From the Board of Directors

Our mission as the SCOV Board is to lead in maintaining and enhancing the quality of life in Sun City Oro Valley as an active adult community.

All Board minutes, agendas and reports are available online. Board meetings are open to residents.

Board of Directors - Theda Ellis

tellissov@gmail.com

With six months into my first year as a director, I am serving as the Board liaison to the Long-Range Planning Committee and the 40 and Fabulous Committee—roles that feel natural, focused on planning for the future and celebrating accomplishments. My new challenge is stepping into Larry Webster's shoes as the BOD contact person for the Copper Center. Larry is not leaving the project—he remains as technical support. I will be the contact person with the board; responsible for updating the community with information about progress and issues.

What's important to understand about the Copper Center is that it is not a stand-alone project.

It sets the stage for an updated Welcome Center which is critical to provide additional space for our staff and library. It will also allow an expanded Artisan's Center that provides both new and expanded space to some clubs, allow other clubs to meet some critical safety needs, and give space to those who have been sharing. More than half of our community will be touched by the CC project in one way or another. This isn't limited to the clubs currently planning to move there or to be expanded. Consider the golfers who will benefit from having their golf cart garage available again; the 600+ families that use the resources of the loan room every year, as well as the artisans who have been seeking expanded space for the past five years. The Table Tennis group is excited to have a space that is set up permanently and available more than four (4) times per week. The Copper Center is the beginning of a major community update.

We are at the stage where the Board has turned over implementation to staff, so Copper Center now falls under the direction of Sandy Seddon and her staff. The focus is to obtain the Certificate of Occupancy, and to open the building within the standards of other SCOV buildings. This includes an observation system for security, amending the front door to the Fob system for access, ensuring that there is an appropriate internet system, and removing bathrooms. Meetings with key clubs are taking place to learn what they "must have" in order to move in.

SCOV is approaching 40, and competing with six (6) other local HOAs, most of which are newer. We have a responsi-

bility to ourselves to maintain and update our community in order to ensure the investment in our homes is preserved and enhanced. It is up to us to make the decisions and do the work to remain a "premier" HOA in Southern Arizona with our wide range of well thought out amenities.

And finally, community wide meetings will be held to provide more detailed information and to respond to your questions and concerns. The first meeting will be November 10, 2025 at 1 pm Please come with your questions and comments.

General Manager - Sandy Seddon

sseddon@suncityorovalley.com 520-917-8080

Recently, there has been increased discussion regarding rentals at Sun City Oro Valley (SCOV). To ensure clarity, here's an overview of what is permitted and how rentals are monitored.

Per SCOV's governing documents, only 10% of homes in the community may be rented. This limit helps maintain the integrity and safety of our neighborhood and ensures SCOV remains primarily a community for homeowners.

The Welcome Center plays a central role in monitoring rentals. Homeowners planning to rent their homes first check with the front office to confirm space is available within the 10% limit. If space is available, they complete a Rental Application and submit it to the front office. When a homeowner selects a renter, they complete the Non-Owner-Occupied Home form, which includes the renter's name(s) and occupancy start and end dates. This form must be submitted at least three working days prior to the renter's arrival to avoid penalties, though homeowners may submit paperwork earlier if desired.

Upon arrival, renters visit the Welcome Center to collect Activity Cards and complete two additional forms: the HUD form, required by the State of Arizona for age compliance, and a marketing form. Activity Cards are then issued along with a Rental Packet. The current fee is \$25 for the first two cards.

It's important to note that some homes may be rented without SCOV's knowledge. Short-term rentals of fewer than 30 days, such as those listed on Airbnb or VRBO, are strictly prohibited. These rules protect homeowners and preserve the community's character, making compliance essential.

Additionally, children under 19 may reside in the community for no more than 90 days per year, ensuring consistency with residency guidelines and appropriate use of amenities. Residents exceeding allowed stays, or other suspicious activity, please report it to SCOV administration. All reports are taken seriously and investigated to ensure compliance.

By staying informed and vigilant, residents help protect the community and maintain the quality of life that makes SCOV

Sun City Oro Valley Arts & Crafts Festival 2025

Saturday, November 8, 9 AM-2 PM, Activity Center

By Maxine Yunker

John Kearsing

The Sun City Oro Valley Arts and Crafts Festival 2025 will feature approximately 70 resident vendors

and will showcase a variety and quality of art that is outstanding. This year brings many new artists to our event including wire wrapped jewelry, leather artists, silver jewelry artists, fiber and fabric artists, decorative and functional potters, bark carvers, fused glass designers and creators, wood workers with brand new designs, fine art, photography, wall hangings, sculptures, jewelry, cards and much more. We welcome back many vendors who have added new and inspired pieces to their already amazing items.

The festival is more than just a venue to purchase art and gifts; it's a place to connect with the creators themselves, hear their stories, and learn about the inspiration behind their work. This festival also highlights the incredible diversity and skill of our fellow resident artists. Many of the items available for purchase are created in our Artisan Center facilities and many of the vendors are consignors in the SCOV Gift Shop.

There is a large raffle that takes place during the festival. Each of the more than 80 raffle items is donated by the festival vendors. Customers select an

item they are interested in winning and place their purchased ticket in the corresponding bag. Winners are notified on Sunday after the show, and are able to pick up their treasures Monday after the show in front of the Gift Shop, when it opens at 10 am.

Seniors for Kids will have a hot-dog, chips, cookies and soda lunch available for purchase in the beautiful courtyard, with tables and seating for customers to enjoy their meal and visit with friends. Money raised from this will also directly benefit their charity and help local children.

David Burks

The SCOV Gift Shop has extended hours during the festival and is decked out for the holidays. The trees are adorned with ornaments made by Gift Shop consignors, and holiday items that will delight all of your family and friends are available.

We hope all of our residents come to the festival. We also hope

you bring your friends and families and share this day with them. It is a wonderful event that showcases our talented and wonderful community.

desirable. Remember the guiding principle: see something, say something. Together, we can keep SCOV safe, welcoming, and well-managed for all.

Please refer to SCOV Board Policy OPR-006.

Stay Updated on SCOV Projects

Did you know SCOV keeps an updated Projects page on the website? It's a handy place to see what's been finished, what's in progress, and what's coming next in our community.

One of the big items recently wrapped up was the asphalt work. Roads and parking areas were resealed and repaired in several locations, which should make for smoother driving and extend the life of our surfaces. Also completed was the annual over seeding of the golf course and people are out there enjoying the play and soaking up the Arizona sun.

Looking ahead, planning is underway for the pool refresh and repairs at the Aquatic and Fitness Center and Desert Oasis, updated solar canopy lighting, Copper Center renovations and Activity Center audio/visual corrections and improvements. Updates will be posted on the Projects page as the schedules and scopes become clearer.

The page is updated regularly, and we encourage you to take a look now and then. It's a good way to stay informed about how SCOV is maintaining and upgrading our amenities. Your patience and flexibility during these projects are always appreciated, and the Projects page is there to keep you in the loop.

November is the month of thankfulness and during this season people are encouraged to focus on positive experiences and express thanks to others. This month the SCOV Library is thankful for all the support we get from the Friends of the Library, Sun City Vistoso Community Foundation, Institute of Learning in Retirement and our residents. In honor of Sun City, we will be showcasing two Sun City authors:

Alfred Oakland will be presenting his book, *The Adventures of a Renaissance Man*. It is a chronicle of escapades of fellow Air Force officers during the end of the Vietnam war. Combined with a mystery and Soviet spies, Thursday, November 6, 10 am-Noon, WC3.

James Pavlakis will be presenting his book of poems *Untamed – A Rich Collection of Freeform Poetry* Tuesday, November 18, 1-3 pm, WC3.

Please come and support your community authors. Tickets are required and will be available at the SCOV Library two weeks prior to the event.

The SCOV Library appreciates all of you and looks forward to seeing you on your next visit.

Benefits of Stretching

Stretching isn't just something athletes do before a game, it's a secret weapon for feeling better, moving better, and aging gracefully. Here's why it's worth making time for:

- Improves Flexibility - Regular stretching helps lengthen your muscles, making everyday movements easier and reducing stiffness.
- Boosts Range of Motion - It keeps your joints moving freely, which means fewer injuries and better performance in physical activities.
- Enhances Circulation - Stretching increases blood flow to your muscles, speeding up recovery and reducing soreness.
- Reduces Stress - When you're tense, your muscles tighten. Stretching helps release that tension and calm your nervous system.
- Prevents and Eases Back Pain - Stretching your hips, hamstrings, and lower back can relieve pressure and prevent future strain. Aim for at least 3-4 times a week, or daily if you can. Even just 10 minutes can make a difference.

Special Note from the Aquatic and Fitness Center: Orientation on how to use the gym equipment is Thursday, 1 pm, stop in and sign -up; classes are limited. Contact Lonnie Davis, AFC Coordinator, with questions or problems at the AFC. AFC and Desert Oasis: See Hours of Operation on page 2.

Tue., Nov. 11, AFC pool and spa will be closed for cleaning and shock treatment, it will reopen the following morning at the regular time.

Tue., Nov. 12, AFC Spa closed for cleaning, it will reopen at 1 pm.

Wed., Nov. 25, Desert Oasis Pool will be closed for cleaning and shock treatment, it will reopen the following morning at the regular time.

Association Committees

Active Health

Rita Menet, AHC Chairperson rita.menet@gmail.com
Next Meeting-Tues. Nov. 11, 3 pm, WC2

The next meeting of the Active Health Committee (AHC) will brainstorm and explore new programming for the winter season. During the next five months the AHC will bring current health-related presentations to our community to promote an active and healthy lifestyle. Focus on what you can do to promote your wellness. If you have heard a great speaker, or have suggestions on a topic that you would like to hear, contact Rita Menet. New members or participants are welcome at our meetings.

Ambassadors

Interim Chair Larry Webster lwebsterscov@gmail.com
Ambassador Coordinator Cristy Lowing clowing@suncityorovalley.com

Ambassadors: Your Friendly First Impression of the Community

When you schedule a tour of Sun City, one of the first people you'll meet is a friendly ambassador ready to give you a warm welcome. The tour starts the Welcome Center with a quick overview of the community, where you'll learn that this building houses the Association's administrative offices. It's where the day-to-day work of running the community happens.

You'll also get a peek at some of the great amenities located right inside the Welcome Center. Two of them are the Genealogy and Technology Clubs, where members can explore their roots or stay up to date with the latest tech. Don't miss a stop at our impressive library—one of the largest among HOAs. Entirely self-sustaining, the library thrives thanks to the generous support of the Friends of the Library and the Sun City Foundation.

If you haven't taken a tour yet, we definitely recommend it. You can book one online at suncityorovalley.com click on Learn more about Sun City Oro Valley > Schedule a Tour or just give us a call at (520) 825-3711 or (520) 917-8090.

Aquatic and Fitness Center Advisory

Joe Truglio, joe@ccmktg.com
First Wed., WC1 October 2025 through June 2026

Please note that all SCOV residents are welcome to attend any of our meetings. If you have suggestions on how we can improve our Aquatic and Fitness Center (AFC); e-mail me and I will send you an AFC Agenda Submission Form. Once you return the form, we will include you on the next meeting's agenda to discuss your recommendation. Also, we want new and existing SCOV residents to know that if you would like a tour of the AFC, call or e-mail Joe Truglio and we will schedule a tour for you with one of our committee members.

Architectural Inspection Group

Conveyance Coordinator Lisa Orach 520-917-8072 lorach@suncityorovalley.com

Who would ever know?

Making changes to your home's exterior without prior approval from the association might seem harmless, especially with friendly neighbors who likely won't raise any concerns. However, this carefree approach can lead to significant complications when it comes time to sell your property. During the mandatory exterior inspection before closing, any

violations will be documented and shared with you, the title company, realtors and potential buyers. This could create anxiety for the buyer, and scrambling to rectify the situation at the last minute can be challenging. Questions about who will bear the costs for necessary corrections or the removal of features that initially attracted the buyer may arise, adding stress to an already busy time. To avoid these headaches, it's crucial to consult the SCOV Development Standards and Master Declaration on our website or contact the administration office for guidance on required approvals before making any substantial changes. The effort you invest in understanding these regulations can save you time, money and frustration down the line.

Architectural Review Committee

Board Member and Co-chair Earl Vittitoe
Co-chair Dave Olson daveoscov@gmail.com
Meetings Second and Fourth Tue., 2 pm

Everyone has trash cans. Many are kept in the garage and many have made investments in order to keep their cans on the side of their homes. Section 2.5 of the Development Standards is pretty clear. "All Trash Containers must be covered and stored on a lot not visible from Neighboring Property or the street." There are suggested materials that can be used to achieve this. If we can see your trash cans then you have not done enough to hide them.

It is not sufficient just to have them behind a gate, short piece of wall, a single bush or behind your primary AC unit. We all know the term, "Out of sight, out of mind." If you can see blue it's time to consider an upgrade.

Community Services - Katy Mosier

Architectural Coordinator Katy Mosier project@suncityorovalley.com 520-917-8058

Backyards and the Governing Documents

Several people have voiced confusion regarding whether the governing documents apply to a resident's backyard and side yards. Do the Master Declaration, Development Standards, and Tract Declarations affect the condition of my backyard? The simple answer is yes. This includes such things as landscaping maintenance, nuisances, building upkeep, renovations, storage, etc. Section 5.4 of the Master Declaration also states: "...Once duly adopted, the Development Standards shall have the same force and effect as the provisions of this Master Declaration."

Our Master Declaration defines Lot as follows: Lot shall mean an individually numbered plot of land designated as a lot on any recorded subdivision plat for the Property. This includes all the land within that plot of land. Please refer to Article 4 in its entirety and Section 8.3 of the Master Declaration for further clarification.

Emergency Response Committee

Chair Dave Olson daveobuilds@gmail.com

How can I get notifications of emergency situations including wildfires and flash floods? First, when the National Weather Service issues certain weather warnings, cell towers will broadcast the alert to all connected cell users. Other applications for your phone are available. Weatherbug provides additional weather alerts including flash flood and lightning warnings. Watchduty provides alerts for nearby wildfires. You can also set other locations if you want to keep track of the area near a second home or va-

cation home. CodeRedMobile is used by the Town of Oro Valley to send notices to town residents. If the affected area is smaller than the town, they can geofence the alerts so they send a notice to only the affected area.

Food and Beverage Committee

John Balaco 309-696-9686 balaco@sbcglobal.net
Meetings fourth Wed., 1:30 pm, Kiva & Zoom

The Food & Beverage Committee has partnered with The Views restaurant management to launch an enhanced menu in early November. Based on feedback from the resident survey in This Week in SCOV, we've redesigned the menu to reflect what you told us matters most, fewer items with consistent high quality.

The new menu retains your favorites while addressing gaps you identified, including expanded gluten-free and vegan selections.

Introducing Our New Pizza Program - We're thrilled to announce that The Views will now offer freshly made pizzas in two sizes, with multiple crust and topping options. Pizzas will be available for dine-in, pickup and delivery.

What's Changed - Some menu items have been removed or modified. After careful analysis, we eliminated low-volume dishes and those that created operational challenges in the kitchen. Our goal is to deliver variety and quality while enabling the kitchen team to work more efficiently.

We appreciate your patience as we introduce these changes. We encourage you to explore the new offerings and continue sharing your feedback through comment cards and emails. Your input drives these improvements.

40th Birthday Party - Save the Date

I honestly don't remember everything about my 40th birthday. I do remember that I thought it was a big deal at the time and that to celebrate, my wife threw me a wonderful birthday party. Perhaps the same was true for your 40th?

In 2027, Sun City Oro Valley will turn 40 years old. A Ser-

vice and Support Committee, reporting to General Manager Sandy Seddon, has been created to plan and coordinate a birthday celebration in honor of this milestone event. The vision is to: 1) celebrate ALL things SCOV; 2) bring the community together for a common goal; and, 3) raise some money for various clubs in SCOV and to support resident activities.

The thought is to kick things off shortly after the first of the year, 2027 and have a month-long multitude of events to celebrate the community. We envision multiple sports tournaments, multiple performances by talented residents in the community, exhibitions by the talented artisans living here, and so much more.

The festivities will conclude with a gala event(s) to be held on February 13, 2027.

At this point, we have way more ideas than we do details but, as we formalize plans, we will communicate them with the entire community through This Week in SCOV, the *Tipster* and the SCOV website.

If you'd like to be part of this exciting planning process, please contact R. J. Ley.

Our artists this month Jane Holder and Trisha Bergen both create jewelry using their own unique style and materials.

Jane has worked with beads most of her life. She shares that the bead industry offers endless choices with hundreds of new shapes, colors, sizes and

finishes to choose from creating endless opportunities and flexibility. Whether Jane follows a pattern or creates something different, each piece is produced by adding one bead at a time. She uses this flexibility as a unique way of adding color, texture and fun to accessories.

Trisha has a love of fused glass. As an artist she uses her training, instincts and that love of the craft to create designs and she shapes those ideas in glass. The fire of the kiln and individual creative energy produces unique glass art. Trisha enjoys both the challenging technical aspects and the rewarding artistic opportunities of glass fusing.

Located next to the Golf Barn, we're open Tuesday and Thursday, 8-9 am. Bring your SCOV card to pick up items.

November is a busy month, and it's harder to get the items you need from the Loan Room. Are you ready to make your

holiday reservations? Reservations may be made in person or on our website two months in advance. Do you need to borrow chairs or tables for Thanksgiving or Christmas? Will you need beds or strollers for your visiting family and friends? Remember, popular items run out quickly around the holidays. Our website is princetoncybernetics.com/suncityloanroom/

Borrowing periods vary by item type: medical equipment needed for upcoming surgeries and illnesses may be borrowed for up to two months, while other items are available for up to two weeks. Please clean all borrowed items before returning them.

Recycle your aluminum cans in the blue bins outside of the Auditorium kitchen. Donations support the Loan Room.

What Better Way to Give Thanks

As we enter the month of Thanksgiving, it's a perfect time to express our gratitude to the HOA and the homeowners in our community who have diligently adhered to our guidelines, ensuring that neighborhood pride remains vibrant. The Neighborhood Pride committee has been a dedicated group of volunteers, and their tireless efforts are evident in the beauty of Sun City Oro Valley, making it a wonderful place to call home.

With the return of many winter residents, some have noticed an unexpected surge of weeds in their yards, particularly the invasive spurge, which seems to proliferate rapidly after the rains. This low-growing weed requires spraying and removal after it has died, as simply pulling it out will not solve the issue due to its ability to seed and multiply.

Additionally, we want to remind residents about the guidelines regarding front yard artifacts. Empty pots are classified as artifacts and should either be filled with live plants, such as cacti, or removed entirely. Statues are also not permitted in front yards. We appreciate your continued compliance with our governing documents to maintain the aesthetic appeal of our community.

Celebrating the Tipster: A Pillar of SCOV

SCOV is incredibly fortunate to have a publication as high-quality and community-focused as the *Tipster*. This magazine keeps residents informed about upcoming special events, messages from the management team, club news, functions and so much more.

From the very beginning, back when our community was known as Sun City Vistoso, a committee of dedicated volunteer residents, guided by the Communications Coordinator, has worked tirelessly behind the scenes. Countless hours of reviews, edits, discussions and meetings go into producing each issue. The *Tipster* is truly unique; no other community offers a publication quite like it. Its reputation has even attracted numerous advertisers, providing a valuable source of additional revenue for SCOV.

As we transition to a new way of producing the *Tipster*, we're grateful for your patience. Moving from paper copies and red pens to an online system using Google Docs has been both rewarding and challenging. Like any new process, we're gradually working out the kinks.

We also want to acknowledge the creativity of our authors and submitters. While we strive to preserve each contribu-

tor's voice, we may occasionally edit or rewrite submissions to clarify content or align with community standards. If changes are necessary, we'll do our best to contact submitters before finalizing.

Save the date for The Annual Pro-Member Invitational. On Monday, November 17, at the Annual Pro-Member Invitational, we welcome one professional and an amateur from another golf club to pair with two members or residents for a day of friendly competition and camaraderie. To learn more or register, please contact the Pro Shop at 520-825-3110.

As we take a moment to express our gratitude this season, we extend our warmest Thanksgiving wishes to you and your loved ones. May your day be filled with joy, gratitude and excellent golfing.

Director of Golf Maintenance - Michael Kropf
mkropf@suncityorovalley.com 520-917-8063

The first part of November is when the golf course has dried up from the water used during overseeding. The ground is firm enough to allow the golf carts off the paths and on to the fairways. This would be a good time to refresh

everyone on the rules associated with leaving the cart path with a golf cart.

Many golfers seem to prefer driving down the entire length of a hole on the grass. For those golfers that insist on driving the length of the hole there are "gates" where carts will pass through to both leave and return to the cart path. Once the cart leaves the path through the gate it will drive straight to the fairway. The cart will remain in the fairway until it reaches the other end of the fairway where it will leave through the exit gate. The goal of the gate system is to prevent carts from driving the entire length of the hole in the roughs creating a worn path parallel to the fairway which was what happened in the past.

However, the 90-degree rule is always the preferred option instead of driving down the middle of the fairway. If a drive ends up in the middle of the fairway, then stay on the cart path and enter the fairway at a 90-degree angle toward the ball. If the approach shot is near the green, then exit the fairway at 90 degrees back to the cart path and proceed to the green using the cart path.

Our purpose is to ensure transparency and ongoing dialogue about golf course operations, improvements, and community needs. As the primary communication and advisory bridge between golf leagues and golf course management, the committee is a two-way communication channel for golfers (both residents and non-residents) to voice their ideas and concerns while also enabling management to share their plans and updates with the golf community. Our meetings are open to members, held on the first Wednesday of each month, December through May, 2-4 pm, WC3.

The Men's 18-Hole League board has been busy for the last few months updating the group's handbook and budget. The first process was to come up with a working budget with an attempt to include all future income and expenses. A re-

vised set of by-laws have been re-written and was approved by majority vote at the Bash on October 29. Another document completed is the Event and Tournament handbook that includes the weekly schedule and dates for all the major tournaments. The last document completed is a description of the games, new and old, that our group will be playing.

The board will be posting all the information on the Golf Genius website in the member portal. It is a great time to be a member of the Men's 18-Hole League with an exciting upcoming year.

We will pay out hole-in-one winners Bob Newman, Jim Mitchell and Byron Hays at this event. Phil Ogorzalek is our honorable mention member who got an ace but he didn't get it at The Views. This past season had a bumper crop of aces after a long dry spell. Remember, when you join the league, and you should join today, be sure to pay the \$10 hole-in-one insurance because you just never know. If you are hesitating on joining, just make the move. The nice part of playing just 9 holes is that you can finish in a couple of hours and go do something else. As we say, half the time, twice the fun.

As we near Thanksgiving, rest assured—we are planning a Thanksgiving celebration to remember. Our Annual Thanksgiving Celebration Buffet will once again bring together the very best of the season. Imagine tables filled with all your traditional favorites: tender roasted turkey, savory stuffing, creamy mashed potatoes, and perfectly spiced pumpkin pie. Add in our team's signature hospitality and the joy of sharing a meal with friends and family, and you've got a Thanksgiving experience that will truly make the day special. We look forward to welcoming you for what has become one of our most cherished annual traditions.

Looking back, our Welcome Back Luau was nothing short of spectacular. The day was filled with laughter, smiles, and a wonderful sense of community as everyone came together to enjoy fantastic food, lively island-inspired music, and the warmth of good company. The colorful leis, the tropical décor, and the festive spirit made it a day we'll never forget. We're thrilled by the incredible response and can't wait to make the Luau an annual event for years to come. It's a celebration that perfectly captures the fun, connection, and energy we love to share with all of you.

For our sports fans, November is bringing some serious excitement. On Sunday, November 9, 1:15 pm, the Arizona Cardinals face off against the Seattle Seahawks, and we'll be showing the game live on the Terrace. Grab your friends, wear your team colors, and join us for our \$20++ Game Day Buffet. The spread will include juicy cheeseburgers, crispy wings, tangy coleslaw, hearty potato salad, tender pulled pork and chips and salsa. It's the perfect lineup for game

day. Delicious food, cold drinks and an unbeatable atmosphere. Whether you're a die-hard fan or just here for the fun, it's sure to be an afternoon to remember.

And finally, one of the most exciting announcements of the season, November marks the launch of our brand-new Menu and Happy Hour. We've been hard at work crafting fresh, creative dishes that balance new flavors with the same high-quality ingredients and presentation you've come to expect. There's something for everyone, from crave-worthy small plates and refreshing cocktails to hearty entrées perfect for sharing or savoring solo.

We're thrilled to introduce something completely new to our lineup: Pizza. That's right, this November marks the debut of our pizzas, freshly crafted with premium ingredients and baked to perfection. Whether you're in the mood for a classic combination or something with a little extra flair, these pies are sure to become instant favorites.

With the holidays fast approaching and so many exciting happenings on the horizon, there's no better time to stop by, catch up with friends, and see what's new. November promises great food, great fun, and plenty of reasons to celebrate. We can't wait to share it all with you.

Thanksgiving gives us a chance to pause and think of all the blessings that we all enjoy; family and friend gatherings, scrumptious food, a time of peace and reflection. Aren't we all fortunate to live in such a beautiful setting as Sun City, full of friendly folks and so many activities to keep us occupied in our waning years. We truly have so much to be thankful for. Now you will have a chance to show that appreciation by joining so many of your neighbors by making Sun City an even better place to live by giving back. Think of those blessings when you receive your request to contribute to your Foundation. One hundred percent of your gift goes to enhance your community and enrich your life by donating to clubs and organizations with health, recreation, education, culture and charity needs beyond what the HOA can provide. You can make a difference. Want to get the biggest bang for your buck? Attend the "Year End Tax Strategies and Charitable Giving" seminar sponsored by your Foundation on Wednesday, November 12, 10:30 am, Catalina Vista. Learn a few strategies on how you can maximize the dollars you give.

The Sun City Community Foundation awarded the Wheels for Kids program funding to be part of their annual expenditure of \$33,000 to refurbish or purchase more than 600 bicycles for children in the Tucson area who otherwise would not be able to afford their own bike. Many of the bicycles that are donated come in a wide range of conditions. In addition to a new bike, each child receives a lock and helmet. Funding for the program comes from individual donors and grants. Wheels for Kids has been operating since 2008 and

has distributed more than 7,000 bicycles. Currently 40 Sun City residents volunteer year around to work on the project and deliver bicycles to 13 charity organizations in the area who arrange for the distribution to families. If you can remember those learner days on your first bike, then you can understand the joy the children experience when they receive their very own bike from Wheels for Kids.

Call for information, support and encouragement.

A Grief 101 and Navigating the Holidays Presentation will provide anyone grieving or companioning a griever with some helpful tools, insight and comfort for the upcoming holidays and the year ahead. All who are considering joining the grief group are especially invited to attend November 12 and will be welcome to join the Grief Group meetings starting December 5, 2-3:30 pm, AC/Hopi. Meetings are regularly held the 1st and 3rd Wednesday of each month, 2-3:30 pm.

Grief Tip: The point is not and never will be to stop the grief. That's like stopping the ocean. The point is to find ways to swim.

Arts, Crafts & Hobbies

Art League

Pres. Susan Taylor 719-205-6262 SusanCarolTaylor@aol.com

Have you seen the new art, hung on October 1, in the Activity Center? Did you know that every three months this art is refreshed? This process takes approximately four hours, and a team of wonderful volunteers who collectively tackle this job. The volunteers remove existing art, coordinate the return of art to artists, collect new art, ensure hanging materials are correct, gather new art information for the placard hung next to the piece and hang all items in eye pleasing gatherings.

Bark Carving

Dick Minch 262-844-7444 minch11864@msn.com
Tue., 1-4 pm, Thu., 9 am-Noon, ART/Lapidary

This month I would like to present you with the history of wood carving which especially concentrates on hobo and tramp carvers. I would strongly recommend that you secure a copy of *Hobo & Tramp Art Carving* by Adolph Vandertie and Patrick Spielman from your local library. This book provides an enlightening literary and visual presentation on this important period of our nation. You will have an opportunity to learn about similarities, differences and how they managed to maintain their chosen lifestyles with many examples of their carvings.

Beginners' Creations

For the last month, the Clay Club window sign said, "We were all beginners once." And for all of us our clay journey started with the Orientation Classes. The classes have begun

this fall, and the picture shows samples of what new clay beginners made in past classes. We welcome our new members and wish them many years of creation, satisfaction, comradery, and pride.

Here's a heads up of an outreach program in which the club participates. Each year we make soup bowls for the Empty Bowls project. This nation-wide initiative raises money for food shelters. This year we are going to exceed our past soup bowl contributions. More information will come in the December *Tipster*. And this would be a great way for our new members to get involved in the club.

Look for changes in the glaze room that will result in more efficient use of the space.

Gourd Art

Mon., 1-4 pm, Fri., 9 am-Noon, ART/Lapidary

Fall has arrived and more and more of our gourd artists are returning from cooler summer climes and are busy at work in the gourd room. This is the perfect time to come and visit our gourd artists at the Artisan Center. We would be more than happy to show you what we are currently working on. You might even be inspired to join us. Our members are always willing to help newcomers and we have everything you need to get started. Happy Thanksgiving Day to all.

Japanese Flower Arranging

President Nicole Laing nlaing88@comcast.net 541-740-9688
Membership Janet Robinson, janie1020@gmail.com, 520-297-0186
Mentor Don Marier
Second and Fourth Mon., 12:30-1:45 pm, CV/Pusch Ridge

The Japanese Flower Arranging Club, aka Ikebana, participants make and take a flower arrangement at the end of class. Members learn about flower preservation, cutting stems, shaping branches and using their eye to create harmonious arrangements where modern, minimalist design meets traditional Japanese practice. Seasonal flowers and branches are available for purchase, or bring your own. Arrangements are created in a variety of low round, square or rectangular containers using floral pin frogs to hold the stems. Have fun in a collaborative, supportive environment. Contact Nicole to learn what materials are needed to get started. Don Marier, the club founder ten years ago, will join us January and February.

Knit and Crochet

Jane Fairchild 520-909-5069 janemail11@yahoo.com
Mon., 2:30-4:30 pm, AC/Hohokam

If you have a knitting or crochet project and need help, or just want to chat, come join us. Our ongoing project is crocheted sleeping mats made out of plastic shopping bags. We deliver these mats to the Sister Jose Women's Center to benefit Tucson women who are experiencing homelessness. You can participate in this project by cutting the bags into strips, stringing them into plastic yarn (plarn), and/or crocheting them into mats.

To donate bags from Fry's, Safeway, Walmart, etc., drop them in the porch basket anytime at Jane Fairchild's home at 1750 E Crown Ridge Way. Keep in mind that we cannot use newspaper bags or the thin plastic produce bags for this project. If you would like to donate bags, please make sure the bags are clean, flattened and sorted by color.

This classic static model of a Chris Craft boat was chosen to be modified with an electric outboard motor and remote control, to turn heads at the lake... an all-custom design, one-of-a-kind combination model that was fun to create by one of our members.

Join us at any of our twice-monthly meetings. The first meeting is on the second Friday, Catalina Vista, and the second meeting is called "How Goes It" on the fourth Friday, ART/Modelers. Social time starts at 8:15 am for donuts and coffee at both. We share our projects, techniques, and some great stories. All visitors are welcome and appreciated.

Open Studio Artists

Pres. Carol Nagel 520-825-3097 carolm93@comcast.net
Tue., Wed., Thu., Sat., 9 am-1 pm, CV/Art Studio

Most artists have more art supplies than they will ever use. Think about cleaning out your supplies and donating them to other artists. There are new residents who are just starting a new hobby in art. They would love to have some of the items you no longer need. There is a donation table in the Art Studio for your donations, or contact Carol Nagel for pick up.

Sculpture

Dale Foster 520-825-0707 fosterdale1248@gmail.com
Mon., 9 am-5 pm, CV/Art Studio

The Sculpture Club meets on Mondays in CV/Art Studio. Anyone interested in becoming a member or learning more about our club, stop by Monday morning or contact Dale Foster. Our sculpture pieces are in the glass case and art room window inside Catalina Vista, a showcase outside of the library and inside the library.

The picture is Gayle Franklin's finished Aztec God and his Jaguar sculpture. The 18-inch-tall sculpture's armature, internal structure, is a vertical block of wood wrapped in aluminum foil which Gayle formed into the desired shape.

After applying the polymer clay and adding the fine details, Gayle baked the Aztec God. She made, baked and painted the Jaguar separately then attached it to the piece. To emulate stone, a textured spray paint was used on the God. She particularly likes the green beads she used for the jaguar's eyes which seem to follow movement.

November is the month Seniors for Kids (SFK) asks for donations of stuffed animals, dolls, and toys for "Kuddles For

Kids". Collection boxes will be at Catalina Vista, Desert Oasis, Library, Activity Center, and Aquatics and Fitness Center. Please be generous and support our children in Mammoth, 3Points, and Sells (Tohono O'odham) for the holiday season. Let's make this a terrific holiday and put smiles on their faces. Then stop by Thursday, December 4, 9 am, WC, where all the wonderful items SFK made and what has been donated by our community, will be on display. Later we will deliver to the three communities. Remember, SFK is a 501(c)(3) charitable organization. Your donation counts, not only for children, but also as a tax deduction.

Cheer Bears

Pat Norton 480-993-8762 panpan9803@yahoo.com
Wed., 1-3 pm, ART/Sewing

We are still embroidering faces and sewing bodies, stuffing them with love and filling the shelves for the next set to march out to new families. Life is good and spirits are up. We are looking forward to joy with excitement.

Cheer Bears is a happy group that spends much time working and sharing with each other. Members enjoy each others company and share their favorite recipes and restaurants. Sometimes we even take a day off and go to those restaurants for lunch. Come and join us to create our little bears.

If you are interested in learning to run the new embroidery machine, Cheer Bears is a good place to practice your skills after being trained by Karen Frolich.

If you find you have some polyester fiberfill, we are in need of it to plump up the tummies of the bears. Flannel is our cloth of choice also. Donations are always accepted.

"Iron Quilters" at work

Many members enjoyed our first ever Iron Quilters event in September led by Janet Pugh. We split into small groups, were given a set of fabrics and decorations, and had a finite amount of time to design and execute a small art quilt.

The club's quilt challenge for this year, led by Mary Jo Miller, is to design and make a quilt of any size that depicts a favorite season. The entries will be displayed and voted on at our November 11 luncheon meeting.

Cheryl Langer will teach a "Cathedral Windows" class November 20, 1 pm, ART/Sewing.

Several members have been hard at work on next year's Opportunity Quilt, led by Sherie Jones. Look for it at various venues in the next few months and help us support select charities by purchasing tickets for the opportunity to win this quilt at our next annual quilt show Sunday, March 1.

The Tapestry Hooking and Fiber Arts group meets on Tuesday, 9-11 am, ART/Sewing. We welcome people interested in any fiber-related artwork. We provide materials and instruction for those interested in learning to hook.

During the summer Carrie Wiley finished the hooking project. She chose the scene because of her relative's love of angels. As you can see in this piece, there is movement with the way the piece is hooked. Carrie used circles and waves in the sky with variegated colors. The tree has the hooking

vertically. There is movement in the mountains, but it is not as apparent because of the muted colors.

Show 'n Share

Leader Deb Wehrung 267-377-6760 debwehrung@gmail.com
Every Fri., 9 am-Noon, Catalina Vista

Show and Share is a crafters group whose members work on a variety of portable crafts. We have crafters who create cards, tapestry and jewelry, who knit, crochet, embroider, scrapbook and more.

Show and Share has a spin-off group for junk journals. Stop by Catalina Vista on the 2nd and 4th Wednesday, 1-3 pm, to see what this fun paper craft it is all about. If you create junk journals, bring them along to show us your creations.

Show and Share is designed to encourage creativity. Show us what you love to do and share your interests, ideas and techniques.

Welcome November. The holidays are coming. Do you need new serving dishes for Thanksgiving? New ornaments or presents for the holidays? Consider making them out of glass. Stained and fused glass making is a beautiful and intricate art form that has been around for centuries.

It involves cutting and arranging pieces of colored glass to create stunning designs and patterns. We provide equipment and training for both Stained and Fused glass. A variety of classes, social events and contests are offered at various times throughout the year. The only thing you need is imagination and a willingness to learn. Save the date: December 6, annual Holiday Party.

Painting of a Chauvet cave painting

AI is reshaping photo editing by automating tasks like object removal, noise reduction and up-scaling. It can even focus a blurry picture after the fact. Tools like Adobe's Generative Fill and Topaz Photo AI let users achieve polished results

quickly, with minimal technical skills required.

But there's a catch. The ease of AI can blur the line between authentic photography and synthetic imagery. Over-use risks creating images that feel artificial, or worse, deceptive. When AI generates elements not captured by the camera, some argue it's no longer photography at all.

In short, AI is a powerful tool but it demands restraint. It's up to the photographer to use it with intention and integrity.

The Vistoso Photo Club rule is no generative AI. Denoise and object removal are acceptable.

Note: Our next competition is Wednesday, November 12. Anyone can attend. There is no November program meeting due to the holiday.

The members-only October Pizza & Stars Party was fun. Thursday, November 6, will be a guided tour of ASU School of Earth and Space Exploration. Details on our website.

Thursday, November 20, meeting: "The Break of Cosmic Dawn: What We've Learned About the Early Universe" is open to all. Since the launch of the James Webb Space Telescope (JWST), our understanding of the first stars and galaxies has come into focus. Photometric and spectroscopic observations have taught us about the unique histories and properties for galaxies.

Dr. Kevin Hainline, assistant research professor at Steward Observatory, member of the NASA/JWST Near Infra-Red Camera science team, a team member of JWST Advanced Deep Extragalactic Survey (JADES) and producer of online night-sky star gazing videos will describe what's been learned about galaxies and what their properties tell us

about the evolution of the Universe.

Poets Corner

Sharyn Rafieyan, 520-825-6762, srafieyan@comcast.net, 1281 E. Clearwind Pl., Monday, 10 am-noon, zoom, no website

As we continue to age, it's easy to recede from life. This poem by Poets Corner member Sharyn Rafieyan is meant to remind us that life can, indeed, be hard, but also very rewarding. Let us also remember why we celebrate Thanksgiving and be grateful, once again, for who and where we are.

Let me not be tempted

to evade what must be done
on lists I've left unchecked
that need attention.

Let me not ignore the clock
when sunlight pries my eyes.
Squeezing won't retrieve the dream.
It's time to face reality.

Let me not be satisfied
with mediocrity,
unless I've truly striven
to achieve beyond my means.

Let me not be truant
when others need my aid.
Heart should not be ruled
by unkind mind.

Let me not be tempted
to choose the smoother path.
Life should be a challenge
worth pursuing.

 Second Sat., 1-2:30 pm, AC/Hopi Hohokam

A Conversation with Members is the theme for the November Democratic Club meeting, Saturday, November 15, 1 pm, AC/Hopi and Hohokam. Please note that this meeting has been moved one week later than our usual schedule due to the Arts and Crafts Fair on November 8.

Bring your ideas and questions to the meeting so we can brainstorm about the goals and actions that we can take as a club as we head into the important 2026 election cycle.

If you have not paid your 2025 dues, please bring a check for \$20 to the meeting or pay it on Act Blue. As always, bring a food or monetary donation for IMPACT of Southern Arizona.

 Meets third Thursdays. Oct-Apr, 1pm, AC/KV,NA,HO Rooms

For our November meeting we are happy to present Noelle Johnson, horticulturist, author, landscape consultant. Noelle helps desert dwellers create, grow and maintain beautiful outdoor spaces that thrive in our hot desert climate. This month she will be focusing on cacti and succulents. For more info and to preview her books, visit azplantlady.com. We hope to see you at the meeting.

Conscious Aging

Pres. Phyllis Burks 520-245-2785
 SCOVConsciousAging@gmail.com
 Wed., 9-10:30 am, AC/Navajo

Conscious aging is about the inner work of reorienting ourselves as we turn from our roles we assumed while managing careers and tending families, to turning inward and cultivating a deeper awareness of who we are now. Our goal is to discover how to face the known and unknown challenges of aging. With the help of our community, we are pondering the questions: Who am I? What are my values? What do I believe? What matters most to me?

This inner work is supported by mindful movement such as qigong, guided meditation and book study that draws from psychology, sociology, metaphysics, philosophy and meditation. Conscious aging is about accepting who we are now. Our meetings consist of a short period of easy mindful movement, followed by guided meditation and discussion. Please contact Phyllis for information or email the club.

Culinary board of directors and members who provided demos

November marks the one-year anniversary of the Culinary Discussions Plus Club. Over the past year, we've enjoyed a wide variety of events.

Presentation topics included distilling agave, updates from The Views, kitchen safety and information about local restaurants. We also hosted demonstrations and tastings, such as our 2024 holiday appetizers, Valentine's sweet treats and a Mexican Fiesta, all three led by our own members, plus a Thai cooking class at Sybil's Kitchen, and a special Mediterranean cooking demonstration and meal presented by Sybil here at SCOV.

Our annual business meeting with the election of officers will take place Wednesday, November 12, Noon, AC/Auditorium. Membership dues remain \$10 payable in November.

Members, be sure to mark your calendars for the 2025 holiday event, Wednesday, December 17, 11:45 am-2 pm, CV/Pusch Ridge and Patio. More details will be shared soon.

We look forward to another exciting year filled with flavorful and inspiring culinary events.

Dog Club - Fido's Friends

Pres. Kris Sigford, 612-747-0487
 Membership Jen Bleth, jableth@yahoo.com
 Club email scovff@gmail.com

Happy Yappy Hour

Fido's Friends Dog Club is a fun and social group for dogs and their owners to connect and have a great time. Mark your calendars for Thursday, November 20, 1 PM, Hopi. We'll

catch up, chat and plan our adventures for the year ahead. We also host Snake Aversion and Colorado River Toad Aversion Trainings. And guess what? Membership in the club also gives you access to the K9 Korral Dog Park right here at SCOV. It's open 24 hours a day, and many of our members meet there daily to relax and let their dogs play off-leash. To join, send an email to scovff@gmail.com and request a membership application. Oh, and remember to be mindful when introducing new dogs to the existing packs at the park. Many of our regulars are very welcoming, and their humans can help with introductions.

Les Stellman 410-292-6868
www.havurahscov.org

Havurah is a club that celebrates Jewish culture and holidays. All are invited, you don't have to be Jewish to join us and enjoy warm friendship and camaraderie. Our next event is a fall brunch on Sunday, November 16, 10:30 am, Activity Center, Navajo. Cost is \$18 per member, \$21 per nonmember. There will be a Hanukkah party in December, which promises to be a fun evening. Check our website or contact us for more information.

Investment Discussion Group

Pres. Bruce Goslovich bruce@goslovichfc.com
VP. Dave Korzendorfer dkorzend27@comcast.net
Sec. Linda Bold lindabold6@gmail.com
First and Third Fri., 10 am-Noon, WC 3

Our group reviews and discusses the stock and bond markets, the economy and general investment trends, emphasizing portfolio growth and stability applicable to most investors. We discuss current events and search for market trends, opportunities and pitfalls. Occasionally, and sometimes with outside experts, we use more formal presentations to delve deeper into topics of interest to all. We are a low-budget group; we charge no dues, sell no products and provide no refreshments. We occasionally offer a Basics session at 9 am and will email members about that.

Mindfulness Meditation Club

Pres. Terry Miller 914-255-1726 TMillerSCSU@aol.com
Sec. Bonnie Grant-Baird bjgrantb77@gmail.com
Tue., 3 pm, CV/Mt. Lemmon Room or Patio

Mindfulness Meditation Club meets Tuesdays 3 pm, Catalina Vista patio or ART if inclement weather. The format is 15 minutes of a mindful reading and reflections, followed by 25 minutes of silent sitting meditation, a 10-minute silent walking meditation and another 25 minutes of silent sitting meditation. Enter or leave quietly at any time.

We welcome everyone to come regardless of experience or background. Come and experience the insights that arise from the practice of silent meditation in a supportive group of other meditators.

In November, we begin a weekly book study of *The Wakeful Body* by Willa Blythe Baker, meeting on Wednesdays, 3 pm at the same location.

For information/orientation, we suggest arriving 10 minutes early to ask those who regularly attend or email Bonnie Grant-Baird.

Prepare & Share - Dinner Club

Pres: Deborah Winger, 765-720-5148 scovprepareandshare@gmail.com
www.scovprepareandshare.weebly.com

A warm welcome to returning part-time residents and new members. Members of Prepare and Share enjoy getting to know some of their SCOV neighbors and friends who take pleasure in cooking and eating interesting food. Themed dinners take place from December to March in members' homes. Everyone brings part of the meal, so there is not a huge effort for the host. April through November, group events such as an Ice Cream Social and a Burger Bash take place. Saturday, November 1, is the fall kick-off event. Check the Prepare and Share website for more details about upcoming events. If you have questions or would like more information on joining, contact our president, Debbie Winger.

Exercise

Aqua Tone

Irmel Wheeler 520-334-0957 irmel5596@gmail.com
Tue., Thu., Sat., 9 am, AFC/pool

Aqua Tone is a water workout that incorporates a variety of rhythmic body movements. This aquatic exercise class enhances cardiovascular fitness and muscle endurance. It includes warm-up, cool down, various swim strokes and strength exercises. We use buoys, boards, noodles, balls and a fitness band. Most of these items are available at the pool. Participants need to be able to do a basic swim strokes. The class is being taught by club member volunteers. There is no fee for Aqua Tone. Please call Irmel for more detailed information before your first visit.

Arthritis Water

Pres. Norma Waters normawaters1@hotmail.com
Vice Pres. Andrea Houston ahouston2@lsu.edu
Mon., Wed., Fri., 10 am, AFC/Pool

Come enjoy the weather while getting healthy exercise. Our meeting time is 1 pm. Join us Mondays, Wednesdays and Fridays. The Arthritis Foundation recommends meeting when the air temperature is 77 degrees or warmer.

Our club performs gentle exercises which target all muscles. They are used by several health organizations to increase strength and balance, mobility and flexibility.

Exercise is helpful in managing arthritis, fibromyalgia, replaced joints, etc. Some new members have expressed surprise at how quickly the first sessions had already increased their abilities to move. Others commented they noticed improved stamina.

New members are always welcome. Our members are fun, accepting and welcoming. We frequently hear "I came for the exercises and love all the friends I have made."

Your first class is free. Yearly dues are \$5. There is no fee per class. Hope to see you there.

Energetic Exercise

Pres. Peggy Smith 520-400-8659 pdsaz@aol.com
Mon., Wed., Fri., 8-9 am, Auditorium

As cooler weather arrives, it's a wonderful time to walk, bike and hike in our beautiful region. To help you make the most of these outdoor activities, consider joining a one-hour exercise class that prepares your muscles for those extra miles. Strong legs and arms are vital not only for biking and hiking, but also for daily chores in the garden or at home.

Led by Sally, our classes take place three times a week and are designed to be fun and varied. Sally ensures everyone uses weights and bands safely, since incorrect technique can do more harm than good. Every participant is encouraged to work at their own pace and enjoy the experience while strengthening all major muscle groups.

Membership is just \$3 cash in an envelope, and class cards are available for \$30, covering 12 sessions.

The SCOV Pilates Club offers group mat classes Mondays from 3-4 pm and Thursdays from 1:30-2:30 pm, AFC Studios 1/2, AFC. Each person is striving to increase their core strength. The core muscles are deep abdominal and back muscles that help you stabilize your pelvis and spine. Each class always begins with warm-up exercises. The actual Pilates exercises result in benefits that can't be beat: better balance (fewer falls), more flexibility (joints move again), increased muscle tone (you're stronger) and more energy and well-being. The instructors oversee us at all times and have modifications for the most strenuous exercises for anyone with limitations. The cost is \$8 cash pp, per class, and annual club dues each January are \$20 pp. Call Mary.

Five Crowns is a fun and easy game to play (see website for short video). Players are randomly assigned to tables, and each game normally takes one hour. You can come for 1, 2 or 3 games. Please arrive 5-10 minutes before start times, which are on the half hour. For each game you play, you need to bring 12 dimes and 1 quarter. Our Holiday Pot-

luck will be on December 6. New players are always welcome. Club dues are \$7/year.

Annette Cody came up with an interesting factoid. The Mah Jongg game gets its name from the Chinese word for sparrow because when the tiles are mixed they sound like chattering birds. Listen for the birds the next time you are mixing the tiles.

As announced last month, we are reinstating our yearly \$5 membership dues. The cash only dues collection starts this month. Exact change appreciated.

Sun City Singers will present "The Joyous Season Concert Tuesday, December 9 and Friday, December 12, both at 7 pm, Auditorium. You will hear songs of the holidays, traditional pieces and might get a chuckle or two along the way.

Please join us for this joyous start to the holiday season.

(See our article in this month's Coming Events for details on ticket sales.)

Also: We have opportunities for people who would love to become involved, singers and non-singers. Join the fun and learn the ropes alongside our concert coordination crew:

Publicity: Help design posters, write ads and announcements. Great opportunity for a graphic artist.

Program: Work closely with our director Don Hess to create the printed program.

Setup: Lights, camera, action: Support the A/V Team and help with physical setup.

Tickets: Selling, both before and at the concerts.

The Birding Group has two very active periods each year. Spring is always the best time to look for songbirds almost anywhere in North America, but winter is a great time for water birds and special species in Arizona. Admittedly we slow down a bit in November and December because of the holidays and do mostly local trips, but in January we become revitalized and restart with our traditional trips to Whitewater Draw (WWD), Willcox and the Santa

Cruz Flats. But there is no need to wait for the WWD trip as the sandhill cranes will be showing up there this month in great numbers along with snow geese. Unfortunately, the Fish and Game trail camera at WWD is currently inoperative; and you can't see them remotely, but we are hopeful for its return this month. Contact Peggy for more information and to get on our trip list

It's November; the snowbirds are flocking in, and action on the court is heating up. It's a perfect time to check us out. We welcome experienced and novice players, men and women. If you have ever played and want to get reacquainted with the sport, or if it's something you'd like to try, come join us. Many members hadn't played in decades; now they're regulars on the court. It's a great way to get good, fun exercise. Our main game is doubles, though some members like to play cut-throat (3 players) prior to the designated court time.

Spare rackets, balls and safety goggles are in the storage room. If interested, contact any of our officers. Dues are \$5 pp annually. Our Potluck/Business Meeting is in January, and spring BBQ is in March.

Give us a try; our members enjoy great camaraderie both on and off the court.

Basements were great things for kids in much of the country and so many of them had ping-pong tables back in the 50s. While basements with ping-pong tables are a rarity in AZ, ping-pong still thrives in SCOV. Although we play table tennis, it is basically the same game. The main differences are in the rules relating to the serve. The ball must be launched from the flat palm of your hand vertically at least six inches before being struck and bounced on the server's side and crossing the net. The server must also contact the ball from behind the table's edge. In singles it can be served anywhere to the opponent's side but in doubles it must always be served diagonally from the right side of the table. Join us in the cool of Catalina Vista.

Tennis Clinic

Ready to add some fun, fitness and friendly competition to your week? Consider picking up a racket and hitting the tennis courts. Tennis is a fantastic sport for everyone, offering a great low-impact workout that improves cardiovascular health, agility and mental focus. It's also a

wonderful way to socialize, meet new people and enjoy the outdoors.

Whether you're a complete beginner or a seasoned player, there's a spot for you. You can find opportunities for casual games, lessons, clinics and social events designed for various skill levels. New members can sign up at www.scovtennis.com.

Social Events like the Ladies Round and Wednesday Night Lights are always favorites. Dates and times for all these socials and events can be found at www.scovtennis.com. So, dust off those sneakers, grab a racket and discover the joy of tennis. You'll be surprised at how much you enjoy it.
