year requires a little bit of planning. Layering is a good idea, as it can be quite cool when hikes begin in the morning. Maybe even a little snow? After you warm up, you will probably need to shed a layer or two. And remember, even in winter, hydration is still very important. Hiking is great outdoor exercise, and there are many trails in and around Tucson that we explore. You are welcome to join us; call guide Meg Gerken for a required orientation hike.

A little snow encountered on a New Year's Eve hike at Oracle State Park

And while it may still seem like winter, our annual spring picnic is scheduled for Tuesday, February 26, at Catalina State Park. More details can be found on our website.

Horseshoes

Oct.-Apr., Tue., Thu., 2 PM; May-Sep., 8 AM
The Pits at Catalina Vista

Welcome to horseshoes. If you are looking for an exciting activity that requires little or no experience, you have found it. Everyone is welcome, nothing is needed. There are no fees, and horseshoes are available. Come Tuesday or Thursday. Call for more information. Read more about horseshoes on www.wikipedia.org/wiki/Horseshoes.

Get outdoors, enjoy our wonderful weather and get good exercise. See you at the horseshoe pits.

Pickleball

Pres. Jeff Rusch jffrusch@yahoo.com
VP Membership Dave Burnham dburnhampton@gmail.com
www.scovpb.org

History records that pickleball was named after a dog named Pickles who liked to chase the ball. People are much like Pickles who in 1965 learned how much fun it was to play this new game. Pickleball is a noisy game because the players are having lots of fun, not because of the sound of the plastic ball hit off paddles. You are never more than 15 feet away from your partner or opponents, so it is a close and personable type of game. Ages from 9 to 90 play pickleball. Club times are scheduled every day and some evenings. Our club also has weekly round robin tournaments which help you make new friends. Our 400+ members can't be wrong. Fresh air, warm sun, what's not to like while having fun. Check out our new website at www.scovpb.org. Contact Dave Burnham to learn how to play.

POP Tennis

Pres. Barbara Satterly 520-825-8965 craftylady838@aol.com
VP Brian Goff 520-825-7232 bwgoff@outlook.com
Tue., Thu., Sat., 9-11 AM; Wed., 2-4 PM, Desert Oasis Courts

February is usually a great month for outdoor activities in SCOV. Playing POP Tennis is an excellent way to start the morning with plenty of exercise, laughter, and camaraderie. You can bring your own paddles or use the ones we have available at Desert Oasis. It's time to transform that New Year's resolution to get more exercise into action. We hope to see you all out on the courts.

Polar players: Barb Satterly, Shirley and Randy Murphy, Nelson Tilden

Racquetball

Pres. Michael Pidone 520-825-2369
VP Al Lichaa 520-606-8829
Sec./Tres. Hart Wagner 520-825-4175
Mon., Wed., Fri., 8-11 AM, AFC/Racquetball Court

We continue to have many competitive matches along with great exercise. This month, Gary Henson is being featured. Gary and his wife, Mickey, are from Wisconsin and are big Packers fans. They are actively involved in many SCOV clubs. Gary also volunteers as a tutor at a local school. He has been a racquetball player for many years and is one of our power players. This year he has had to overcome leg surgery from a

Gary Henson

hiking accident and two hand surgeries.

January's potluck social was well attended. Our annual "Burgers & Dogs" general meeting will take place on March 28. Mark your calendars. Stay safe and healthy.

Table Tennis

Co-Chairs, Ruth Mayer 520-818-0066
Francie Galbraith 520-447-5834

We have play at all levels of ability and welcome new players. If you have not played for a few years, we will help you get back your game with some instruction. It is a great way to keep fit and flexible. Tables are at Catalina Vista, and paddles and balls are available.

RV Club - Sundowners

Bill Hale 503-222-7000 whale77219@aol.com

Brad Taylor 520-989-0504 BTX101@gmail.com

www.sundownersrvclub.wildapricot.org

The Sundowners RV Club held their holiday party December 16. The festively decorated SCOV Auditorium was packed with jolly members.

Entertainment of holiday favorites was performed on the harp by the lovely Caroline Ancell while we enjoyed hors d'oeuvres and caught up with friends. Dinner was an enormous buffet of baked ham and member potluck preparations. For after dinner entertainment we held a white elephant grab bag. A huge thank you goes out to all our Sundowners who organized the party.

If you are an SCOV resident and enjoy RV trips and wonderful camaraderie, our Sundowners RV Club wants you as a new member in 2019. Prospective members should contact Bill or Brad for an invitation to a meeting.

Several RV board positions are up for election this April. Now is the time to think about how your skills and experience can benefit our club.

Town of Oro Valley

Make Your Voice Heard in OV

Do you have one minute a month to help make Oro Valley even better? Resident input is essential to the Town's decision-making process, so we've launched a new online tool to make sure we're hearing from the entire demographic spectrum. With the new FlashVote platform, you can take a one-minute survey (no more than once a month). Survey responses are anonymous and will provide statistically valid information for Council and Town leadership to make important decisions regarding Town operations and services. Everyone who takes the survey receives the results once the survey closes. Sign up today at www.flashvote.com/orovalley.

Wheels for Kids

Dick Swain 920-217-2610 or Tom Terfehr 520-789-7243 www.azwfk.org

Wheels for Kids is a 501(c)(3) charity dedicated to providing rehabbed bicycles for kids in need in the Tucson area. To date, we've provided over 2,200 bikes to various other 501(c)(3) charities who then distribute the bikes to their clients. Some of our partner organizations are Youth on Their Own, El Grupo, Refugee Focus and Tucson Boys and Girls Club. Wheels for Kids is a total volunteer effort. We need mechanics. If you are interested, we'll train you. Visit our website for more information and how to donate bikes or financial support. Help kids experience the same joy you had when you got your first bike.

YOTO/Northwest Auxiliary

Kris Cohen 520-818-2582 krisandearl@msn.com

Despite the obstacles they face, Youth On Their Own (YOTO) students graduate at a rate of 84%, greater than the rate in Arizona as a whole, which is 80%. During the 2017-2018 school year, YOTO served 1,741 students, an 8% increase over the previous year. This year, YOTO has already enrolled 12% more students than this time last year.

You can donate your Arizona Charitable Tax Credit to YOTO and receive a dollar-for-dollar credit on your Arizona state taxes of up to \$400 per individual (\$800 for couples filing jointly).

Thanks for helping homeless, unaccompanied youth graduate from high school and fulfill their potential.
