From the Board of Directors

Our mission as the SCOV Board is to lead in maintaining and enhancing the quality of life in Sun City Oro Valley as an active adult community.

All Board minutes, agendas and reports are available online. Board meetings are open to residents.

Board of Directors - James Cherry Treasurer

jimcherryscov@gmail.com

As I write this article as a Board Director and the Association Treasurer we have no shortage of topics. There is the Asset Reserve Study final report to be due soon. We have work being done as a result of the Long-Range Planning Committee Ten-year Capital Funding report that covers several major amenity requests. We have a focus on restoring the Capital Fund balance from its negative position. A recent freshening up of the restaurant as well as fine tuning the menu options and cost structure is sure to still be a buzz and ongoing efforts to keep the Golf Course in shape. There are ongoing plans for development of the Copper Center as an active part of the SCOV footprint.

We also have some intangibles, such as the Board's ongoing effort to keep functioning in a positive atmosphere, continued integration of our new General Manager and SCOV staff. Let's not forget one of my favorites: building greater clarity around our financial position and fiscal focus.

Any one of these would be sound topics for an article. However, I want to take a moment to mention how this opportunity has given me a chance to meet a great many wonderful people. I believe there are still many more to meet. This is truly a great community of fun and talented individuals. It took a high level of focus and dedication for each one of us to get to this point in our lives and to be able to make the choice of living in SCOV.

I look forward to interacting with those I have met and have yet to meet. I believe that collectively, we can ensure this community continues to thrive and that we all get to keep doing what we like best for our lives right now. Because when you get right down to it, this is what we have "right now." Let's all make the best of it.

General Manager - Sandy Seddon

sseddon@suncityorovalley.com 520-917-8080

What makes Sun City Oro Valley great? I am sure if I asked ten homeowners, they would all have their take on why they love living here. Community leaders need to understand this as we must focus on continuously improving and updating our amenities and services. So why is this so important?

SCOV needs to stay relevant to meet the needs of the owners as well as compete with new communities. Think about it. We are over thirty years old, with many original or long-time owners. And yet, we still have people who buy here because of the amenities, location and the people. That says a lot about how amazing it is to live in Sun City Oro Valley.

As leaders, we will continue to engage homeowners to understand your evolving needs and preferences and then adapt accordingly. We already have a great community engagement process through social events and volunteer opportunities, and we are working hard at inclusive decision-making, so we stay vibrant and appealing. Your voice is important to us.

Maintaining our existing assets is important, but we must also plan. Some homeowners have suggested that we focus on what we have and stop worrying about new things and our future outlook. There is a balance that needs to take place here, but it would be short-sighted to not look ahead.

Planning for our short-term needs and our long-term needs is appropriate and should be a goal for the association. This takes a concerted effort to assess current needs, anticipate future challenges and create a strategic plan to address them. The process includes input from homeowners, financial planning, reserve studies and establishing priorities for capital improvement projects. By engaging in proactive and thoughtful long-range planning, SCOV can ensure the well-being and sustainability of the community for years to come.

We are off to a great start in this regard. The asset reserve study update is currently underway, and this will help us understand a portion of our financial picture. We are committed to reviewing the study upon completion with all homeowners so they can provide feedback. This is just one of many steps as we move forward. We hope that each of you will collaborate with us to be a part of our collective future.

It's More Than Living... It's A Lifestyle!

Foliage In The Desert

by Carla Green

Sycamore at Agua Cliente Wash by Steve Holmes

Locals joke that the Tucson area doesn't experience fall weather, but the Sonoran Desert undergoes a remarkable transformation. While many might associate fall foliage with deciduous trees, Tucson's unique desert flora also showcases its version of autumn beauty. The iconic saguaro cacti and various desert shrubs and trees begin to display subtle changes. The ocotillo plants, for instance, may show off their bright red blooms against a backdrop of golden desert grasses. The Arizona Sycamore will start changing color along with the honey locust with their tiny flat leaves.

In the Tucson area, fall foliage typically peaks from Late-October to early November. During this time, cooler nights and warm days create the perfect conditions for trees to display their vivid hues. The striking colors can be found in a variety of locations, from urban parks to the surrounding mountain ranges.

Photo By Sheryl Hester

For those looking to experience the fall colors, the most popular nearby areas like Mount Lemmon offer a different perspective. As you ascend the mountain, the higher elevation supports dense forests of oak, aspen, and maple trees that turn shades of gold, orange, and red. The scenic drive up the Catalina Highway (the Sky Island Scenic Byway) provides stunning vistas, especially as you ascend from desert terrain into cooler, forested areas. This winding road takes you from the desert floor to pine forests, offering dramatic views and several lookout points along the way throughout the Catalina Mountains. Make a stop at Summerhaven, a charming mountain village where you can enjoy a cozy meal while soaking in the colorful surroundings.

Oracle State Park is an excellent spot to experience fall foliage. Just a little over a 30-minute drive up AZ-77 from Sun City Oro Valley one can experience the fall foliage of the oak woodlands and mesquite groves that scatter the landscape.

Photo By Karen Alexander

Sabino Canyon provides a breathtaking backdrop for autumn foliage and rugged terrain. The canyon's trails wind through the foothills of the Santa Catalina Mountains, where you'll find a mix of desert flora and deciduous trees. As you hike along the stream, the contrast of the golden leaves against the rocky terrain and azure skies is nothing short of magical. Keep your camera handy, as the canyon provides numerous scenic viewpoints perfect for capturing the season's beauty.

Looking for a day trip, Madera Canyon is a lush oasis in the desert, offering a mix of oak, sycamore, and maple trees that display vibrant fall colors. The canyon is also a hotspot for birdwatching and has several hiking trails.

As you hike higher in elevation, you'll encounter more color. This diversity in plant life also attracts a wide range of wildlife, making it a botanical and ecological treasure. An hour's drive south of Tucson tucked in the Santa Rita Mountains.

In the Sonoran Desert environment, fall foliage is a rare and beautiful experience. With its unique blend of desert landscapes and vibrant autumn colors, the region offers a variety of experiences for nature lovers and adventure seekers alike. A visit to any of these locations offers the perfect opportunity to see Arizona's autumn charm.

Exciting News: SCOV Transitioning to Northstar Software

The transition to Northstar software is progressing smoothly. We've selected design templates for both the website and app, and the necessary information is being submitted to move forward with testing. Staff training on the back-office systems is beginning, and our resident IT team will be preparing training videos and classes for the member portal, which will be shared as we approach deployment.

This project consists of several components: the existing website, the HOA software for staff and members, and the new website, which is integrated with the HOA software. As a reminder, the vendor hosting our current website will no longer support it due to outdated security protocols. The resident IT team determined that a migration to a temporary host that meets security standards is necessary. This will allow time for training and preparation on the new Northstar system. Initially, the go-live date for both the website and member portal was set for November, but it has now been shifted to January. The transition of the current website to a new host took place between the end of September and the beginning of October, which you may have noticed through TWISCOV updates.

Northstar's integrated website and app will provide real-time information for residents. You'll be able to easily update your details (like summer and winter addresses), check account balances, and track the status of applications (e.g., ARC). This platform will streamline many of our current tools, including communications, reservations, and ticket sales. The new website will continue to feature board and committee meeting minutes, agendas, and other valuable resources, with expanded features rolling out by year's end.

Thank you for your support as we move through this exciting transition.

Community Services - Katy Mosier

Architectural Coordinator Katy Mosier scoroval@ciramail.com 520-917-8058

Caution. A good rule of thumb to remember is whenever you want to make a change to the exterior of your property, it will probably require some sort of HOA approval. This will either be an In-House approval through an In-House Submittal form or ARC approval through an ARC Submittal form. If you are in doubt, you can always check with Katy Mosier either by email or at 520-917-8058. Sometimes, no formal approval is necessary for maintenance items like fixing sprinkler heads on your irrigation system or adding additional landscape rock to your existing rock when it becomes necessary. But it is always good to check and takes just a minute.

A word of caution. There are some vendors and contractors out there who are not familiar with our governing documents because they are new to our area or because they simply don't care to be informed. Under no circumstances should you take the word of a vendor or contractor who says you do not have to get any HOA approval for a project or that you should be "grandfathered." The same holds true when a major project's contractor says you don't need a Town of Oro Valley building permit. It is true that sometimes the Town's permit is not needed but if you decide not to bother to check it out yourself, you may be in line for a big surprise. You certainly don't want your project shut down by the Town. It does happen. Ultimately, you are the one who is responsible to procure the correct approvals from both the HOA and possibly the Town of Oro Valley.

This month there are some great opportunities to support your library. Friends of the Library has organized two events, with all proceeds going to support your SCOV Library. Want to win an E-Bike? A Model E Cruiser Bike (only ridden twice!) was donated by a library patron. The e-bike has many advanced features, and it will be on display in the Library Lobby from November 4-9 during library hours. Raffle tickets are \$10 each or 3 for \$25 (cash or check only). Tickets will be available for purchase in the Library October 14 - November 9 during regular Library hours: Mon-Fri 9 am-Noon and 1-4 pm, Sat 9 am-Noon. The winner will be notified the day after tickets sales end. Stop in the Library to pick up a flier for more details.

The FOL is also presenting a Staged Reading of *Murder by The Book*, by Laura Teasdale sponsored by Louise Penny. The two performances will be held in the Auditorium, Saturday, November 2, 7 pm and Sunday, November 3, 2 pm. Tickets will be on sale in the Activity Center, October 22, 23, 24 and 30 from 9:00 am-Noon. Tickets prices are \$5 for FOL members and \$10 for non-members. Tickets will also be sold at the door. If you are an FOL member, you may also enter in a drawing for a copy of Louise Penny's latest book *Grey Wolf*.

Strength Tracking With the LFConnectApp

Life fitness quick response codes let users track strength workouts with the LF connect app simply by scanning the QR codes with a smartphone, ipod or ipad. Each LF code is affixed to a specific Signature Series Single station machine. When scanned, the LF code opens the strength tracking portion of the LF connect app which provides; accurate calorie calculation based on user weight, workout duration and intensity level; recommended machine set-up base on details about exercise height and weight; convenient tracking of sets, repetitions and weights. An instructional video, which shows the correct way to use the machine. If you need help installing this app or setting it up please see Lonnie Davis at the AFC or call 520-917-8073.

Special Notes from the AFC:

Orientation on how to use the gym equipment is held Thursday, 1 pm so stop in and sign up. Classes are limited. Contact Lonnie Davis, AFC Coordinator, to discuss questions or problems call: 520-917-8073 or email: ldavis@suncityorovalley.com

Tue., October 8, the AFC pool and spa will be closed for cleaning and shock treatment. It will reopen the following morning at the regular time.

Tue., October 22, AFC Spa closed for cleaning and will reopen at 1 pm.

Wed., October 9, the Desert Oasis Pool will be closed for cleaning and shock treatment and will reopen the following morning at the regular time.

Association Committees

Active Health

Chair Rita Menet rita.menet@gmail.com

The Active Health Committee is taking a break from monthly presentations for the summer, but we want to encourage you to keep active and healthy. There are many opportunities to keep walking when it is hot outside. Walk with friends in the Auditorium from 6:30-7:30 am. If that is too early, walk indoors in the AFC on Mondays and Fridays from 1-2 pm. Or, if you prefer to walk outside, join SCOV Walks! Monday through Friday, 7am from Catalina Vista or Desert Oasis, maps available. Make a date and bring a friend so you will always have someone to walk with who will motivate you and make it fun. Ask others to join you and have the movement snowball.

First Wed., 11 am, WC1

The AFC Committee met for the first time in September and will meet again on Wednesday, October 2. During the October meeting, we will set goals for the upcoming year. Updates: The locker room floor will have a new coating applied to decrease the chance of slipping, and much of the new furniture for the pools has arrived with the large tables coming in November. Thanks for all the positive comments on the furniture and have a great October.

Meet fourth Wed., 2 pm On Hiatus

Those of you living along the washes or common areas may have seen increased wildlife activity recently. While interesting to watch, wild animals in residential areas can cause problems. As water becomes scarcer, the coyotes will get bolder and go into places they usually avoid, like backyards. Javelinas will root around for irrigation drip lines. Some reminders: pet water bowls, ponds and fountains provide water to thirsty critters. Pet food, fallen fruit, garbage cans, and even bird feeders that attract rodents provide a meal. Low branches and large bushes can be a shelter for coyotes to rest and hide. Feed and water your pets inside and encourage your neighbors to do the same. Keep yards well maintained. Remember that it is illegal to feed wildlife in Pima County (ARS 13-2927). Small things like this will help keep the animals out of your yards and encourage them to seek food and water elsewhere.

Architectural Review Committee

Dennis Bell 408-476-8291 ARC@suncityorovalley.com
Meetings: second and fourth Tue., 2 pm

Monsoon season is (almost?) over for this year; now may be the time to consider adding gutters and downspouts in preparation for next year's monsoons. Please take a few minutes and inspect your property. Water flows in your yard should be directed to your side yards and then flow forward towards the street. A street facing side yard can have water flowing that direction as well. It must not be flowing into your neighbor's yard, the Golf Course or into any of our Common Areas. If you are unsure of what to do, call the office. We'll send someone from the Committee to come out and take a look.

Joan Kelley (Left) and Trisha Bergen (Right)

Featured artists for October are Trish Bergen and Joan Kelley. Many pathways have led Trish to glass fusing. She was raised in the Hudson Valley; majored in Art in college; traveled the world; explored,

skied and settled in the West for a long time in Taos, NM. Living in Arizona now and totally absorbed in glass fusing, she said, "I love the flexibility, yet the restrictions of warm glass. Brightly colored Dichroic glass is a joy. The glass is hand-cut, hand-shaped, layered and fired in my kiln. I work with it several times, until I see what I love."

Joan decided to add art to her life at age 50 and plunged into clay, staying muddy ever since. Currently, she makes plain forms designed to decorate with underglazes, usually for dining purposes or displaying flowers or utensils. The desert flora and fauna as well as her renditions of ancient dwellings are focal to her work.

Long Range Planning

Chair Joy Huxtable 520-548-2653 jhuxtablescov@gmail.com

The Mission of the Long Range Planning Committee (LRPC) is to develop and recommend to the Board of Directors a 10-year rolling plan to maintain and enhance the quality of life for residents, while ensuring SCOV remains competitive in attracting active adults to our community. It also serves as the point of contact for HOA members, clubs, organizations, groups, task forces and SCOV committees to review, evaluate and develop reports which document the value of project proposals for the Board of Directors.

At the October 9 meeting the Committee will evaluate and develop a recommendation for the proposal by the Creative Culinary Classes Club. Note: Starting in October, LRPC meetings will begin at 9 am.

October seems to be the beginning of many SCOV residents coming back to their homes. At the Loan Room we have more people needing items from us and more reservation requests on our website. Reservations may be made two months in advance of a need, so this is a good time to reserve tables and chairs for Halloween and Thanksgiving. You may also start making plans for what those little visitors need when they visit this winter: highchairs, strollers. Our medical equipment is always available for fall and winter surgeries or any illness. Bring your SCOV card when you come to get what you need or to make future reservations.

Recycle your aluminum cans in the blue bins in our area. Support your Loan Room.

New Homeowner, or Just Back?

Are you a new homeowner, or are you just returning from being away for a while? The monsoon season caused trees, grasses, shrubs and weeds to really grow. Pre-emergent applied to your yard will stop the germination of seeds, and you won't have as many weeds next year. Check with your landscaper or pest control professional. Don't forget to remove weeds in cracks of your driveway, sidewalk and where the cement meets the blacktop of the street. Plants protruding over sidewalks need trimming back so as not to injure passing walkers. Trees at corners need trimming so that stop signs may be seen. Suckers under trees should be cut down to the ground.

Take a close look from the street – can you see the numbers on your house, day and night? For safety's sake, trim back any plants or change light bulbs if your house number is not clearly visible. This is important should an emergency vehicle need to find you.

Welcome back, and please continue to take pride in doing your part to keep up the excellent appearance of our community.

Posse

No meetings May-October
www.scovaz.com/members/committees/posse

When patrolling, Posse volunteers often talk to residents out walking their dogs or even working on a project in their garage. Residents are usually very supportive of the Posse and often thank our volunteers for helping keep our community safe. Occasionally there are residents that have concerns, wish to comment further on their experiences with the Posse or want more information on what we do. I encourage these folks to contact me, Linda Simón at 520-789-7169. Our volunteers try to cover every house in SCOV during their shift and have limited time to do so, but we want to hear your concerns, suggestions or praise so know that I'm available to listen. Thank you for supporting the Posse and call me if you'd consider joining our team.

Course Maintenance: The golf course will be closed for overseeding until Monday, October 7. The driving range remains open during overseeding; however, we will hit on mats only. This gives the ryegrass ample time to grow properly. Avoid hitting off the grass during this closure. For the best winter results, it's crucial to allow the overseed to germinate undisturbed. A daily watering schedule for the driving range tee will be displayed for your information.

Reopening & Guidelines: Golf play resumes on Monday, October 7. From October 7 to October 20, the course will be cart path only.

Fall rates are starting October 7. Guests playing with a member or resident enjoy the resident guest's daily rate. The guest rate includes the resident rate plus an additional \$10 for 18 holes or \$5 for 9 holes. For members or residents using a club cart in the fall, winter, or spring, there's a cart fee. The rate is \$15 for 18 holes and \$10 for 9 holes per person. For tee-time bookings or any questions, feel free to contact the pro shop 520-825-3110. We're here to assist you!

Director of Golf Maintenance - Michael Kropf

mkropf@suncityorovalley.com 520-917-8063

October is the start of a new season of golf. The golf course has been overseeded so there are different colors of "green grass" on the fairways and tees. This is a good time to remind golfers about changes from summer to winter play. The divot mix in the containers will be replaced with a sand and seed mix that is to only be used on fairways and tees that have been overseeded. If that seed mix is placed in turf areas that are not overseeded it will eventually leave large green patches in the otherwise brown turf. This applies to all of the roughs and certain tee boxes that haven't been overseeded. It is a small step to help reduce extra maintenance required to chemically treat and remove the green spots throughout the rest of the winter months. From a maintenance standpoint, it would be better to do nothing to a divot in non-overseeded turf than put seed mix in it.

When the golf course reopens following overseeding there will be two weeks of cart path restrictions due to the young ryegrass and wet conditions. Once the cart path restriction is lifted, the areas on holes number 2, 4, 9 and 14 that have been staked from cart path traffic the previous two winters will be restricted again this year. Since implementing the golf cart traffic controls, these specific areas have suffered very little turf damage the following spring/early summer requiring minimal repairs. Please observe and follow cart signs to minimize turf damage throughout the golfing season.

Play Wed. am

We look forward to playing the freshly overseeded course. The Men's 18-Hole Golf club will resume play on Wednesday mornings when the course reopens. We also look forward to welcoming back our friends and members who will be returning soon. Our season runs through the end of the calendar year, so there are still plenty of events this year before a new season begins in early January.

Swing Hard!

The first league game is coming up on the 10th of the month and it will be a cart-path-only game. The course will open following over-seeding on Monday, October 7, so, there will be two weeks of cart path only. I know the league players can handle a couple of weeks figuring out what clubs to use after walking to their ball. Just one more challenge.

If you are new to SCOV and trying to figure out how to get out those old clubs and whether to give golf another try, now is the time to join the 9-Hole League, meet lots of golfers who are just like you and just want to get out there. Just remember, the driver is not an accuracy tool but a distance tool, so swing as hard as you can, just like Jim is doing in this month's picture.

And as we say in the 9-Hole League, "Half the time, Twice the fun."

Cooler weather is upon us and spooky pumpkins come to mind. Pumpkins technically are gourds, however the gourds you see us working on have a much harder shell than a pumpkin. The other difference is that pumpkins are grown and harvested to be eaten while gourds are grown and harvested to be decorative or ornamental. If you enjoy carving a pumpkin, you probably will also enjoy carving a gourd. Come visit our gourd artists at the Artisan Center. We are always happy to show you around. Even better, consider joining our club. We have everything you need to get started.

If you have a knit or crochet project or would like to learn to crochet plastic bags into sleeping mats, come join us. An ongoing group project is making crocheted sleeping mats out of plastic shopping bags. You can participate in this project by cutting the plastic bags into strips, stringing them into plastic yarn (plarn) and crocheting them into mats. We are temporarily suspending bag donations because we have collected enough bags to supply us for the next few months. We are grateful for all the bags that SCOV residents have donated for the homeless sleeping mat project over the past several years. We will resume collecting later in the year.

If you are interested in becoming a member or learning more about our club, stop in on Monday mornings or contact Dale Foster. Our sculpture pieces are in the glass case and art room window inside Catalina Vista, a showcase outside of the library, and inside the library.

In August, Bob Goulding held a workshop on how to sculpt with a project foam board that is 1"x2"x2' from Home Depot. The board was

cut and glued together with spray glue for thickness. Participants used either a template that was provided or their idea/design. Tools used to sculpt the foam include: hack saw, wood files and rasps, sandpaper, utility knife and spade bit for making a hole in the foam if desired. After the material is shaped, the sculpture is primed then painted. The picture shows two sculptures, the left by Trace Getz and the right by Christine Takerian.

SFK is a 501(c)(3) tax-exempt organization

Seniors for Kids contributes support to Family First Pregnancy Care Center in Oracle. This organization provides services to mothers, youth and their families in Pima, Pinal and Gila Counties. The Center ensures a safe, confidential, non-judgmental and compassionate place for women facing a planned or unplanned pregnancy. The center promotes sexual integrity as a safe and healthy lifestyle for unmarried persons. The center also educates young adults on parenting skills by using a training program parents must complete to receive financial assistance and providing items their babies will need.

Seniors for Kids donates funds for such things as diapers, wipes and car seats. Donations of handmade items are also distributed throughout the year.

Thank you to our entire SCOV community again for donating socks during the July sock drive. Reports say they were a big hit at Sells, Mammoth and Three Points. You put smiles on the faces of children in need.

Georgine Smith, Mary Ellen Tovatt, Donna Peterson and Susie Naglekerk are regular members of Casa Amigas

It's been quiet for the past several months and now Casa Amigas will welcome back many of our part-time residents who've been away for the summer. We will continue with our goal of providing clothing and household items for those less fortunate. If you're interested in utilizing your sewing skills, whether you're a little rusty or currently sewing at home, we'd love to have you. The items we sew are fairly simple yet are so needed in the communities we serve. Come to the sewing room on Monday or Thursday mornings to observe or help. We're a super supportive group who work well

together and have fun, too.

The Tapestry Hooking and Fiber Arts group meets in the Sewing Room. If you are interested in our group, stop by on Tuesday mornings between 9-11 am. The group provides materials and instruction for those interested in learning hooking.

Our group is open to anyone interested in fiber arts. Most members are working on hooking projects with wool strips or yarn. However, we do have two people knitting and two that are working on cross-stitch projects. The picture shows a cross-stitch project that Coni Arseneau is currently creating. She received the project from a family member that was already one-third of the way completed. Since Coni had never cross-stitched, she used YouTube videos to guide her on how to proceed. Coni notes that cross-stitch is like hooking, in that both have a foundation material which fibers are pulled through to create an image.

Pet Beds

Jan Bohe 520-825-9725

Tue., 1-3 pm, Artisan Center/Sewing

Can you snip and stuff? Are you a pet lover? So many of us are. We have a simple and easy project you can help us with on Tuesday afternoons. Sewing is definitely not a requirement. We just snip away at washable fabric and stuff pillows for our furry little friends at the Humane Society of Southern Arizona. The beds come in many different colors and sizes that any animal would love. We sure could use your help.

October brings cooler temperatures and lots of new projects to start, or old ones to finish. Our annual Day Retreat will be held Sunday, October 13, 8:30 am-3 pm, Catalina Vista. We will have electrical cords for your machines, but an extra cord would be great. Bring a salad/dessert for the potluck; paper products and beverages will be furnished. It's always fun to see what everyone is working on.

Our regular meetings will be held Tuesday, October 8, and Monday 21, Desert Oasis. Our challenge of leaves will take place in November with great prizes. You still have time to finish them.

Joe Harris always with a smile and a friendly word!

Our featured artist this month is Joe Harris. After retiring, he and his wife traveled around looking for the perfect community to settle down in. Most recently, they moved from Dove Mountain to Sun City in 2019 and were impressed with all the amenities and creative clubs. I think they are here to stay because Joe doesn't want to give up his dream of polishing all the rocks he's collected over the years. Joe has gone from slabbing rocks, to polishing them and now has moved on to silversmithing and creating fine pieces of jewelry.

He's predictably returning to the shop about three days a week. Nice job, Joe.

Instructor Lei Bammel and students learning wire wrapping.

It's that time of the year when many of our residents start to come back to Sun City. If you are one of those residents or a renter and would like to try something new, take a Beginning Fused Glass Class. It is a great way to see if this might be a hobby you would like. Many others have tried it and continue to enjoy creating projects they can use or give as gifts.

Last month, students were treated to the skill and talents of Lei Bammel instructing us how to use wire wrapping to enhance the jewelry we make. Lei showed us several different techniques to use. Although it is not directly working with glass, it is a wonderful way to enhance the glass jewelry we do make. The picture shows Lei and her eager students.

Claudia showing off one of her cribbage boards.

One of the club's newest members is Claudia Case. When she joined the club two years ago, she had no prior woodworking experience, but what she has learned and done since then is impressive. Her projects have included cribbage and chess boards, live edge table tops and ornate wood knife handles to name a few. She is currently planning another tabletop that involves pouring epoxy resin around live edge wood pieces in a mold to create the top. Not a simple task for any woodworker. In addition to developing many woodworking skills, Claudia has served the club as its head monitor and now as its president. Her term is up at the end of the year, and we hope there will be members who will draw inspiration from her example of service to the club and will volunteer to fill positions on the board during the election of officers this December.

VP Maryfaith Fox 612-414-7789 maryfaith.fox@gmail.com
Oct.-Apr., First and Third Wed., 2 pm, Catalina Vista/Mt. Lemmon

The Great Books Club provides an opportunity to read and discuss a variety of selections from both classic and contemporary works: philosophy, poetry, fiction and more. Wednesday, October 2nd, we will consider a short story by Jewish Brazilian writer Clarice Lispector, followed on Wednesday, October 16 by an intriguing work by Irish poet Eavan Boland. We meet twice a month, October through April, using anthologies published by the Great Books Foundation. Newcomers are always welcome; contact Maryfaith for more information.

Not So Silent Book Club

Tammy Barnett 530-228-0214 tammypbarnett@sbcglobal.net
Second Sun., 2:30-4 pm, Desert Oasis/Ocotillo

The Not So Silent Book Club welcomes back our seasonal residents and extends a warm welcome to new members. This is the club for you if you enjoy reading and hearing what books others are reading. Unlike many book clubs, we do not read a common book. All members choose what they want to share during our meetings. Often, members will bring books to give away or lend. This month it would be fun to have an exchange of books, so feel free to bring along a book or two you want to pass on to a friend. Contact Tammy B. or Karen W., kfwashabau@gmail.com if you have any questions regarding the club. Hope to see you on the second Sunday of the month, at DO/Ocotillo.

Poets Corner

Sharyn Rafieyan 520-825-6762 srafieyan@comcast.net
 Mon., 10 am-noon, call for location or invitation to Zoom

Leafing through an anthology called *English Romantic Poetry* reminds me why we still study poets like Byron, Coleridge, Keats and Shelley. The first stanza of Shelley's "The Cloud," a delightful personification, clearly exhibits the poet's talent and why he's still so refreshing to read, especially out loud. Resident poets are always welcome to join us on Zoom.

"I bring fresh showers for the thirsting flowers,
 From the seas and the streams:
 I bear light shade for the leaves when laid
 in their noonday dreams.
 From my wings are shaken the dews that waken
 The sweet buds every one,
 When rocked to rest on their mother's breast,
 As she dances about the sun.
 I wield the flail of the lashing hail,
 And whiten the green plains under,
 And then again I dissolve it in rain,
 And laugh as I pass in thunder."

Writer's Club

Paul Mercer 847-977-7326 pawmerc@gmail.com

We welcome retired Arizona Daily Star editorial cartoonist and funny man Dave Fitzsimmons to entertain and enlighten us at our meeting Saturday, October 19, 1-2:30 pm. Note the date change as Yom Kippur falls on our regular meeting date. We hope to see you then as we work on last-minute election projects. We also thank members for their hard work on our Candidate Wine and Cheese event and for their work canvassing for candidates, sending postcards, having house parties, distributing candidate signs and getting the word out about our Democratic candidate slate. Visit our website for details on the meeting program.

Conscious Aging

Pres. Phyllis Burks 520-245-2785
SCOVConsciousAging@gmail.com
 Wed., 9-10:30 am, AC/Navajo

Join us for our new book study starting in October

Conscious aging is about the inner work of reorienting ourselves as we turn from our roles we assumed while managing careers and tending families, to turning inward and cultivating a deeper awareness of who we are now. Our goal is to discover how to face the known and unknown challenges of aging. With the help of our community, we are pondering the questions: Who am I? What are my values? What do I believe? What matters most to me? This inner work is supported by mindful movement such as qigong, guided meditation and book study, which draws from psychology, sociology, metaphysics, philosophy and meditation. Conscious aging is about accepting who we are now. Our meetings consist of a short period of easy mindful movement, followed by guided meditation and discussion. Please contact Phyllis for information, or email the club.

Find out what the Sun Shuttle can do for you.

The Sun Shuttle is free to seniors 65 or older, 6 am-8 pm, Monday through Friday. It's not just for getting to medical appointments. You can book rides for yourself, clubs or friends for shopping, movies, exhibitions, University of Arizona lecture series, and much more. You can go out to dinner and forget about driving. The Sun Shuttle will take you as far as 22nd and Wilmot and back for any reason. For medical appointments they go much farther, including to the VA Medical Center. The Shuttle has an app so you will know to the minute when they arrive. No waiting outside in the heat or cold. Speaker Mike Alexander from the Sun Shuttle will tell you much more about their services at the Staying in Charge Club's meeting, Sunday, October 27, 2 pm, AC/Navajo Room.

Dance

Ballroom - SC Starlight

Sara Harney 717-977-1963 scovstarlightdance@gmail.com
www.scstarlightdanceclub.wixsite.com/scstarlightdance

The ballroom dancers are gearing up for a fun and exciting season. We will be sponsoring dance lessons for both beginner and intermediate dancers on Wednesday evenings and dances each month from September through May. We welcome you, whether or not you're an expert dancer or would like to try this activity that exercises both body and mind.

Coming up, dance lessons will be held on Wednesdays October 2, 9 and 16, 5 pm for intermediate dancers and 6 pm for beginners. The lessons are in Cha Cha, which is always a fun dance. The October dance is Saturday, October 19, 6-8:30 pm in the AC/ Auditorium featuring Chuck Moses, who is a local favorite for both his music and performances.

Email scovstarlightdance@gmail.com, call or text Sara Harney at 717-977-1963 if you plan to attend the October dance or are interested in beginner or intermediate dance lessons.

Folk Dance

Exercise

Aqua Tone

Irmel Wheeler, 520-334-0957, irmel5596@gmail.com
Tue., Thu., Sat., 10 am, AFC/Pool

Aquatone is a toning water workout that incorporates a variety of rhythmic body movements. This aquatic exercise class enhances cardiovascular fitness and muscular endurance. There is no fee to join this club or the class. The teachers are club member volunteers. Participants should be able to do a basic swim stroke. Items used in the class are buoys, boards, noodles and a fitness band. Most of these items are available at the pool. We assign an experienced member to a newcomer to help learn the various movements. Come enjoy a great workout in a fun class.

Arthritis Water

Pres. Norma Waters normawaters1@hotmail.com
Vice Pres. Andrea Houston ahoust2@lsu.edu
Summer Hours - Mon., Wed., Fri., 10:05 am AFC/Pool

We meet when the air temperature is 77 degrees or warmer, as recommended by the Arthritis Foundation.

Our club performs gentle water exercises which target all muscles and are used by several health organizations to increase strength and balance and to increase mobility and flexibility.

Water exercise is especially helpful to manage arthritis, fibromyalgia, replaced joints, etc. Some new members have expressed surprise at how quickly the first couple of sessions increased their abilities to move. Others comment on improved stamina.

New members are always welcome. Our members are fun, accepting and welcoming. We frequently hear "I came for the exercises and love all the friends I have made." The yearly dues are \$5 and your first class is free. There is not a fee per class.

Energetic Exercise

Pres. Anne Palmer 520-289-9140 palmersaz03@gmail.com
Mon., Wed., Fri., 8-9 am, Activity Center/Auditorium

Energetic Exercise Club meets every Monday, Wednesday and Friday, 8-9 am year-round, in the Auditorium. The goals are to improve and maintain cardio fitness, muscle tone and strength through instructor-led classes. Sally Martinez has instructed at SCOV for 30 years. The classes offer complete flexibility for all levels of fitness. Equipment is used in the class but is always optional. Dress is casual with sports shoes required. Annual membership is \$3. Members then buy 12- punch cards for \$30, payable to the instructor. Both the membership application and punch cards are available in the class. Newcomers can try a first class for \$3. Members receive a monthly calendar that tells the focus for that day. All are welcome.

Fitness Swim

Pilates

Mary Ayers 520-638-7916 scov.pilates@gmail.com
Mon., 3 pm, Thu., 1:30 pm, AFC/Studio

Fall is finally here and it's time to think about avoiding all the holiday stress by exercising. On Monday and Thursday professional instructors come to Sun City and teach a Joseph Pilates core strengthening mat class. Pilates workouts are not just sets of simple exercises. Your abdominal muscles, back, hips, arms and more are strengthened and toned. This means you'll have improved posture plus more flexibility, strength and balance. The classes always start with warm-up stretches and are one-hour total body workouts. The classes are designed for seniors, so all movements can be modified for different levels of performance. The cost is \$8/class and annual club dues are \$20 pp. Please stop by and watch one of our classes. Call Mary 520-638-7916.

Sunrises Exercise

Joyce Wisbey 520-825-5425 bwisbey90@msn.com
Shirley Dubansky 520-975-4100
Mon., Wed., Fri., 7-8 am, AFC/Studios 1 & 2

Sunrises Exercise is a one-hour class that will get your day going. We meet at 7 am, Monday, Wednesday and Friday, AFC/ Studio 1 and 2. Monday and Friday we incorporate weights into the program and on Wednesday we add a balance program. We have all levels of participants; this is your exercise program. There is no charge for the class or to join the club. Come and give us a try.

Tai Chi

Gail Barr 303-995-7485 SCOVTaiChi@gmail.com
Thu., 10-11:30 am, AFC/Studio 1

The fall Tai Chi session begins Thursday October 10 and runs through December. The course consists of ten classes led by Sensei Donna Drazenovich, 2nd degree black belt in karate, and Assistant Instructor Kyt-Tee Kohout. Each 90-minute class begins with 30 minutes of Qigong followed by 60 minutes of Tai Chi instruction. Instruction for beginners is given separately from those students more experienced. You may observe the first class before committing to the full course.

Tai Chi is a gentle, low impact mind-body exercise. It is both a martial art and meditation and is known for its health benefits. Many medical professionals recommend Tai Chi for improving balance as well as building muscle strength and reducing stress. Please check with your doctor if you have any medical concerns. Practice sessions are offered year-round to support our club members. For more information, email SCOVTaiChi@gmail.com or contact Gail.

While five species of herons have been found in Arizona, only two are common and both enjoy the SCOV golf course ponds. These are the Great Blue Heron and the Black-crowned Night Heron (BCNH pictured). While the BCNH forages mainly at night, it is often seen crouching at the edge of the ponds during the day, looking for a snack.

We are a 120+ member, activity-oriented group, and all SCOV residents are invited to join us on our field trips to learn more about the birds in Arizona. We exited our summer hiatus and if you are interested in knowing more, contact Peggy and ask to be added to our mailing list.

Bocce is a fun, easy-to-learn activity that people of all ages and abilities can enjoy. No experience is required, and anyone who can pick up and roll a ball can play. Newcomers are always welcome and may play once without joining the club. We are playing in the cool of the evening now, and it is one of the few activities that can be enjoyed outdoors this time of year. For more information or to learn the rules of the game, check the website scovbocce.weebly.com. To reserve a court during non-club times, check the Court Reservation system on SCOV's website suncityorovalley.com/book-court-lap-lane.

Gun Club

Pres. Joe Noll 229-894-0412 janoll41@aol.com
Next meeting will be in October

The SCOV Gun Club stresses safety and education on the proper handling of all firearms; pistols, rifles and shotguns. Discussions this year include cleaning and lubrication of firearms, function and operation, shooting positions, ballistics and basic reloading procedures. Speakers include certified firearms trainers, veterans, law enforcement and legal professionals. All interested persons are encouraged to attend, regardless of experience.

Horseshoe

Contact: Sandra Knudson 520-825-9307

Scheduled hikes are posted on the website
www.scovhiking.org

October starts "high season" for hiking in southern Arizona. The weather is gorgeous, a bit cooler and the hiking options are many and varied. See available hikes by logging onto www.scovhiking.org. Hikes for the following month are posted by the 15th of the current month. Most hikes leave from SCOV and carpool to the trailhead. Our club has hikes rated from "A" (most challenging in terms of distance and/or elevation gain) to the most gentle "E." Bring lots of water, sunscreen, hat and (optional) hiking poles, plus a snack or lunch, depending on the hike length. Our tour guides are well trained in trail safety and first aid.

Sign up for an orientation hike via www.scovhiking.org. The orientation hike is required for new members. To join go to the club website, register and pay the \$10 annual dues. Our fall picnic is Wednesday, November 7, Catalina State Park. New members are especially welcome. Happy hiking.

Registration is on the website: www.scovpb.org

Craig tries out the new chair while waiting to play!

Our new fall courts schedule begins Tuesday, October 15 and will accommodate many different groups. Last year we had 14 different groups vying for court time. The addition of courts 6 & 7 will help immensely as our Club continues to grow. Our next social is our Welcome Home Pizza Party on Saturday, November 16.

Three club Board of Directors openings will be on the ballot. Their job descriptions are posted on the bulletin boards on courts 1 and 3 for your review. Please give your nominees to our Nominating Committee:

Chair: Nancy VanderArk nvandera5@hotmail.com 602-402-7191; Bob Newman and Laurie Brown. Candidates will be announced Friday, November 1 with online voting occurring November 8 through 15. Winners will be announced asap. Come play with us. Free lessons and more when you join our club online. Your kids and grandkids will want to play with you.

Tue., Thu., Sat., 8-10 am; Advanced Play Fri., 8:30-10:30 am
Ladies Group Mon and Wed. Call for details, Desert Oasis

A small portion of the members. Come be in our next photo.

If you believe that happiness is a room without a roof, then you'll enjoy this happy group. Pop tennis uses a foam paddle and an underinflated tennis ball, which makes a "pop" sound, on a smaller tennis court. We have extra paddles and patience for the curious.

Racquetball

Pres. Kim West 520-343-0662
VP James Hansen 520-490-0547
Sec./Treas. Gary Henson 262-573-6605
Mon., Wed., Fri., 7:30-9:30 am, AFC/Racquetball Court

We welcome back the snowbirds and look forward to them getting back into the game. Racquetball is a fun way to get good exercise, and we're always looking for new members. If you have ever played and want to get reacquainted with the sport, please come join us. If it's a sport you'd like to try, we look forward to introducing you to the game. We have players at all levels.

Spare rackets are in the storage room and we supply the balls; just be sure to bring safety goggles. We play from 7:30 - 9 am, Mon, Wed. and Fri. Want to just practice to see if it's for you? Come at 9 am and one of us will be glad to stick around. Our club has great camaraderie. In addition to racquetball, we've gotten together to play pickleball, bocce ball, table tennis and plus enjoy socializing. We have our annual business meeting/potluck in January and our Spring BBQ in March. Dues are only \$5 annually. If interested in joining the fun, contact our treasurer, Gary Henson.

Table Tennis

Co-Pres. Pat Norkooli pattynork@gmail.com
Co-Pres./Treas. Ursula Jarvis ukjarvis@comcast.net
Tue., women 1:30 pm; all play 3-5 pm
Thu., all play 4:30-8 pm
Sat., Two sessions, all play 9-10:30 am, 10:30-Noon
Sun., all play 1-3 pm. All play is at Catalina Vista

Tennis

Pres. Mark Lankes mjlankes@yahoo.com
For a schedule of club play and membership, go to www.scovtennis.com

As the weather cools and fall is in the air, get that extra morning shut eye as start times are changing. Our friends begin returning from all over the country to rejoin us in the tennis fun.

The Mixed Doubles Ladder will begin Friday, October 4, 2:30 pm. Signup on the website SCOVtennis.com. All are welcome. Ladies, keep an eye out for round robin socials in the coming months. Also, Mixed Doubles Wednesday Nite Lights will return in October. Keep watching the website for all other socials and events.

Our SCOV Women's Interclub has been furiously practicing for the new season. This year the SCOV Tennis Club has a Men's Interclub team. Don't forget to look at the website and bulletin board for their schedules. Come cheer the home team on as they play other clubs in the area.

Competitive play Tues. and Fri., 12:45-3 pm Wallyball/Racquetball Court

Fun competitive play.

Wallyball is volleyball played on a racquetball court. With three to five players on each side, it is fast, fun and a great workout that tones muscles and improves coordination. Players use the walls to create angles on shots but cannot use the ceiling or back wall of the opposing team. We welcome new members, both men and women. Come see if the game is for you.

Chair Barb McNeill bjmac68@gmail.com

Thanks to Vistoso Helping Hands (VHH) volunteers, retired nurses and Brenda, SCOV Lifestyle Coordinator for helping Safeway provide residents with vaccinations this month. The clinic was well-attended and especially appreciated by those who were notified by VHH volunteers via phone/flyer distribution, who don't use digital devices. VHH also provided transportation for those who needed it.

Our all-volunteer organization provides short term help to residents in needy/temporary or crisis situations. We assist with caregiver relief/shut-in visiting, transportation, animal care, handyman services, light housekeeping/yard care, paperwork organization, errands, computer/bill pay help and meal pick up from The Views Restaurant. For help call: 520-447-0077. If we are not available, leave a message with your name/phone number. We will call you back.

Oro Valley Historical Society

In 1871, a group of vigilantes from Tucson attacked a native encampment near Oracle and killed 144 women and children. Why did this occur, and what was its impact? Author Venetia Hobson Lewis will discuss the Camp Grant Massacre at the Oro Valley Library on Tuesday, October 15, 2 pm. The event is open to the public and sponsored by the OV Historical Society.

Daughters of the American Revolution

The October meeting of El Presidio Chapter, NSDAR, will feature speaker Emily Tisdale of the Leukemia & Lymphoma Society. She will update us on how the organization helps blood cancer patients and their families. More information on participating in the "Light the Night" walk Saturday, October 26, will be available to celebrate, honor and remember individuals touched by cancer. Any woman descended from an ancestor who supported the American Revolution is eligible for membership in DAR. Not sure? Maybe we can help you.

Oro Valley Theatre Company

You won't want to miss out on our first show of the 2024-2025 season. Travel back in time to Christmas 1183, where a gripping tale of family tensions and ultimate power unfolds in *The Lion in Winter*. All performances will be held at the Gaslight Music Hall of Oro Valley on November 8, 9, and 10. You can purchase tickets by calling 520-529-1000 or visit their website for more information.

The Life They Always Wanted

Your Life, Your Rhythm

We looked forward to our retirement, and happily gave up household chores (so long, home repairs!) in exchange for quality time together. Now a chef makes our meals, gardeners groom the grounds, and our days are filled with fun classes, group excursions, and happy hours. Best of all, we can slow dance whenever we want.

Heart Health Evaluations – Lipoprotein (a) Research (also called Lp(a), L-P-little a)

1 in 5 Americans lives with high Lipoprotein (a) – an inherited heart risk that may increase the chance of a sudden heart attack or stroke.

A simple blood draw can help determine if your heart health is at risk. Synexus is providing a Lp(a) blood screening at no cost to determine if you may qualify for a crucial clinical trial aiming to reduce Lp(a) blood values. Participants may receive compensation for time and travel.

You may qualify for this test if:

- You are 18 or older
- You've had a previous heart attack, stent, stroke, or established peripheral artery disease **OR**
- You have multiple risk factors including high cholesterol, diabetes, hypertension, current tobacco use, or family history of a heart attack(s).

"Brenda is a fantastic agent who understands the real estate market and provided expert guidance through the sale of our home. Honest, reliable and trustworthy, Brenda took the time to know us and guided us through a challenging sales market. Brenda was always available when we needed to talk and her approachable style and professional manner make her stand out amongst her peers. I highly recommend Brenda!"
