From the Board of Directors

Our mission as the SCOV Board is to lead in maintaining and enhancing the quality of life in Sun City Oro Valley as an active adult community.

All Board minutes, agendas and reports are available online. Board meetings are open to residents.

Board of Directors - Lou Gard

legboard789@gmail.com

The Sun City Oro Valley Community Foundation was organized in 1998 and became an IRS 501(c)(3) non-profit tax-exempt charitable organization in 2000, which allows donations to be tax deductible. The Mission of the Foundation is to improve the quality of life for SCOV residents and surrounding communities by providing funds for various items and projects. The funds come from donations, generously, provided by our residents. This past year over 300 residents provided funding for \$50,961 that was awarded in support of SCOV clubs, SCOV organizations and outside organizations with connection to a SCOV club. The Foundation does not give grants to individuals.

Last year the Foundation gave grants to the SCOV Library, SCOV Golf Course, Vistoso Photo Club, Bocce Club, Holiday Lights, SCOV Garden Club, SCOV Stained & Fused Glass Club, Men's and Women's Golf Clubs, Vistoso Cyclists Club, Wheels for Kids, SCOV Charity Works for the Emerge Center Against Domestic Abuse and the Pickleball Club. The Foundation does a lot more for our community with the Shred-it and Dispose-a-Med events. This year they added an Electronic and Hazardous Materials disposal event. Grants are not given for items that should be from the SCOV operating budget or from any of its funds.

The Foundation is composed of 8 to 9 SCOV residents that volunteer, serving staggered three year terms. The Foundation members are also donors to the Foundation. If you think your organization has a need for help from the Foundation you can apply on their website at www.FoundationSCOV.org or by contacting Charles Rommell, President, at FoundationSCOV@gmail.com.

The Foundation will accept any donation no matter the size. Why not help?

General Manager - Sandy Seddon

sseddon@suncityorovalley.com 520-917-8080

The Board of Directors has scheduled two meetings to thoroughly discuss and review the 2025/2026 budget. These meetings will serve as a critical opportunity for the Board to align financial priorities, evaluate current expenditures, and set the course for SCOV's financial strategy in the coming fiscal year.

The primary purpose of these meetings is to provide a structured forum for the Board to engage in meaningful discussions about SCOV's financial direction. The budget is a vital tool that will guide the organization's operations and initiatives, and as such, it is crucial for the Board to carefully assess the financial landscape.

In the first meeting on April 10th, the focus will be on reviewing the draft budget proposal, discussing potential adjustments, and identifying key priorities. This will allow the Board to ask questions, make recommendations, and ensure that the budget reflects the organization's strategic objectives.

The second meeting on April 22nd will allow the Board to finalize discussions, approve the budget, and set a formal path forward. By holding two separate meetings, the Board aims to give ample time to address any concerns, foster collaboration, and ensure a comprehensive and well-considered budget is adopted.

I would like to take this opportunity to thank the Finance and Budget Committee for collaborating with the management team to put forward a draft budget proposal. You are appreciated, and we could not do it without you.

Once the budget is approved, SCOV staff will prepare for the annual mailer to be sent out to all SCOV residents. Residents who may have missed the budget review at the committee level still have an opportunity to attend these two meetings this month and ask any questions that they may have.

It's More Than Living... It's A Lifestyle!

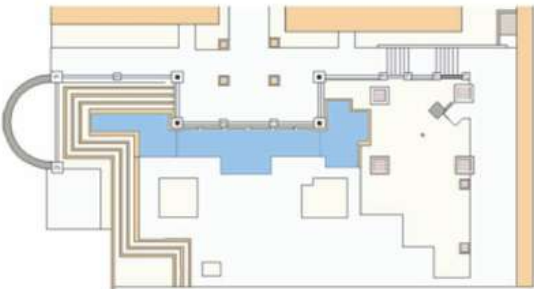

Let's Get Our Lion Head Fountain Restored By Trish Jensen

The Lion Head Fountain Task Force needs resident support to get approval from the Town of Oro Valley to operate a redesigned Lion Head Fountain focused on water conservation. The redesign features a water volume reduction of over 50% and equipment that will provide significant reductions in maintenance and operation. A major factor in our fountain redesign requires that it be compatible with, and easily integrated into, a future redesign of the plaza.

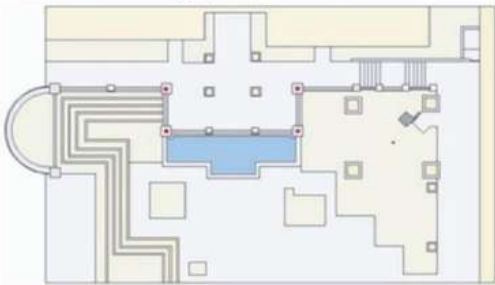

The next day you return in the morning for yoga alongside the sound of soothing water. Later in the day, you descend into the beauty of the plaza for a party with friends, catered by The Views Restaurant. A once underutilized area transformed into a conveniently located outdoor gathering space, anchored by the feature of our Lion Head Fountain, where you can simply relax and recharge.

Lion Head Fountain Water Conservation Redesign Project

Current Fountain

NEW - Redesign (50%+ water volume reduction)

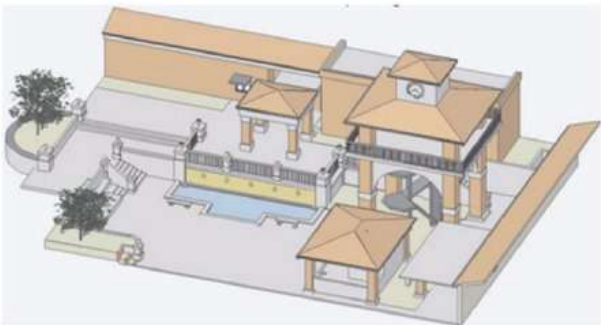

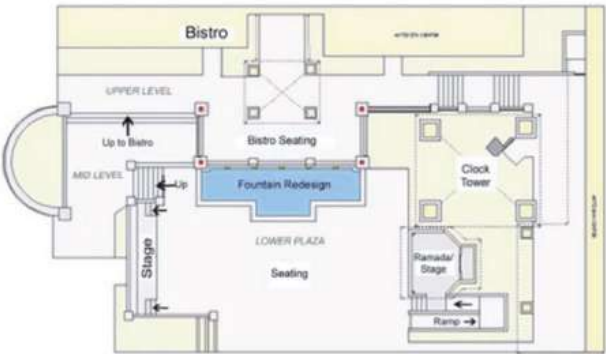

Imagine if you will, grabbing a beverage from the Bistro, then with easy access via a new staircase, walking down to a welcoming open-air plaza with the relaxing sound of water and birds. Sit by yourself at a table in the shaded area, or join friends to chat, maybe play cards. By evening, tables are moved and chairs are brought in to attend a concert on a newly added stage. All of this is with the backdrop of gently flowing water, the sound suppressed by flow control for events.

Take a moment to consider the water-conserving concept redesign of our fountain, integrated into reimagined plaza. Help us to move forward together and transform this amenity, revered by those who greatly appreciate and respect water and its contribution to well-being.

For more information, FAQ's, and how you can help us to assure our redesigned fountain gets approved by the Town of Oro Valley, go to our committee page on the SCOV website, or TWISCOV.

Concept Design (ONLY) – Lion Head Fountain / Plaza

Please Note: The scope of the Lion Head Fountain Task Force does not include a redesign of the Plaza, but requires that the redesigned fountain accommodate a future Plaza redesign. This CONCEPT Design, with a covered stage, tiered seating, and stairs connecting the Plaza and Bistro terrace, shows how this redesigned fountain could accommodate a future redesigned Plaza. This Concept Design has not been approved by the Board and is for discussion purposes only. This preliminary fountain redesign has not been approved by the Board or the Town of Oro Valley and is subject to change.

Exciting Changes Coming to Our Website

As of Monday, April 7, we will be launching our new website, complete with enhanced features in the resident-only section. Like any major transition, this brings both excitement and a bit of apprehension. We're thrilled to introduce these new capabilities to our members, and we appreciate your patience as we navigate the inevitable learning curve.

To support you during this transition, we will offer training sessions and help desk opportunities. While we anticipate a few bumps along the way, we are grateful for your understanding as we work through any challenges.

What's New?

- **Easy Online Reservations** – Book lap lanes, courts, and event tickets directly through the website. Your reservations will conveniently appear under "My Reservations" on your member homepage.
- **Improved Community Directory** – Easily search and connect with fellow residents.
- **Dedicated Announcements Section** – Stay informed with updates and important notices.
- **Seamless Fitness Class and Pass System** – Enjoy the same great features from our previous website.
- **Familiar Room Reservation System** – Skedda remains in place for club presidents to book rooms.
- **Updated Member Services Page** – Streamlined for better accessibility and improved functionality.
- **Enhanced Publications Access** –
 - o The *Tipster* will continue to be available through Issuu (the program) for its high-quality digital format.
 - o This Week in SCOV has moved to the Northstar platform, which we introduced in mid-March. Keeping You Informed

We'll continue to post agendas and minutes from Board and committee meetings, and the former Hot Topics page has been renamed Trending, now accessible from your member homepage navigation bar.

Stay tuned for emails with details on training sessions, help desk hours, and FAQs to guide you through these exciting changes. Your feedback is invaluable, and we'll continue to refine the website to better serve our community.

Save Your Aluminum Cans for the Loan Room

Clean aluminum cans may be brought to the collection bin behind the Activity Center. Revenue from recycling the cans helps the Community Assistance Committee (CAC) to purchase items for the Loan Room.

ARC Inquiries and Submittals

Recently, several emails that were sent to SCOV staff through our old software system were retrieved by the old program and sent to us. Many were very old inquiries. We are very sorry for any inconvenience this may have caused because of the delay in our response to you.

Please go to your contact lists and delete this old email address: scoroval@ciramail.com. You should check any old business cards for Katy Mosier and discard them if they show the above address.

Our new address for submittals and ARC inquiries is: project@suncityorovalley.com. Please add this new address to your contact list so that our emails regarding ARC matters will not end up in your junk mail.

Any questions or concerns about the ARC process should be directed to Katy Mosier at project@suncityorovalley.com or 520-917-8058. Thank you for your cooperation and patience during this software change.

Build your Endurance

Have you ever been winded after a bike ride, found yourself panting during a run, or felt tired after climbing the stairs?

The way your body responds to physical exertion is linked to your level of endurance. Endurance, along with balance, strength, and flexibility, make up the four core elements of personal fitness. Endurance exercises are also commonly referred to as aerobic exercises because they require the pumping of oxygenated blood to the working muscles. Aerobic exercises cause you to breathe faster and more deeply while also raising your heart rate.

Endurance training can be intimidating at first, especially if you haven't attempted a lot of medium-intensity workouts in the past, but you'll be glad to know that aerobic exercises encompass a broad range of activities including speed walking, jogging, running, biking, swimming, dancing and kickboxing.

Building up your endurance can be fun if you take it slow and safe. First, make sure the body is warmed up by taking a short walk or jogging before engaging in any form of aerobic exercise. Next, start with 10-15 minutes of an aerobic exercise of your choosing such as jogging, swimming, or spinning on a stationary bike. Afterward, take stock of how you feel and listen to your body; you don't want to overexert yourself. Remember to take it one day at a time and continue building upon your progress by increasing the time or intensity of your aerobic workouts.

Orientation on how to use the gym equipment is held Thursday, 1 pm so stop in; sign-up classes are limited. Contact Lonnie Davis, AFC Coordinator, to discuss questions or problems with the AFC. AFC and Desert Oasis: See Hours of Operation on page 2. Phone 520-917-8073 or email ldavis@suncityorovalley.com

Let your real estate agent know

If you are considering listing your home for sale, it is your responsibility to have an exterior inspection done according to our governing documents and for the legal disclosure for escrow. While several real estate agents regularly sell homes here in SCOV and know this requirement, not all real estate agents know the rules of our association or the required inspection process. Please be sure to discuss these with your agent at the time of your listing. This will help avoid confusion and delays going forward in the sale of our home. If you or your agent have questions about the inspection process, please contact the Conveyance Coordinator at 520-917-8072 or stop by the Welcome Center.

Julie Minor and Don Jovag

Our featured artists this month are Don Jovag and Julie Minor. Don has many interests when it comes to woodworking. An expert on turning segmented bowls, he has written two books on the subject which are available in the Gift Shop. A favorite project of his is designing charcuterie boards.

His specialty is using exotic woods imported from all over the world. You will find examples of exotic woods in both his segmented bowls and charcuterie boards in the Gift Shop.

Julie finds inspiration from her surroundings using acrylics on canvas, mesquite, and other wood pieces with character. Her favorite subjects are anything Southwestern, from desert scenes to indigenous women. Julie also offers an assortment of bags that can be used for credit cards, tablets or travel. New items are always being made available using different media. Stop in the Gift Shop to see what's possible.

Yay, Spring Is Here

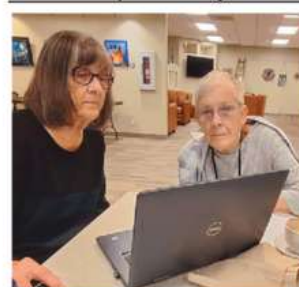

It's time to fill those empty pots in front yards with vibrant plants, cacti, or colorful flowers. After all the rain earlier this year, weeds are sprouting up everywhere, and they're much easier to pull when they're small. Wildflowers can stay until they finish blooming, but they too must be cleared afterward. Be sure to trim any trees that obstruct stop signs and shrubs that overhang sidewalks or streets, as they have flourished during the winter rains. Remember, no decorative items, including the cheerful painted rocks from the lockdown, are permitted in front yards.

For winter residents, it's essential to have someone care for your yard during the summer months to maintain a well-kept appearance while you're away. Please inform Administration of your summer address in case they need to contact you. Take pride in your property, ensuring it remains just as appealing upon your return as it was when you left.

Photographs can really add a lot to a club's monthly article and draw a reader's attention. We encourage submitters to include a photo with their monthly article submissions. Be sure that it is of good quality and not out of focus. Also be sure to crop it, so there is not a lot of unwanted background in the photo.

If you plan to use a photograph of people, be sure that your subjects approve of their image being used in the *Tipster*. We also strongly encourage submitters to include a caption with their photo and identify the person(s) in it from left to right. Many readers, especially new residents, do not know who the photo subjects may be.

Golfing experience that provides professional and friendly service, mountain views and excellent conditions.

Director of Golf - Rick Price

rprice@theviewsgolfclub.com 520-917-8086

Our annual Cure for Cancer event last month was a huge success. With 224 golfers, we sold out. Thank you to all who participated and donated to the cause. We raised over \$50,000 for the University of Arizona Steele Children's Research Center.

In April, we have the Women's 9-hole Invitational on Thursday, April 3 and the Men's 18-hole Member Invitational on April 18-19. All leagues are wrapping up their main tournament events this month.

Our Chip & Putt event Thursdays continues this month, starting at 4 pm on April 3 and 17, 4 pm. You can play up to six people per group. The entry fee is \$20 pp for golf, prizes, and dinner on the terrace. Sign up online through the reservation system or call the Pro Shop at 520-825-3110.

The Grille at The Turn will be open through Saturday, May 3. As a reminder, the driving range closes every Thursday at 3:30 pm for a clean pick of all the range balls in the wash and desert areas.

We will announce our new rates and membership plans next month for the fiscal year starting July 1.

Director of Golf Maintenance - Michael Kropf

[mkropf@suncityorovalley.com](mailto:m kropf@suncityorovalley.com) 520-917-8063

The greenside bunker renovation starts Monday, May 19 and is scheduled to finish August 1. The actual construction begins in May, but the preparation for the project begins in April.

Mike Gogel, the golf course architect, will be on-site in early April to GPS the areas of disturbance for the project. Once those areas are marked, they will be sprayed with herbicides to reduce the amount of bermudagrass. Multiple applications will be required since the bermudagrass will be coming out of dormancy in April and May. The goal is to reduce the amount of biomass the contractor will need to remove and dispose of when they start construction. Unlike the greens project, these areas around the bunkers will be difficult to spray and will require a lot of hand spraying instead of with the big sprayer. During the planning stage of this project, we agreed to do the irrigation installation to save on project costs. In April we will be confirming the location of irrigation pipes and sprinkler heads that intersect these areas of disturbance. During the construction phase, those irrigation lines will be capped off to prevent damage. Any pipes that are broken or need to be moved will be done before sodding.

Also, the contractor will start having bunker liner and drainage parts delivered before the start of the project. Similar to the greens project, the area to the right of #6 tees will be where these parts are stored. Bunker sand will be in the parking lot near the cart barn.

2025 Men's 18 Hole League Invitational

The 18-Hole Men's League is excited to announce the upcoming Invitational Tournament on April 18 and 19. The tournament will consist of 2-man teams of either members or guests with a limit of 42 teams. The cost for each team will be \$200. Four different 9-hole games will be used as the format to determine the winners of each flight. All teams must have an established USGA handicap with an individual maximum of 36 and no more than a 10-stroke difference between team members.

Included in the entry fee will be lunch on Friday at the grill and a catered meal on Saturday afternoon. Libations, snacks and refreshments will be sold on the course on both days. Sign-up deadline will be no later than April 8, in the Pro shop. This will be the last organized tournament of the year.

Fourth Thu., 1 pm, Catalina Vista www.foundationscov.org

Genealogy is simply defined as tracing your ancestral history using historical records. Did you know that the Lurie family is one of the oldest living families in the world? The family dates back to 1037 B.C. starting with King David. How far back does your family history go? How far back do you know who is who

and who did what?

You can start your family search with help, right here in Sun City. The SCOV Genealogy Club meets monthly and maintains a seven-station computer lab that is connected to eight genealogy sites for members' research and education. Volunteers staff this lab to assist members in their quest of family information.

The Sun City Vistoso Community Foundation awarded the club \$15,000 to update and replace computers for research and help make it possible to use artificial intelligence and photo recognition.

The Sun City Gleaners are busy picking oranges, lemons, grapefruit, etc. from over 60 resident trees. All 35 volunteers will harvest over 7,000 pounds this spring, approximately 3,000 will be donated to area food banks and the remainder to Sun City residents. Pictured are Chris Gerber and Sally Schuneman.

The Sun City Vistoso Community Foundation provided funding for equipment and crates.

Join us at any of our twice-monthly meetings. The first meeting is on the second Friday at Catalina Vista and the second meeting is on the fourth Friday in the Modeler's room. Social time starts at 8:30 am for donuts and coffee at both, at 9 am we share our projects, techniques, presentations and some great stories. All visitors are welcome and appreciated.

Open Studio Artists

Pres. Carol Nagel 520-825-3097 carolm93@comcast.net
Tues., Wed., Thu. and Sat. 9 am-1 pm, CV/Art Studio

You don't need to be able to draw. If you visit the Art Studio on Tuesdays, you will find many watercolor artists. Wednesdays and Thursdays are mostly oil and acrylic artists. If you are a beginner, there are usually several artists in the room that will offer to help you. Members of the former Adult Coloring Book group are invited to come to the Art Studio and socialize with other artists.

Sculpture

Dale Foster 520-825-0707 fosterdale1248@gmail.com
Mon., 9 am-5 pm, CV/Art Studio

The Sculpture Club meets on Mondays, Catalina Vista/Art Studio. Anyone interested in becoming a member or learning more about our club may stop in on Monday morning or contact Dale Foster. Our sculpture pieces are in the glass case and art room window inside Catalina Vista, a showcase outside of the library and inside the library.

Recently Steve Restemayer joined the Sculpture Club. Steve was quick to start, and the picture is his first sculpture. Steve is still deciding on an appropriate base for this piece. Steve used a lot of wire, square metal tubing and lots of foil in the armature. In a piece of this size, it is important to pack the armature with aluminum foil to prevent polymer clay from cracking when baking. The foil provides bulk and is a supportive base that helps maintain even thickness to minimize cracks. Steve had no cracks in his sculpture.

SFK is a 501(c)(3) tax-exempt organization

Spring is in the air and this is the beginning of the snowbird migration from Sun City to all parts to escape the heat of summer. Seniors for Kids wants to let you know how much we appreciate the time that our members spend with us in the fall and winter. The friendships are precious and the work that you do spills into the entire world. We wish you safe travels until you return.

A toy car workshop will be held Saturday, April 5, 9-12 pm, Woodshop. Please come help finish the cars for holiday giving. Our April business meeting will be the last until we meet again in October.

Please keep shopping with Fry's so we can get our reward monies. Thank you to the tennis clubs for your donations this year. Thank you again to the entire community for all you do.

Pres. Carol Myers 715-754-2824

What happens to all the generous donations Thimblelenas receive? A member of each of our seven groups gathers, sorts and decides the best fit for each club's use. If there are items left over, we further break down to go to local communities such as Sells, Three Points, and Mammoth that could benefit from your donations. Nothing goes to waste. If you haven't looked at our website lately, <https://scovthimblelenas.com>, check out our groups and what each one does.

Cheer Bears

Pat Norton 480-993-8762 panpan9803@yahoo.com
Wed., 1-3 pm, ART/Sewing

Jeepers creepers. It is already April Fool's Day, but we have no fools in our Cheer Bears group. We are still embroidering faces, sewing bodies, stuffing them with love and filling the shelves for the next set to march out to new families. Our shelves are filling fast and happy faces are smiling at each other as they work. We have many faces and lots of talking. We want to thank everyone for all the hard work they have done and want to wish the winter residents good summer travels.

If in your sorting and cleaning you find you have some flannel pieces or polyfill stuffing you no longer need, we will gladly take it off your hands.

Thank you again to the tennis clubs for continuing to support our bear making with cash donations every year. Their love always scores high with us. Please remember that kindness is good for everyone.

Have you ever thought about sewing a reusable shopping bag? Come to Casa Amigas on Monday or Thursday mornings to learn that and more.

Last month, volunteers created and delivered 30 sturdy lined bags for "More Than a Bed." The bags are used and reused by foster and adoptive families who go in to pick up essential items for children in need. Because the bags are made with sturdy material, they can be washed and reused weekly. Sheets donated by residents are resized to create twin and crib sheets for the children.

In 2024, 2,902 children were provided with needed items due to generous community donations. "More Than a Bed" has now doubled in size to support a growing group of families in need of support.

www.scovhookers.weebly.com

The Tapestry Hooking and Fiber Arts group meets on Tuesday mornings in the Sewing Room. If you are interested in our group, stop by the Sewing Room between 9-11 am. Our group provides materials and instruction for those interested in hooking.

Jane Honeywell is almost finished with a pillow that she is hooking using monk's cloth for the backing. The picture is of three different clothes that our group uses for backing.

Bottom left is burlap, the top left is rug warp and the right is monk's cloth. Burlap is the cheapest, but it tends to be stiffer, and it irritates some people's hands. Monk's cloth is the softest of the three, but it tends to be stretchy and hard to hook in the holes. Rug warp is stronger than monk's cloth and is used the most by our group, but it is the most expensive.

Pet Beds

Jan Bohe 520-825-9725

Tue., 1-3 pm, ART/Sewing

Conversation flows easily as we snip washable fabric for stuffing pillows.

Then we add polyester fiberfill. After a few machine stitches, the pet beds are ready for the Humane Society. Comfort is the name of the game for cats and dogs waiting for adoption. For a feel good afternoon, come and join us. If you want to join us or any of the groups under Thimbelenas, the cost is \$5 by check for the whole year. Looking forward to seeing you there.

Fourth Tues., 1:30-3:30 pm AC/Kiva Room

We had a great Quilt Show in March. A big thanks to all who attended and purchased tickets for our opportunity prizes. Winners were Jim Ulrich, 1st prize-bed quilt; Sue Karstad, 2nd prize-quilted wall hanging; and Lee Jacobson, 3rd prize-gift basket of quilting goods. We enjoy show-and-tell time at our meetings to see and hear about your new creations. Newcomers and guests are always welcome.

Tuesday, April 8, 1 pm, we will view the video "Working with Yukata Fabric and Designer Facings" with Patricia Belyea of Okan Arts.

Thursday, April 17, 1 pm, Janet Pugh will teach the class "Hachi Improv Quilts". Members must sign up to participate.

Tuesday, April 22, 1:30 pm, Cheryl Langer will demonstrate "Fusibles and Batting." Please bring a quilt where a fusible was used. Linda George will hand out the last clue for the Mystery Quilt.

John Hursh creating stained glass

Whether you're drawn to the play of light through colored glass or the artistic satisfaction that comes with making something by hand, creating stained glass or fused glass pieces as a hobby is rewarding and accessible. The possible variations for creating objects with glass colors, shapes, sizes and textures have captivated people since the early Egyptians and Romans. Why? Find out by stopping by our studio or visiting our website to see examples of our work. Our introductory classes for both stained and fused glass include instruction, use of equipment, and all

materials. In addition, a variety of classes, social events and contests are offered at various times throughout the year. The only thing you need is time, imagination and a willingness to learn.

If you travel, you probably take photos, too. Learn how to make your travel photos more compelling by attending our next program Wednesday, April 9, 6 pm, Catalina Vista. Tucson photographer, Daniel Chavez, will explore

how photography serves as a storytelling medium, highlighting what makes a location unique: its traditions, architecture, cuisine and natural beauty. He will also discuss street photography techniques for capturing people naturally and offer tips on taking meaningful, well-composed shots that reflect the essence of a place and its culture. All SCOV residents are welcome.

Wood Carving

Dick Minch 262-844-7444 Minch11864@msn.com
Sat., 9 am-Noon, ART/Lapidary

Spring is just around the corner and the woodworkers are very happy to have had a very good year. We offered and completed two beginning woodcarving classes for 12 new members. The course was five hours long, covered safe carving practices, and each student was able to take home their carving of "Santa Sliding Down The Chimney." We have established a waiting list for our beginning carving class for next year. If you are interested, stop by any Saturday morning to meet our carvers and view their activities.

Olivewood bandsaw box

The Woodworking Club will host its second Seniors 4 Kids workshop this month, continuing the work of the many volunteers over the years under the guidance of Dick Minch. Seniors 4 Kids support comes from many of the clubs and individuals in SCOV.

Woodworking is a skill and hobby that is not difficult to learn and very rewarding regardless of skill level. Starting this month, we will highlight some of the projects made in our woodshop using tools and equipment available to all members. These are examples of projects made by members of varying skill levels.

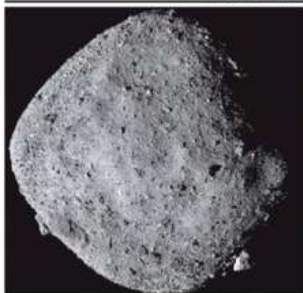

For April we are highlighting a bandsaw box made by Karen Tuke. Karen joined the woodshop in November 2024 as a beginning woodworker. This box is made from a segment sliced out of an olive tree trunk. We thank Karen for allowing us to show off her work.

Thursday, April 17, 7 pm, AC/Navajo Room Dr. Tom Zega is a professor in the Lunar and Planetary Laboratory and Department of Materials Science and Engineering at the University of Arizona. He will be discussing the latest findings from the analysis of Asteroid Benu samples, plus the amazing instruments that made this analysis possible. He is the principal investigator of the planetary-materials research group

and director of the Kuiper-Arizona Laboratory for Astromaterials Analysis (K-ALFAA). His research is focused on the origins of planetary materials. His work involves the application and development of electron and ion-microscopy techniques toward the determination of atomic-scale structure and chemistry of planetary materials and computational methods for determining their thermodynamic origins.

This mosaic of Benu was created using over two years of observations made by NASA's OSIRIS-REx spacecraft.

Lab in Welcome Center - access year round

What do we do with ancestors whose names don't match from one record to the next? Or those who pose the opposite problem: too many with the same name? In our April meeting, we will hear techniques to establish whether any two records do or do not apply to the same person. Join us for Elizabeth Shown Mills' talk, "Identity Crises: Right Name, Wrong Man? Wrong Name, Right Man?" Tuesday, April 8, 1 pm, Native American rooms.

Want to see handouts from previous talks? Go to our website at scvgs.org. You can also sign up to receive our email updates. Membership is \$20 a year and gives you access to numerous genealogy websites at our Resource Lab in the Welcome Center. These would cost you several hundred dollars to subscribe to at home. Also, we are in the process of upgrading all our equipment to make research even easier.

Join us to hear Elizabeth Sanchez, a Certified Master Sound Practitioner with a specialty in Emotional Coaching.

Sound healing is a holistic practice that uses the vibrations of sound from instruments like singing bowls, chimes, and tuning forks to promote relaxation, stress reduction, and overall well-being. It aims to "bathe" the body in sound waves to achieve a sense of harmony and healing on multiple levels. Studies suggest that sound frequencies can alleviate pain, improve sleep and aid in emotional release. We will experience some of the sound techniques.

Poets Corner

Sharyn Rafieyan 520-825-6762 srafieyan@comcast.net
Mon., 10 am-Noon, call for location or invitation to Zoom

Haiku is a poetic form, developed long ago by the Japanese, comprised of three lines of five, seven and five syllables with a traditional focus on nature. Club member James Pavlakis demonstrates how well the format works in the following four haiku that capture selected aspects of each season. The descriptions are necessarily concise yet distinctively poetic, including devices such as personification and near rhyme to enhance their appeal.

A Haiku Year

Darkness and wind chills.
Soft, warm loving beds await.
Winter scoffs and coughs.

Spring arrives and sighs.
Sees so many droughts and fires.
Floods the land with tears.

Sun rises early.
Mountains stage a shadow show.
Summer lights it up.

Good times don't last long.
The sun gets tired and retreats.
Fall lulls trees to sleep.

As always, we encourage Sun City poets to join our weekly gatherings on Zoom. We welcome new perspectives.

Conscious Aging

Pres. Phyllis Burks 520-245-2785
SCOVConsciousAging@gmail.com
Wed., 9-10:30 am, AC/Navajo

Conscious aging is about the inner work of reorienting ourselves as we turn from our roles we assumed while managing careers and tending families, to turning inward and cultivating a deeper awareness of who we are now. Our goal is to discover how to face the known and unknown challenges of aging. With the help of our community, we are pondering the questions: Who am I? What are my values? What do I believe? What matters most to me? This inner work is supported by mindful movement such as qigong, guided meditation and book study, which draws from psychology, sociology, metaphysics, philosophy and meditation. Conscious aging is about accepting who we are now. Our meetings consist of a short period of easy mindful movement, followed by guided meditation and discussion. Please contact Phyllis for information or email the club.

Our trees are full of fruit and are ripening as we speak. They should be ripe from now until May. You know when we can pull them off easily. If not, give them a couple of weeks; the longer they are on the tree, the sweeter they will become. We now have six properties with oranges, lemons, limes and grapefruit not quite ready. We deliver the fruit to your neighbors, churches and to food banks. Just look in our nice boxes outside the different centers of our community. If you have trees that need picking, go to SCOVgleaners.org and sign up; we should call within a week. Contact Sally, Don or Bill with questions.

Homeowners insurance is currently an ever-changing landscape, pun intended. The wildfire situation nationwide is impacting insurance businesses and practices. Wildfires leading to urban fires near and far are impacting insurance for nearly everyone, whether you are in a wildfire-prone area or not. There may be actions you can take to lower your insurance risks and therefore costs. Learn some ideas for steps you can take to help yourself. These may include changes to your physical property both inside and outside. Guidelines from Federal, State and SCOV HOA and Town of Oro Valley sources may apply in some situations. The April tour will be April 10 to the Fountains at La Cholla. Contact Marge Allen above.

Intermediate Dance Class

We danced with the stars at the Expo in late March with professional dancers demonstrating many of the ballroom dances. We were thrilled to share our love of dancing with the Sun City Oro Valley Community. We will welcome Spring on our Friday, April 25 dance in the Auditorium. A brief lesson

at 6 pm will start the festivities and dancing at 6:30 pm. The cost is free.

Dance lessons for April will be on the 9, 23 and 30 and will feature intermediate and beginner foxtrot. All three beginner lessons are \$10 per couple and intermediate lessons are \$45 per couple. Dance practice sessions will be held on Wednesday April 2 and 16. Both lessons and practice sessions are in the Fitness and Activities Center. Email scovstarlightdance@gmail.com, or call or text Sara at 717-977-1963 if you plan on coming to the dance or if you're interested in lesson.

Arthritis Water

Pres. Norma Waters normawaters1@hotmail.com
Vice Pres. Andrea Houston ahoust2@lsu.edu
Fall and Winter Hours - Mon., Wed., Fri., 1 pm AFC/Pool

Our club meets Monday, Wednesday and Friday, 1 pm, AFC/pool when it's warm enough. The Arthritis Foundation recommends meeting when the air temperature is 77 degrees or warmer.

Our club performs gentle exercises which target all muscles. They are used by several health organizations to increase strength, balance, mobility and flexibility.

Exercise helps manage arthritis, fibromyalgia, replaced joints, etc. Some new members have expressed surprise at how quickly the first sessions had already increased their abilities to move. Others comment on improved stamina.

New members are always welcome. Our members are fun, accepting and welcoming. We frequently hear "I came for the exercises and love all the friends I have made".

Your first class is free. Yearly dues are \$5. There is no fee per class. Hope to see you there.

Energetic Exercise

Pres. Peggy Smith 520-400-8659 pdsaz@aol.com
Mon., Wed., Fri., 8-9 am, Auditorium

The goal of Energetic Exercise is to develop and maintain strength, balance and heart health. Members receive a monthly calendar with the focus of the day, such as aerobics, cardio-tone and interval training. Equipment such as hand weights, resistance bands or balls add variety and are always optional. Everybody moves at their own pace and adjusts to individual needs. Dress is casual with sport shoes required. Membership in the Energetic Exercise Club costs only \$3/year. For classes, members purchase a 12-class punch card for \$30. Newcomers can try a first class for \$3.

Pilates

Mary Ayers 520-638-7916 scov.pilates@gmail.com
Mon., 3 pm, Thu., 1:30 pm, AFC Studio 1/2

To get the full benefits of Pilates a person needs be patient and, at first, take a little time performing the exercises as they may be different from those you are used to doing. However, they are fun, interesting and challenging. Pilates can even become addictive. It teaches proper balance, breathing, how to focus on your core (abdomen and back muscles) and movement control. The constant movement from one exercise to another results in developing more strength and stamina. Even posture is improved. The spine lengthens and joint flexibility and mobility increase. SCOV has two experienced instructors who teach the mat Pilates classes and, if necessary, modify some of the moves for us. The cost is \$8/class and the annual club dues are \$20 pp. Please stop by and watch a class. Call Mary if you are interested.

Members have priority from Noon-4 pm. Lessons are available. Our weekly club activities are round robins where everyone has an opportunity to play with other members. If we have enough people, we play rotating double partners. It is fun and not for money. All members of all levels are invited.

Tuesdays, 8-ball, 2-4 pm

Wednesdays, women only, 10 am-Noon

Thursdays, 8-ball, 2-4 pm

Saturdays, game varies 2-4 pm

What is an artifact?

Statues, depictions, artificial flowers, decorative yard ornaments or other man-made artificial decorations are not allowed in front yards. They may be placed on top of front- or street-facing courtyard walls. Refer to Development Standards Section 2.17 xiv.

Birders

Peggy Smith 520-344-0991 pdsaz@aol.com
www.scovbirding.wixsite.com/birdersgroup

Barn Swallows are said to be found in more places on earth than any other bird species. While six species of swallows call Arizona home, the colorful Barn Swallow is the most common here in SCOV. They particularly like to build their mud nests under structures during May and June. The restrooms by the pickleball courts are a favored spot. Want to learn more?

We are a 140+ member, activity-oriented group and all SCOV residents are invited to join us on our field trips to learn more about the birds in Arizona. Below is a list of upcoming field trips. If you are interested in knowing more, contact Peggy (above). Also, ask to be added to our mailing list.

Mon., Wed., Fri., 2-4 pm Bocce Courts

Enjoy the nice April weather with the Bocce Club. No experience is necessary, and the game is easy to learn. Newcomers are always welcome and may play once without joining the club. Dues are \$5/year. Please arrive 15 minutes before the starting time. For more information and to learn the rules of the game, go to our website (above). To reserve a court during non-club times, check the Court Reservation System on SCOV's website.

Gun Club

Pres. Joe Noll 229-894-0412 janoll41@aol.com
Second Wed., Oct.-May, 2 pm, CV/Mt. Lemmon

The SCOV Gun Club stresses safety and education on the proper handling of all firearms; pistols, rifles and shotguns. Discussions this year include cleaning and lubrication of firearms, function and operation, shooting positions, ballistics and basic reloading procedures. Speakers include certified firearms trainers, veterans, law enforcement and legal professionals. All interested persons are encouraged to attend, regardless of experience.

Hiking

Pres. Bernie Rosling bdras2010@gmail.com

Hikers enjoying the beautiful trails in Catalina State Park

April is a great hiking month. The days are sunny and warm and the cacti begin blooming. Our hiking leaders have a full month of hiking opportunities for everyone, whether you want to climb a mountain or take a full moon stroll around SCOV's golf course. Each of our hikes is led by an experienced

guide and groups are usually small. Most of the hikes are close to SCOV, although we do offer hikes to many other

extraordinary locations in the Southwest. To hike with us, sign up for an orientation hike, officially join the club (\$10 annual dues), and you're all set. Orientation hike dates and signups are located at www.scovhiking.org. Also listed are the hikes for the current and following month. Hike descriptions covering the distance, elevation gain/loss, difficulty rating, date and starting times are also available.

Pickleball

Pres. Phil Rose rosegp@msn.com
First VP Ralph Perillo reperillo@hotmail.com
Registration is on the website: www.scovpb.org

Tools of the game!

With April we see a visible shift in play as leagues end, snowbirds begin the migration home and heat exerts its toll in the afternoon. April is a gem of a month to get great pickleball in before summer hits hard.

March brought fun clinics for game improvement and another successful Memorial Fundraising Tournament with due thanks to Dr. Holly Duck for coordinating and her volunteers for hosting the event.

Mark your calendar with the All Club Party on Saturday, April 12, Catalina Vista, and the rear patio for Hawaiian-themed dancing with Chuck Moses, food, games and fellowship. This is a potluck event so watch for the email to see your food responsibility. Come join in at 3 pm. A sign-up sheet will be available at the courts.

Sec/Treas. Harmut Wagner 520-780-6148
Mon., Wed., Fri., 7-9:30 am, AFC/Racquetball Court

Waiting for the next game.

Racquetball is a fun exercise, and we welcome new members, experienced or novices. We have players at all levels, men and women. If you have ever played in the past and want to get reacquainted with the sport, or if it's something you'd like to try, come join us Monday, Wednesday and Friday

7-9:30 am. Spare rackets are in the storage room; we supply the balls. Just be sure to bring safety goggles. Want to just practice to see if it's for you? Come around 9 am; one of us will be glad to stick around. If interested in joining, contact any of our officers. Annual dues are only \$5.

Table Tennis

Co-Pres. John Smith john@buteos.net
 Co-Pres. Peggy Smith peggy@buteos.net
 Tue., women 1:30 pm; all play 3-5 pm
 Thu., all play 4:30-8 pm
 Sat., all play 9-Noon
 Sun., all play 1-3 pm. All play is at Catalina Vista

Table Tennis (Ping Pong) is a great sport that you can play long after your body can no longer handle Tennis and Pickleball. It is great exercise and keeps the brain oiled due to quick decisions. Because it is indoors it can be played year-round, rain-or-shine.

Many of our potential members claim that they played as teens, but their skills have obviously gotten rusty. Contact John or Peggy above and we can arrange a short tutorial for you and link you up with other beginners, although we don't typically differentiate by skill level. We play both singles and doubles, and laughter is a common denominator. Just ask any of the monitors at CV if the players are having a good time. Dues are only \$5 year and you need not pay until you feel you are ready to join. Contact either John or Peggy above for more information.

Tennis

Pres. Mark Lankes mjlankes@yahoo.com

Congratulations to the winners in the Mixed Doubles Tournament and all the participants in the first ever Tennis-Pickleball Round Robin Event. We had a big turnout and great fun at both the Wednesday Night Lites and the Mixed Doubles Pizza social. Congratulations to the winners of the Women's Doubles Tournament. Standings and results can be found at www.SCOVTennis.com.

The Spring Dinner and Celebration is Saturday, April 5, 5 pm Catalina Vista. Hamburgers, drinks and fixings will be provided by the club. Come and enjoy the afternoon with fellow tennis friends. Sign up at www.SCOVTennis.com.

Wednesday Nite Lights will be April 9 and April 23. No charge, no sign-up; bring a beverage, a bite for all to eat, a friend or spouse the fun is free. The www.SCOVTennis.com website is the place to find what you are looking for. Become a member today.

 VP Gene Ostrowski 571-246-2171 gene.ostrowski74@gmail.com
 Treas. Deb Ostrowski 571-246-2117 mizdj11@aol.com
 Competitive play Tue. and Fri, 12:45-3 pm, AFC/Racquetball Court

Wallyball is volleyball played on a racquetball court, with three to five players on each side. It is fast, fun and a great workout that tones muscles and improves coordination. Players use the walls to create angles on shots but cannot use the ceiling or back wall of the opposing team. We

welcome new members, both men and women. Come see if the game is for you.

Water Volleyball

Pres. Dick (Paco) Munson 520-225-9080 DMunson47@gmail.com
 VP Barb Satterly 520-825-8965 Craftylady838@aol.com
 VP John Lesko 248-231-0546 azil1946@gmail.com
 Treas. Tim Murphy 845-519-8881 TMurphy@fallenwoods.com
 Recreational play Sun. and Thu., 12:30-3 pm, Desert Oasis pool
 Competitive play Mon. and Wed., 12:30-3 pm, Desert Oasis pool

Water volleyball (aka pool volleyball) is a fun sport that shares some similarities with traditional volleyball, including the objective and rules. Compared to regular volleyball, in-water volleyball has a lower risk of injury. Also, because it's played in a pool (usually a place to have fun and relax), there is more flexibility with gameplay.
