Association News

From the Board of Directors

Our mission as the SCOV Board is to lead in maintaining and enhancing the quality of life in Sun City Oro Valley as an active adult community.

All Board minutes, agendas and reports are available online. Board meetings are open to residents.

Board of Directors - Eileen Buskirk
eileenbscov@gmail.com

A New Beginning

We all recognize that New Year's Eve is a new beginning. We make resolutions and look forward to making the New Year the best one yet. I always treated the first day of school as a chance at a new beginning. I vowed to work harder (occasionally successful), to not talk so much (never even got out of the gate with that one), to not waste so much time. Sun City Oro Valley (SCOV) is making a new beginning starting today. We welcome Sandy Seddon, our new General Manager, to Arizona. We're so happy to have you here.

The Board's New Beginning is already having a positive impact. Jane Fairchild, Board President, has enhanced the communication from the Board to the residents. She is sharing not only the "what" about the actions of the Board but also the "why." Each member of the Board has been empowered and encouraged to speak up, share ideas and collaborate.

One of her first actions was creating an Association Project list. Several items on this list are a result of communication from residents. The Facebook policy was revised, and the resident committee is in place and the Code of Conduct Committee Charter has been updated to reflect the experiences of the past year. A Beyond the 10-year Plan project was initiated to evaluate the feasibility of each potential project improvement by estimating cost and affordability, and considering the impact on existing amenity downtime during construction.

During the hiring process, it was clear that Sandy believes effective communication with the Board, department heads, employees and residents is an important part of her job as our General Manager. She is an active listener who possesses the desire and skills to move SCOV into our New Beginning. For your part, plan to learn about ways you can share ideas and become involved in SCOV decisions.

Come to the Activity Center tomorrow from 1-3 pm for an SCOV BBQ. Welcome Sandy, say bon voyage to Mark and introduce yourself to all the friends you haven't yet met.

General Manager - Mark Wade

Exciting Times Ahead:

Anticipating a New Fiscal Year

Exciting Times Ahead: Anticipating a New Fiscal Year

As we bid farewell to the successes and accomplishments of the past fiscal year, we eagerly look forward to the promising opportunities that lie ahead. With the new fiscal year, Sun City Oro Valley is poised for a period of growth, revitalization and positive change.

First and foremost, we are thrilled to welcome two new members to our esteemed Board, Tod Milton and Jim Cherry. Their dedication, expertise and fresh perspectives will undoubtedly enrich our community governance and contribute to the continued success of SCOV. Together, we will navigate the challenges and seize the opportunities that come our way, ensuring that our community remains a vibrant and thriving place to call home.

In addition to our new Board members, we eagerly anticipate the arrival of a new general manager, Sandra Seddon, scheduled to begin her tenure in July. With their leadership and vision, we are confident that SCOV will continue to flourish, fulfilling our mission of enhancing the quality of life for all residents.

Exciting developments are also underway at the Copper Center as plans for renovation take shape. This multifaceted project aims to transform the Copper Center into a dynamic hub of activity, offering new amenities and opportunities for community engagement. From enhanced artisan facilities to revitalized gathering spaces, the Copper Center promises to become a cherished asset for our community.

Furthermore, we are delighted to announce enhancements to two of our most beloved amenities. At The Views Restaurant, residents can look forward to the addition of new tables and chairs, providing a fresh and inviting atmosphere for dining and socializing. Meanwhile, the Aquatics and Fitness Center boasts new cardio equipment, offering residents cutting-edge equipment to support their health and wellness goals.

As we embark on this journey into the new fiscal year, we are filled with optimism, enthusiasm and a deep sense of gratitude for the unwavering support of our community. Together, we will continue to build upon the foundation of excellence that defines us, creating a vibrant and inclusive community where residents thrive.

In closing, I extend my heartfelt thanks to each and every member of our community for their ongoing dedication and commitment. Together, let us embrace the opportunities that lie ahead and chart a course for a bright and prosperous future.

Summer Fun

by Robin Coulter and Teresa Deuel

When the temperatures hit 100 and upwards here in the desert, some may wonder what there is to do. While our activity is a bit opposite of those in cooler climates who are indoors all winter and outdoors all summer, we adapt. We are inside more during the hot portions of the day, but there's still so much to do. So, we asked the residents of Sun City Oro Valley to tell us what they do when the temperatures rise. Here are some of their insights.

Photo by Steve Holmes

You can visit with neighbors and their pets during early morning walks and dog park visits. Steve Holmes waters the Red Bird of Paradise plants in his front yard so they will grow larger than normal and attract various butterfly species, which he photographs and then looks up on the internet to identify.

Gay Russell sits on the breezy porch and enjoys her furry friend, Pippa, who shows how to enjoy a hot Arizona summer day on the patio. John Smith keeps active by playing table tennis. SCOV is in the process of developing a dedicated space for table tennis for all to enjoy.

There are also games and cards. Groups of residents battle it out in Mah Jongg and keep their minds sharp with a game of bridge or pinochle. Many enjoy puzzles from the library. Did you know we're having a 1,000-piece puzzle competition this year?

Learn a new art form such as watercolor or oil painting. This is a great time to learn how to make those clay totems for your yard. Have you seen the wood

carvings, spun bowls, or glued cutting boards? These crafts will push your creativity and keep you engaged through the heat of the day.

Jump in the pool and get your heart

pumping with Lonnie and water Zumba. Enjoy the air-conditioned indoor walking in the AFC studios. We can't leave out the early morning, beat-the-heat pickleball matches. It's never too hot to golf. In the evenings, you

can watch wild-life by walking or driving your golf cart on the course.

Our own library is a cool spot on a hot day. Check out books, there are over 4,000 of them to choose from, and 1200 DVDs. As one resident recom-

mended, purchase paperbacks from the book sale to read while floating in your pool.

Meet friends at the Bistro for an iced coffee or maybe a cup of soft serve swirl ice cream.

Even in the scorching heat of the desert, SCOV residents find plenty of ways to stay active, engaged and connected. Embrace the summer, stay cool and make the most of what SCOV has to offer.

Delicious iced tea and conversation with friends on a hot day.

100+ degrees? No problem, soft serve ice cream at The Views restaurant helps!

Visit the library for books, movies and puzzles in the AC!

HOA Numbers

National and State Statistical Review
 The Foundation for Community Association Research compiles annual statistics on HOA life. In 2013, there were 328,500 deed-restricted communities with 65.6 million residents. By 2023, the number of communities increased to 365,000 and the residing population increased to 75.5 million. Homeowner associations make up 58-63% of these figures, with condominiums and cooperatives comprising the rest.

Arizona ranks 11th in the number of associations, with 10,100 associations about 2,249,000 residents and 893,000 units (lots/homes). Nationally, 30% of the US population lives in a community association, with homes valued at \$12.2 trillion. Community associations contributed around \$371.2 billion to the 2023 economy, including volunteer time, real estate taxes, home improvements, and housing services. Homeowners paid \$108.8 billion in assessments, funding management services, utilities, security, insurance, maintenance, landscaping, capital improvements and amenities. About \$27.2 billion was allocated to reserve funds for repairs and enhancements.

There are 7,000-9,000 large-scale associations, which must meet two of three criteria: a single, contiguous community with a general manager, at least 1,000 lots/homes, and a minimum \$2 million annual budget. Sun City Oro Valley meets all three with a general manager, 2,488 homes and a 2024 operating budget of over \$10 million.

Nationally, 105,000-110,000 individuals work for associations and management companies, with SCOV employing 150-160 people. Volunteers contribute about 100.4 million service hours annually, valued at \$3.2 billion, calculated at an average hourly rate of \$31.80. Beyond these numbers, the sense of community and support in SCOV is invaluable, making it more than just a number, it's a great place to live.

Covenant "Resident" Complaint Procedure

We encourage residents to share concerns that affect them with their neighbors. Often reluctance to talk with a neighbor can make a small issue rather large so communication is valuable.

However, if you have reached out to your neighbor to no avail and you are affected by a lack of adherence to the governing documents, you may fill out a Resident Complaint form (also called a Covenant Complaint) found on our website. The Covenants Coordinator will document the problem and start the violation fine process. This form is also available at the Welcome Center. Telephone calls regarding complaints will be referred to the website.

To access the Covenant Complaint form, go to www.suncityorovalley.com>Member Services>Covenant Complaint>File a Complaint. Your name will not be used in the notice sent to the violating neighbor, but a record of the complaint will be held by the association.

Did you know that July is National Anti-Boredom Month? Check out some boredom buster books from your SCOV Library. While you are inside in the glorious air conditioning, why not take the time to explore our new array of books? If you are not sure of what to try, you can review the Patron Reserves list to see some of the popular books that others in your community are currently reading or ask our knowledgeable volunteers for recommendations. This monsoon, it's raining books. This month we will host our Monsoon Madness Book Sale. The sale will begin Thursday, July 25 and continue through Saturday, August 3. Let's break free from the mundane, explore new books that take you away and keep your mind active through the scorching summer months as well as support your library.

Recreation and Fitness - Lonnie Davis

ldavis@suncityorovalley.com 520-917-8073

Why is showering so important before entering the pool?

Hygiene certainly takes the prime slot here since pools are mostly shared. Other important reasons include:

Removes Contaminants: Showering before entering the pool helps remove perspiration, body oils and cosmetics. You still need to shower even if you showered at home before coming to the pool. **Reduce Diseases:** Showering helps reduce the risk of waterborne illness.

Saves Money: Showering off sweat, skin creams and sunscreens will put a much lower load on the pool filtration system, which won't have to work as hard to keep the water clear, and the pool maintenance team won't have to add as much chlorine. Pools pumps and pool filters won't have to

work as hard to keep the water clean, reducing overall pool cost.

When should I apply sunscreen? It's best to apply sunscreen before you head outside—at least 15 to 20 minutes before sun exposure because it needs time to soak in to be the most effective. This rule applies regardless of what kind of sunscreen you use, be it chemical, mineral or a combination formula.

Special Note from the AFC:

Orientation on how to use the gym equipment is held every Thursday, 1 pm, so stop in and sign-up. Classes are limited. Contact Lonnie Davis, AFC Coordinator, to discuss questions or problems with the AFC.

Association Committees

Active Health

Chair Rita Menet rita.menet@gmail.com

The Active Health Committee is taking a summer break from monthly presentations for the summer, but we want to encourage you to keep active and healthy. There are many opportunities to keep walking when it is hot outside. Walk with friends in the Auditorium from 6:30-7:30 am. If that is too early, walk indoors in the AFC Mondays and Fridays from 1-2 pm.

If you just like to walk outside, join SCOV Walks Monday through Friday, 7 am from Catalina Vista or Desert Oasis, maps are available. Make a date and bring a friend so you will always have someone to walk with who will motivate you and make it fun. Ask others to join you and have the movement snowball.

Architectural Inspection Group

Conveyance Coordinator Lisa Orach 520-917-8072, scoroval@ciramail.com
Meet fourth Wed., 2 pm

As you know, the housing market has certainly changed during the past few months. There are more listings for buyers to look at, buyers are asking for more from sellers, and homes are staying on the market longer than before. To expedite matters during the sale, you might consider having a courtesy inspection completed before you list your home. The courtesy inspection is optional, is done at your request, and looks at only the exterior of your home and grounds. The Association inspector conducts the inspection and turns the findings over to you. Only you see the violations found. This gives you the ability to decide what violations to correct before listing your home and before having to negotiate

those with a potential buyer, which may add time and frustration during the sale and closing. Keep in mind that you will still need to have either a listing or an escrow inspection completed before the close of escrow if you choose to do a courtesy inspection. To request any of our inspections, go to the SCOV Member webpage, select Member Services, and then select the Sell Your Home icon, complete and submit the short form. For further details, please contact the Conveyance Coordinator at the Welcome Center or by calling 520-917-8072.

Architectural Review

Dennis Bell 408-476-8291 ARC@suncityorovalley.com
ARC@suncityorovalley.com Meetings: second and fourth Tue. 2pm

The SCOV Architectural Review Committee (ARC) is vested by the SCOV Board of Directors to provide Architectural Control for our community as defined in the Master Declaration Article 5. This basically covers everything external to your home, including home additions, patio covers, roof maintenance, painting, window/door replacements, awnings, fences/walls, courtyards/walkways, lighting, and major landscaping. Any changes in these require prior approval. Where should you start? Just sign into the suncityorovalley.com website, click on Member Services in the Members pull down, click on Read More in the For Your Home box, and select within What Do You Want To Do? Should you have any questions, call Katy Mosier, Architectural Coordinator, (520) 917-8058 or email her at scoroval@ciramail.com, and she will guide you through the process.

Code of Conduct Review Board

Chair Marlene Branz 618-670-1063 conduct@suncityorovalley.com

The Code of Conduct Review Board (CCRB) was established in 2023, with five resident volunteers. The primary purpose of the Board is to investigate complaints submitted by residents. You can find the SCOV Code of Conduct in the Owner and Resident Handbook, page 5. To file a complaint, look in the Members Section of the SCOV website.

Issues not covered by the Code of Conduct complaint process include law enforcement issues, SCOV Facebook posts, ARC issues and any conduct outside the SCOV boundaries.

Community Directory

Chair Blythe Campbell scov.community.directory@gmail.com
www.scovaz.com/members/services/directory

We've had some setbacks in producing a paper directory. Our previous publisher sold advertising and printed the directory at no cost to our Association. That's no longer profitable for them. SCOV staff worked on producing the directory in-house but with current staffing and priorities, it may not make practical or financial sense to continue. We are going to regroup over the summer and explore other options, including the online directory features of our HOA software.

Many changes are coming to the Friends of the Library (FOL) this year. Along with new and renewed faces leading FOL and on the board, we have changes in our activities. Book B-I-N-G-O will be on summer hiatus. As much fun as it has been,

Sherry is looking for someone to take over Book B-I-N-G-O calling and managing duties. We are also looking for a new view on our popular Great Views. Do you have a passion for movies? Can you create your own version of this program to present to fellow FOL members? Sun City Variety Theatre and FOL are joining forces to bring all residents a unique performance in November. Be on the lookout for that with a special benefit for FOL members. We will also have a bike raffle donated by Library loving patrons. Let's see what other new and exciting things we can come up with.

Cynthia Teensland

July featured artists are Cynthia Steensland and Cheryl Langer. Cynthia creates stained glass window hangings, necklaces, polished rock wine stoppers, and painted rocks. Her wine stoppers are agates and chalcedony, tumbled and attached to cork. Painted rocks are everyday unpolished rocks found on the ground. Her geologist dad taught her how to see a rock's true luster by licking the rock. "I can't think of a better canvas than a plain old rock."

Cheryl has sewn most of her life, making her first quilt top at 8 years of age and teaching herself how to use the sewing machine at 12. Cheryl joined a small co-op in Ajo to sell textile art, creating quilted landscapes inspired by photos. She made quilted desert landscape postcards, then expanded to larger desert-themed art pieces. She also enjoys using geometric forms and exploring new ideas. She uses thread and acrylic painting, beads and buttons to enhance her designs.

Teresa Devel Covenants Coordinator 520-917-8087 scoroval@ciramail.com

First Wed., Noon, WC3

Oh My, It's July!

It's scorching outside, and before we know it, the monsoon season will hit us with full force. The combination of much-needed rain and summer heat works wonders for our foliage, causing it to flourish. This might come as a surprise to newcomers in our area, but it serves as an annual reminder to the rest of us that growth is possible even in the desert. Keep an eye out for those pesky weeds that sprout up in the cracks of the pavement and where the sidewalk meets the street. As homeowners, it's our responsibility to eliminate them and contribute to the overall beauty of our community, even in the midst of summer.

While you're out and about, take a look at the roofs in your neighborhood. Strong winds can sometimes lift and displace the tiles. Be a considerate neighbor and inform others if you spot any roof damage. Since many of our residents are away, it's helpful to watch out for one another. Take pride not only in your own property but also in the homes of your neighbors and friends.

The Posse needs volunteers. We ask our volunteers to go on patrol two times a year. Patrols are three hours long. Like many organizations, volunteerism has dropped, but the need still exists. Many of our current volunteers do five or more patrols a year. You can help by joining the Posse and help keep our community safe. For only six hours per year, your time can make a big difference. Call Linda Simón for more information about the Posse and how to join. We look forward to welcoming you to the Posse.

It's the start of our new fiscal year and the time to renew or purchase a membership. We look forward to you joining us for the 2024-25 season. If this is your first time purchasing an annual membership, visit the Pro Shop or call for more information. To renew an Annual Membership, you can contact the Pro Shop to charge it to your credit card on file or visit us in the shop.

Golf Clinics continue every Tuesday 9-10 am. \$20/session. Sign up in the pro shop to reserve your spot.

As a reminder, this time of the year, hydration is extremely important during the summer heat. Let's be prepared for thunderstorms, possible flash floods, and lightning. It's official monsoon season in Southern Arizona, so be careful.

Follow these suggestions to keep yourself safe while heading out on the course during the monsoon season. Check the forecast and check it often. Download a reliable radar app and seek shelter immediately if you cannot get off the golf course quickly. Don't worry if you can't finish your round; we will give you a rain check credit to complete your round another time. The important thing is to be safe and use your best judgment when the weather is questionable.

Please contact the pro shop for further information.

Director of Golf Maintenance - Michael Kropf

scvgolf@suncityorovalley.com 520-917-8063

July is the traditional beginning of the monsoon season in Southern Arizona. For golf course maintenance, the start of monsoons is bittersweet. The good news is that, due to the increased humidity combined with hot temperatures, the golf course will start to green up after the harsh dry weather of June. However, the monsoons also bring the chance of heavy rain that has the potential of causing serious damage to holes located near washes.

Several years ago, a thunderstorm generated a large amount of water north of SCOV, but no rain actually fell on the community. The golf course was crowded with many golfers who were unaware of the water running down the washes. Several groups were playing holes number 4 and 5 when the wash began to fill. Two golf carts then tried to cross the wash and got stuck. Luckily, nobody was hurt, but it took a couple hours for the water to recede and get the carts off the golf course safely.

Please remember, when these washes are running they are as powerful as raging rivers. Don't drive around the course and attempt to cross these washes when the cart path is either covered with water or sand. At a minimum, the golf cart will be stranded until it is recovered. Be aware that during the monsoons the washes can flow whether it is raining nearby or in the distance since we are at the bottom of the hill.

Here we are in the middle of the summer's hot days of golf. The guys are enjoying their skins game and the once a month regular league games.

We're still looking for our first Hole-in-One winner. If no one makes one this year, well that means the pot doubles. The club brought lunch to Mike's golf course maintenance team on Wednesday, June 5. We brought lunch to the other wonderful team at the Pro Shop.

Thanks to them for their hard work and positive attitudes. Great supporters of our golf here at the SCOV.

As the summer sun graces our community with its warmth, The Views Restaurant has added a brand-new summer happy hour menu that promises to delight your taste buds and brighten your days with new options and lower prices. To complement our new menu, we have also added drink specials. In addition to our summer menu, we're excited to announce a special dinner event with elevated ambiance and a reason to put on your high heels and ties. This exclusive event will feature a four-course dinner, accompanied by a "try and buy" experience, allowing you to sample and purchase exquisite wines. To enhance the evening, music will be provided by the talented Jessiah, creating a sophisticated and memorable atmosphere. Stay tuned for updates in This Week in SCOV. And finally, for your enjoyment, we have added a cornhole game to our terrace. Whether you're looking to challenge friends or just have some casual fun, this classic game is perfect for summer evenings. See your bartender for details and get ready to toss some bags.

Did you know that the game pickleball was named after pickle boat races off the coast of Bainbridge Island, Washington? Pickleball began in 1965 and was first played on a badminton court using ping pong paddles and a perforated plastic ball. The idea was the brainchild of Joel Pritchard, Congressman from Washington State.

Currently, over 8.9 million Americans play pickleball, and in SCOV the number exceeds 500. The original two courts shared space with bocce ball next to the pool. In 2014, the bocce ball courts were moved to their current location and three more pickleball courts were added.

To accommodate the increased interest by residents, one of the tennis courts has been refinished to create two more pickleball courts. This requires two portable nets costing

\$2,700 each. The Foundation agreed to pay for one net and the Pickleball Club members will pay for the other.

Almost everyone loves a good party. Clay Club members, being no exception, got together for a clay cookie party. Clay cookies are not edible. They are small slabs of clay that are used for firing glazed pieces. Head Kiln Master, Renee Ford, noted that clay cookies catch any glaze that may run off a piece and prevents the glaze from sticking to the kiln shelf.

Pam Curran organized this cookie party using recycled clay. Recycled clay is processed from both the trimmings of thrown pieces and hand-built scraps.

Colored Pencil Plus

Mon., 2:30-4:30 pm, Activity Center/Hohokam

If you have a knit or crochet project or would like to learn to crochet plastic bags into sleeping mats, come join us. An

on going group project is making crocheted sleeping mats out of plastic shopping bags. You can participate in this project by cutting the plastic bags into strips, stringing them into plastic yarn (plarn), and crocheting them into mats. We are temporarily suspending bag donations because we have collected enough bags to supply us for the next few months. We are grateful to receive all the bags that SCOV residents have donated for the homeless sleeping mat project over the past several years. We resume collecting later in the year.

Besides being a social club, we offer educational and instructional programs, guest speakers, friendly photo competitions for all skill levels, and Catalina Vista exhibitions of members' photos. Cell phone photos are welcome (and winning some of our contests!)

Every year we take the winning entries from all our contests throughout the year and have them judged by outside professional photographers to determine the "Photo of the Year". Congratulations to Laura Hackenbrock for her win with "Rainbow Lorikeets" this year.

Sculpture

Dale Foster 520-825-0707 fosterdale1248@gmail.com
Mon., 9 am-5 pm, Catalina Vista/Art Studio

The Sculpture Club meets on Mondays in Catalina Vista/Art Studio. If you are interested in joining or learning more about our club, stop in or contact Dale Foster. Our sculpture pieces are in the glass case and art room window inside Catalina Vista,

and in showcases outside of and inside the library. Stop into the Library and see Dale Foster's "Funky Chicken" behind the checkout desk.

Gayle Franklin completed a wall relief project of two hearts several months ago. Recently she added a flower and hummingbird, to the relief sculpture as you can see in the picture. She created the flower and hummingbird out of polymer clay, then baked, painted and attached them with gel-glue. Using polymer as a medium for sculpture allows the sculpture to be altered by either adding or subtracting. Polymer clay, once baked, can also be carved or sanded.

As promised, the summer articles will introduce the various charitable organizations to which Seniors for Kids provided funding to subsidize their summer needs for children.

The first group to be introduced is the Tri-Community Food Bank in Mammoth. This group promotes public awareness, builds coalitions and partnerships, engages in advocacy to influence public policy, and supports food banks to achieve a hunger-free Arizona. They promote lifting people out of poverty and strengthening their food system. Seniors for Kids provides these children with needed food, hygiene items, clothing items and holiday gifting at year's end. This gifting is given in the form of gift cards and in-kind items, many handmade, that have been requested by the children and their parents.

Our School Socks for Kids drive will be held during the month of July. Socks are the one item requested by all our organizations, but the socks must be new. Check coming events This Week in SCOV for further information.

One of our three safe table saws.

It's the rare person, new or professional woodworker or DIY homeowner, who hasn't received some form of injury while handling wood, such as minor cuts, slivers, etc., Whether it was in a home improvement store, garage or woodshop. And it's the rare woodshop that is able

to brag about the fact, in nearly 20 years, no one has received more than minor injuries. Our woodshop is one of those. There are many reasons for this, but the important ones are training required for new members, an excellent group of volunteer monitors and technology built into our table saws. That technology senses when a person touches a spinning blade, and, in a fraction of a second stops the blade and drops it out of reach. You can imagine the benefit of that. A few of our club members know of it firsthand.

Anza-Borrego Desert State Park (California), currently an aspiring International Dark Sky Park.

Our community is so lucky to be able to see a myriad of stars that are unavailable to others. The aesthetic beauty and wonder of a natural night sky is a shared heritage of all humankind, yet 99% of the people in the United States do not have regular access to appreciate this beauty.

Arizona hosts 10% of the world's largest telescopes, and these multi-billion-dollar facilities and programs are, unfortunately, hindered by light pollution. Scientific research shows that excess and improperly directed outdoor lighting actually reduces our safety and security. It is not necessary to turn all outdoor lights off, but just to make sure the lights are shining downward, with covers preventing light from escaping upwards (similar to the approved street lights in Dark Sky communities). This prevents glare and actually improves our ground vision. We enjoy starry night skies and hope everyone helps preserve them.

Not So Silent Book Club

Tammy Barnett 530-228-0214 tammybarnett@sbcglobal.net
Second Sun., 2:30-4 pm, Desert Oasis/Ocotillo

Summer has arrived, and it's the perfect time to come check out the Not So Silent Book Club. We meet every second Sunday of the month, with each person getting the opportunity to talk about a book they have read or are reading. We tend to have very eclectic taste in books, which makes it very fun and worthwhile. Email or call Tammy with questions.

Lab in Welcome Center - access year round

Want to get started on your family tree this summer? Do you need help getting that next piece of information? Looking for a cool place to access numerous subscription websites? Have a big pile of documents or photos you want to scan? Then visit the Genealogy Lab in the Welcome Center. The Lab is available to members any time the Welcome Center is open. We have various times during the week when experienced researchers are in the Lab and ready to help you. If you aren't already a member, pick up an application form at the Lab and join the club for just \$20 a year (good through December 2025).

Go to our website at scvgs.org to sign up for our email news, look through the collection of handouts from recent speakers, or contact us with questions or requests for help.

Mon., 10 am-noon, call for location or invitation to Zoom

The following poem by club member Steve Lloyd conveys his keen eye for details and deftness with words, as well as an appreciation for the world around us.

Beautiful and Broken

Because the world is beautiful/I walk each day by barn,
horse, field, pond—/sometimes a heron,/knee-deep beside cattails.
Because the world is changing/I walk each day so I will not forget
the green of grass, blue of sky,/the way woods' shadows cast
their weight across the road.
Because the world is broken/I walk each day aware
of shards' sharp edges, /thin places where we could fall
straight through to nothing.
Because the world is mending/I walk each day to witness
every native plant in bud,/each new-sown field, new barn,
new calf, each child at play.

Club members and newcomers are invited to join us as we Zoom through the summer.

VP Marcia Biel-Hamilton 913-515-7940
SCOVConsciousAging@gmail.com
Wed., 9 am-10:30 am, Activity Center/Navajo

Conscious aging is about the inner work of reorienting ourselves as we turn from our roles we assumed while managing careers and tending families, to turning inward and cultivating a deeper awareness of who we are now. Our goal is to discover how to face the known and unknown challenges of aging. With the help of our community, we are pondering the questions: Who am I? What are my values? What do I believe? What matters most to me? This inner work is supported by mindful movement such as qigong, guided meditation, and book study, which draws from psychology, sociology, metaphysics, philosophy, and meditation. Conscious aging is about accepting who we are now. Our meetings consist of a short period of easy mindful movement, followed by guided meditation, and discussion. Please contact Phyllis for more information, or you may email the club.

Bella and Ripon enjoying the dog park

Most dog people are looking forward to the activities on July 4 and thankfully we don't have loud fireworks in SCOV that upset so many pets. But some dogs are upset by the thunderstorms that accompany the monsoons. Pay attention and think about some safe calming places in your home that might help if your pet becomes frightened. Some pets become more anxious as they get older.

Please remember: keep your pup well hydrated, check how hot the pavement is before crossing streets with your dog, and never leave your dog in the car. Fun ways to beat the

heat include backyard pools and early morning walks. Check out the Tucson Botanical Gardens Dog Days of Summer, June 1-September 30. Dogs gain admission for \$5, there are lots of good smells and pathways, water, waste baggies, and even a special dog menu.

Local members, watch for club emails about Sonoran Desert toad aversion training for our pups after the monsoons start.

Prepare & Share - Dining

Pres. Debbie Kotlarek dlkotlarek@gmail.com 262-899-5810
www.scovprepareandshare.weebly.com

Members of the club enjoy getting to know some of their SCOV neighbors and friends who enjoy cooking and eating interesting food. Themed dinners take place December through March in member homes. Everyone brings part of the meal, so there is not a huge effort for the host.

Two fun events are planned for July; a cookout on Wednesday, July 3 and an ice cream social on Sunday, July 21 details are on the club website.

If you have questions, or would like information on joining contact Debbie Kotlarek at the email above.

Learn how to not step on this guy in the dark

We have three hot things to do this July. On Sunday, July 28, we kick off Summer Conversations with a round-table discussion tips and tricks about interior and exterior lighting, hand grab rails, bathroom safety, communicating with neighbors, fire department protocol, furniture placement, de-cluttering, snakes and so much more. Come share your insights and experiences about living safely into the future.

Tours: Following Roni Landsberg's talk in June about the differences between senior residences, it's time to see for yourself. Our July tours will visit Amber Lights and The Country Club at La Cholla. Transportation, a typical lunch, a chance to ask probing questions of the staff, a raffle and an in-depth tour of each facility are included. Sign upon our web page, scovstayingincharge.org.

Exercise

Aqua Tone

Irmel Wheeler, 520-334-0957, irmel5596@gmail.com
Tue., Thu., Sat., 8 am, AFC/Pool

Aqua Tone is a toning water workout that incorporates a variety of rhythmic body movements. This aquatic exercise class enhances cardiovascular fitness and muscular endurance. There is no fee to join this club or the class. The teachers are club member volunteers. Participants should be able to do a basic swim stroke. Items used in the class are buoys, boards, noodles and a fitness band. Most of these items are available at the pool. We assign an experienced member to a newcomer to help learn the various movements. We enjoy a great workout in a fun class.

Arthritis Water

Pres. Norma Waters normawaters1@hotmail.com
Vice Pres. Andrea Houston ahoust2@lsu.edu
Summer Hours - Mon., Wed., Fri., 10:05 AM AFC/Pool

We meet when the air temperature is 77 degrees or warmer, as recommended by the Arthritis Foundation.

Our club performs gentle water exercises targeting all muscles and are used by several health organizations to increase strength, balance, mobility, and flexibility.

Water exercise is especially helpful for arthritis, fibromyalgia, and replaced joints. Some new members have expressed surprise at how quickly the first couple of sessions already increased their abilities to move. Others comment on improved stamina.

New members are always welcome. Our members are fun, accepting and welcoming. We frequently hear "I came for the exercises and love all the friends I have made".

The yearly dues are \$5, and your first class is free.

Inspiring Exercisers!

Joann is 90 years young and an EE class member. She is pictured here with class president Anne Palmer.

The goal of Energetic Exercise is to develop and maintain strength, balance and heart health. Members receive a monthly calendar that tells the focus on the day, such as aerobics, cardio tone or interval training. Equipment such as hand weights, resistance bands or balls adds variety and are always optional. Everybody moves at their own pace and adjusts to individual needs. Dress is casual with sport shoes required. Membership in the Energetic Exercise club costs only \$3/year. Members purchase a 12-class punch card for \$30. Newcomers can try a first class for \$3.

This month's photo features Joann Newland. She is a testament to a lifetime committed to fitness and exercise. She began her exercise journey by attending an aerobics class four times a week, after work. Her advice to aspiring seniors, "Keep moving."

Mon., 3 pm, Thu., 1:30 pm, AFC/Studio

Summer is here and both the Monday and Thursday classes are smaller and more personal, making it a great time to try out Pilates. First, we do stretching exercises to warm up and then perform the Pilates mat routine, modifying some of the moves for those with limitations. People ask "can the benefits of Pilates, which come from strengthening and stretching exercises, really develop the body's core (your abdomen and back muscles), make you stronger overall, increase spine mobility and build flexibility?" The answer is a firm yes. Additional benefits include improved balance, muscle tone, stamina and a feeling of well-being. The cost is \$8/class and annual club dues are \$20pp. Please join us or just stop by and watch.

Birders

Peggy Smith 520-344-0991 pdsaz@aol.com
www.scovbirding.wix.com/birdersgroup

The Western Tanager is a regular summer visitor to SCOV. It is one of three tanager species regularly seen in Arizona. All species of tanagers are striking, but the male Western Tanager is considered the most beautiful. Southeast Arizona is the southern limit of its breeding range, while the northern limit includes most of the western Canadian Provinces. As is true of all the tanagers, its song can easily be mistaken for an American Robin. We are a 120-member, activity-oriented group, and all SCOV residents are invited to join us on our field trips to learn more about the birds here in Arizona. We have now entered our summer hiatus and will not have scheduled trips again until the fall. If you are interested in knowing more, ask Peggy (above) and request to be added to our mailing list.

Bocce is a fun, easy-to-learn activity that people of all ages and abilities can enjoy. No experience is required, and anyone who can pick up and roll a ball can play. Newcomers are always welcome and may play once without joining the club. We are playing in the cool of the evening now, and it is one of the few activities that can be enjoyed outdoors this time of year. For more information or to learn the rules of the game, check the website scovbocce.weebly.com/. To reserve a court during non-club times, check the Court Reservation system on SCOV's website suncityorovalley.com/book-court-lap-lane/.

Scheduled hikes are posted on the website
www.scovhiking.org

Hikers enjoy the lush Aravaipa Canyon

Summer's here and we're still hiking. Our trained guides usually lead early morning hikes to escape the heat of the day and still allow hikers to experience the beautiful Sonoran desert. Hikes vary in skill level from a golf course stroll to a more strenuous hill climb with great views, so there's something for everyone. Check out our July hikes at www.scovhiking.org. Membership is \$10 and covers a calendar year. To join, complete the membership application on the hiking club website and sign up for an orientation hike to introduce you to the club and its activities. Then let your hiking adventures begin.

Registration is on the website: www.scovpb.org

Tony Masterjohn gives the club his time and skills to fix the heavily used paddle rack.

The club is very grateful to the Sun City Vistoso Foundation for grant money provided to help defray the high cost of new pickleball nets. The club received a check for \$2,700 from the Foundation to put toward a new professional net system on courts 6 and 7. This will make a tremendous difference to the players. You must be a member of the club to participate in activities. The court schedule and registration are on the SCOVPB website. Zero Zero Two.

Socializing at the Bistro after action on the Court

The seasonal residents are gone but the action continues on the court. The advantage of racquetball is that it doesn't matter if we are in the middle of a major heat wave or experiencing a monsoon storm, The games go on.

Anyone who has played the game or would like to try, join us. We have players at all levels. Extra rackets are in the storage room and we supply the balls; just be sure to bring safety goggles. We play from 7:30 -9 am, Monday, Wednesday and Friday. Want to practice to see if it's for you? Come at 9 am and we will be glad to help you.

Our club has great camaraderie. In addition to racquetball, we get together to play pickleball, bocce ball and table tennis, and enjoy social get-togethers. We have our annual business meeting/potluck in January and our Spring BBQ in March. Dues are \$5 annually.

Join the fun! Contact our Treasurer, Gary Henson.

Tennis

Pres. Mark Lankes mjlankes@yahoo.com
For a schedule of club play and membership, go to www.scovtennis.com

As the sweltering heat bears down upon us, keep in mind these tips to stay cool while on the courts. Hydration: Drink plenty of fluids before, during and after your match, including water, electrolyte drinks, fruits and vegetables. A rule of thumb is to drink 8 ounces of water for every 20 minutes of play. Don't wait until you're thirsty.

Clothing: Wear light-colored, breathable, wicking clothes that reflect light. Avoid dark colors. You can also change your clothes, including socks, during set breaks.

Headwear: Wear a breathable hat to keep your head cool, which helps cool the rest of your body. If you start to overheat, you can dunk your hat in water.

Cooling accessories: Use ice packs, ice towels, ice saunas or ice vests to cool down before, during and after your match. You can put ice packs under your arms, in your groin, around your neck or in your lap.

Sun., all play 1-3 pm. All play is at Catalina Vista

Imagine having fun on a June afternoon, in a place way cooler, maybe 40 degrees cooler, than the pickleball or tennis courts. Imagine coming to Table Tennis (aka Ping Pong). All are welcome, whether you have never played or happen to be super skilled. Just come on in and enjoy making new friends and enjoy the air-cooled atmosphere. Club paddles and balls are available. Sport shoes are recommended. You will find most club members playing in the first hours of a session but during the summer hours at Catalina Vista the

tables may be setup outside of these times. Check with the monitor and come to this indoor sport that will carry on no matter how hot it gets outside.

PET SITTING in my home. I will ensure your dog is safe & loved while you're away. They will be treated like my own and will feel at home at mine! 30 years of pet sitting & training dogs. I'm good with walks and medications. Susan Taylor, 719-205-6262 or dogsdogs@aol.com

HOUSE WATCH: Jay's Home Watch with TLC, "I'll watch your home when you're not." I will check on your home regularly, water indoor plants, bring in mail, newspapers and packages, contact your handy person, landscaper, irrigation person, etc., if needed and take care of any emergencies that arise. I will email you with an update each time I visit your home. Jay Leutenberg, all-year resident. Call 520-444-8529, email jayleu35@gmail.com.

PET CARE: When you're not home, I will make sure your pets are cared for and well loved. My services include dog walking, boarding of dogs and cat care. I am able to administer medications if needed. Suzanne Batten, 253-310-2693, email: suzbatten@gmail.com.

2003 Airstream International For Sale Immaculate 28 foot rear bedroom, queen bed. It has been under roof with covered tires since delivery and served as amy temporary, intermittent housing for the past year. Asking \$98,800 Text 303-304-4407 email joleeakovic54@gmail.com

BUYING: A curious collector would like to buy watches, old photos, war relics, 19th and 20th century family and estate items, antiques, jewelry, coins, silver and much more. Anything unusual or nostalgic. I like to look and love to buy. Exceptional prices paid. 520-529-2984.

LEGALLY DISPOSE OF UNWANTED FIREARMS: Have firearms that you no longer want in your home? I'm a resident of SCOV and have held a Federal Firearms License (FFL) for over 25 years. I'll come to your home, inspect your firearm, and make a cash offer. Selling to a licensed FFL holder ensures all responsibility for your firearm is legally transferred to the Federal Firearms Licensee. Call John Balaco to make an appointment 308 696-9686.

The Life They Always Wanted

Your Life, Your Rhythm

We looked forward to our retirement, and happily gave up household chores (so long, home repairs!) in exchange for quality time together. Now a chef makes our meals, gardeners groom the grounds, and our days are filled with fun classes, group excursions, and happy hours. Best of all, we can slow dance whenever we want.

TAKE ADVANTAGE OF STUDIO LIVING!

Have you considered the many benefits that come with community living?

MORE SOCIAL ENGAGEMENT

Research indicates that residents spend more time engaging with their neighbors when they live in a studio apartment.

EASY TO FURNISH AND MAINTAIN

Less is truly more. Bring just what you need to simplify your life.

LOWER COSTS OVERALL

Our amenities and services are the same no matter what size apartment you live in. Lower monthly rent means more to spend on what matters most to you!

SAFETY BENEFITS

Less furniture and clutter mean fewer obstacles to navigate, which is known to help prevent falls.

Spring into big savings at Fairwinds! Studio living starts at \$2,995. Give us a call to schedule a visit!

"Brenda O'Brien did a super job of making selling our home a pleasant experience. We were not in the state when we decided to sell. We called Brenda and she took charge. She staged the house for photographer and for showings. She priced it right and the house sold the first day at more than the asking price. She made sure the after-sale process went smoothly as well. We highly recommend Brenda and would use her if we again buy a home."
