SCOV Financial Update

by Howard Schulz

The pandemic (a word we use frequently in today's world) has altered our methods of communication. We now have Zoom meetings and emails, and neither is as it used to be. Therefore, I am providing this financial update in the *Tipster*, so residents can have the opportunity to review it.

SCOV ended the fiscal year on June 30, 2020. Financial results can be accessed on our website. Annually, SCOV financial results are subject to an audit. The audit is currently ongoing and is scheduled to be reported to the Board at their October meeting. Following are unaudited results.

2019-2020 (\$k)	Actual	(2019-2020) Budget	(2018-2019) Actual
Revenues	\$6,952	\$6,924	\$6,949
Expenses	\$6,999	\$6,921	\$6,697
Surplus/Deficit	-\$47	\$3	\$252

SCOV 2019-2020 fiscal year ended with a deficit of \$47k. As communicated at the April annual meeting, an updated outlook indicated this deficit amount.

Both the golf course and the restaurant revenues were significantly outperforming the budget for the first eight months of 2019-2020, and were on pace for a record year. From March to June 2020, the golf course and restaurant operated with pandemic controls. The restaurant experienced reduced operating time and capacity. Golf operations ended the year better than budget (\$157k), while the restaurant ended over budget (\$242k).

The greens project was completed on schedule and is anticipated to be on budget (\$1.2M). Based on the community vote, the COMCAST agreement was finalized this summer. We received a payment of \$373k, which the Board directed into the contingency fund to be used to cover unanticipated needs. Also, smaller revenue share payments are expected from COMCAST over the next 10 years.

Payroll Protection Plan loan funds were received for \$616k

in 2020. This money was used for payroll and payroll-related expenses and utilities for allowed May and June expenses. The money remains a liability on the balance sheet until loan forgiveness is granted. A key requirement for loan forgiveness will be to achieve pre-COVID staffing levels.

Looking Forward (2020-2021)

As budget planning was completed early in 2019, SCOV's operating revenues and costs for 2020-2021 did not include any pandemic impacts. Revenue streams are comprised primarily of homeowner dues (57%), golf revenues (21%), restaurant revenues (17%) and others (5%). While some HOAs experienced collection issues, our dues collection is similar to prior years.

With the opening of the new greens, golf revenues are expected to again be strong. If limited availability of the restaurant continues due to mandated controls, revenues are likely to be lower. The pandemic also resulted in lower usage of the restaurant by residents, which is understandable. As time passes, please consider how you can support this key amenity.

On the expense side, payroll and benefits (53%), supplies and expenses (18%), utilities (16%), and cost of goods sold (11%) are the primary components.

The pandemic has affected SCOV's financial results and is likely to continue. I believe I can speak for the Board by saying that SCOV has a strong financial position. The asset reserve (for maintaining our assets over the next 30 years) is funded at over \$5M. The capital fund has over \$1.6M. We will monitor our plans/results, and seek Board approval to update our plans as needed to offset pandemic-related impacts and optimize financial results.

Let's Just Say It: We're Tired of Being So Limited

As residents of this great country, we are used to going where we want, when we want, buying what we want and saying what we want without restrictions.

This year we've seen many changes to what we were used to. We've rediscovered one thing we've never been able to completely control is global pandemic situations such as what we are currently dealing with.

In our world here at Sun City Oro Valley, many sacrifices have been made by our residents in the interest of public health. I'd like to recognize a few of them; to list them all would take this entire publication. Residents and clubs pitched in to make thousands of masks that were distributed to residents and front line workers at places like hospitals. Clubs donated meals to the hospital for staff; some donated meals to our local fire house. All of this and more was done by residents and staff who donated many, many hours of service, supplies and money.

The Greens Reconstruction and Driving Range Expansion Projects

Necessity Provides Opportunity

by Tim Kelley

Golf course greens have an expected useful life of 25 to 30 years. The Views Golf Course (The Views) greens were 33 years old. The useful life of our greens was adversely impacted by the salts and particulates in the reclaimed water used for irrigation, compaction of soils, and invasive grasses that all contributed to poor and failing turf conditions.

2) Install graded materials to enhance root growth; 3) Install sub-base drainage lines to allow flushing of salts and 4) Improve ability for safe, effective maintenance.

Growth of The Views golf business over the last five years can be measured by an increase in rounds played of 64% and revenue increase of 50%. Growth of the women's and men's golf club membership and event participation served

The #2 green, before construction (left), was redesigned to significantly improve the playability and maintainability of this hole.

The construction of the original greens was a simple "push up" construction. The greens did not have drainage, and years of irrigating with reclaimed water resulted in salts and other minerals being accumulated between the green and native soils. Without drainage, these minerals could not be flushed away.

In March 2017, the SCOV Board approved the formation of the Greens Reconstruction Planning Committee (GRPC). Members included Chair, Howard Schulz; Pattie Horning; Debbie Hoffman; John Rowe; Doug Kimble; Diana Malchow and Barbara Ross.

The GRPC's first task was to define the extent of the problem. Soil cores taken in February 2018 confirmed that the soils were compacted and salts could not drain away. Two independent agronomists agreed that green life could not be sustained and recommended green reconstruction.

The GRPC mission was to develop a scope of work and construction plan that would bring the greens and surrounding complexes to a design that addresses the existence of salts caused by using reclaimed water for irrigation, improves the maintainability of the golf course, and improves the greens for playability by all users.

Project scope was to 1) Enhance life of the greens;

to validate the need to expand the putting green, driving range and short game practice areas. Over one million revenue-producing golf balls were hit on the driving range in 2019.

The recommendations of the GRPC and the continuing growth in the golf business at The Views resulted in the Greens Reconstruction (GRP) and Driving Range Expansion (DREP) Projects being approved by the SCOV Board.

Views Greens and Driving Range Projects Milestones

March 2014	United States Golf Association agronomist visit confirmed that the greens were failing and in need of reconstruction.
March 2017	Green Reconstruction Planning Committee Charter approved.
January 2020	Construction contract awarded to Pro Turf International.
4/20/2020	Start of construction.
7/15/2020	Substantial completion of GRP.
7/24/2020	Substantial completion of the DREP.
October 2020	Initial play on new greens.

Greens Reconstruction, continued on page 5

General Manager, continued from page 3

In addition to this voluntary sacrifice, many were called upon to sacrifice involuntarily. We were forced to close the restaurant for dine-in service and other facilities, which put a crimp in nearly everyone's SCOV lifestyle. We had many in our active community change their form of exercise. Most of us had to learn different forms of entertainment, and some had to learn to communicate in a deeper way with those around us, as we now have to spend nearly 24 hours a day with them.

In years to come, it is yet to be seen what the history books will say, and many of us who lived through the trials of this past year will know of the sacrifices that took place.

I'd like to take a minute to recognize that while sacrificing so much in a very difficult time, it would have been easy to criticize and find fault with others. There were many in our community who took time to visit a neighbor (across the fence or yard or driveway) or do a kind deed or say a kind word. Many of you took the time to email me an encouraging word or tell my staff something positive or maybe even be so kind as to wave just in passing. It is to all of you that I give my unfettered love and appreciation. You are what makes Sun City Oro Valley great. My gratitude is truly overflowing because you are helping us all through these difficult times. Very humbly, I thank you all.

Greens Reconstruction, continued from page 4

The necessity to reconstruct provided an opportunity to:

- Expand greens back to original size, $\approx +15\%$
- Increase the number of viable hole locations on each green
- Soften the surrounds
 - o More playable
 - o Safer maintenance
- Design improvements on #2, #11, #15 and #18
- Expand putting green and driving range

The #11 green was moved to the player's right and therefore moved the line of play away from homes for safety reasons.

The #18 green was redesigned to dramatically increase the number of viable hole locations which improves the health and sustainability of the turf.

The Results

Drainage under all the greens provides the ability to flush the salts away from the soils.

Reconstructed green slopes and contours provide a significant increase in playable hole locations on every green. The slopes around the greens were softened to improve playability.

These results improve turf management, maintenance, expected life and quality of the greens while strengthening the market demand and the overall golf experience at The Views.

These projects were completed on time, and while the final costs have not yet been accumulated, are projected to be under the approved budgets.

The reopening of the course will bring other changes as well.

- New score cards provide nine different tee locations.
- The Arizona Golf Association visited on August 18 and re-rated each tee for handicap purposes.
- The hole handicaps are updated to reflect last year's scoring history.
- The colors for the tees are changed.
- The "combo tees" are reconfigured.

As of this writing, the "New Views" will open for play on October 12. Enjoy!

What Are Those Poles by Catalina Vista or Mountain View Plaza?

Those poles are being installed by Tucson Electric Power Company (TEP) in support of their new metering initiative. TEP will be installing two-way communicating meters, both residentially and commercially, to collect data electronically. Those poles are a component of this metering initiative. They are called "collectors" and their purpose is to relay information back to TEP at its Irvington location. TEP will be replacing existing meters with the two-way meters to accomplish the goal of digital monitoring. A TEP representative indicated that when it's time for your meter to be exchanged, TEP will be making an appointment with you. They did not provide a timeline on when this will occur. Please do not call the Administration office regarding your meter being exchanged, since we are not involved in this process and have only this information to share. And for those wondering about the mysterious poles appearing in the community...now we know.

A New Event

Need to get out and have some fun? Join in our "Pumpkin Walk" on Halloween, Saturday, October 31. Please read more details in the Coming Events section of this *Tipster*.

This will be a great way to social distance, mask up and participate. The more carved pumpkins brought to the area, the more fun. It will be a great sight to see so many jack-o'-lanterns lit for you to enjoy. We hope you'll participate and scare away the gloom of the recent coronavirus months. You don't need to be a master pumpkin carver to be a part of the event, just carve something. See you there.

Communicating with Neighbors

Residents frequently call the office and voice complaints that have to do with neighbors. After listening to their concerns, they are asked if they have spoken to the neighbor about the subject at hand. In most cases, it is better to speak neighbor-to-neighbor about a problem rather than have the Association call or write a letter of violation. Reactions when asked to talk to neighbors first range from, "Oh no! I don't want them to think I am complaining!" to "That's your job, not mine!"

If there is an issue that affects another neighbor, the Association would write a letter; but think about how you might feel receiving a violation notice generated from a complaint by your neighbor. You might think, "Why couldn't Mary just come over and mention this to me? I would have been happy to either discuss the problem or make it go away."

Inviting them for a friendly cup of coffee with cookies can often work wonders as you explain a concern, especially if you want them to see the problem from your property. Often, they have no idea that a problem exists. Residents have told us that changes have been immediate after a neighborly chat, and they've grown closer to their neighbor as a result.

Library hours will be extended beginning Thursday, October 1. The new hours are 9 AM-Noon and 1-3 PM, Monday through Friday. We are fortunate to be the only library in the county currently open for browsing, and traffic through the Library is on the rise. Between July 1 and August 31, 4,335 books and videos were checked out, and dozens of puzzles, magazines and unbarcoded paperbacks circulated each day. Many of you learned how to navigate our online catalog to put items on hold, as evidenced by over 2,100 reserve items picked up during this period. If you would like to learn how to do this, watch the how-to video "How to Use the SCOV Library Online Catalog" on the Library page of the SCOV website. A second video entitled "SCOV Library – Login & Hold Cancel" gives tips on logging into your account and cancelling holds you no longer want. Accessing the Library online catalog allows you to do much more than place and cancel holds. You'll be able to view your library record to see what items you currently have checked out and what number you are on a reserve list, renew items, print out a list of everything you have ever checked out, and more. We hope you will visit us both online and in person when you are comfortable doing so. CDC safety guidelines are being followed, including the quarantining of all returned items for 72 hours before making them available for checkout, and curbside pickup remains an option. Call 520-917-8064 for details.

Mask Tips

I know it's no fun to workout with a mask on. Face masks are required. This simple barrier is to help prevent respiratory droplets from traveling into the air and onto other people when the person wearing the mask coughs, sneezes, talks, exercises or raises their voice. This is called source control. This recommendation is based on what we know about the

role respiratory droplets play in the spread of the COVID-19 virus, paired with emerging evidence from clinical and laboratory studies that show masks reduce the spray of droplets when worn over the nose and mouth. COVID-19 spreads mainly among people who are within about six feet of one another, so the use of masks is particularly important in settings where people are close to each other or where social distancing is difficult to maintain.

Special Note From the Aquatic and Fitness Center (AFC)

Orientation on how to use the gym equipment will be held every Thursday, 1 PM, so stop in and sign up. Contact Lonnie Davis, AFC Coordinator, to discuss questions or problems with the AFC.

AFC and Desert Oasis: See Hours of Operation on page 2.

Tuesday, October 13, the AFC pool and spa will be closed for cleaning and shock treatment and will reopen the following morning at the regular time.

Wednesday, October 14, the Desert Oasis pool will be closed for cleaning and shock treatment and reopen the following morning at the regular time.

The annual paper phone book is in production, but due to overall COVID-19 challenges, we do not yet have shipping and delivery dates. I will provide updates in the weekly email, "This Week in SCOV."

Once the books arrive, we rely on an army of volunteers to deliver them to every house in our community. Each volunteer is assigned part of a neighborhood, averaging about 35 houses. If you'd like to volunteer, email me.

Did you miss the deadline for the paper phone book? No worries, you can still update your listing in our online directory. The online version is updated monthly, thus always has the most up-to-date information.

To update your listing in the directory, complete the online form "To change your directory listing..." or fill out an orange card at the Welcome Center.

Next meeting Mon., Oct. 26, WC3

The committee meets quarterly at 1:30 PM on the fourth Monday of July, October, January and April in WC3. Our next meeting will be on Monday, October 26. Agendas are posted on the SCOV website one week prior to the meeting. The committee's schedule for its fiscal year 2022 budget review will be published in the December, January and February *Tipster* as well as on the SCOV website.

The committee charter, agendas and minutes are posted on the SCOV website. Use the drop-down menus: Members > Committees > Finance-Budget > More. For Financials, use Members > Financials. Contact Sharon Miller for additional information.

Leo Belardinelli lbelardinelli@hotmail.com

Oct.-May, first Fri., 2-3 PM, WC1

Many of you may be familiar with the fundraising efforts of the SCOV Library called "Friends of the Library" and their popular Home Tour fundraiser. But, you may not know there is a similar fundraising arm of The Views Restaurant called Friends of the Restaurant through which the Food and Beverage Committee can develop a formal proposal to SCOV management. When approved, the committee would then sponsor a fundraising effort to meet a specific customer/restaurant-desired goal, such as a new smoker, pizza oven, cappuccino machine or other capital items not supported by the current SCOV budget. The funds collected will be held by SCOV specifically for the application intended. The important issue here is that residents can help, not only by contributing monetarily, but by guiding the committee with their suggestions. If you have an idea, send it to me at the above address to make sure we consider it. You may possess the next great addition to the restaurant's legacy.

After six months of closures and limited reopenings, the Gift Shop board has decided to cancel the fall Arts and Crafts sale usually held in mid-November. Having held the line of very low cases of illness in our community, we do not wish to encourage large groups of public guests to enter our facilities. As

well, we cannot even predict what the atmosphere will be two months from now. It remains uncertain when the shop will reopen, but be sure there will be lots of new and different items being offered. We have had lots of time to create and experiment with our crafty art work. We will be back...

Again - a Monsoon Dud

Our monsoon season this year was a real dud again, even compared to last year, but weeds and foliage grew. Maybe you didn't know, or just forgot, how much foliage grows in our desert. Pre-emergent herbicide applied to your yard will stop the germination of seeds, and you won't have as many weeds next year; check with your landscaper or pest control professional. Don't forget to remove weeds in cracks of your driveway, sidewalk, and where the cement meets the blacktop of the street. Plants protruding over sidewalks need to be trimmed back so as not to injure passing walkers. Trees at corners need to be trimmed so street and stop signs may be seen. Suckers under trees should be cut off, down to the ground.

Please take pride in your property, and SCOV will continue to be a beautiful place in which to live.

We've had a long hot season, and hopefully, October brings cooler weather. Many of you may want to air out your garages by leaving the garage door open in the evening. While this might seem like a great idea, please remember to close them at least before going to bed. Unwanted creatures can be something you really don't want to deal with when you finally re-enter your garage. You may not even see what's lurking behind things. You might have had a bigger creature that made a giant mess for you to clean up. An even bigger problem might be an unwanted human entering and stealing some treasured item or even worse, getting into your house if you didn't lock the door from the garage into your home. Be smart and stay safe. Remember the Posse is unable to patrol currently and will not be doing so until at least January 2021. We appreciate your continuing to look out for your neighbors and friends.

Properties

Chair Rich Oaks richoaks114@gmail.com

Third Thu., 9 AM, WC1

The mission of the Properties Committee is to make recommendations to the Board of Directors and the staff regarding the condition of and recommended improvements to SCOV facilities and assets. Ongoing activities include semi-annual inspections of SCOV buildings and facilities, semi-annual inspection of Chalk Creek and monitoring of the Sun City solar systems. Intermittent activities include utility usage studies and projects requested by the Board or staff. We have not been meeting recently, but will resume our monthly meetings when it is appropriate.

Thank you to all who have continued to submit articles and photos over the past months helping to keep your community magazine useful and informative.

Director of Golf - Rick Price

rprice@theviewsgolfclub.com 520-917-8086

The overseeding will be complete on Sunday, October 11, and the golf course reopens on Monday, October 12, with the new greens. The driving range is open to hit balls off our new tee. As a reminder, once we open for play, golf carts will be required to remain on the cart path only until Monday, October 26.

The Pro Shop is open with limited hours, 9 AM-Noon, for merchandise sales and range ball purchases October 1-11. We require a mask to be worn inside the shop. On Monday, October 12, the Pro Shop hours will be 6 AM-5 PM. The first starting times will begin at 6:56 AM, and then each week in October, the start time will move up 8 minutes.

For residents who are walking or driving their golf carts on the course during non-golf times, we would like to remind you to please keep on the cart path at all times while the new grass seed is being planted and watered.

As our winter residents start to return looking to play golf and join or rejoin the Club, we want to remind you of our referral program for first-time annual golf membership sales. Ask the Pro Shop how you can receive a 10% credit for referral of new members.

We look forward to another outstanding season and would like to welcome back all our seasonal residents. Please let our staff know if there is anything we can do to help provide a more positive and memorable golf experience for you.

Superintendent - Michael Kropf

scvgolf@suncityorovalley.com 520-917-8063

October is the start of play on our new golf course with updated greens and surrounds. It has been overseeded, so there are different hues of green on the fairways, tees and greens. This is a good time to remind golfers about changes from summer to winter play.

The current divot mix will be replaced with a sand and seed mix that is be used only on fairways and tees that have been overseeded. This year all areas around the greens are not being overseeded, including the approaches of all par 3s, as well as the approaches on #1, #13, #15 and #18. The divot mix containing seed will result in green spots all over the non-overseeded tan/brown areas. This policy also applies to all the roughs and certain tee boxes, since they aren't overseeded either. Your cooperation will help reduce extra maintenance required to chemically treat and remove the green spots.

Another reminder is that the course will be very wet following overseeding. Even though the irrigation is slowly turned off prior to the course reopening, the soil will remain very saturated. Golf carts will be restricted to the cart paths for about two weeks to allow the fairways extra time to firm up. When the carts are allowed off the paths, please try to avoid driving through low areas that are still wet. Most areas will be painted with white lines, but some areas might still be soft and can easily be damaged by golf cart traffic.

Welcome to returning and new members. With the completion of the golf course renovation and overseeding, the golf schedule is back.

Here are the matches planned for Wednesdays in October: October 14, Step Aside Scramble; October 21, Heartless Scramble and October 28, Oh Crap Scramble.

Immediately after the October 28 game, there will be a membership meeting known as a BASH. Food and beverages will be served for a nominal fee. Buy your ticket and register to play in the events through your Golf Genius account.

October games are all four-man team events, and the Pro Shop creates the pairings with a mixture of various skill levels. Go to the Golf Genius app to see the upcoming events, see the results of the games and your status in the league.

Looking forward to seeing everyone.

Play Thu. morning

League play is scheduled to begin in mid-October. The start of a new golf season with the course upgrades will be great. The course officially opens on October 12. Some things have changed due to the COVID-19 pandemic, but hopefully, things will get more normal as we get used to the new procedures. We no longer have shotgun starts, and league sign-ups are done through Golf Genius. The Pro Shop will

not accept cash, so all fees must be paid by credit card. All scoring will be on Golf Genius—no paper score cards.

There is more information on The Views website. You click on Join in the upper left corner, and there is a drop-down menu with a listing for Leagues. Click on that, and all four leagues will appear. Go to Men's 9-Hole League, and click the tab for Read More.

We look forward to a new season and new members. Please follow all of the guidelines that were put in place to stop the spread of COVID-19. It will benefit the community and the active lifestyle we enjoy.

Announcement: The SCV Foundation has changed its Annual Giving Drive from November to January 2021. This is being done to allow more seasonal residents to participate and share in our community fund drive.

In January, you will be receiving a letter from Foundation president, Jerry Bushong, requesting donations to provide grants to qualified health, cultural, educational and charitable organizations in SCOV and the surrounding area.

This community has a long history of generously supporting organizations such as Literacy Connects, Golder Ranch Fire Department, Greater Oro Valley Arts Council, Camp Sunshine, Pima Council on Aging, Thimbelinas, Casa de los Ninos and Wheels for Kids to name a few.

The Foundation recognizes that this past six months have been difficult and challenging for many of us, and we will be facing the changes that are to come. We know that with your help and donations, we will continue this outstanding giving history.

Pumpkin Walk

Join in the fun. Carve a pumpkin (it does not have to be fancy), and bring it to the lion heads fountain courtyard with a tea light or votive to make it glow. We will place them all around between the courtyard and The Views Restaurant to enjoy and walk around. The beverage cart will be available to buy drinks or head over to the restaurant for snacks. Keep six feet apart and wear a face mask, but come see some friends for a spooky night of Halloween fun. The more pumpkins, the better. Please remember to take your pumpkin home at the end of the evening.

Please join us, and bring your knitting or crocheting projects along. We usually have lively conversations while making progress (or not) and enjoying each other's company. We are following the SCOV guidelines by wearing masks and social distancing.

Flatten bags for donation

One ongoing project is crocheting sleeping mats out of donated plastic shopping bags. We deliver these to the Gospel Rescue Mission for Tucson people who are experiencing homelessness.

You can participate in this project by cutting the

bags into strips, stringing them into plastic yarn (plarn), and/or crocheting them into mats. The bags are donated by SCOV residents who bring them to the meetings or drop them off at Jane Fairchild's home at 1750 E. Crown Ridge Way.

Please donate bags that are:

- Clean, flattened, and stacked by color (see photo)
- From Frys, Safeway, Walmart, Kohls, Basha's or similar weight plastic shopping bags

Please keep in mind that we cannot use newspaper bags or thin plastic produce bags for this project.

This company offers many complex 3D mechanical puzzles for modelers to construct from parts made of precision, laser-cut, high quality plywood. Typically, they feature complex gearing to drive a waterwheel, replicate an antique movie projector, or operate a clock. The Modelers Club is back operating under the SCOV guidelines. We hope you will visit us again when the protocols allow. In the meantime, stop to enjoy the models in our window display cases in the Artisan Center and the Activity Center.

The Sculpture Club resumed meeting September 21 in Catalina Vista. The club is following COVID guidelines approved by the HOA Administration. If you are interested in becoming a member of our club, contact our President, Laurie Lichaa. Club members have sculptures in the display case outside of the art room in Catalina Vista and in the SCOV Library.

During our break, I have spoken with a couple different club members, and they reported not working on any sculpture projects. With the resumption of our meetings, I am hoping we will create sculptures to feature in the next edition of the *Tipster*. Throughout the year, our club offers formal and informal

instruction in sculpture. The above picture is an illustration of a sculpture created in the beginning sculpture class. The formalized classes are generally offered in the spring.

We're back in business. Yes, the Sewing Room is open, and we've resumed cutting, sewing and serging clothing, sleep sacks, crib sheets, pillowcases and tote bags for children through the numerous organizations we support. It's been such fun to be with sewing friends again, even though we are only allowing six members to be in the room at one time. We're all being careful with handwashing, mask wearing and keeping our distance in the room. But that doesn't stop us from continuing with our mission to assist children at risk. It's even more important at this time.

Things are happening in the Artisan Center again, and though it is scaled back from the norm, there is a great amount of activity taking place. Cheer Bears has been meeting every other Wednesday all summer long, and individuals have been working in their homes cutting and supplying work for the stuffers in the Sewing Room. Starting in October, we will be returning to our regular weekly meetings. Group sizes may be limited, and you may still have to sign up ahead of time to be allowed in the room, but we will be putting all our love into the bears as always. Be safe and pray for us all to get through this together. Hope to see you all soon.

Some machine embroidery designs can look like crewel work. Towel embroidered by Linda Wenner

No October meeting. Machine Embroidery is a wonderful indoor hobby, especially during these times. You can make home decor for yourself, gifts for others or make items to donate. It's also fun to add embroidered embellishments to ready-made items. So, if you have an embroidery machine and haven't used it for a while, why not pull it out, read through the instructions and try a simple design that came with your machine. Maybe you'll get hooked, too.

Pet Beds

Jan Bohe 520-825-9725
 Tue., 1-3 PM, Artisan Center/Sewing

If you have a dog or cat, you probably already have a comfy bed for them. We want to provide comfy beds for the Humane Society's animals. We use washable recycled fabric scraps and polyester fiberfill to make all sizes of pet beds. We hope to make those cats and dogs comfortable while waiting for adoption. Why not join us? If you are interested, please call me to sign up. A mask is required, and we have certain limitations. We would welcome some helpers.

Quilters

Carol Guibert 520-404-1462
 Second and Fourth Tue., 1 PM, Desert Oasis/Ocotillo

Our quilt group will finally be allowed to have meetings in October. Our first meeting will be Tuesday, October 13, 1 PM, on the Kiva Patio by the Activity Center. Masks are required as well as six-foot distancing. Even though it is outside, it will give us an opportunity to share our summer projects and sign up for the day quilt retreat on Sunday, October 18, Catalina Vista. Since we have two rooms reserved, we can have 20 members attend, 10 to each room. Hopefully, by then, some of the restrictions will be raised.

 Business meetings at Catalina Vista, second Thu., 8-9 AM; no meetings May-Sep.

With the arrival of October and cooler weather, we are welcoming back our winter arrivals of friends and neighbors. It has been a long hot summer, and in the last two months, activity at the Artisan Center has been busy. We are hoping that the Christmas activities go as usual. We have been busy creating items always in demand for the distribution. Our October meeting of the group may be somewhat different than usual so please keep an eye on "This Week In SCOV" to allow us

to let you know when and how it will be handled. We look forward to everyone's safe return. Things will continue to get better with each day.

The Tapestry Rug group resumed meeting on September 1. Our group meets Tuesday mornings in the Sewing Room. We welcome new members: If interested in learning our art, please contact Coni Arseneau or Carrie Wiley. Our club provides instruction and practice materials. Learn more about us by visiting our website listed above. The group members must reserve a spot on the Sewing Room's signup calendar. To access the calendar, you need to be a member of the Thimblelenas.

The picture above was a project completed by a relatively new member, Jane Honeywell. Jane's first project was a small rug hooking kit that she purchased online through the Woolery. This is her second project which she designed on her own and selected the colors/materials. She is using the tapestry as a cushion for a bench.

Summer shop hours: Mon.-Fri., 9 AM-Noon

Many of our seasonal members will be returning to SCOV. The shop is open but has morning hours only, Monday through Wednesday, due to a limited number of monitors available. Members will be notified by email of any schedule changes. The shop is limited to four members. A mask is required. Refer to the detailed COVID restrictions sent earlier by email. Training and orientation classes are postponed until further notice.

This month features a piece by Mary Page Jones. The pandemic has not slowed down her beautiful and talented creations, all done in the safety of her home workshop.

Our studio space continues to be open to members. Our kiln firing volunteers have been utilizing the kilns in the Clay Studio and with appropriate safety precautions this has been successful.

Stained and

Fused Glass Club display windows in the Artisan Center will be featuring items for sale created by our gifted and talented artisans. Purchase a unique gift item for yourself or a friend. An individual's name and phone number are located by each item being sold. Just call the number, and the artist will make arrangements to meet you. A mask and social distancing are required.

If you need to purchase supplies, contact Nancy Jarvis 253-569-8490.

Signing up for studio time is easy with Signup Genius.

Keep an eye on the club website, because we are working on introducing some online classes to the membership soon, www.scovglassclub.weebly.com.

Members are continuing to observe all safety guidelines. Under those guidelines, masks are always required. We are not offering our informative classes currently due to the six-foot physical distancing policy.

This month's featured woodworker is Larry Brophy. Larry has lived in SCOV for the past five years. He's one of the many monitors that allow the Wood Shop to remain open. His love is to create what he calls functional art. His tissue boxes are all unique, constructed from solid domestic and exotic hardwoods.

During the current COVID-19 crisis, the Wood Shop is open on a limited basis. At this time, Wood Shop capacity is set at seven plus a monitor. Wood Shop rules include:

- Everyone in the shop must wear a mask.
- All members must provide their own eye protection.
- Handwashing protocol is implemented.
- Social distancing is expected and appreciated.

All SCOV woodworkers thank you for your commitment to maintaining a safe environment. Club dues are \$20 annually. Current hours: 9 AM-4 PM. If you have questions or need more information, please visit the website or call an officer.

Oct.-May, Third Thu., 7 PM, Activity Center/Navajo
www.scovastronomy.com

As members of the Astronomy Club and frequent guests of our monthly meetings know, we are blessed here in the Tucson community to have world-class astronomers and other scientists from the University and its affiliated organizations speak to us each month. During this unfortunate time of COVID-19, the board of the Astronomy Club, in consultation with our fall speakers, have decided to postpone monthly meetings until January 2021. We are extremely hopeful that by January we will be able to resume not only our monthly meetings, but our "Getting Started in Stargazing" educational programs and our star parties.

As you are no doubt aware there is a very exciting scientific mission currently underway called OSIRIS-REx. This is a NASA mission to an asteroid named Bennu, located about 175 million miles from Earth. The principal scientific investigator is Dante Laurotta of the University of Arizona. The object of the mission is to bring samples from the surface of Bennu back to Earth and thereby give scientists clues to the early origins of our solar system. OSIRIS-REx arrived and began orbiting Bennu in the fall of 2018 and has been studying Bennu ever since. On October 20 the spacecraft will perform its collection maneuver and thereafter begin its return to Earth, with a scheduled landing on September 24, 2023. OSIRIS-REx has been called one of the greatest scientific and engineering feats in history. We are proud of the role UArizona is playing in this remarkable achievement.

Men's Bible Study

Jerry Anderson 520-638-6586, Rick Thomas 520-591-0475
Oct.-May, Tue., 7:15 AM, Catalina Vista/Mt. Kimball

Great news: SCOV Men's Bible Study is back in session as of October 6, 7:15 AM, Catalina Vista. To accommodate the coronavirus requirements, we'll be meeting under the covered patio just opposite the entry doors. You'll need to bring a mask in the event the situation changes regarding health protocols. Do not attend if you are feeling ill. Also, for now, nonresidents of SCOV are not allowed to attend. We'll begin with our study in Revelation, starting from the beginning, so new members can catch up. Study guides will be available. As per our habit, some will meet for breakfast at The Views Restaurant afterwards. What a great way to start your day.

Oct.-Apr., Wed., 8:45 AM, WC3

We're back. Praise God!

During this unprecedented time of the coronavirus, we who live in SCOV have been truly blessed to have had a "Passover Protective Blanket" of prayer upon us, and we are so very thankful that we are once again able to start up our Precept Women's Bible Study Wednesday, October 14, 8:45 AM. We are going to begin our study in the Old Testament Book of Daniel, such a relevant and timely study for the days that we are now living in. We will be allowed to have 10 women in the Welcome Center room, with the rest of the

ladies invited to a member's home outside of SCOV for our study. Please contact Sheila Witley 720-775-7623 with any questions.

We look forward to you joining us in the study of God's Word.

Oct.-Apr., First and Third Wed., 2 PM, Catalina Vista/Mt. Lemmon

The Great Books Club will resume our meetings Wednesday, October 7, via Zoom. Members will receive an email in advance, with the link to join us. Whether virtually or in person, we enjoy our lively discussions of short readings on a wide range of subjects.

We will be starting the year with the Story of Samuel, from the Old Testament. This and the following selections are from *Great Conversations 2*, an anthology published by the Great Books Foundation. A copy is available in the SCOV Library. Members may also buy one from the Foundation or other online sources.

While the selections cover a variety of genres and fields, we always find ourselves stimulated by new ideas and fresh insights into contemporary concerns.

For more information, or to be placed on our email list, contact Maryfaith or Barbara.

The dog days of summer are the period between early July and early September when the hot sultry weather of summer occurs, also known as a period of stagnation or inactivity. It is now October, and hopefully, the weather will be cooling and we will cast off stagnation and become more active. The Sun City Genealogy Club has set up our first club meeting for Tuesday, October 13, 1 PM, via the Zoom platform. Peggy Lauritzen will be speaking and her presentation is entitled, "Ticked Off – Those Pesky Pre-1850 Tic Marks." So if you haven't already, download Zoom to your computer or tablet and be ready to attend our first meeting.

The board is actively working with SCOV to open the genealogy library as soon as possible. Keep in touch and watch your emails for upcoming Zoom meeting announcements and the opening of the club library this fall.

Despite the welcome breath of a cooling October, the dragon-breath of pandemic even sears us in our sleep. Life seems very uncertain. Whenever we feel a darkness taking hold of our minds and emotions, the effect can be overwhelming.

One of our Poets Corner members has taken on this difficult subject and expresses it with wrenching eloquence, so we can't help feeling the pain. We also develop empathy for the struggles suffered by others, and maybe a little sympathy for ourselves.

"Someone struggled for your right to vote. Use it." –Susan B. Anthony

For over 80% of registered voters in Pima County, Election Day is when early ballots arrive in our mail boxes. Fill it out immediately and return by mail or

deposit at one of the Pima County Election drop-off boxes. A list of those locations will be printed in the Thursday email of "This Week in SCOV" under the Democratic Club heading. If you need a ride to a ballot drop-off box, contact Maureen Salz mosalz@outlook.com or text/call 520-240-0049.

The Pima County Democratic Party recommends the following voting timeline for Pima County voters who vote by mail:

October 7: The Pima County Recorder mails the ballots.

October 10: Most voters will have received their ballots by this date.

October 14: If you have not received your ballot, call the recorder at 520-724-4330.

If you have any questions about voting call the Pima County Recorder at 520-724-4330. They will tell you how to make sure your vote counts.

Here are some other dates to take note of:

October 5: Voter registration cut-off for the General Election

October 7: Vice Presidential Debate

October 15: Presidential Debate

October 22: Presidential Debate

November 3: Election Day

Make your voice heard. Do not delay. Vote.

It is hard to predict what the situation will be later this year, but if it is safe to get together we will have a Roaring 20s Kickoff Dinner Saturday, November 14. If the pandemic still prohibits large gatherings in November, we will need to either get creative on how to safely have some smaller get-togethers or simply suspend club activities until the situation improves. The club board is considering what would be possible, and we have a number of ideas. We will be communicating with members in the fall to suggest how we might continue to enjoy preparing and sharing food with each other. Stay tuned.

Membership meetings postponed at this time

This month we are featuring member Mary Murck's dog, Chewie. This is what she had to say about him: "Chewie is a mixed breed, 16 pound, 10-year-old rescue. He came with the name and it fit him, unfortunately, for some of our belongings. He is smart, willful and confident. He does not seem to know he is pretty small. He loves walking the neighborhood, meeting dogs at the dog park and bossing some of the bigger dogs around (Maggie). He loves treats and would do almost anything for a bit of human food. His cute face is well-known around the dog park."

As COVID is still prevalent, social distancing and mask requirements remain at the dog park. If any SCOV residents would like to join the club, contact our membership officers, Marj or Carol above.

Exciting news: The Garden Club has a website <https://sites.google.com/view/scov-garden-club/home>. You can navigate directly to the site or there is a link on the SCOV website under clubs. The website details our Garden Club's objective, 2020-2021 club schedule (currently on hiatus due to COVID-19), board of directors, committee chairpersons and garden resources, including links to those resources. A quick reminder, our fall meetings have been canceled. However, in the place of a meeting and a speaker, we are sending you extra emails about gardening. I hope you have enjoyed the "Library Talks." They have been excellent. Fall is the time of year to plant trees, harvest your pomegranates and to get color in your garden for the winter. Plant pansies too. We are accepting new members. Is it October already? We are so happy to see that SCOV is slowly and safely reopening facilities and activities for residents. Hopefully this will continue, and our membership will soon be able to come together in person.

The first meeting of the season for our book club will be a Zoom event Tuesday, October 13, 3:30 PM. We will be discussing *The Girl From the Garden* by Parnaz Foroutan, a novel about a crisis of inheritance leading to the downfall of a Jewish Persian family in Iran. November's book is *The Oracle of Stamboul* by Michael David Lukas. Set in the Otto-

man Empire, a young girl charms a sultan and changes the course of history. For further book club information, contact Sandra Johnson mimijahn@hotmail.com.

Republican Club

Merritt McGlothlin 520-572-7853 mercarmc51@gmail.com
Third Tue., 3 PM, Activity Center

The Republican Club was unable to hold our September meeting due to COVID-19. The club is unable at this time to determine if there will be an open meeting that would normally be scheduled on Tuesday, October 20, 3 PM. Even if the the SCOV facilities are then open, what will be the requirement for social distancing, outside attendees, number of attendees, etc? How comfortable would the membership be attending a meeting?

If we are still unable to hold a meeting in October, we will resort to other means (possibly a virtual Zoom conference) for October. Early voting officially starts, and ballots are mailed to voters October 7.

Please continue to monitor the *Tipster* and for even more current information, check "This Week in SCOV" for further Republican Club information. The club will also notify all those on our email list.

All veterans, male/female, private to general, one military assignment or retired, active duty or reservist, combat or non-combat, everyone is welcome.

Meetings are being temporarily held on the Kiva Patio behind the Activity Center for social distancing and natural aeration, providing a safe environment for members to attend meetings.

We inform club members of VA entitlements and review relevant issues by email and during monthly meetings.

We are a social club of proud veterans, helping veterans. Attend a meeting to see what we have to offer.

In September our club partnered with Little Caesars and supplied 15 pizzas in support of two veteran temporary homeless housing units in Tucson.

Help the homeless veterans for Veterans Day. Start gathering gently used men's and women's clothes, gloves, belts, hats, etc. Hold them until collection begins on October 28. The veterans also need personal hygiene items (toothpaste, shampoo, soap, etc.), towels and linens. More details will be published in the November *Tipster*, "This Week In SCOV," Facebook and Nextdoor.

Contact Mike LaBarbera for more information about the club.

Fall is finally here.

While we have been waiting to welcome everyone back to dancing, your board has been exploring ideas to make that happen. Creativity and flexibility will be key as we navigate this ever-changing and challenging time. Maybe you have space in your home for another couple to join you to dance? Give it a try.

Plans are in place for practice once we are able to use indoor community space.

Please reach out to any board member with ideas you may have for increasing our dance opportunities.

Folk dancing is more fun than a treadmill and healthful exercise for balance, muscle, mind and mood. For most dances, we hold hands in a circle to perform non-gymnastic steps to the enchanting music and rhythms of diverse cultures (including our own). Neither prior experience nor a partner is needed. Typical dance sessions consist of 15 folk dances, most with instructions. Folks may always sit out a dance to rest. Drop in to see if this internationally popular dance form is your cup of tea. Also, search FDCSCOV on www.YouTube.com to see us in action online.

In September, Sunliners were able to resume practice sessions led by member volunteers outdoors on the Kiva patio. It was great to see friends and dance once again. We have a sign-up system in place, so we don't exceed the number of dancers allowed, and we have safety requirements in place for those who come to the practices. All this information can be found on our website: Enter Here > Menu > Saturday Practices.

Our members also approved revised bylaws that removed requirements for in-person meetings to conduct business. Rock 'N Roll

Pres. Renee Steinmetz scovrandclub@gmail.com
 Membership Chair Jon Russell scovrandclub@gmail.com

A good time was had by all at our first dance of the 2020-2021 season held on September 26 with 50 people in attendance.

The venue was outdoors due to COVID-19 and music was provided by Chuck Moses. Thank you, Aalt and staff at The Views Restaurant, for providing food and beverages.

We are hopeful that our October Halloween dance (and yes, costumes) can take place on October 31 with more members being allowed to attend. Watch for the informational email in early October with dance details

Exercise

Aqua Tone

Marcia Polley 520-818-9073

Irmel Wheeler 520-334-0957 (cell) irmel5596@gmail.com

Tue., Thu., Sat., 8 AM, AFC/Pool (we can not accept new members at this time)

Aqua Tone is a toning water workout that incorporates a variety of rhythmic body movements performed in the water. This aquatic exercise class enhances cardiovascular fitness and muscular endurance.

We meet Tuesday, Thursday and Saturday, 9 AM in the winter, 8 AM in the summer, at the AFC pool. There is no fee to join the club or the class. The teachers are club member volunteers. Being able to do a basic swim stroke is very helpful. Items used in the class are buoys, boards, noodles, balls and a fitness band—you'll need to bring your own. A band can be purchased from Marcia for \$5. We assign an experienced member to a newcomer to help with learning the various movements. You will get a good workout in a fun class.

Arthritis Water

Pres. Sherry Olivier sherryolivier55@gmail.com

Sec. Joy Sawyer joymaesawyer@comcast.net

Mon., Wed., Fri., 10 AM, Apr.-Oct.; 1:30 PM, Nov.-Mar., AFC/Pool

Come join us for gentle water exercises specifically designed by the Arthritis Foundation to help with range of motion and to relieve stiffness and pain. These exercises are great for arthritis, fibromyalgia, replaced joints, etc. Annual membership is \$4 pp. Please note: The outside air temperature must be 77 degrees or higher for the class to be held. We meet at 10 AM until further notice.

Energetic Exercise

Marty Siracusa 520-825-6961

Mon., Wed., Fri., 8-9 AM, Auditorium (suspended until further notice)

When SCOV reopens and safety guidelines are in place for large groups, we look forward to seeing you at Energetic Exercise, ready for fun and fitness with our friendly gang of guys and gals.

Sally Martinez, our professional instructor, has been leading these classes here at SCOV for over 25 years. She's expert at keeping seniors strong and flexible with a variety of aerobic and weights exercises plus wonderful stretch moves. You'll be amazed at how good you'll feel.

New members are always welcome, men and women. Your get-acquainted class is free.

Annual dues are \$3. Class tickets are a bargain: Only \$30 for 12 classes.

Fitness Swim

Contact: Dave Goodman goodman@sfu.ca

Tue., Thu., Sat., 6:45-8 AM, AFC pool (suspended until further notice)

The Fitness Swim Club provides a vehicle for swimmers to participate in a group swim workout. We generally go 2,400 to 3,000 yards per workout, mostly freestyle. Some do more, a few do less.

Workouts are suitable for master swimmers, triathletes and those who would just like to participate in swim workouts. Please ensure you have medical clearance to participate in vigorous physical activity prior to joining. We welcome new members.

Pilates

Mary Ayers 520-638-7916 scov.pilates@gmail.com
Mon., 3 PM, Thu., 1:30 PM, AFC/Studio

Fall is finally here and it's time to think about avoiding holiday and other stress by exercising. When we are approved to resume meetings on Monday and Thursday, professional instructors will come to SCOV and teach a Joseph Pilates core strengthening mat class. Pilates workouts are not just sets of simple exercises. They affect our entire system of bones and joints. Your abdominal muscles, back, hips, arms and more are strengthened and toned. This means you'll have improved posture, flexibility, strength and balance. The classes include many warm-up stretches and are one-hour total body workouts. The classes are designed for seniors, so all exercise movements can be modified for different levels of performance. The cost is only \$8/class and annual club dues are \$20 pp. Please stop by and watch one of our classes. Call Mary.

Tai Chi

Co-chairs Kathy Patterson 616-350-6443 1969kal@comcast.net
Pat Howard 541-621-4404 pathoward45@gmail.com
Thu., 10-11:30 AM, AFC/Studio 1

We are still not able to return to our classes in the AFC rooms and have no definite date for return. We have been given permission to hold Thursday classes outside for a limited number of established club members. Club members have been notified of the restrictions put on our class size, and a wait list has been started.

Members who have completed at least one 10-week course are welcome to join our Monday practices. As of September 1, we are practicing outside on the walkway in front of the Gift Shop at 7:30 AM. Time and place are likely to change with the weather; call or email Kathy or Pat for updates.

We hope to be back into the AFC soon, and we expect that we can welcome new students in January. We will post updates in the "This Week in SCOV" emails.

Yoga

Marathon Bridge

Dave Johnson 520-825-6994 dpjohn@aol.com

Tentatively, Marathon Bridge for the 2020-2021 season will start in October 2020 and play once a month through April 2021. You will either play in your residence or your opponent's home, thus only one table of four people per residence. There is a one-time entry/prize fee of \$15 pp with no monthly game fees. We are always looking for new pairs. Call Dave or Tempe Johnson, 520-825-6994.

Mixed Social Bridge

Pres. Don Wheeler 520-334-7578
Mon., Wed., Fri., 8:30 AM, Desert Oasis/Ocotillo

Our games at Desert Oasis are still suspended and we don't know when play will resume. Until then, several of us are playing online with an audio/visual application. For more information, call Don or send email to don8359@gmail.com.

Partners Tuesday Night Bridge

Pres. Owen Reese, VP Adele Reese, Sec. Judy Bjorling 520-818-1296
Tue., 6:30 PM, Activity Center/Navajo/Hohokam

Although we are all itching to play rubber bridge, we must wait until it is safe to have larger gatherings of people. In the meantime, you can practice your bridge (for free) on the Internet with a robot as a partner. In your Internet browser, type in Bridgebase.com. Then simply click on "Just Play Bridge" and your hand will magically appear. Looking forward to seeing all of you when it's safe.

Group rides: Mon., Wed., Fri., 1200 E. Rancho Vistoso Blvd.
www.vistosocyclists.wildapricot.org

Vistoso Cyclists Club has over 200 members. We ride year-round to preplanned destinations in Tucson and surrounding cities. We use both city streets, the Loop Trail and other designated bike trails. Occasional away rides start from a distant location. Weekly, a mountain bike option takes a few of us to the Tortolita rangelands, containing some of the highest rated single track bike trails in the nation. Our group ride options are from 25 to 50+ miles. We always take time for coffee and conversation somewhere on these rides. Our Women on Wheels (WOW) group have their own agenda providing routes of 12 to 30+ miles.

Our club sponsors social events, participates in Wheels for Kids and is involved with the Interfaith Community Food Bank.

If you are a resident and love to ride your bike, check out our website, or call one of us.

There are about 13 species of owls that can be found in Arizona, although quite a few are pretty rare. The largest and most common here in SCOV is the Great Horned Owl. Often roosting in the palms, they silently cruise SCOV looking for rodents and other small critters for their evening snack. Starting in late fall they start calling to each other throughout the evening as part of their pairing ritual.

Want to learn more? We are an activity-oriented group, and all SCOV residents are in-

ited to join us and learn more about the birds in Arizona. Below is a list of upcoming bird outings. If you are interested in going on any of these field trips, be sure to contact the trip leader for details at least three days in advance. These field trips are open only to residents with the requirement that we no longer carpool until the pandemic subsides:

- Thursday, October 8, 6:30 AM, Madera Canyon.
Nancy Bern, lanbern@hotmail.com
- Tuesday, October 20, 6:30 AM, Ft. Lowell Park area.
Peggy Smith, pdsaz@aol.com
- Tuesday, November 3, 7:30 AM, Sweetwater Wetlands.

Mon., Wed., Fri., 5 and 7 PM, Bocce Courts

Bocce Club has added a second session at 7 PM due to increased demand. We continue to follow COVID-19 rules as stated on the club's website and require players to sign up prior to play. Play is limited to club members, but joining is easy and is explained on the website.

Come join the fun!

Gun Club

Bill Snead 425-246-8100 wgsnead@gmail.com
Second Wed., 2 PM, Activity Center/Hohokam

The Gun Club normally resumes meetings in October. We will keep you advised of future plans as COVID-19 mitigation requirements evolve. The Gun Club is especially focused on safety and information. Any shooting events and activities are organized outside of the club by individuals. The Pima Pistol Club is our closest venue for practice, but has no formal association with our club.

Hiking

Pres. Mike Duellman 847-951-3934
Scheduled hikes will be posted on the website
www.scovhiking.org

Fall will bring opportunities to get out and hike trails in and around the surrounding area. Additionally, for the new SCOV residents who have been waiting all summer to join, the Orientation Hike will be Wednesday, October 7. See our website for details and sign up to join this vibrant club. The Hiking Club practices social distancing protocols.

Hello fun. Welcome men and women. No experience necessary. Bring your own equipment. Easy to learn and the more you play, the better you get. Did you know seniors 70 and older pitch from a shorter distance with less effort and more accuracy? The shorter distance also makes the game more fun for women. YouTube has several videos of everything related to horseshoes. Check it out.

Good exercise, good people and friendly competition.

Pickleball

Pres. L. Nelson Brown lnelsonb@gmail.com
VP Membership Dave Burnham dburnhampton@gmail.com
Sun.-Sat., 8 AM-9 PM www.scovpb.org

September brought relief after the hottest summer on record. Not even record heat stopped our members from playing in early mornings and late afternoons. You know the game is addictively fun when you and your friends are playing at sunrise!

Cool weather will soon arrive giving us additional hours to play on our courts. New light pole safety pads were installed with donations from the Sun City Vistoso Community Foundation, HOA, and our club. These pads will protect our players going hard to get those wide court shots.

Our club donated a net, paddles and balls to Fire Station 339 at Tangerine and Thornydale. The firefighters did not have a net and had been using tape to hit the ball over. Like so many people these days, more and more of our firefighters are learning to play our game.

For more information, contact Dave Burnham, dburnhampton@gmail.com.

Table Tennis is back with revised hours (posted below). All players will need to follow these safety measures set by management:

- Play singles only—no doubles.
- Use sanitizing solution provided at entryway upon entering and leaving building.
- Maintain at least 6 ft. distance from other players.
- Wear masks while in the building, including during play time.
- Play is limited to club members and residents only at this time.
- Four people to a room at any given time.

Players need to contact a partner and make reservations by emailing Peggy Smith peggy@buteos.net at least 24 hours prior to play, but no more than seven days in advance.

Tue.: 1:30-3:30 PM, women club play; 3:30-5:30 PM, men/
women club play

Thu.: 3:30-5:30 PM, men/women club play

Fri.: 2-5 PM, open play men/women

Sat.: 9 AM-Noon, club play men/women

There should be two rooms available with two tables in each room, four people to a room. Each pair of singles can play for about an hour. Monitors will need some time in between to sanitize tables and equipment before the next group comes in.

This is a temporary arrangement. We look forward to resuming our normal mode of operation.

Mixed doubles, Sun., 1-3 PM, Susan Hernandez 310-433-7474

Tennis club seasonal residents are returning to SCOV to join their year-round friends in some spirited games of tennis. Of course, this year is like no other in terms of limitations caused by the COVID-19 pandemic. While people can continue to enjoy tennis play following social distancing and other safety protocols, we presently are unable to conduct club social events or to host large gatherings. While these limitations hinder our engaged and friendly SCOV lifestyle, we remember that safety must come first. The time will come when our members can participate in the full range of normal club activities.

All SCOV residents are welcome to use our wonderful tennis courts. If you have any questions about our club or would like to join, send an email to Ron Martin.

Competitive Tue., Recreational Fri., setup 12:45 PM, play 1-3 PM, AFC/Racquetball Ct. www.wallyball.us

We are looking forward to getting back on the court and using our new ball whenever it is safe enough for us to play. Hopefully, early this fall we will be able to start up again.

Wallyball is a fun game for both men and women to play. It's a great calorie burning sport and it helps build and tone muscles. It's good for your balance, too. We normally play Competitive on Tuesdays 12:45-3 PM and Recreational on Fridays 12:45-3 PM.

As we all wait patiently, think about joining us on the court, hopefully in the near future.

Please check our website or give one of our officers a call. Be safe and play safe.

We would like to thank our management team for granting us a second day to play water volleyball. We now play Sunday and Thursday from 1-2:50 PM.

For a different perspective, I asked John, our treasurer, if he'd write something for this month's *Tipster*. This is what he came up with, and it is quite clever, based on one of Toby Keith's songs. See if you know which one it is. "Next, I'd like to say we love Water Volleyball. We have Cowboys; we have Bikers; we have Young Ones; we have Old Ones; we have Veterans; we have High-Techs. It's a game that puts a big smile on our face. So if you are looking for a good time, great people and a chance to yell and scream, join us for some fun and exercise."

Day Trippers

Chair Laura Suchocki 520-612-7226

Membership Laura and Tom Held 520-447-5170

Second Fri., 9 AM, Activity Center/Navajo

The Day Trippers Club board met and made the decision to cancel all general meetings, trips and events including our annual holiday dinner for the remainder of 2020. Our group is too large to meet safely within the guidelines set by the State and Pima County at this time. Members who have paid their dues for 2020 will be excused from paying 2021 dues, since the club really didn't have any activities this year. The

trip we had planned to the Utah National Parks and Monument Valley has been postponed until September 2021. Keep watching the *Tipster* and "This Week in SCOV" for any updates, and stay safe until we can meet again.

Next membership meeting: Watch your emails and the website for announcements.

Because we are not able to have membership meetings, it is especially important that people watch the website and contact trip leaders to keep our club going in these difficult times. But the heart and soul of an RV club is going on trips, and we still have that. We have four confirmed trips that are going to happen, and 10 proposed trips that are in desperate need of wagon masters to make happen. Contact Carrie Wiley 360-510-1641 if you can possibly help coordinate these trips.

Boondocking on the Flaming Gorge Reservoir in Wyoming.

This summer I took the boondocking plunge, heading off the grid and finding great camping spots without the crowds of the developed campgrounds, and much better views. I've been using the Allstays app which lists some, but not nearly all, the places you can boondock.

Kevin D. 708-732-2943 kjd728@aol.com, Tue., 7 PM, Desert Oasis/Ocotillo

Alzheimer's Education and Support

Cecelia Ortiz 661-972-2639

Last Tue., 4 PM, Desert Oasis/Ocotillo (suspended until further notice)

Whether you are a caregiver, a person with mild cogni-

tive loss, or at risk for Alzheimer's Disease, our mission is to support one another by sharing new ideas through the advancement of research, to provide support for all affected by sharing ideas and concerns and to reduce the risk of dementia through the promotion of brain health.

Cancer Support

Facilitator: Laura Held 520-447-5170 lmheld@comcast.net

First Wed., 4:15-5:15 PM, Catalina Vista/Art Studio

The focus of this group is on your feelings and responses to pre-cancer, current and post-cancer. Laura M. Held, a retired oncology nurse, cancer survivor and SCOV resident, facilitates the group.

Caregivers' Support

Facilitator: Jane Holder 520-820-0171 janeyholderaz@gmail.com

First and Third Fri., 2-3 PM, Catalina Vista (suspended until further notice)

If you are caring for a partner, child, parent or any other loved one, this support group will allow you to share with other like-minded people in a safe environment. What is said in this group, stays with this group.

Diabetes Support

Facilitator: Bill Bable 520-639-8845 Wbcbp33@gmail.com

First Mon., 3:30 PM, Catalina Vista/Mt. Lemmon

Our members are part of a COVID-19 high-risk category. Please take this seriously and practice all the CDC guidelines of face covering in public areas, hand washing and social distancing. Our monthly meetings are suspended indefinitely. An announcement will be made when meetings resume.

Grief Recovery and Support

Pari Foster 520-248-3658 parifoster@gmail.com

Tuesdays, 1-2 PM, Catalina Vista, Art Room (suspended until further notice)

When the grief group resumes meetings, we will be practicing social distancing, as our room is quite large. Also, to keep safe, masks will be mandatory. We will continue to focus on loss in a safe, loving and caring environment. Due to the COVID-19, many of us may be experiencing a new kind of loss in addition to losses from things before COVID-19. There may be loss of friends or family, grief from loneliness due to sheltering at home, and other grief issues associated with the pandemic. None of these things should be taken lightly. The grief journey can take time, but is vital to healing, and by sharing with others, the burden is lightened. Contact Pari, or check the SCOV website to learn when meetings will begin again.

Parkinson's Support

Payton Davies 520-825-5352 bpwdavies@gmail.com

Third Wed., Sep.-May, 10:30 AM-Noon, Desert Springs, 30 W. Lambert Lane

Caregivers and/or people with Parkinson's are welcome to attend. We have speakers at most meetings with topics of interest.

"I have Parkinson's, but Parkinson's doesn't have me."

Vistoso Helpful Hands

Barb McNeill 520-825-0677 bjmac68@gmail.com

Vistoso Helpful Hands has been providing limited assistance to SCOV residents during COVID-19 to ensure safety for clients and volunteers. If you need help, call 520-447-0077 to reach a dispatcher. If the dispatcher is unable to immediately answer, your call will be returned.

Our resource files are updated with new paid services, i.e., the addition of a SCOV resident who provides patient advocate services and several mobile dog grooming companies. We also have home care services, to meet the growing need for those who elect to age in place.

If you can help others, contact Barb to volunteer. Training is available.

Wheels for Kids

Tom Terfehr 520-789-7243 www.azwfk.org

Do you remember your first bike? Wheels for Kids is a 501(c)(3) nonprofit organization dedicated to providing rehabbed bicycles to children and families in need in the Tucson area. To date we have donated 3,000 bikes to local nonprofits who distribute the bikes to their clients. Some of our partner organizations include Refugee Focus, Boys and Girls Club of Tucson, Children's Advocacy Center, Casa de los Niños, Ronald McDonald House and Youth On Their Own. Wheels for Kids is an all-volunteer effort, and we are always happy to welcome new people to our team. If you are interested in learning more, please visit our website or call Tom Terfehr. Help kids experience the same joy you had when you got your first bike.

Sharing a Youth On Their Own (YOTO) student story: In high school and on her own, Rashel frequently found herself without the resources she needed to succeed. She dreamed of going to college, but struggled daily to get by. One day, a teacher told her about YOTO. Rashel could receive free food, toiletries and more, as well as a monthly stipend. Moreover, YOTO staff were able to help her not only graduate from high school, but apply for post-secondary financial aid. Today Rashel is a junior at UArizona; she hopes to someday become the CEO of Youth On Their Own.
