INTRODUCTION

The purpose of this handbook is to familiarize you with the many programs, events, rules, and benefits available at The Views Golf Club. The guidelines govern the use of the facilities for the benefit of all residents, members, and guests.

Sun City Oro Valley, Inc. (referred to herein as SCOV) owns, operates, and maintains community facilities, which enhance the leisure and social interests of its members. The Association is also responsible for general enforcement of all provisions of the Master Declaration and Bylaws. SCOV is not responsible for loss or damage to any property or injury to any player or person on or near the golf course.

These rules and regulations are established by the Board of Directors to serve the best interests of SCOV residents and to provide a policy framework for operating common facilities for the safety, convenience, and enjoyment of residents and guests. These rules and regulations may be amended or changed without prior notice by the Director of Golf with the approval of the General Manager and Board of Directors.

HISTORY AND COURSE DETAILS

The Views Golf Club has earned a reputation as one of the hidden gems in the rich Tucson-area golf scene. The course opened in January 1987. Starting with the elevated tee shot from the first tee to the challenging approach on hole 18, every aspect of your game will be tested.

The Club allows members to use private carts on the course and offers rental carts. It has a full-service pro shop with lessons available from PGA professionals, a full-swing driving range and a complete short game practice area.

The Club has 18 and 9-hole golf leagues for both men and women that play weekly. We offer couples golf that plays monthly tournaments as well as various mixers and special events throughout the year. Upon completing your round, reflect on your day and enjoy a cold beverage at our full-service restaurant, The Views Restaurant. The patio and terrace offer some of the best panoramic views of the Santa Catalina Mountains anywhere.

HANDICAPS

The AGA / GHIN Handicap System runs from January 1 through December 31. Golfers are encouraged to join the Men's or Women's League and are required to establish a handicap. However, you may sign up for a handicap through The Views Golf Club without joining a league.

Scores shall be posted online on any of your personal devices through the GHIN system.

All golfers who play in any golf event must have a verifiable handicap. All golfers who play in a Club event must join one of the men's or women's golf clubs and pay applicable fees.

Handicaps are computed under the supervision of the pro shop by the current USGA Handicap System.

All members, residents, and their guests with a USGA approved handicap may participate in Club tournaments. All handicaps submitted may be reviewed by the Handicap Committee and the pro shop.

If you are from another state and would like The Views Golf Club to be your home course for posting scores, please let our golf professionals assist you. Depending on which state you are from, if you have a GHIN number, we will be able to link up to The Views Golf Club with your other club for posting scores.

All golfers maintaining a USGA handicap are responsible for posting all their scores daily. Any player failing to turn in a score shall result in a score being posted that is equal to their lowest score on record.

Accurate records are to be kept of scores turned in and recorded for all rounds played. The Handicap Committee shall determine if there are violations by members in this matter.

The Handicap Committee of The Views Golf Club ensures compliance with the USGA Handicap System. Members of all men's and women's golf clubs, professional golf staff members, and members at large make up this committee.

The Handicap Committee handles disciplinary matters concerning score posting and handicap issues.

The Club reserves the right to adjust handicaps for Club tournament play. The Club also reserves the right to deny any member, resident, or guest entry into tournament play for handicap manipulation.

ETIQUETTE ON THE GOLF COURSE

All golfers should do their part to make a round of golf a pleasant experience for everyone at The Views Golf Club. Each player is expected to observe the rules and etiquette of golf while on the course. These are listed in the USGA Rules of Golf. Please show consideration to your fellow golfers while playing at The Views Golf Club.

1. Play ready golf. Anticipate the club or clubs you may need and go directly to your ball. Always be near your ball to play promptly when it is your turn. If a player is delayed in making his or her shot, it would be courteous for such player to indicate to another player to play which should not be deemed playing out of turn.
2. Players are required to play at a good pace as outlined in Rules - Pace of Play.
3. When approaching a green, park your golf cart on the cart path on the best direct line to the next tee in order to save time. Never leave the golf cart in front of the green where you will have to retrace your steps to get it while the following players wait for you to move on.
4. When play of a hole is completed, leave the green promptly and proceed to the next tee without delay. Record the scoring for the completed hole while the others in your group are playing from the next tee.
5. The player-assistant staff will report slow play and all breaches of golf etiquette to the pro shop. Appropriate action will be taken by the player-assistant and golf staff personnel.
6. All players should conduct themselves in a disciplined manner, demonstrating courtesy and sportsmanship always. This is the spirit of the game of golf.
7. Players should not play until the players in front are out of range.
8. When entering and leaving bunkers, avoid climbing the steepest parts of the bunker. Before leaving a bunker, a player should carefully rake and smooth over all holes and footprints and leave the rake in the bunker with the handle outside the bunker.
9. Players should repair ball marks and fill divots with sand that is located on their golf cart.
10. Place litter in trash bins; including food remains, cigarette butts, peanut, and seed shells.
11. Listening to music during your recreational golf round is welcomed. Please use headphones when near other golfers and at the practice facilities. When on the course, you can listen to music without headphones if the volume is such that no others on the course can hear it. Please respect other players by not letting it be heard by those outside of your party.

RULES

PACE OF PLAY

Golf is more enjoyable and fun when played without delay. It is the responsibility of each member and guest to play his or her round in a fast and orderly manner.

The target time for completion of a round is four hours. Restrictions may be placed on persistently slow players. The professional golf staff or player-assistant will monitor the pace of play to ensure a time of four hours or less. If there is an open hole in front of your group and a faster group is behind you, you must either close the gap or let the group play through. If a group remains out of position, the professional golf staff or player-assistant has the authority to have the group allow faster players to play through or request that the group pick up their balls and move to the correct position on the golf course.

The foursome is the standard unit of play. Singles and twosomes have no priority on the golf course. The professional golf staff and tee host have the authority and the responsibility to pair twosomes or fill groups to make foursomes when necessary. A foursome should complete 18 holes within four hours and 9 holes within two hours. All players should keep up with the group in front and not delay players behind them.

PACE OF PLAY

- **1.** On pace, and you are keeping up with the group in front of you.
- **2.** You are out of position with an open hole in front of you, and you're behind the targeted pace of play time. You will need to catch up to the group in front of you and improve your time. Your group will be acknowledged once, possibly twice before having to skip a hole.
- **3.** Your group is not in position with the group in front of you or has not maintained an acceptable pace of play time. These actions would require repositioning your group on the course by skipping a hole or two to get your group in the proper position of play. Other options include allowing faster groups to play through, remove your group from the golf course and reimburse the dollar amount of holes not completed or assign the group a later starting time.

GOLF COURSE RULES

1. The Rules of Golf as adopted by the USGA together with the Rules of Etiquette shall be the rules of The Views Golf Club, except where local rules supersede and the rules herein.
2. Golf Carts and golf specific transportation (2 or 4 wheeled) are recommended for play; walking, carrying clubs, push and pull carts, electric or manual are welcome. However, the following guidelines apply to walking. Keep in mind; there will not be a discount in your golf fee should you walk, your golf rate will still apply, whether you use a golf cart. The Views Golf Club does not provide pull carts to rent. You must keep pace with the group you are playing with and with the group in front of you. Also, maintain an acceptable pace of play. If for whatever reason you are unable to do so, you will no longer be allowed to walk. We will sometimes be hosting junior or professional golf events that require walking, as approved by the Director of Golf.

3. Proper dress required for all players. Improperly dressed golfers shall be asked to change before playing. If you are in doubt concerning your attire, please check with the pro shop staff before starting play. See Proper Golf Attire for details.
4. All players must reserve a starting time to secure a time to play. However, walk-ins are welcome and will be allowed to play based on availability.
5. Member tee times may be made up to nine (9) or (8) days in advance. Resident tee times may be made seven (7) days in advance, and Public six (6) days (Groups and tournament outings further in advance)
6. Starting times must be canceled at least 24 hours in advance.
7. Players must start play from the tee or hole as directed by pro shop staff at the assigned time.
8. Each player must have their own set of golf clubs to play on the golf course.
9. Singles and twosomes shall have no priority on the golf course and may play at the discretion of the pro shop or tee host. Singles and twosomes should not expect to play through foursomes and should not exert any pressure on the groups ahead. Foursomes shall have the right of way. However, for the enjoyment of all parties, foursomes should consider allowing faster groups to play through if they are behind pace or if there are open holes in front of the foursome.
10. Twosomes and singles may be grouped with other players, at the discretion of the pro shop and tee host.
11. Groups are limited to four players unless authorized by the Director of Golf.
12. Fivesomes may be permitted at the discretion of the Director of Golf. Fivesomes must keep up to the standard pace of play time and with the group ahead of them (if any) and not delay players behind them. Failure to do so will result in the loss of fivesome privileges for all players involved. The approval will more than likely only be during the off-peak times and offseason.
13. Pace of play: It is the goal of all players to complete their round in four hours or less. This amount of time is more than adequate, provided all players remain aware of the rights of others to play without delay. It is the responsibility of each group to keep pace with the group ahead. If your group falls one complete hole behind the group ahead, you are required to allow the following group to play through. It is each group's responsibility to be observant of its position on the course and keep pace. The pro shop staff and player-assistant have the authority to keep play moving at the proper pace for all players' enjoyment and to reposition players or remove them from the course if they are unable to keep proper pace. See Pace of Play for details.
14. Repair all ball marks on the green.
15. Use sand or sand & seed to repair all divots.
16. "Cutting-in" is not permitted at any time. All players must check in with the pro shop and tee host. Under no circumstances are players permitted to start play from residences.
17. If a player is repeatedly warned for slow play, the Club may take such action as it deems appropriate, including without limitation, restricting the person's use of the golf course during certain times of the day.
18. All players who stop after playing nine holes for any reason must occupy the next tee before the following players arrive at the tee or they shall lose their position on the golf course and must get permission from the pro shop or tee host to resume play.
19. Practice is not allowed on the golf course. The practice facilities shall be used for all practice.

20. No alcoholic beverages are permitted on the courses unless provided by The Views Golf Club.
21. Discontinued play or rain checks will be determined by the number of holes played. See Discontinued Play or Rain Check Policy.
22. If lightning is in the area, it is recommended that all play should cease.
23. Driving private carts on the course cart paths while not playing golf, jogging, or recreational walking are welcomed only during the posted times outside of play on the golf course. Golfers always have the right of way.
24. Searching for balls other than those played by members of your group is not allowed on the courses at any time or on any personal property.
25. All tournament play must be approved and booked in advance by the Director of Golf.
26. Spectators are at the discretion of the pro shop and must adhere to the proper dress attire and policies and procedures that govern golfers. Spectators who are riding in a golf cart may be charged a cart riding fee.

13. Boundary to the end of the range is 300 yards. Do not use any club that may hit over 300 yards in the air.

14. Please practice safety while on the range: Be aware of those around you and any maintenance associate on the range. Maintain a safe distance from others swinging golf clubs, do not walk in front of the hitting line, do not pick up balls past the hitting line, avoid hitting over the end of the range, and hit away from any range associate picking up golf balls.

CONDUCT AND SOCIAL BEHAVIOR

Appropriate social behavior and respectful treatment of others is expected while using the golf facilities.

The Views Golf Club personnel have full authority to enforce these rules and regulations, and any infractions will be reported to the management of Sun City Oro Valley Community Association, Inc. Violations of Conduct and Social Behavior may result in suspension or termination of any member whose conduct, or that of his or her guests, shall be deemed to be inappropriate or improper. The Views Golf Club shall be the sole judge of what constitutes inappropriate or improper. Inappropriate or improper conduct may include, but is not limited to the following:

4. In the event of a member restriction, suspension or termination, there will be no refund of unused membership fees.
5. Any membership fees shall continue to accrue and shall be paid in full before reinstatement as a member in good standing.

DISCONTINUED PLAY OR RAIN CHECK POLICY

1. During inclement weather conditions, the Golf Course Superintendent or Director of Golf will determine when the course will be closed.
2. Inclement weather may not dictate the closing of the course, and in that case, refunds will not be issued. Rain checks will not be issued to players who tee off during inclement weather.
3. Should a golfer need a rain check, it will be issued by the pro shop.
4. Reimbursed green fees are determined by holes played and the dollar amount paid.
5. Rain checks may be redeemed based on availability.

8. Any play outside of a foursome is at the discretion of the Director of Golf.

12. Golf carts must remain on the paths on all par 3s.
13. The 90-degree rule applies to all par 4s and par 5s. (The 90-degree rule is a method to minimize the time the golf cart will be driven on the turf. Only when the player is directly across from their ball will they leave the cart path and proceed to their ball. After the shot is taken, the player will return directly to the cart path. If it is not practical to do this to get to your ball, proceed directly.)
14. Gas-powered golf carts are not permitted to be used within SCOV, including The Views Golf Club, except by maintenance personnel.

However, the golf staff may assist in towing a private cart with the understanding that the employee, The Views Golf Club or Sun City Oro Valley shall not be responsible for any damage to the cart.

MEDICAL

MEDICAL FLAGS & CART RESTRICTIONS

Persons with a significant medical disability that inhibits their ability to walk may have use of a medical flag. A medical flag on a cart allows a player to drive the cart in areas that typically are designated as "NO Carts Allowed" if the areas are dry and not steeply sloped and are farther than **30 feet** away from the putting surface and teeing areas.

Please note the following guidelines related to Medical Flags:

1. Golf Cart "Medical Flag" policy for players with disabilities.

- a. A member or resident who cannot adhere to the normal cart rules on the golf course due to a handicap or physical ailment may request a "Medical Flag."
 - b. An application for "Handicapped Cart Privileges" can be obtained from the Pro Shop and must be completed and returned with a physician letter and returned to the Pro Shop for approval. The application must indicate whether the disability is temporary or permanent. If temporary, an end date must be specified.
 - c. If the use of a "Medical Flag" is approved, a flag shall be kept permanently in your bag or on the cart designating that the Member has special cart privileges.
 - d. A DMV Handicap license plate qualifies for a "Medical Flag."
 - e. A player who qualifies for a "Medical Flag" must attend an orientation session with the Professional Staff to review the rules for use.
 - f. The "Medical Flag" expires one year from the date the application is approved, or the end of the disability period, whichever comes first. The player is responsible for renewing this privilege.
2. Standard cart restrictions apply – Utilize the 90-degree cart path rule or the Gate System when applicable.
 3. Must abide by the "Carts on Cart Path Only" rule when in effect. (No exceptions)
 4. Shall not drive on any newly sodded grass areas, wet areas, or ground under repair.
 5. Drive no closer than **30 feet** from the green.
 6. Must not drive between a bunker and the putting surface.

In the sequence above, Josh Fidler is registering him and a guest for an event. Because Josh is a member (listed on master roster), most of his information is already filled in. He just needs to select if his transportation needs and the tee he would like to play from. After entering his information, he can navigate below to enter his Guest Info.

When the information is all entered, the player will click "Register". When doing this, all the player(s) that were registered will be placed on the player roster. The example above shows a typical form for a member-guest event, but remember that registration can be used for member-members, club championships, charity scrambles, and many more kinds of events, leagues outings, etc.

IMPORTANT: League members must have their own email in order to receive league registration and invitations. Couples cannot share emails.

Golf Genius Round Invitations

League rounds are available for signup up to one month in advance. Round invitations are automatically sent via email at that time. You may sign up for a round through the invitation or the portal. GOLF GENIUS
SOFTWARE

After you select "Playing" or "Not Playing", you will be brought to the portal for the league/event and may be given two follow-up options:

1. Invite a Guest: After responding to the invitation, you may have the option to bring a guest. When you click on that option, you will enter the guest's information. This guest will then be shown on the round player roster.
2. Send an optional message to the league manager(s): When you click on this option, you will be able to add an optional message that will go in the Messages folder for the League Manager to view.

Your second option to sign up for a round is through the portal. If there are any rounds open for sign-ups, you can sign up for these rounds by going to the home page (www.golfgenius.com) on the portal and looking to the left.

This is an excellent tool to use if you are going to be away for an extended period of time or are away and wish to sign up for rounds occurring upon your return. It is also an efficient way for you to confirm whether you have signed up for a round. It also allows you the opportunity to sign up for rounds you have previously declined or to un-sign up for a round you have previously accepted.
