

THE DIVOTS – February 2019

From the Pro Shop

Winter Weather

Does it seem like we have had an unusually cold and wet winter this year? While we have had only a few frost delays, it's important to review details regarding the cold weather. The frost line is 520-825-0322. This line is updated no later than 6:30 am. Tee times that have been affected by frost delays may be adjusted as we catch up times caused by cancellations. Please check our website (theviewsgolfclub.com) for up-dated tee times. To keep you warm throughout the winter months, check out the new Views women's and men's winter knit hats. We also just received men's and women's fleece jackets and pull overs. Pass holders will receive 25% off these jackets and pullovers. Stay warm and make a fashion statement all at the same time.

Course Maintenance

With the increase in rounds here at The Views comes the increase in ball marks and divots. Let's all do our part by obeying the gate system and by fixing our ball marks (and one other) and filling our divots. If we all do this, we will continue to have the excellent conditions we have become accustomed to at The Views.

January Results

Congratulations go out to Steve Aggers for his hole in one on the Par 3 3rd hole on January 7. Steve used a 6 iron from 150 yards. Great shot Steve.

Golf Fair & Helicopter Drop

The most exciting event in January took place on the January 19 at our Annual Golf Fair & Helicopter Ball Drop. The driving range was overflowing with guests eager to see which of the 630 golf balls purchased would be the lucky winners.

The 3 ball-drop winners were in 3rd place George Lindsay \$400; 2nd place Warren Witter \$750; and first place, whose ball was holed out from the helicopter for a hole in one was Helen Bruning taking home the grand prize of \$1200. We had a beautiful day for this event, and everyone was a winner as all Women's & Men's associations raised over \$2000 combined for their respective associations. The Women's 18-hole association was the top group with a total of \$585 raised! Wait until next year!

A Word from the Pro

The word for this month is FITNESS. Adhering to a consistent fitness program will reap benefits for you on the golf course. Injury prevention and greater stamina are two of those benefits. It's also important to train our minds with positive self-talk instead of berating ourselves for poor performance. A positive outlook and positive reinforcement will go a long way towards more consistent play and more FUN on the course. Get fit and stay fit!
