Rules...Rules and More Rules Support Harmonious Living in an HOA

by Joy Huxtable

Recently the Board of Directors reviewed and approved revisions to the Association's Development Standards proposed by the Architectural Review Committee (ARC), along with a new Board Policy on home expansions and patio covers. It got me to thinking about all the rules that help maintain the aesthetics and architectural character of our southwest Sonoran Desert community, in addition to supporting harmony in our community. Some rules you may agree with and others you may question. However, they were all put in place to provide guidelines for living harmoniously in our HOA and enhancing community property values.

I recall an Ambassador Tour I conducted for a couple, where it was clear that the gentleman wasn't appreciating my cheerful, positive comments about the joys of living in SCOV. At one point he stopped me and demanded that I tell him something negative about living in SCOV. I responded that if he was a maverick and didn't like to follow rules, he wouldn't be happy living in our community. I went on to give him examples of the various rules we have that restrict what you can do to the outside of your home and why. His response surprised me. He was supportive and enthusiastic about rules that keep the community attractive and prevent your neighbor from displaying pink flamingos or gnomes in their front yard, or painting their house hot pink.

Communities like SCOV often attract new buyers because of the many amenities they offer. But also, because the Association enforces community appearance standards which encourages peaceful co-existence with your neighbors. Unfortunately, some residents who buy a home in our community do not educate themselves about our HOA rules. They are surprised or upset when they learn that they cannot make certain changes to the outside of their home or landscaping.

The Association's Master Declaration empowers the ARC to approve, not approve or approve with modification any requests to alter the exterior appearance of any lot. No exterior changes to a resident's house, walls/fences or major changes to the landscaping can be made without written approval by

the ARC. This includes any changes that would result in substantial obstruction of a neighbor's existing view.

While you may give up some personal autonomy on what you can do on your property, you gain peace of mind knowing that your next-door neighbor cannot tear down their house and build a two-story, ultra-modern house next to you, decorate their front yard with questionable artwork, or erect a permanent tent or outside storage shed. HOA rules support not just architectural harmony, but also harmony with your neighbors. Everyone benefits from increased property values to a greater sense of community and belonging.

According to an industry leader in property management for community associations, "The primary purpose of having community rules and standards is to protect your investment as a homeowner and provide a common framework for neighbors. When you purchase a home that's part of a community association, you automatically become a member of the association and become responsible for following all its rules and regulations."

While you may not agree with all the SCOV rules, they help our community to live in harmony and to thrive.

Looking Forward

Happy New Year, Sun City Oro Valley! We have a lot to look forward to in 2021. We expect some great things in the world this year. Probably one of the best, if not the best, is the expectation that we will start to get the worldwide COVID pandemic under control. Here at SCOV, we too expect some great things. We can't wait for things to get back to a more tolerable normal. We look forward to the day when we can move our tables and chairs back into the restaurant and fill it up with you, our customers. We anticipate other activities getting back into full swing such as dances, lectures, education and artisan activities. We will enjoy the time when residents can be in the Welcome Center and other buildings without having to worry about contracting a virus that is so debilitating for our vulnerable population.

We have so very much to look forward to. I encourage everyone to stay strong with positive attitudes and negative tests. I know you're tired of hearing it, but it really does work: keep yourselves and those around you safe by masking up, maintaining social distancing and washing your hands long and often.

Here's wishing you all a happy, healthy, safe and prosperous new year.

It's More Than Living... It's A Lifestyle!

Sun City Foundation, a Gem in the Community

by Paul Mercer*

The Sun City Vistoso Community Foundation has been part of SCOV for 20 years, and since its incorporation in 2000 has filled grant requests in excess of \$835,000. Interestingly, except for its donors, it is not widely known within the community. And that, of course, is why I am writing this story, to introduce the Foundation to those who don't know about us. Let's go and use the Foundation's website www.FoundationSCOV.org to see what this very unique organization does to encourage donations that help us all.

First, you will notice that the Foundation is not part of the SCOV homeowners Association. Nor is it supported in any way from your Association dues. No, all support comes from you, the residents of SCOV, freely donating to the Foundation. There is no annual fund drive except for a letter to residents that will come out in early January. And then, most importantly, there is the word of mouth (a lot of that spread by the Foundation's board) and the good examples of our friends and neighbors. Since there are about 200 home sales in SCOV each year, it is a challenge to keep residents informed.

Let me tell you folks, it is easy, very easy, to make a donation just the way you and the IRS like it, verified and

Sue Lane displays a quilt made using the Brother six-needle embroidery machine purchased with matching \$5,200 grants awarded by both the Sun City Vistoso Foundation and the Community Assistance Committee. The machine is used by Machine Embroidery Club members and also Casa Amigas and Cheer Bear groups for charity projects.

buttoned up, so there are no questions about your donation. The Foundation is a 501(c) (3) charity, incorporated in 2000. Write a single check and the funds go to an assortment of charitable organizations that meet the Foundation's qualifications.

A board term lasts three years. Board members are SCOV residents, and there is no financial compensation. You don't have to be a board member to request money to support a project or charity

sponsored by your club. Board membership numbers fluctuate year-to-year due to personal and health reasons, so the group is always looking for new members.

Here on "campus," as we sometimes call it, beneficiaries include Friends of the Library, SCOV Modelers, SCOV Active Health Committee, Wheels for Kids, Veterans

Club of SCOV, Helping Hands, AARP Tax Assistance, the Dispose-A-Med Program and the Annual Shred-It Day. Other grant recipients include: Youth on Their Own (YOTO), Emerge! Center Against Domestic Abuse, Literacy Connects, Interfaith Community Services Food Bank, the University of Arizona Cancer Center and more.

Do you know of any other organization that lets you spread as much good around as widely and as easily as this one? Thank you for your generous, annual donations.

Resale Inspection

If you're getting ready to sell your home or thinking about selling, you need to have an inspection of the outside of your property by the Association. This can happen in three ways: courtesy inspection, listing inspection or escrow inspection. Each inspection is handled a bit differently, so it's important to be aware of the process. All inspections look at the entire outside of the home and property for violations.

The courtesy inspection is done at your request. The Association inspector comes to the home, conducts the inspection and then turns over the findings to you. No violations found during this inspection are recorded against the home. This provides an opportunity to correct violations prior to listing your home.

The listing inspection is requested by either you, the owner or your realtor at the time of listing and is good for a 90-day period. Violations found during this inspection are still not recorded against the home but are submitted to the title company in a mandatory compliance inspection report when the home enters into escrow. Both the seller and buyer receive a copy of this report. Resolution of these violations may be negotiated during the resale process, with responsibility taken by either the owner or the buyer. If the buyer agrees to resolve a violation, a form is completed indicating as such. The Association follows up on the violation(s) 30 days after close of escrow. If the violation still exists it is then entered against the home, and the violation resolution process begins with the Association.

The last inspection is the escrow inspection. This takes place if the owner did not request a listing inspection. Violations found during this inspection are submitted directly to the title company and both seller and buyer receive a copy of the report at that time. The disadvantage is that both seller and buyer are made aware of the violations after the negotiations are completed. There is no chance to resolve HOA violations prior to entering a contract for purchase. If the violations have not been corrected when the home is re-inspected after close of escrow, the violation resolution process will begin and the new owner will inherit the existing violations.

You may want to consider the benefit of the courtesy inspection to avoid surprises during the busy time of listing and selling your home. It is a seller's market out there. As of December 1, there were eight homes on the market. As of November 1, the average time for a home to be on the market was 21 days and the cost per square foot was \$213. If you are contemplating selling your home, please keep this information about inspection in mind. Questions, contact Karen Loffredo at kloffredo@suncityorovalley.com or 520-917-8087.

Happy New Year

I truly hope that 2021 will bring good health and happiness to all. As we come into this new year, many of our entertainment and events will be changed or canceled due to COVID. I am trying my hardest to bring some safe and new things for all residents to participate in. All things that changed in 2020 were to keep our residents safe and healthy through these uncertain times. I have been in touch with Walgreens to have a COVID vaccine clinic in SCOV when it is possible.

As of this date, Walgreens has no idea when they will receive the vaccine and when a clinic can be set up. I ask that you follow all rules set forth to keep safe, wash your hands often, wear a mask, stay six feet apart and stay in when possible. Here is hoping for a better year ahead.

Time to Review Your Landscaping

As you take down your outside holiday decorations, it is a good time to inspect your yards, both front and back, to see what might need attention. Because of our extremely hot summer, some of our plantings have suffered and may need removal because they are dead. If you have doubt, please check with your landscaper. Some weeds have begun to grow again and will need removal. Be sure to address the spurge differently. It should be sprayed with a weed killer and pulled only after it is dead. Any sprayed or dead weeds should always be removed. It is not too early to make arrangements with the landscaper to apply a pre-emergent. You will be surprised how few weeds will grow later in the year if you take action before March.

Thank you for your persistence and attention to landscape matters throughout the year.

After weathering the storm that was 2020, the Library welcomes 2021. Our two-and-a-half-month complete shutdown in the spring ended when we reopened for curbside pickup in June. Volunteers staffed a Library help desk service from their homes to assist residents with reserving items and answering questions. During that month, we checked out almost 1,200 books and videos to residents eager for something to keep them occupied. In July we were the first library in the county, and one of the first in the state, to open for

in-person browsing, and from that time through the end of November, we checked out almost 9,000 items, not including the magazines and puzzles which go out in the hundreds every month. Over 800 new items were added to the Library during that same period.

It was a year of technology gains for our patrons. Two instructional videos on how to use the online catalog were added to our website, and as a result, visits to the online catalog went up over the same period last year. Most residents learned how to attend events on Zoom, including the Friends of the Library Great Reads Book Talk with BJ Kass, and the upcoming Isabella Maldonado author talk scheduled for next month (see Coming Events, page 12). Watch for more online, as well as in-person Library events planned for the coming months.

While we miss the days when patrons read the newspaper from one of our comfy Library chairs or visited with neighbors on the couch in our lobby, we are grateful for the accomplishments of the past year and look forward to finding new ways to continue to meet the needs of SCOV. Beginning this month, we will be open an additional hour each weekday. New hours: Monday-Friday, 9 AM-Noon, and 1-4 PM. Our New Year's resolution is to open again on Saturday mornings no later than the spring. Happy New Year from all the staff at the Library.

New Year, New Exercise

It's a new year, and maybe you've resolved to start an exercise program. If so, good for you. Getting regular physical activity is one of the most important things you can do. And it's one of the most common New Year's resolutions among Americans each year.

Just make sure you start off on the right foot with these helpful tips: take it slow, set small goals—after all, you're in this for a lifetime. Talk to your doctor before getting started especially if it's been 8-12 months or longer since you've last exercised, you've had a large weight gain, or you've had a noticeable change in health. Be safe. If you're exercising outside, make safety a priority. Dress for the weather, wear reflectors and light colors if you'll be out when it's dark, and carry a cell phone with you and don't forget your mask.

Special Note From the Aquatic and Fitness Center (AFC)

Contact Lonnie Davis, AFC Coordinator, to discuss questions or problems with the AFC. AFC and Desert Oasis: See Hours of Operation on page 2.

Tuesday, January 12, the AFC pool and spa will be closed for cleaning and shock treatment and will reopen the following morning at the regular time.

Wednesday, January 13, the Desert Oasis pool will be closed for cleaning and shock treatment and reopen the following morning at the regular time.

Heart disease is the leading cause of death for both men and women. This is the case in the U.S. and worldwide. Our guest speaker is Gordon Watson, M.D., of the Pima Heart Associates. Dr. Watson will discuss how atherosclerosis develops and the risk factors for the disease and how to treat them. He will address the current treatments for those already impacted by the disease, but more importantly, discuss early detection and treatment which can prevent disability and death. Whether you have a history of heart ailment or wish to prevent heart disease, this informative presentation will benefit you. Our December meeting involved listening to suggested changes to the AFC pool and gym operations by Mike Moyer. Signages, social distancing, scheduling and monitors were all reviewed. It is important to remember the necessary constraints on pool and gym usage due to the COVID pandemic. All changes to our aquatic and gym facilities will be reviewed by Mark Wade and distributed to our residents. Signage and locker room use was also discussed.

Due to the COVID virus, future meetings will be held in WC1 with a maximum audience of ten participants.

New ARC Board Policy

ARC has a new policy that was approved by the Board of Directors on December 10, 2020. You can read about Home Expansions and Patio Covers using the SCOV website's drop-down menus: Members > Member/Services > For Your Home > Read More > Governing Documents > Board Policies > Scroll down to page 25. The objective of this new policy is to create a working document to assist the ARC with applications to expand the footprint of a home. One change that was approved is Architectural Consistency for Roof Design. Roof styles for expansions should be the same style as the model's original roof design. Homes that have only pitched roofs shall only have pitched roof expansions with the exception of patio covers. Homes that have flat roofs shall only have flat roof expansions with the exception of patio covers. Homes that have a combination of pitched roofs and flat roofs shall be considered for either flat or pitched roofs.

Use the above email address to contact the ARC with questions.

Community Directory

Chair Lisa Collins 812-344-4773 scov.community.directory@gmail.com
www.scovaz.com/members/services/directory

The directories were finally delivered last month. Yay!

I use the monthly SCOV Resale Report to update the directory database. Those who have sold their homes are removed from the database, and the new owners are added as unlisted by default. This includes those who move within SCOV. You must ask to be included.

I send an updated phone list to the Posse each month. If the Posse notices any issues during their rounds but can't contact you, they call 911. You can choose to be unlisted in the directory but still choose to provide your phone number for just the Posse.

The online directory is updated monthly; thus it always has the most current information.

To update your listing in the directory, the preferred method is to complete the online form "To change your directory listing..." Alternately, you can fill out an orange card at the Welcome Center.

Consumer Referral - Vendor List

Susanna Moran scovconsumerservices@gmail.com

The Vendor List is on the SCOV website. After logging in, go to www.suncityorovalley.com/members/services/vendor_consumer-referral.

The Vendor List may also be viewed at the monitor's desk in the Activity Center during business hours. Please check the Vendor List, as changes are made frequently.

Vendors should email Susanna Moran to inquire about applying to be on the Vendor List.

Election

Meet Your Candidates

The link to "Meet the Candidate" video interviews will be emailed to the "This Week In SCOV" list and posted on the website on Tuesday, January 26. This is an informal interview of each of the candidates, so you can get to know them better and begin gathering information about each one of them.

Board Candidate Forums are planned for Monday, Feb-

ruary 8, 9 AM and 6 PM, Auditorium. These videos will be posted on the website, and you will receive an email with a link for easy access. Mark your calendar now.

You will be voting to fill two three-year positions on the Board of Directors. At the time this article was submitted, there will be at least one initiative on which you will be voting, and a possible second is being considered by the Board.

Finance-Budget

January meetings: Thu., Jan. 7, 1:30 PM and Mon., Jan. 25, 1:30 PM via Zoom

The committee will hold a special meeting via Zoom on Thursday, January 7, from 1:30-3:30 PM, to review financial projections regarding potential funding sources for capital projects. Monday, January 25, is the committee's next scheduled meeting date.

The 2021-2022 SCOV Association's annual operating and capital acquisition budgeting process begins in January. The process starts with department managers developing forecasts for operations and capital expenditures. Staff budget proposals are then reviewed by the General Manager and Controller to develop the draft budget. The first draft of the budget will be presented at the Finance-Budget Committee's meeting on Monday, February 22, 1:30 PM. Any additions or changes recommended during this meeting are used to develop a second draft, which will be presented and discussed at the committee's special budget meeting on Monday, March 1, 1:30 PM. If a third draft is needed, it will be reviewed by the committee on Monday, March 22, 1:30 PM. The committee will then forward its budget recommendations to the Board. The proposed annual budget will be presented to the Board of Directors at its Thursday, April 8 study session. The budget, with any Board changes, will be placed on the Board's agenda for approval during its April 27 meeting.

The committee charter, agendas and minutes are posted on the SCOV website. Use the drop-down menus: Members > Committees > Finance Budget Committee > More. For Financials, use Members > Financials. Please contact Sharon Miller, Committee Chair, for more information.

Food and Beverage

Sep.-May, first Mon., 2-3 PM via Zoom

Welcome to January and happy New Year. First off, accolades to Linda Bretz and Wendy Hughes for accomplishing our festive holiday decorations at the restaurant. The committee also wants to thank everyone who frequented the restaurant over the recent holidays and hopes that you felt the service and food were excellent. Of course, we always want to hear about how wonderful we are, but occasionally there may be hiccups, and if there were, hopefully you filled out a comment card to let us know what went wrong. If you didn't receive a comment card, just email me, and we will consider your issue at the next committee meeting.

Friends of the Library

Pat Brown patbrown630@gmail.com

Lynne Davis lynnedavis100@gmail.com

Our Library is a convenient, cost-effective way to read new books coming out as well as discovering authors new to you. All the funding for new books, audios and videos is from Friends of the Library (FOL) fundraising, sales of books in the Library and donations from our wonderful, appreciative residents. We especially need your help this year to keep

new books coming. Membership in FOL is our only formal fundraising this year, and it begins now. A single membership is \$15, and a family membership is \$20. You should know that a \$15 membership will buy less than two-thirds of a hard-cover book—even at wholesale, library cost. A \$20 membership pays for about two-thirds of a large print book.

Please help our Library by renewing your membership to FOL or by joining. Any extra donations, along with your membership or in the money box in the Library, would be profoundly appreciated.

You might also like to consider sponsoring a new book or dedicating a new book as a memorial or memento. Membership dues can be left in the Library or put in an envelope and placed in the book drop. Please note your phone number and email address with your check.

You all make our Library a special place in our community.

Shop Hours: Mon.-Fri., 10 AM-4 PM; Sat., 10 AM-1 PM

www.suncityorovalley.com/gift-shop

Happy New Year. The reopening of the Gift Shop reveals COVID downtime-inspired creations. We adhere to health guidelines in welcoming back our shoppers, only residents at this time per Association requirements.

Featured artists for January are Don Jovag and a new consignor, Cathy Harrison.

Don creates food-safe wooden bowls and platters that feature intricate designs created with different colors and varieties of wood.

When you feel one of these bowls, you get an appreciation for the quality of his work and attention to detail. Don also makes beautiful and durable wooden bracelets, hoop earrings and urns.

Cathy worked for nearly 40 years in technical jobs but longed to be more creative. Upon retirement she took classes in multiple art areas, including weaving. Bitten by the weaving bug, she bought a loom in 2019. With many variations of plain weaving to explore, she doesn't expect to run out of projects.

Loan Room - Community Assistance

Chair Gay Russell

Third Thu., 3 PM, WC1; Loan Room hours: Tue., Thu., 8-9 AM

www.suncityorovalley.com/members/services/loan-room/

The Loan Room was closed over the Christmas/New Year's holidays but reopens Tuesday, January 5. Our items to loan include most medical equipment, children's items for

safety and fun, tables and chairs for get-togethers, and roll-away beds, mattresses and cots. Residents may make reservations up to two months in advance, either directly in the Loan Room or on the website. We also accept walk-ins. You will need your SCOV card to borrow items. Our usual hours remain Tuesdays and Thursdays, 8-9 AM.

The annual Pancake Breakfast held in January has been cancelled for this year. Although we will miss this fund raising event, our aluminum can recycling program is working and is a major income source for the Loan Room. Please recycle in the blue bins around our SCOV facilities.

Long Range Planning

Chair Martha Cray marthacray77@gmail.com

Second and fourth Wed., 10 AM, on Zoom

The purpose of our committee is to develop and recommend to the Board a rolling 5-10 year plan to maintain and further enhance the quality of life for current residents, while ensuring SCOV remains competitive in attracting additional active, involved people to our community. Committee Documents, and past agenda and minutes are available on the SCOV website. Our meetings are open to all residents.

Third Tue., 2 PM, WC3

Once Again

If you have not already made a New Year's resolution, it's not too late to do so. Let's try once again to make one and keep it this New Year. How about making a resolution to take pride and care of ourselves, our homes and our property where we live. Most of us already do that, but just think how wonderful our community would look if we all did.

The beautiful holiday decorations throughout the community over the past few weeks have certainly been enjoyed by all. As a friendly reminder though, seasonal decorations should be removed by January 15. We appreciate all residents who continually take pride in the appearance of their property, and we are pleased with how beautiful our community is looking to usher in the New Year. We wish each and every one of you a happy, healthy and prosperous 2021.

Posse

First Tue., 3 PM, Desert Oasis (no meeting until Mar.)

www.scovaz.com/committees/posse/ (must be logged in first)

Happy New Year. I know we are all hoping 2021 will be better. As I'm writing this article, however, the COVID virus is spiking around the country and in our area as well. We're looking forward to the vaccine and getting back to "normal." It's been difficult to decide when the Posse will be able to resume our patrols. Now is not the time. It is my responsibility to see that our members are safe. We will not be patrolling before March 2021 at the soonest. There is just no way to social distance in our vehicle. I appreciate the patience of our Posse board members, the wonderful volunteers who serve on the Posse, the Oro Valley Police who continue to patrol for us, management and staff. Thank you all. Please continue to look out for yourself, your neighbors and friends. Be safe.

Properties

Chair Rich Oaks richoaks114@gmail.com

Third Thu., 9 AM, WC1

The Properties Committee had another active year in 2020. Routine activities included two Chalk Creek Wash inspections, a building exterior and outside facilities inspection and SCOV solar system performance monitoring. Special projects included an analysis and recommendation to convert to LED lighting at Artisan Center rooms and the AFC in addition to research and recommendations regarding enhanced air purification methodologies for SCOV buildings. The committee looks forward to continuing these and other efforts in 2021. We are currently meeting via Zoom. Please see the calendar on the SCOV website for scheduled meeting dates and times.

Director of Golf - Rick Price

rprice@theviewsgolfclub.com 520-917-8086

We hope you had a wonderful holiday season and a happy New Year. It's going to be another exciting season this year, and we look forward to serving your golfing needs. If we can assist you with anything, please do not hesitate to ask.

This month, we host the Oro Valley Senior Championship, January 9-10. The event will draw some of the finest players around the southwest. There are two divisions to the tournament with the Championship division playing gross only, and the other division playing gross and net with a maximum of an 18 handicap.

On Friday, January 22, 11 AM-3 PM, we conduct our annual Helicopter Ball Drop, along with Demo Day. It's a great event to attend whether you golf or not. We provide a great barbeque on the driving range with music and fun. The following golf club companies will be in attendance for you to try out their new equipment; Cobra, Srixon, Cleveland and XXIO.

The Helicopter Ball Drop is a 50/50 fundraiser for the men's and women's golf clubs. To participate, you must purchase a golf ball(s). The cost is \$10 per ball, three balls for \$25, seven balls for \$50 or 15 balls for \$100. The golf balls will be dropped from the helicopter at approximately 1 PM during the Demo Day on Friday, January 22, on The Views Golf Club Driving Range.

You can purchase a golf ball(s) anytime, up until 5 PM Thursday, January 21, in the Pro Shop or online. The three balls closest to the pin win. After distribution of the 50/50 split, 1st place receives 50% of the prize fund, 2nd place

30% and 3rd place 20%. The total number of balls sold will determine the prize fund distribution.

Thank you for enjoying all the activities at the Club, and we look forward to seeing you play golf.

Superintendent - Michael Kropf

scvgolf@suncityorovalley.com 520-917-8063

Happy New Year. January is the time of year when the normal activities in the golf course maintenance department really slow down. The cooler temperatures decrease the growth rate of the grass, so the amount of turf maintenance is reduced. Less fertilizer, water and mowing are required for maintaining good turf health. This allows our department to catch up on other areas of the golf course that we don't get to spend a lot of time on during the rest of the year.

Last winter we started thinning vegetation in front of tees to open views and hitting areas on holes #1, 15 and 18. This year we will continue trimming on 15 and 18 tees, but also, we are going to thin the desert between the back of 18 green and 10 tees to open the view of the mountains for golfers finishing their round.

More drainage projects will be completed this year to improve playing conditions where we have habitual wet spots. The left side of #1 approach has been staying wet since the new green and apron were built, so we will fix that area. The fairway on #6 at the 100-yard marker is always wet, so we are going to run a drain with catch basins to help dry that area out. Another constant wet area is #9 fairway at the 100-yard marker that also needs a drain. These projects will be completed in stages. Since the number of golfers is so high this time of year, we don't want to interrupt play too much.

Golf Advisory

Chair Bill Cocanour 210-771-6541

Sep.-May, first Wed., 2 PM, WC3

Wishing you a happy New Year. A good New Year's resolutions is to get out and use the driving range. Please be patient as we are on the mats to help preserve the grass. The overseeding of the tees and fairways has grown in quite well. As a reminder, there was no overseeding on all the newly sodded areas around the greens, approach areas and driving range tee. We ask your help, that when driving your golf cart around the tees and greens, keep the cart on the path at all times. This includes all handicap-flagged golf carts. Please follow the signage for golf cart traffic and use the blue gate system to enter the fairways between the two blue stakes, and exit the fairway between the two blue stakes further down the fairway. The idea is to keep your carts in the fairway once you enter through the blue stakes.

Welcome back members. Congratulations to the winners of the President's Cup flights held in November. 1st, Preston Sheriff; 2nd, Cliff Miller; 3rd, Zan Wicks; 4th, Ed Sanderson; 5th, Adam Dress and 6th, Bill Pigott.

Congratulations to the winners of the Pro-Am which was also held in November. Pros Dompier and Pooley shared first place, each shooting a 72. First place for Best Ball Pro and Net went to the team of Crain, Kimble, Silverton and Young. Second place went to Dompier, Gasperini, Miller and Ambrosio.

January will be another busy month for the club. We are starting off on January 6 with The Views Cup, which is a culmination of points earned from 2019 events. January 13 will be an Oh Crap Scramble. The Governor's Cup will start January 20 and is a three-round event. Second round is Saturday, January 23, with the final round on January 27. Get a partner for this event and sign up. There will also be low net events on January 20 and 27 if you are not participating in the Governor's Cup.

New officers were elected to the board for the upcoming year. They are Mark Pawley, Dean Silverlock, Michael Gedrose and Jim Mulleen. A special thanks goes out to the retiring directors who did an outstanding job: Vince Cardinal, Rob Keck, Craig Watson and Jim Ambrosio.

You can now renew your membership in the Men's 18-Hole Golf Club on Golf Genius. Also, renew your handicap membership on the site. Remember, you need an official handicap to play in our golf events.

With the rising cases of COVID, I urge the community to follow the CDC and Board guidelines. It's important that if you are not seated at your table, you have your mask on. This is for your safety as well as those around you. In addition, please refrain from dancing at our live entertainment nights. The restaurant staff is doing everything we can to keep you healthy and keep the restaurant open and operating with as many events as we can, but this will change if rules are not followed. Please help us stay safe and open.

In addition, I would like to invite those golfers that score a hole-in-one to treat your friends to a Hole-in-One Margarita at the restaurant. It is a special margarita for just this occasion, and only \$5 each. Come celebrate your amazing accomplishment with us.

Mon., 1-4 PM, Fri., 9 AM-Noon, Lapidary Room

So far so good. We continue to meet on Mondays and Fridays, and no one has been turned away. We do wish to maintain the distancing, and soon more seasonal residents will be returning. There is a chance that our numbers will be increasing, and we do want to limit the number of crafters to five. Entrance will then be on a first-come basis. Masks, of course, must be worn and workspaces sanitized after use. Please wash hands and sign in upon entry.

Japanese Flower Arranging

Donald Marier 520-825-4878 dolmar21@gmail.com
Nov.-May, Second and Fourth Mon., 2-4 PM, Catalina Vista/Pusch Ridge

Japanese flower arranging, *Ikebana*, is the art of arranging flowers, branch materials, grasses and leaves. At its core is the beauty resulting from a combination of color, shapes and graceful lines. More than simple floral decoration, it is a form of sculpture with plant materials. Learn from certified instructors at your own pace and make creative arrangements for your home.

Knit and Crochet

Jane Fairchild 520-909-5069 janemail11@yahoo.com
Tue., 2:30-4:30 PM, Catalina Vista/Pusch Ridge

Please join us. We usually have lively conversations while working on our projects and enjoying each other's company. We are following the SCOV guidelines by wearing masks and social distancing.

An ongoing project is crocheted sleeping mats made out of plastic shopping bags. We deliver these mats to the Gospel Rescue Mission for Tucson people who are experiencing homelessness. You can participate in this project by cutting the bags into strips, stringing them into plastic yarn (plarn), and/or crocheting them into mats.

With the dawn of the Cold War came the development of tactical nuclear weapons, small artillery-sized explosives designed to be used on the battlefield rather than at long-distance. With a five-to-seven-man crew and a 20-mile range, the M65 Atomic Cannon was the first weapon designed to fire such an explosive. Twenty were built at a cost of \$800,000 each and deployed in Germany, South Korea and Okinawa. Never fired after the initial test explosion and quickly deemed obsolete, the M65s were retired finally in 1963. Dave Scoles' 32-inch model includes the artillery piece and the two tractors deployed front and back to pull it in either direction, with independent steering, rather like a long ladder fire engine. We hope you will visit us again when protocols allow. In the meantime, stop to enjoy the models in our window display cases in the Artisan Center and the Activity Center.

Club information at www.vistosophotoclub.weebly.com

The Vistoso Photo Club is now conducting its meetings by Zoom, and you can participate from home. We have members at all skill levels. Whether you are a beginner or an experienced professional photographer, we invite you to join and compete with others at your skill level. Your entries will be reviewed by a judge, who will comment on the better points of your photos and how they might be improved. Winners will have their photos displayed at Catalina Vista. If you are not a member and would like to be a guest at one of our meetings, please contact Val Plumlee for a Zoom invitation. Our next meeting will be Wednesday, January 27, 6 PM.

Sculpture

Pres. Laurie Lichaa 520-991-9953
Mon., 9 AM-5 PM, Catalina Vista/Art Studio

The Sculpture Club meets on Mondays in the Art Room in Catalina Vista and can also participate in the Open Art Studio on Tuesday, Wednesday, and Thursday from 9 AM to 1 PM. If you are interested in becoming a member of our club, contact Laurie Lichaa. Club members have sculptures in the display case outside of the Art Room and in the SCOV Library.

Pictured, right, is a recently-started project by Gene Eckbrecht. It illustrates the first two steps of creating a sculpture. Step One, selecting a concept and/or idea of what the project will look like. Step Two, creating an armature that is the foundation of the project upon which Gene will build. Gene sketched out a picture of the armature structure. He then used the picture to determine how much

material would be needed. The picture shows his completed armature.

Times and to sign-up on calendar: www.bit.ly/thimblelena-signup

The Sewing Room continues to be the hub for our various sewing clubs and groups. Though scaled back, the clubs are meeting, with attendance controlled on the www.bit.ly/thimblelena-signup site. The end of the calendar year marks the time when we hold our annual meeting. On December 8, we had members attend the annual meeting either in person or via Zoom. President Sue Lane gave a brief summary of the many things the board accomplished this year, despite the Sewing Room being closed for many months. Election of the current slate of officers was completed. A \$1,000 donation to the SCOV Library was approved. We had received a very large donation from the Library from their mask distribution project. A motion was approved to waive the 2021 annual dues for all current members. However, all Thimblelenas members, whether new or current, must fill out the membership form, available either in the Sewing Room or on our SignUpGenius page.

Casa Amigas

Sigrid Flatness 425-213-6689

Mon. and Thu., 9 AM-Noon, Artisan Center/Sewing

Even with the COVID virus shutting down the Sewing Room for several months this year, Casa Amigas is still committed to providing clothing for children at risk. The need is so great, especially now. Since we've opened back up, our group is working hard to sew as many needed items as possible. However, our funds have dwindled and our usual donors haven't been able to provide needed funds to buy fabric, yarn, quilt batting, etc. Well, guess who stepped up to help us with additional funds to keep us going? The SCOV Foundation. After presenting information about what we are able to provide to community organizations, the Foundation came through with additional funds to tide us over. Without those funds, Casa Amigas would have to stop sewing for children in need. The Foundation is able to help many clubs with funds to continue their charitable efforts. Thank you, SCOV Foundation. What a wonderful organization this is. See article on page 4 for more information.

Cheer Bears

Pat Norton 480-993-8762 panpan9803@yahoo.com
Wed., 1-3 PM, Artisan Center/Sewing

2020 is in the past. What a year it has been. March shut down the Sewing Room, and work continued on in our homes until September. We made masks by the thousands and kept our heads low. In September, we met in the Sewing Room in limited numbers to embroider, sew and stuff with love our little buddies to warm the hearts of kids. Even with our slow down, we were able to make close to 300 bears to children in the Tucson area. Thank you to Rethea and Barb for all your cutting to keep us going.

2021 looks to be a better time. Hope is the only way to cope. Thanks to all of you for your great support. We look forward to seeing faces again—old friends and new—as we work together to bring joy to those we support. The sun still shines and the moon still rises. Happy New Year.

Pet Beds

Jan Bohe 520-825-9725

Tue., 1-3 PM, Artisan Center/Sewing

If you have a dog or cat, you probably already have a comfy bed for them. It's getting cold outside, and we want to provide comfy beds for the Humane Society animals waiting for their adoption. We create all sizes of colorful pet beds, using washable fabric scraps and polyester fiberfill. We can always use more volunteers. We do have a good time with plenty of conversation while we work, so why not join us some Tuesday afternoon in the Sewing Room? We ask that you sign up for the room by using the Sewing Room SignUp-Genius online calendar www.bit.ly/thimblelena-sign-up to secure a spot or call Jan Bohe. We look forward to seeing our winter residents return.

Quilters

Carol Guibert 520-404-1462

Second and Fourth Tue., 1 PM, Desert Oasis/Ocotillo

We welcome the new year with hope and promise that our lives will get back to a semblance of order. Our quilt meetings have been on hold, and hopefully, we'll be able to begin again. There are several demos and classes that have been planned, but it is difficult to say when they will be held. In the meanwhile, we have a mystery wallhanging project that should be finished this month. Tuesday, January 12, 1 PM, will be our meeting. Bring your show and tell, mystery project and smiles. Again, the Sewing Room is open to us on Thursday afternoons to work on our quilt projects. Signups are necessary at this point for both the meetings at Desert Oasis and the Sewing Room.

Wooden toy making, various times, Artisan Center/Woodshop

Business meetings at Catalina Vista, first Thu., 8-9 AM; no meetings May-Sep.

Thank you, Susan Garcia and your crew for the over 100 quilts and blankets that were distributed. Thank you, Billie and Penny, for all your pillowcases and quilts delivered to Mammoth this year

2020 is finally at an end. Seniors for Kids (SFK) had a reasonable year. Our toy distribution was a success, though socially distanced and attended primarily by SFK members. Everything from March until July was shut down, but we made up for that from August to December. Meetings were held and friends were greeted in October. We've learned a whole new way to get things done, and learning is good for us all. We even had new members join our group.

Looking forward to a robust 2021 with lots of kids to take care of and lots of wonderful projects to take on. Tri-Community Food Bank, First Family, AVIVA, Three Points, Tu Nidito and Banner Children's Hospital are counting on our support. If you are interested in joining us, mark our meetings on your calendar (they are listed in the heading), and we hope to see you there. We always can use another pair of hands.

Tapestry Hooking and Fiber Arts

Please note that the name of our group has changed to Tapestry Hooking and Fiber Arts. Our group meets Tuesday mornings in the Sewing Room. We welcome new members; if you are interested in being part of our group, please contact Coni Arseneau or Carrie Wiley. Group members must reserve a spot on the Sewing Room's signup calendar which requires membership in the Thimblelenas Club.

The Tapestry Hooking and Fiber Arts group voted to change our name from Tapestry Rug Hooking to expand our group to include all fiber arts. Additional fiber arts might in-

clude embroidery, needlepoint, cross stitch, crewel, punch needle embroidery, tatting and yarn arts. In the past, potential members tried tapestry rug hooking and either did not enjoy hooking or had difficulty grasping the technique. They enjoyed being part of our group but were uncomfortable with the art; therefore, we decided to expand our group.

Shop hours: Mon.-Thu., 9 AM-Noon

Monthly member meetings and training classes postponed until further notice

Happy New Year. We can all hope for a healthier and happier 2021.

Steve Adams, our talented club president, made this featured Argentine silver overlay bracelet. The center stone is manufactured of turquoise, lobster shell, brass, and resin. The small stones are red coral. It is one of his favorite pieces. Fabulous. Our club members also create many other designs. Stop by and browse the shop windows in the Artisan Center courtyard.

Members, please remit your yearly dues of \$25 plus locker fees of \$2. Checks or exact cash may be given to a monitor in the shop. Hours may vary due to COVID concerns.

Sat., 9-Noon, Artisan Center/Lapidary

Wood carving sessions should have resumed on Saturday mornings with either Lew Dahmen, Dick Mitch or Ed Lindahl acting as the monitor. Watch for club emails for any last minute news on session details.

The number of carvers allowed in the room in addition to the monitor will be limited to five on a first-come, first-in basis. Each carver must sign in, wear a mask and maintain social distancing. Supplies are provided to disinfect work areas both before and after carving, but you can bring your own if you prefer.

candy store. This gorgeous paint organizer is for the models he builds.

During the current COVID-19 crisis, the Wood Shop is open on a limited basis. At present, Wood Shop capacity is set at seven plus a monitor. Wood Shop rules include:

- Everyone in the shop must wear a mask.
- All members must provide their own eye protection.
- Handwashing protocol is implemented.
- Social Distancing is expected and appreciated.

All SCOV woodworkers thank you for your commitment to maintaining a safe environment. Club dues are \$20 annually. Current hours are Monday-Friday, 9 AM-4 PM. If you have questions or need more information, please visit the website or call an officer.

The Astronomy Club remains closed until an SCOV announcement that group activities are safe to resume. As you know from earlier *Tipsters*, the Astronomy Club is known for its great monthly speakers, often provided by the UArizona Astronomy Department. The UArizona Lunar and Planetary Lab and the Planetary Science Institute are both heavily involved with NASA and its many spacecraft missions throughout our solar system. We are indebted to them for their willingness to share the latest in space exploration with us.

Those of you who are following the NASA/UArizona Osiris-REx mission know that the October 20 soil sampling from the asteroid Bennu was immensely successful. Osiris-REx and its onboard soil sample are currently backing away from Bennu and will be in the proper position to begin its 200 million-mile journey back to Earth in March. It will land in Utah on September 24, 2023.

A very special greeting to all and any women in SCOV who are interested in starting the new year of 2021 studying God's Word. This is a non-denominational Bible study written by well-known biblical author, Kay Arthur, that is sure to take you on a very exciting, in-depth study of both Old and New Testament Scripture. From women who have been studying the Bible for over 30-40 years, to women who are questioning and interested in finding answers that are found only in the pages of the Holy Bible, all are welcome.

Because of the rules that SCOV has set in place for our community's safety, we ask that all ladies park in the last three rows of the parking lot at the back of the Welcome Center and enter up the ramp and through the back door of the Welcome Center. Please come join us.

The Great Books Club offers an opportunity to discuss challenging ideas raised by our reading of classic texts. The selections, from an anthology published by the Great Books Foundation, are short to moderate in length, enabling focused, in-depth conversations. Our January selections are a short story by Herman Melville and a long poem by Christina Rossetti.

As of this writing, our meetings are being held at Catalina Vista, outside on the back patio when weather permits. If conditions change, we may switch back to Zoom meetings. Members are kept informed by email of our meeting location. Contact Maryfaith or Barbara for up-to-date information.

As we weary of masking and bumping rather than hugging, let's resolve to remain hopeful that these new vaccines will, indeed, vanquish the virus we've been fighting now for nearly a year. The following excerpt from "Lift Every Voice and Sing" by James Weldon Johnson demonstrates the efficacy of poetry and maintaining a positive attitude:

"Lift every voice and sing / Till earth and heaven ring, / Ring with the harmonies of Liberty; / Let our rejoicing rise / High as the listening skies, / Let it resound loud as the rolling sea. / Sing a song full of the faith that the dark past has taught us, / Sing a song full of the hope that the present has brought us. / Facing the rising sun of our new day begun, / Let us march on till victory is won..."

On a security note: Consider a password vault for your home computers/devices. Every day, our Internet world becomes more risky with new/different scams. Just as important is two-factor authentication (2FA) or 2-Step Verification. There have been a number of calls recently to the help desk about Facebook page hacks. If you have suffered this, you know how important security is. If your Facebook account gets hacked, immediately change your password. However, that is not enough. Adding 2FA imposes another layer of protection. If your new password is compromised, only you have the 2FA passcode. For those of you who may need more guidance on this, call the SCOV Technology help desk, 520-329-7661. This is one of the benefits of belonging to our club. There are more reasons to gain increased knowledge in our digital world, which you can gain from club membership. Contact Brian and check out our website shown above.

We had hoped that January might bring an opportunity for us to recommence at least some of our dining fun together. But as you all know, the pandemic is worse than ever. The board continues to monitor the situation; club dinners will resume as soon as it is safe to do so.

Several club members participated in a "Cheery Cherry Challenge" in November and December, finding many ways to use some tasty Michigan dried cherries. Recipes and photos for creative dishes from breakfast to dinner can be found at scovprepareandshare.weebly.com/2020-cheery-cherry-challenge.html.

As our club name implies, our usual activities involve preparing meals that follow an agreed-upon theme and sharing our dishes in the home of a host. Anyone interested in joining the club should email Debbie to get on our email list. Even though we currently aren't holding dinners, we may have a few more virtual cooking challenges in early 2021.

Scarlet

This month features Scarlet, aka "Lish's Gone With The Wind," from the hunting line of Golden Retrievers with red/gold coats. Born on the 4th of July in 2014, this beautiful girl was selected to be a breeder. Since she did not breed in mid-winter, the owner decided to rehome her. Lucky Scarlet got a new set of humans: Matt and Carol Tombre. It was a perfect match as she was ready for the retirement life. Scarlet's favorite activity is to be with her family, especially when they all go on sunset safari golf cart rides. You will see her at the dog park most late afternoons. Do you have a dog and want to be a part of the dog club, too? New and renewal membership forms and \$10 dues are being collected now

We are starting a new year, but our meetings are still pending due to COVID-19. January is rose month in the desert. Roses are beautiful and easy to grow, so you should have at least one in your garden. Usually, we have speakers and trips to our local nurseries each month. Harlow Gardens also are not having their lectures this year, but their new roses will be available on January 18. Spring will be here before we know it. Mark your calendar for the Garden Tour on April 10. It is wonderful that we can be outside and enjoy ten special gardens. More information to follow. New members are welcome. Marjorie Gerdes 520-825-5750

Alas, New Englanders, our discretion has won out over valor. With regret, we will not be having our spring pizza party. With vaccination news on the near horizon, we trust that next year, perhaps in the fall, will find us gathering once more for food and fellowship. Until then, stay well, stay safe.

The board of our Variety Theatre met November 5. After extended discussion, exchange of ideas and considerations of COVID restrictions, the board felt it was best to table our performance of *Big Guns* at this time. Retain your tickets for use or refund. No ticket/no refund.

The next planned meeting will also be held only for the board Thursday, January 14. At that time, we will discuss plans for fall/winter possibilities and advise our members. Sending wishes for good health and a happy New Year.

Veterans Club of SCOV

Pres. Mike LaBarbera 812-431-7427 mclabarb@aol.com
First Mon., 1 PM, Auditorium
www.vbscov.weebly.com

All veterans, male/female, private to general, one military assignment or retired, National Guard or reservist, combat or non-combat.

Meetings are held in the Activity Center due to increased membership, returning seasonal residents, and a safe environment for members to attend meetings. Currently, masks are required while in SCOV buildings. We inform club members of VA entitlements and review relevant issues by email and during monthly meetings.

In November, eight club members delivered four pickup trucks and an SUV full of clothing, hygiene products, small appliances, a BBQ grill, over 35 computers and more to the temporary homeless unit in Tucson, all donated by our wonderful SCOV community. If you have a worn, faded or tattered U.S. flag, drop it at Mike LaBarbera's house, 2145 E. Bighorn Mountain Dr., and he will see that it is properly disposed. Wrap inconspicuously so the flag is not visible.

Under the direction of volunteer leaders, club members are reviewing and brushing-up on dance skills. In January, we continue with practices for all levels: beginners, intermediates and those participants who are transitioning from the Intro class to beginner level dances.

During the last week of each month, members will receive an email directing them to the club's website: Enter Here > Info and Signup Links to Classes and Practices. By following the links, members will be able to register for all level of practices on Thursday afternoons and Saturday mornings. The transition class is offered only on Saturday morning.

Timely emails will keep members updated on club news.

Dancing "The Blue Rose"

Wild Ride Band

Hello Kactus Kickers. We had another wonderful dance on December 5 with the Wild Ride Band. The weather was beautiful; it was great to dance in the sun. We currently do not have a dance planned for January. Watch your email for updates from us. The next dance on the schedule is for February 12; we will wait and see if we can dance inside. The classes are scheduled to start in January, both two-step and swing. They will be in the Auditorium; masks and social distancing will be required.

Exercise

Aqua Tone

Marcia Polley 520-818-9073
 Irmel Wheeler 520-334-0957 (cell) irmel5596@gmail.com
 Tue., Thu., Sat., 9 AM, AFC/Pool

Aqua Tone is a toning water workout that incorporates a variety of rhythmic body movements performed in the water. This aquatic exercise class enhances cardiovascular fitness

and muscular endurance.

We meet Tuesday, Thursday and Saturday, 9 AM in the winter, 8 AM in the summer, at the AFC pool. There is no fee to join the club or the class. The teachers are club member volunteers. Being able to do a basic swim stroke is very helpful. Items used in the class are buoys, boards, noodles, balls and a fitness band: you'll need to bring your own. A band can be purchased from Marcia for \$5. We assign an experienced member to a newcomer to help with learning the various movements. You will get a good workout in a fun class.

Arthritis Water

Pres. Sherry Olivier sherryolivier55@gmail.com
 Sec. Joy Sawyer joymaesawyer@comcast.net
 Mon., Wed., Fri., 1 PM, Oct.-Mar.; 10 AM, Apr.-Sep., AFC/Pool

Our club performs gentle water exercises designed by the Arthritis Foundation to help with range of motion, which are great for those of us with arthritis, fibromyalgia, replaced joints, etc.

Currently, we have a rotating schedule, which allows 19 of our members who signed up to fill the 15 pool reservations that our club is allotted for our classes. Unfortunately, we will not be accepting new members until after the COVID restrictions are lifted. The current pool restrictions have been very difficult to deal with, but we're happy that the pool is open. Please note: The outside air temperature must be 77 degrees or higher for the class to be held. We meet at 1 PM until further notice.

Energetic Exercise

Donna Clark 970-946-1048
 Mon., Wed., Fri., 8-9 AM, Auditorium

Give yourself a New Year treat of fitness, fun and friendship at Energetic Exercise. Following the COVID directives now in effect, only 30 are allowed to attend. We are now using SignUpGenius for class registration. Each month, members will receive an email with a link to sign up for classes. Resident members only. No late arrivals. We start promptly at 8 AM. Masks worn at all times.

Bring exercise equipment for the day and a bottle of water in a small bag please.

Sally Martinez, our professional instructor, has been leading these classes in SCOV for over 25 years. She's expert at keeping us seniors strong and flexible with a great variety of aerobic and weight exercises plus wonderful balance and stretch moves. You'll be amazed at how good you'll feel. Unfortunately, we can have no new members or guests at this time.

Unused tickets may be used. New 12-punch cards will be for sale after each class for \$30 paid by check or cash (exact amount).

Fitness Swim

Contact: Dave Goodman goodman@sfu.ca
 Tue., Thu., Sat., 6:45-8 AM, AFC pool (suspended until further notice)

The Fitness Swim Club provides a vehicle for swimmers to participate in a group swim workout. We generally go 2,400 to 3,000 yards per workout, mostly freestyle. Some do more, a few do less.

Workouts are suitable for master swimmers, triathletes and those who would just like to participate in swim workouts. Please ensure you have medical clearance to participate in vigorous physical activity prior to joining. We welcome new members.

Pilates

Mary Ayers 520-638-7916 scov.pilates@gmail.com
Mon., 3 PM, Thu., 1:30 PM, AFC/Studio

Happy New Year. It's a brand-new year and time to commit to a new exercise routine. Why not try Pilates? SCOV offers classes in the AFC twice a week. The exercises not only strengthen your core muscles (abdomen and back muscles), but you will also notice you have better balance, more muscle tone and increased stamina. People ask if the benefits from the strengthening and stretching exercises really develop the body's core, increase spine mobility and build flexibility. The answer is yes. We have two experienced instructors, and the cost is only \$8/class, with annual club dues of \$20 pp. Please join us or stop by and watch. Questions, call Mary.

Scrabble

Jan Fischer 520-825-2401 fischer_janice@comcast.net
Fri., 1-3 PM, Desert Oasis

As an addition to the November article on the origins of Scrabble (Lexiko), Mr. Butts churned out game sets in his home to fill orders from all over the country as he tried in vain to secure a patent, a copyright, a manufacturer. In 1948, he had all three. With a name change to Scrabble and a redesign of the game board, his project was rolling off the assembly line. Today Scrabble is manufactured in the millions each year, and is played worldwide in many languages. There are an estimated 33 million Scrabble players in the United States and Canada alone. Among those are more than 10,000 en-

thusiasts and over 200 sanctioned clubs, which meet each week. If you think you might enjoy an afternoon of friendly competition, please join us on Friday afternoons. We would love to see you.

Sheepshead - Schafkopf

Jeff Rusch 920-202-0007 jffrusch@yahoo.com
Tue., 10 AM-Noon, Desert Oasis

Schafkopf, better known as Sheepshead, is a card game most commonly played in Wisconsin and surrounding mid-west states. If you are interested in joining us, contact Jeff for more information. At this time, drop-ins are not allowed due to the current COVID restrictions.

Vistoso Cyclists Club has over 200 members. We ride year-round to preplanned destinations in Tucson and surrounding cities. We use both city streets, the Loop Trail and other designated bike trails. Occasional away rides start from a distant location. Weekly, a mountain bike option takes a few of us to the Tortolita rangelands, containing some of the highest-rated single-track bike trails in the nation. Our group-ride options are from 25 to 50+ miles. We always take time for coffee and conversation somewhere on these rides. Our Women on Wheels (WOW) group have their own agenda providing routes of 12 to 30+ miles.

Our club sponsors social events, participates in Wheels for Kids and is involved with the Interfaith Community Food Bank.

If you are a resident and love to ride your bike, check out our website, or call one of us.

Billiards

VP Michael Rittmann 720-427-7235 mrtrittmann@yahoo.com
 Mon.-Fri., Noon-4 PM, Catalina Vista/Billiards

During December, we will have had our annual membership meeting to elect officers for 2021. Additional cleaning supplies have been provided for those who choose to play currently. We look forward to various vaccines enabling more of our regular players to join in during the spring. New members are always welcome. Let's have a great 2021.

The White-crowned Sparrow is a welcome winter visitor here. Its cheery song resembles the tra-la-tweedle-dee-dee of Patti Page's "Mockin' Bird Hill." In all, there are about 25 species of sparrows that can be found in Arizona.

We are an activity-oriented group, and all SCOV residents are invited to join us and learn more about the birds here in Arizona. Below is a list of upcoming bird outings. If you are interested in going on any of these field trips, be sure to contact the trip coordinator for details at least three days in advance. These field trips are currently open to residents only with the requirement that we social distance and no longer carpool until the pandemic subsides.

 Mon., Wed., Fri., 1 PM and 3 PM, Bocce Courts

With cooler temperatures, Bocce Club games have moved to the afternoon. We continue to require advance sign up and social distancing. Members only, but it is easy to sign up, and the annual dues are only \$5. Visit the website for details.

Gun Club

Bill Snead 425-246-8100 wgsnead@gmail.com
 Dec. meeting Tue., Dec. 8, 2 PM, Activity Center/Kiva Patio

Meetings of the Gun Club are suspended until it is safe to gather in our indoor meeting room. In the meantime, please consider making use of the Pima Pistol Club (not affiliated with our Gun Club) in Catalina, which is an excellent facility for keeping up your skills.

Hiking

Pres. Mike Duellman 847-951-3934
Scheduled hikes will be posted on the website
www.scovhiking.org

Happy New Year. Here is hoping that 2021 is much different than 2020, and we get back to all of our hiking as well as social activities. There are plenty of hikes on the calendar for all levels, so we will see you on the trails. If you would like to become a new member, go to our website and follow the instructions for becoming a member. You will love hiking the trails in the area.

My friend has the ability to hike the most complex of trails without getting lost—it's pathological.

Hello fun. Welcome men and women. No experience necessary. Bring your own equipment. Easy to learn and the more you play, the better you get. Did you know seniors 70 and older pitch from a shorter distance with less effort and more accuracy? The shorter distance also makes the game more fun for women. YouTube has several videos of everything related to horseshoes. Check it out.

Good exercise, good people and friendly competition.

Pickleball

www.scovpb.org
scovpb@gmail.com
Sun.-Sat., 8 AM-9 PM

December, the month that the rumors came true. We reported our first member testing positive for COVID just before Thanksgiving. Our court tracking procedures were valuable in tracing. We really appreciate this member being so proactive with us.

Our new board members are Nancy Vander Ark and Doug

Lights on, paddles up. Larea Diehl-Holgreen photo

Brown. New board positions will be announced in early January. Nelson Brown and Dave Burnham will retire having served for three years.

Our ladder play (new), round robins and training are popular events but are limited in participation. With just five courts, only 20 members (5% of club) can play or train at a time.

We are still accepting new members and will teach you how to play. Warning: Pickleball is addictive; you can play it for the rest of your life. For more information, email us at scovpb@gmail.com.

POP Tennis

Pres. Brian Goff 520-825-7232 bwgoff@outlook.com
VP Barbara Satterly 520-825-8965
Tues., Thu., Sat., 8:30-10:30 AM

If you'd like a closer look at POP Tennis, stop over at Desert Oasis on Tuesday, Thursday, or Saturday mornings, 8:30-10:30 AM, and we'll show you the basics. It's guaranteed to be a lot of fun and laughter. Hope to see you on the courts.

Racquetball

Pres. Jerry Moss 360-772-0780
VP Brent Stewart 210-324-0178
Mon., Wed., Fri., 8-11 AM, AFC/Racquetball Court

Our members continue to hope for a positive resolution to this virus attack. We want to play and get together for stories and laughs. Stay safe everyone.

Table Tennis

Co-chairs Pat Norkooli 719-650-9787 patricia.norkooli@live.com
Megan Jacoby 949-697-4665 cobymeg@gmail.com
Catalina Vista

We need to observe the safety measures set by management as follows:

- Use the sanitizer provided at the entry before playing.
- Wear masks while in the building and during play time.
- Maintain at least 6 feet distance from other players.
- Play singles only, no doubles.
- Play is limited to club members and residents at this time.

There should generally be two rooms available with two tables in each room, with the exception of Saturdays, when we will only have one room and two tables. Each pair of singles can play for about an hour. Monitors will need time to sanitize and equipment before the next group comes in. This is only a temporary arrangement, and we look forward to resuming our normal mode of operation.

Schedule

Tue., 3:30-5:30 PM, men/women club play
Thu., 3:30-5:30 PM, men/women club play
Fri., 2-5 PM, men/women open play
Sat., 9 AM-noon, men/women club play
Sun., 9 AM-5:30 PM, men/women club play (players need to let monitor know at least one hour in advance on Sundays)

Tennis

Pres. Ron Martin 520-395-0608 martin.ron.16@comcast.net
Treas. Sherwin Koopmans 520-818-6337
Men's tennis, Tue., Thu., Sat., 8-Noon, Jim Benshoaf 612-799-5918
Ladies' tennis, Mon., Wed., Fri., 9 AM-Noon,
Anita Gayheart 360-949-3452, Beverly Johnston 970-744-0697
Mixed doubles, Sun., 1-3 PM, Susan Hernandez 310-433-7474

Due to the coronavirus pandemic, the club has postponed the mixed doubles tournament and all social events previously planned for January. Fortunately, open play continues for men and women. In addition to safety practices, especial-

ly social distancing that members have applied for months, the club requests that members take two additional steps at times of open play: a) wear a mask except when playing and b) register when arriving to play. The registration will be important for contact tracing if a member tests positive.

While the pandemic continues to be stressful for all members, the club is happy to announce one joyful event. Saniya Otus, a longtime member and outstanding tennis player, celebrated her 90th birthday in early December.

All SCOV residents are welcome to use our wonderful tennis courts. If you have questions about our club or would like to join, send an email to Ron Martin.

Happy New Year from the Wallyball Club

The Wallyball group wishes everyone a safe and healthy New Year.

Wallyball is a fun game for both men and women. It's a great calorie burning sport and it helps build and tone muscles. It's good for your balance, too. We normally play Competitive on Tuesdays, 12:45-3 PM, and Recreational on Fridays, 12:45-3 PM.

We will wait for the CDC guidelines and Administration to let us know when it will be safe to get back on the court. Please check our website, or give one of our officers a call. Be safe and play safe.

We sincerely wish all a very happy and healthy New Year. How fortunate we are to be able to participate in outdoor sports year round. We can see snow on the slopes of the Catalinas while still enjoying a rousing game of water volleyball. Our games continue while dealing with the cooler weather. Our hearty players still show up regardless of the temperatures most play days. Rain, wind, lack of sun and temps below 65 degrees are the exceptions. This time of year we wear insulated wa-

ter vests to keep our upper bodies warmer while being in the pool close to two hours, three days a week. That is dedication. Give us a call. Come try it out and join our active fun-loving group.

Day Trippers

Chair Laura Suchocki 520-612-7226

Membership Laura and Tom Held 520-447-5170

Second Fri., 9 AM, Activity Center/Navajo

The Day Trippers board met on November 30, and the decision was made that there will be no Day Trippers general meetings until possibly March. If all goes well by then, we may be able to meet following the guidelines set by the Association. Attendance would have to be limited, with theater-style seating and distancing, no food or drinks, except for your own personal beverage. Masks required. No bus trips until we have a vaccine. Those who paid dues for 2020 will not be required to pay 2021 dues. Keep watching the *Tipster* and "This Week in SCOV" for any updates.

Let's all hope for happier days ahead.

RV Club - Sundowners

Acting Pres. John McConnaughey 503-580-2465

Captain.Faisua@gmail.com

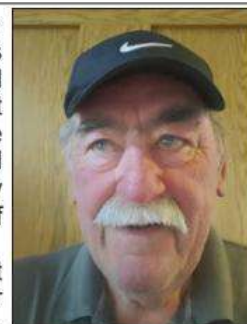

www.sundownersrvclub.org

Membership meetings second Mon., 9 AM, on Zoom. Watch your emails for meeting invitation.

2020 continued its reign of losses with the resignation of our club's President, Larry Castriotta. Larry and other board members served past their terms, which were due to expire in March 2020, but COVID upended our elections last year, and so Larry soldiered on, keeping the business of the club going.

We will be meeting by Zoom for at least the first part of 2021; watch your emails for Zoom invitations. Elections for new board members will take place in March. Anyone willing to help out, please contact any of the current board members and we will get you on the slate. The board is also proposing a bylaw change to make board positions two-year staggered terms, and we need members to vote on this before the March election.

Club trips in the first part of 2021 will be mostly informal trips. Watch the informal-trip page on the website for more information. If you would like to propose an informal trip, contact Carrie Wiley ecwiley@gmail.com with information about the trip. Any club member can propose a trip; these are much less structured than the regular club trips. John McConnaughey is inviting other members to join a trip to Rocky Point in late January.

We thank Sundowner President Larry Castriotta for his club leadership

Alzheimer's Education and Support

Cecelia Ortiz 661-972-2639

Last Tue., 4 PM, Desert Oasis/Ocotillo (suspended until further notice)

Whether you are a caregiver, a person with mild cognitive loss, or at risk for Alzheimer's Disease, our mission is to support one another by sharing new ideas through the advancement of research, to provide support for all affected by sharing ideas and concerns and to reduce the risk of dementia through the promotion of brain health.

Cancer Support

Facilitator: Laura Held 520-447-5170 lmheld@comcast.net

First Wed., 4:15-5:15 PM, Catalina Vista/Art Studio

The focus of this group is on your feelings and responses to pre-cancer, current and post-cancer. Laura M. Held, a retired oncology nurse, cancer survivor and SCOV resident, facilitates the group.

Caregivers' Support

Facilitator: Jane Holder 520-820-0171 janeyholderaz@gmail.com

First and Third Fri., 2-3 PM, Catalina Vista (suspended until further notice)

If you are caring for a partner, child, parent or any other loved one, this support group will allow you to share with other like-minded people in a safe environment. What is said in this group, stays with this group.

Diabetes Support

Facilitator: Bill Bable 520-639-8845 Wbcfbp33@gmail.com

First Mon., 3:30 PM, Catalina Vista/Mt. Lemmon

Our members are part of a COVID-19 high-risk category. Please take this seriously and practice all the CDC guidelines of face covering in public areas, hand washing and social distancing. Our monthly meetings are suspended indefinitely. An announcement will be made when meetings resume.

Grief Recovery and Support

Rita Menet, Chairperson of the Active Health Committee

920-659-1428 rita.menet@gmail.com

Meetings suspended until further notice

Grief has many causes. It may be from the loss of a loved one, a pet, a career, etc. No matter what the cause of grief and loss, support by a group can be a key to recovery. This support group is suspended at this time. We are looking for a new facilitator of this group. No professional credentials are required, but previous experience in leading a vital group like this is desirable. If interested, please contact Rita Menet.
